DIRECTORS' REPORT

The Board of Directors of NBP Fund Management Limited is pleased to present the 13th Annual Report of **NBP Riba** Free Savings Fund (NRFSF) for the year ended June 30, 2023.

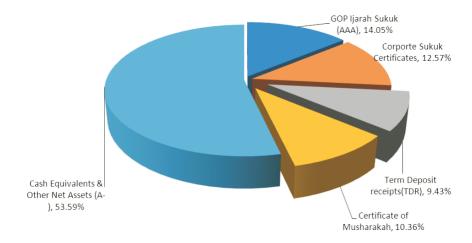

Fund's Performance

During FY23, the State Bank's Monetary Policy Committee (MPC) conducted nine meetings and raised the policy rate by 825 basis points to 22% to anchor inflationary pressures, achieve price stability, ensure economic sustainability, and ease currency pressure, all while taking into account domestic uncertainty and continued stress on the external account. The monthly inflation reached a multi-decade high level of 38% in May 2023, and the outlook is subject to prevailing domestic uncertainty and external vulnerabilities, undermining medium- and short-term growth. Additionally, debt repayments amid lower fresh disbursements and weak investment inflows continue to exert pressure on FX reserves. The net liquid foreign exchange reserves with the State Bank of Pakistan (SBP) were recorded at USD 4.5 billion in June 2023, depleting by USD 5.3 billion during FY23, posing challenges and risks to financial stability and fiscal consolidation.

NRFSF is an Islamic Income Scheme and has been awarded stability rating of 'A+ (f)'by PACRA, which denotes a strong capacity to maintain relative stability in returns and very low exposure to risks. The Fund aims to consistently provide better returns than profit rates offered by Islamic Banks/Islamic windows of commercial banks, while also providing easy liquidity along with a good quality credit profile.

The size of NBP Riba Free Savings Fund has decreased from Rs. 2,793 million to Rs. 1,591 million during the period (a decline of 43%). During the period, the unit price of the Fund has increased from Rs. 8.9964 (Ex-Div) on June 30, 2022 to Rs. 10.3201 on June 30, 2023, thus showing a return of 14.71% as compared to the benchmark return of 6.05% for the same period. The performance of the Fund is net of management fee and all other expenses.

The Fund has earned a total income of Rs. 326.295 million during the year. After deducting total expenses of Rs. 47.736 million, the net income is Rs. 278.559 million. The asset allocation of NRFSF as on June 30, 2023 is as follows:

Income Distribution

The Board of Directors of the Management Company has approved interim cash dividend of 14.12% of the opening ex-NAV (14.50% of the par value) during the year ended June 30, 2023.

Taxation

As the above cash dividend is more than 90% of the income earned during the year, as reduced by accumulated losses and capital gains, whether realized or unrealized, the Fund is not subject to tax under Clause 99 of the Part I of the Second Schedule of the Income Tax Ordinance, 2001.

Auditors

The present auditors, Messrs A.F. Ferguson & Co., Chartered Accountants, retired and, being eligible, offer themselves for re-appointment for the year ending June 30, 2024.

Directors' Statement in Compliance with best practices contained in the Listed Companies (Code of Corporate Governance) Regulations, 2017

- 1. The financial statements, prepared by the management company, present fairly the state of affairs of the Fund, the result of its operations, cash flows and statement of movement in unit holders' funds.

FUND MANAGER REPORT

NBP Riba Free Savings Fund

NBP Riba Free Savings Fund (NRFSF) is an Open-end Shariah Compliant Income Scheme.

Investment Objective of the Fund

The objective of NBP Riba Free Savings Fund is to provide preservation of capital and earn a reasonable rate of return along with a high degree of liquidity by investing in short-term Shariah Compliant banks and money market/debt securities.

Benchmark

6-month average deposit rates of three A rated Islamic Banks/Islamic windows of conventional banks as selected by MUFAP.

Fund Performance Review

This is the 13th Annual report since the launch of the Fund on August 20, 2010. The Fund size has decreased by 43% and stands at Rs. 1.6 billion as of June 30, 2023. The Fund has posted a return of 8.5% p.a. since its inception versus the benchmark return of 5.4% p.a. During FY23, the Fund posted a return of 14.7% as compared to the benchmark return of 6.1%. This translates into outperformance of 8.6% p.a. This outperformance is net of management fee and all other expenses.

NRFSF is an Islamic Income Scheme with no direct or indirect exposure to the stock market. The Fund was awarded A+(f) stability rating by PACRA. The Fund aims to consistently provide better returns than profit rates offered by Islamic Banks/Islamic windows of commercial banks, while also providing easy liquidity along with a good quality credit profile. The maturity of any single instrument except GOP Ijarah Sukuks cannot exceed six months. GOP Ijarah Sukuks are floating rate Shariah-compliant securities with six-monthly coupon resets. This minimizes pricing risk.

During FY23, the State Bank's Monetary Policy Committee (MPC) conducted nine meetings and raised the policy rate by 825 basis points to 22% to anchor inflationary pressures, achieve price stability, ensure economic sustainability, and ease currency pressure, all while taking into account domestic uncertainty and continued stress on the external account. REPORT OF THE SHARI'AH SUPERVISORY BOARD

September 27, 2023/ Rabiul Awwal 10, 1445

Alhamdulillah, the period from July 01, 2022 to June 30, 2023 marks the Thirteenth year of the operations of NBP Riba Free Savings Fund (the "NRFSF" or the "Fund") under management of NBP Funds Management Limited (the "NBP Funds" or the "Management Company").

In the capacity of Shariah Supervisory Board (the "SSB"), we have prescribed specific criteria and procedures to ensure that every investment aligns with Shariah principles and rules.

It is the responsibility of the Management Company of the Fund to establish and maintain a system of internal controls to ensure Shariah compliance with the Shariah principles, policies and guidelines issued by the SSB and Shariah Governance Regulations issued by Securities and Exchange Commission of Pakistan. The prime responsibility for ensuring Shariah compliance of the Fund operations lies with the Board of Directors and Executive Management.

Based on our day to day reviews during the year and subsequent approvals for investments and related activities of the Fund, we hereby confirm that:

- i. The modes of investments, transactions, relevant documentation and procedures adopted have been in accordance with Shariah principles and rules
- ii. The affairs of the Fund have been carried out in accordance with Shariah principles and rules and relevant Shariah opinions and/or guidelines were issued accordingly from time to time

Based on the above facts, SSB is of the opinion that during the year, nothing has come to our attention that causes us to believe that overall operations of the Fund for the year ended June 30, 2023 are not in compliance with the Shariah principles and rules.

May Allah bless us with the best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

INDEPENDENT ASSURANCE REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE SHARIAH PRINCIPLES

Introduction

We were engaged by the Board of Directors of NBP Fund Management Limited (the Management Company) to report on the Management Company's assessment of compliance with the Shariah Principles of NBP Riba Free Savings Fund (the Fund), as set out in the annexed Statement of Compliance with the Shariah Principles (the Statement) prepared by the Management Company for the year ended June 30, 2023, in the form of an independent reasonable assurance conclusion about whether the annexed Statement reflects, in all material respects the status of compliance of the Fund with the Shariah Principles as specified in the Offering Document and the Guidelines issued by the Shariah Advisor (here-in-after referred to as "the Shariah Guidelines") in respect of investments made by the Fund. Our engagement was conducted by a team of assurance practitioners.

Applicable Criteria

The criteria for the assurance engagement against which the annexed Statement has been assessed comprises of the Shariah Principles as specified in the Offering Document and the Guidelines issued by the Shariah Advisor in respect of investments made by the Fund.

Management's Responsibility for Shariah Compliance

The Management Company of the Fund is responsible for preparation of the annexed Statement that is free from material misstatement. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation of the annexed Statement that is free from material misstatement, whether due to fraud or error. It also includes ensuring the overall compliance of the Fund with the Shariah Guidelines.

Our Independence and Quality Control

We have complied with the independence and other ethical requirements of the Code of Ethics for Chartered Accountants issued by the Institute of Chartered Accountants of Pakistan, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

The Firm applies International Standard on Quality Control (ISQC) 1, "Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements" and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Our Responsibility and Summary of Work Performed

Our responsibility is to examine the annexed Statement and to report thereon in the form of an independent reasonable assurance conclusion based on the evidence obtained. We conducted our engagement in accordance with International Standard on Assurance Engagements (ISAE) 3000, "Assurance Engagements Other Than Audits or Reviews of Historical Financial Information", issued by the International Auditing and Assurance Standards Board. That Standard requires that we plan and perform our procedures to obtain reasonable assurance about whether the annexed Statement reflects the status of compliance of the Fund with the Shariah Guidelines issued in respect of investments made by the Fund, in all material respects.

The procedures selected depend on our judgment, including the assessment of the risks of material non-compliances with the Shariah Guidelines, whether due to fraud or error. In making those risk assessments, we have considered internal control relevant to the Fund's compliance with the Shariah Guidelines, in order to design assurance procedures that are appropriate in the circumstances, but not for the purpose of expressing a conclusion as to the effectiveness of the Management Company's internal control over the Fund's compliance with the Shariah Guidelines. A system of internal control, because of its nature, may not prevent or detect all instances of non-compliance with Shariah Guidelines, and consequently cannot provide absolute assurance that the objective of compliance with the Shariah Guidelines, will be met. Also, projection of any evaluation of effectiveness to future periods is subject to the risk that the controls may become inadequate or fail.

The procedures performed primarily comprised the following:

- checking compliance with respect to making investments of the Fund in accordance with Shariah Guidelines;
 and
- checking that the Shariah Advisor has certified that the operations of the Fund and investments made during the year ended June 30, 2023 are in compliance with the Shariah Guidelines.

We believe that the evidences we have obtained through performing our procedures were sufficient and appropriate to provide a basis for our conclusion.

Conclusion

Based on the procedures performed during our reasonable assurance engagement, we report that in our opinion, the annexed Statement, presents fairly, in all material respects, the status of the Fund's compliance with the Shariah Guidelines issued in respect of investments made by the Fund for the year ended June 30, 2023.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of NBP Riba Free Savings Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the annexed financial statements)	
	The bank balances and investments constitute the most significant component of the net asset value (NAV). The bank balances and investments of the Fund as at June 30, 2023 amounted to Rs. 890.564 million and Rs. 738.376 million respectively. The existence of bank balances and the existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: • tested the design and operating effectiveness of the key controls for valuation of investments; • obtained independent confirmations for verifying the existence of the investment portfolio and bank balances as at June 30, 2023 and traced balances in these confirmations with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; • re-performed valuation to assess that investments are carried as per the valuation

S. No.	Key Audit Matter	How	the matter was addressed in our audit
			methodology specified in the accounting policies; and
		•	obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient
 and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting
 from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional
 omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Noman Abbas Sheikh.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 NBP Riba Free Savings Fund (the Fund) was established under a Trust Deed executed between NBP Fund Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) on June 18, 2010, in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules).
- 1.2 During the year ended June 30, 2021 the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund was required to be registered under the Sindh Trust Act. Accordingly, on October 18, 2021, the above-mentioned Trust Deed has been registered under the Sindh Trust Act.
- 1.3 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) through a certificate of registration issued by the Securities and Exchange Commission of Pakistan (the SECP). The registered office of the Management Company is situated at 7th Floor, Clifton Diamond Building, Block 4, Scheme No. 5, Clifton, Karachi. The Management Company is a member of the Mutual Funds Association of Pakistan (MUFAP).
- 1.4 The Fund has been categorised as an open ended Shariah compliant income scheme by the Board of Directors of the Management Company pursuant to the provisions contained in Circular 7 of 2009 issued by Securities and Exchange Commission of Pakistan and is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs. 10 per unit. Thereafter, the units were being offered for public subscription on a continuous basis from August 20, 2010 and are transferable and redeemable by surrendering them to the Fund.
- 1.5 The objective of the Fund is to provide preservation of capital and earn a reasonable rate of return along with a high degree of liquidity by investing in Shariah compliant banks and money market / debt securities.
- 1.6 The Pakistan Credit Rating Agency (PACRA) has reaffirmed an asset manager rating of the Management Company of AM1 on June 22, 2023 (2022: AM1 on June 22, 2022). The rating reflects the Management Company's experienced management team, structured investment process and sound quality of systems and processes. Furthermore, the Pakistan Credit Rating Agency Limited (PACRA) has maintained the stability rating of the Fund to A+(f) on April 14, 2023 (2022: A+(f) on April 19, 2022).
- 1.7 The title to the assets of the Fund is held in the name of Central Depository Company of Pakistan as the Trustee of the Fund.

2. BASIS OF PREPARATION

2.1 Statement of compliance

- **2.1.1** These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:
 - International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
 - Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
 - The Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to the published accounting and reporting standards that are effective in the current year:

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, interpretations and amendments to the published accounting and reporting standards that are not yet effective:

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are, therefore, not disclosed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of these financial statements in conformity with the accounting and reporting standards requires the management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgments and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgments that have a significant effect on these financial statements of the Fund relate to classification and valuation of financial assets (notes 3.2 and 5).

2.5 Basis of measurement

These financial statements have been prepared under the historical cost convention except investments that have been carried at fair values.

2.6 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupees, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented unless otherwise stated.

3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the income statement.

3.2.2 Classification and subsequent measurement

Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognised at FVTPL. The Fund is primarily focused on fair value information and used that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

3.2.3 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

Financial assets 'at fair value through profit or loss'

Basis of valuation of Government securities

The government securities not listed on a stock exchange and traded in the interbank market are valued at the average rates quoted on a widely used electronic quotation system (PKIRSV rates) which are based on the remaining tenure of the securities.

Basis of valuation of debt securities

The fair value of debt securities (other than government securities) is based on the value determined and announced by Mutual Funds association of Pakistan (MUFAP) in accordance with the criteria laid down in Circular No. 1 of 200 and Circular No. 33 of 2012 issued by Securities and Exchange Commission of Pakistan (SECP). In the determination of the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The aforementioned circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

3.2.4 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

3.2.5 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the income statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has been placed on the Management Company's website as required by the SECP's Circular.

3.2.6 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.2.7 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the income statement.

3.3 Financial liabilities

3.3.1 Classification and subsequent measurement

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

3.3.2 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the income statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption application during business hours of that day. The redemption price is equal to the NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Revenue recognition

- Gains / (losses) arising on sale of investments are recorded at the date on which the transaction takes
 place.
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are recorded in the period in which these arise.
- Income from investments in corporate sukuk certificates, government securities, term deposit receipts, Islamic commercial papers, certificates of musharakah and bai muajjal receivable is recognised on an accrual basis using effective profit rate method.
- Profit on bank balances is recognised on an accrual basis.

3.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the income statement on an accrual basis.

3.12 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of 5 years in accordance with the requirements set out in the Trust Deed of the Fund.

3.13 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistan Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the income statement.

3.14 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by accumulated losses and capital gains, whether realised or unrealised, is distributed to the unit holders in cash. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.15 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) of the year before taxation of the Fund by the weighted average number of units outstanding during the year. The determination of earning per unit is not practicable as disclosed in note 17.

8.1 As per regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 6% (2022: 6%) on net income, subject to floor and capping of 0.5% (2022: 0.5%) and 1.25% (2022: 1.25%) per annum of the average annual net assets.

The remuneration is payable to the Management Company in arrears.

- During the year, an amount of Rs. 2.349 million (2022: Rs. 2.525 million) was charged on account of sales tax 8.2 on management fee levied through the Sindh Sales tax on Services Act, 2011 at the rate of 13% (2022: 13%).
- 8.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration and sale load were already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan (SCP) which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period till June 30, 2016 amounting to Rs. 10.657 million (2022: Rs. 10.657 million) is being retained in these financial statements of the Fund as the matter is pending before the SHC. Had the provision for FED not been made, the net asset value per unit of the Fund as at June 30, 2023 would have been higher by Re. 0.0691 (2022: Re. 0.0392) per unit.

8.4 In accordance with Regulation 60 of the NBFC Regulations, an asset management company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). The Management Company based on its discretion has charged accounting and operational charges at the following rates:

2023		2022
Rate applicable from July 1, 2022	Rate applicable from March 16,	Rate applicable from July 1, 2022

8.5 In accordance with circular 11 dated July 5, 2019 issued by the SECP with respect to charging selling and marketing expenses, the Management Company based on its own discretion has charged selling and marketing expenses at the following rates:

16 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of the accounting income for the year as reduced by accumulated losses and capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90 percent of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the management has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2023 to the unit holders in the manner as explained above, therefore, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

17 EARNINGS PER UNIT

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

18 TOTAL EXPENSE RATIO

The annualised total expense ratio (TER) of the Fund as at June 30, 2023 is 2.30% (2022: 1.80%) which includes 0.14% (2022: 0.10%) representing government levies and the SECP fee. The TER excluding government levies is 2.16% (2022: 1.70%) which is within the prescribed limit for the ratio is 2.5% (2022: 2.5%) (excluding government levies) under the NBFC Regulations for a collective investment scheme categorised as Shariah compliant income scheme.

21 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

21.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: yield / profit rate risk, currency risk, and price risk.

(i) Profit rate risk

Yield / profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. As of June 30, 2023, the Fund is exposed to such risk on its bank balances and investments in government securities and corporate sukuk certificates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds bank balances, certificates of musharakah, corporate sukuks certificates and government securities which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 14.62 million (2022: Rs. 27.83 million).

b) Sensitivity analysis for fixed rate instruments

Presently, the Fund holds term deposit receipts which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 1.50 million (2022: Nil).

The composition of the Fund's investment portfolio and KIBOR rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's yield / profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

			2023

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market respectively.

21.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed of and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement subject to the maximum limit which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial liabilities. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the liabilities that are payable on demand have been included in the maturity grouping of one month:

21.3 Credit risk

21.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

	202	3	2022		
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk

% of financial assets exposed

The maximum exposure to credit risk before any credit enhancement as at June 30, 2023 is the carrying amount of the financial assets. Investment in government securities and its accrued profit, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

21.3.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks, profit accrued thereon, and investments. The credit rating profile of bank balances and profit accrued thereon and investments are as follows:

	% of financial assets expose

22 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing at the reporting date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023 and June 30, 2022, the Fund held the following financial instruments measured at fair value:

	2023					
	Level 1	Level 2	Level 3	Total

	-	898,769	-	898,769		

^{*} The carrying value of these securities approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

23 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' Fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the statement of movement in unit holders' fund.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 21, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

^{**} The valuation of Islamic commercial papers, certificates of musharakah and corporate sukuk certificates was done based on amortisation to their fair values as per the guidelines given in Circular 33 of 2012 by the SECP as the residual maturities of these investments were less than six months and were placed with counterparties which have high credit rating.
