BRIEF REVIEW

QUARTER ENDED 30 SEPTEMBER 2022

The Directors are pleased to present the condensed interim financial statements for the quarter ended 30 September 2022 and, as at that date.

The Company incurred a net loss after taxation of RS.16.183 Million (Loss of RS 3.74 per share) as compared with a loss of RS.12.191Million (Loss of RS 2.81per share) for the corresponding period of last year. The losses have arisen because the Company's continues to be in a non-operational mode.

The Company continues to incur administrative expenses to manage, protect and preserve the valuable assets of the Company and is not in a position to commence commercial production due to lack of working capital. All funds needed to sustain the company continue to be provided by the Company's principal shareholder from personal sources.

The Company has identified surplus assets for disposal to generate funds to pay off bank liabilities and raise working capital from the proceeds of the disposed surplus assets. The Board committee formed to oversee this matter is actively pursuing the issue, however the crisis like economic conditions and the political uncertainty has negatively impacted the willingness of potential buyers to materialise such transactions. It is hoped that with a restoration of stable conditions there will be renewed interest from potential buyers.

In view of the extraordinary losses it is not possible to make any recommendation for a pay-out and we thank the shareholders for their continued support and patience in these difficult times.

ON BEHALF OF THE BOARD OF DIRECTOR

SEHATE FAROOD SHAIKH CHIEF EXECUTIVE
