DIRECTORS' REVIEW

The Directors of **Artistic Denim Mills Limited** (the Company) takes pleasure in presenting this Review Report together with the un-audited condensed interim financial statements of the Company for the first quarter ended September 30, 2022.

PERIOD UNDER REVIEW

Comparative financial results for the current period and that of the corresponding period last year are as follows:

	September 30, 2022 Rs. in ('000')	September 30, 2021 Rs. in ('000')
Net Sales	3,463,382	4,405,561
Gross profit	400,807	406,533
Other income	187,034	41,224
Finance costs	131,096	70,543
Net Profit	245,078	178,364
EPS (Rs. per share)	2.92	2.12

Despite the challenging economic conditions, your Company recorded net sales revenue of Rs. 3,463.382 million as compared to Rs. 4,405.561 million during the same period last year. The decrease in sales was primarily due to global recession, therefore, slowdown in demand in the international market. The gross profit margin improved to 11.57% from 9.23% as compared to same period last year on account of devaluation of Pakistan Rupee and effective cost controls. Other income increased from Rs. 41.224 million to Rs. 187.034 million due to exchange gain on exports. Finance costs increased from Rs. 70.543 million to Rs. 131.096 million due to steep increase in policy rate, increase in SBP Long Term Financing Facility (LTFF) & Export Finance Scheme (EFS) rate and increase in working capital requirement due to increase in cotton prices. Accordingly, the Company earned net profit after tax for the period amounting to Rs. 245.078 million (September 30, 2021: 178.364 million) reflecting an increase of profit by 37.40%. The net profit translated into Earnings per Share (EPS) of Rs. 2.92 as against Rs. 2.12 for the corresponding period of last year.

FUTURE OUTLOOK

Pakistan business outlook is undetermined amidst fear of global recession indicate lower demand in Pakistan's export market at a time when the country is facing supply chain challenges for import of raw materials, inflationary pressures and monetary tightening policies. Further escalation in Russia-Ukraine conflict and local political scenario coupled with adverse impact on economy due to unprecedented floods in Pakistan may also take a toll on exports. At present, competition in textiles is becoming increasingly tough in the midst of the aforesaid factors, thereby negatively impacting the competitiveness of exports. Price competitiveness and prompt delivery of quality products will therefore be increasingly instrumental in determining which countries are able to enhance or even maintain exports. Accordingly, based on currently available information, GDP growth could fall to around 2 percent in Financial Year 2023, compared to the previous forecast of 3-4 percent before the floods.

The textile industry commits to achieving the targets set and is eager to contribute to Pakistan's sustained economic growth. However, to maintain the export level and subsequently increase as committed, the Government to ensure uninterrupted and adequate gas and electricity at regionally competitive energy tariffs, restoration of zero rating (SRO 1125) to restore liquidity of the textile sector, comprehensive policy and action for the realization of enhanced export potential and SBP to allow all export oriented sectors to open L/Cs without pre-approval.

Despite of these challenges, your Company remained fully aware of the down side risk to the economic and operating environment and pursued its strategy to maintain entity's growth and market share by tapping new opportunities i.e. remains focused on improving its operational efficiencies, exploring new markets, effectively minimizing the production costs and focusing on the right performance levers. Further, the Company has been investing in value additions, which is an ongoing process by utilizing SBP's LTFF Scheme to stay competitive in a global market and expect these investments will yield positive results in the long run for the Company and its shareholders.

ACKNOWLEDGEMENTS

On behalf of the Board of Directors, we would like to place on record our gratitude to esteemed shareholders for continued support and valued customers for placing their trust in our products. We would also like to thank the esteemed suppliers, bankers, colleagues and all stakeholders who are helping and contributing towards the sustained support in achieving the Company's goals and objectives.
