# Directors' Report to the Members

Dear Members,

On behalf of the Board of Directors, we are pleased to present the Directors' Report of BankIslami Pakistan Limited ('the Bank' or 'BankIslami') along with the Condensed Interim Un-audited Financial Statements for the period ended March 31, 2023.

# Overview on Economy & Industry Outlook

# **Brief Overview on Economy**

The Monetary Policy Committee (MPC) increased the policy rate from 16% in Dec 2022 to 21% in Apr 2023 to control rising inflation, which rose to 35.4% in March (Avg. Jul 22 – Mar 23: 27.3%) and is expected to stay at elevated level owing to market frictions caused by relative demand and supply gap of essential items, exchange rate depreciation and recent upward adjustment of administered prices of petrol and diesel.

Due to rise in policy rate and depreciation in exchange rate, the Current Account Balance recorded USD 654 million surplus in March 2023 against a deficit of USD 36 million in February 2023. Cumulatively, Current Account Deficit reduced to USD 3.4 billion in Jul-Mar FY2023 against a deficit of USD 13 billion in Jul-Mar FY2022, about 74% lower than the same period last year, mainly due to contraction in imports of non-essential items. Although commodity prices in the international markets have fallen from their peak levels in mid-2022, but are still significantly higher than their pre-Covid levels. Global growth is forecasted to fall to 2.9% in 2023 which is below the historical average of 3.8% whereas Pakistan's GDP growth is projected to be around 0.5% in FY23 as against earlier expectation of 2.0%. Due to global recession, exports of the country declined by 7% during Jul-Feb FY2023 and reached to USD 18.8 billion (USD 20.6 billion same period last year). On the other hand, due to depleting FX reserves and various measures taken by the authorities, imports declined sharply by 24% during Jul-Feb FY2023 and reached to USD 40.0 billion (USD 52.5 billion same period last year), reducing trade deficit (Jul-Feb FY2023) to USD 21.3 billion as against USD 31.9 billion same period last year.

The State Bank's foreign exchange reserves, after touching a low of \$2.9 billion on 3rd February, 2023, have since recovered to USD 4.0 billion by 7th April, 2023. Through demand management policies, Government is trying to limit the current account deficit, which would support in stabilizing the dwindling reserves. As Government successfully completes the IMF's 9th review under its Extended Fund Facility (EFF) program, it would clear out the uncertainty regarding external financing.

Profit after taxation	1,794,314	522,116	243.6%
Earnings per share (in Rupees)	1.6184	0.4709	243.6%

Overall deposit of the Bank witnessed growth of 23.8% on year on year basis whereas a decrease of 1.2% was observed as compared to the year-end 2022. The Bank has strategized to surpass its target for the year ending 2023 through opening of new branches and focus on cash management services and employee banking. The Bank will continue to pursue an assertive approach to grow its Current Account base while tapping the influx in demand of term deposit products by offering attractive profit rates. Accordingly, Term Deposit as at March 31, 2023 grew by 6.2% as compared to the level as at December 31, 2022.

The Bank has achieved a healthy growth of 22.8% in financing on year on year basis and 19.6% as compared with December 2022 despite tight regulatory measures on auto financing and non-availability of subsidized housing finance for fresh cases. The ADR (gross) of the Bank stood at 63.4% whereas it was around 52.9% as at December 2022. Due to equal focus on growing healthy financing portfolio and recovering from non-performing financing, infection ratio of the Bank has improved to 8.01% which was recorded at 9.02% as at December 31, 2022. In view of prevailing economic situation, the Bank has recorded additional general provision of Rs. 300 million during Q1 2023. With the recording of additional general provision, coverage ratio of the Bank has reached to 95.6%.

A healthy capital base provides the foundation to maintain a healthy asset book. As at March 31, 2023, the Bank's Capital Adequacy Ratio (CAR) recorded at 17.90% which is almost at the same level as at December 31, 2022. This is despite accounting for dividend payable to shareholders @ Re. 1/- as approved by the shareholders for the year ended December 31, 2022.

During Q1 2023, the Bank deployed surplus liquidity mainly in GoP Ijarah Sukuk, hence, the Bank's investment portfolio has increased to Rs. 201.13 billion from Rs. 179.74 billion, registering a considerable increase of 11.9%. Consequently, investment to deposit ratio (IDR) jumped from 43.22% as at December 31, 2022 to 48.95% as at March 31, 2023.

Alhamdulillah! the Bank has witnessed a healthy growth in profits for the period ended March 31, 2023 where its three pronged strategy remain successful i.e. availability of right level of CASA mix, healthy growth in low risk weighted financing portfolio and investment in GoP Sukuk. Despite increase in tax rates, the Bank posted profit after tax of Rs. 1.79 billion, depicting a growth of 243.7% as compared to Q1 2022.

# **Group Results**

During the Q1 2023, the Group's total assets had comparatively grown by 10.13%. This growth in the Group's financial position was primarily contributed by increase in financing and investments within the Islamic Banking segment. The Group successfully earned a profit after taxation of Rs. 1.79 billion, representing a 243.7% increase from the same period last year. This was achieved primarily due to increase in earning assets, growth in profit bearing liabilities and rise in policy rates.

# Composition of the Board

In line with the requirements of the CCG and best practices, the Board of the Bank comprises of both non-executive and independent directors, including representation of a female director on the Board.

The current composition of the Board is as follows:

# Total number of Directors

Composition:		8
(i)	Independent Directors:	4
(ii)	Non-executive Directors:	3
(iii)	Executive Director:	1
(a)	Female Director:	1
(b)	Male Directors:	7

# Acknowledgements

The Board would like to place on record its deep appreciation to the State Bank of Pakistan for providing assistance and guidance. We would also like to thank the Securities and Exchange Commission of Pakistan and other regulatory authorities for their support to the Bank. We would like to express our gratitude to our valued customers, business partners and shareholders for their continued patronage and trust. Moreover, we would also like to acknowledge the dedication, commitment and hard work put in by our management team and employees that has enabled BankIslami to achieve a prominent position in the Banking industry in general and Islamic Banking industry in particular, *Alhamdulillah*.

# BankIslami Pakistan Limited Notes to and Forming Part of the Condensed Interim Unconsolidated Financial Statments (Un-audited)

FOR THE QUARTER ENDED MARCH 31, 2023

# 1 STATUS AND NATURE OF BUSINESS

1.1 BankIslami Pakistan Limited (the Bank) was incorporated in Pakistan on October 18, 2004 as a public limited company to carry out the business of an Islamic Commercial Bank in accordance with the principles of Islamic Shariah.

The State Bank of Pakistan (SBP) granted a 'Scheduled Islamic Commercial Bank' license to the Bank on March 18, 2005. The Bank commenced its operations as a Scheduled Islamic Commercial Bank with effect from April 07, 2006, on receiving Certificate of Commencement of Business from the State Bank of Pakistan (SBP) under section 37 of the State Bank of Pakistan Act, 1956. The Bank is principally engaged in corporate, commercial, consumer, retail banking and investment activities.

The Bank is operating through 380 branches including 80 sub-branches as at December 31, 2022 (2021: 340 branches including 80 sub-branches). The registered office of the Bank is situated at 11th Floor, Dolmen City Executive Tower, Marine Drive, Block-4, Clifton, Karachi. The shares of the Bank are quoted on the Pakistan Stock Exchange Limited.

The Pakistan Credit Rating Agency (Private) Limited (PACRA) has maintained the Bank's long-term rating as 'A+' and the short-term rating as 'A1' with a positive outlook.

### 2 BASIS OF PREPARATION

### 2.1 STATEMENT OF COMPLIANCE

This condensed interim unconsolidated financial information has been prepared in accordance with approved accounting and reporting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the provisions of and directives issued under the Banking Companies Ordinance (BCO), 1962, the Companies Act, 2017 and directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP). Whenever the requirements of the BCO, 1962, Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, requirements of the BCO, 1962, the Companies Act, 2017 and the said directives shall prevail.

2.2 The Bank provides financing mainly through Murabahah, Ijarah, Istisna, Musharakah, Diminishing Musharakah, Musawamah and other Islamic modes.

The purchases and sales arising under these arrangements are not reflected in these unconsolidated financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon. The income on such financing is recognized in accordance with the principles of Islamic Shariah. However, income, if any, received which does not comply with the principles of Islamic Shariah is recognized as charity payable as directed by the Shariah Board of the Bank.

- 2.3 The disclosures made in these condensed interim unconsolidated financial statements have been limited based on the format prescribed by the SBP vide BPRD Circular No. 2 dated February 9, 2023 and IAS 34. These condensed interim unconsolidated financial statements do not include all the information and disclosures required for annual unconsolidated financial statements and should be read in conjunction with the unconsolidated financial statements for the year ended December 31, 2022.
- 2.4 The SBP, through its BSD Circular No. 10 dated August 26, 2002, has deferred the implementation of International Accounting Standard (IAS) 39 "Financial Instruments: Recognition and Measurement" and IAS 40 "Investment Property" for Banking Companies in Pakistan, till further instructions. Accordingly, the requirements of these Standards have not been considered in the preparation of these unconsolidated financial statements. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7 "Financial Instruments: Disclosures" through its S.R.O. 411(I)/2008 dated April 28, 2008. Accordingly, the requirements of this standard have also not been considered in the preparation of these unconsolidated financial statements. However, investments and non-banking assets have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

Further, as per SBP's BPRD circular no. 07 of 2023, IFRS 9 'Financial Instruments' is applicable on the Bank effective from 1 January 2024. However, an option of early adoption of the standard has been made permissible

- 2.5 The SBP vide its BPRD Circular No. 04 dated February 25, 2015 has clarified that the reporting requirements of IFAS-3 for Islamic Banking Institutions (IBIs) relating to annual, half yearly and quarterly unconsolidated financial statements would be notified by SBP through issuance of specific instructions and uniform disclosure formats in consultation with IBIs. These reporting requirements have not been ratified to date. Accordingly, the disclosure requirements under IFAS 3 have not been considered in these unconsolidated financial statements.
- 2.6 These condensed interim financial statements are separate condensed interim unconsolidated financial statements of the Bank in which investments in subsidiaries and associates are carried at cost less accumulated impairment losses, if any, and are not consolidated. The condensed interim consolidated financial statements of the Bank are being issued separately.

# 3 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these condensed interim unconsolidated financial statements are consistent with those applied in the preparation of the audited annual financial statements of the Bank for the year ended December 31, 2022.

3.1 Standards, interpretations of and amendments to published approved accounting standards that are effective in the current period

There are certain standards, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2023 but are considered not to be relevant or do not have any significant effect on the Bank's operations and therefore not detailed in these condensed interim unconsolidated financial statements.

# 3.2 Standards, interpretations of and amendments to published approved accounting standards that are not yet effective

The following standards, amendments and interpretations as notified under the Companies Act, 2017 will be effective for accounting periods beginning on or after January 01, 2023:

Standard, Interpretation or Amendment	Effective date (annual periods beginning on or after)
Classification of Liabilities as Current or Non-current and application of maturity to disclosure of accounting policies - Amendments to IAS 1	January 01, 2024
Disclosure of Accounting Policies - Amendments to IAS 1	January 01, 2023
Lease liability in a sale and leaseback - Amendments to IFRS 16	January 01, 2024
Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to IAS 12	January 01, 2023
IFRS 9 - 'Financial Instruments'	January 01, 2024
Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendments to IFRS 10 and IAS 28	Not yet finalized

The management is in the process of assessing the impact of these standards and amendments on the unconsolidated financial statements of the Bank.

### 3.3 IFRS 9 - 'Financial Instruments'

As directed by the SBP via BPRD Circular no 3 of 2022, IFRS 9, 'Financial Instruments' is effective for periods beginning on or after 1 January, 2024 for banks having asset base of less than Rs. 500 billion as at December 31, 2021. SBP through same circular has finalised the instructions on IFRS 9 (Application Instructions) for ensuring smooth and consistent implementation of the standard in the banks. During the transition period, the Bank will perform an impact assessment of IFRS 9 on quarterly basis and submit parallel results to SBP.

During 2022, the management of the Bank had performed an impact assessment of IFRS 9 taking into account the SBP's IFRS 9 application instructions. The assessment is based on available information and may be subject to changes arising from further reasonable and supportable information being made available to the Bank at the time of finalising the impact for initial application of IFRS 9. In addition, the Bank will implement changes in classification of certain financial instruments

An overview of the IFRS 9 requirements that are expected to have significant impact are discussed below along with the additional requirements introduced by the SBP:

### Classification and measurement

The classification and measurement of financial assets will base on the business model within which they are held and their contractual cash flow characteristics. Financial assets that do not meet the solely payments of principal and profit (SPPI) criteria are measured at FVTPL regardless of the business model in which they are held. The Bank's business model in which financial assets are held will determine whether the financial assets are measured at amortised cost, fair value through other comprehensive income ('FVOCI') for fair value through profit or loss ('FVTPL').

The business model reflects how groups of financial assets are managed to achieve a particular business objective. Financial assets can only be held at amortised cost if the instruments are held in order to collect the contractual cash flows ('hold to collect'), and where those contractual cash flows are solely payments of principal and profit (SPPI).

Debt instruments where the business model objectives are achieved by collecting the contractual cash flows and by selling the assets ('hold to collect and sell') and that have SPPI cash flows are held at FVOCI, with unrealised gains or losses deferred in reserves until the assets is derecognized.

The classification of equity instruments is generally measured at FVTPL unless the Bank, at initial recognition, irrevocably designates as FVOCI in which case both unrealised and realised gains or losses are recognised in reserve and no amounts other than dividends received are recognised in the profit and loss account.

All other financial assets will mandatorily be held at FVTPL.

# Impairment

The impairment requirements apply to financial assets measured at an amortised cost and FVOCI (other than equity instruments), lease receivables, and certain financing commitments and financial guarantee contracts. At initial recognition, an impairment allowance (or provision in the case of commitments and guarantees) is required for expected credit losses ('ECL') resulting from default events that are possible within the next 12 months ('12-month ECL'). In the event of a significant increase in credit risk, an allowance (or provision) is required for ECL resulting from all possible default events over the expected life of the financial instrument ('lifetime ECL'). Financial assets where 12-month ECL is recognised are in 'stage' 1; financial assets that are considered to have experienced a significant increase in credit risk are in 'stage' 2'; and financial assets for which there is objective evidence of impairment, so are considered to be in default or otherwise credit impaired , are in 'stage 3'.

The assessment of credit risk and the estimation of ECL are required to be unbiased and probability-weighed and should incorporate all available information which is relevant to the assessment including information about past events, current condition and reasonable and supportable forecasts of economic condition at the reporting date. In addition, the estimation of ECL should take into account the time value of money.

Based on the requirement of IFRS 9 and SBP's IFRS 9 application instructions, the Bank has performed an ECL assessment taking into account the key elements such as assessment of SICR, Probability of Default, Loss Given Default and Exposure at Default.

Under the SBP's instruction, credit exposure (in local currency) guaranteed by the Government and Government Securities are exempted from the application of ECL Framework. Moreover, until Implementation of IFRS 9 has stabilised, Stage 1 and stage 2 provision would be made per IFRS 9 ECL and stage 3 provision would be made considering higher of IFRS 9 ECL or provision computed under existing PRs' requirements.

### Presentation and disclosure

IFRS 9 also introduces expanded disclosure requirements and changes in presentation. These are expected to change the nature and extent of Bank's disclosure about its financial instruments particularly in the year of adoption of IFRS 9.

Further, the SBP vide BPRD Circular No. 02 of 2023 dated February 9, 2023 has specified the new reporting format for financial statements of Banking Companies. While the new format has revised certain disclosure requirements, it includes disclosure requirements with respect to IFRS 9.

# Impact of adoption of IFRS 9

The Bank will adopt IFRS 9 in its entirety effective 1 January 2024 with modified retrospective approach for restatement. The cumulative impact of initial application will be recorded as an adjustment to equity at the beginning of the accounting period.

In order to mitigate the impact of expected credit loss (ECL) models on capital, the SBP has allowed a transitional arrangement on the impact on regulatory capital from the application of ECL accounting period over a period of 5 years.

3.4 Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

Standard	Effective date
	(annual periods
	beginning on or after)

# 4 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The basis for accounting estimates adopted in the preparation of these condensed interim unconsolidated financial statements are the same as those applied in the preparation of the audited annual unconsolidated financial statements of the Bank for the year ended December 31, 2022.

# 5 FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the audited annual unconsolidated financial statements for the year ended December 31, 2022.

(Andibod)

10.15.4 The Bank maintains general reserve (provision) amounting to Rs. 467.623 million (2022: Rs. 487.168 million) in accordance with the applicable requirements of the Prudential Regulations for Consumer Financing. In addition, the Bank carries general provision of Rs. 2,800 million (2022: Rs. 2,500 million) as a matter of prudence based on management estimate.

10.15.5 In accordance with BSD Circular No. 2 dated January 27, 2009 issued by the SBP, the Bank has availed the benefit of Forced Sale Value (FSV) of collaterals against the non-performing financings. The benefit availed as at March 31, 2022 amounts to Rs.1,198.602 million (2022: Rs. 1,061.067 million). The additional profit arising from availing the FSV benefit - net of tax amounts to Rs. 683.203 million (2022: Rs. 541.144 million). The increase in profit, due to availing of the benefit, is not available for distribution of cash and stock dividend to shareholders.

10.16 Provision in respect of acquired loans related to amalgamated entity have been determined after taking into considerations of the fair values of such loans on the basis of valuation exercise performed by an independent consultant.

# 20 SUBORDINATED SUKUK

ADT-1 Sukuk Issue I	20.1	2,000,000	2,000,000
Advance subscription against ADT-1 Sukuk Issue II	20.2	850,000	850,000
		2,850,000	2,850,000

<sup>20.1</sup> The Bank has issued fully paid up, rated, listed, perpetual, unsecured, subordinated, non-cumulative and contingent convertible debt instruments in the nature of sukuks under Section 66 of the Companies Act, 2017 which qualify as Additional Tier I (ADT-1) Capital as outlined by State Bank of Pakistan (SBP) under BPRD Circular No. 6 dated August 15, 2013.

19

19.1

# 20.1.1 Salient features of the ADT-1 Sukuk issue I are as follows:

Amount	Rs. 2,000 million.
Issue Date	April 21, 2020
Tenor	Perpetual (i.e. no fixed or final redemption date)
Instrument Rating	PACRA has rated this Sukuk at 'A-' (A minus).
Security	Unsecured
Profit payment frequency	Profit shall be payable monthly in arrears, on a non-cumulative basis
Expected Profit Rate	The Sukuk carries a profit at the rate of 3 Months KIBOR + 2.75%. The Mudaraba Profit is computed under General Pool on the basis of profit sharing ratio and monthly weightages announced by the Bank inline with SBP's guidelines of pool management.
Call option	The Bank may, at its sole discretion, call the Sukuks, at any time after five years from the Issue Date subject to the prior approval of the SBP.
Lock-in clause	In the event where payment of profit results in breach of regulatory MCR/CAR requirements or SBP determines a bar on profit distribution, the monthly profit weightage of the Sukuk holders will be reduced to a minimum level e.g. 0.005, till the month in which such condition is withdrawn by SBP.
Loss absorbency clause	The Sukuks shall, at the discretion of the SBP, be permanently converted into ordinary shares pursuant to the loss absorbency clause as stipulated in the "Instructions for Basel-III Implementation in Pakistan" issued vide BPRD Circular No. 6 dated August 15, 2013.

- 20.1.2 The funds raised through this instrument are being utilized towards the Bank's General Pool, that is, financing and investment activities as permitted by the Bank's Memorandum and Articles of Association. With permission of Sukuk holders, the proceeds of this issue have been commingled with other funds of the depositors (which may include Bank's own equity) i.e. invested in General Pool of the Bank.
- 20.2 The Bank is in the process of issuing fully paid up, rated, listed, perpetual, unsecured, subordinated, non-cumulative and contingent convertible debt instruments in the nature of Sukuks under Section 66 of the Companies Act, 2017 which qualify as Additional Tier I (ADT-1) Capital as outlined by State Bank of Pakistan (SBP) under BPRD Circular No. 6 dated August 15, 2013. The total size of ADT-1 Sukuk Issue II is Rs. 1,000 million.

As of 31 December 2022, the Pre-IPO (Initial Public Offer) phase of ADT-I Sukuk issue II was achieved through which subscription amounting to Rs. 850 million was received. Further, the Bank is in process of conducting the IPO of ADT-1 Sukuk issue II, subject to regulatory approvals, amounting to Rs. 150 million.

The State Bank of Pakistan also allowed the Bank to consider the advance subscription money of Rs. 850 million received against the issuance of ADT-1 Sukuk issue II (Pre-IPO) for Capital Adequacy Ratio subject to following conditions.

- The pre-IPO subscription money shall not be withdrawn without prior approval of SBP.
- The pre-IPO subscription money shall only be used for the issuance of ADT-I eligible Sukuks of BIPL and will not be refunded.
- The terms of SBP's In-principle approval and final approval will remain applicable on the pre-IPO subscription money received against the proposed Sukuks.

#### 34 FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity or investments in associates and subsidiary, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost less impairment losses. The fair value of unquoted equity securities, other than investments in associates and subsidiary, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted Shariah compliant securities, fixed term financing, other assets, other liabilities, fixed term deposits and acceptances cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

#### 34.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial assets measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorized:

# Valuation techniques used in determination of fair values within level 1

Item	Valuation approach and input used
GOP Sukuks	The fair value of GOP ljarah Sukuks are revalued using PKISRV rates. The PKISRV rates are announced by FMA (Financial Market Association) through Reuters. The rates announced are simple average of quotes received from 6 different pre-defined / approved dealers / brokers.
Listed securities (Shares and Sukuks)	The  valuation  has  been  determined  through  closing  rates  on  Pakistan  Stock  Exchange.

# Valuation techniques used in determination of fair values within level 2

Item	Valuation approach and input used
GOP Sukuks	The fair value of GOP ljarah Sukuks are revalued using PKISRV rates. The PKISRV rates are announced by FMA (Financial Market Association) through Reuters. The rates announced are simple average of quotes received from 6 different pre-defined / approved dealers / brokers.
GoP Ijarah Sukuks	The fair value of GoP Ijarah Sukuk are derived using PKISRV rates. The PKISRV rates are announced by FMA (Financial Market Association) through Reuters. The rates announced are simple average of quotes received from six different pre-defined / approved dealers / brokers.
Non-Government Shariah compliant Securities	Non-Government Shariah compliant Securities are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan.
Shariah compliant alternative of forward foreign exchange contracts	The valuation has been determined by interpolating the mid rates announced by State Bank of Pakistan.

# Valuation techniques used in determination of fair values within level 3

Fixed assets - Land and building	Land and buildings are revalued by professionally qualified valuers as per the accounting policy. The valuers are listed on the panel of the Pakistan Bank's Association. The valuation is based on their assessment of market value of the properties.
Non-banking assets acquired in satisfaction of claims	Non-banking assets acquired in satisfaction of claims are revalued by professionally qualified valuers as per the accounting policy. The valuers are listed on the panel of the Pakistan Banks' Association. The valuation is based on their assessment of market value of the properties.

34.2 The Bank's policy is to recognize transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred.

There were no transfers between levels 1 and 2 from during the period.

- 37.1 SBP vide its letter no. SBPHOK-BPRD-BACPD-BIS-457801 dated April 27, 2023 has allowed the bank to consider funds received against Pre-IPO of ADT-1 sukuk issue II as ADT-1 sukuk for the purpose of calculation of capital adequacy ratio (subject to conditions disclosed in note 20 to these unconsolidated financial statements).
- 37.2 The capital to risk weighted assets ratio is calculated in accordance with the SBP guidelines on capital adequacy, under Basel III and Pre-Basel III treatment using Standardized Approach for credit and market risk and Basic Indicator Approach for operational Risk.

# BankIslami Pakistan Limited Notes to and Forming Part of Consolidated Financial Statments (Un-audited)

FOR THE QUARTER ENDED MARCH 31, 2023

#### 1 STATUS AND NATURE OF BUSINESS

1.1 BankIslami Pakistan Limited (the Holding Company) was incorporated in Pakistan on October 18, 2004 as a public limited company to carry out the business of an Islamic Commercial Bank in accordance with the principles of Islamic Shariah.

The State Bank of Pakistan (SBP) granted a 'Scheduled Islamic Commercial Bank' license to the Holding Company on March 18, 2005. The Holding Company commenced its operations as a Scheduled Islamic Commercial Bank with effect from April 07, 2006, on receiving Certificate of Commencement of Business from the State Bank of Pakistan (SBP) under section 37 of the State Bank of Pakistan Act, 1956. The Holding Company is principally engaged in corporate, commercial, consumer, retail banking and investment activities.

The Holding Company is operating through 380 branches including 80 sub-branches as at March 31, 2022 (2022: 380 branches including 80 sub-branches). The registered office of the Holding Company is situated at 11th Floor, Dolmen City Executive Tower, Marine Drive, Block-4, Clifton, Karachi. The shares of the Holding Company are quoted on the Pakistan Stock Exchange Limited.

The Pakistan Credit Rating Agency (Private) Limited (PACRA) has maintained the Holding Company's long-term rating as 'A+' and the short-term rating as 'A1' with a positive outlook.

#### 1.2 Subsidiary Company

#### 1.2.1 My Solutions Corporation Limited - 100 percent holding

My Solutions Corporation Limited (the Company) was incorporated as a private limited company on November 05, 1995 and was converted into a public limited company on March 24, 2003. The Company is currently dormant. Its registered office is situated at the 9th floor, Trade Centre, I.I Chundrigar Road, Karachi.

#### 2 BASIS OF PREPARATION

#### 2.1 STATEMENT OF COMPLIANCE

This condensed interim consolidated financial information has been prepared in accordance with approved accounting and reporting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the provisions of and directives issued under the Banking Companies Ordinance (BCO), 1962, the Companies Act, 2017 and directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP). Whenever the requirements of the BCO, 1962, Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, requirements of the BCO, 1962, the Companies Act, 2017 and the said directives shall prevail.

2.2 The Holding Company provides financing mainly through Murabahah, Ijarah, Istisna, Musharakah, Diminishing Musharakah, Musawamah and other Islamic modes.

The purchases and sales arising under these arrangements are not reflected in these consolidated financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon. The income on such financing is recognized in accordance with the principles of Islamic Shariah. However, income, if any, received which does not comply with the principles of Islamic Shariah is recognized as charity payable as directed by the Shariah Board of the Bank.

- 2.3 The disclosures made in these condensed interim consolidated financial statements have been limited based on the format prescribed by the SBP vide BPRD Circular No. 2 dated February 9, 2023 and IAS 34. These condensed interim consolidated financial statements do not include all the information and disclosures required for annual consolidated financial statements and should be read in conjunction with the consolidated financial statements for the year ended December 31, 2022.
- 2.4 The SBP, through its BSD Circular No. 10 dated August 26, 2002, has deferred the implementation of International Accounting Standard (IAS) 39 "Financial Instruments: Recognition and Measurement" and IAS 40 "Investment Property" for Banking Companies in Pakistan, till further instructions. Accordingly, the requirements of these Standards have not been considered in the preparation of these consolidated financial statements. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7 "Financial Instruments: Disclosures" through its S.R.O. 411(I)/2008 dated April 28, 2008. Accordingly, the requirements of this standard have also not been considered in the preparation of these consolidated financial statements. However, investments and non-banking assets have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

Further, as per SBP's BPRD circular no. 07 of 2023, IFRS 9 'Financial Instruments' is applicable on the Bank effective from 1 January 2024. However, an option of early adoption of the standard has been made permissible

2.5 The SBP vide its BPRD Circular No. 04 dated February 25, 2015 has clarified that the reporting requirements of IFAS-3 for Islamic Banking Institutions (IBIs) relating to annual, half yearly and quarterly consolidated financial statements would be notified by SBP through issuance of specific instructions and uniform disclosure formats in consultation with IBIs. These reporting requirements have not been ratified to date. Accordingly, the disclosure requirements under IFAS 3 have not been considered in these unconsolidated financial statements.

# 2.6 Basis of Consolidation

The consolidated financial statements incorporate the financial statements of the Holding Company and the financial statements of subsidiary company from the date that control of the subsidiary by the Holding Company commences until the date that control ceases. The financial statements of the subsidiary company are incorporated on a line-by-line basis and the investment held by The Holding Company is eliminated against the corresponding share capital of subsidiary in these consolidated financial statements.

Material intra-group balances and transactions are eliminated.

Associates are those entities in which the Holding Company has significant influence, but not control, over the financial and operating policies. Joint ventures are those entities over whose activities the Holding Company has joint control established by contractual agreement. Associates and joint ventures are accounted for using the equity method.

#### 3 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these condensed interim consolidated financial statements are consistent with those applied in the preparation of the audited annual financial statements of the Bank for the year ended December 31, 2022.

3.1 Standards, interpretations of and amendments to published approved accounting standards that are effective in the current period

There are certain standards, interpretations and amendments that are mandatory for the Holding Company's accounting periods beginning on or after January 1, 2023 but are considered not to be relevant or do not have any significant effect on the Holding Company's operations and therefore not detailed in these condensed interim consolidated financial statements.

# 3.2 Standards, interpretations of and amendments to published approved accounting standards that are not yet effective

The following standards, amendments and interpretations as notified under the Companies Act, 2017 will be effective for accounting periods beginning on or after January 01, 2023:

Standard, Interpretation or Amendment	Effective date (annual periods beginning on or after)
Classification of Liabilities as Current or Non-current and application of maturity to disclosure of accounting policies - Amendments to IAS 1 $$	January 01, 2024
Disclosure of Accounting Policies - Amendments to IAS 1 $$	January 01, 2023
Lease liability in a sale and leaseback - Amendments to IFRS 16	January 01, 2024
Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to IAS 12	January 01, 2023
IFRS 9 - 'Financial Instruments'	January 01, 2024
Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendments to IFRS 10 and IAS 28	Not yet finalized

The management is in the process of assessing the impact of these standards and amendments on the unconsolidated financial statements of the Bank.

#### 3.3 IFRS 9 - 'Financial Instruments'

As directed by the SBP via BPRD Circular no 3 of 2022, IFRS 9, 'Financial Instruments' is effective for periods beginning on or after 1 January, 2024 for banks having asset base of less than Rs. 500 billion as at December 31, 2021. SBP through same circular has finalised the instructions on IFRS 9 (Application Instructions) for ensuring smooth and consistent implementation of the standard in the banks. During the transition period, the Bank will perform an impact assessment of IFRS 9 on quarterly basis and submit parallel results to SBP.

During 2022, the management of the Bank had performed an impact assessment of IFRS 9 taking into account the SBP's IFRS 9 application instructions. The assessment is based on available information and may be subject to changes arising from further reasonable and supportable information being made available to the Holding Company at the time of finalising the impact for initial application of IFRS 9. In addition, the Bank will implement changes in classification of certain financial instruments

An overview of the IFRS 9 requirements that are expected to have significant impact are discussed below along with the additional requirements introduced by the SBP:

#### Classification and measurement

The classification and measurement of financial assets will base on the business model within which they are held and their contractual cash flow characteristics. Financial assets that do not meet the solely payments of principal and profit (SPPI) criteria are measured at FVTPL regardless of the business model in which they are held. The Bank's business model in which financial assets are held will determine whether the financial assets are measured at amortised cost, fair value through other comprehensive income ('FVOCI') for fair value through profit or loss ('FVTPL').

The business model reflects how groups of financial assets are managed to achieve a particular business objective. Financial assets can only be held at amortised cost if the instruments are held in order to collect the contractual cash flows ('hold to collect'), and where those contractual cash flows are solely payments of principal and profit (SPPI).

Debt instruments where the business model objectives are achieved by collecting the contractual cash flows and by selling the assets ('hold to collect and sell') and that have SPPI cash flows are held at FVOCI, with unrealised gains or losses deferred in reserves until the assets is derecognized.

The classification of equity instruments is generally measured at FVTPL unless the Bank, at initial recognition, irrevocably designates as FVOCI in which case both unrealised and realised gains or losses are recognised in reserve and no amounts other than dividends received are recognised in the profit and loss account.

All other financial assets will mandatorily be held at FVTPL.

# Impairment

The impairment requirements apply to financial assets measured at an amortised cost and FVOCI (other than equity instruments), lease receivables, and certain financing commitments and financial guarantee contracts. At initial recognition, an impairment allowance (or provision in the case of commitments and guarantees) is required for expected credit losses ('ECL') resulting from default events that are possible within the next 12 months ('12-month ECL'). In the event of a significant increase in credit risk, an allowance (or provision) is required for ECL resulting from all possible default events over the expected life of the financial instrument ('lifetime ECL'). Financial assets where 12-month ECL is recognised are in 'stage' 1; financial assets that are considered to have experienced a significant increase in credit risk are in 'stage' 2'; and financial assets for which there is objective evidence of impairment, so are considered to be in default or otherwise credit impaired , are in 'stage 3'.

The assessment of credit risk and the estimation of ECL are required to be unbiased and probability-weighed and should incorporate all available information which is relevant to the assessment including information about past events, current condition and reasonable and supportable forecasts of economic condition at the reporting date. In addition, the estimation of ECL should take into account the time value of money.

Based on the requirement of IFRS 9 and SBP's IFRS 9 application instructions, the Bank has performed an ECL assessment taking into account the key elements such as assessment of SICR, Probability of Default, Loss Given Default and Exposure at Default.

Under the SBP's instruction, credit exposure (in local currency) guaranteed by the Government and Government Securities are exempted from the application of ECL Framework. Moreover, until Implementation of IFRS 9 has stabilised, Stage 1 and stage 2 provision would be made per IFRS 9 ECL and stage 3 provision would be made considering higher of IFRS 9 ECL or provision computed under existing PRs' requirements.

#### Presentation and disclosure

IFRS 9 also introduces expanded disclosure requirements and changes in presentation. These are expected to change the nature and extent of Bank's disclosure about its financial instruments particularly in the year of adoption of IFRS 9.

Further, the SBP vide BPRD Circular No. 02 of 2023 dated February 9, 2023 has specified the new reporting format for financial statements of Banking Companies. While the new format has revised certain disclosure requirements, it includes disclosure requirements with respect to IFRS 9.

# Impact of adoption of IFRS 9

The Bank will adopt IFRS 9 in its entirety effective 1 January 2024 with modified retrospective approach for restatement. The cumulative impact of initial application will be recorded as an adjustment to equity at the beginning of the accounting period."

In order to mitigate the impact of expected credit loss (ECL) models on capital, the SBP has allowed a transitional arrangement on the impact on regulatory capital from the application of ECL accounting period over a period of 5 years.

3.4 Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

Standard	Effective date
	(annual periods
	beginning on or after)

IFRS 1 – First time adoption of International Financial Reporting Standards

July 01, 2009

IFRS 17 - Insurance Contracts

January 01, 2023

### 4 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The basis for accounting estimates adopted in the preparation of these condensed interim consolidated financial statements are the same as those applied in the preparation of the audited annual consolidated financial statements of the Bank for the year ended December 31, 2022.

#### 5 FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Holding Company are consistent with those disclosed in the audited annual consolidated financial statements for the year ended December 31, 2022.

10.15.4 The Holding Company maintains general reserve (provision) amounting to Rs. 467.623 million (2022: Rs. 487.168 million) in accordance with the applicable requirements of the Prudential Regulations for Consumer Financing. In addition, the Bank carries general provision of Rs. 2,800 million (2022: Rs. 2,500 million) as a matter of prudence based on management estimate.

10.15.5 In accordance with BSD Circular No. 2 dated January 27, 2009 issued by the SBP, the Holding Company has availed the benefit of Forced Sale Value (FSV) of collaterals against the non-performing financings. The benefit availed as at March 31, 2022 amounts to Rs.1,198.602 million (2022: Rs. 1,061.067 million). The additional profit arising from availing the FSV benefit - net of tax amounts to Rs. 683,203 million (2022: Rs. 541.144 million). The increase in profit, due to availing of the benefit, is not available for distribution of cash and stock dividend to shareholders.

10.16 Provision in respect of acquired loans related to amalgamated entity have been determined after taking into considerations of the fair values of such loans on the basis of valuation exercise performed by an independent consultant.

20	SUBORDINATED SUKUK		-	
	ADT-1 Sukuk Issue I	20.1	2,000,000	2,000,000
	Advance subscription against ADT-1 Sukuk Issue II	20.2	850,000	850,000
			2,850,000	2,850,000

<sup>20.1</sup> The Holding Company has issued fully paid up, rated, listed, perpetual, unsecured, subordinated, non-cumulative and contingent convertible debt instruments in the nature of sukuks under Section 66 of the Companies Act, 2017 which qualify as Additional Tier I (ADT-1) Capital as outlined by State Bank of Pakistan (SBP) under BPRD Circular No. 6 dated August 15, 2013

#### 20.1.1 Salient features of the ADT-1 Sukuk issue I are as follows:

Amount	Rs. 2,000 million.
Issue Date	April 21, 2020
Tenor	Perpetual (i.e. no fixed or final redemption date)
Instrument Rating	PACRA has rated this Sukuk at 'A-' (A minus).
Security	Unsecured
Profit payment frequency	Profit shall be payable monthly in arrears, on a non-cumulative basis
Expected Profit Rate	The Sukuk carries a profit at the rate of 3 Months KIBOR + 2.75%. The Mudaraba Profit is computed under General Pool on the basis of profit sharing ratio and monthly weightages announced by the Bank inline with SBP's guidelines of pool management.
Call option	The Holding Company may, at its sole discretion, call the Sukuks, at any time after five years from the Issue Date subject to the prior approval of the SBP.
Lock-in clause	In the event where payment of profit results in breach of regulatory MCR/CAR requirements or SBP determines a bar on profit distribution, the monthly profit weightage of the Sukuk holders will be reduced to a minimum level e.g. 0.005, till the month in which such condition is withdrawn by SBP.
Loss absorbency clause	The Sukuks shall, at the discretion of the SBP, be permanently converted into ordinary shares pursuant to the loss absorbency clause as stipulated in the "Instructions for Basel-III Implementation in Pakistan" issued vide BPRD Circular No. 6 dated August 15, 2013.

- 20.1.2 The funds raised through this instrument are being utilized towards the Holding Company's General Pool, that is, financing and investment activities as permitted by the Holding Company's Memorandum and Articles of Association. With permission of Sukuk holders, the proceeds of this issue have been commingled with other funds of the depositors (which may include Holding Company's own equity) i.e. invested in General Pool of the Bank.
- 20.2 The Holding Company is in the process of issuing fully paid up, rated, listed, perpetual, unsecured, subordinated, non-cumulative and contingent convertible debt instruments in the nature of Sukuks under Section 66 of the Companies Act, 2017 which qualify as Additional Tier I (ADT-1) Capital as outlined by State Bank of Pakistan (SBP) under BPRD Circular No. 6 dated August 15, 2013. The total size of ADT-1 Sukuk Issue II is Rs. 1,000 million.

As of 31 December 2022, the Pre-IPO (Initial Public Offer) phase of ADT-I Sukuk issue II was achieved through which subscription amounting to Rs. 850 million was received. Further, the Holding Company is in process of conducting the IPO of ADT-1 Sukuk issue II, subject to regulatory approvals, amounting to Rs. 150 million.

The State Bank of Pakistan also allowed the Holding Company to consider the advance subscription money of Rs. 850 million received against the issuance of ADT-1 Sukuk issue II (Pre-IPO) for Capital Adequacy Ratio subject to following conditions.

- The pre-IPO subscription money shall not be withdrawn without prior approval of SBP.
- The pre-IPO subscription money shall only be used for the issuance of ADT-I eligible Sukuks of BIPL and will not be refunded.
- The terms of SBP's In-principle approval and final approval will remain applicable on the pre-IPO subscription money received against the proposed Sukuks.

### 34 FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity or investments in associates and subsidiary, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost less impairment losses. The fair value of unquoted equity securities, other than investments in associates and subsidiary, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted Shariah compliant securities, fixed term financing, other assets, other liabilities, fixed term deposits and acceptances cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

#### 34.1 Fair value of financial assets

The Holding Company measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial assets measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorized:

### Valuation techniques used in determination of fair values within level 1

Item	Valuation approach and input used
	The fair value of GOP ljarah Sukuks are revalued using PKISRV rates. The PKISRV rates are announced by FMA (Financial Market Association) through Reuters. The rates announced are simple average of quotes received from 6 different pre-defined / approved dealers / brokers.
Listed securities (Shares and Sukuks)	The valuation has been determined through closing rates on Pakistan Stock Exchange.

### Valuation techniques used in determination of fair values within level 2

Item	Valuation approach and input used
GOPSukuks	The fair value of GOP Ijarah Sukuks are revalued using PKISRV rates. The PKISRV rates are announced by FMA (Financial Market Association) through Reuters. The rates announced are simple average of quotes received from 6 different pre-defined / approved dealers / brokers.
GoP Ijarah Sukuks	The fair value of GoP Ijarah Sukuk are derived using PKISRV rates. The PKISRV rates are announced by FMA (Financial Market Association) through Reuters. The rates announced are simple average of quotes received from six different pre-defined / approved dealers / brokers.
Non-Government Shariah compliant Securities	Non-Government Shariah compliant Securities are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan.
Shariah compliant alternative of forward foreign exchange contracts	The valuation has been determined by interpolating the mid rates announced by State Bank of Pakistan.

### Valuation techniques used in determination of fair values within level 3

Fixed assets - Land and building	Land and buildings are revalued by professionally qualified valuers as per the accounting policy. The valuers are listed on the panel of the Pakistan Bank's Association. The valuation is based on their assessment of market value of the properties.
Non-banking assets acquired in satisfaction of claims	Non-banking assets acquired in satisfaction of claims are revalued by professionally qualified valuers as per the accounting policy. The valuers are listed on the panel of the Pakistan Banks' Association. The valuation is based on their assessment of market value of the properties.

34.2 The Bank's policy is to recognize transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred.

There were no transfers between levels 1 and 2 from during the period.
