Please see the amended request as follows:

Further to our earlier request for grant of time, it is requested that at least a period of three months be granted for submission of a response to the subject Show Cause Notice.

As submitted in the earlier request in this respect, not only does the company require more time to consult with its legal advisors, most of whom are on vacations due to the court holidays, but more time is also required to furnish a detailed and comprehensive response encompassing all aspects of the performance of the company, its future direction, and the steps being taken to realize the same.

This email was sent to you on August 1st, 2023, but could not reach to you due to incorrect email address. We sincerely apologize for oversight.

Request for acknowledgement.
