Directors' Report

The Directors are pleased to present the un-audited Financial Statements of the Company for the nine months period ending on **March 31, 2023.**

Data Textiles Limited (the Company) is a public listed company limited by shares, incorporated in Pakistan under the Companies Ordinance, 1984, which is listed on Pakistan Stock Exchange (PSX), having its registered office located at Office No. 505, 5th Floor, LSE Plaza, Khayaban-e-Aiwan-e-Iqbal, Lahore.

The main activity of the company had been the manufacturing and sale of yarn; however, the Company had ceased to conduct its business from 2008 onwards. Due to stoppage of business/commercial operations and various other defaults the Listed Regulations of PSX, the shares of the Company had been placed on the defaulters trading counter by the Exchange (PSX). Subsequently, on the receipt of the winding up Show Cause notice to the Company from the SECP, the trading in the shares of the Company at PSX had been suspended on August 01, 2012.

Subsequent to the failure of the Company to defend the Show Cause notice of the SECP for the winding up of the Company, the Additional Registrar of the Companies, Company Registration Office (CRO), of the SECP, Lahore, filed an application (C.O. No.19/2017) in accordance with Section 305, read with Section 309 of the then Companies Ordinance 1984, together with all enabling provisions of the law, to the Honorable Court for the winding up of the Company, which has been allowed by the Honorable Lahore High Court on March 08, 2022. Upon this, the Honorable Court also appointed an Official Liquidator (Mr. Muhammad Faizan Saleem, Advocate) for completing the process of liquidation of the Company. Accordingly, the Official Liquidator assumed the powers of the Board of Directors of the Company to pursue the liquidation process of the Company.

The Hon'ble Lahore High Court, Lahore, vide its order dated January 11, 2023, has disposed the winding up petition after recalling the winding up order dated March 08, 2022 in case titled as Additional Registrar SECP Vs. Data Textiles Limited and others bearing C.O. no. 19/2017.

With this Order, Board of Directors have resumed their powers from the Official Liquidators and presented the revival business plan of the Company that includes:

- 1. Revival of trading activities permissible under Memorandum of Association of the Company;
- 2. Merger with the following unlisted operating entities;
 - a. LSE PropTech Limited
 - b. LSE Ventures Limited

The Scheme of compromises, arrangement and reconstruction for amalgamation/merger of Data Textiles Limited (and its members) with and into LSE

Ventures Limited (and its members) and LSE PropTech Limited (and its members) is approved by the shareholders of the Company in their meeting held on August 10, 2022 duly convened under honorable Court's order.

The said Scheme is under approval process with the honorable Court. Sanction date of the Scheme is contingent of these approvals and admissions.

Company is in the process to implement the "Revival Business Plan" as outlined below. However, if the Scheme is approved in the meantime. The business and undertaking shall be transferred to the transferee entities as per the Scheme including trading business.

ACKNOWLEDGEMENTS

We place on record our gratitude to our stakeholders for their confidence reposed in us and assure them that we are committed to do our best to harness the development path of our Company.

Standard or Interpretation

IFRS 17 Insurance Contracts 01 January 2023

The Company expects that application of above standards will not have any material impact on the Company's financial statements.

2.4 Basis of preparation

These financial statements have been prepared under the historical cost convention without any adjustment for the effect of inflation or reference to current values, except to the extent that land, building and certain plant and machinery have been included at revalued amounts, staff retirement benefits recognized at present value and financial assets has been measured and recorded at fair value.

Effective date (annual periods beginning on or after)

These financial statements are presented in Pakistan Rupees, which is the Company's functional and presented currency. All financial information presented in Pakistan Rupees has been rounded to the nearest rupees.

2.6 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and related assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. The estimates and related assumptions are reviewed Significant management estimates in these financial statements relate to the useful life and residual value of property, plant and equipment, provision for doubtful receivables, slow moving inventory, defined benefits plans, accrued liabilities, taxation etc. However, the management believes that the change in outcome of

3 THE PRINCIPAL ACCOUNTING POLICIES ADOPTED ARE SET OUT AS BELOW

3.1 Staff retirement benefits

The company operates an unfunded gratuity scheme covering all eligible employees subject to completion of a prescribed qualifying period of service. The accounting policy has been changed in 2004 from self valuation to actuarial valuation in consonance with IAS 19' Employee Benefits. The provisions are made to cover the obligations under the scheme on the basis of actuarial valuation and charge to profit and loss account. The most recent valuation was carried out by Nauman Associates as at June 30, 2006 using the Project Unit of Credit Method as required by International Accounting Standard 19 (Employee Benefits).

3.2 Property, plant and equipment

Own assets

Property, plant and equipment are stated at historical cost or revalued amount less accumulated depreciation and impairment in value.

Cost of operating fixed assets consists of purchase price/ construction cost (after trade discounts and rebates, refundable taxes/duties) and relevant directly attributable cost for bringing the asset into its intended use. Pre-production and trial run operation results are capitalized.

Depreciation is charged on diminishing balance method at the rates specified in Note. 9 so as to write off the cost of operating fixed assets over their useful lives. Full year depreciation is charged on assets in the year in which they are purchased/ transferred from leasehold assets. No depreciation is charged in the year of their disposal. Surplus on revaluation of fixed assets relating to incremental depreciation is directly charged to unappropriated profit and loss in accordance with section 235(2) read with SRO 45(1)/2003 dated January 13, 2003 issued by the Securities and Exchange Commission of Pakistan. Gain / (loss) on disposal of fixed assets, if any is taken to profit and loss account.

Repair & maintenance costs are charged to the profit and loss account in the year in which these are incurred. Major renewals and improvements are capitalized.

Gain or loss on disposal of assets are included in current income.

Leasehold assets

The leases, where all the risks and rewards incidental to ownership of the leased assets have been transferred to the company are classified as finance leases. Assets subject to finance lease are stated at the lower of present value of minimum lease payments under the lease agreements and the fair value of the leased assets less accumulated depreciation and accumulated impairment losses, if any.

The related rental obligations, net of finance charges, are included in liabilities against assets subject to finance leases. The liabilities are classified as current and long term depending upon the timing of the payment.

Each lease payment is allocated between the liability and finance charges so as to produce a constant periodic rate of interest on the balance outstanding. The interest element of the rental is charged to income over the lease term.

Assets acquired under a finance lease are depreciated over the useful life of assets on reducing balance method at the same rates that are applicable to the owned assets. Depreciation of leased assets is charged to profit and loss account.

Full year depreciation, on additions in leased assets, is charged when an asset is acquired, while no depreciation, in the year in which the asset, is disposed off/ transferred to own assets.

3.3 Capital work in progress

Capital work in progress is stated at cost less any identified impairment loss and includes the expenditure on material, labour and appropriate overheads directly relating to the project. These costs are transferred to fixed assets as and when assets are available for intended use.

3.4 Intangible assets and amortization

Intangible assets, which are non-monetary assets without physical substance, are recognized at cost and comprise the purchase price, non-refundable purchase taxes and any directly attributable expenditures.

After initial recognition, an intangible asset is carried at its cost less accumulated amortization. Amortization is charged to the income following the straight line basis for a maximum period of five years.

Subsequent expenditures on intangible assets after its purchase are recognized as an expense, when it is incurred unless the expenditure will enable the asset to generate future economic benefits in excess of its originally standard of performance.

3.5 Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services received, whether or not billed to the company.

3.6 Stocks, Stores and Spares

Inventories are valued at lower of cost and net realizable value as per requirements of IAS-2. Cost of major stock items is determined as follows:

 Stores, spares and loose tools Raw Material Finished goods/ Work in process 	At moving average cost. At annual average cost. Comprised of direct materials, labour and appropriate manufacturing overheads.
- Waste	At net realizable value

Material in transit.

At net realizable value. Are stated at invoice value plus other charges incurred thereon. Net realizable value signifies the estimated selling price in the ordinary course of business less costs necessarily to be incurred in order to make a sale.

3.7 Cash and cash equivalents

For the purpose of cash flow statement ,Cash and cash equivalents comprise of cash in hand, cheques in hand and balance with banks on current and deposit accounts.

3.8 Taxation

Current

Provision for taxation in the accounts is based on taxable income at the current rates of taxation after taking into account tax credits and tax rebates available, if any. Minimum tax at 1 percent of turnover, is applicable when there is no taxable income.

Deferred

Deferred tax is recognized using the liability method, on major temporary differences at the balance sheet date calculated at the prevailing rates, between the tax bases of assets and liabilities and their carrying costs for the purposes of financial reporting. Deferred tax liabilities recognized for all taxable temporary differences and the deferred tax assets as required by IAS 12 (Income tax) are recognized to the extent that such differences will reserve in the due future and taxable income will be available for deducting temporary difference.

The carrying amount of deferred tax assets is reviewed on the balance sheet date and is reduced to the extent that it is no longer probable, that the sufficient taxable profit will be available to allow in all or part of it for the deferred tax asset.

3.9 Loans and advances

Loans and advances are recognized initially at cost and subsequently measured at amortized cost.

3.10 Impairment

The carrying amount of the company's assets are reviewed at each balance sheet date to determine, whether there is any indication of impairment. If any such indication exist, the assets recoverable amount is estimated and impairment losses are recognized in the profit and loss account.

3.11 Related party transactions

Transactions and contracts with related parties (if any) are carried out at arm's length prices determined in accordance with comparable uncontrolled price method.

3.12 Financial assets and liabilities

All the financial assets and liabilities are recognized at the time when the company becomes a party to the contractual provisions of the instrument. Any gain or loss, on derecognition of the financial assets and financial liabilities, is taken to profit and loss account currently.

Financial instruments carried on the balance sheet date include trade debts, loans and advances, deposits, prepayments, taxes due, cash and bank balances, trade and other payables, borrowings and accruals. The particular recognition method adopted is disclosed in the individual policy statements associated with each item.

Financial assets and liabilities are offset when the company has a legally enforceable right to offset and intends to settle either on a net basis or to realize the asset and settle the liability simultaneously.

3.13 Long and short term borrowings

Loans and borrowings are initially recorded at the proceeds received and subsequently at amortized cost. Finance costs are accounted for on accrual basis and are either added to the carrying amount of the instrument or included in the current liabilities to the extent of the amount remaining unpaid. Exchange gain and losses (if any) arising in respect of loan or borrowings in foreign currency are added to the carrying amount of the instrument.

3.14 Borrowing cost

All mark-up, interest and other charges are charged to current income, at accruals.

3.15 Foreign currency transaction

Transaction in foreign currencies are recorded in the books at the rate of exchange prevailing on the date of transaction. Assets and liabilities in foreign currencies are stated in rupees at the rate of exchange ruling on the balance sheet date except those which are covered under State Bank of Pakistan's exchange risk coverage scheme, which are translated at Covered rate. All exchange differences are included in the profit and loss account. However exchange differences on foreign currency loans are capitalized as a part of cost of plant and machinery acquired out of proceeds of such loans.

3.16 Revenue recognition

Revenue from local sales is recognized on dispatch of goods to customers. Sale of services is recognized when the services are rendered and the right of receivable is established.

3.17 Expense Recognition

Expenses are recognized on accrual basis, or otherwise as stated.

3.18 Trade debts

Trade debts are carried at original invoice amount less an estimate made for doubtful debts based on review of all outstanding amounts at year end. An estimate for doubtful debts is made when collection of full amount is no longer probable. Bad debts are written off when identified.

3.19 Provisions

A provision is recognized when the company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources embodying benefits will be required to settle the obligation of which reliable estimate can be made.
