The income of ARM was exempt from income tax in terms of section 37 of the Modaraba Companies & Modaraba (Floatation and Control) Ordinance, 1980 (the Modaraba Ordinance) and Clause 100 of the second schedule of the Income Tax Ordinance, 2001. The said income tax exemption, which was available to the Modaraba sector of Pakistan for the last almost 40 years, has been withdrawn through the Finance Act, 2021-22, w.e.f. July 1, 2021.

Further, the Modarabas in Pakistan under the Modaraba Ordinance operate in two tiers corporate structure i.e. a Modaraba is managed by a Modaraba Management Company; both legal entities requiring separate compliance requirements; under the Act and the Modaraba Ordinance.

Further, the main sponsors of **ARM** (as defined in article 1.42 of the Scheme) directly and indirectly hold more than 95% of the certificates of ARM, being the ultimate beneficial owners of more than 95% certificates of ARM; within the meaning of section 123A of the Act, were already bearing the income tax burden at 3 different levels / layers i.e. at the level of Allied Engineering Management Company (Private) Limited (**AEMCL**) the management company of **ARM**, then at the level of Allied Engineering and Services (Private) Limited (**AESL**) and then on their personal income and now after amendment in Income Tax Ordinance through the Finance Act, 2021-22; will have to bear the income tax at one more level of **ARM** as well.

Consequently, it is not feasible and in the interest of the certificate holders of **ARM**, comprising of general public and the main sponsors, to bear the expenses of both the entities and to pay the highest rate of income tax for the corporate sector as compared to zero tax prior to promulgation of Finance Act, 2021-22, as well as to pay the income tax at 3 different levels; to continue its business activities through a Modaraba.

The directors of **AEMCL**, Allied Transport and Logistics (Private) Limited (**ATL**) and **AESL** in their respective board meetings have agreed to a Scheme of Arrangement dated 14.4.2022 read with amendments approved by the Board in their respective meetings held on 12.9.2022 (the Scheme) for the division/ demerger of **ARM** into two undertakings namely; (i) **ARM** Demerged rental business segment undertaking comprising of the assets, liabilities, obligations and undertakings of rental business of **ARM** and (ii) **ARM** Demerged logistic business segment undertaking comprising of the assets, specified liabilities, obligations and undertakings of logistics business of **ARM** and transfer of **ARM** Demerged rental business segment undertaking (including all contingent assets and liabilities of ARM) with and into **AEMCL** and transfer of **ARM** Demerged logistics business segment undertaking (excluding any contingent assets and liabilities of **ARM**) with and into **ATL**; from the Effective Date, without further act or deed or documents being required to be executed, registered or filed in respect of such transfer, vesting, and/ or assumption and as a consideration thereof, the allotment of shares of **AEMCL** and **ATL** to the certificate holders of **ARM** including ultimate beneficial owners of **AESL** according to swap ratio of 0.211 share of **AEMCL** against each modaraba certificate of ARM and 0.588 share of **ATL**

against each modaraba certificate of **ARM** as calculated for the purpose of this Scheme and duly certified by the Board of Directors of **AEMCL** and certified by the external auditors and all ancillary matters including consequent reduction of share capital of **AESL** and dissolution of **ARM** without winding up as per details given in the Scheme (copy enclosed).

The object of division/demerger of **ARM** is to carry on business economically and efficiently. Further details about the objects and benefits are provided in the Scheme.

The Scheme, if approved by the respective certificate holders of **ARM** and respective shareholders of **AEMCL**, **ATL** and **AESL** by the requisite majority as provided under section 279 of the Act, and sanctioned by the Court by an order passed in this respect, shall be binding on **ARM**, **AEMCL**, **ATL** and **AESL** along with all the certificate holders/shareholders of these entities, creditors, employees, customers, contracting parties, government, tax and regulatory / statutory authorities, bodies and departments of or with respect to **ARM**, **AEMCL**, **ATL** and **AESL** (as applicable) respectively.

BENEFITS OF THIS SCHEME

A. Cost Savings

- i. The object of demerger of ARM is to carry on business economically and efficiently. The Modaraba in Pakistan under the Modaraba Ordinance operates in two tiers corporate structure i.e. a Modaraba is managed by a Modaraba Management Company; both legal entities requiring separate compliance requirements; under the Act and the Modaraba Ordinance.
- ii. The income of a Modaraba was exempt from income tax in terms of section 37 of the Modaraba Ordinance and clause 100 of the second schedule to the Income Tax Ordinance, 2001. The said income tax exemption, which was available to the Modaraba sector for the last almost 40 years, has been withdrawn through the Finance Act, 2021-22 w.e.f. July 1, 2021. Consequently, it is not feasible and in the interest of ARM and its certificate holders, comprising of general public and the main sponsors, to bear the expenses of both the entities and to pay the highest rate of income tax for the corporate sector as compared to zero tax prior to promulgation of Finance Act, 2021-22.
- iii. The main sponsors (as defined in this scheme and details given in article 5) directly and indirectly hold more than 95% of the certificates of ARM, being the ultimate beneficial owners of more than 95% certificates of ARM; within the meaning of section 123A of the Act, were already bearing the income tax burden at 3 different levels/layers i.e. at the level of AEMCL, then at the level of AESL and then on their personal income and now after amendment in Income Tax Ordinance through the Finance Act, 2021-22, they will have to bear the income tax at one more level of ARM as well.

As a result of allotment of shares of AEMCL and ATL to the main sponsors in lieu of more than 95% certificates of ARM held by them through AESL directly and indirectly; the main sponsors would be able

to save costs under the applicable laws while effectuating the envisaged arrangement.

- iv. Hence, the division/demerger/split of ARM into two private limited companies would enable the certificate holders of ARM comprising of general public, the main sponsors and others (including general public) as well as the other shareholders of the companies involved, to save costs under the applicable laws while effectuating the envisaged arrangement.

B. Objectives of Long Term Growth and Expansion

The demerger/split of ARM in two private limited companies and separation of the different undertakings and assets of the respective companies will allow the management of each company to focus on the business segment sought to be carried out by the respective company, resulting in better performance of the same. At the same time the respective managements shall be able to apply their skills and experience towards the long term growth of their respective companies and even expand the businesses to services which are relevant to their applicable fields.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the directors' report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of accounts have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the directors' report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of accounts have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

- c) investments made, expenditure incurred and guarantees extended during the period were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980.

The engagement partner on the audit resulting in this independent auditor's report is Mohammad Javaid Qasim.
