**VSAT** (Very Small Aperture Terminal) is a sophisticated communications technology that allows for the use of small fixed satellite antennas to provide highly reliable communication between a central hub and almost any number of geographically dispersed sites.

With a satellite network, there are no physical limitations in terms of geography or distance to make deployment difficult.

VSAT is also taking on an expanding role in a variety of interactive, on-line data, voice and multimedia applications and is known to have a very high reliability and network availability rate with seamless Upgrade methods.

PDL offers satellite capacity in the C-band and Ku-band that covers both regional and international markets.

- Most reliable satellite based 2-way VSAT system
- Network monitoring and management via Network Management System.
- Installation and commissioning of VSAT sites in fastest possible time
- Post-commissioning Services
- 24 x 7 x 365 customer service & support
- Expert engineering team with years of experience in designing similar networks

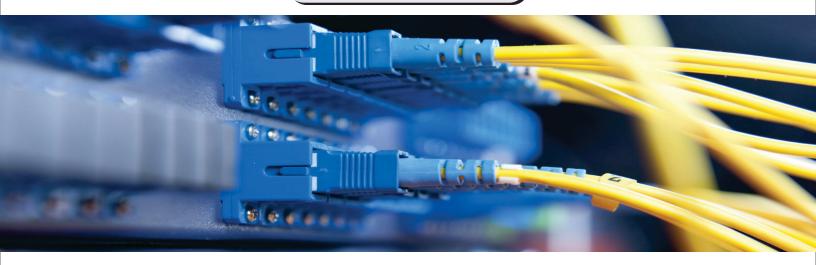

**iDirect** Platform is a C, Ku and Ka-Band, satellite based, end-to-end IP VSAT service running on the world renowned iDirect Technologies platform.

It is engineered to deliver quality broadband connectivity wherever and whenever it's needed. It changes the nature of what satellite communications is capable of achieving, transforming satellite's 'reach' into a mainstream solution able to extend high-speed, secure connectivity to any geography, environment or communications application within the enterprise.

PDL supports multiple customers from various sectors, including Banking, United Nations Organizations, Telecom Providers, Government Departments, Private Sector and Oil & Gas Companies

PDL has a highly scalable and flexible 5 IF iDirect Hub in Islamabad, Quetta and Karachi designed to support complete enterprise network.

- Over twenty five years of experience deploying similar networks
- Operational flexibility for affordable, reliable and efficient solutions
- Nationwide footprint for providing fast services
- Support all IP centric applications
- Supports real time traffic management
- Up to 18 Mbps downstream (Hub to Remote)
- Up to 4.2 Mbps Upstream (Remote to Hub)

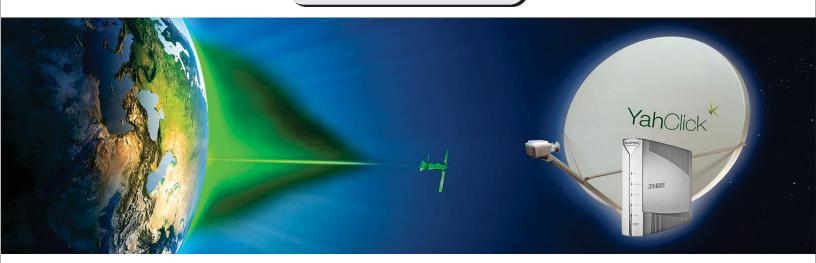

**Data Connectivity** Ever since its inception, PDL has been a front liner in providing data connectivity to its International and Local clients. PDL Offers high speed data connectivity to meet the demands of Government, Corporate, Banking and Private Sectors.

PDL, Data Network has been widely used as long- haul and metropolitan network for low latency and cost-effective solution. PDL data network encompasses Multi-Protocol Label Switching (MPLS), Ethernet, IP and TDMA based data links. Network coverage is available in all major cities and towns.

PDL is a highly scalable and flexible entity to provide data services in all major cities of the Country.

- Traffic Switching
- Secure Connectivity
- Interoperability between network devices and network speeds.
- Higher levels of flexibility
- Synchronization between Higher & lower Speed.
- 24 x 7 x 365 customer service & support
- Expert engineering team with years of experience in designing similar networks

**Data Click** is a breakthrough satellite broadband service for users in Pakistan. We offer our customers, anywhere in the coverage area, uninterrupted high-speed internet and VPN. With its state-of-the-art Ka-band multi spot-beam technology, Y1B (YAHSAT) delivers a truly cost-effective broadband service.

### **Applications:**

- Internet via Satellite
- Distance Learning
- Telemedicine
- Internet Cafés
- Voice over IP
- IP-based Corporate Applications
- Satellite News Gathering

PDL brings cost effective, high bandwidth broadband to Pakistan, a variety of service options for host of different applications.

### **Salient Features**

- Small Antenna
- (Dish Size 74cm, 98cm & 120 cm)
- Six New Packages from 2Mbps to 7Mbps
- Flexible Service offering

### **Sectors**

- Oil & Gas
- Defence
- Enterprise
- Education
- Health Care
- NGO
- Construction

**Wireless:** PDL provides state of the art Spread Spectrum Radio communication technology for its respected clients. Spread Spectrum is a fast, reliable and High Data Rate communication technology for short distance communication (20-35 Km).

It can also be used as a last mile option where fiber is not available due to remote conditions.

PDL offers point to point and point to multipoint Digital Radio System (DRS).

PDL has wide experience of Design and implementing radio and microwave wireless network for Corporate Networks.

### **Salient Features**

- Up to 20 35 Km
- Operates in point-to-point and point-to-multipoint networks
- Repeater capability for flexible network extension and coverage of difficult terrain
- Optional Omni directional or directional antennas
- 24/7 customer support
- Spares Available in case of any malfunction of the equipment.

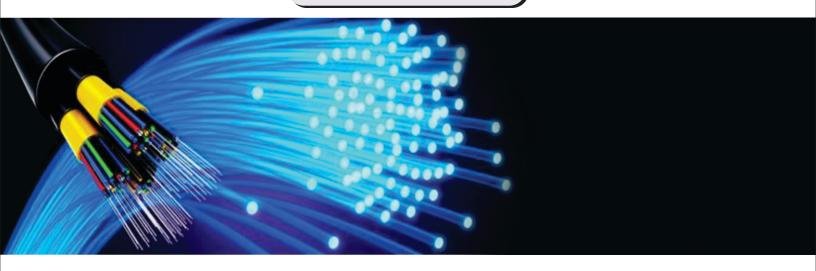

**ORBCOMM:** ORBCOMM IoT device is a low-cost, easy-to-integrate satellite communication terminal used in monitoring of vehicles, industrial equipment, SCADA systems and cathodic protection.

The versatile, environmentally sealed ORBCOMM devices can be installed on mobile assets like light-and heavy-duty commercial vehicles, railcars, heavy equipment and more. It is also well-suited to monitoring fixed assets like pipelines, pumps, generators and tanks used in industrial and utilities environments.

### Salient Features

- Two-way communication
- Simple command set
- Quick deployment
- Compact
- Rugged and environmentally sealed

ORBCOMM provides solutions that connect businesses to their assets to deliver increased visibility and operational efficiency.

**Telecom Infrastructure:** In compliance to the award of all Pakistan Telecom Infrastructure License, PDL has successfully completed the OFC / OSP laying projects of telecom service providers.

- Planning, procurement and implementation of Satellite Based Communication System for NLC.
- Successful completion of OFC laying project of NTC in Lahore city.
- Strong contender for OFC project (720 km of OFC laying in KPK) of USFCo Pakistan.
- Efficient O&M of countrywide leased OFC links of PDL.

PDL has telecom infrastructure and Data Network licenses and more than 27 years experience of countywide development in the field of data services.

- Cost Effective Infrastructure
- BTS (Build to Suit)
- Buy and Lease Solution
- Technical Assistance

# **SUPPORT SERVICES**)

October 04, 2023

Company Secretary

#### **NOTES:**

#### 1. PARTICIPATION IN ANNUAL GENERAL MEETING (AGM) THROUGH ELECTRONIC MEANS:

The shareholders intending to participate in the meeting via video link through Zoom are hereby requested to share following information with the Company Secretary Office (through e-mail at companysecretary@pakdatacom.com.pk not later than October 19, 2023. This is in compliance to the instructions issued by Securities Market Division of Securities Exchange Commission of Pakistan (SECP) dated December 15, 2021 (Ref: SMD/SE/2(20)/2021/117);

**Required information:** Name, CNIC Number, Folio/CDC Account No., Mobile Phone Number and e-mail address of Shareholder.

#### 2. CLOSURE OF SHARE TRANSFER BOOKS:

The Share Transfer Books of the Company will remain closed from October 19, 2023 to October 26, 2023 (both days inclusive). Transfers received in order at the Shares Registrar's Office of the Company by the close of business on October 18, 2023 will be treated in time for the purpose of payment of the final cash dividend.

#### 3. PARTICIPATION IN THE ANNUAL GENERAL MEETING:

A member of the Company entitled to attend and vote at the General Meeting may appoint a person/representative as proxy to attend and vote in place of member at the meeting. Proxies in order to be effective must be received at Company's registered office duly stamped and signed not later than 48 hours before the time of holding meeting. A member cannot appoint more than one proxy. Attested copy of shareholder's CNIC must be attached with the proxy form.

#### a) For Attending the meeting

- i. In case of individuals, the account holder or sub-account holder and/ or the person, whose securities are in group account and their registration details are uploaded as per the regulations, shall authenticate identity by showing his/her original Computerized National Identity Card (CNIC) or original passport at the time of attending the meeting.
- ii. In case of corporate entity, the Board of Directors' resolution / power of attorney with specimen signature of the nominee shall be produced at the time of meeting.

#### b) For Appointing Proxies

- i. In case of individuals, the account holder or sub-account holder and/ or the person, whose securities are in group account and their registration detail is uploaded as per the regulations, shall submit the proxy form as per the above requirement.
- The proxy form shall be witnessed by the two persons whose names, addresses and CNIC numbers shall be mentioned on the form.
- iii. Attested copies of CNIC or the passport of the beneficial owners and the proxy shall be furnished with the proxy form.
- iv. The proxy shall produce his/her original CNIC or original passport at the time of the meeting.
- v. In case of corporate entity, the Board of Directors' resolution/power of attorney with specimen signature shall be submitted to the Company along with proxy form.

#### 4. CONFIRMATION OF "FILER" STATUS FOR INCOME TAX WITHHOLDING ON CASH DIVIDEND:

The rates of deduction of Income Tax, under section 150 of the Income Tax Ordinance, 2001, from dividend payments, are as follows:

a) Rate of tax deduction for filer of income tax returns

15%

b) Rate of tax deduction for non-filer of income tax returns

30%

In case of joint account, each holder is to be treated individually as either a filer or non-filer and tax will be deducted on the basis of shareholding of each joint holder as may be notified by the shareholder, in writing to the Company / Share Registrar. If no notification is received, each joint holder shall be assumed to have an equal number of shares.

The CNIC number / NTN detail is now mandatory and is required for checking the tax status as per the Active Taxpayers List (ATL) issued by the Federal Board of Revenue (FBR) from time to time. According to section 119 of the Companies Act, 2017 and Regulation 19 of the Companies (General Provisions and Forms) Regulations, 2018, all physical shareholders are advised to provide their mandatory information such as CNIC number, address, e-mail address, contact number, International Bank Account Number (IBAN), etc., to our Shares Registrar, CDC Share Registrar Services Limited (CDCSRSL), CDC House, 99-B, Block B, S.M.C.H.S., Main Shahra-e-Faisal, Karachi – 74400. Tel: (92-21) 111-111-500 immediately to avoid any non-compliance of law or any inconvenience.

#### PAYMENT OF DIVIDEND THROUGH BANK ACCOUNT OF THE SHAREHOLDER:

Pursuant to the requirement of Section 242 of the Companies Act, 2017, cash dividend can only be paid through electronic mode directly (MANDATORILY) into the respective bank account designated by the entitled shareholders. Shareholders are requested to provide their bank account details (IBAN format, if not provided earlier) directly to our share registrar (for physical shares) or to their respective participant/ broker (for CDS shares) as the case may be. The subject Form is available at Company's website i.e., www.pakdatacom.com.pk. In the absence of shareholder's valid bank account detail by October 19, 2023, the Company will be constrained to withhold dividend of such members.

#### 6. EXEMPTION FROM DEDUCTION OF INCOME TAX / ZAKAT:

Members seeking exemption from deduction of income tax or are eligible for deduction at a reduced rate are requested to submit a valid tax certificate or necessary documentary evidence as the case may be. Members desiring non-deduction of zakat are also requested to submit a valid declaration for non-deduction of zakat.

CDC account holders are requested to submit their declaration for non-deduction of zakat to the relevant member stock exchange or to CDC if maintaining CDC investor account.

#### 7. DEPOSIT OF PHYSICAL SHARES INTO CDC ACCOUNTS:

As per Section 72 of the Companies Act, 2017, every existing listed Company shall be required to replace its physical shares with book entry form in a manner as may be specified and from the date notified by SECP within a period not exceeding four years from the commencement of the Act, May 30, 2017. While SECP vide its letter dated March 26, 2021 has encouraged the shareholders to convert their shares in book-entry form.

The shareholder having physical shareholding may open CDC sub-account with any of the brokers or investors' account directly with the CDC to place their physical shares into scrip-less form. This will facilitate them in many ways including safe custody, streamline their information in member's register enabling the Company to effectively communicate with the shareholders and timely disburse any entitlements and swift sale/ purchase of shares, as the trading of physical shares is not permitted as per existing regulations of the Pakistan Stock Exchange Limited.

# 8. TRANSMISSION OF ANNUAL AUDITED FINANCIAL STATEMENTS THROUGH E-MAIL/CD/DVD/USB OR ANY OTHER MEDIA:

SECP through SRO 787(1)/2014 dated September 8, 2014 and SRO 470(1)/2016 dated May 31, 2016 has allowed the companies to circulate its Annual Audited Financial Statements to its members through Email/CD/DVD/USB/ or any other Electronic Media at their registered addresses. The Company has circulated its Annual Audited Financial Statements to its members through CD. However, shareholders who wish to receive the hard copy of Financial Statements shall have to fill the standard request form (available on the Company's website www.padatacom.com.pk) and send it to the Company's registered address.

#### 9. UNCLAIMED DIVIDEND AND UNDELIVERED SHARE CERTIFICATES:

The Company has previously discharged its responsibility under Section 244 of the Companies Act, 2017 whereby the Company approached the shareholders to claim their unclaimed dividends and undelivered share certificates in accordance with the law.

Shareholders, whose dividends still remain unclaimed and/or undelivered share certificates are available with the Share Registrar, are hereby once again requested to approach the Share Registrar (address in point 4 above) to claim their outstanding dividend amounts and/or undelivered share certificates.

# 10. SUBMISSION OF COMPUTERIZED NATIONAL IDENTITY CARD (CNIC) FOR PAYMENT OF FINAL CASH DIVIDEND 2022-23:

Pursuant to the directives of SECP, CNIC number of the shareholders is MANDATORILY required for payment of dividend. Shareholders are therefore, requested to submit a copy of their valid CNIC (if not already provided) to the Share Registrar at the address provided in serial number 4 above. In the absence of a member's valid CNIC, the Company will be constrained to withhold payment of cash dividend to such members.

CDC account holders are requested to submit attested copy of their CNIC to the relevant member stock exchange or to CDC if maintaining CDC investor account.

#### 11. AVAILABILTY OF AUDITED FINANCIAL STATEMENTS ON COMPANY'S WEBSITE:

The audited accounts of the Company for the year ended June 30, 2023 will be placed on the Company's website www.pakdatacom.com.pk, at least 21 days before the date of AGM.

### 12. CONSENT FOR VIDEO CONFERENCE FACILITY

In accordance with Section 132(2) of the Company's Act, 2017, if the Company receives the consent from members holding in aggregate 10% or more shareholding residing in geographical location to participate in the Meeting through video conference at least 07 days prior to the date of the Annual General Meeting, the Company will arrange video conference facility in that city subject to availability of such facility in that City.

#### 13. Change in Particulars

The Members are requested to notify any changes in their addresses immediately.

ایسے شیئر ہولڈرز جومادی شیئر زر کھتے ہیں کسی بھی بروکر کے ساتھ ہی ڈی ہی ذیلی اکاؤنٹ یا ہی ڈی ہی کے ساتھ براہ راست انویسٹر اکاؤنٹ کھول سکتے ہیں تا کہ وہ اپنے مادی شیئر نہ ولا کر زجومادی شیئر زر کھتے ہیں تا کہ وہ اپنے مادی معلومات موجود شیئر زکوڈ پجیٹل شکل میں لا سکیں۔ اس سے حصص داروں کو بہت سے فوائد حاصل ہوں گے ، ان کے شیئر زمحفوظ رہیں گے ، ممبر زکے رجسٹر میں ان کی معلومات موجود ہوں گی جس سے نہ صرف سمپنی ان سے با آسانی رابطہ کر سکے گی بلکہ ان کے منافع جات بھی انہیں بروقت ادا ہوں گے ، وہ با آسانی شیئر خرید اور فروخت کر سکیں گے ، مزید بر آل یا کتان سٹاک ایکیچنچ لمیٹڈ کے ضوابط کے مطابق مادی صورت میں شیئر زکی ٹریڈنگ کی اجازت نہیں ہے۔

### 8 ای میل/سی ڈی / ڈی وی ڈی / پوایس بی پاکسی دیگر ذریعے سے سالانہ آڈٹ شدہ مالیاتی گوشواروں کی فراہمی

سکیورٹیز اینڈ ایمپینے کمیشن آف پاکستان نے ایس آر او2014/(1)/787 بتاریخ 8 ستمبر 2014ء اور ایس آر او2016/(1)/470 بتاریخ 18 مئی 2016ء کے ذریعے کمپنیوں کو اجازت دی ہے کہ وہ اپنے ممبر ان کو سالانہ آڈٹ شدہ مالیاتی گوشوارے ای میل/سی ڈی/ڈی وی ڈی/یو ایس بی یاکسی دیگر ذریعے سے ان کے فراہم کر دہ پتوں پر ارسال کر سکتی ہیں۔ کمپنی نے تمام ممبر ان کی طرف سے فراہم کیے گئے پتوں پر سالانہ مالیاتی گوشوارے سی ڈی کی صورت میں ارسال کر دیے ہیں۔ گوشواروں کی پرنٹ کا پی ممبر ان کی درخواست پر فراہم کی جاسکتی ہے۔ درخواست کا فارم کمپنی کی ویب سائٹ www.pakdatacom.com.pk پر دستیاب ہے۔

# 9 غیر دعویٰ شده دٔ یویدٔ ند اور غیر ترسیل شده شیئر سر شیفکیش

سمپنی نے اس سے پہلے بھی کمپنیزا یکٹ 2017ء کی دفعہ 244 کے تحت اپنی ذمہ داری اداکرتے ہوئے شیئر ہولڈ رزسے کہاہے کہ وہ غیر دعویٰ شدہ ڈیویڈنڈز اور غیر ترسیل شدہ شیئر سر ٹیفکیٹس کے حصول کے لیے قانون کے مطابق رابطہ کریں۔

ایسے شیئر ہولڈرز جنہوں نے ابھی تک اپنے منافع جات اور شیئر سر ٹیفکیٹ حاصل نہیں کیے ان سے التماس کی جاتی ہے کہ وہ اس کے حصول کے لیے شیئر رجسٹرار (پوائنٹ4 میں پنة فراہم کیا گیاہے)سے رابطہ کریں۔

# 10 حتى كيش ديويدند 2022-2022 كى ادائيگى كے ليے كمپيوٹر ائز دقوى شاختى كار ذكى فرامى

ایس ای سی پی کی ہدایات کے مطابق ڈیویڈنڈ کی ادائیگی کے لیے شیئر ہولڈرز کے قومی شاختی کی فراہمی ضروری ہے۔ اس لیے ایسے حصص دار جنہوں نے ابھی تک اپنے شاختی کارڈ کی کاپی فراہم نہیں کی ان سے گزارش کی جاتی ہے کہ سیریل نمبر 4 میں دیے گئے پتے پر شاختی کارڈ کی کاپی ارسال کریں۔ عدم فراہمی کی صورت میں کمپنی ایسے حصص داروں کو منافع کی ادائیگی روکنے پر مجبور ہوگی۔

سی ڈی سی اکاؤنٹ ہولڈرزسے گزارش ہے کہ قومی شاختی کارڈ کی تصدیق شدہ کا پی اپنے متعلقہ سٹاک ایکیچنج ممبر کو یاسی ڈی سی انویسٹر اکاؤنٹ کی صورت میں سی ڈی سی کو فراہم کریں۔

# 11 آڈٹ شدہ مالی گوشواروں کی سمپنی کی ویب سائٹ پر دستیابی

30 جون 2023ء کو ختم ہونے والے سال کے لیے تکمپنی کے آڈٹ شدہ کھاتوں (اکاؤنٹس) کی تفصیلات سالانہ اجلاس عام کی تاریخ سے کم از کم 21 دن قبل تمہینی کی ویب سائٹ www.pakdatacom.com.pk پر شائع کی جائیں گی۔

## 12 ویڈیولنگ کی سہولت کے لیے رضامندی

کمپنیز ایکٹ2017ء کی دفعہ (2)32 کے مطابق، اگر کمپنی کو کسی علاقے میں مجموعی طور پر 10 فیصدیااس سے زائد شیئر رکھنے والے ممبر ان کی طرف سے سالانہ اجلاس عام سے کم از کم 7 دن قبل ویڈیو لنگ کے ذریعے اجلاس میں شرکت کی درخواست موصول ہوتی ہے تو کمپنی اس شہر میں ویڈیو کا نفرنس کی سہولت موجو د ہونے کی صورت میں اس کا بندوبست کرے گی۔

## 13 كوائف ميں تبديلي

حصص مالکان سے در خواست کی جاتی ہے کہ اگر اُن کے ڈاک پتے میں کوئی تبدیلی ہو گئی ہو، تووہ فوری طور پر مطلع کریں۔

### **CHAIRMAN'S REVIEW**

#### Dear Shareholders,

I am delighted to present this review of the financial year 2022-23 that saw Pak Datacom Limited (PDL) further consolidating its position as a leading Data Network Operator (DNOP) and a foremost corporate entity in the Information Technology and Telecom sector of the Country.

#### **Economic Outlook**

The economy stagnated in FY 2023 as it was and is currently trapped in low growth, high inflation, unemployment, exorbitant exchange rate decline, falling investment, excessive fiscal deficits, and a deteriorating external balance position. Mounting debt and rapidly dwindling forex reserves in the wake of higher global inflation are the biggest challenges for the Government. Moreover, the devastating floods that hit the nation in 2022 from June to October are another factor that has worsened the economic situation in Pakistan.

In the presence of these critical economic challenges, Pakistan's GDP growth rate remained at 0.29% during FY 2022-23, well below the target of 5% set last year. The Government has tried to encourage exports by providing incentives to exporters and creating a more conducive environment for trade by reassuring foreign investment resultantly reducing the trade deficit.

In the midst of this backdrop, your Company has implemented strong cost controlling measures through dislodging surplus staff by offering attractive Voluntary Separation Scheme (VSS) at the very beginning of the FY 2022-23, alongside putting in place strict monetary and viable/sustainable measures for optimization of results. This has created value for all stakeholders.

#### **Business Performance**

Despite worldwide economic uncertainty and a turbulent past year in Pakistan, your Company's results of operations and financial position are indicative of a strong financial performance. The current financial year is even the most successful year of your company than last years' as it was able to achieve its highest ever revenue figure of Rs. 1.319 billion as compared to Rs. 1.239 billion during last year. Further, net profit after tax increased from Rs. 231 million to Rs. 289.682 million (also the company's highest ever net profit), up by 25.32%.

This was mainly due to opening of new revenue streams and strong administrative, legal and commercial measures taken by the company. This net profit translated into Earnings per Share (EPS) of Rs. 24.44 as against Rs. 19.50 of last year.

The Company by the Grace of Almighty Allah, is upbeat about accomplishing new successes as a number of factors lie in our favour; the strength of our balance sheet, our strong cash generation, the professional standing of your Board and Management, and most of all, the dedication and will of our employees.

This considerable improvement in the profitability of your Company is also a direct result of the implementation of the 5 Year Strategic Master Plan, adoption of various cost cutting measures, improvements in overall operational efficiency, strong and appropriate decision making by the Board and the Management, specially management's concerted efforts to push projects towards completion with rehabilitated impetus.

#### **The Board**

During the year, there have been no changes to the constitution or composition of the Board and its committees. I would like to thank all the members for their valuable contribution to the Board's decision making.

#### Role and Effectiveness of the Board

Your Company has a Board that comprises 8 members (including the Chief Executive being the Executive Director), with individuals of diverse backgrounds, having core competencies, knowledge and expertise relevant to the business of the Company. Continuous monitoring by the Board throughout the period and the deliberations with the management were cardinal in achieving all the targets and overcoming the adverse economic impacts. The company has performed remarkably well and is successfully steering through the uncertain times with emphasis on ensuring business continuity, on the back of guidance from the Board of Directors. The blend of business diversity and experience that the Board members collectively bring in, is instrumental in formulating the strategic and visionary direction of PDL.

The Board provided strategic direction to the management, including update of the 5 - Year Strategic Master Plan in accordance with the future market opportunities, and fulfilled its responsibilities with a sense of commitment. The Board has constituted its Audit Committee, Human Resource & Remuneration Committee, Nomination Committee, Procurement Committee and Strategy & Project Appraisal Committee to provide valuable input and assistance to its decision making. The Audit Committee is particularly focused on the detailed review of financial statements and internal controls, thereby contributing to the strong financial results. These subcommittees held meetings and reported to the Board consistent with requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2019.

Best practices of corporate governance have been embedded into the Company's culture to maintain the highest level of professionalism and business conduct. An annual self-evaluation of performance of the Board members was carried out with the help of a formal, effective and quantitative mechanism. Based on the feedback received through this mechanism, overall role of the Board has been found to be very effective. The Board has fulfilled all its mandatory responsibilities, including ensuring compliance with all legal and regulatory requirements for the Company. The Board carried out its self-evaluation and identified potential areas for further improvement, in line with the global best practices. I would like to share that all the Directors, including Independent Directors, fully participated and contributed to the decision making process of the Board.

The Company's organizational transformation program is satisfactorily progressing. A lean and more efficient organizational structure has been introduced to foster the environment for delegation of responsibility and empowerment, cultivate a performance-driven culture and empower people to take lead in delivering end results.

#### **Future Outlook**

The challenges of late 2023 are expected to continue in 2024. The uncertainty prevailing in the global, and in particular Pakistan's economy will continue to impact PDL's operating environment. Business environment of the country has become very challenging because of massive currency devaluation, spiraling inflation and high interest rate all of which affect business confidence. All these factors are a cause of concern for the local telecom industry and PDL is no exception to this. The management continues to monitor the potential risks vigilantly. The company has built in proactive measures in its enthusiastically agile 5-year strategic master plan to address these challenges. Digitalization is one such measure; paperless environment and automation is the future due to rapid transformation of nearly all industries, including services industries. This in turn would translate into a major growth opportunity in ICT segment. PDL, as part of its strategy, is moving towards automation to standardize processes and optimize costs alongside providing a superior customer experience to achieve a competitive advantage.

Given that GDP growth rate during the FY 2022-23 has been 0.29% and is projected to be around 3.5% during the current FY 2023-24, I am confident that your Company's ongoing success primarily rests on the implementation of the Company's 5 Year Strategic Master plan. In a corporate culture where strategic planning is not given high priority, your Company through its 5 Year Strategic Master plan will have the edge to achieve sustainability and longevity in terms of technologies, its commercial operations, and financial and administrative strength.

As Chairman, I strongly believe that the Company is well-equipped to manage these challenges and will continue to deliver on the expectations of the Board. The Board works closely with the management to oversee the implementation of the Company's strategy and proactively counsels the management wherever required. The board and the management are fully conscious of the challenges ahead and are well prepared to tackle them with the required vision, knowledge, and experience.

The future is bright for your Company. It is very well-positioned to tackle any potential challenges and we can look ahead with confidence to move towards even greater heights of success.

#### **Acknowledgement**

On Behalf of the Board, I would like to extend my thanks to all our shareholders, regulators, government authorities, customers, suppliers, contractors, and banks, for their continued trust and confidence. Your support has been the foundation of our continued success. My gratitude also goes out to our Board, Chief Executive, and employees for their concerted efforts and commitment to enable us to be where we are today (ALHAMDULILAH), and without which, the highest ever financial results could not have been materialized.

#### **Syed Zomma Mohiuddin**

Chairman, Pak Datacom Limited, Islamabad. September 20, 2023

### **Directors Report**

#### Dear Shareholders,

The Board of Directors of the Company take pleasure in presenting the Annual Report of your Company, together with the audited financial statements for the year ended June 30, 2023.

#### **Macroeconomic Environment and Industry Overview**

The 2022-23 financial year was highly challenging as it saw exorbitantly high inflation which resultantly intensified Pakistan's challenging balance of payment issues and put enormous pressure on the value of Pak Rupee against the US\$. Further, geopolitical shocks caused by the war in Ukraine, severe flooding impact and balance of payment crisis sternly affected economy of Pakistan. Pakistan being a heavily import-based economy, was particularly affected due to these developments. In addition to this unprecedented hike in power tariffs, rising interest rates, supply chain disruptions, and general inflationary pressures all led to a significant increase in the cost of doing business. The data communication sector, being heavily subject to import of telecom equipment, was notably affected by deteriorating rupee-dollar parity and restrictions on issuance of Letter of Credits by commercial banks.

In the presence of these critical economic challenges, Pakistan's GDP growth rate remained at 0.29% on June 2023 well below the target of 5% set last year and inflation remained at around approx. 40% on monthly basis. From an industry point of view, particularly that of the Information and Communications Technology ('ICT') sector, and probably that of other sectors as well, the high inflation coupled with the depreciation of the Pakistani rupee against the US dollar and the monetary and fiscal response, i.e. the increase in policy rate and the imposition and increase in taxes to raise revenues, have altogether increased costs for businesses whether in relation to their existing business operations or in terms of making new investments.

Telecom industry has a promising growth potential due to the country's demographics, as rising demand for highspeed data services and rapid pace of digitalization, specifically entails an ideal position for us to capitalize on these opportunities.

Similarly, to prevent the depreciation of the Pakistani rupee against the US dollar coupled with risk of going bankrupt, Government of Pakistan has finally signed a stand-by arrangement with International Monetary Fund (IMF) of US\$ 3 billion to stabilize the economy and guard against shocks while creating the space for social and development spending to help the people of Pakistan. In return, this stand-by arrangement requires policy implementation which will necessitate greater fiscal discipline, market-determined exchange rate to absorb external pressures, and further progress on reforms related to the energy sector, climate resilience, and the business climate.

#### **Business Performance Review**

Despite the Company carrying out operations in such challenging conditions, during the year it achieved revenues of Rs. 1.363 billion compared to Rs. 1.239 billion last year, up by Rs. 123.565 million. The net profit after tax increased from Rs. 231.299 million to Rs. 289.862 million. The net profit translated into Earnings per Share (EPS) of Rs. 24.44 as against Rs. 19.50 of last year. These phenomenal financial results of the Company have only been possible due to decisions which the Board took, in accordance with the laws and regulations, empowering the employees to adapt to extremely vulnerable circumstances. This in turn has provided the management to keep focus on the Company's niche segment keeping in perspective the targets/ goals set out in the revised 5- Year Strategic Master Plan.

### Pak Datacom Limited

Financial and operational performance indicators have been described in more detail below;

#### Six Years Financial Performance at a Glance:

(Rs. in Million)

	Year Ended 30 June

#### Future Development, Performance and Position of the Company

Significant expansion of high-speed data services during last few years has played a pivotal role in reshaping the focus of telecom sector thus becoming one of the core factors for shift in the way communication and interaction takes place. New ways of communication and interaction such as work from home, e-learning and digitization are more reliant on and are fueling the demand for data (high speed internet). Companies operating in the ICT sector are currently focused on increasing their offered speed and achieving sustainable growth.

PDL is no different and is also focusing on providing high-speed internet, including high-speed internet over satellite to remote and under-served areas of Pakistan. In addition to this, it is also focusing on business transformation and continuity, and quality care and service assurance. In respect of quality care and service assurance, PDL has already deployed a series of initiatives to improve its quality of service by providing battery backup enhancements and induction of portable DGs etc to handle prolonged power break downs and other weather related calamities so that its clients may enjoy undisturbed round the clock services.

PDL, leveraging its strong position and vast experience in data communication, having state-of-the-art equipment, remains committed to delivering outstanding performance consistent with its 5-year Strategic Master Plan, considering its strong brand equity and highly committed workforce.

#### Listed Companies (Code of Corporate Governance) Regulations, 2019

The Code of Corporate Governance has envisaged a number of significant changes to established business and ethical norms. The Company abides by the Code and is taking further steps to ensure full compliance with the Code in letter and spirit.

#### **Risk Management**

The Company believes that risk management is an essential part of any organization to foresee, comprehend, analyze and take appropriate measures to mitigate any potential risk. In this regard, the Company has established a Risk Management Policy with relation to risk management.

#### CORPORATE AND FINANCIAL REPORTING FRAMEWORK

#### **Statement of Directors Responsibilities**

The Board is committed to following the Code of Corporate Governance and in maintaining a high-quality standard of good corporate governance. The Company is complying with the provisions of the Code as set out by the Securities and Exchange Commission of Pakistan. There has been no material departure from the practices of Code of Corporate Governance as detailed in listing regulations.

All the members of the Board are fully cognizant of their duties and responsibilities as Directors of a corporate body. They have been apprised of their duties and responsibilities through orientation courses. The Directors, CEO, CFO, Company Secretary and their spouses and minor children did not trade in shares of the Company except as disclosed in the pattern of shareholding.

#### **Presentation of Financial Statements**

The financial statements prepared by the Management of the Company, fairly present the Company's state of affairs, the results of its operations, and cash flows and changes in equity.

#### **Books of Accounts**

The company has maintained proper books of accounts.

#### **Accounting Policies**

Appropriate accounting policies have been consistently applied in the preparation of financial statements except for those disclosed in the financial statements of the Company.

#### **Application of International Financial Reporting Standards**

International Financial Reporting Standards (IFRS), as applicable in Pakistan, have been followed in the preparation of financial statements.

#### **Going Concern**

There is no significant doubt upon the Company's ability to continue as a going concern.

#### **BOARD OF DIRECTORS AND ITS COMMITTEES**

#### **Board Performance**

As required under the Listed Companies (Code of Corporate Governance Regulations), 2019, the Board conducts a self– evaluation of its performance on an annual basis. The Board of Directors believes that continuous assessment is critical in determining how effectively the Board has performed against the objectives and goals that they have set for themselves. Based on the results of the evaluation, areas of improvement are identified and corrective action plans are prepared and acted on.

#### **Directors' Remuneration Policy**

The Board of Directors is authorized to determine, review and amend from time to time the fee structure for attending the meetings of the Board or any committee of Directors. A Director may also be paid for travelling, hotel and other expenses properly incurred by him in attending and returning from meetings of the Directors or any committee of Directors or General Meetings of the Company.

A director may be paid such extra remuneration as the Board may determine, for serving on any Committee or devoting special attention to the business of the Company or performance of services which, in the opinion of the Board, are outside the scope of statutory duties of a director.

#### **Changes in Board of Directors**

There has been no change in the Board members during the financial year 2022-23.

#### **Board**

The total number of Directors are eight as per following;

Α	Male	7
В	Female	1

### Composition

The Committees of the Board and their composition are as follows:

Category	Name	
Independent Directors	Mr. Shamim Ahmed Sherazi	
	Ms. Rubina Safir	
Non-Executive Directors	Syed Zomma Mohiuddin	
	Syed Junaid Imam	
	Engr. Perwaiz Khan	
	Mr. Muhammad Izqar Khan	
	Mr. Muhammad Waheed	
Female Director	Ms. Rubina Safir	
Executive Director/CEO	Brig (R) Syed Zulfiqar Ali (R)	

#### **Committees of the Board**

The Committees of the Board and their composition are as follows:

#### **Audit Committee**

Members of the Audit Committee are as follows:

Ms. Rubina Safir	Chairperson
Mr. Shamim Ahmed Sherazi	Member
Mr. Muhammad Waheed	Member

#### **Human Resource & Remuneration Committee**

Members of the Human Resource & Remuneration Committee are as follows:

Mr. Shamim Ahmed Sherazi	Chairman
Ms. Rubina Safir	Member
Mr. Muhammad Izqar Khan	Member
Syed Junaid Imam	Member

#### **Procurement Committee**

Members of the Procurement Committee are as follows:

Syed Zomma Mohiuddin	Chairman
Engr. Perwaiz Khan	Member
Mr. Muhammad Izqar Khan	Member
Mr. Muhammad Waheed	Member

#### **Nomination Committee**

Members of the Nomination Committee are as follows:

Syed Zomma Mohiuddin	Chairman
Syed Junaid Imam	Member
Engr. Perwaiz Khan	Member

#### **Strategy & Project Appraisal Committee**

Members of Strategy & Project Appraisal Committee are as follows:

Syed Zomma Mohiuddin	Chairman
Syed Junaid Imam	Member
Engr. Perwaiz Khan	Member

#### **Board Meetings:**

Syed Zomma Mohiuddin	Chairman	1/1
Syed Junaid Imam	Member	1/1
Engr. Perwaiz Khan	Member	1/1
Ms. Rubina Safir	Attended on Special Invitation	1/1

#### **Earnings per Share**

The Company recognized earnings per share (EPS) of Rs. 24.44 during the year (2022: Rs. 19.50).

#### **Dividend and Bonus Shares**

The Board has recommended final cash dividend of 90% (Rs. 9.00 per share) for the year ended June 30, 2023 to the shareholders for their approval in forthcoming Annual General Meeting to be held on October 26, 2023. No interim dividend was recommended by the Board during the year.

#### Chairman's Review

The Chairman's Review in the Annual Report extensively deals with the performance of the Company, the role of the Board of Directors, future prospects with respect to economic outlook and uncertainties for the Company.

#### **Corporate Briefing Session**

The Company believes that a solid relationship with its shareholders is crucial in helping the Company attain its targets and as such welcomes and appreciates Pakistan Stock Exchange's ('PSX') requirement on companies to hold Corporate Briefing Sessions ('CBS'). The Company considers PSX's requirement to hold CBS as an opportunity not only for providing the correct perspective of the business affairs of the Company to shareholders but also for building strong investor relations. The Company held its CBS on March 15, 2023 in accordance with the requirement of PSX's rules and regulations. Investors from all walks of life attended the event and showed great interest in the affairs of the Company.

#### Access of Shareholders on the Company's Website

Shareholders and members of the general public are welcome to visit the Company's website HYPERLINK "http://www.pakdatacom.com.pk" either to simply get in touch, or for more information on the Company or regarding its products and services. The Company's website has a dedicated section for investors containing information related to quarterly, half yearly and annual financial statements of the Company and other shareholder related information.

#### **Directors Training Program**

The Company strives to meet all of the provisions of the Code of Corporate Governance and that also goes for the provisions of the Code of Corporate Governance pertaining to the Directors Training Program (DTP). In the current financial year, the Company arranged Directors Training Program certification for Mr. Muhammad Izqar Khan. Necessary arrangements are being made by the Company for the remaining one (1) Director to obtain the Directors Training Program certification as envisaged by the Code of Corporate Governance.

#### **Adequate Internal Financial Controls**

Effective policies and procedures have been developed and applied over a period of time in all areas of our activities. These controls/policies have been put in place to ensure efficient and smooth running of the business, safeguarding the Company's assets, prevention and detection of fraud and errors, accuracy and completeness of books of account and timely preparation of reliable financial information. Internal financial controls are periodically reviewed to ensure that these remain effective and are updated with changing laws, regulations and/or accounting standards.

The Board plays an important role in establishing the control environment, including clarity of expectations regarding integrity, ethics and adherence to the Code of Conduct and creating clear accountability for performance of internal control responsibilities. The Directors have laid down internal financial controls that were operated upon adequately and effectively. All systems are monitored effectively by the Management while the Board Audit Committee reviews the internal control systems based on assessment of risks and reports to the Board of Directors.

#### **Internal Audit**

The Board has set up an independent Audit Function headed by a qualified person reporting to the Audit Committee. The scope of internal auditing within the Company is clearly defined which broadly involves review and evaluation of its internal control system.

#### Funded Gratuity Scheme and Employees' Provident Fund

The Company operates a funded gratuity scheme, registered under the Income Tax Ordinance, 2001 as PDL Employees Gratuity Fund ('the Fund') for all its employees completing the minimum qualifying period of service as specified by the scheme. The value of investments of the Fund amount to Rs. 209.528 million as disclosed in the latest audited accounts of the Fund.

The value of investments of the provident fund based on the latest audited accounts of the fund as at June 30, 2023 amounts to Rs. 34.815 million.

#### Statement of Compliance with the Code of Corporate Governance

The Company has fully complied with the requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2019, formulated by the Securities and Exchange Commission of Pakistan, except as provided otherwise in the Statement of Compliance with the Code of Corporate Governance annexed to the Annual Report.

#### Corporate Social Responsibility (CSR), Safety, Health and Quality

PDL in collaboration with Telecom Foundation (TF) has been initiating various CSRs activities which includes provision of quality education to the children of under privileged communities, specially of telecom employees, by running twelve schools in various cities. These schools are imparting quality education at subsidized fee for the telecom sector families as well as for general public. Further, PDL works with all stakeholders to ensure that it complies with all applicable regulations, contributes to community development and welfare programs, provides the highest standards of safety, health and environment, and offers competitive wages and benefits to its employees.

#### **Related Party Transactions**

Transactions involving related parties arising in the normal course of business are conducted at arm's length, at normal commercial rates and on the same terms and conditions as third party transactions using valuation mode as admissible. The Company has fully complied with the best practice on transfer pricing as contained in the Listing Regulation of Pakistan Stock Exchange. All transactions with related parties are reviewed by the Audit Committee and recommended to the Board for approval on quarterly basis fulfilling the requirements of section 208 of the Companies Act, 2017.

#### **Principal Risks and Uncertainties**

Risks, uncertainties, and opportunities are discussed in detail in the notes to the attached financials.

#### **Auditors**

M/s BDO Ebrahim & Co Chartered Accountants have completed their tenure for the year FY 2022-23 and stand retired at the conclusion of the 31st Annual General Meeting. Being eligible, they have offered themselves for reappointment for FY 2023-24. The Audit Committee and the Board of Directors recommend M/s BDO Ebrahim & Co Chartered Accountants for the year FY 2023-24.

#### **Pattern of Shareholding**

Statement showing the pattern of shareholding as at June 30, 2023 is annexed with this report.

#### **Acknowledgement**

The Board would like to thank and appreciate shareholders, customers and strategic partners for placing their confidence and trust to steer the Company towards the path of success. The Board expresses its gratitude towards dedication and commitment presented by its management and employees. The Board also extends its appreciation and gratefulness of the regulatory bodies and merchants for their resolute cooperation.

For and on Behalf of the Board

Islamabad September 20, 2023 Brig. Syed Zulfiqar Ali (R)
Chief Executive

Rubina Safir Director

# ڈائر یکٹرز کی ربورٹ

### محرّم شيئر ہولڈرز!

کمپنی کے بورڈ آف ڈائر کیٹرز کی طرف سے 30 جون 2023 کو ختم ہونے والے سال کے لئے آپ کی کمپنی کے آڈٹ شدہ مالیاتی گوشواروں کے ساتھ کار کردگی اور پیشر فت پر رپورٹ پیش خدمت ہے۔

### مجموعي معاشى ماحول اور صنعت كاجائزه

مالی سال 23-2022 انتہائی مشکل رہا، افر اط زرکی شرح انتہائی بلندرہی جس کے نتیج میں پاکستان کے ادائیگیوں کے توازن کے مسائل میں اضافہ ہوا اور امر کی ڈالر کے مقابلے میں پاکستانی روپے کی قدر پر شدید دباؤ پڑا۔ مزید بر آں یو کرین کی جنگ کی وجہ سے جغرافیائی سیاسی حالات میں تبدیلی، سیلاب کے شدید اثر ات اور ادائیگیوں کے توازن کے بحران نے پاکستان کی معیشت پر ان واقعات کی وجہ سے گہر ااثر پڑا۔ اس کے علاوہ بحران نے پاکستان کی معیشت کوبر کی طرح متاثر کیا۔ درآمد ات پر انحصار کرنے والے ملک کی حیثیت سے پاکستانی معیشت پر ان واقعات کی وجہ سے گہر ااثر پڑا۔ اس کے علاوہ بحل کے نرخوں میں غیر معمولی اضافے ، بڑھتی ہوئی شرح سود، سپلائی چین میں خلل، اور افراط زر کے عمومی دباؤنے کاروباری لاگت میں نمایاں اضافہ کیا۔ ڈیٹا کمیو نیکسشن کا شعبہ ٹیلی کام آلات کی درآمد پر بہت زیادہ انحصار کر تا ہے، ڈالر کے مقابلے میں روپے کی گرتی ہوئی قدر اور کمر شل بینکوں کی جانب سے لیٹر آف کریڈٹ کے اجراء پر پابندیوں کی وجہ سے یہ شعبہ خاصامتا شرہوا۔

ان اہم معاثی چیلنجز کی وجہ سے سال 23–2022 کے دوران پاکستان جی ڈی پی کی شرح نمو 5 فیصد کے ہدف کے مقابلے میں صرف 0.29 فیصد رہی اور ماہانہ بنیا دوں پر افراط زر کی شرح 40 فیصد رہی۔ مجموعی طور پر صنعت کے نقطہ نظر سے ، خاص طور پر انفار ملیثن اینڈ کمیو نیکییشن ٹیکنالوجی ('آئی می ٹی') کے شعبے کے لحاظ سے دیکھا جائے تو بلند افراط زر کی شرح کے ساتھ ساتھ امریکی ڈالر کے مقابلے میں پاکستانی روپے کی قدر میں کی اور اس کے جو اب میں مالی اور مانیٹری پالیسیوں یعنی پالیسی ریٹ اور ٹیکسوں کی شرح میں اضافے کی وجہ سے موجودہ کاروبار کو چلانے اور نئی سرماریہ کاری کے لیے کاروباری اداروں کے اخراجات میں بے پناہ اضافہ ہوا ہے۔

ٹیلی کام کی صنعت میں ملک کی بڑی آبادی کی وجہ سے امید افزاتر قی کی صلاحیت موجو دہے ، کیونکہ تیز رفتار ڈیٹا خدمات کی بڑھتی ہوئی مانگ اور ڈیجیٹلائزیشن کی تیز رفتار ، خاص طور پر ہمارے لئے ان مواقع سے فائدہ اٹھانے کے لئے ایک مثالی یوزیشن فراہم کرتی ہے۔

اسی طرح، امریکی ڈالر کے مقابلے میں پاکستانی روپے کی قدر میں کی اور دیوالیہ ہونے کے خطرے کورو کئے کے لیے حکومت پاکستان نے بالآخر بین الا قوامی مالیاتی فنڈ (آئی ایم ایف) کے ساتھ 3 ارب ڈالر کے سٹینڈ بائی معاہدے پر دستخط کے تاکہ معیشت کو مستخکم کیا جاسکے اور معاشی شاکس سے بچا جاسکے نیز پاکستان کے عوام کی مد د کے لیے ساجی اور توان کی ترقیاتی اخراجات کی گنجائش پیدا کی جاسکے۔ اس سٹینڈ بائی معاہدے کے بدلے میں ایسی پالیسی پر عملدرآ مد کر ناہو گا جس سے زیادہ سے زیادہ مالی نظم وضبط پیدا ہو، بیر ونی دباؤ کو برداشت کرنے کے لیے مارکیٹ میں شرح تبادلہ کو آزاد کیا جائے اور توانائی کے شعبے، موسمیاتی تبدیلیوں اور کاروباری ماحول سے متعلق اصلاحات پر مزید پیش رفت کی جائے۔

### کاروباری کار کر دگی کا جائزه

اس طرح کے مشکل حالات میں کام کرنے کے باوجود، سال کے دوران کمپنی کو 1.363 ارب روپے کی آمدنی ہوئی جو گزشتہ سال کے 1.239 ارب روپے کے مقابلے میں 123.565 ملین روپے نیادہ ہے۔ بعد از ٹیکس خالص منافع 299.129 ملین روپے سے بڑھ کر 289.862 ملین روپے ہو گیا۔ خالص منافع کی وجہ سے گزشتہ سال کے 195.50 روپے کے مقابلے میں 24.44روپے نی حصص آمدنی ہوئی۔

کمپنی کے یہ غیر معمولی مالی نتائج صرف ان فیصلوں کی وجہ سے ممکن ہوئے ہیں جو بورڈ نے قوانین اور ضوابط کے مطابق کیے، جن کی بدولت ملازمین کو انتہائی نازک حالات میں کام کرنے کے قابل بنایا گیا۔ اس کے نتیج میں انتظامیہ اس قابل ہوئی ہے کہ وہ نظر ثانی شدہ 5 سالہ سٹریٹجب ماسٹریلان میں طے کر دہ اہداف پر اپنی توجہ مر کوزر کھے۔

مالیاتی آپریشنل کار کردگی کی مزید تفصیل ذیل میں دی گئی ہے: چھ سالہ کار کردگی پر ایک نظر:

# مستقبل کی ترقی، کار کر دگی اور سمپنی کی پوزیش

گزشتہ چند سالوں کے دوران تیز رفتار ڈیٹا سروسز کی نمایاں توسیع نے ٹیلی کام سیٹر کے کام کونئ شکل دی ہے، اس طرح تیز رفتار ڈیٹا مواصلات اور میل جول کے طریقہ کار میں تند یلی کے بنیادی عوامل میں سے ایک بن گیا ہے۔ مواصلات اور میل جول کے نئے طریقے جیسے گھرسے کام، ای لرننگ اور ڈیجیٹائزیشن پر زیادہ انحصار کرتے ہیں اور ڈیٹا (تیز رفتار انٹر نیٹ ) کی طلب میں اضافہ ہور ہاہے۔ آئی می ٹی کے شعبے میں کام کرنے والی کمپنیاں فی الحال اپنی موجو دہ ڈیٹار فتار کوبڑھانے اور پائیدار ترقی کے حصول پر مر کوز ہیں۔

PDL ان سے مختلف نہیں ہے اور پاکستان کے دور دراز اور پیماندہ علاقوں کوسیٹلائٹ پر تیز رفتار انٹر نیٹ فراہم کرنے پر بھی توجہ دے رہی ہے۔ اس کے علاوہ، ممپنی کاروباری تبدیلی اور تسلس ، کوالٹی کیئر اور سروس کی گار نٹی پر بھی توجہ دے رہی ہے۔ کوالٹی کیئر اور سروس کو بلا تعطل بنانے کے لیے، PDL نے پہلے سے ہی بیٹری بیک اپ میں اضافہ اور

پورٹ ایبل ڈی جیز وغیرہ فراہم کرکے اپنی سروس کے معیار کو بہتر بنانے کے لیے کئی اقدامات کیے ہیں تاکہ بجلی کے طویل بریک ڈاؤن اور موسم سے متعلق دیگر آفات کے دوران کلائنٹس کو ہماری خدمات بلا تقطل ملتی رہیں۔

PDL، اپنی مضبوط پوزیش اور ڈیٹا کمیونیکیشن کے وسیع تجربے کا فائدہ اٹھاتے ہوئے، جدید ترین آلات کے ساتھ، اپنی مضبوط برانڈ ایکویٹی اور انتہائی پرعزم افرادی قوت کو د کیھتے ہوئے، اپنے 5 سالہ سٹریٹجک ماسٹریلان کے مطابق شاندار کار کر دگی پیش کرنے کے لیے پرعزم ہے۔

### فہرستی کمپنیوں (کارپوریٹ گورننس کاضابطہ) کے ضوابط، 2019

کارپوریٹ گورننس کے ضابطہ میں طے شدہ کاروباری اور اخلاقی اصولوں میں متعدد اہم تبدیلیاں کی گئی ہیں۔ سمپنی ضابطہ کی مکمل تعمیل کویقینی بنانے کے لئے مزید اقد امات کر رہی ہے۔

### رسك مينجمنث

کمپنی اس بات پریقین رکھتی ہے کہ رسک مینجنٹ کسی بھی تنظیم کالاز می حصہ ہے جو کسی بھی مکنہ خطرے کو کم کرنے کے لئے پیش گوئی،ادراک، تجزیہ اور مناسب اقدامات پر مشتمل ہے۔اس سلسلے میں کمپنی نے رسک مینجنٹ یالیسی قائم کی ہے۔

### ماحوليات يركاروبار كااثر

کمپنی ٹیل کمیونیکیشن خدمات فراہم کرنے کے کاروبار میں ہے،اور یہ کسی زہر یلے یاخطرناک فضلے کاباعث نہیں بنتی۔ کمپنی اپنے کاروباری عمل کے دوران پائیدار حل پر عمل درآمد کے لیے پر عزم ہے۔

### كار پوريٺ اور مالياتي رپور ڻنگ فريم ورك

### ڈائر یکٹرز کی ذمہ دار یوں کابیان

**Pak Datacom Limited** 

Annual Report 2023

REVIEW REPORT TO THE MEMBERS ON THE STATEMENT OF **COMPLIANCE CONTAINED IN LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019** 

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate

Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of PAK DATACOM LIMITED

for the year ended June 30, 2023 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the regulations is that of the Board of Directors of the Company. Our

responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance

with the provisions of the regulations and report if it does not and to highlight any non-compliance with the

requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review

of various documents prepared by the Company to comply with the Regulations.

As part of our audit of the financial statements, we are required to obtain an understanding of the accounting and

internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required

to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an

opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the

Audit Committee, place before the Board of Directors for their review and approval, its related party transactions

and also ensure compliance with requirements of section 208 of the Companies Act, 2017. We are only required

and have ensured compliance of this requirement to the extent of the approval of the related party transactions by

the Board of Directors upon recommendation of the Audit Committee. We have not carried out any procedures to

assess and determine the Company's process for identification of related parties and that whether the related

party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of

Compliance does not appropriately reflect the Company's compliance, in all material respects, with the

requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2023.

# Statement of Compliance with Listed Companies (Code of Corporate Governance) Regulations, 2019

Name of the company: Pak Datacom Limited

Year ending: 30 June 2023

The company has complied with the requirements of the Regulations in the following manner:-

1. The total number of directors is 8 as per the following:

a. Male: 07 b. Female: 01

2. The composition of the Board is as follows:

Category	Names
1 1 1 15	Mr. Shamim Ahmed Sherazi
Independent Directors	Ms. Rubina Safeer
	Syed Zomma Mohiuddin
Non-Executive Directors	Mr. Muhammad Waheed
	Syed Junaid Imam
	Mr. Muhammad Izqar Khan
	Mr. Perwaiz Khan
Executive Director	Brig. Syed Zulfiqar Ali (R)
Female Director	Ms. Rubina Safir

- The Current Board of Directors of the Company adequately meets the requirement of Best Practices of Corportae Governance having an optimal number and mix of Board Members with Adequate skills and experience, Further, existing independent directors play an effective part within the Board and make valuable contribution. Therefore, the fraction (2.3) has not been rounded up.
- 3. All the directors have confirmed that none of them is serving as a director on more than seven listed companies, including this company.
- 4. The company has prepared a code of conduct and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 5. The Board has developed a vision/mission statement, overall corporate strategy, and significant policies of the company. The Board has ensured that a complete record of particulars of the significant policies along with their date of approval for updating is maintained by the company.
- 6. All the powers of the Board have been duly exercised and decisions on relevant matters have been taken by the Board/shareholders as empowered by the relevant provisions of the Act and these Regulations.
- 7. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose. The Board has complied with the requirements of Act and the Regulations with respect to frequency, recording and circulating minutes of meeting of the Board.
- 8. The Board has a formal policy as well as transparent procedures for remuneration of directors in accordance with the Act and these Regulations.
- 9. The Board has carried out an in house self performance evaluation in quarter 4 of the financial year under consideration as per the guidelines issued by Securities Exchange Commission of Pakistan (SECP) vide S. R. O. 301 (I)/2020 dated April 09, 2020. For in house evaluation of the Board, nomination committee meeting was not held this year in order to save committee and extra Board meeting costs as it was discussed in depth last year in the nomination committee meeting related with Board's Evaluation. The evaluation this year was done directly in the Board meeting instead.

- 10. Out of seven directors, one director (Mr. Muhammad Izqar Khan) has obtained Directors' Training Program certification in the current year. Five directors and chief executive (Syed Zomma Mohiuddin, Engr. Perwaiz Khan, Ms. Rubina Safir, Mr. Shamim Ahmed Sherazi, Mr. Muhammad Waheed, Syed Zulfiqar Ali) had obtained Directors' Training Program certification in prior years. Necessary arrangments have been made for Director Training of Syed Junaid Imam in the coming months, as he could not attend the training (arranged during the FY 2022-23) because of his national level commitments as Member (IT), Ministry of Information Technology & Telecommunication (MOITT).
- 11. The terms of reference of the Audit Committee have been formed, documented/ approved by the Board and advised to the committee for compliance.
- 12. The Board has set up an effective internal audit function through periodic audit reviews, indentifing major commercial, operating and financial risks along side budgetary controls. In addition, business risks facing the Company are also monitored by the Board through its sub-committees, specially Audit Committee to ensure that a sound system of risk identification, risk management and implementation of related systemic internal controls exists. The Board ensures that risk mitigation measures are robust. Further, the Board has approved the Risk Management Policy, which has now been implemented and monitored, any improvement if demmed necessary will be managed.
- 13. The Board has approved appointment of chief financial officer, company secretary and head of internal audit, including their remuneration and terms and conditions of employment and complied with relevant requirements of the Regulations.
- 14. Chief financial officer and chief executive officer duly endorsed the financial statements before approval of the Board.
- 15. The Board has formed committees comprising of members given below.

Sr#	Category	Names
	Audit Committee	Ms. Rubina Safir (Chairperson) Mr. Shamim Ahmed Sherazi
1	Audit Committee	Muhammad Waheed  Mr. Muhammad Masood ur Rehman (Secretary)
		Mr. Shamim Ahmed Sherazi (Chairman) Syed Junaid Imam
2	Human Resource and Remuneration Committee	Mr. Muhammad Izqar Khan Ms. Rubina Safir
3	Nomination Committee	Mr. Kalim Ullah (Secretary)  Syed Zomma Mohiuddin (Chairman) Syed Junaid Imam Engr. Perwaiz Khan
4	Procurement Committee	Mr. Ali Saleem Rana (Secretary)  Syed Zomma Mohiuddin (Chairman)  Mr. Muhammad Waheed  Engr. Perwaiz Khan  Mr. Muhammad Izqar Khan  Mr. Ali Saleem Rana (Secretary)
5	Strategy & Project Appraisal Committee	Syed Zomma Mohiuddin (Chairman) Syed Junaid Imam Engr. Perwaiz Khan Mr. Ahmed Rafiq (Secretary)

16. The terms of reference of the aforesaid committees have been formed, documented and advised to the committee for compliance.

17. The frequency of meetings (quarterly/half yearly/ yearly) of the Board and its committee were as per following:

Board/Committee	No of Meetings held in FY 2020-2022
Board	05
Audit Committee	06

Brig Syed Zulfiqar Ali (R)

**Chief Executive** 

### INDEPENDENT AUDITORS' REPORT

### To the members of Pak Datacom Limited

### **Report on the Audit of the Financial Statements**

### **Opinion**

We have audited the annexed financial statements of PAK DATACOM LIMITED (the Company), which comprise the statement of financial position as at June 30, 2023, and the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows, together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2023 and of the profit and the comprehensive income, the changes in equity and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key Audit Matters are those matters that, in our professional Judgement, were of most significance in our audit of financial statements of the current period. These matters are addressed in the context of our audit of the financial statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key audit matters:

Sr. No.	Key audit matters	How the matter was addressed in our audit
1.	Revenue Recognition (Refer note 5.15 and 25 to the financial statement)	Our procedures in relation to revenue recognition, amongst others, included:
	The Company is engaged in setting up, operating, and maintaining a network of data communication.	<ul> <li>Understood and evaluated management controls over revenue and checked their validations;</li> </ul>
	During the year ended June 30, 2023, Company recognised aggregate revenue of Rs. 1,362.844 million from rendering of Communication Value Added Services (CVAS) / data communication	<ul> <li>Checked that revenue has been recognised in accordance with the Company's accounting policy and the applicable reporting framework;</li> <li>Performed verification of sample of revenue</li> </ul>
	services, telecom infrastructure services and specialized projects.	transactions with underlying documentation including invoices, agreements and other relevant underlying documents;

Sr. No.	Key audit matters	How the matter was addressed in our audit
	We identified recognition of revenue as an area of higher risk as it includes large number of revenue transactions with a large number of customers in various geographical locations and revenue being one of the key performance indicator of the Company. Accordingly, it was considered as a key audit matter.	<ul> <li>Checked cash receipts from customers on sample basis against the revenue booked during the year;</li> <li>Performed cut-off procedures on sample basis to ensure revenue has been recognised in the correct period;</li> <li>Tested journal entries relating to revenue recognised during the year based on identified risk criteria; and</li> <li>Assessed the appropriateness of disclosures made in the financial statements related to revenue as required under the applicable reporting framework.</li> </ul>
2.	Impairment loss allowance on trade debts (Refer note 9 to the financial statement)	Our audit procedures in relation to impairment assessment of trade debts, amongst others, included the following:
	The Company has recognized an impairment loss allowance of Rs. 92.582 million on gross amount of trade debts of Rs. 841.245 million as at June 30, 2023.	<ul> <li>Understood the management's process for estimating the ECL in relation to trade debts. Assessed and evaluated the assumptions used by the management in determining impairment loss under the ECL model;</li> </ul>
	Under IFRS 9, the Company is required to recognise impairment loss allowance for financial assets using Expected Credit Loss (ECL) model. Determination of ECL provision for trade debts requires significant judgment and assumptions including consideration of factors such as historical credit loss experience, time value of money and forward-looking macroeconomic information etc. We have considered the impairment assessment as a key audit matter due to the significance of estimates and judgments involved.	<ul> <li>Checked appropriateness of ageing, on sample basis, by comparing individual balances with underlying documentation;</li> </ul>
		<ul> <li>Reviewed the appropriateness of assumptions used for ECL computation from relevant external and internal sources;</li> </ul>
		<ul> <li>Circularized balance confirmation for trade debtors on sample basis and evaluated responses received;</li> </ul>
		<ul> <li>Checked subsequent clearance of balances due as of June 30, 2023 on sample basis; and</li> </ul>
		<ul> <li>Assessed the appropriateness of disclosures related to impairment assessment of trade debts as required under the applicable reporting framework.</li> </ul>

### Information Other than the Financial Statements and Auditors Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditors report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is responsible for overseeing the Company's financial reporting process.

### **Auditors Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error,
  design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
  appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from
  fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
  misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
  Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with the board of directors regarding, among other matters, the planned scope and timing of
  the audit and significant audit findings, including any significant deficiencies in internal control that we identify
  during our audit.

### Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditors report is Atif Riaz.

### 1 LEGAL STATUS AND OPERATIONS

Pak Datacom Limited (the Company) was incorporated in Pakistan on July 13, 1992 as a private limited company under the Companies Ordinance, 1984 (Repealed with the enactment of the Companies Act, 2017 on May 30, 2017) and was converted into a public limited company on June 26, 1994. The shares of the Company are listed on Pakistan Stock Exchange Limited.

The Company commenced its commercial activities from July 1, 1994 and is principally engaged in setting up, operating and maintaining a network of data communication and serving the needs of the customers.

The Company is a subsidiary of Telecom Foundation, Pakistan. The registered office of the Company is situated at 1st Floor, TF Complex, 7 - Mauve Area, G - 9/4, Islamabad. The details of the geographical locations and address of business units of the Company are presented in note 6.4.

### 2 STATEMENT OF COMPLIANCE

### 2.1 Statement of Compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

### 2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention, except as otherwise stated in respective notes.

### 2.3 Functional and presentation currency

These financial statements are presented in Pakistan Rupee (Rs. / Rupees) which is the Company's functional currency. Amounts presented in the financial statements have been rounded off to the nearest of Rs. / Rupees, unless otherwise stated.

### 2.4 Foreign currency transactions and balances

Transactions in foreign currencies are converted into rupees at the rates of exchange ruling on the date of the transaction. All monetary assets and liabilities denominated in foreign currencies at the year end are translated at exchange rates prevailing at the statement of financial position date. Exchange differences are dealt with through the statement of profit or loss.

## 3 APPLICATION OF NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS TO PUBLISHED APPROVED ACCOUNTING AND REPORTING STANDARDS

New accounting standards, amendments and IFRS interpretations that are effective for the year ended June 30, 2023

The following standards, amendments and interpretations are effective for the year ended June 30, 2023. These standards, amendments and interpretations are either not relevant to the Company's operations or did not have significant impact on the financial statements other than certain additional disclosures.

Effective date (annual periods beginning on or after)

January 01, 2022

Amendments to IFRS 3 'Business Combinations' - Reference to the conceptual	
framework	January 01, 2022
Amendments to IAS 16 'Property, Plant and Equipment' - Proceeds before intended use	January 01, 2022
Amendments to IAS 37 'Provisions, Contingent Liabilities and Contingent	

Certain annual improvements have also been made to a number of IFRSs.

Assets' - Onerous Contracts - Cost of fulfilling a contract

### New accounting standards, amendments and interpretations that are not yet effective

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, amendments and interpretations are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

Assert described IEDC 7/Einen sied besteuten nachte Diedes was de Complientie nach	Effective date (annual periods beginning on or after)	
Amendments to IFRS 7 'Financial Instruments: Disclosures' - Supplier finance arrangements	January 01, 2024

Amendments to IAS 1 'Presentation of Financial Statements' - Classification of liabilities as current or non-current	January 01, 2024	
Amendments to IAS 1 'Presentation of Financial Statements' - Disclosure of Accounting Policies	January 01 , 2023	
Amendments to IAS 1 'Presentation of Financial Statements' - Non-current liabilities with covenants	January 01 , 2024	
Amendments to IAS 7 'Statement of Cash Flows' - Supplier finance arrangements	January 01, 2024	
Amendments to IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - Definition of Accounting Estimates	January 01 , 2023	
Amendments to IAS 12 'Income Taxes' - Deferred Tax related to Assets and Liabilities arising from a single transaction	January 01 , 2023	
Amendments to IAS 12 'Income Taxes' - Temporary exception to the requirements regarding deferred tax assets and liabilities related to pillar two income taxes	January 01, 2023	

Certain annual improvements have also been made to a number of IFRSs.

The following new standards and interpretations have been issued by the International Accounting Standards Board (IASB), which have not been adopted locally by the Securities and Exchange Commission of Pakistan (SECP):

IFRS 1 First Time Adoption of International Financial Reporting Standards
IFRS 17 Insurance Contracts

The Company expects that the adoption of the above standards will have no material effect on the Company's financial statements, in the period of initial application.

### 4 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of these financial statements in conformity with approved accounting standards requires the use of certain accounting estimates. In addition, it requires management to exercise judgment in the process of applying the Company's accounting policies.

The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are as follows:

### (a) Property and equipment and intangible assets

The Company annually reviews appropriateness of the method of depreciation and amortisation, useful life and residual value used in the calculation of depreciation and amortisation. Further, where applicable, an estimate of the recoverable amount of asset is made for possible impairment on an annual basis. Any change in these estimates in the future, might affect the carrying amount of the respective item of property and equipment and intangible assets, with a corresponding effect on the depreciation, amortisation charge, and impairment.

### (b) Employees benefits

Defined benefit plans are provided for all employees of the Company. The employees gratuity plan is structured as separate legal entity managed by trustees. The Company recognises deferred liability for unearned leaves. These calculations require assumptions to be made of future outcomes, the principal ones being in respect of increases in remuneration and the discount rate used to convert future cash flows to current values. The assumptions used vary for the different plans as they are determined by independent actuaries annually.

Cost primarily represents the increase in actuarial present value of the obligation for benefits earned on employees service during the year and the interest on the net liability/(asset) in respect of employee's service in previous years. Calculations are sensitive to changes in the underlying assumptions.

### (c) Taxation

In making the estimate for tax payable, the Company takes into account applicable tax laws, the decisions taken by the appellate authorities on certain issues in the past and professional advice of tax consultant of the Company.

Deferred tax assets are recognised for all unused tax losses and credits to the extent that it is probable that taxable profit will be available against which such losses and credits can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

### (d) Estimation of impairment loss allowance

The Company reviews the Expected Credit Loss (ECL) model which is based on the historical credit loss experience over the life of the trade receivables and adjusted if required. The ECL model is reviewed on a quarterly basis.

### (e) Provisions and contingent liabilities

The management exercises judgement in measuring and recognising provisions and exposures to contingent liabilities related to pending litigations or other outstanding claims. Judgement is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement.

### (f) Right of use asset and corresponding lease liability

IFRS 16 requires the Company to assess the lease term as the non-cancelable lease term in line with the lease contract together with the period for which the Company has extension options which the Company is reasonably certain to exercise and the periods for which the Company has termination options for which the Company is not reasonably certain to exercise those termination options.

A significant portion of the lease contracts included within Company's lease portfolio includes lease contracts which are extendable through mutual agreement between the Company and the lessor or lease contracts which are cancelable by the Company on immediately or on short notice. In assessing the lease term for the adoption of IFRS 16, the Company concluded that these cancelable future lease periods should be included within the lease term in determining the lease liability upon initial recognition. The reasonably certain period used to determine the lease term is based on facts and circumstances related to the underlying leased asset and lease contracts and after consideration of business plan of the Company which incorporates economic, potential demand of customers and technological changes.

Estimates and judgements are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the year in which the estimate is revised and in any future years, if affected.

### 5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, expect for changes as are disclosed in relevant notes.

### 5.1 Property and equipment

### (i) Operating fixed assets

All items of operating fixed assets, except for freehold land, are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is stated at cost. Cost in relation to operating fixed assets comprises of acquisition and other directly attributable costs. Software that is embedded or integral to the functionality of the related equipment is capitalised as part of the cost of that asset.

Depreciation is charged to income applying the reducing balance method, at the rates specified in note 6.1 to these financial statements, whereby the cost of an asset is written-off over its estimated useful life, taking into account any expected residual value. Depreciation on additions is charged from the date an asset is available for use till date of disposal.

An item of property and equipment and any significant part initially capitalised is derecognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Any gain or loss arising on derecognition of the assets (calculated as the difference between the sale proceeds and the carrying amount of the asset) is included in the statement of profit or loss as other income when the asset is derecognised.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit or loss.

Useful lives are determined by the management based on the expected usage of an asset, expected physical wear and tear, technical and commercial obsolescence, legal and similar limits on the use of assets and other similar factors.

The assets' residual values, useful lives and methods are reviewed, and adjusted if appropriate, at each financial year end. The effects of adjustments to residual values, useful lives and methods are recognised prospectively as a change in accounting estimates.

The carrying values of operating fixed assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amounts, these are written down to their estimated recoverable amount.

### (ii) Right of use (ROU) assets

The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right of use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right of use asset or the end of the lease term. In case of leased vehicles, right of use asset is subsequently depreciated using the reducing balance method from the commencement date to the earlier of the end of the useful life of the right of use asset or the end of the lease term. The estimated useful lives of right of use assets are determined on the basis of term of the lease agreement. In addition, the right of use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

### 5.2 Intangible assets

An intangible asset is recognised if it is probable that the future economic benefits that are attributable to the asset will flow to the Company and that cost of such an asset can also be measured reliably.

Intangible assets are measured on initial recognition at cost, being the fair value of the consideration given. Following the initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company does not have an intangible asset with indefinite useful life. Intangible assets with finite useful lives are amortised over the period of their useful economic life. The Company's intangible assets with finite useful lives include software and infrastructure license, which are amortised on a straight line basis over their period of useful economic life and license period, respectively. In respect of additions and disposals of intangible assets made during the year, amortisation is charged to the statement of profit or loss when it is available for use till disposal.

Gains and losses arising from the derecognition of an intangible asset are measured as the difference between the sale proceeds and the carrying amount of the asset, and are recognised in the statement of profit or loss account.

Changes in the expected useful lives or the expected pattern of consumption of future economic benefits, embodied in the intangible assets, are accounted for by changing the life or amortisation method, as appropriate, and treated as a change in accounting estimate. The recognised expense on intangible assets with finite lives is recognised in the statement of profit or loss in the expense category, consistent with the function of the intangible asset.

The carrying values of intangible assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable. If any such indication exists and where the carrying values exceeds the estimated recoverable amount, the assets or cash-generating units are written-down to their recoverable amount.

### 5.3 Trade debts

These are recognised and carried at the original invoice amounts, being the fair value, less an allowance for uncollectible amounts, if any. The Company applies the IFRS 9 simplified approach to measure the expected credit losses (ECL). By contrast, the ECL model requires the Company to recognise an allowance for doubtful debt on all financial assets carried at amortised cost (including for example, trade debts and other receivables), as well as debt instruments classified as financial assets carried at fair value through other comprehensive income, since initial recognition, irrespective whether a loss event has occurred.

### 5.4 Contract assets

A contract asset is recognised for the Company's right to consideration in exchange for services that it has provided to a customer. If the company performs its obligation by providing services to a customer before the customer pays consideration or before payment is due, the Company presents the amount as a contract asset, excluding any amounts presented as a receivable. Contract assets are subject to impairment assessment under IFRS 9.

### 5.5 Contract work in progress

These Contract work in progress is recognised for the expenses incurred by Company to date against the services that it will provide to it's customers in the future. The contract work in progress is subsequently expensed out when the services have been provided to the customer and the related revenue has been recognised.

### 5.6 Advances, deposits and other receivables

These are recognised at cost, which is the fair value of the consideration given. The Company assesses on a forward looking basis the expected credit losses associated with the advances, deposits and other receivables. The Company applies the general approach for calculating a lifetime expected credit losses for its advances, deposits and other receivables recognised. The life time expected credit loss is determined at least annually. However, an assessment is made at each reporting date to determine whether there is an indication that a financial asset or a group of financial assets may be impaired. If such an indication exists, the estimated recoverable amount of that asset is determined and impairment loss is recognised for the difference between the recoverable amount and the carrying value.

### 5.7 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of the statement of cash flows, cash and cash equivalents comprise of cash in hand, bank balances and investments that are highly liquid, readily convertible to known amounts of cash with insignificant risk of changes in value and have original maturity period of less than three month from the date of acquisition.

### 5.8 Employees' benefits

Salaries, wages and benefits are accrued in the period in which the associated services are rendered by employees of the Company. The accounting policy for gratuity, provident fund and leave encashment is described below:

### **Defined benefit plan**

The Company has established an approved gratuity fund under defined benefit plan covering all its employees who have completed the minimum qualifying period of six months of the service. The fund operates under a trust administered by the Board of Trustees.

The Company also provides benefit to its employees for accumulating their annual earned leaves. Unutilised earned leaves may be encashed up to thirty (30) days during the year subject to the Company's approval at any time by retaining minimum forty days leave balance. Up to 100 days of accumulated leaves can be encashed on retirement.

The Company makes contributions or records liability in respect of defined benefit plans on the basis of actuarial valuations, carried out annually by independent actuaries. The latest actuarial valuations were carried out at June 30, 2023. The calculations of actuaries are based on the Projected Unit Credit Method, net of the assets guaranteeing the plan, if any, with the obligation increasing from year to year, in a manner that it is proportional to the length of service of the employees. The interest element of the defined benefit cost represents the change in present value of scheme obligations resulting from the passage of time, and is determined by applying the discount rate to the net defined benefit liability/(asset).

Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited in other comprehensive income in the year in which they arise. Past service costs are recognised immediately in the statement of profit or loss.

### **Defined Contribution plan**

A defined contribution plan is post employment benefit plan under which an entity pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contribution to defined benefit plans are recognised as an employee benefit expense in the statement of comprehensive income when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in further payments is available.

The Company operates a defined contribution plan in the form of unrecognised provident fund scheme for all eligible employees. Contributions to the fund are made monthly at the rate of 10% of basic salary by the Company and the employees. The Company's contributions are recognised as employee benefit expense when they are due. If the contribution payments exceed the contribution due for service, the excess is recognised as an asset.

### 5.9 Leases

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments in the measurement of the lease liability comprise the following:

- a) fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable under a residual value guarantee; and
- d) the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right of use asset, or is recorded in profit or loss if the carrying amount of the right of use asset has been reduced to zero.

### 5.10 Contract liability

Under IFRS 15 "Revenue from Contracts with Customers", obligation to transfer goods or services to a customer for which the Company has received consideration or an amount of consideration is due from the customer is presented as contract liability.

### 5.11 Trade and other payables

Trade and other payable, including payable to related parties are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### 5.12 Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

### (i) Current

The current income tax charge is calculated on the basis of the tax laws enacted or substantially enacted at the statement of financial position date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations is subject to interpretation and establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current income tax expense is based on taxable profit, at the current rates of taxation, after taking into account tax credits and tax rebates available, if any, minimum turnover tax, minimum tax under section 153 of the Income Tax Ordinance, 2001 or alternative corporate tax, whichever is applicable.

### (ii) Deferred

Deferred income tax is accounted for using the statement of financial position approach in respect of all temporary differences arising between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences, un-used tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are substantially expected to apply to the period when the differences reverse based on the tax rates that have been enacted or substantively enacted at the statement of financial position date. Deferred tax is charged or credited to income except in the case of items credited or charged to equity in which case it is included in equity.

The carrying amount of all deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax assets to be utilised.

### 5.13 Provision and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of such obligation.

Contingent liability is disclosed when the Company has as possible obligation as a result of past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or the Company has a present legal or constructive obligation that arises from the past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

### 5.14 Dividend distribution

Final dividend distributions to the Company's shareholders are recognised as a liability in the financial statements in the period in which the dividends are approved by the Company's shareholders at the Annual General Meeting, while interim dividend distributions are recognised in the period in which the dividends are declared by the Board of Directors.

### 5.15 Revenue recognition

Revenue from contracts with customers is recognised when or as the Company satisfies a performance obligation by transferring a promised good or service to a customer. Revenue associated with the sale is measured based on the consideration specified in contracts with customers. A good or service is transferred when the customer obtains control of that good or service. The transfer of control coincides with title passing to the customer and the customer taking physical possession. Where the Company principally satisfies its performance obligations at over the time, the amounts of revenue are recognised relating to performance accordingly.

Revenue is measured at the fair value of the consideration received or receivable which the Company expects to be entitled in exchange for transferring goods, net of levies. Prices of the goods and services are specified in relevant agreements.

Invoices are generally raised each month / quarter end which are payable within 30 to 45 days in accordance with the contractual arrangement with customers. For specialised projects, payments terms vary in accordance with the terms of the respective contracts. Amounts billed or received prior to being earned, are deferred and recognised as contract liability.

The Company has a practice to provide assurance type warranty services for specialised telecommunication equipment to customers, which is not considered a separate performance obligation, unless otherwise specified in a contract.

### 5.16 Financial instruments

All financial assets and financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument. All the financial assets are derecognised at the time when the Company losses control of the contractual rights that comprise the financial assets. All financial liabilities are derecognised at the time when they are extinguished that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gains or losses on de-recognition of the financial assets and financial liabilities are taken to the statement of profit or loss.

### (i) Financial assets

### Classification, initial recognition and subsequent measurement

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through OCI, or through profit or loss), and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in statement of profit or loss or OCI. For investments in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVTOCI). The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership.

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVTPL are expensed in statement of profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

### **Debt instruments**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

### (a) Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other operating gains/(losses), together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss.

### (b) Fair value through other comprehensive income (FVTOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVTOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit or loss and recognised in other operating gains/(losses). Interest income from these financial assets is included in finance income using the effective interest rate method. Foreign exchange gains and losses are presented in other operating gains/(losses) and impairment expenses are presented as separate line item in the statement of profit or loss.

### (c) Fair value through profit and loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL is recognised in the statement of profit or loss and presented net within other operating gains/(losses) in the period in which it arises.

### De-recognition of financial assets

A financial asset (or, where applicable part of a financial asset or part of a group of similar financial assets) is derecognised when;

- The rights to receive cash flows from the asset have expired;
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the asset is recognised to the extent of the Company's continuing involvement in the asset.

In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### Impairment of financial assets

The Company assesses on a historical as well as forward looking basis the expected credit losses (ECL) associated with its debt instruments carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The Company recognises a loss allowance for ECL on investments in debt instruments that are measured at amortised cost or at FVTOCI, trade receivables, contract assets, trade deposits, advances and bank balances. The amount of expected credit losses is updated at the end of each reporting period to reflect changes in credit risk since initial recognition of the respective financial instrument.

The Company always recognises life time ECL for trade debts, using the simplified approach. The expected credit losses on these financial assets are estimated using a provision matrix based on the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

For all other financial instruments, the Company recognises life time ECL when there has been a significant increase in credit risk since initial recognition. If, on the other hand, the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 months ECL. The assessment of whether life time ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition instead of on evidence of a financial asset being credit-impaired at the end of the reporting period or an actual default occurring.

### a) Significant increase in credit risk

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument as at the end of the reporting period with the risk of a default occurring on the financial instrument as at the date of initial recognition. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

Despite the foregoing, the Company assumes that credit risk on a financial instrument has not increased significantly since initial recognition if financial instrument is determined to have low credit risk at the reporting date. A financial instrument is determined to have low credit risk if:

- a) the financial instrument has a low risk of default;
- b) the borrower has a strong capacity to meet its contractual cash flow obligations in the near term; and
- c) adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations. The Company considers a financial asset to have low credit risk when it has an internal or external credit rating of 'investment grade' as per globally understood definition.

The Company regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

### b) Definition of default

The Company considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that receivables that meet either of the following criteria are generally not recoverable.

- when there is a breach of financial covenants by the counterparty; or
- information developed internally or obtained from external sources indicates that the debtor is unlikely
  to pay its creditors, including the Company, in full (without taking into account any collaterals held by
  the Company).

### c) Credit - impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- · significant financial difficulty of the issuer or the borrower;
- a breach of contract, such as a default or past due event;
- the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial
  difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise
  consider;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for that financial asset because of financial difficulties.

### d) Measurement and recognition of expected credit losses

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information as described above. As for the exposure at default for financial assets, this is represented by the assets' gross carrying amount at the reporting date.

Where lifetime ECL is measured on a collective basis to cater for cases where evidence of significant increases in credit risk at the individual instrument level may not yet be available, the financial instruments are grouped on the following basis:

- Nature of financial instruments (i.e. the Company's trade and other receivables, finance lease receivables and amounts due from customers are each assessed as a separate Company. Loans to related parties are assessed for expected credit losses on an individual basis);
- Past-due status;
- Nature, size and industry of debtors; and
- External credit ratings where available.

The grouping is regularly reviewed by management to ensure the constituents of each Company continue to share similar credit risk characteristics.

The Company recognises an impairment gain or loss in the statement of profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account, except for investments in debt instruments that are measured at FVTOCI, for which the loss allowance is recognised in other comprehensive income and accumulated in the investment revaluation reserve, and does not reduce the carrying amount of the financial asset in the statement of financial position.

### (ii) Financial liabilities

Classification, initial recognition and subsequent measurement

The Company classifies its financial liabilities in the following categories:

- at fair value through profit or loss; and
- other financial liabilities

The Company determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at fair value and, in the case of other financial liabilities, also include directly attributable transaction costs. The subsequent measurement of financial liabilities depends on their classification, as follows:

### (a) Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held-for-trading and financial liabilities designated upon initial recognition as being at fair value through profit or loss. The Company has not designated any financial liability upon recognition as being at fair value through profit or loss.

### (b) Other financial liabilities

After initial recognition, other financial liabilities which are interest bearing subsequently measured at amortised cost, using the effective interest rate method. Gain and losses are recognised in the statement of profit or loss, when the liabilities are derecognised as well as through effective interest rate amortisation process.

### **De-recognition of financial liabilities**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the statement of profit or loss.

### (iii) Off-setting financial assets and financial liabilities

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position, if the Company has a legally enforceable right to set off the recognised amounts, and the Company either intends to settle on a net basis, or realise the asset and settle the liability simultaneously. Legally enforceable right must not be contingent on future events and must be enforceable in normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counter party.

### 5.17 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company determines the policies and procedures for both recurring fair value measurement and for non-recurring measurement. External valuers may be involved for valuation of significant assets and significant liabilities. For the purpose of fair value disclosures, the Company determines classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

### 5.18 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for the effects of all dilutive potential ordinary shares.

### 5.19 Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors that makes strategic decisions. The management has determined that the Company has a single reportable segment as the Board of Directors views the Company's operations as one reportable segment.

### 5.20 Joint operation arrangements

The Company recognises its share of the assets, liabilities, revenue and expenses relating to its interest in the joint operations in accordance with applicable IFRSs.

B.2 The deferred tax asset has been recognised taking into account the availability of future taxable profits as per business plan of the Company approved by the Board of Directors. The existence of future taxable profits sufficient is based on business plan which involves making judgements regarding key assumptions underlying the estimation of the future taxable profits of the Company. These assumptions, if not met have significant risk of causing a material adjustment to the carrying amount of deferred tax. It is probable that the Company will be able to achieve the profits projected in the business plan.

Total remeasurement loss/ (gain) chargeable		
in other comprehensive income	5,952,997	(20,435,293)
22.1.6 Significant actuarial assumptions used were as follows:		
Valuation discount rate per annum	16.25%	13.25%
Salary increase rate per annum	16.25%	13.25%
Expected return on plan asset	16.25%	13.25%
Morality rate	SLIC 2001-2005	SLIC 2001-2005
Withdrawal rates	Age-Based	Age-Based
Retirement assumption	Age 60 years	Age 60 years
Weighted average duration of the obligation	9.4 years	9.7 years
22.1.7 Fair value of Plan assets		
Term Deposit Receipts	105,000,000	239,942,471
Mutual fund	82,118,010	-
Bank	22,410,371	20,633,191
Fair value of assets at end of the year	209,528,381	260,575,662

**22.1.8** The calculation of the defined benefit obligation is sensitive to assumptions set out above. The following table summarizes how the impact on the defined benefit obligation at the end of the reporting period would have increased/(decreased) as a result of a change in respective assumptions:

		Impact on defined benefit obligation		
		Change in assumption	Increase in assumption	Decrease in assumption
			Rupees	
-	· Valuation discount rate	1%	(16,367,170)	26,082,651
	- Salary increase rate	1%	26,135,747	(16,760,532)
22.1.9	Expected future payments			
	Within one year		7,667,661	8,647,521
	More than one year but less than five years		73,808,828	62,624,214
	Above five years		4,817,514,091	2,975,666,407

- **22.1.10** The Company makes contributions or records liability in respect of defined benefit plans on the basis of actuarial valuations, carried out annually by Noman Associates Consulting Actuaries. The calculations of actuaries are based on the Projected Unit Credit Method.
- **22.1.11** The defined benefit obligation exposes the Company to the following risks:

# Final salary risks

The risk that the final salary at the time of cessation of service is greater than what was assumed. Since the benefit is calculated on the final salary, the benefit amount would also increase proportionately.

### Withdrawal risks

The risk of higher or lower withdrawal experience than assumed. The final effect could go either way depending on the beneficiaries' service / age distribution and the benefit.

# **Mortality risks**

The risk that the actual mortality experience is different. Similar to the withdrawal risk, the effect depends on the beneficiaries' service / age distribution and the benefit.

### **Discount rate fluctuation**

The plan liabilities are calculated using a discount rate set with reference to corporate bond yields. A decrease in corporate bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the current plan's bond holdings.

- 22.1.12 The expected expense for the next year amounts to Rs 19.36 million.
- 22.2 The amount of provident fund is deposited in saving account. Company has not yet opened separate bank account for provident fund according to the section 218 of the Companies act 2017.

# 24.1 Contingencies

23

- **24.1.1** The Company has letter of guarantee facilities aggregating Rs. 250 million (2022: Rs. 200 million) available from Soneri Bank. The amount availed on these facilities as at June 30, 2023 is Rs. 174.648 million (2022: Rs. 117.44 million).
- 24.1.2 The Company had entered into an agreement with a reseller of satellite bandwidth in Pakistan for provisioning of satellite segment. Management made advance payments of Rs. 101 million (US\$ 0.64 million) for operationalisation of satellite segment, however, management is of the view that it was not operational or utilised due to technical issues. For recovery of advance, the matter was referred to the arbitration, which in its award given on May 03, 2012 imposed additional payment of Rs. 101 million (US\$ 0.64 million) on the Company. The Company had filed the case in Islamabad High Court against the award. During the financial year 2017, the case was transferred from the Honorable Islamabad High Court to Civil Court Islamabad due to pecuniary jurisdiction. The reseller had also filed a counter claim in the Civil Court, Islamabad for recovery of the Arbitration Award, which was adjourned sine-die since the matter was already subjudiced. The Civil Court in its order dated December 12, 2019 asked the parties to define the terms of reference of arbitration and to decide whether the award shall be remitted to the same arbitrator or to any other arbitrator. The reseller obtained stay order from Islamabad High Court against the order of Civil Court dated March 02, 2020. The appeal is still pending in the Islamabad High Court and was fixed for hearing on June 30, 2022. However, due to document discrepancies on the part of reseller, The Court refixed the next hearing date on August, 24, 2022 which was again adjourned due to document discrepancies. The advance payment of Rs. 101 million (US\$ 0.64 million) was provided for by the Company during the year ended June 30, 2012. The Board and the management is of the opinion that the maximum loss even if the case is decided against the Company will not exceed Rs. 201 million (US\$ 1.27 million). The management believes that the case is likely to be decided in the favour of the Company.
- 24.1.3 The Company entered into an agreement with a customer for up-linking facility in Pakistan on January 01, 2007. The Company satisfactorily provided services up to January 31, 2012 and then services were disconnected based on the customer's request. The Company filed a suit in the Honorable Islamabad Civil Court for recovery of trade debts and the Company has made provision against trade debts amounting to Rs 6.75 million during the year ended June 30, 2012. The Civil Court in its order dated June 06, 2015 dismissed the suit based on the fact that the Company failed to prove the primary document on the basis of which the suit has been filed. Consequent upon decree by the Honorable Civil Court, the Company filed an appeal in the Honorable Islamabad High Court on February 17, 2017. The appeal is in the initial stages and management believes that the expected outcome will be in favour of the Company.

- 24.1.4 The Deputy Commissioner Inland Revenue vide order dated June 27, 2018 raised a demand of Rs 38.96 million for short assessment of taxable income under section 122(1) of the Income Tax Ordinance (ITO), 2001 for tax year 2012. The Company filed an appeal to the Commissioner Inland Revenue Appeals (CIR-Appeals), for which no hearing has been held yet. The Company has also obtained stay order from honorable Islamabad High Court dated November 15, 2018 restraining Inland Revenue Department from adopting coercive measures for recovery of disputed tax liability. In December 2020 the Deputy Commissioner Inland Revenue refused the company's stance and issued an order dated December 30, 2020 without change in previous order. The Company filed an appeal before the Commissioner Inland Revenue Appeals (CIR-Appeals) against the order of the DC-IR which is due to be fixed for hearing. The management believes that the case is likely to be decided in the favour of the Company.
- 24.1.5 Inland Revenue Officer raised a demand of Rs 38.196 million and Rs 32.813 million on account of disallowance of certain expenses claimed by the Company in its tax returns for tax year 2010 and 2013 return respectively. The Company filed appeal before Commissioner Inland Revenue Appeals (CIR-Appeals) against the order. The case has been decided by the learned CIR-Appeals vide order dated July 29, 2016 whereby partially upholding the decision and partially remanding it back. The taxpayer has filed an appeal in Appellate Tribunal Inland Revenue (ATIR) against the decision of CIR-Appeals and intimated through letter dated August 22, 2016. No further progress has been made. The management believes that the case is likely to be decided in the favour of the Company.
- 24.1.6 The Deputy Commissioner Inland Revenue raised demand of Rs 7.211 million based on order passed under section 161 and 205 of Income Tax Ordinance, 2001 on short deduction of withholding tax for tax year 2016. The Company filed appeal before Commissioner Inland Revenue on June 13, 2018 against the order. The case has been decided by the learned CIR-Appeals vide order dated October 17, 2018 whereby partially upholding the decision and partially remanding it back. The taxpayer has filed an appeal in ATIR against the decision of CIR (A) and intimated through letter dated November 20, 2018. The Department has also filed an appeal against the said order. No further progress has been made. The management believes that the case is likely to be decided in the favour of the Company.
- 24.1.7 The Deputy Commissioner Inland Revenue raised demand of Rs. 20.127 million based on order passed under section 161 and 205 of Income Tax Ordinance, 2001 on short deduction of withholding tax for tax year 2017. The Company filed appeal and stay application before Commissioner Inland Revenue (CIR-Appeals) on January 25, 2021 against the order, the main appeal is pending for adjudication. The Deputy Commissioner Inland Revenue (CIR-Enforcement) vide notice under section 138 dated February 22, 2022 was pressing hard for recovery of the same. The application for grant of stay was rejected by Commissioner Inland Revenue (CIR-Appeals) on March 01, 2022. The taxpayer filed a stay application and interim appeal before the Appellate Tribunal Inland Revenue on March 02, 2022 and intimated through letter dated March 02, 2022. Appellate Tribunal Inland Revenue vide stay order number. MA(Stay) Interim No. 476/IB/2022 dated March 07, 2022 has directed the Commissioner Inland Revenue (CIR-Appeals) to hear and decide the appeal within 60 days and stay from recovery is granted till the decision of main appeal. The management believes that the case is likely to be decided in the favour of the company.
- 24.1.8 The deputy commissioner inland revenue issued a notice under rule 44(4) of income tax rules 2002 for the tax year 2018 on September 16, 2022. Due response was submitted on October 18, 2022 which is under review by the deputy commissioner inland revenue.

The Company is defending its stance before the courts of law against various parties including individuals, corporate entities, federal and provincial revenue / regulatory authorities etc. The management of the Company is of the view that the ultimate outcome of these cases are expected to be favorable and a liability, if any, arising on the settlement of these cases is not likely to be material. Accordingly, no provision has been made in the financial statements in this regard.

### 35.2 Financial risk management

The Company has exposure to the following risks from its use of financial instruments:

- credit risk
- liquidity risk
- market risk

The Board of Directors (the Board) has the overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Board of the Company oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Board is assisted in its oversight role by the internal audit department. Internal audit undertakes both regular and ad-hoc reviews of risk management controls and procedures, the results of which are reported to the board.

## 35.3 Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party to a financial instrument fails to meet its contractual obligations, and arises principally from investments, advances, deposits, trade debts, contract assets, other receivables and bank balances. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

	2023	2022
Note	Ru	pees
Trade debts	748,662,850	814,428,992
Contract assets	242,502,038	204,729,211
Advances	44,295,406	12,092,144
Trade deposits	50,415,390	110,183,654
Other receivables	9,413,395	13,857,614
Interest accrued	3,827,119	1,734,317
Short term investments	143,651,454	143,077,328
Bank balances	351,458,540	251,043,758
	1,594,226,191	1,551,147,017

In respect of trade debts, the Company's exposure is influenced mainly by the individual characteristics of each customer however management also considers that may influence credit risk of the customer base. The Company is not exposed to any significant credit risk exposure to any single counter party or any group of counterparties having similar characteristic. Trade receivables consists of large number of customers in various industries and geographical areas.

The Company's management continuously monitors the defaults of customers and other counterparties, whether of individual or of group. Where available at reasonable cost, external credit ratings on counterparties are obtained and used. The Company's policy is to deal only with creditworthy counterparties.

Management considers that all the above financial assets that are not impaired for each of the reporting dates under review are good credit quality, including those that are past due.

### **Impairment losses**

The Company recognises ECL for trade debts using the simplified approach as explained in note 4. As per the aforementioned approach, the aging of trade debts at the reporting date was:

	2023 Gross carrying amount Ru	2022 Gross carrying amount pees
Current More than 30 days past due More than 60 days past due More than 90 days past due	96,496,742 10,492,611 465,044 733,817,662	406,845,043 299,638 3,122,662 480,025,878

Impairment loss / (reversal) on trade debts, contract assets, trade deposits, advance and bank balances recognized in statement of profit or loss were as follows:

	2023	2022
	Ruj	oees
Impairment (reversal) / loss on:		
Trade debts	25,339,609	(21,848,473)
Contract assets	6,780,420	697,158
Trade deposits	(43,435)	(2,597,722)
Short term prepayments	-	618,000
Bank balances	(15,683)	41,095
	32,060,911	(23,089,942)

### **Expected credit loss for trade debts**

The Company uses an allowance matrix to measure the ECLs of trade debts from customers, which comprises a very large number of small balances.

Loss rates are calculated using "roll rate" method based on the probability of a trade debt progressive through successive stages of delinquency to calculate the weighted average loss rate. Roll rates are calculated separately for exposure in different segments based on following common characteristics for e.g. age of customer relationship.

### Movement in the allowance for expected credit losses in respect of trade debts

The movement in the allowance for expected credit losses in respect of trade debts during the year was as follows.

	2023	2022
	Ru	pees
Balance at beginning of year Impairment (reversal) / loss during the year	75,864,229 25,339,609	97,712,702 (21,848,473)
Balance at end of year	101,203,838	75,864,229

### Expected credit loss for contract assets, trade deposits and other receivables

Impairment on contract assets, trade deposits and other financial assets have been measured on 12 month expected loss basis and reflect the short maturities of the exposures. The Company considers that its contract assets and trade deposits have low credit risk as the outstanding balance is not yet due and there are no other indicators present that suggest an increase in credit risk. In case of other financial assets the Company considers it to have low credit risk as no amount is outstanding from an ex-employee and recovery of the balance can be made form final settlement of employees in case of default.

### Expected credit loss for short term investments and bank balances

The credit risk related to balances with banks, in term deposits, savings accounts and current accounts, is managed in accordance with the Company's policy of placing funds with approved financial institutions and within the limits assigned in accordance with the counter party risk policy. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through potential counter party failure.

### Credit quality of financial assets

The Company held short term investments in TDRs and Mutual Funds of Rs. 129 million and 1.12 million respectively and cash at bank of Rs. 352.53 million as at June 30, 2023 (2022: Rs. 136 million, Rs. NIL and Rs. 251.19 million). The Company has placed funds in financial institutions with high credit ratings. The Company assesses the credit quality of the counter parties as satisfactory.

The credit rating of counter parties is as follow:

	Long term rating	Short term rating	Credit rating agency	2023 Rupees
Short-term investments	_			•
Soneri Bank Limited	AA-	A1+	PACRA	108,000,000

### 35.4 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to manage liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company ensures that it has sufficient cash on demand to meet expected cash outflows during its operating cycle, including the servicing of financial obligations; this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters. The Company monitors rolling forecasts of its liquidity reserves (comprising undrawn borrowing facilities, if any, and cash and cash equivalents) on the basis of expected cash flows. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet sufficient cash flow requirements.

The table below analyses the Company's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows:

Contractual cash flows

	Carrying value	Upto 1 year	After 1 year
		Rupees	
June 30, 2023			
Lease liabilities	88,942,303	13,304,660	75,637,643
Customers' deposits	112,891,873	112,891,873	-
Trade and other payables	470,829,201	470,829,201	-
Unclaimed dividend	10,829,488	10,829,488	-

	684,562,239	608,924,596	75,637,643
June 30, 2022			
Lease liabilities	91,717,868	11,301,568	80,416,300
Customers' deposits	113,895,030	113,895,030	-
Trade and other payables	533,957,691	533,957,691	_
Unclaimed dividend	10,591,642	10,591,642	_
Unpaid Dividend	263,098	263,098	-
	750,425,329	670,009,028	80,416,300

### 35.5 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The Company is exposed to currency risk and is not materially exposed to interest rates risk.

### 35.5.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Currency risk arises mainly from future commercial transactions or receivables and payables that exist due to transactions in foreign currencies.

The Company's exposure to foreign currency risk was as follows based on carrying values:

2023	2022
Rt	pees
1,209,988,641	1,063,402,098
411,140	65,471,700
1,210,399,781	1,128,873,798
(456,764,786)	(366,453,696)
(55,717,217)	(11,488,966)
697,917,778	750,931,136
	1,209,988,641 411,140 1,210,399,781 (456,764,786) (55,717,217)

The following significant exchange rates were applied during the year:

Rupees per USD:		
Average rate	253.08	179.69
Reporting date rate	287.10	206.00
Rupees per AED:		
Average rate	69.39	49.20
Reporting date rate	78.72	43.4

### Sensitivity analysis

At June 30, 2023, if the currency had weakened / strengthened by 10% against US dollar with all other variables held constant, profit before tax for the year would have been Rs 75.33 million (2022: Rs 69.69 million) lower / higher.

### 35.5.2 Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to change in market interest rates. The Company does not have any long term or short term borrowing. The Company adopts policy to make fixed rate investment in instruments like TDRs so as to minimize the interest rate risk.

At the statement of financial position date, the interest rate profile of the Company's interest bearing financial instruments is:

2023
2022

# Fixed rate instruments Financial assets Short term investments

Bank balances - deposit accounts

143,651,454	143,077,328
191,006,760	162,648,215
334,658,214	305,725,543

Rupees

### Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed rate financial asset and liability at fair value through 'profit and loss' therefore a change in interest rate at the statement of financial position date would not affect profit or loss of the Company.

### 35.6 Fair value of financial assets and liabilities

The fair values of financial assets and liabilities, together with the carrying amounts shown in the balance sheet, are as follows:

	2023	2023	2022	2022
	Carrying value	Fair value	Carrying value	Fair value
		Rup	oees	
Financial assets				
Trade debts	748,662,850	748,662,850	814,428,992	814,428,992

	1,596,424,388	1,596,424,388	1,551,201,631	1,551,201,631
Financial Liabilities				
Customers' deposits	112,891,873	112,891,873	113,895,030	113,895,030
Trade and other payables	470,829,201	470,829,201	533,957,691	533,957,691
Unclaimed dividend	10,829,488	10,829,488	10,591,642	10,591,642
Unpaid dividend	1,069,374	1,069,374	263,098	263,098
Lease liabilities	13,304,660	13,304,660	11,301,568	11,301,568
	608,924,596	608,924,596	670,009,029	670,009,029

### (i) Determination of fair values

A number of the Company's accounting policies and disclosures require the determination of fair value, for both financial and non - financial assets and liabilities. Fair values have been determined for measurement and/or disclosure purposes based on the following methods:

# Non - derivative financial assets

The fair value of non derivative financial assets is estimated as the present value of future cash flows, discounted at the market rate of interest at the reporting date. This fair value is determined for disclosure purpose.

### Non - derivative financial liabilities

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

### (ii) Fair value hierarchy

As at June 30, 2023, all financial assets and financial liabilities are carried at amortised cost except for investment in mutual funds which are carried at fair value.

The Company classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Transfers between levels of the fair value hierarchy are recognised at the end of the reporting period during which the change occurred.

There were no transfers between level 1, 2 or 3 of the fair value hierarchy during the year.

The valuation techniques used are as follows:

Level 1: Quoted prices (unadjusted) in active markets

The fair value of financial instruments traded in active markets is based on Net Asset Values (NAVs) of the units of the mutual funds at the reporting date. A market is regarded as active when it is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on going basis.

The following table analyses within the fair value hierarchy of the Company's financial assets (by class) measured at fair value at June 30, 2023:

	Carrying Amount	Fair Value	Level 1	Level 2	Level 3
June 30, 2023

### Capital risk management

The primary objective of the Company's capital management is to maintain healthy capital ratios, strong credit ratings and optimal capital structures, in order to ensure ample availability of finance for its existing and potential investment projects, to maximise shareholder value and reduce the cost of capital.

The Company manages its capital structure and makes adjustments to it, in light of changes in its economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

Management foresee that Company is not materially exposed to capital risks as the Company doesn't have any financing arrangements other than fully paid share capital.

### Off-setting of financial assets and liabilities

The Company does not off-set any of its financial assets and liabilities.

# **36 REMUNERATION OF DIRECTORS, CHIEF EXECUTIVE AND EXECUTIVES**
