#### Operational Performance:

HNL, as the largest content creator in Pakistan's entertainment industry, has successfully carved out a prominent position by delivering premium content through our various broadcasting channels and digital platforms, catering to both local and global audiences. Our commitment to quality, risk-taking, and innovation has made us a favorite among viewers and critics alike, and we take immense pride influencing the industry to where it is today.

During the period, HUM TV aired dramas like "Yunhi" and "Pyari Mona" along with Ramzan special series "Fairy tale" and "Chand Tara" which became instant hits. These light hearted romcoms were highly appreciated by the audiences due to their unique storylines and engaging performances.

In the month of February 2023, the fourth edition of the Hum Women Leaders Awards took place at the prestigious Jinnah Convention Center, Islamabad honoring both national and international female trailblazers for their exceptional accomplishments in various domains, such as diplomacy, social work, education, healthcare, human rights, journalism, and women's rights. The ceremony was graced by President Dr. Arif Alvi, notable dignitaries and top figures from Pakistan's entertainment industry.

The Masala Family Festival was organized in January 2023 in Karachi providing a platform to the foodies to enjoy live cooking demonstration, Food court and kids' arena along with a unique chance to meet their favorite celebrity chefs.

In this era of extreme polarization, HUM News has upheld its commitment to unbiased and factual reporting, distinguishing itself as an independent news channel. Not only is the network working to inspire hope in our society, but it is also reshaping the landscape of Pakistani journalism through its objective reporting practices.

#### Future Outlook:

Political instability and economic turmoil continue to ravage the economic growth in Pakistan. In addition, declining exports, a balance of payments crisis and sinking exchange rate has discouraged foreign investment while making it difficult for local businesses to operate. It is important for the government to take steps to address these issues and create a more stable and predictable economic environment for businesses and investors.

Additionally, the significant increase in fuel prices, inflation and taxes has led to higher production and operational expenses, affecting profitability. Given these circumstances, the management of the Company is concentrating on diversifying income streams, reducing costs, improving efficiency, and intensifying sales efforts.

We are extremely proud of HUM Network's revered reputation as a top-tier entertainment provider in the industry achieved through many years of hard work and dedication. We remain fully committed in delivering a premium entertainment experience for both our viewers and stakeholders.

HUM News has achieved a prominent position among Pakistan's top news channels, thanks to its fair reporting and wider distribution across the country, maintaining a steady increase in its average viewership rating.

It is our steadfast commitment to continue to invest in products and services that not only meet but also surpass your expectations.

During the period HNL has concluded the signing of Share Purchase Agreement (SPA) with Tower Sports (Private) Limited and Sphere Ventures (Private) Limited. The management of HNL is thrilled with the potential for growth that these new opportunities present.

The Board of Directors would like to acknowledge the contributions of all stakeholders of the Company for their continuous support.

April 27, 2023 Karachi.
