DIRECTORS' PROFILE

MUHAMMAD KAMRAN NASIR

Chairman of the Board

Mr. Nasir is a Chartered Accountant from the Institute of Chartered Accountants of England & Wales (ICAEW) and also a Chartered Certified Accountant from the Association of Chartered Certified Accountants U.K. Mr. Nasir is also a Certified Director from the Pakistan Institute of Corporate Governance (PICG).

Mr. Nasir is the Chief Executive of OBS Healthcare (Pvt.) Limited, the holding company of OBS Group. His role includes overseeing the business affairs of all group entities including consolidating and expanding the group locally as well as internationally. He also manages relationships with the principals of the group which include Fortune 500 pharmaceutical companies Johnson & Johnson, Sandoz, Bayer and Pfizer amongst others.

Mr. Nasir held various C-Suit Level positions within the Financial Sector and Multinational Companies. Among which most notable was being CEO of JS Global Capital Limited for more than a decade during which the company performed exceptionally well under his leadership. He also had been associated with KPMG where he was primarily involved in audits of Financial Sector Institutions, particularly leading Commercial Banks.

Mr. Nasir brings with him rich experience of Capital Markets/Investment Banking as well as handling complex financial matters besides being a strategist and a change management champion. His Investment Banking experience ranges from advising companies on mergers and acquisitions, divestitures, debt-raising, to re-profiling, including taking companies public. On the Capital Markets side, he has been instrumental in routing hundreds of millions of dollars as portfolio investments into the Pakistan Stock Exchange.

Mr. Nasir also has been a notable speaker in many public/commercial speaking events, ranging from specialized topics to covering Pakistan Capital Markets/Economy on Electronic/Print Media. He has a wide experience of engaging with Global Fund Managers and conducted various Road Shows in all the global financial hubs including London, New York, Middle East, Singapore and Hong Kong to showcase the Pakistan Corporate Sector. He played a key role in helping the country regain its Emerging Market Status with unprecedented efforts made with the MoF/GoP and PSX. As a speaker he has been at the forefront in presenting the Pakistan Narrative to the foreign fund managers on the back of improving Economic environment, Security and the tremendous potential that Pakistan offers. Due to his diverse experience, he is routinely invited by the Apex and Frontline Regulatory Bodies in Pakistan to deliberate on a host of technical and specialized policy matters.

HUSSAIN JAMIL

Chief Executive Officer/Director

Hussain is the CEO of EcoPack Ltd., and has over 49 years of experience in trade and industry. This includes setting up and running a private limited company in Karachi manufacturing flexible plastic packaging. He is the founder Chairman and CEO of EcoPack and continues to strategically lead the company's growth in key areas such as corporate relationship management, financial arrangements & structuring, as well as developing new opportunities and partnerships for the company's long term sustainable growth.

Prior to founding EcoPack, Hussain was a successful entrepreneur trading packaging materials such as cotton bags, paper sacks, polythene liners and jute bags. He has also had international exposure in trading commodities such as steel and wheat flour

when he was stationed overseas. Subsequently, he set up EcoPack in 1992 and commenced a career in industrial production of Rigid plastic packaging mainly for the Food & Beverage industry in Pakistan. He has presented and participated in various international conferences and industrial exhibitions on PET and Plastic Packaging. He has strong and time-tested relationships with all major international vendors of machinery and equipment in this field.

Hussain is a honours graduate from the University of Karachi and is also a Certified Director from the Pakistan Institute of Corporate Governance (PICG).

DIRECTORS' PROFILE

AMEEN JAN

Non-Executive Director

Ameen Jan has 25 years of global professional experience across multiple sectors, including FMCG. He is currently CEO of Ontex Pakistan, which manufactures and sells hygienic disposable products for babies, adults and women. He has had a versatile career trajectory that spans multiple sectors - management consulting, government/international organizations, and technology entrepreneurship - and has worked extensively in North America, Europe, Middle East, Asia, and Africa. He has held corporate leadership positions which involve full P&L responsibility in Pakistan for the past ten years.

OMER TARIQ

Non-Executive Director

Mr. Omer Tariq joined indemnifier Pvt Ltd in June 2018 as their Director Sales, he completed his under graduate programme in BSc Management from Case Business School, City University London in 2018.

Mr. Tariq also co-founded "Unicorn Electronics" a private e-bike sharing solution designed to cater real estate developments, resorts, colleges and corporate campuses.

He has been actively participating in agriculture endeavors in the province of Sindh since 2016. He strives to introduce innovative agriculture techniques for better produce.

ARIF AHMED SIDDIQUI

Non-Executive Director

Arif Siddiqui is a fellow member of the institute of Chartered Accountants of Pakistan having more than 20 years of post-qualification experience. He has vast experience of dealing, accounts, finance, taxation and company law related matters. Mr. Siddiqui has worked as a CFO for investment bank, leasing company, mutual funds and equity brokerage house, trading and manufacturing companies.

DIRECTORS' PROFILE

MUHAMMAD JUNAID HAMEED DAGIA

Non-Executive Director

Mr. Junaid Dagia completed his Bachelor in Commerce from University of Karachi and did his MBA from Newport University. He possesses more than 20 years of vast experience in respect of the following:

As a Chief Executive Officer of the Crosby Pakistan (Pvt.) Ltd. that is an Investment company.

As a Chief Executive Officer of the Technology Trade (Pvt.) Ltd. that was Pakistan's leading Computer balloter, Share Registrar and Transfer Agent. Now it has been reorganized to work as investment management in listed companies.

As a Managing Director of the DATA recall that is leading record storage and Management Services Provider.

SONYA JAMIL

Non-Executive Director

Sonya Jamil is a certified psychotherapist and a member of the British Association for Counselling and Psychotherapy. Having completed her bachelors degree in Business Administration in 2003 from Dublin, Sonya pursued an Advanced Diploma in Psychotherapy from CPPD Pakistan, and was subsequently certified by the BACP, UK. She currently practices as a therapist and has been associated with, and worked in the mental health field for 5 years. Her business and mental health background brings valuable diversity to the board of EcoPack.

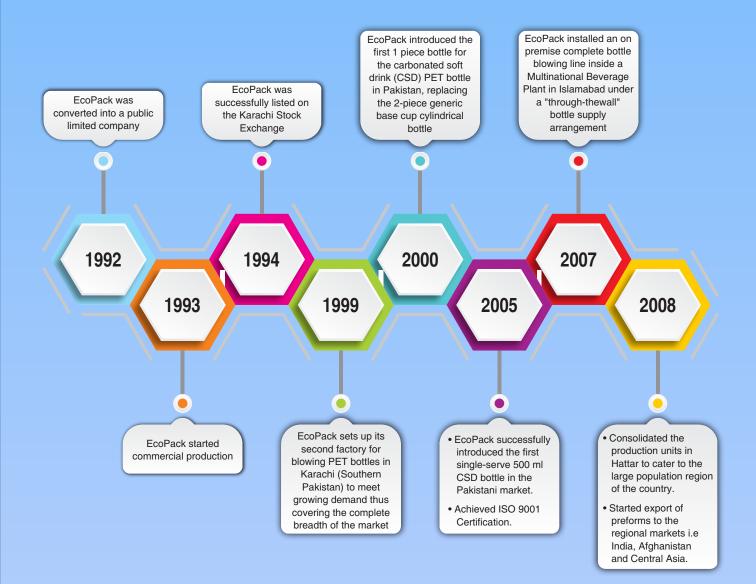

Pakistan Credit Rating Agency ("PACRA") has affirmed the Company's Long-term credit rating at 'BBB' and short-term at 'A2' with a stable outlook in a recently released report

= 11

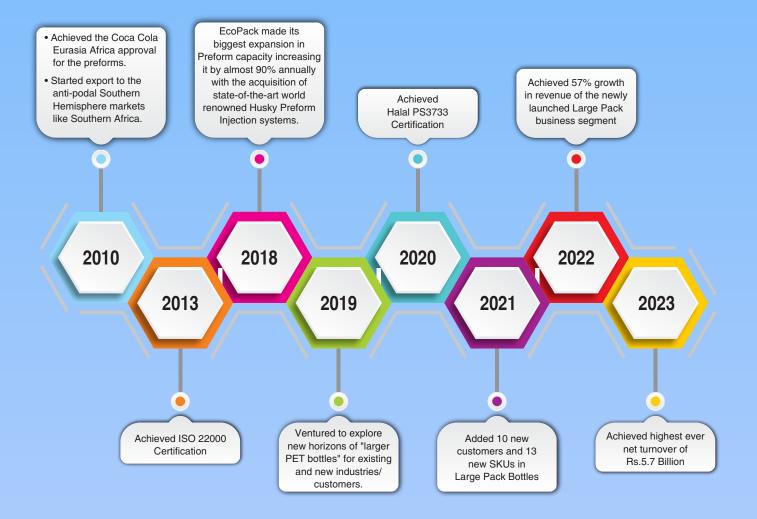

OUR HISTORY & MILESTONES

OUR HISTORY & MILESTONES

CORPORATE SOCIAL RESPONSIBILITY (CSR)

- EcoPack received the Pakistan Centre for Philanthropy Award for donations in 2008-09.
- EcoPack regularly donates to renowned leading Pakistani philanthropic organizations such as Sindh Institute of Urology and Transplantation, Layton Rahmatulla Benevolent Trust, Shaukat Khanum Memorial Trust, the Kidney Center, Aman Foundation, The Citizens Foundation among others.
- As part of its CSR strategy to give back to the community, EcoPack has embarked on a pilot program of skill development by hiring engineering graduates and diploma holders from nearby engineering colleges and universities to train them in various production departments of the company's manufacturing processes. By doing so, EcoPack retains the best by giving them permanent employment and releasing others as trained skilled resource for the market. This program is expanding and building on its continual success.

NOTICE OF ANNUAL GENERAL MEETING

Please be informed that on December 19, 2022, the High Court of Sindh ("SHC") granted an adinterim stay order in Suit 1954 with a direction to maintain status quo in respect of, inter alia, certain shareholding in the Company and position of the incumbent CEO of the Company. The said adinterim order was modified on March 28, 2023, to the extent that that the accounts of the Company be placed before the Board for their approval and that other important affairs/ matters of the Company be taken care of without prejudice to the claim/case of Plaintiff in Suit 1954.

In compliance with the foregoing orders of the SHC, Notice is hereby given that the 32nd Annual General Meeting of EcoPack Limited will be held on Friday 27 October, 2023 at 10:00 AM at the registered office situated at Plot # 112-113, Phase-V, Hattar Industrial Estate, Hattar, District Haripur, Khyber Pakhtunkhwa to transact the following business:

Ordinary Business:

- 1. To confirm the minutes of the 31st Annual General Meeting held on October 28, 2022.
- 2. To receive and adopt the Chairman's Review, Directors' and Auditor's reports together-with Financial Statements of the company for the year ended June 30, 2023, as approved by the Board of Directors in its meeting held on September 27, 2023.
- 3. To appoint external auditors and fix their remuneration for the year ending June 30, 2024. The present auditors M/s. A. F. Ferguson & Co. Chartered Accountants having retired and being eligible have offered themselves for re-appointment.
- 4. To transact with the permission of the Chair any other business which may be transacted at an Annual General Meeting.

By order of the Board

HUSSAIN JAMIL Chief Executive Officer

Dated: September 27, 2023

NOTES:

1. Closure of Shares Transfer Books:

The share transfer books of the company will remain closed from October 14, 2023 to October 27, 2023. (Both days inclusive). Transfers received in order at our Share Registrar/Transfer agent M/s THK Associates (Pvt). Ltd. Karachi at the close of business on Friday, October 13, 2023 shall be treated in time for the purpose of Annual General Meeting and entitlement of Dividend if approved by the shareholders.

2. Participation in General Meeting:

A member entitled to attend and vote may appoint another member as his / her proxy to attend and vote instead of him / her

An individual beneficial owner of shares must bring his / her original CNIC or Passport, Account and Participant's I.D. numbers to prove his / her identity. A representative of corporate members must bring the Board of Directors' Resolution and / or Power of Attorney and the specimen signature of the nominee. CDC account holders will further have to follow the guidelines as laid down in Circular No. 1 dated January 26, 2000 issued by the Securities and Exchange Commission of Pakistan.

3. For Appointing Proxies:

The proxy form shall be witnessed by two persons whose names, addresses and CNIC numbers shall be mentioned on the form. Attested copies of valid CNIC or the passport of the beneficial owners and the proxy shall be furnished with the proxy form.

Duly completed instrument of proxy, and the other authority under which it is signed, or a notarially certified copy thereof, must be lodged with the Company Secretary at the Company's Registered Office (Plot 112-113 Phase 5, Industrial Estate Hattar) at least 48 hours before the time of the Meeting.

4. Payment of Cash Dividend Electronically (Mandatory Requirement):

In accordance with the provisions of Section 242 of the Companies Act and Companies (Distribution of Dividends), Regulation 2017, a listed company, is required to pay cash dividend to the shareholders ONLY through electronic mode directly into the bank account designated by the entitled shareholders. In this regard, EcoPack Limited has already sent letters and Electronic Credit Mandate Forms to the shareholders and issued various notices through publication in newspapers requesting the shareholders to comply with the requirement of providing their International Bank Account Number.

Those shareholders who have still not provided their IBAN are once again requested to fill in "Electronic Credit Mandate Form" as reproduced below and send it duly signed along with a copy of valid CNIC to their respective CDC participant / CDC Investor account services (in case of shareholding in Book Entry Form) or to the Company's Share Registrar M/s THK Associates (Private) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S, KARACHI-75400 (in case of shareholding in Physical Form).

| i. Shareholders Details | |
|--|--|
| Name of the Shareholder(s) | |
| Folio # /CDS Account No(s) | |
| CNIC No (Copy attached) | |
| Mobile / Landline No | |
| ii. Shareholders' Bank Details | |
| Title of Bank Account | |
| International Bank Account Number (IBAN) | |
| Bank's Name | |
| Branch's Name and Address | |

In case of non-provision of IBAN, the Company will have to withhold the cash dividend according to SECP directives.

5. Withholding Tax on Dividend:

As per Income Tax Ordinance, 2001, withholding tax will be determined separately keeping in view the Active/Non-Active Status of shareholder on the amount of dividend paid by the Company. Shareholders whose names are not entered into the Active Tax Payer List (ATL) provided on the website of Federal Board of Revenue (FBR), despite the fact that they are filers, are advised to make sure that their names are entered into ATL before the date for entitlement of the cash dividend i.e. October 14, 2023 (if approved by the shareholders); otherwise tax on their cash dividend will be deducted as per law.

General Guidelines:

- For any query/problem/information, the investors may contact the Company and / or the Share Registrar: The Manager, Share Registrar Department, M/s THK Associates (Private) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S, KARACHI-75400, Telephone Number: 021-35310191-96, email address: aa@thk.com.pk and/ or The Company Secretary, Telephone Number: 051-5974098 email address: awais_i@ecopack.com.pk
- II) The corporate shareholders having CDC accounts are required to have their National Tax Number (NTN) updated with their respective participants, whereas, corporate physical shareholders should send a copy of their NTN certificate to the Company or its Share Registrar i.e. Transfer Agent, M/s THK Associates (Private) Limited. The shareholders while sending NTN or NTN Certificates, as the case may be, must quote Company name and their respective folio numbers.
- III) As per the clarification issued by FBR, withholding tax will be determined separately on "Filer/Non-Filer" status of principal shareholder as well as joint-holder(s) based on their shareholding proportions. Therefore, all shareholders who hold shares jointly are required to provide shareholding proportions of principal shareholder and joint-holder(s) in respect of shares held by them to the Registrar and Share Transfer Agent in writing as follows:

| | Principal Shareholder | | | Joint Shareholder(s) | |
|----------------------------|-----------------------|----------------------|---|----------------------|---|
| Folio / CDC Account No. | Total Shares | Name and CNIC No. | Shareholding Proportion (No. of Shares) | Name and CNIC No. | Shareholding Proportion (No. of Shares) |
| | | | | | |

6. Submission of the CNIC/NTN details (Mandatory):

In accordance with the notification of the Securities and Exchange Commission of Pakistan (SECP) vide SRO 83(1)/2012 dated July 5, 2012 and other relevant rules, the electronic dividend warrants should also bear CNIC number of the registered member or the authorized person, except in case of minor(s) and corporate members.

As per Regulation No.4 and 6 of the Companies (Distribution of Dividend) Regulations, 2017, the Company shall be constrained to withhold the payment of dividend to the shareholders, in case of non-availability of identification number (CNIC or National Tax Number) of the Shareholder or authorized person.

Accordingly, the shareholders who have not yet submitted a copy of their valid CNIC or NTN, are once again requested to immediately submit the same to the Company's Share Registrar at M/s THK Associates (Private) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S, KARACHI-75400, Telephone Number: 021-35310191-96, email address: aa@thk.com.pk

7. Participation in the AGM vide Video-Link Facility:

In pursuance of Section 132(2) of companies Act, 2017, the Company will provide the video link facility to those member(s) who hold minimum 10% shareholding of the total paid-up capital and resident of city other than Hattar where Company's Annual General Meeting is to be placed, upon request. Such member(s) should submit request in writing to the Company at least seven days before the date of the meeting.

8. Deposit of Physical Shares into CDC Account:

As per Section 72 of the Companies Act, 2017 every existing listed company shall be required to replace its physical shares with book-entry form in a manner as may be specified and from the date notified by the Commission, within a period not exceeding four years from the commencement of the Act, i.e., May 30, 2017. The Shareholders having physical shareholding are encouraged to convert their shares held in Physical Form into Book Entry Form as soon as possible. You may contact your Broker, a PSX Member, CDC Participant, or CDC Investor Account Service to assist you in opening a CDS Account and subsequent induction of the physical shares into Book Entry Form.

Should you need any further information or clarification, please feel free to contact THK Associates (PVT) Ltd on Tel # 021-35310191-96 or email at info@thk.com.pk

9. Unclaimed Dividend:

Shareholders, who by any reason, could not claim their dividends / shares, if any, are advised to contact our Share Registrar to collect / enquire about their unclaimed dividend/shares, if any.

In compliance with Section 244 of the Companies Act, 2017, after having completed the stipulated procedure, all such dividend outstanding for a period of 3 years or more from the date due and payable shall be deposited to the Federal Government in case of unclaimed dividend and in case of shares, shall be delivered to the SECP.

10. Change of Address:

The members are also requested to notify change in their address, if any, to our Share Registrar / Transfer Agent, M/s THK Associates (Private) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S, KARACHI-75400

CHAIRMAN'S REVIEW REPORT

As we reflect on the economic landscape of our country, we continue to face formidable challenges. The country's economy continued to deteriorate throughout the time under consideration. The ever-looming threat of defaulting on our fiscal liabilities compelled the State Bank of Pakistan to increase its Policy Rate to 22% to counter inflation and the accelerating PAK rupee devaluation. Our foreign exchange reserves, primarily driven by remittances, provided a small cushion against susceptibilities. Worldwide commodity inflation in wake of the geo-political turmoil following the invasion of Ukraine further exacerbated our macro-economic conditions as our balance of payments remained a concern due to higher imports, particularly of fuel and machinery. Being cognizant of the present difficulties, the Board and management are taking appropriate measures to lessen the vulnerability of the company.

I am pleased to observe that under the guidance of the Board, the company's management was able to achieve profit after tax of over Rs. 40.1 million. Despite the challenging business environment, your Company has demonstrated considerable resilience in retaining its market share, shown considerable agility in managing it's affair, and delivered positive results in the face of huge inflationary headwinds and general instability.

During the year, your Company under the guidance of its Board of Directors continued to conduct its operations with integrity, transparency, and responsibility as being critical to retaining stakeholders' trust. EcoPack remains committed in terms of business continuity, employee wellbeing, meeting its obligations in time with a keen focus on strategic opportunities and important priorities of innovation and performance while mitigating the negative externalities.

Implementing procedures that support good Corporate Governance enhances the confidence and trust of stakeholders and potential investors, which in turn allows us to develop stronger and longstanding relationships. I am pleased to inform you that the Board and its sub-committees are meeting regularly and are resolved to pro-actively face any new hurdles and steer your Company forward. I would also like to commend my fellow directors for their commitment and the contributions they make to our strategic deliberations and oversight, both in setting the direction for the company and also in monitoring its outcome.

There is a Civil Suit No. 1954 of 2022 at the Honorable Sindh High Court (SHC) filed by the CEO of the Company against the Company, some Shareholders and the Board of Directors which is pending adjudication. In the suit, the incumbent CEO has challenged, inter alia, his alleged removal as the CEO and acquisition of shares in the Company by certain shareholders in alleged violation of takeover laws. The matter is being contested on merit and is pending.

On behalf of the Board, I would like to appreciate the management team at EcoPack for achieving the much needed stability, and I wish them every success in their future endeavors.

Muhammad Kamran Nasir Chairman of the Board of Directors EcoPack Ltd.

Karachi September 27, 2023

چئړمين حبائزه رپوره:

ملکی معاشی منظر نامے کے پیش نظر ہم شدید مشکل حالات کا سامنا کررہے ہیں۔ مذکورہ مدت کے دوران ملکی معیشت کی خرابی کا تسلسل بر قرار رہاہے۔ ہماری مالی ذمہ داریوں پر نادہندہ ہونے کے خطرے نے اسٹیٹ بینک آف پاکستان کو قومی افراط زر اور پاکستانی روپے کی قدر میں تیزی سے کی کا مقابلہ کرنے کے لیے پالیسی ریٹ کو 22 فیصد تک بڑھانے پر مجبور کیا۔ ہمارے زر مبادلہ کے ذخائر جن کا بیشتر انحصار ترسیلات زر پر ہے،عدم استحکام کے مقابلہ میں کسی حد تک تحفظ فراہم کرتے ہیں۔ یو کر ین حملے کے بعد پید اہونے والی جغرافیائی وسیاسی افرا تفری ، اور اس کے نتیجہ میں عالمی سطح پر اجناس کی بڑھتی ہوئی قیموں نے بڑے بیاری مالات میں سے کو 22 مزید خرابی پیدا ہونے والی جغرافیائی وسیاسی افرا تفری ، اور اس کے نتیجہ میں عالمی سطح پر اجناس کی بڑھتی ہوئی قیموں نے بڑے پیانے پر ہمارے اقتصادی حالات میں مزید خرابی پیدا کر دی کیونکہ زیادہ درآ مدات خصوصاً ایند ھن اور مشینر می کی ادائیگیوں کا توازن تشویش کا باعث بنا۔ موجو دہ مشکلات کی آگائی سے بورڈ اور انتظام سے کمین

مجھے بیہ دیکھ کر خوشی ہوئی کہ بورڈ کی رہنمائی میں کمپنی کی انتظامیہ 40.1 ملین روپے سے زائد کا بعد از ٹیکس منافع حاصل کرنے میں کامیاب رہی۔ مشکل کاروباری صورتحال کے باوجود، آپ کی کمپنی نے نہ صرف اپنے مارکیٹ شیئر کو بر قرار رکھنے میں کافی کچک کا مظاہر ہ کیاہے بلکہ اپنے معاملات کو سنجالنے میں بھی کافی مستعدی د کھائی ہے اور باوجود مہنگائی کی شدید لہراور عمومی عدم استحکام کے مثبت نتائج حاصل کیے۔

دوران سال، آپ کی کمپنی نے اپنے بورڈ آف ڈائر یکٹرز کی رہنمائی میں ایمانداری، شفافیت اور ذمہ داری کے ساتھ اپنے معاملات کو جاری رکھاجو کہ تمام متعلقین کے اعتاد کوبر قرار رکھنے کے لئے اہم ہے۔ایکو پیک کاروباری تسلسل، ملاز مین کی فلاح و بہود، حکمت عملی اور بہتر کار کردگی جیسی اہم ترجیحات پر گہری توجہ کے ساتھ ساتھ اپنی ذمہ داریوں کوبر وقت پورا کرنے اور منفی بیر ونی پہلوؤں کو کم کرنے کے حوالے سے پر عزم ہے۔

بہتر کارپوریٹ گورننس کے طریقہ کار کونافذ کرنامتعلقین اور ممکنہ سرمایہ کاروں کے اعتماد کوبڑھا تاہے، جس کے نیتیج میں ہمیں مضبوط اور دیرینہ تعلقات استوار کرنے کا موقع ملتاہے۔ مجھے یہ بتاتے ہوئے خوشی ہور ہی ہے کہ بورڈ اور اس کی ذیلی کمیٹیاں با قاعدگی سے میڈنگ کرر ہی ہیں اورکسی بھی نٹی رکاوٹ کا بہتر انداز سے سامنا کرنے اور آپ کی کمپنی کو آگے بڑھانے کے لیے پر عزم ہیں۔ میں اپنے ساتھی ڈائر یکٹرز کے عزم، کمپنی کے لئے سمت کا تعین اور اس کی حکمت عملی، غور وفکر اور نگر انی میں ان کے حاصل تعاون کی تعریف کرناچاہتا ہوں۔

سمپنی کے سی ای او کی جانب سے سمپنی، کچھ شیئر ہولڈرز اور بورڈ آف ڈائر یکٹر زکے خلاف سندھ ہائی کورٹ میں 2022 کا سول مقد مہ نمبر 1954 دائر ہے جسکافیصلہ زیر التواہے۔اس مقدمے میں موجو دہ سی ای اونے دیگر چیز ول کے ساتھ ساتھ ان کی مبینہ طور پر سی ای اوکے عہدے سے بر طر فی اور پچھ شیئر ہولڈرز کی جانب سے سمپنی میں حصص کے حصول کو چیلنج کیا ہے۔ بیہ معاملہ میر ٹ کی بنیاد پر لڑاجارہاہے اور زیر التواہے۔

بورڈ کی جانب سے، میں ایکو پیک کی مینجینٹ ٹیم کو انتہائی ضروری استخکام کے حصول کے لئے سر اہنا چاہتا ہوں، اور میں ان کی مستقبل کی کو ششوں میں ان کی کامیابی کے لئے نیک خواہشات کا اظہار کر تاہوں.

محمد کامران ناصر چیرَمین بورڈ آفڈا ئرکیٹر ز، ایکو پیک لمیٹڈ کراچی-27 تتمبر 2023

DIRECTORS' REPORT

The Board of Directors of EcoPack Limited is pleased to present its Directors' Report and audited annual financial statements along with the Auditors Report thereon, for the financial year ended 30th June 2023:

OVERVIEW

The downward spiral in the national economy witnessed in the outgoing financial year substantially worsened on account of the convergence of several over-arching factors: severe political turmoil, a sharply depreciating PKR, rising international crude oil and energy prices, supply-chain disruptions following the Ukraine war. These were the prime factors which coalesced to stoke runaway inflation in the country. They were further exacerbated by swiftly rising interest rates actioned by the SBP to stem rampant inflation in compliance with the strict conditionalities of the IMF to revive the erstwhile stalled program. Accordingly, the annual national Budget for FY2024 featured many new taxes and measures including cancellation/reduction of some subsidies on fuel and electricity, sharp reduction in imports to curtail the excessive CAD and manage the rapidly dwindling FX reserves of the country.

As we entered the Q1FY23 in the backdrop of such socio-economic-political conditions, large parts of the country's geography were hit by the sudden confluence of heavy monsoon rains, an unusual weather system and inexorable flash flooding, thus inundating and devastating large parts of the country. The resulting havoc damaged crops and road infrastructure, while also destroying the homes, livestock, and livelihoods of millions of dislocated people.

Due to rapidly rising inflation and corresponding reduction in the average purchasing power of the consumer, followed by the devastation of unprecedented floods, your company's sales were adversely impacted in the first quarter of the financial year and subsequently also in the winter months of the second quarter when historically beverage sales slow down sharply. Thus, the

company suffered a significant half year loss, but fortunately with the advent of spring in Q3FY23 a substantial rebound in fortunes took place. Your company was able to aggressively mount a strong sales effort and pass through most of the costs while cost-efficiently procuring its key raw materials and post a major recovery in Q3 significantly reducing it's "year to date" losses. However, the expectation of traditionally strong beverage sales in

FYQ4 with Ramzan falling mostly in April were suddenly dashed, due to a remarkable change in weather patterns. The peak hot summer months of April & May remained unusually cool in the northern region with the uncanny advent of untimely windstorms & showers, literally dampening the earlier sales momentum that was building up.

Nevertheless, your company managed to restore its profitability by year end, despite facing the adversities and trials of a turbulent year ridden by multiple macro-economic, political, worldwide supply chain crises, as well as 'climate change' related unforeseen disasters – completely beyond it's control.

DIRECTORS' REPORT SALES & FINANCIAL HIGHLIGHTS

Sales revenue increased by 13% from Rs. 5.0 billion to Rs. 5.7 billion as compared to last year. The major factors of this significant growth are: (i) the enhanced sales volumes of bottles by 3% as compared to the FY 2022 and (ii) PET resin (basic raw material) price increased by 32% YoY which is a substantial part of the product price. Despite the tough economic conditions in Pakistan, and huge inflationary headwinds amid widespread import restrictions and Pak rupee devaluation, etc., your management team has succeeded in passing this cost push partially, although this has somewhat compromised our margins. Owing to the terrible floods and dislocation of a large population in the first quarter of FY2023, the sales volume of Preforms fell short of last year by 16% in quantitative terms. Hence, the fixed cost could not be absorbed proportionally as expected. Meanwhile, electricity costs also substantially increased by 38% from Rs. 23.17/unit to Rs. 32.01/unit of electricity. Despite external factors restricting growth, we have succeeded in achieving a gross profit of Rs. 582.0 million against a gross profit of Rs. 486.5 million YoY witnessing a growth of 19.6%. Similarly, Operating profit reflects a growth of 13.7% i.e., an increase of Rs. 36.7 million from Rs. 268.1 million last year to Rs. 304.8 million during the year under review.

Financial charges have significantly increased from Rs. 122.4 million to Rs. 223.8 million, an increase of 83% mainly on account of (1) the sharp increase in KIBOR and the SBP discount rate. KIBOR increased from 15.16% last year to 22.91% during FY 2023, an increase of 51% and (2) the increase in comparatively higher deployment of working capital borrowings due to a sharp rise in the cost of raw & packing materials compared to last year.

Profit before tax (PBT) has been recorded at Rs. 80.9 million against a PBT of Rs. 145.7 million versus last year. Despite growth in operating profit by Rs. 36.7 million, there is a drop in PBT by Rs. 64.7 million, clearly reflecting that owing to the significant increase in financial charges, PBT has decreased. Accordingly, Profit after tax comes to Rs. 40.1 million against a Profit after tax of Rs. 100.2 million compared with last year.

Earnings per share (basic and diluted) for FY 2023 are Rs. 0.83 per share against earnings per share of Rs. 2.08 per share for the corresponding year.

FUTURE OUTLOOK

While cost inflation remains an ongoing hurdle for industry all-round, recent production capacity enhancements in the resilient and growth driven Beverage industry builds positive hope for your company as we expect our capacity utilization to improve with this anticipated growth hike. To achieve a fair share of this market demand, your company is continuously striving to contain its costs and overheads to remain competitive viz peers. The challenge is to enhance capacity utilization without increasing our cost structure and fixed overheads. The reputation it has built up as a reliable and quality conscious vendor over the years places your company at a distinct advantage against most of the competition.

Regular carbonated soft-drinks (CSD) and drinking-water bottles are witnessing a healthy growth spurt, especially 'single serve' 300/330ml & 500ml bottles as a young mobile and active segment of the population consumes to quench its thirst. Several smaller national companies have also entrenched their position in the market growth offering an 'economic value proposition' to cater to an increasingly cost-conscious consumer as purchasing power comes under pressure from all sides. Your company benefits from its position in this value-added bottle segment with several bottling companies near its location.

Another area experiencing robust growth is the Large Containers project your company effectively embarked upon after Covid-19 receded last year. In the past 2 years our order book for Cooking-oil and large drinking-water bottles has grown cumulatively by over 25% annually. Furthermore, Concentrate-based 'Red syrups' drinks have emerged in the summer as a cost-effective affordable counter against rising cost inflation for the big mass of lower middle-class families, both in rural and urban areas.

Your company is at an inflection point with its long-term debt reduced to 13% versus a healthy equity of 87%, to enhance its production capacity in it's traditional business by adding another Preform Injection system and/or a 'product specific' bottle/container blowing line. New areas of investment are also being examined cautiously to respond to the packaging needs of a robust Food & Beverage industry serving a rising population in the coming years.

DIRECTORS' REPORT RISKS

The prevailing macro-economic and political uncertainty continue to be the main threats to economic recovery in the near to medium term. Rising inflation is a perennial challenge to businesses and consumers with high interest rates fueling cost increases. The weakness of the PKR against hard currencies in a largely import based economy poses difficulties for businesses to undertake stable business plans and prepare consistent roadmaps.

The anticipation of a further hike in interest/discount rates to quell the rise of widespread inflation, remains a heavy burden for growth of businesses and consumer spending alike.

HR & INDUSTRIAL RELATIONS

Despite the rise in manpower and staff attrition compared to previous years due to higher arbitrage in remuneration with the rich markets of the Middle-Eastern countries, your company's management has met this situation through: (1) adjustments in compensation structure and (2) an ongoing in-house 'apprentice training scheme' whereby fresh engineers and diploma-holders are picked up from universities and training institutes in near proximity to our plant. This tried and tested training methodology has been built up and refined by senior staff over the years and is paying useful dividends in these trying times as your company manages to retain critical human resources economically.

Relations between manpower on the floor and management continue to remain exemplary as the company and management pursue a culture of transparency, fair play and evenhandedness across the board at all levels.

OTHER MATTERS

There is a Civil Suit No. 1954 of 2022 at the Honorable Sindh High Court (SHC) filed by the CEO of the Company against the Company, some Shareholders and the Board of Directors which is pending adjudication. In the suit, the incumbent CEO has challenged, inter alia, his alleged removal as the CEO and acquisition of shares in the Company by certain shareholders in alleged violation of takeover laws. The matter is being contested on merit and is pending.

ا یکو پیک کمیٹڈ کے بورڈ آف ڈائر یکٹرزنے 30 جون 2023ء کو ختم ہونے والے مالی سال کے لئے آڈیٹر زر پورٹ کے ساتھ ڈائر یکٹر زر پورٹ اور آڈٹ شدہ سالانہ مال گوشوارے پیش کرنے پر خوش کااظہار کیا ہے:

جائزه

گزشتہ مالی سال کے دوران قومی معیشت میں گراوٹ کار بحان کٹی اہم عوامل کی وجہ سے کافی حد تک خراب ہوا: شدید سیاسی افرا تفری، پاکستانی روپے کی قدر میں تیزی سے کمی، خام تیل اور توانائی کی بین الا قوامی قیمتوں میں اضافہ ، یو کرین جنگ کے بعد سپلائی چین میں خلل، وہ اہم عوامل تھے جنہوں نے ملک میں بڑھتی ہوئی افراط زر کو ہوا دی۔ اسٹیٹ بینک کی جانب سے مہنگائی کورو کنے کے لیے کی جانے والی شرح سود میں تیزی سے اضافے کی وجہ سے ان میں مزید اضافہ ہوار آئی ایم ایف کی جانب سے ماضی میں نقطل کا شکار پرو گرام کو بحال کرنے کی سخت شر ائط پر عمل کیا گیا۔ اس کے مطابق مالی سال کے 2024 کے سالانہ قومی بجٹ میں کئی نئے تیکس اور اقد امات پیش کے گئے ہیں جن میں ایند ھن اور بجلی پر کچھ سبسڈیز کی منسوخی / کمی، ضرورت سے زیادہ میں اے ڈی کو کم کرنے اور ملک کے تیزی سے کم ہوتے غیر ملکی زر مباد لہ ذخائر کو سنجالنے کے لئے درآمدات میں تیزی سے کمی شامل ہے۔

جب ہم اس طرح کے سماجی، اقتصادی اور سیاسی حالات کے پس منظر میں مالی سال 23 کی پہلی سہ ماہی میں داخل ہوئے تو ملک کے جغرافیہ کا ایک بڑا حصہ مون سون کی شدید بار شوں، غیر معمولی موسمی نظام اور نا قابل تلافی سیلاب کے نقصانات سے متاثر ہوا، جس سے ملک کے بڑے حصے زیر آب ہونے کی وجہ سے متاثر ہوئے۔ اس تباہی کے نتیج میں فصلوں اور سڑکوں کے بنیادی ڈھانچ کو نقصان پہنچا، جبکہ لاکھوں افراد کے گھروں، مویشیوں اور ذریعہ معاش کو بھی نقصان پہنچا۔

تیزی سے بڑھتی ہوئی افراط زر اور صارفین کی اوسط قوت خرید میں کی کمی کی وجہ سے مالی سال کی پہلی سہ ماہی میں اور غیر معمولی سیلاب کی تباہی کی وجہ سے اس کے بعد دوسری سہ ماہی کے موسم سرما کے مہینوں میں بھی آپ کی کمپنی کی فروخت بُری طرح متاثر ہوئی جب تاریخی طور پر مشر وبات کی فروخت میں تیزی سے کمی آتی ہے۔ جسکی وجہ سے کمپنی کو نصف مالی سال میں بڑے نقصان کا سامنا رہا، لیکن خوش قسمتی سے مالی سال 23 کی تیسری سہ ماہی میں موسم بہار کی آمد کے ساتھ ہی خاطر خواہ بحالی ہوئی۔ آپ کی کمپنی جارحانہ طور پر ایک مضبوط فروخت کی کو شش کو بڑھانے اور اپنے کلید ی خام مال کی لاگت سے موثر طریقے سے خرید اری کرتے ہوئے زیادہ تر اخراجات سے گزرنے کے قابل تھی اور تیسری سہ ماہی میں ایک بڑی بحالی کے بعد اس کے "سال بہ سال "نقصانات کو نمایاں طور پر کم کیا گیا تھا . تاہم، مالی سال کی چو تھی سہ ماہی میں روایتی طور پر ایک مضبوط فروخت کی کو شش کو بڑھانے اور اپنے کلید می خام مال کی لاگت سے موثر طریقے سے خرید اری کرتے ہوئے زیادہ تر اخراجات سے گزرنے کے قابل تھی اور تعبر کی سہ ماہی میں ایک بڑی بحال کے بعد اس کے "سال بہ سال" نقصانات کو نمایاں طور پر کم کیا گیا تھا . تاہم، مالی سال کی چو تھی سہ ماہی میں روایتی طور پر ایک مضبوط فر وخت کی تو قعات کے بر عکس اپر میں میں ماہ رمضان کی آمد ایس ماہی کی موٹی مر میں نمایاں تبدیلی کی وجہ سے اچانک ختم ہو گئی۔ شام خط میں بے وقت ہواؤں اور بار شوں کی آمد کی وجہ سے موسم گرما کے مہینے اپر میل میں ماہ رمضان کی آمد اور ہی تر میل کی وجہ سے اچانک ختم ہو گئی۔ شامی خط میں بے وقت ہواؤں اور بار شوں کی آمد کی وجہ سے موسم گرما کے مہینے اپر میل میں ماہ رمضی خوں ہو میں نمایاں تبدیلی کی وجہ سے اچانک ختم ہو متاثر کیا جو پہلے سے بڑھ رہی تھی اور اور ای تی مولی ہو میں کی موجہ ہے موس

آپ کی کمپنی نے متعدد میکر واکنامک، سیاسی، عالمی سپلائی چین کے بحرانوں، نیز 'موسمیاتی تبدیلی' سے متعلق غیر متوقع آفات سے متاثرہ ایک ہنگامہ خیز سال کی مشکلات اور آزمائشوں کاسامنا کیاجوا سکے کنٹر ول سے باہر تھا کہ باوجو د سال کے اختیام تک اپنامنافع بحال کرنے میں کامیاب رہی۔

فروخت اور مالیات کے اہم نکات

سیلزر یونیو گزشتہ سال کے مقابلے میں 13 فیصد اضافے کے ساتھ 5 ارب روپے سے بڑھ کر 7.5 ارب روپے تک پنچ گیا۔ اس نمایاں ترقی کے اہم عوامل یہ ہیں: (1) مال سال 2022 کے مقابلے میں بو تلوں کی فروخت کے حجم میں 3 فیصد اضافہ (PET Resin(2) (بنیادی خام مال) کی قیمت میں سال بہ سال 32 فیصد اضافہ ہوا جو مصنوعات کی قیمت کا ایک اہم حصہ ہے۔ پاکستان میں مشکل معاشی حالات اور بڑے پیانے پر درآمدی پابندیوں اور پاکستانی روپے کی قدر میں کی وغیرہ کے در میان افراط

ANNEXURE "B"

TO THE DIRECTORS' REPORT

COMPLIANCE WITH CODE OF CORPORATE GOVERNANCE:

STATEMENT OF DIRECTORS RESPONSIBILITIES

- 1. The financial statements prepared by the management present fairly its state of affairs, the results of its operations, cash-flows, and changes in equity.
- 2. Proper books of accounts have been maintained.
- 3. Appropriate accounting policies have been consistently applied in preparation of the financial statements and accounting estimates are based on reasonable and prudent judgment.
- 4. International financial reporting standards, as applicable in Pakistan have been followed in preparation of financial statements and any departure there-from has been adequately disclosed and explained.
- 5. The system of internal control is sound in design and has been effectively implemented and monitored.
- 6. There are no significant doubts on the Company's ability to continue as a going concern.
- 7. There has been no departure from the best practice of corporate governance, as detailed in the listing regulations.

OTHER DISCLOSURES

- 1. Key operating and financial data for the last six years in summarized form is attached with the directors' report as Annexure "A".
- 2. There are no outstanding statutory payments on account of taxes, levies and charges except of normal and routine nature.
- 3. The company operates a contributory provident funded scheme for its management employees and defined benefit gratuity funded scheme for its non-management employees. The value of investments as at June 30, 2023 are as follows:

| Provident Fund Rs. 15.76 million | Gratuity Fund Rs. 0.22 million |
|--|--|
|--|--|

- 4. The Company's business activities have no apparent negative impacts on the environment.
- 5. In respect of "Corporate Social Responsibility" (CSR), please refer note No. 32.1 of the financial statements for the year ended June 30, 2023.

INDEPENDENT AUDITORS' REVIEW REPORT

TO THE MEMBERS OF ECOPACK LIMITED

REVIEW REPORT ON STATEMENT OF COMPLIANCE CONTAINED IN LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Ecopack Limited (the Company) for the year ended June 30, 2023 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the Regulations as applicable to the Company for the year ended June 30, 2023.

Further, we highlight below instances of non-compliance with the requirements of the Regulations as reflected in the paragraph reference where these are stated in the Statement of Compliance:

| S. No. | Paragraph reference | Description |
|-----------|------------------------|---|
| NO. | relefence | |
| (I) | 7 | The meeting of the Board of Directors was not held in the third quarter of the financial year. |
| (ii) | 14 | The meeting of the audit committee was not held in the third quarter of the financial year. |
| (iii) | 18 | The Company has not placed management letter issued by external auditors as a significant issue for the information of the Board or its committee as required by the respective regulation. |

Statergrowth.

A. F. Ferguson & Co. Chartered Accountants Islamabad Date: 3rd October 2023 UDIN: CR202310083iFIRUCKIN

ANNUAL 202 REPORT **STATEMENT OF COMPLIANCE** WITH LISTED COMPANIES

(CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019

Name of Company Year Ending

1.

EcoPack Limited June 30, 2023

The Company has complied with the requirements of the Regulations in the following manner:

The total number of Directors are seven as per the following:

:

| a. | Male | : | 06 |
|----|--------|---|----|
| b. | Female | : | 01 |

2. The composition of the Board is as follows:

| Category | Names |
|------------------------|--|
| Independent Director | Mr. Ameen Jan Mr. M. Junaid Hameed Dagia |
| Non-executive Director | Mr. Muhammad Kamran Nasir Mr. Omer Tariq Mr. Arif Ahmed Siddiqui |
| Executive Director | Mr. Hussain Jamil (Chief Executive Officer) |
| Female Director | Ms. Sonya Jamil (Non-executive Director) |

*The Company believes that having two elected independent directors with requisite competencies, skills, knowledge and experience is adequate to exercise independence in decision making within the Board hence, appointment of a third independent director is not warranted.

- The Directors have confirmed that none of them is serving as a Director of more than seven listed companies, including З. this Company.
- The Company has prepared a Code of Conduct and has ensured that appropriate steps have been taken to disseminate it 4. throughout the Company along with its supporting policies and procedures.
- The Board has developed the following: 5.
 - Vision/mission statement,
 - Overall corporate strategy, and Significant policies of the Company

The Board has ensured that the complete record of particulars of the significant policies, along with their date of approval or updating is maintained by the Company.

- All the powers of the Board have been duly exercised and decisions on relevant matters have been taken by the Board / 6. Shareholders, as empowered by the relevant provisions of the Companies Act, 2017 (the Act) and these Regulations, except to the extent, whereby there is a Civil Suit No. 1954 of 2022 at the Honorable Sindh High Court (SHC) filed by the CEO of the Company against the Company, some Shareholders and the Board of Directors which is pending adjudication. In the suit, the incumbent CEO has challenged, inter alia, his alleged removal as the CEO and alleged acquisition of shares in the Company by certain shareholders in alleged violation of takeover laws. The Honourable High Court of Sindh provided a stay order in Suit 1954 with a direction to maintain status quo. Subsequently, the said ad-interim order was modified on 28 March 2023 by the High Court of Sindh ("SHC") to the extent that the accounts of the Company be placed before the Board for their approval and that other important affairs/matters of the Company be taken care of without prejudice to the claim/case of Plaintiff in Suit 1954. The matter is being contested on merit and is pending. In pursuance of this modified order, the half-yearly accounts were approved by the Board of Directors on April 26, 2023, and accordingly filed on April 27, 2023.
- 7. The meetings of the Board were presided over by the Chairman for the year 2022-23. However, the Board could not comply with the requirements of Act and the Regulations with respect to frequency, recording and circulating minutes of meeting of the Board due to Management/CEO failing to timely convene meetings for the approval of the half yearly results. The Chairman of the board had to call meeting of the board for the half year and the third quarter post breach of the regulatory time lines by the Management/CEO over the half yearly accounts. However, the Management/CEO believes that they have acknowledged their duty to comply with the law, specifically in relation to the preparation and submission of half-yearly accounts to the Commission, Securities Exchange, and the Registrar, under section 237 read with section 479 of the Companies Act, 2017. These accounts were due within 60 days from the close of the second quarter, which in this case should have been by March 1, 2023. Unfortunately, management/CEO believes that they were unable to meet this deadline due to extraordinary and unperceivable circumstances as communicated to both SECP and PSX in a letter dated February 28, 2023. It is pertinent to note that the majority of the board meeting within due time frame as required by the meeting within the management views over their inability to convene the board meeting within due time frame as required by Iaw. Furthermore, the management/CEO highlighted that the current composition of the Board of Directors of EcoPack Limited, which was communicated to SECP through a letter titled "Disclosure of Price Sensitive Information" dated October 28, 2022, and Form 29 filed on November 1, 2022 has not been approved by the SECP till date and as per the management limits their ability to file a new Form 29 to update the list of signatories of EcoPack Ltd; following the resignation of Mr. Awais Imdad (Ex-Company Secretary).

s Of Quality PET Bottles & Prefo Pack

- 8. The Board has a formal policy and transparent procedures for remuneration of Directors in accordance with the Act and these Regulations.
- Out of seven Directors, three of the Directors of the Company have obtained certification under Directors' Training 9. Program in previous years and whereas none of the Directors attended Directors' Training Program in the current year.
- 10. The Board has previously approved the appointment of Chief Financial Officer, Company Secretary and Head of Internal Audit including their remuneration and terms and conditions of employment and complied with relevant requirements of the Regulations.
- 11. Chief Financial Officer and Chief Executive Officer duly endorsed the financial statements before approval of the Board.
- 12. The Board has formed Committees comprising of members given below:

| Audit Committee | HR and Remuneration Committee |
|--------------------------|---------------------------------------|
| Mr. Ameen Jan (Chairman) | Mr. M. Junaid Hameed Dagia (Chairman) |
| Mr. Arif Ahmed Siddiqui | Mr. Arif Ahmed Siddiqui |
| Mr. Omer Tariq | Mr. Omer Tariq |
| Ms. Sonya Jamil | Ms. Sonya Jamil |

- 13. The terms of reference of the aforesaid Committees have been formed, documented, and advised to the Committees for Compliance.
- The frequency of meetings of the Committees were as per following: 14.
 - Audit Committee 4 meetings held during the year. a)
 - b) HR and Remuneration Committee - on required basis - 3 meetings held during the year.
- The Board has previously set up an effective internal audit function who are considered suitably qualified and experienced 15. for the purpose and are conversant with the policies and procedures of the Company.
- The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the Quality 16. Control Review program of the Institute of Chartered Accountants of Pakistan and registered with Audit Oversight Board of Pakistan, that they and all their partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the Institute of Chartered Accountants of Pakistan and that they and the partners of the firm involved in the audit are not a close relative (spouse, parent, dependent and non-dependent children) of the Chief Executive Officer, Chief Financial Officer, Head of Internal Audit, Company Secretary or Directors of the Company.
- 17. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Act, these regulations or any other regulatory requirement and the Auditors have confirmed that they have observed IFAC guidelines in this regard.
- Management confirms that all requirements of regulations 3, 6, 7, 8, 27, 32, 33 and 36 of the Regulations have been 18. complied with.

| Mandatory requirement | Reg. No. | Explanation |
|--|----------|---|
| Management Letter: The Management has not placed the management letter issued by external auditors as a significant issue for the information of the Board or its committee as required by the respective regulation. | 14(vii) | The management has cited overlooking as a reason for not being able to place the ML before the board. However, the management will be placing this ML in the next board meeting. Being a significant matter the management has been strictly advised to ensure compliance in future. |

19.

Explanations for non-compliance with requirements, other than regulations 3, 6, 7, 8, 27, 32, 33 and 36 are below:

| Non-mandatory requirement | Reg. No. | Explanation |
|--|----------|---|
| Nomination Committee: The Board may constitute a separate committee, designated as the nomination committee, of such number and class of directors, as it may deem appropriate in its circumstances. | 29(1) | By virtue of the size & structure of the Board, the need for the nomination committee has not been observed as the Board effectively discharges all the responsibilities of the Nomination Committee as recommended by the Code. |
| Risk Management Committee: The Board may constitute the risk management committee, of such number and class of directors, as it may deem appropriate in its circumstances, to carry out a review of effectiveness of risk management procedures and present a report to the Board. | 30(1) | Risk management and its mitigants including monitoring and review of all material controls are duly addressed by the Board itself and through its Audit committee. EcoPack also has a duly approved risk management and mitigation policy in this regard. Hence, the need for a discrete Risk Management Committee has not been observed. |

Muhammad Kamran Nasir Chairman

September 27, 2023

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ECOPACK LIMITED REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the annexed financial statements of Ecopack Limited (the Company), which comprise the statement of financial position as at June 30, 2023, and the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2023 and of the profit and total comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S.No. Key Audit Matters

i) Revenue recognition

(Refer notes 4.18 and 28 to the financial statements)

The Company is engaged in the production and sale of preforms and bottles in local markets. The Company recognized gross revenue of Rs 6,693,618 thousand from the sales of preforms and bottles in local market. During the year, price of preforms and bottles increased from last year.

We considered revenue recognition as a key audit

How the matters were addressed in our audit

Our audit procedures in relation to the matter, amongst others, included:

- Understood and evaluated management controls over revenue and checked their validation;
- Performed verification of sample of revenue transactions with underlying documentation including dispatch documents and sales invoices;

matter due to revenue being one of the key performance indicators of the Company, large number of revenue transactions with a large number of customers in various geographical locations, inherent risk of material misstatement and significant increase in revenue from last year.

- Performed cut-off procedures on sample basis to ensure revenue has been recognised in the correct period;
- Checked on a sample basis, approval of sales prices by the appropriate authority;
- Performed recalculation of rebates, and discounts as per Company's policy on test basis;
- Performed analytical procedures to analyse variation in the price and quantity sold during the year; and
- Assessed the appropriateness of disclosures made in the financial statements related to revenue.

ii) Revaluation of property, plant and equipment

(Refer note 4.3, 6 and 17 to the financial statements)

Under the International Accounting Standard 16 "Property, Plant and Equipment", the Company carries its lease-hold land, factory building and roads on lease-hold land and plant and machinery at revaluation model. Under the said model, if fair value can be measured reliably, an entity may carry all items of property, plant and equipment of a class at a revalued amount, which is the fair value of the items at the date of the revaluation less any subsequent accumulated depreciation and accumulated impairment losses; if any.

As at June 30, 2023, the carrying value of lease hold land, factory buildings & roads on leasehold land and plant & machinery was Rs 1,169,264 thousand. The fair value of the Company's lease hold land, factory buildings & roads on lease-hold land and plant & machinery were assessed by management based on independent valuation performed by an external property valuation expert as at June 30, 2023. For valuation of lease-hold land, factory buildings & roads on lease-hold land and plant & machinery, the current market price or depreciated replacement cost method is used, whereby, current cost of construction of similar lease-hold land, factory buildings and roads on lease-hold land and plant and machinery in similar locations has been adjusted using suitable depreciation rates to arrive at present market value. This technique requires significant judgment as to estimating the revalued amount in terms of their quality, structure, layout and locations.

We identified valuation of property plant and equipment as a key audit matter due to the significant carrying value and the significant management judgement and estimation involved in determining their value due to factors described above. Our audit procedures in relation to the matter, amongst others, included:

- Evaluated the qualification, experience and competence of the independent external property valuation expert engaged by the Company as management expert for valuation;
- Obtained understanding of the valuation process and techniques adopted by the valuation expert to assess, if they are consistent with the industry norms;
- Obtained the valuation report of external valuation expert and tested mathematical accuracy of the reports;
- Engaged another independent valuation expert as an auditor expert to assess the appropriateness and the reasonableness of the related management's assumptions and methodologies used by the management expert; and
- Assessed the adequacy of the related disclosures in the annexed financial statements. In accordance with applicable accounting and reporting standards.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's reports thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we

conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Mr. JehanZeb Amin.

Notes to the Financial Statements

For the year ended June 30, 2023

1. LEGAL STATUS AND OPERATIONS

Ecopack Limited (the Company) was incorporated in Pakistan on August 25, 1991 as a private limited company and converted to a public limited company on April 29, 1992 under the then applicable Companies Ordinance, 1984 (repealed upon enactment of the Companies Act, 2017) and commenced its commercial production in 1993. The Company has its shares quoted on the Pakistan Stock Exchange Limited. The Company is principally engaged in manufacturing and sale of Polyethylene Terephthalate (PET) bottles and preforms for beverages and other liquid packaging industry. The head office of the Company is situated at 19, Main Street City Villas, Near High Court Road, Rawalpindi and its registered office and manufacturing facility is located at Hattar Industrial Estate, Khyber Pakhtunkhwa.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- i) International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- ii) Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3. CHANGES IN ACCOUNTING STANDARDS, INTERPRETATIONS AND PRONOUNCEMENTS

3.1 Standards, amendments and interpretations to existing standards that are not yet effective and have not been early adopted by the Company:

| | | Effective date (annual reporting periods beginning on or after) |
|---------|---|--|
| IAS | Presentation of Financial Statements (Amendments) | January 1, 2023 |
| IAS 8 | Accounting Policies, Changes in Accounting | |
| | Esitmates and Errors (Amendments) | January 1, 2023 |
| IAS 12 | Income Taxes (Amendments) | January 1, 2023 |
| IFRS 4 | Insurance contracts (Amendments) | January 1, 2023 |
| IAS 7 | Statement of Cash Flows (Amendments) | January 1, 2023 |
| IFRS 7 | Financial Instruments | January 1, 2023 |
| IFRS 16 | Leases (Amendments) | January 1, 2024 |

The management anticipates that adoption of above standards, amendments and interpretations in future periods, will have no material impact on the financial statements other than in presentation / disclosures.

3.2 Further, the following new standards and interpretations have been issued by the International Accounting Standards Board (IASB), which are yet to be notified by the Securities and Exchange Commission of Pakistan (SECP), for the purpose of their applicability in Pakistan:

IFRS 1First-time Adoption of International Financial Reporting StandardsIFRS 17Insurance ContractsIFRIC 12Service Concession Arrangement

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 Basis of preparation

These financial statements have been prepared under the historical cost convention except as otherwise stated in respective accounting policies notes.

The significant accounting policies adopted in the preparation of these financial statements are set-out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

4.2 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the company operates. These financial statements are presented in Pakistani Rupees, which is the company's functional currency. All financial information presented in Pakistani Rupees has been rounded to the nearest rupee unless otherwise stated.

4.3 Property, plant and equipment

4.3.1 Owned assets

These, except for lease-hold land, factory building & roads on lease-hold land and plant & machinery are stated at cost less accumulated depreciation and impairment losses, if any. Lease-hold land is stated at revalued amount, where as factory building & roads on lease-hold land and plant & machinery are stated at revalued amount less accumulated depreciation and impairment losses, if any. Cost in relation to operating fixed assets comprises of acquisition and other directly attributable costs. Revaluation is carried out by independent expert. The Company carries out revaluations periodically, considering the change in circumstances and assumptions from latest revaluation. The latest revaluation is carried out at June 30, 2023. Capital work-in-progress and major spare parts and standby equipment are stated at cost.

The cost of replacing part of an item of owned assets is recognized in the carrying amount of the item if it is probable the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The cost of the day-to-day servicing of owned assets are recognized in the statement of profit and loss as incurred.

Increase in the carrying amount arising on revaluation of freehold land, building and roads and plant & machinery are recognized in other comprehensive income and accumulated in shareholders' equity under the heading surplus on revaluation of property, plant and equipment. To the extent that the increase reverses a decrease previously recognized in statement of profit or loss, the increase is first recognized in statement of profit or loss. Decreases that reverse previous increases of the same asset are first recognized in other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to statement of profit or loss.

Depreciation on property, plant and equipment is calculated using either straight line method or reducing balance method to allocate their cost over their estimated useful life at the rates specified in note 6.1. Depreciation for factory assets is charged to cost of sales while depreciation for other property, plant and equipment is charged to administrative and general expenses and selling and distribution expenses on actual usage basis. Depreciation of an asset begins when it is available for use, i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management till disposal.

The gain or loss on disposal of an asset, calculated as difference between the sale proceed and carrying amount of the asset, is recognized as other income in statement of profit or loss for the year.

4.3.2 Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. It consists of expenditure incurred and advances made in respect of operating fixed assets, capital stores and intangibles assets in the course of their acquisition, construction and installation.

4.3.3 Right-of-use assets

The Company assesses whether a contract is or contains a lease at inception of the contract. If the company assesses contract contains a lease and meets the requirements of IFRS 16, the Company recognises rightof-use assets at the commencement date of the lease i.e. the date the underlying asset is available for use. Right-of-use assets are measured at cost less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities except plant and machinery for which the Company has elected to use the revaluation model. The cost comprising the following:

- the amount of the initial measurement of lease liabilities;
- any lease payments made at or before the commencement date less any lease incentives received;
- initial direct costs; and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use assets are depreciated over the underlying assets' useful life.

4.4 Impairment of non-financial assets

Assets that have an indefinite useful life, for example land, are not subject to amortisation or depreciation and are tested annually for impairment. Assets that are subject to depreciation / amortisation are reviewed for impairment at each statement of financial position date or whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Reversals of the impairment losses are restricted to the extent that assets carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised. An impairment loss or reversal of impairment loss is recognised in the statement of profit or loss.

4.5 Intangible assets

An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the asset will flow to the Company and that cost of such an asset can also be measured reliably.

Intangible assets are measured on initial recognition at cost, being the fair value of the consideration given. Following the initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company does not have an intangible asset with indefinite useful life. Intangible assets with finite useful lives are amortized over the period of their useful economic life. The Company's intangible assets with finite useful lives include software, which are amortized on a straight line basis over their period of useful economic life.

In respect of additions and disposals of intangible assets made during the year, amortization is charged to the statement of profit or loss when it is available for use till disposal.

Changes in the expected useful lives or the expected pattern of consumption of future economic benefits, embodied in the intangible assets, are accounted for by changing the life or amortization method, as appropriate, and treated as a change in accounting estimate. The recognized expense on intangible assets with finite lives is recognized in the statement of profit or loss in the expense category, consistent with the function of the intangible asset.

4.6 Stores and spares

Stores and spares are stated at cost less allowance for obsolete and slow moving items. Cost is determined using weighted average method. Items in transit are measured at invoice value plus other related charges paid thereon, up to the statement of financial position date.

4.7 Stock-in-trade

Raw materials and packing materials are valued at weighted average cost and finished goods are valued at lower of weighted average cost and net realizable value. Raw material and packing material in transit are measured at invoice value plus other charges paid thereon, up to the statement of financial position date.

Preforms and PET Bottles are stated at the lower of cost and net realisable value. Cost is determined using the average manufacturing cost method. The cost of finished goods and work in process comprises raw materials, direct labour, other direct costs and related production overheads.

Net realisable value is the estimated selling price in ordinary course of business, less estimated cost of completion and costs that would necessarily be incurred to make the sale.

The Company reviews the carrying amount of stock in trade on regular basis and provision is made for obsolescence for items which are slow moving. A provision is made for excess of book value over the estimated net realizable value.

4.8 Trade debts

These are recognised and carried at the original invoice amounts, being the fair value, less an allowance for uncollectible amounts, if any. As explained in note 4.22 to these financial statements, the Company applies IFRS 9 simplified approach to measure the expected credit losses (ECL). The ECL model requires the Company to recognise an allowance for doubtful debt on all financial assets carried at amortized cost, as well as debt instruments classified as financial assets carried at fair value through other comprehensive income, since initial recognition, irrespective whether a loss event has occurred.

4.9 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of statement of cash flows, cash and cash equivalents comprise of cash in hand, bank balances, short term running finance / bank overdrafts and short-term investments that are highly liquid, readily convertible to known amounts of cash with insignificant risk of changes in value and have original maturity period of three month or less from the date of acquisition. Bank overdrafts are shown in current liabilities on the statement of financial position.

4.10 Borrowings and borrowing cost

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the statement of profit or loss over the period of the borrowings using the effective interest method.

Borrowing costs which are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of that asset. All other borrowing costs are charged to statement of profit or loss.

4.11 Employees' benefits

The Company operates a provident fund and a funded gratuity scheme for its employees as per details below:

4.11.1 Share based payment arrangements

An entity recognizes a cost over the vesting period and a corresponding liability. Measurement is based on the fair value of the liability at each reporting date, and it is remeasured until settlement date. The share based payment is classified and accounted for as either equity settled or cash settled, depending on whether the entity has a present obligation to settle in cash.

4.11.2 Defined contribution plan

The Company operates an approved contribution provident fund for its permanent employees. Equal monthly contributions are made, both by the Company and the employees to the fund at the specified rate of employees' basic salary. The Company's obligation for the contribution to the provident fund is recognized in the statement of profit or loss, as incurred. Investments out of provident fund have been made in accordance with the provisions of section 218 of Companies Act, 2017 and applicable rules.

4.11.3 Defined benefit plan

The Company operates an approved gratuity fund for its non-management employees, who have completed specified years of service with the Company. The liability recognized in respect of the gratuity fund is the present value of the define benefit obligation under the scheme at the statement of financial position date.

The liability for gratuity is provided on the basis of amounts payable in respect of accumulated period of service of eligible employees on the basis of actuarial valuation, using Projected Unit Credit Method. The details of actuarial valuation carried out as at June 30, 2023 are given in note 22.

Calculation of gratuity requires assumptions to be made of future outcomes which mainly include increase in remuneration, expected long-term return on plan assets and the discount rate used convert future cash flows to current values. Calculations are sensitive to changes in the underlying assumptions.

The actuarial gains and losses (remeasurement gains / losses) on employees' retirement benefit plans are recognized immediately in other comprehensive income.

Past service costs are recognized in the statement of profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognizes restructuring-related costs.

The Company recognizes the following changes in the defined benefit obligation in the statement of profit or loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Interest expense on net liability / (asset).

4.12 Lease liabilities

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms and conditions.

Lease payments in the measurement of the lease liability comprise the following:

- a) fixed payments, including in-substance fixed payments;
- b) variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- c) amounts expected to be payable under a residual value guarantee; and
- d) the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liabilities are measured at amortised cost using the effective interest method. These are remeasured when there is a change in future lease payments arising from a change in fixed lease payment, an index or rate, change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liabilities are remeasured in this way, the corresponding adjustment is made to the carrying amount of the right-to-use asset, or is recorded in profit and loss if the carrying amount of right-to-use asset has been reduced to zero.

The Company has opted not to recognize right of use assets for low value assets and short term leases of equipment and vehicles i.e. leases with a term of twelve (12) months or less. The payments associated with such leases are recognized in statement of profit or loss when incurred.

4.13 Trade and other payables

Liabilities for trade and other payables, including payable to related parties, are carried at cost, which is the fair value of the consideration to be paid in future for goods and/or services received, whether or not billed to the Company.

4.14 Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are reviewed at each statement of financial position date and adjusted to reflect the current best estimate.

Contingent liability is disclosed when the Company has as possible obligation as a result of past event whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future not wholly within the control of the Company; or the Company has a present legal or constructive obligation that arises from the past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

4.15 Taxation

Income tax comprises of current and deferred tax. Income tax expense is recognised in the statement of profit or loss, as incurred.

(I) Current

Provision for current taxation is based on taxable income for the year determined in accordance with prevailing law for taxation on income at the applicable rates of taxation after taking into account tax credits and tax rebates, if any. Income tax expense is recognised in the statement of profit or loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

(ii) **Deferred**

Deferred income tax is recognised using the statement of financial position liability method in respect of all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts appearing in the financial statements. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that deductible temporary differences will reverse in the future and taxable income will be available against which the deductible temporary differences, unused tax losses and tax credit can be utilised.

Deferred tax asset and liability is measured at the tax rate that is expected to apply to the period when the asset is realised or the liability is settled, based on tax rates that have been enacted. Deferred tax is charged or credited to income except in the case of items credited or charged to equity in which case it is included in equity.

4.16 Dividend and revenue reserve appropriation

Dividend and movement in revenue reserves are recognised in the financial statements in the period in which these are approved.

4.17 Foreign currency transactions and balances

Foreign currency transactions are translated into Pakistani Rupees at the rates of exchange ruling on the date of the transaction. All monetary assets and liabilities denominated in foreign currencies are translated into functional currency using the exchange rate prevailing at the statement of financial position date. Exchange differences are dealt with through the statement of profit or loss.

4.18 Revenue recognition

The Company recognises revenue at point of time when control of product is transferred to customer. Control is considered to be transferred in case of local sales when the finished goods are directly uplifted by customer from the warehouse or when it is delivered by the Company at customer premises. In case of export sales, control is considered to be transferred when the finished goods are shipped to the customer.

Revenue is measured based on the consideration agreed with a customer and excludes sales tax / government levies and amounts collected on behalf of third parties. Revenue is presented net of discounts, rebates and returns.

No element of financing is deemed present as the sales are made with a credit term of upto 30 days, which is consistent with the market price.

4.19 Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors that makes strategic decisions. The management has determined that the Company has two reportable segments i.e. injection and blowing

Management monitors the operating results of above mentioned segments separately for the purpose of making decisions about resources to be allocated and for assessing performance. Segment results and assets include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Finance cost, other income, other expenses and taxation are managed at the Company level. Unallocated assets include security deposits, prepayments & other receivables and bank balances whereas unallocated liabilities include loans from related parties, deferred taxation, accrued mark-up and short term borrowings.

4.20 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding during the weighted average number of ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

4.21 Government grants

Government grants are recognised at their fair value when there is a reasonable assurance that the grant will be received and all the conditions precedent thereto will be complied with.

Government grant includes any benefit earned on account of a government loan obtained at below-market rate of interest. The loan is recognised and measured in accordance with IFRS 9 "Financial Instruments". The benefit of the below-market rate of interest is measured as the difference between the initial carrying value of the loan determined in accordance with IFRS 9 and the proceeds received.

4.22 Financial instruments

Financial instruments are recognized in the statement of financial position when the Company becomes a party to the contractual provisions of the instrument. All the financial assets are derecognized at the time when the Company losses control of the contractual rights that comprise the financial assets. All financial liabilities are derecognized at the time when they are extinguished that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gains or losses on de-recognition of the financial assets and financial liabilities are taken to the statement of profit or loss.

(a) Financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- i) amortized cost where the effective interest rate method will apply;
- ii) fair value through profit or loss;
- iii) fair value through other comprehensive income.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in statement of profit or loss or other comprehensive income. For investment in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVOCI). The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commit to purchase or sell the asset. Further financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership.

Measurement

At initial recognition, the Company measure a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVTPL are expensed in statement of profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company can classifies its debt instruments:

i) Amortised cost

Assets that are held for collection of contractual cash flows where the contractual terms of the financial assets give rise on specified dates to cash flows that represent solely payments of principal and interest, are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in statement of profit or loss and presented in other income together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss.

ii) Fair value through other comprehensive income (FVTOCI)

Debt securities, where the contractual cashflows are solely principal and interest and the objective of the Company's business model is achieved both by collecting contractual cashflows and selling financial assets are measured at FVTOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in statement of profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit or loss and recognised in other income. Interest income from these financial assets is included in finance income using the effective interest rate method. Foreign exchange gains and losses are presented in other income and impairment expenses are presented as separate line item in the statement of profit or loss.

iii) Fair value through profit and loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL is recognised in the statement of profit or loss and presented in finance income/cost in the period in which it arises.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to statement of profit or loss following the derecognition of the investment. Dividends from such investments continue to be recognised in statement of profit or loss as other income when the Company's right to receive payments is established.

Impairment of financial assets

The Company assess on a historical as well as forward-looking basis, the expected credit loss (ECL) as associated with its debt instruments, trade debts, short term investment and deposits and other receivables carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Following are financial instruments that are subject to the ECL model:

- Trade debts
- Loans and advances
- Trade deposits and other receivables
- Short term investments
- Cash and bank balances

i) General approach for loans and advances, trade deposits and other receivables and cash and bank balances.

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information (factors that are specific to the counterparty, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate). As for the exposure at default for financial assets, this is represented by the assets' gross carrying amount at the reporting date. Loss allowances are forward looking, based on 12 month expected credit losses where there has not been a significant increase in credit risk rating, otherwise allowances are based on lifetime expected losses.

Expected credit losses are a probability weighted estimate of credit losses. The probability is determined by the risk of default which is applied to the cash flow estimates. In the absence of a change in credit rating, allowances are recognised when there is reduction in the net present value of expected cash flows. On a significant increase in credit risk, allowances are recognised without a change in the expected cash flows, although typically expected cash flows do also change; and expected credit losses are rebased from 12 month to lifetime expectations.

Significant increase in credit risk

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk, the Company compares the risk of a default occurring on the instrument as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportable forward-looking information.

The following indicators are considered while assessing credit risk

- actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the debtor's ability to meet its obligations;
- actual or expected significant changes in the operating results of the debtor;
- significant increase in credit risk on other financial instruments of the same debtor; and

- significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees, if applicable.

Definition of default

The Company considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that receivables that meet either of the following criteria are generally not recoverable.

- when there is a breach of financial covenants by the counterparty; or
- information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Company, in full (without taking into account any collaterals held by the Company).

Irrespective of the above analysis, in case of trade debts, the Company considers that default has occurred when a debt is more than 90 days past due, unless the Company has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Credit - impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- significant financial difficulty of the issuer or the borrower;
- a breach of contract, such as a default or past due event;
- the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise consider;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for that financial asset because of financial difficulties.

ii) Simplified approach for trade debts

The Company recognises life time ECL on trade debts, using the simplified approach. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes; and
- reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions.

Trade debts with individually significant balance are separately assessed for ECL measurement. All other trade debts are grouped and assessed collectively based on shared credit risk characteristics and the days past due. The expected credit losses on these financial assets are estimated using a provision matrix approach based on the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

Where lifetime ECL is measured on a collective basis to cater for cases where evidence of significant increases in credit risk at the individual instrument level may not yet be available, the financial instruments are grouped on the following basis:

- Nature of financial instruments;
- Past-due status;
- Nature, size and industry of debtors; and
- External credit ratings where available.

The grouping is regularly reviewed by management to ensure the constituents of each group continue to share similar credit risk characteristics.

Recognition of loss allowance

The Company recognizes an impairment gain or loss in the statement of profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account, except for investments in debt instruments that are measured at FVTOCI, for which the loss allowance is recognised in other comprehensive income and accumulated in the investment revaluation reserve, and does not reduce the carrying amount of the financial asset in the statement of financial position.

Write-off

The Company writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. The assessment of no reasonable expectation of recovery is based on unavailability of debtor's sources of income or assets to generate sufficient future cash flows to repay the amount.

The Company may write-off financial assets that are still subject to enforcement activity. Subsequent recoveries of amounts previously written off will result in impairment gains.

(b) Financial Liabilities

Classification, initial recognition and subsequent measurement

Financial liabilities are classified in the following categories:

- fair value through profit or loss; and
- other financial liabilities.

The Company determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognized initially at fair value and, in case of other financial liabilities also include directly attributable transaction costs. The subsequent measurement of financial liabilities depends on their classification, as follows:

i) Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held-for-trading and financial liabilities designated upon initial recognition as being at fair value through profit or loss. The Company has not designated any financial liability upon recognition as being at fair value through profit or loss.

ii) Other financial liabilities

After initial recognition, other financial liabilities which are interest bearing subsequently measured at amortized cost, using the effective interest rate method and are measured at present value. Gain and losses are recognized in profit or loss for the year, when the liabilities are derecognized as well as through effective interest rate amortisation process.

Derecognition of financial liabilities

The Company derecognises financial liabilities when and only when the Company's obligations are discharged, cancelled or they expire.

Offsetting financial assets and financial liabilities

Financial assets and liabilities are offset and the net amount presented in the statements of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

4.23 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market is accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

| Level 1 | - | Quoted (unadjusted) market prices in active markets for identical assets or liabilities; |
|---------|---|---|
| Level 2 | - | Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and |
| Level 3 | - | Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable |

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Board determines the policies and procedures for both recurring fair value measurement and for nonrecurring measurement. External valuers may be involved for valuation of significant assets and significant liabilities. For the purpose of fair value disclosures, the Company determines classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

4.24 Other Income

The Company recognises following in other income:

- i) Income on bank deposits and short-term investments using the effective yield method.
- ii) Dividend income is recognized when the right to receive dividend is established.
- iii) Income from other non-recurring goods and services is recognised when the control is transferred and performance obligations are fulfilled.

5. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with the approved accounting and reporting standards requires the use of certain accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements, are as follows:

i) Estimated useful life of operating fixed assets - note 4.3.1

The Company annually reviews appropriateness of the method of depreciation, useful life and residual value used in the calculation of depreciation. Further, where applicable, an estimate of the recoverable amount of asset is made for possible impairment on an annual basis. Any change in these estimates in the future, might affect the carrying amount of the respective item of property and equipment, with a corresponding effect on the depreciation and impairment.

ii) Surplus on revaluation of property, plant and equipment - note 4.3.1

The Company carries out revaluations, considering the change in circumstances and assumptions from latest revaluation. The fair value of the Company's free hold land, buildings & roads and plant & machinery is assessed by management based on independent valuation performed by an external property valuation expert as at year end. For valuation of free hold land, buildings & roads and plant & machinery, the current market price or depreciated replacement cost method is used, whereby, current cost of construction of similar free hold land, buildings & roads and plant & machinery in similar locations has been adjusted using suitable depreciation rates to arrive at present market value. This technique requires significant judgment as to estimating the revalued amount in terms of their quality, structure, layout and locations.

iii) Provision for stores and spares - note 4.6

For items which are slow-moving and/or identified as obsolete, adequate provision is made for any excess book value over estimated realisable value on a regular basis. The Company reviews the carrying amount of stores and spares on a regular basis and provision is made for obsolescence.

iv) Write down of stock in trade to net realizable value - note 4.7

Net realisable value is determined on the basis of estimated selling price of the product in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

If the expected net realisable value is lower than the carrying amount, a write-down is recognised for the amount by which the carrying amount exceeds its net realisable value. Provision is made in the unconsolidated financial statements for obsolete and slow moving stock-in-trade based on management estimate.

v) Estimation of impairment loss allowance - note 4.8

The Company reviews the Expected Credit Loss (ECL) model which is based on the historical credit loss experience over the life of the trade receivables and adjusted, if required. The ECL model is reviewed on a quarterly basis.

vi) Provision for employees' defined benefit plans - note 4.11

Defined benefit plans are provided for all employees of the Company. These calculations require assumptions to be made of future outcomes, the principal ones being in respect of increases in remuneration and the discount rate used to convert future cash flows to current values. The assumptions used vary for the different plans as they are determined by independent actuaries annually.

vii) Provision for current and deferred tax - note 4.15

In making the estimate for tax payable, the Company takes into account applicable tax laws, the decisions taken by the appellate authorities on certain issues in the past and professional advice of tax consultant of the Company.

viii) Provisions and contingencies - notes 4.14 and 26

The management exercises judgement in measuring and recognizing provisions and exposures to contingent liabilities related to pending litigations or other outstanding claims. Judgement is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement.

ix) Estimation of lease term and incremental borrowing rate for lease liabilities and right of use assets - notes 4.3 and 4.12.

IFRS 16 requires the Company to assess the lease term as the non-cancellable lease term in line with the lease contract together with the period for which the Company has extension options which the Company is reasonably certain to exercise and the periods for which the Company has termination options for which the Company is not reasonably certain to exercise those termination options.

A significant portion of the lease contracts included within Company's lease portfolio includes lease contracts which are extendable through mutual agreement between the Company and the lessor or lease contracts which are cancellable by the Company on immediately or on short notice. In assessing the lease term for the adoption of IFRS 16, the Company concluded that these cancellable future lease periods should be included within the lease term in determining the lease liability upon initial recognition. The reasonably certain period used to determine the lease term is based on facts and circumstances related to the underlying leased asset and lease contracts and after consideration of business plan of the Company which incorporates economic, potential demand of customers and technological changes.

| 48,258,417 | 41,963,841 | - | 482,584 | 419,638 |

0000

- **16.3** The Company in its 31st annual general meeting dated October 28, 2022 approved issue of bonus shares at 15% i.e. 15 shares for every 100 shares held. As a result 6,294,576 bonus shares issued from revenue reserve.
- **16.4** Ordinary shares have a par value of Rs 10 each. They entitle the holder to participate in dividends, as declared from time to time, and to share in the proceedings of the winding up of the Company in the proportion to the number of and amounts paid on the shares held. Further, the holder is entitled to one vote per share at the general meetings of the Company.

17. SURPLUS ON REVALUATION OF PROPERTY, PLANT AND EQUIPMENT

The Company follows revaluation model for lease-hold land, factory building and roads on lease-hold land and plant & machinery. The fair value of these items were assessed by management based on independent valuation performed by an external valuation expert M/s Iqbal A. Nanjee & Co. as at June 30, 2023. For valuation of these items, the current market price or depreciated replacement cost method is used, whereby, current purchase / construction cost of similar items in similar locations has been adjusted using suitable depreciation rates to arrive at present market value. This technique requires significant judgment as to estimating the revalued amount in terms of their quality, structure, layout and locations. Movement during the year is as follows:

| NoteRupees in thousandBalance at the beginning of the year227,635160,663Add: surplus on revaluation carried-out during the year164,86389,141Reversal of surplus on recognition of impairment loss on idle machinery(5,101)-Incremental depreciation transferred to unappropriated profits(29,722)(22,169)357,675227,635227,635Less: deferred tax on(44,055)(39,430)- Balance at beginning of the year(51,857)(11,054)- deferred tax on reversal of revaluation surplus for the year9,8086,429(84,421)(44,055)(44,055)6,429Balance at the end of the year17,1273,254183,580 | | | 2023 | 2022 |

- 18.1 This represents subsidized rate Term Finance obtained under State Bank of Pakistan's (SBP) Refinance Scheme for Payment of Wages and Salaries to combat effect of COVID-19. Tenor of the loan was 2 years and 6 months (inclusive of 6 month grace period started from July 2020). The loan is repayable in 8 equal quarterly installments starting from January 2021. It carries mark-up at SBP Rate plus 2% per annum payable quarterly. The loan is secured by joint pari passu on all present and future fixed assets (plant & machinery) of the Company with 25% margin.
- **18.2** This represents term loan obtained in year 2019 for letter of credit arrangements of the capital expenditure. Tenor of the loan is five years, including six months grace period. This is repayable in 20 equal quarterly installments started from May 24, 2019. It carries mark-up at 3 months KIBOR plus 1.5% per annum payable on quarterly basis. This loan is secured by specific (first exclusive) charge of Rs 171,000 thousand on imported / purchased machinery. Principal repayments of the loan were deferred for a period of one year in pursuance of BPRD Circular No. 6 dated April 10, 2020.
- 18.3 This represents subsidized rate term loan obtained during the year 2020 under Temporary Economic Refinance Facility (TERF) of State Bank of Pakistan (SBP) for letter of credit arrangements of the capital expenditure. Tenor of the loan is six years, including one year grace period. This is repayable in 20 equal quarterly installments starting from March 1, 2022. It carries mark-up at 5% per annum payable on quarterly basis. This loan is secured by specific (first exclusive) charge of Rs 171,000 thousand over imported / purchased machinery.
- **18.4** This represents finance obtained from PAIR Investment Company Limited under sale and lease back arrangement. As per terms of agreement, the Company has an option to repurchase the assets back upon expiry of lease term, accordingly proceeds through this arrangement are classified as a financial liability in accordance with IFRS 9. Tenor of the arrangement is 5 years and with 60 equal monthly installments. It carries mark-up at 3 months KIBOR plus 1.5% per annum. The loan is secured by charge over plant and machinery of the Company amounting to Rs 54,710 thousand.
- 18.5 This represents subsidized rate Term Finance obtained under State Bank of Pakistan's (SBP) Refinance Scheme for Payment of Wages and Salaries to combat effect of COVID-19. Tenor of the loan was 2 years and 9 months (inclusive of 6 month grace period started from July 2020). The loan is repayable in 8 equal quarterly installments starting from January 2021. It carries mark-up at SBP Rate plus 3% per annum payable quarterly. The loan is secured by pari passu charge over land, building, plant and machinery of the Company amounting Rs 84,200 thousand.
- **18.6** Loan proceeds of subsidized loans have been recognized at present value of future cashflows discounted at market interest rate. The difference between loan proceeds and the present value of future cashflows has been recognized as deferred government grant.
- **18.7** In case of certain loan arrangements, the respective lenders have waived the requirements of certain covenants of the respective loan agreements. Accordingly, the liabilities under those loan agreements continue to be classified as per the repayment schedule applicable in respect of the respective loan agreements.

20.1 The Company's leased assets comprise of plant and machinery and vehicles. During the year 2018, the Company obtained leased plant and machinery from Habib Bank Limited and Bank of Khyber. Leased vehicles have been obtained during different time periods from year 2016 to year 2023. Plant and machinery and vehicles both have lease term of five years and lease for solar is of seven years. Under the terms of lease arrangement, the Company has an option to acquire leased assets at the end of respective lease term and intends to exercise the option. There are no restrictions imposed on the Company under the terms of leases. The interest rate used for the calculation of the present value of minimum lease payments, are 4.25% to 24.24% (2022: 4.25% to 16.91%) per annum.

21.2 The deferred tax asset in respect of tax losses and tax credits has been recognised taking into account the availability of future taxable profits as per business plan of the Company. The existence of future taxable profits is based on business plan which involves making judgements regarding key assumptions underlying the estimation of the future taxable profits of the Company. These assumptions, if not met have significant risk of causing a material adjustment to the carrying amount of deferred tax. It is probable that the Company will be able to achieve the profits projected in the business plan. The minimum tax credits expire as follows:

2023 2022 Rupees in thousand

22.10 Year End Sensitivity Analysis (± 100 bps) on Defined Benefit Obligation

| Discount Rate + 100 bps | 41,090 | 31,306 |
|---------------------------|--------|--------|
| Discount Rate - 100 bps | 48,012 | 36,922 |
| Salary Increase + 100 bps | 48,088 | 36,997 |
| Salary Increase - 100 bps | 40,964 | 31,192 |

The average duration of the defined benefit obligation is 8 years.

22.11 Following significant assumptions were used by the actuary in valuation of the scheme:

| | 2023 | 2022 |
|--|---------|---------|
| Discount rate per annum (%) | 16.25% | 13.25% |
| Expected rate of increase in salary level per annum (%) - for future years | 16.25% | 13.25% |
| Average expected remaining working life time of employees | 8 years | 8 years |

- **22.12** The plan is a defined benefit plan invested through approved trust fund. The fund is governed under Trusts Act. Trust Deed and Rules of Fund, Companies Act, 2017, the Income Tax Ordinance, 2001 and the Income Tax Rules, 2002. The trustees of the fund are appointed by the Company and are responsible for plan administration and investment. All trustees are employees of the Company.
- **22.13** The defined plan exposes the company to the following risks:

Final salary risk:

The risk that the final salary at the time of cessation of service is greater than what the company has assumed. Since the benefit is calculated on the final salary, the benefit amount would also increase proportionately.

Withdrawal risks:

The risk of higher or lower withdrawal experience than assumed. The final effect could go either way depending on the beneficiaries' service / age distribution and the benefit.

Mortality risks:

The risk that the actual mortality experience is different. Similar to the withdrawal risk, the effect depends on the beneficiaries' service / age distribution and the benefit.

Discount rate fluctuation:

The plan liabilities are calculated using a discount rate set with reference to market yields on government bonds. A decrease in market yields on government bonds will increase plan liabilities, although this will be partially offset by an increase in the value of the current plans bond holdings.

Investment risks:

The risk of the investment underperforming and not being sufficient to meet the liabilities. The risk is mitigated by closely monitoring the performance of investment.

Risk of insufficiency of assets:

This is managed by making regular contribution to the fund as advised by the actuary.

27. CONTINGENCIES AND COMMITMENTS

27.1 Contingencies

- 27.1.1 In respect of tax year 2017, Deputy Commissioner Inland Revenue (DCIR) passed an order on May 20, 2020, against the Company regarding inadmissibility of sales tax input amounting to Rs 35,995 thousand. Commissioner Inland Revenue (Appeals) [CIR(A)] upheld the order of DCIR. The Company has filed an appeal against the decision of CIR(A) before Appellate Tribunal, which is pending for adjudication.
- **27.1.2** On June 17, 2020, Additional Collector (Withholding) Khyber-Pakhtunkhwa Regulatory Authority (KPRA) passed an order against the Company regarding alleged non withholding of sales tax for an amount of Rs 18,902 thousand. Against the Company's appeals, Collector (Appeals), KPRA' and 'Appellate Tribunal for Sales Tax on Services, KPK' upheld the order of Additional Collector. The Company has filed a reference before Peshawar High Court against the Order of Appellate Tribunal, which is pending for adjudication.
- **27.1.3** There is a Civil Suit No. 1954 of 2022 at the Honorable Sindh High Court (SHC) filed by the CEO of the Company against the Company, some Shareholders and the Board of Directors which is pending adjudication. In the suit, the incumbent CEO has challenged, inter alia, his removal as the CEO and acquisition of shares in the Company by certain shareholders in alleged violation of takeover laws.

The management and its advisors are confident that the cases will be decided in its favour as the demand is without legal substance. Accordingly, no provision has been recognized in these financial statements in this respect.

27.2 Commitments

27.2.1 Bank guarantees have been issued by two financial institutions of the Company for an aggregate amount of Rs 7,154 thousand (2022: Rs 63,230 thousand) in favor of the Company's fuel and utility suppliers.

38. SEGMENT REPORTING

38.1 Description of operating segments

Business segments are determined based on the Company's management and internal reporting structure. The Company has two operating segments which are also the reporting segments i.e., injection and blowing.

| Reportable segments | Operations |
|---------------------|---|
| Injection | Engaged in buying PET Resin/ receive from customers and other raw materials for the purpose of production of PET preforms (finished product of this segment) which is used as a raw material in Blowing segment for manufacturing of PET bottles. |
| Blowing | Engaged in using PET preforms produced by the Injection segment, purchasing PET preforms/ receive from customers and other raw materials from external suppliers for the purpose of production of PET bottles (finished product of this segment). |

The Company's Chief Executive officer reviews the internal management reports of each segment at least quarterly.

38.2 Information about reportable segments

Information related to each reportable segment is set out below. Segment profit before tax is used to measure performance because management believes that this information is the most relevant in evaluating the results of the respective segments relative to other entities that operate in the same industries.

| 2023 Total Revenue 3,977,2 Less: Intersegment sales | | 2022 4,069,721 | 2023 Rupees in 3,404,851 | 2022 thousand 2,523,037 | 2023 | 2022 |

40. FINANCIAL RISK MANAGEMENT

40.1 Financial risk factors

The Company has exposure to the following risks from its use of financial instruments:

- credit risk
- liquidity risk
- market risk

The Board of Directors (the Board) has the overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Board of the Company oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Board is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Board.

a) Credit risk

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the credit worthiness of counterparties.

Concentration of credit risk arises when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their abilities to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentration of credit risk indicates the relative sensitivity of the Company's performance to developments affecting a particular industry.

Credit risk primarily arises from trade debts, loans and advances, other receivables and balances with banks. To manage exposure to credit risk in respect of trade debts, management performs credit reviews taking into account the customer's financial position, past experience and other relevant factors. Where considered necessary, advance payments are obtained from certain parties. The management has set an allowed credit period to reduce the credit risk. Credit risk on bank balances is limited as the counter parties are banks with reasonably high credit ratings. In respect of other counter parties, due to the Company's long standing business relationship with them, management does not expect non-performance by these counter parties on their obligations to the Company.

The Company recognises ECL for trade debts using the simplified approach as explained in note 4.22. As per the aforementioned approach, the loss allowance was determined as follows:

| | June 30, 2023 | | June 30, 2022 | |
|----------------------------|-------------------------|-------------------|----------------------|-------------------|
| | Gross carrying value | Loss allowance | Gross carrying value | Loss allowance |
| | Rupees in thousand | | | |
| Current (not past due) | 380,396 | (2,024) | 399,921 | (1,821) |
| 1–30 days past due | 167,170 | (2,089) | 37,433 | (389) |
| 31–60 days past due | 1,118 | (136) | 876 | (104) |
| 61–90 days past due | 7 | (3) | 4,835 | (1,696) |
| More than 90 days past due | 1,635 | (741) | 2,766 | (1,299) |
| | 550,326 | (4,993) | 445,831 | (5,309) |

ECL on other receivables is calculated using simplified approach (as explained in note 4.22). As at the reporting date, Company envisages that default risk on account of non-realisation of other receivables is minimal and thus based on historical trends adjusted to reflect current and forward looking information loss allowance has been estimated by the Company using a range of probable recovery pattern of related other receivables and assigning a time value of money to same. As per the aforementioned approach, the loss allowance for other receivables as at June 30, 2023 and June 30, 2022 is considered to be insignificant.

Based on past experience, the management believes that no further impairment allowance is necessary in respect of trade debts, loans and advances and other financial assets.

The credit quality of the Company's bank balances and short term investments have been assessed below by reference to external credit ratings of counterparties determined by the Pakistan Credit Rating Agency Limited (PACRA) and JCR - VIS Credit Rating Company Limited (JCR-VIS). The counterparties for which external credit ratings were not available have been assessed by reference to internal credit ratings determined based on their historical information for any defaults in meeting obligations.

| Counterparties without external credit rating | | | 2023 (Rupees in th | 2022 Iousand) |

b) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to manage liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses different methods which assists it in monitoring cash flow requirements and optimizing its cash return on investments. Typically the Company ensures that it has sufficient cash on demand to meet expected operational expenses for a reasonable period, including the servicing of financial obligation. This excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

The table below analyses the contractual maturities of the Company's financial liabilities into relevant maturity groupings based on the remaining period at the statement of financial position date to the maturity date. The amounts disclosed in the table are undiscounted cash flows.

| | Carrying amount | Contractual cash flows | Less than 1 Year | Between 1 to 5 years | 5 years and above |
|--------------------------------------|-----------------|---------------------------|---------------------|-------------------------|----------------------|
| | | F | Rupees in thou | sand | |
| As at June 30, 2023 | | | - | | |
| Long term finance - secured | 85,499 | 107,870 | 40,403 | 67,467 | - |
| Lease liabilities | 81,674 | 103,044 | 38,595 | 60,628 | 3,821 |
| Trade and other payables | 355,345 | 355,345 | 355,345 | - | - |
| Unclaimed dividend | 3,396 | 3,396 | 3,396 | - | - |
| Short term borrowings - secured | 1,099,683 | 1,099,683 | 1,099,683 | - | - |
| Short term running finance - secured | 24,588 | 24,588 | 24,588 | - | - |
| | 1,650,185 | 1,693,926 | 1,562,010 | 128,095 | 3,821 |
| As at June 30, 2022 | | | | | |
| Long term finance - secured | 147,039 | 172,672 | 72,988 | 99,234 | 450 |
| Lease liabilities | 177,537 | 202,445 | 123,574 | 69,864 | 9,007 |
| Trade and other payables | 378,877 | 378,877 | 378,877 | - | - |
| Unclaimed dividend | 2,937 | 2,937 | 2,937 | - | - |
| Short term borrowings - secured | 606,640 | 606,640 | 606,640 | - | - |
| Short term running finance - secured | 202 | 202 | 202 | - | - |
| | 1,313,232 | 1,363,773 | 1,185,218 | 169,098 | 9,457 |

The contractual cash flows relating to the above financial liabilities have been determined on the basis of interest/ mark-up rates effective at the respective year-ends. The rates of interest / mark-up have been disclosed in the respective notes to these financial statements.

It is not expected that the cash flows included in the maturity analysis could occur significantly earlier or at significantly different amounts.

c) Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The Company incurs financial liabilities to manage its market risk. All such activities are carried out with the approval of the Board. The Company is exposed to interest rate risk, currency risk and market price risk.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is mainly exposed to currency risk from its creditors.

| | 2023 (Rupees in | 2022 thousand) |
|---|---------------------------|-------------------|
| Foreign currency liabilities of the Company are as follows: | | |
| Trade and other payables | 41,307 | 1,238 |
| | 41,307 | 1,238 |

Sensitivity analysis:

Management runs a sensitivity analysis (what-if) in case USD currency appreciate in comparison with the functional currency by 10%.

Had there been a revaluation of monetary assets and liabilities, the foreign exchange gains / (losses) in the statement of profit or loss would have been as follows:

| | 2023 (Rupees in | 2022 thousand) |
|--|---------------------------|-------------------|
| Gross exposure on statement of profit or loss | 4,131 | 124 |
| Net of tax exposure on statement of profit or loss | 2,933 | 88 |

A 10% depreciation of USD vs. the functional currency would have had the equal but opposite effect to the amounts shown above, on the basis that all other variables remain constant.

| | | 2023 | 2022 |
|--|------------|------------------|------------------|
| | | Rupees | 6 |
| Average rate for the year Reporting date rate | USD USD | 248.33 286.57 | 182.25 206.00 |

ii) Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rate.

The Company's exposure to the risk of changes in market interest rates relates primarily to the fund obtained from Parent Company with floating interest rates.

| | 2023 | 2022 | Carrying Amount 2023 2022 (Rupees in thousand) |
|---|--|--|--|
| Fixed rate instruments | | | |
| Financial assets Financial liabilities | 4.5%- 5.0% | 4.5%- 5.0% | 58,738 72,539 |
| Variable rate instruments | | | |
| Financial assets Financial liabilities | 19.5% 3month KIBOR + 1.0% to 1.5% | 6.35%- 7.52% 3month KIBOR + 1.25% to 1.5% | 3,32310,0621,189,238848,656 |

Sensitivity analysis

Management runs a sensitivity analysis (what-if) in case interest rate appreciate in comparison with the current interest rate by 1%.

| | 2023 | 2022 |
|--|---------------|----------|
| | (Rupees in th | iousand) |
| Gross exposure on statement of profit or loss | | |
| Financial Assets | 33 | 101 |
| Financial Liabilities | 12,480 | 9,314 |
| | 12,513 | 9,415 |
| Net of tax exposure on statement of profit or loss | | |
| Financial Assets | 24 | 71 |
| Financial Liabilities | 8,861 | 6,613 |
| | 8,885 | 6,685 |
| | | |

iii) Price risk

Price risk is the risk that the fair value or future cash flows of the financial instruments will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) such as equity price risk, whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not exposed to any significant price risk as at reporting date.

40.2 Capital risk management

The Company is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Board monitors the return on capital and the level of dividend to ordinary shareholders. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders and / or issue new shares. There was no change to the Company's approach to the capital management during the year.

The Company is not subject to externally imposed capital requirements except for the maintenance of certain financial covenants. Under the terms of certain borrowing facilities, the Company is required to comply the following financial covenants:

- current ratio must not be less than 1.

The Company has complied with this covenants throughout the reporting period. As at June 30, 2023, the current ratio is 0.85 (2022 : 0.82). However, the Company has obtained waiver letters from the respective financial institutions for the year ended June 30, 2023 in respect of aforementioned covenant. Accordingly, the liabilities under these financing agreements have been classified as per the repayment schedule applicable in respect of the aforesaid financing agreements.

The Company monitors capital using a gearing ratio, which is calculated as net debt divided by total capital plus net debt. Net debt is calculated as amounts payable by the Company less cash and bank balances. Capital signifies equity as shown in the statement of financial position plus net debt. The Company's gearing ratio is as follows:

| | 2023 | 2022 |
|---|---------------|-----------|
| | (Rupees in th | housand) |
| Long term finances - secured | 85,499 | 147,039 |
| Lease liabilities | 81,674 | 177,537 |

| Trade and other payables | 400,186 | 478,466 |
| Unclaimed dividend | 3,396 | 2,937 |
| Short term borrowings - secured | 1,099,683 | 606,640 |
| Short term running finance - secured | 24,588 | 202 |
| Less: cash and cash equivalents | 84,328 | 25,715 |
| Net debt | 1,823,092 | 1,471,954 |
| Issued, subscribed and paid-up capital | 482,584 | 419,638 |
| Revenue reserve - Unappropriated profits | 419,483 | 427,835 |
| Surplus on revaluation of property, plant and equipment | 273,254 | 183,580 |
| Total capital | 1,175,321 | 1,031,053 |
| Capital and net debt | 2,998,413 | 2,503,007 |
| Gearing ratio | 0.61 | 0.59 |

40.3 Off-setting of financial assets and liabilities

For the year ended June 30, 2023, no financial assets and liabilities were subject to offsetting.

41. FAIR VALUE OF FINANCIAL ASSETS AND LIABILITIES

The carrying values of financial assets and liabilities approximate their fair value.

41.1 Fair value hierarchy

Certain property, plant and equipment of the Company was valued by independent valuer M/s. lqbal A. Nanjee & Co. to determine the fair value of property, plant and equipment as at June 30, 2023. The revaluation surplus was credited to other comprehensive income and is shown as 'surplus on revaluation of property, plant and equipment'. The different levels have been defined as follows:

- Level 1

Quoted prices (unadjusted) in active market for identical assets/ liabilities.

- Level 2

Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).

- Level 3

Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

Level 2 fair value of revalued property, plant and equipment has been derived using the current market price or depreciated replacement cost method. Sales prices of comparable property, plant and equipment in identical circumstances or close proximity are adjusted for differences in key attributes such as property size, structure, location, capacity etc. The most significant inputs into this valuation approach are price per Marla, price per square feet, depreciated replacement cost etc.

42. RECONCILIATION OF MOVEMENT OF LIABILITIES TO CASH FLOWS ARISING FROM FINANCING ACTIVITIES

43. REMUNERATION OF CHIEF EXECUTIVE, DIRECTORS AND EXECUTIVES

The aggregate amount charged in the financial statements for remuneration, including all benefits, to Chief Executive, Non-Executive Directors and Executives of the Company is as follows:

| | Chief Ex | ecutive | Direc | tors | Execu | tives |
|-----------------------------|----------|---------|-----------|----------|--------|--------|
| | 2023 | 2022 | 2023 | 2022 | 2023 | 2022 |
| | | | Rupees in | thousand | | - |
| Meeting fee | - | - | 6,500 | 5,900 | - | - |
| Managerial remuneration | 24,351 | 22,758 | - | - | 42,024 | 33,345 |
| Bonus | - | - | - | - | - | - |
| Employee benefits | 2,435 | 2,276 | - | - | 25,827 | 20,493 |
| Company's contribution to | - | | | | - | |
| provident and gratuity fund | - | - | - | - | 5,406 | 4,308 |
| Other perquisites | 1,593 | 1,628 | - | - | 4,894 | 3,731 |
| | 28,379 | 26,661 | 6,500 | 5,900 | 78,151 | 61,878 |
| Number of persons | 1 | 1 | 11 | 6 | 16 | 13 |

43.1 In addition to the above, the Chief Executive Officer and some of the executives have been provided with free use of the Company maintained cars. Charge for the year in respect of staff retirement benefit is determined on basis of actual contribution.

| 44. | GENERAL | | |
|------|---|---------------------------|---------------------------|
| 44.1 | Plant Capacity and Actual Production | 2023 | 2022 |
| | Blowing Capacity - no. of bottles (in '000) Production - no. of bottles (in '000) Utilization | 327,144 186,591 57% | 327,144 181,896 56% |
| | Injection Capacity - no. of preforms (in '000) Production - no. of preforms (in '000) Utilization | 728,864 432,383 59% | 728,864 456,581 63% |

Reason for under-utilization of capacity

Being seasonal nature of business, beverages and associated products have lower demand during winter season, therefore, production capacity during said period remain under-utilized, resulting in reduced capacity utilization over the year.

| 44.2 | Number of employees | 2023 | 2022 |
|------|---|------|------|
| | Number of employees at June 30 | | |
| | - Permanent | 219 | 224 |
| | - Contractual | 449 | 591 |
| | Average number of employees during the year | | |
| | - Permanent | 227 | 231 |
| | - Contractual | 454 | 430 |

44.3 Rounding off

Figures have been rounded off to the nearest thousand of rupees unless otherwise stated.

45. TRANSACTIONS AND BALANCES WITH RELATED PARTIES

Related parties of the Company comprise its directors, the employees' retirement benefit plan and key management personnel which include the CEO and directors. Amounts due from / (due to) related parties are disclosed in the relevant notes to these financial statements. The remuneration of Chief Executive, Directors and Executives is disclosed in note 42 to the statement of financial statements. Aggregate transactions with related parties during the year were as follows:

| | _2023 | 2022 |
|--|-----------|----------|
| Transactions during the year | Rupees in | thousand |
| Transactione addining the year | | |
| Contribution to staff provident fund | 21,378 | 17,999 |
| Contribution to employees' gratuity fund | 6,012 | 4,450 |
| Remuneration to key management personnel | 71,667 | 59,815 |
| Directors fee | 6,500 | 5,900 |
| Sales proceeds from disposal of car to CEO | 2,579 | |
| Bonus shares issued | 15% | 10% |

46. GENERAL

46.1 Seasonality

The Company's major customers are manufacturers of beverages, sales of which decrease in winter season. This ultimately impacts Company's sales. Due to the seasonal nature of business of the Company, higher revenues and profitability are usually expected in first and last quarters of the year.

46.2 Corresponding figures

Corresponding figures have been re-arranged and re-classified as follows, for the purposes of comparison and better presentation as per reporting framework. However, the change in corresponding figures has no material impact on previously reported financial position, financial performance and cash flow of the Company.

| Statement of financial position | | |
|---------------------------------|---------------------------------|---------------------|
| Reclassified from | Reclassified to | Rupees in thousands |
| Trade and other payables | Contract liabilities | 36,994 |
| Statement of profit or loss | | |
| Reclassified from | Reclassified to | Rupees in thousands |
| Cost of sales | Selling & distribution expenses | 76,783 |

47. DATE OF AUTHORIZATION FOR ISSUE

These financial statements have been authorised for issue by the Board of Directors of the Company on September 27, 2023.
