Mission

SLCL is committed to make a positive contribution towards the country's economy by achieving a leading position in the leasing industry.

SLCL intends to achieve its mission by:

- Enhancing value for its shareholders and lenders.
- Providing efficient and professional services to its customers based on the latest technology.
- Developing an efficient and professionally trained human resource.
- Following good and ethical business practices.

<u>Vision</u>

- SLCL has an infrastructure which can cater to substantial business as such SLCL is well poised to avail opportunities which will be available due to an upsurge in the economy.
- The future of the leasing sector is linked to the macro-economic performance of the country's economy. New projects and Investment in Balancing, Modernization & Replacement (BMR) tender more opportunities to generate more business for the leasing sector.

Business Strategy

The objective of the Company is to contribute towards the economic development of the country, while maintaining the progressive growth rate of the Company, by providing lease financing to small and medium sized business enterprises and individuals in the most efficient and effective manner.

The business strategy of the Company is based on the following:

1. Enhancing value for its shareholders and lenders

By investing into a diversified lease portfolio, the Company substantially reduces the risk of potential losses, which in turn promises to shield the shareholders equity and further increase the value of the stakeholders' interests. The Company's Earning Per Share reflects that the Company has not only safeguarded the stakeholders' interests efficiently but has also been successfully able to increase the value of their interests.

2. Providing efficient and professional services to its customers

SLCL is known for its quality service. The main objective of the organization is providing high quality services at economical prices. It has been the company's policy to give a wide variety of options to its customers, in order to facilitate their individual requirements.

3. Developing an efficient and professionally trained human resource

The management philosophy of the Company is to develop and maintain a professional organization with a blend of local culture and management style. The professional staff has been hired on the basis of merit from various business organizations.

4. Following Shariah injunctions for financing activities

The Company is committed towards continued improvement and diversification in its lease portfolio. By adopting an Islamic approach to leasing, the company will be able to improve its image as well as provide innovative ways in leasing to its customers.

REPORT OF THE DIRECTORS

Your directors are pleased to present the Annual Report of the company including Financial Statement and the Audit Report for the year ended June 30, 2023.

OVERVIEW OF COUNTRY'S ECONOMY

During the outgoing fiscal year 2022-23 Pakistan has faced unprecedented challenges due to devastating floods, and political uncertainty. In addition, severely disrupted the global demand-supply balance which led to a commodity super-cycle resulting in slow down of the global economic growth to 2.8 percent in the current year from 6.2 percent in 2021. Above all, the poor economic management led the country to a near-default situation. Inconsistent policies, unsustainable fiscal deficit, the exponential rise in public debt, economic uncertainties, and mounting circular debt have been the main ingredients of low growth rate. The country's weak economic fundamentals has had a pessimistic impact on the local economy.

COMPANY'S OVERVIEW

The following is a summary of the company's attainments during the year under review in the matter of creditors', indebtedness, its equity and profitability etc.

		30 June 2022 Rs.	30 June 2023 Rs.
•	Equity	50,960,514	29,920,927
•	Profitability	(8,748,878)	(21,039,587)
•	Company's indebtedness to Institutional creditors	383,178,998	383,178,998

The Board of Directors observed that during the year 2022-23 the country is facing serious challenges on account of numerous factors such as current political situation and inflation which negatively effects on businesses with regard to profitability, liquidity and the time that the business sector would require to recover from its multiple negative effects therefore the overall impact of the above factors on the Company's financial position and its financial performance cannot be predicted at this stage with reasonable certainty

The Board of Directors is working on different aspects to revive the company through fresh investment or merger and very hopeful that in coming year will reach some suitable arrangement in favour of the company.

The financial results of the Company are summarized below:

	2022	2023
	Rupees	Rupees
Profit\(Loss)		
after tax	(8,748,878)	(21,039,587)
Loss per share - Basic & diluted	(0.24)	(0.58)

Appropriations:

Transfer to statutory reserves

SHARE CAPITAL & LICENSING

As indicated above against the minimum equity of Rs.50 million prescribed by the Securities & Exchange Commission of Pakistan (SECP) the company's equity as of 30th June 2023 stood at Rs.29.92 million.

CORPORATE SOCIAL RESPONSIBILITY

In the past your company has taken pride in demonstrating responsible corporate citizen by participating directly and indirectly in various social causes. During earthquake, floods or other natural calamities, the Company directly or by the voluntary help of its staff supported work for the betterment of the underprivileged and people in need with cash and in kind.

BUSINESS ETHICS

The Code of conduct of the Company provides a clear guiding framework for the Directors as well as the employees to operate in the environment of integrity, honesty and dedication towards the common goal of achieving positive results for the Company and its various stakeholders.

DIRECTORS' DECLARATION

The Directors have implemented the revised Code of Corporate Governance and are pleased to report as under:

- The financial statements of the company prepared by the management presents fairly its state of affairs, the results of its operations, cash flows and changes in equity.
- Proper books of accounts of the Company have been maintained.
- Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Financial Reporting Standards as applicable in Pakistan have been followed
 in the preparation of financial statements and any departure there from has been
 adequately disclosed.
- The system of internal control is sound in design and has been effectively implemented and monitored.
- Key operating and financial data for the last six years in summarized form is given as annexure to this report.
- No trading in shares of the Company was carried out by the Directors, Executives and their spouses and minor children during the year.
- During the year 4meetings of the Board of Directors and 4meetings of the Audit Committee were held. The detail of attendance of each member of the Board is given below:

Code of Conduct

The Code of Conduct of Security Leasing Corporation Limited (SLC) reflects our standard for proper behavior and corporate values. It is a fundamental policy of the Company to conduct its business with honesty, integrity and in accordance with the highest professional, ethical and legal standards. This Code of Conduct applies to all the people relating to SLC including Directors, Officers and Employees.

The Code fosters the culture that each member of the Board and staff is responsible to reflect integrity and leadership with the provisions of the Mission, Vision, Company policies and all applicable statutory guidelines for the Company.

It encourages the employees to work proficiently with due diligence in following the internal policies of the Company for dealing with each other, customers and all third parties related directly or indirectly with the Company.

The Salient features of the Code are explained below:

1. Conflict of Interest

Each Director and employee should exercise its judgment in order to avoid association with any other activity, person or company that conflicts with or appear to conflict with the best interests of the Company. Any situation which may involve a conflict of interest or reasonably expected to involve such conflict should be disclosed promptly.

2. Protection of the Proprietary information

All the trade secrets, other proprietary information and business data of the Company are valuable assets. All the Directors and employees who are entrusted with such information are responsible to properly safeguard and do not disclose such information, data and knowledge to any person except such information which is made public in compliance with statutory requirement by the Company or is given proper authority in writing to disclose such information for any specific purpose.

3. Honesty, integrity and ethical standards

All Directors and employees must act honestly, fairly and exhibit highest level of integrity and ethical standards in dealing with all the stakeholders of the Company. Employees must deal ethically with all the customers, suppliers and other parties with fair consideration and without any personal favour. During the course of any business interaction, the employees should ensure that SLC name, integrity and reputation should not be damaged if such interaction becomes public in any manner.

4. Political contribution

No funds or assets of the Company may be contributed to any political party or organization or any person who holds an office of public importance.

5. Bribes

No amount may be paid or received in cash or in kind on account of bribes or for any such matter which helps in influencing any decision relating to the Company interests or compromise independent judgment to government staff or customer.

Code of Conduct

6. Compliance with laws and regulations

All Directors and employees must ensure to comply with all the laws, guidelines, regulations and directives as issued by Securities & Exchange Commission of Pakistan, Stock Exchanges and other bodies relating to the Company.

7. Charity and voluntary work

The Company encourages the culture of mutual help, assistance, charity and voluntary work in time of need of any person or community. All Directors and employees are encouraged to participate in such activities of national calamity like floods, earthquake or other social work.

8. Communication and disclosure

The Directors should take steps to ensure that employees are encouraged to communicate with their seniors or any other appropriate person in regard to ethical practices or when in doubt about a course of action in any particular situation. Employees must be encouraged to report violation of rules, regulations, laws or internal policies of the Company without any fear of retaliation or retribution.

9. Family connections and employment of relatives

Any dealing with any customer or third party or organization where the employee has a direct or indirect or family connection must be promptly disclosed to the Company.

10. General Discipline

No assets of the Company or belongings of the employees should be used without specific permission. All employees must adhere to the Services' Rules of the Company.

INDEPENDENT AUDITORS' REVIEW REPORT

To the members of M/s. Security Leasing Corporation Limited

Review report on the statement of compliance contained in the Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (here-in-after referred to as 'the Regulations'), prepared by the Board of Directors of Security Leasing Corporation Limited (the Company) for the year ended 30 June 2023 in accordance with the requirements of the Regulation 36 of the Listed Companies (Code of Corporate Governance) Regulations, 2019.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's Compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Following instances of non-compliance with the requirement of the Regulations were observed which are not stated/ not appropriately stated in the Statement of Compliance:

- The company is non-compliant with section 31 of regulation regarding the appointment head of internal audit.
- ii) The company is non-compliant with requirement relating to casual vacancy to be filled within 30 days of the date it arises i.e. September 29, 2022. The Board has been operating at below the minimum requirement since then.

Further, we highlight below instances of non-compliance with the requirements of the Regulations as reflected in the paragraph reference where these are stated in the statement of Compliance:

Reference#	Description
9	The board has not made arrangement to carry out orientation courses on code of corporate governance furthermore (the directors excluding exempted directors) have not acquired the mandatory certification of director training program form the institute specified by the Securities and Exchange Commission of Pakistan (SECP).
10	As per regulation #24 of Listed Companies (Code of corporate Governance) Regulation 2019, the same person shall not simultaneously hold the office of company secretary and Chief Financial Officer. However as noted in clause 10 of the statement of compliance currently these position are held by the same person (i.e. Mr. Muhammad Faroog).

Based on our review, except for the matters stated above nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2023.

INDEPENDENT AUDITOR'S REPORT

Phone +92 21 34322551-3 Web www.uhy-hnco.com

To the members of SECURITY LEASING CORPORATION LIMITED

Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the annexed financial statements of Security Leasing Corporation Limited (the Company), which comprise the statement of financial position as at June 30, 2023, and the statement of profit or loss. Statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters described in Basis for Adverse opinion section, the statement of financial position, the statement of profit or loss, statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof do not conform with the accounting and reporting standards as applicable in Pakistan and do not give the information required by the Companies Act, 2017, in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs as at June 30, 2023 and of the loss and other comprehensive Income, the changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

i. As disclosed in the note 13 to the financial statements, the company has recorded deferred tax asset amounting to Rs. 334 million (2022: Rs. 334 million) based on future plans which projects that future taxable profits would be available against which such deferred tax asset could be utilized. However in our opinion there is no sufficient appropriate audit evidence that the managements plans are feasible and ultimate outcome will improve the company's situation as discussed in below paragraph of material uncertainty relating to going concern, therefore sufficient future profits will not be available against which deferred tax asset could be utilized. In our view deferred tax asset should be derecognized. Had the deferred tax asset been derecognized, deferred tax asset, equity would have been lower by Rs. 334 million whereas loss for the year would have been increased by Rs. 334 million.

Further there is no movement in amount of deferred tax assets reported in financial statements of the company since 2018 and we could not be able to verify the amount of deferred tax debits from supporting documents.

ii. As disclosed in the note of 16 to the financial statements, the company has defaulted in making repayment of long term borrowings from various financial institutions. The lenders filed various litigations against the company for recovery of principal and markup/cost of fund. The company has also not recorded markup/cost of fund against these financial facilities. We were unable to quantify the amount of cost of fund that should have been recorded in financial statements for the year ended 30 June 2023.

- iii. The company has recorded short term loan receivable amounting to Rs. 54 million due from First Pakistan Security Limited. As per time based criteria mentioned in Schedule X of the NBFC prudential regulation, the receivable required to be fully provided. Although the management has initiated a suit for the recovery of the said amount however we are unable to satisfy ourself on the recoverability of the said amount because of the absence of sufficient and appropriate audit evidence, Hence on the adequacy of the provision is required. Had the provision been made, the short term loan and equity have been decreased and loss for the year would have been increased by Rs. 54 million.
- iv. As described in Note 1.1 to the financial statements the company has prepared financial statements on going concern basis. However the company's losses have been accumulated to Rs. 610.97 million as at June 30, 2023 (2022: 589.93 million). Further the operating cash flows of the company are also negative since 2012 and the company was unable to meet its financial obligations. These circumstances and cancellation of business license since 2018, of company indicate that material uncertainty relating to going concern exists that casts significant doubt on company's ability to continue as going concern and therefore company may be unable to realize its assets and discharge its liabilities in the normal course of business.

These conditions lead us to believe that the going concern assumption used in preparation of these financial statements is inappropriate, consequently the assets and liabilities should have been stated at their realizable and settlement amounts respectively.

Key Audit Matter

Except for the matters described in the basis for the adverse opinion section, we have determined that there are no other key matters to communicate in our report.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan ("the Code") and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirement of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enables the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events in a
 manner that achieves fair presentation.

We communicate with the owner of the entity regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) No zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

Other Matter

The financial statements of Security Leasing Corporation Limited for the year ended June 30, 2022, were audited by another auditor who expressed adverse opinion on those statements on October 06, 2022.

The engagement partner on the audit resulting in this independent auditor's report is Arslan Ahmed.

Chief Financial Officer

SECURITY LEASING CORPORATION LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Security Leasing Corporation Limited ("the Company") was incorporated in Pakistan on December 6, 1993 under the repealed Companies Ordinance 1984 and is listed on Pakistan Stock Exchange Limited and commenced its operations on May 21, 1995. The Company is a Non-Banking Finance Company (NBFC) under Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and engaged in the business of leasing.

The registered office of the Company is situated at Block B, 5th Floor, Lakson Square Building No.3, Sarwar Shaheed Road, Karachi, Pakistan. The Company is listed on Pakistan Stock Exchange.

1.2 Since the start of the financial and economic crisis in Pakistan in October 2008, the financing facilities of the Company were abruptly withdrawn by the banks which resulted in reduction of portfolio of leasing and other finances. The private sector especially NBFCs could not attract any funding in form of either equity or financing facility due to crowding out by high fiscal borrowings of government in the preceding years. The Company was feeling extraordinary pressure on its repayment capacity due to constant reduction of portfolio and absence of sizeable fresh business. Therefore, the Company negotiated on different occasion with its lenders of long and short term financial liabilities.

Mitigating Factors

The main objective of requesting the lenders for full and final settlements of financial liabilities was to increase cash flows and equity of the Company. In addition to these measures, the Company is also taking drastic steps to reduce the administrative costs. These measures will help operationally for the Company as a going concern entity.

The Management is hopeful that settlement with lenders will assist in reducing losses and improving the equity of the Company. This will make the company attractive for equity participation/merger /acquisition to inject additional equity.

The Company is making efforts to improve equity level through bringing fresh equity . In this regard some positive progress has been made.

The company is constantly looking for options to increase the equity levels by soliciting investor for cash and in kind equity investment. The Board and its management are hopeful that these measures would bring stability to the Company and results would start to improve in the coming periods.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the approved accounting standards, as applicable in Pakistan and the requirements of the Companies Act, 2017 (Act), the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations). Approved accounting standards comprise such International Financial Reporting Standard (IFRS) issued by International Accounting Standard Board (IASB) as are notified under the provisions of the Companies Act, 2017, provisions of and directives issued under the Companies Act, 2017. Wherever, the requirements of the Act, the Rules and the Regulations differ with the requirements of IFRS, the requirements of the Act, the Rules or the Regulations shall prevail.

2.2 Basis of measurement

These financial statements have been prepared under historical cost convention except for financial assets and financial liabilities which have been stated at their fair values, cost or amortized cost.

The financial statements have been prepared following the accrual basis of accounting except for the cash flow information.

33

2.3 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. The financial statements are presented in Pakistani Rupees, which is the Company's functional and presentation currency.

2.4 Use of estimates and judgements

The preparation of financial statements in conformity with approved accounting standards as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which forms the basis of making judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in period of revision and future periods if the revision affects both current and future periods.

Significant accounting estimates and areas where judgements were made by the management in the application of accounting policies are discussed below:

- Future financial projections and going concern assumptions;
- Classification of investments and impairment thereon;
- Residual values and useful lives of property, plant, equipment and investment properties;
- Revaluation of property, plant and equipment;
- Recognition and measurement of current and deferred taxes;
- Measurement the present value of defined benefit obligation and the fair value of plan assets;
- Allowance for potential lease, loan losses and other receivables; and
- Classification of investment in leases

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS TO PUBLISHED APPROVED ACCOUNTING STANDARDS

3.1 Standards, interpretations and amendments to approved accounting standards that are not yet effective

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard or Interpretation	Effective date (Annual periods beginning on or after)
- IFRS 3 - Revised conceptual framework (Amendments)	January 01, 2022
- IFRS 9 - Financial Instruments: Classification and Measurement	January 01, 2022
- IAS 16 - Property, plant and equipments: Proceeds before intended use	
	January 01, 2022
- IAS 37 - Onerous contracts: cost of fulfilling a contract	January 01, 2022
- IAS 1 - Classification of liabilities as current or non-current	
(Amendments)	January 01, 2023
- IAS 1 - Disclosure of accounting policies (Amendments)	January 01, 2023
- IAS 8 - Definition of accounting estimates (Amendments)	January 01, 2023
 IAS 12 - Deferred tax related to assets and liabilities arising from a single transaction (Amendments) 	January 01, 2023

The above standards and amendments are not expected to have any material impact on the Company's financial statements in the period of initial application.

3.2 Standards, amendments to approved accounting standards and interpretations that are not yet effective and have not been early adopted by the Company

The following new standards, amendments to published standards and interpretations would be effective from dates mentioned below against the repsectivr standard or interpretation.

Standard or Interpretation	Effective date (Annual periods beginning on or after)
IAS 1 - Classification of liabilities as current or non-current (Amendments)	January 01, 2023
IAS 1 - Disclosure of accounting policies (Amendments)	January 01, 2023
IAS 8 - Definition of accounting estimates (Amendments)	January 01, 2023
IAS 12 - Deferred tax related to assets and liabilities arising from a single transaction (Amendments)	January 01, 2023

There are number of other standards, amendments and interpretations would be effective from the dates mentioned below against the respective standard or interpretation.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These accounting policies have been applied consistently to all years presented.

4.1 Cash and cash equivalent

Cash and cash equivalents comprise of cash balances and bank deposits. For the purpose of the statement of cash flows, cash and cash equivalents comprise of cash in hand and balances with banks in current and saving accounts.

4.2 Financial Assets

The Company recognizes a financial asset when and only when it becomes a party to the contractual provisions of the instrument evidencing investment. The Company classifies its financial assets into either of following three categories:

Financial assets measured at amortized cost

A financial asset is measured at amortized cost if it is held within business model whose objective is to hold assets to collect contractual cash flows, and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding. Such financial assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition or issue thereof.

Financial assets measured at fair value through Other Comprehensive Income (FVTOCI)

A financial asset is classified as at fair value through other comprehensive income when either:

- a) It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding; or
- b) It is an investment in equity instrument which is designated as at fair value through other comprehensive income in accordance with the irrevocable election available to the Company at initial recognition.
- c) Such financial assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition or issue thereof.

Financial assets measured at fair value through Profit or loss (FVTPL)

Financial assets that do not meet the criteria for being measured at amortized cost or FVTOCI are measured at fair value through the statement of profit or loss (FVTPL). Specifically:

- Investments in equity instruments are classified as at FVTPL, unless the Company designates an equity investment that is neither held for trading nor a contingent consideration arising from a business combination as at FVTOCI on initial recognition.
- Debt instruments that do not meet the amortized cost criteria or the FVTOCI criteria are classified as at FVTPL. In addition, debt instruments that meet either the amortized cost criteria or the FVTOCI criteria may be designated as at FVTPL upon initial recognition. If such designation eliminates or significantly reduces a measurement or recognition inconsistency (so called 'accounting mismatch') that would arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases. The Company has not designated any debt instruments as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any fair value gains or losses recognized in the statement of profit or loss.

4.2.1 Subsequent measurement

Financial assets measured at amortized cost

These assets are subsequently measured at amortized cost (determined using the effective interest method) less accumulated impairment losses.

"Interest / markup income, foreign exchange gains and losses and impairment losses arising from such financial assets are recognized in profit or loss

Financial assets measured at fair value through Other Comprehensive Income (FVTOCI)

These are subsequently measured at fair value less accumulated impairment losses.

A gain or loss on a financial asset measured at fair value through other comprehensive income in accordance is recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains and losses, until the financial asset is derecognized or reclassified. When the financial asset is derecognized the cumulative gain or loss previously recognized in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment (except for investments in equity instruments which are designated as at fair value through other comprehensive income in whose case the cumulative gain or loss previously recognized in other comprehensive income is not so reclassified). Interest is calculated using the effective interest method and is recognized in profit or loss.

Financial assets measured at fair value through Profit or loss (FVTPL)

These assets are subsequently measured at fair value.

Net gains or losses arising from remeasurement of such financial assets as well as any interest income accruing thereon are recognized in profit or loss.

4.2.2 De-recognition

Financial assets are derecognized when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership.

The Company directly reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering the financial asset in its entirety or a portion thereof. A write-off constitutes a derecognition event.

4.3 Leases

Net investment in finance lease

Leases where the Company transfers substantially all the risks and rewards incidental to ownership of the leased assets to the lessees, are classified as finance leases.

The leased asset is derecognized and the present value of the lease receivable (net of initial direct costs for negotiating and arranging the lease) is recognized on the statement of financial position. The difference between the gross lease receivables and the present value of the lease receivables is recognized as unearned finance income.

A receivable is recognized at an amount equal to the present value of the minimum lease payments under the lease agreements, including guaranteed residual value, if any.

Each lease payment received is applied against the gross investment in the finance lease receivable to reduce both the principal and the unearned finance income. The finance income is recognized in the statement of profit or loss on a basis that reflects a constant periodic rate of return on the net investment in the finance lease receivables.

Initial direct costs incurred by the Company in negotiating and arranging finance leases are added to finance lease receivables and are recognized as an expense in the statement of profit or loss over the lease term on the same basis as the finance lease income.

4.4 Provision against non-performing exposures

Calculating the provision for net investment in finance lease losses and provision for terminated leases is subject to numerous judgments and estimates. In evaluating the adequacy of provision, management considers various factors, including the requirements of the NBFC Regulations, the nature and characteristics of the obligor, current economic conditions, credit concentrations, historical loss experience and delinquencies. Lease receivables are charged off, when in the opinion of management, the likelihood of any future collection is believed to be minimal.

4.5 Investment properties

Investment properties are accounted for under cost model and are stated at cost less accumulated depreciation and impairment losses, if any. Depreciation is charged to profit or loss by applying the straight line method at the rate 2.5% per annum after taking into account residual value, if any. Depreciation on additions is charged from the date of addition till the date the investment properties are disposed off. The residual values, useful lives and depreciation methods are reviewed and adjusted, if appropriate, at each reporting date.

Gains or losses on sale of investment properties are charged to profit or loss in the period in which they arise.

4.6 Intangible assets

These are stated at cost less accumulated amortization and impairment losses, if any. Amortization is charged to profit or loss using the straight line method in accordance with the rates specified in the financial statements. Amortization is charged when an asset is made available for use until the date the asset is disposed off. The residual values, useful life and amortization methods are reviewed at each reporting date and adjusted, if deemed appropriate. Gain and losses on disposal of such assets, if any, are included in profit or loss.

4.7 Long term loans and finances

These are initially recognized at cost being the fair value of the consideration received together with the associated transaction cost. Subsequently, these are stated at amortized cost using the effective interest method.

4.8 Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market other than (a) those that the Company intends to sell immediately or in the near term, which shall be classified as held-for-trading, and those that the Company upon initial recognition designates as at fair value through profit or loss account; (b) those that the Company upon initial recognition designates as available-for-sale; or (c) those for which the Company may not recover substantially all of its initial investment, other than because of credit deterioration, which shall be classified as available for sale.

Subsequent to initial measurement loans and receivables are measured at amortized cost using the effective interest method. Gains/Losses arising on remeasurement of loans and receivables are taken to the profit and loss account.

Gain or loss is also recognized in profit and loss account when loans and receivables are derecognized or impaired, and through the amortization process.

4.9 Property and equipment

Owned

Initial recognition

An item of Property and equipment is initially recognized at cost which is equal to the fair value of consideration paid at the time of acquisition or construction of asset.

Measurement subsequent to initial recognition

Carried at cost model

Property and equipment are carried at cost less accumulated depreciation less accumulated impairment loss.

Depreciation

All items of property and equipment are depreciated on a straight line basis at the rates as specified in note 11 of the financial statements, which will write off their cost or revalued amount over their expected useful lifes. The estimated useful lives, residual values and depreciation methods are reviewed and adjusted, if appropriate at each reporting date.

Depreciation on additions is charged from the month of acquisition. No depreciation is charged in the month of disposal

Subsequent expenditure relating to an item of property and equipment is capitalized to the initial cost of the item when the expenditure meets the recognition criteria. All other subsequent expenditure is expensed in the period in which it is incurred.

Profit and loss on disposal of property and equipment is included in income accordingly.

4.10 Financial liabilities

"Financial liabilities are classified as measured at amortized cost or 'at fair value through profit or loss' (FVTPL). A financial liability is classified as at FVTPL if it is classified as held for trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in the statement of profit or loss

Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in the statement of profit or loss. Any gain or loss on de-recognition is also recognized in the statement of profit or loss.

Financial liabilities are derecognized when the contractual obligations are discharged or cancelled or have expired or when the financial liability's cash flows have been substantially modified.

4.11 Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position only when there is a legally enforceable right to set off the recognized amounts and the Company intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously

4.12 Foreign currency translation

Transactions in foreign currencies are accounted for in rupees at the rate of exchange prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies as at the balance sheet date are expressed in rupees at rates of exchange prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transactions. Exchange gains and losses are included in income currently.

4.13 Related parties transactions

All transactions with related parties, if any, are recorded at an arm's length price except as defined in note- 31

4.14 Provisions and contingencies

A Provision is recognized in the statement of financial position when the Company has a legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are not recognized for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

As the actual outflows can differ from estimates made for provisions due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are reviewed at each reporting date and adjusted to take account of such changes. Any adjustments to the amount of previously recognized provision is recognized in the statement of profit or loss unless the provision was originally recognized as part of cost of an asset.

Contingent liabilities

A contingent liability is disclosed when the Company has a possible obligation as a result of past events, whose existence will be confirmed only by the occurrence or non-occurrence, of one or more uncertain future events not wholly within the control of the Company; or the Company has a present legal or constructive obligation that arises from past events, but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability.

4.15 Revenue recognition

Finance lease income

The Company follows the finance lease method in accounting for the recognition of lease income. Under this method, the unearned lease income i.e. the excess of gross lease rentals and the estimated residual value over the cost of the leased assets is deferred and taken to income over the term of the lease contract, so as to produce a systematic return on the net investment in finance lease. Revenue recognition from finance leases is suspended when rent is past due by ninety days or more in accordance with the requirements of the NBFC Regulations.

Processing, front-end and commitment fee and commission are recognized as income when such services are provided.

Gain on termination of lease contracts and late payment charges are recognized as income when realized.

Operating lease income

Rental income from assets given under operating leases is recognized on an accrual basis.

Other Income

Income on term loans

Income on term loans is recognized using effective yield on a time proportionate basis. However, income on non-performing loan receivables is recognized on receipt basis in accordance with the requirements of the NBFC Regulations, 2008.

Mark-up / return on investments

Mark-up income on debt securities is recognized on time proportion basis using the effective yield on instruments.

Dividend income

Dividend income from investments is recognized when the Company's right to receive dividend is established.

Interest income on bank deposits

Interest income on bank deposits is recognized on time proportion basis using the effective interest method

4.16 Taxation

Income tax comprises current and deferred tax. Income tax expense is recognized in profit or loss account except to the extent that it relates to items recognized directly in equity or other comprehensive income, in which case, it is recognized in equity or other comprehensive income.

Current

Provision for current taxation is based on taxable income at the current rates of taxation after taking into account available tax credits, rebates and tax losses, or minimum tax, whichever is higher. The charge for the current tax is calculated using tax rates enacted or substantively enacted at the reporting date. The charge for current tax also includes adjustments, where considered necessary, relating to prior years.

Deferred

Deferred tax is recognized using the balance sheet liability method on all temporary differences between the carrying amount of assets and liabilities used for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognized only to the extent that the entity has sufficient taxable temporary differences or their is convincing other evidence that the sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilized by the entity. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Dividend distribution

Dividend distribution to the Company's shareholders is recognized as a liability in the financial statements for the period in which the dividend is approved by the shareholders.

4.17 Segmental reporting

A business segment is a distinguishable component of the Company that is engaged in providing an individual product or service or a group of related products or services and that is subject to risk and returns that are different from those of other business segments. As the risk and rate of return are predominantly affected by difference in these products or services, the primary format for reporting segment information is based on business segment.

4.18 Discontinued operations

A discontinued operation is a component of the Company's business that represents a separate major line of business or geographical area of operations that has been disposed of or is held for sale. Classification as a discontinued operation occurs on disposal or when the operation meets the criteria to be classified as held for sale, if earlier. When an operation is classified as a discontinued operation, the comparative profit and loss account is restated as if the operation had been discontinued from the start of the comparative period.

Non-current (or disposal groups comprising assets and liabilities) that are expected to be recovered primarily through sale rather than through continuing use are classified as held for sale. Immediately before classification as held for sale, the assets (or components of a disposal group) are remeasured in accordance with the Company's accounting policies. Thereafter generally the assets (or disposal group) are measured at the lower of their carrying amount and fair value less cost to sell. Impairment losses on initial classification as held for sale and subsequent gains or losses on remeasurement are recognized in profit or loss. Gains are not recognized in excess of any cumulative impairment loss.

18.3 Capital management policies and procedures

The Company's objective for managing capital is to safeguard its ability to continue as a going concern in order to continue providing returns to its shareholders. Further, the Company ensures to comply with all the regulatory requirements regarding capital and its management. Capital requirements applicable to the Company are set and regulated by the Securities and Exchange Commission of Pakistan (SECP). These requirements are put in place to ensure sufficient solvency margins. The Company manages its capital requirement by assessing its capital structure against the required capital level on a regular basis.

21 CONTINGENCIES AND COMMITMENTS

21.1 Contingencies

The Company is defending suit 224 filed against it by Bank of Punjab in banking court No. V at saddar Karachi. The Banking Court had decreed in favour of plaintiff through execution No. 13 of 2022, The company (Security Leasing corporation Limited) has filed first appeal No. 8/2022 against the said decision. The case is pending for adjudcation before the Honourable High Court.

In the year 2016, M/s. Bank of Khyber filed, before the Honourable High Court of Sindh, a recovery suit against the Company for outstanding principal of Rs. 97,012,000/- in respect of finance facility. However, since the case is yet pending for adjudication before the Honourable High Court and because no reasonable estimation can be made of the cost of funds so claimed by Bank of Khyber, no provision thereof has been recognized in these financial statements.

21.2 Commitments

There were no commitments at the end of June 30, 2023 (2022: Nil).

	Cash and Bank balances	Rupees	3
	Cash and Dank Dalances	2,064,959	332,114

28 SEGMENT INFORMATION

The primary sources of revenue segments are Finance Lease, Musharika business and Capital Market Operations based on the nature of business and related risk associated with each type of business segment. Other operations, which are not deemed by the management to be sufficiently significant to disclose as separate items are reported under Others.

Segment assets and liabilities included all assets and liabilities related to the segment and relevant proportion of the assets and liabilities allocated to the segment on reasonable basis.

Segment revenue and expenses included all revenue and expenses related to the segment and relevant proportion of the revenue and expenses allocated to the segment on reasonable basis.

The Company is primarily exposed to credit risk, liquidity risk and market risk. The Company has designed and implemented a framework of controls to identify, monitor and manage these risks as follows:

29 Credit risk

Credit risk is the risk that one party to financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. Concentration of credit risk arises when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly effected by changes in economics, political and other conditions. Concentration of credit risk indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

The Company manages its credit risk by monitoring credit exposure, limiting transaction with specific counter party and continually assessing the credit worthiness of counter parties. Management considers that all the financial assets that are neither past due nor impaired are of good credit quality. The maximum exposure of the Company to credit risk at reporting date without taking account any collateral held or other credit enhancements is as follows:

Classes of financial assets - carrying value		2023	2022
Cash and cash equivalent	Note	Rupe	es
Cash and bank balances Loans and receivables	5	2,064,959	332,114
Short term loan Long-term deposits	7	54,000,000	54,000,000
Net investment in finance leases	9	494,500 97,060,062	494,500 166,350,452
The credit risk to cash and cash equivalent is negligib	le since the so	153,619,521	221,177,066

- 29.1 The credit risk to cash and cash equivalent is negligible, since the counter parties are reputable banks with high quality external credit rating.
- 29.2 Loans and receivables of the Company are secured by collaterals that are disclosed in their relevant notes.
- 29.3 The Company manages concentration of credit risk exposure through diversification of activities to avoid undue concentrations of risks with individuals, groups of specific industry segment. An analysis by class of business of the Company's net investments in finance leases, hire purchase contracts, investment and other financial assets is given below:

29.4 Analysis of financial assets that are past due:

Gross carrying amount	Total	Loans and receivables	NIL	lease
amount		Rupe	es	receivables
Past due by more than 360	344,815,280	54,000,000	290,815,280	
Impairment loss on	344,815,280	54,000,000	290,815,280	
Past due by more than 360	193,755,218		193,755,218	-
	193,755,218	1 7	193,755,218	-
Net carrying amount	151,060,062	54,000,000	97,060,062	

29.5 Financial assets that are past due and impaired are disclosed in notes. Impairment is determined after considering the forced sale value of the collateral held.

29.6 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due. Liquidity risk arises because of the possibility that the Company could be required to pay its liabilities earlier than expected or difficulties in raising funds to meet commitments associated with financial liabilities as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The following are the contractual maturities of financial liabilities, including interest payments and excluding impact of netting agreements:

29.7

Market risk is the risk that the value of a financial instruments will fluctuate as a result of changes in interest rates or market prices due to a change in credit rating of the issuer of the instrument, change in market sentiments, speculative activities, activities, supply and demand of securities and liquidity in the market. The Company is not exposed to currency risk as it is not involved in foreign currency transactions. However, it is exposed to interest rate risk and market price risk.

29.7.1 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Due to restructuring of the long and short term borrowings the Company, the rate of markup is now zero percent for the next 12 months and therefore, the Company is exposed to changes in market interest rates only for net investment in lease.

Cash flow sensitivity analysis for variable rate instruments

Due to restructuring of the long and short term borrowings of the Company, the rate of markup is now zero percent for the next 12 months and therefore, the sensitivity analysis is not performed.

30 FAIR VALUE OF FINANCIAL ASSETS

The fair value of all other financial assets and financial liabilities is estimated to approximate their carrying value.

31 TRANSACTIONS WITH RELATED PARTIES

The related parties of the Company include staff provident fund, staff gratuity fund, directors, key management personnel and companies in which directors are common or a director hold office. Transactions with directors and key management personnel are disclosed in their relevant notes. Transactions with other related parties and the balances outstanding at the year end are given below:

		04	محرحسن انصاري

کمپنی کے ڈائر کیٹر اس بات کومسوں کرتے ہیں کہ2022 کے دوران ملک میں سیاسی عدم استحکام،معاشی بدا نظامی اور بڑھتی مہنگائی سے معیشت اور کاروبار پر پڑنے والے منفی اثرات کا انداز ولگا نامشکل ہے۔

کمپنی کے ڈائر یکٹر اس تمام صورت حال کا از سرنو جائزہ لینے کے بعداس نتیج پر پہنچے ہیں کہ سال 24-2023 کے دوران مالیاتی اداروں سے حاصل کئے گئے قرضوں کو قابل قدر حد تک کم کرنے میں کامیاب ہوجا کینگے ۔ کیونکہ اکثر قرض دہندہ کمپنی کوایک قابل قدر ڈسکاؤنٹ دینے پرتیار ہوچکے ہیں۔

مینی کے مالیاتی نتائج کا خلاصہ درج ذیل ہے:

2023	2022	سال
رو پ	روپ	
(21,039,587)	(8,748,878)	نفع/نقصان بعداز شکیس
(0.58)	(0.24)	آمدنی فی حصص-بنیا دی اور کمزور
3.1		دستورى ذخائر مين نتقلى

شيئر كيييل:

جیبا کہ بتایا گیا ہے کہ 30 جون 2023 کو کمپنی کی ایکوٹی سیکیورٹی ایکیچنج کمیشن آف پاکستان (ایس ای سی پی) کی معین ایکوٹی جس کی کم ہے کم حد 50 ملین ہے کے مقالبے میں 29اعشاریہ 92 ملین رہی۔

كار بوريك ساجى د مددارى:

ماضی میں کمپنی نے بطورایک ذمہ دار کارپوریٹ شہری کے، بلواسطہ یا بلا واسطہ، متعدد ساجی کامول میں حصہ لیا۔ زلزلہ، سیلاب اور دیگر قدرتی آفات میں کبھی بلواسطہ اور کبھی رضا کارانہ طور، نقدر قم اور ایاجنس کی صورت میں، ان کی اور دیگر کم مراعات یافتہ لوگوں کی فلاح و بہبود کے لیے مدد کی۔

كاروبارى اقدار:

سمپنی کا کوڈ آف کنڈ کٹ ڈائر میٹرز کے ساتھ ساتھ ملاز مین کے لیے ایک واضح رہنمائی کا ڈھانچ فراہم کرتا ہے کہ وہ

ڈائر یکٹر کی ربورٹ:

آپ کے ڈائر یکٹرز 30 جون 2023 ء کو اختتام پذیر سال کی کمپنی کی سالاندر پورٹ بشمول مالیاتی دستاویزات اور آ ڈیٹیدر پورٹ پیش کر کے خوشی محسوس کرتے ہیں۔

معيشت كاجائزه:

سال 2022-2023ء کے دوران پاکتانی معیشت جو کہ پچھلے ایک عشرے سے دباؤ کا شکارتھی سیلا ب کی تباہ کاریوں اور سیاسی غیر بیٹی اور بڑھتی مہنگائی کی وصولی پر بری وجہ سے مزید دباؤ کا شکار ہی مندرجہ بالاعوائل جہاں ایک طرف اخراجات میں بے پناہ اضافے کا باعث بنے وہیں دوسری طرف آمدنی کی وصولی پر بری طرح انٹر انداز ہوئ آگر چہ کہ وفاقی اورصوبائی حکومتوں نے ان پر قابو پانے کیلئے کچھا قد امات کئے ہیں کیکن معیشت کو پینچنے والے نقصانات کے ازالے کے لئے کافی وقت درکار ہوگا ۔ معیشت کی مجموعی صورت حال زرمباولہ کے ذخائر میں کمی ، روپے کی قدر میں کمی اور کرنٹ اکا وسئٹ میں خمارے کو پورا کرنے کے لئے پیک سیکٹر اور ہیرونی قرضوں کا سہارالیا ۔ آئی ایم ایف سے لیا گیا قرضہ ای کوشش کی ایک کڑی ہے ۔ موجودہ حکومت سے اس بات کی تو کی امید ہے کہ حکومت ان مسائل کوٹل کرنے کے لیے فوری طور پرالیے اقد امات اٹھائے گی جومعا شی صورت حال کی بہتری میں معاون ٹابت ہوں گے۔

سميني كاجائزه:

درج ذیل گوشوارہ سال 23-2022 میں سمپنی انتظامیہ کی ان کاوشوں کوظا ہر کرتا ہے جواس نے کمپنی کی ایکویٹی کو بڑھانے وضوں کی اوائیگی اور منافع کی سطح کو بڑھانے کے بیں۔
