19	In case an investment in associated company has already been made, the performance review of such investment including complete information / justification for any impairments / write-offs	<p>During the financial year the Company recorded sale of PKR 1,047 million as compared to PKR 1,643 million in the corresponding period last year. The Cost of sales for the period was recorded at PKR 264 million as compared to PKR 708 million in the corresponding period. The gross profit over the year declined by 16% amounting to PKR 152 million and to the contrary gross profit margin has increased by 17%. The administrative expenses for the period remained at PKR 420 million representing an increase of 9% over the corresponding period. The finance cost for the year remained at PKR 107 million as compared to PKR 207 million resulting in a decline of 48%. The finance cost has declined due to improved working capital leading to reduced financing cost on short-term running finance. The initiatives of Government of Pakistan and State Bank of Pakistan (SBP) "Mera Pakistan – Mera Ghar scheme", "Roshan Apna Ghar scheme" and new guidelines for housing finance particularly for high rise under construction projects by SBP have completely changes the dynamics of the sector. These steps will increase the potential customer base manifold for the project. And it is likely to create additional demand of plots, Houses, and apartments (to be launched soon) in Naya Nazimabad. Consequently the investment is expected to add value to AHL shareholders. Performance of JCL can be referred in Point 10 to 12 above.</p>
