Directors' Review Report

One behalf of the Board of Directors of Nimir Industrial Chemicals Limited, we are pleased to present directors' review report on the un-audited interim financial results for the nine months ended March 31, 2023. The synopsis of the results for the period is as under:

	Nine Mo	nths ended M	larch 31
	2023	2022	% Change
		PKR Million	
Gross Sales Revenue	39,707	26,703	49%
Gross Profit	4,159	3,009	38%
Operating Profit	3,561	2,561	39%
Pre-Tax Profit	1,539	1,804	-15%
Profit after Tax	1,090	1,275	-15%
Earnings per share (Rs.)	9.85	11.52	-15%

By the grace of Almighty, your company recorded significant growth in profitability during the third quarter ended March 31, 2023. The gross sales could grow by 22%, but improved margins coupled with commissioning of new power house and caustic soda plants helped the company achieving a promising 70% growth in operating profit. However, the constant increase in interest rates restricted this growth in pre-tax profit to 43% and after-tax profit to 38% during the quarter under review.

The quarterly performance helped the company recover the reduction in profits seen in the first half of the year. The overall growth in gross sales revenue has been 49% in the nine-month period ended March 31, 2023. In this period, the operating profit also increased by 39%, but due to high financial cost the profit after tax showed a decline of 15%. The Earning Per Share for the period remained at PKR 9.85 (2022: PKR 11.52).

It is indeed a great pleasure reporting that we have successfully completed all major projects initiated in the last few years. The latest addition was liquid chlorine and chlorinated paraffin wax plants, which started their commercial operation in April 2023. With this achievement, all new projects are now in commercial operation and will contribute in improving the financial performance of the Company.

Going forward, the current domestic political unrest, State Banks' restrictions on opening new letters of credit, depleting forex reserve and increase in discount rates are playing havoc with the economy in general and industry in particular. Your Company is focused on minimizing the negative impact of political instability and IMF Programme, we are committed to continue to further improvement in the financial results in the final quarter of the year, Insha Allah.

The directors of your Company take pleasure in expressing their sincere gratitude and appreciation for the contribution by its shareholders, employees, valued customers and bankers and for their continued faith and reliance placed in the Company.

For and on the behalf of the Board
