### DIRECTORS' REVIEW REPORT TO THE SHAREHOLDERS

The Board of Directors of your Company are pleased to present the Un-audited Financial Statements of the Company for the Half Year ended 31<sup>st</sup> December, 2022.

### INDUSTRY OVERVIEW:

The textile industry is a crucial contributor to the economy of Pakistan, and its significance is amplified by the country's reliance on foreign exchange. The recent devaluation of the Pakistani Rupee against the US dollar has given textile exporters a competitive edge in terms of pricing. However, in the long run, devaluation has become a growing concern for textile exporters as it raises input costs, making exports less competitive.

Apart from this, the shortage of cotton remains a major challenge for the country, especially with the growing demand for the textile industry. Cotton production has declined substantially in the last decade, primarily due to the fall in cultivation area followed by lower yield resulting from water scarcity and inconsistent rainfall/flood.

Looking towards the future, the economy is facing severe challenges, which have been further compounded by floods. These challenges will not only impede the already feeble economic growth, but they will also lead to spiraling prices of food items due to supply disruptions. As a result, inflation is likely to remain high throughout the year. The textile industry is expected to remain under stress due to sluggish product demand from both local and export customers, along with all-time high markup rates and increasing energy costs.

### COMPANY'S PERFORMANCE

Half Year brief financial position of the Company is presented here under:

We regret to inform you that our company's financial performance during the current period has been unsatisfactory. We have incurred a significant loss of Rs. 362.093 Million, a sharp decline compared to the after-tax profit of Rs. 223.911 Million reported last year. Several factors have adversely impacted our operations, including the high cost of cotton, rising interest rates, expensive energy costs, currency inflation, economic instability, and political uncertainty. These challenges have collectively contributed to the overall negative impact on our financial performance.

Despite macro-economic challenges, the Company's Q1 operational performance was good with an 11.40% revenue growth, mainly from a 12.45% increase in local sales. Export sales also rose by 8.88%. However, gross profit decreased due to high cotton prices, operating cost increased by 21.71%, and finance cost increased due to record-high borrowing rates.

We understand the importance of addressing these issues and have already taken steps to mitigate their impact on our business. Our management team is closely monitoring the situation and exploring various strategies to improve our financial performance in the future. We remain committed to delivering sustainable growth and value to our stakeholders and are confident that with the right measures in place, we can overcome these challenges and emerge stronger.

### **ACKNOWLEDGEMENT**

The Board records its profound appreciation for all our colleagues, customers, banks, management and factory staff who are strongly committed to their work as the success of your Company is built around their efforts. The Company acknowledges and thanks all stakeholders for the confidence reposed in it.

On behalf of the Board

### INDEPENDENT AUDITOR'S REVIEW REPORT

### To the members of Ideal Spinning Mills Limited

### **Report on review of Condensed Interim Financial Statements**

### Introduction

We have reviewed the accompanying condensed interim statement of financial position of IDEAL SPINNING MILLS LIMITED as at 31 December 2022 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to condensed interim financial statements for the half year then ended (here-in-after referred to as "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. The figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the quarters ended 31 December 2022 and 31 December 2021 have not been reviewed and we do not express a conclusion on them as we are required to review only the cumulative figures for the half year ended 31 December 2022.

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditor's review report is Mubashar Mehmood.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 2.1 BASIS OF PREPARATION

### a) Statement of compliance

3.

- i) These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:
  - International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
  - Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

- ii) These condensed interim financial statements do not include all the information and disclosures as required for annual financial statements and should be read in conjunction with the annual financial statements of the Company for the year ended 30 June 2022.
- iii) These condensed interim financial statements are un-audited, and are being submitted to the shareholders as required by the Listed Companies (Code of Corporate Governance) Regulations, 2019 and section 237 of the Companies Act, 2017.

### b) Accounting policies, computation methods and financial risk management

The accounting policies and methods of computations adopted in the preparation of these condensed interim financial statements are consistent with those applied in the preparation of the annual financial statements of the Company for the year ended 30 June 2022. The Company's financial risk management objectives and policies are consistent with those disclosed in the annual financial statements for the year ended 30 June 2022.

### 2.2 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of these condensed interim financial statements in conformity with approved accounting standards requires management to make estimates, assumptions and judgements that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgments made by the management in applying the Company's accounting policies and the key sources of estimation and uncertainty were the same as those that applied in the annual financial statements of the Company for the year ended 30 June 2022.
