**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE  
MEMBERS OF SHAHZAD TEXTILE MILLS LIMITED  
REVIEW REPORT ON THE STATEMENT OF COMPLIANCE  
CONTAINED IN LISTED COMPANIES (CODE OF CORPORATE  
GOVERNANCE) REGULATIONS, 2019**

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Shahzad Textile Mills Limited (the Company) for the year ended June 30, 2022 in accordance with the requirements of regulation 38 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2022.

Further, we highlight below instances of non-compliance with the requirements of the Regulations as reflected in the paragraph reference where these are stated in the Statement of Compliance.

Sr. No.	Paragraph Reference	Description
1	19	Four Directors out of Seven have not acquired the prescribed certification under the Directors' Training Program as required under clause 19 of the Regulations.

has recommended to substitute the Clause 104 of the Articles of Association of the Company accordingly.

#### **Comparative Analysis**

##### **Existing Clause 104 of the Articles of Association**

104. Any general meeting may, upon recommendation of the Board, resolved that any undistributed profits of the company (including profit carried and standing to the credit of any reserve or reserves or other special accounts or representing premium received on the issue of shares and standing to the credit of the share premium account A/c and capital reserves arising from realized or unrealized appreciation of the assets or goodwill of the company or from any acquisition/sale of interest in other undertakings) not required for paying the dividends of any shares issue with preferential or other special or privileges in regard to dividend, be capitalized such capitalized undistributed profits and reserves shall be distributed amongst such of the shareholders as would be entitled to receive the same if distributed by way of dividend, and in the same proportion, on the footing that they become entitled thereto as capital. All or any part of such capitalized funds may be applied on behalf of such shareholders for payment in full or in part either at par or at such premium as the resolution may provide for any unissued shares or debentures of the company which shall be distributed accordingly and such distribution or payment shall be accepted by such shareholders in full satisfaction of their interest in the said capitalized sum.

##### **Proposed Clause 104 of the Articles of Association**

104. The Board of Directors may capitalize any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account or otherwise available for distribution, and accordingly that such sum be set free for distribution among the members who would have been entitled thereto if distributed by way of dividend and in the same proportions, on condition that the same be not paid in cash but be applied in or towards paying up in full unissued shares as bonus shares or debentures of the Company to be allotted and distributed, credited as fully paid up to and amongst such members in the proportion aforesaid and the Directors shall give effect to such resolution."

##### **Reason for Amendment in Articles of Association:**

### **Agenda Item No. 5**

**Resolution for Agenda No. 5 – Circulation of Annual Report through QR enabled code and weblink.**

In view of technological advancements, and taking into account that old technology is becoming obsolete, the Securities and Exchange Commission of Pakistan ("SECP") has, vide S.R.O.389 (I)2023 dated March 21, 2023, allowed listed companies to circulate the Annual Report (including the audited financial statements, Auditors' report, Directors' report, Chairman's review report) to the members of the Company through QR enabled code and weblink. The SECP has also permitted that the circulation of annual financial statements through CD/DVD/USB may be discontinued.

In accordance with the aforesaid SRO, the same is subject to the approval of the members of the Company.

Considering the optimum use of advancements in technology and in order to fulfil the Company's corporate social responsibility, to the environment and sustainability, the Company seeks to discontinue the circulation of the Annual Report through CDs in the future. Consequently, the Board of Directors of the Company has recommended that the special resolution, as set out in the notice, be passed by the members for the circulation of the Annual Report (including annual audited financial statements and other reports contained therein) to the members of the Company through QR enabled code and weblink.

This arrangement will help all members wherever they are located to access the financial statements of the Company additionally, it will also reduce unnecessary expenditure for making CDs.

It is pertinent to mention that if any member seeks to obtain a hard copy of the Annual Report, such member(s) will be provided a printed version of the same free of cost in accordance with the aforementioned SRO. No change in that right/privileged is being proposed.

None of the Directors of the Company have any personal interest in the aforesaid special business, except in their capacity as members and Directors of the Company.

## CHAIRMAN'S REVIEW REPORT

I am pleased to present to you the Chairman's Review for the financial year 2022-2023 highlighting the overall performance of the Board and the effectiveness of its role in the achievements of Shahzad Textile Mills Limited.

The Board has carried out a review of its effectiveness and performance, which is satisfactory. The Board evaluation during the year 2023 robustly considered all aspects of the Board including the performance of individual Directors, towards areas of improvements and recommending effective solutions. The Non-Executive and Independent Directors are equally involved in important decisions of the Company made by the board. I am pleased to report that Board's overall performance remained satisfactory for the year 2023. The Company has also developed a mechanism for the evaluation of the performance of the Board of Directors and its Committees. During the year, a self-evaluation was carried out, as required. The purpose of this evaluation is to ensure that the Board's overall performance and effectiveness are measured and benchmarked against expectations in the context of objectives set for the company for the financial year ending June 30, 2023.

Sound corporate governance is fundamental to corporate success and enhances stakeholder confidence, we have designed our corporate governance structure to ensure maximum compliance with legal and regulatory framework and meeting the information needs of our stakeholders. The corporate governance framework applied by Shahzad Textile is based on Pakistani law, in particular, the Companies Act 2017, Code of Corporate Governance and other statutory, regulatory and compliance requirements that are applicable to companies listed on the Pakistan Stock Exchange. To ensure compliance with all relevant laws and regulations, the Company has in place a code of conduct, whistle-blowing policy and code of business ethics among others.

Our employees remain at the heart of our success story. Their dedication, skills, and unwavering commitment continue to drive us forward. We have strived to provide a conducive work environment that encourages innovation, collaboration, and personal growth.

As we enter the new fiscal year, we do so with a sense of cautious optimism, while challenges persist, we are well-equipped to navigate them through our strategic foresight and robust operational framework. Our focus on innovation, sustainability, and customer-centricity will remain steadfast as we continue to adapt forward, I am confident that our shared vision and dedication will propel us to even greater heights.

I would also like to extend my gratitude to The Board of Directors who continue to provide sound leadership, aptly supported by the unflinching commitment and efforts of the entire workforce. Together we work earnestly in steering the Company towards the accomplishment of its objectives while ensuring value creation for the shareholders.

Chairman

## DIRECTORS' REPORT

The Board of Directors take pleasure to presenting before you the 45th Directors' Report for Shahtad Textile Mills Limited for the financial year ended June 30, 2023. In this report, we provide an overview of the company's performance, the reasons behind the loss incurred during the year, and our strategies for the future.

The Directors' Report has been prepared in accordance with section 227 of the Companies Act, 2017 and Listed Companies (Code of Corporate Governance) Regulations, 2019 and will be submitted to the shareholders at the forty-fifth Annual General Meeting of the Company to be held on October 28, 2023.

The financial performance of your Company for the year ended June 30, 2023 is as follows:

	2023 (Rupees)	2022 (Rupees)
Sales	8,398,630,158	9,382,850,241
Gross Profit	234,365,087	1,074,383,475
Operating Profit / (Loss)	(96,266,693)	624,478,900
Profit / (Loss) before Taxation	(187,875,168)	598,787,169
Taxation	(81,364,764)	(221,322,842)
Profit / (Loss) after Taxation	<u>(269,239,932)</u>	<u>377,464,321</u>

The Company has suffered a loss after tax of Rs. 269.24 million during the year ended June 30, 2023, as compared to profit after tax of Rs. 377.46 million in the previous year. Overall sales have decreased in current year to Rs. 8.398 billion from previous year's sales of Rs. 9.382 billion mainly due to low demand in local and international market. However, export sales of our sock's unit have increased significantly by 25% to Rs 858.95 million which is a remarkable achievement keeping in view recession in international market.

This decline in financial performance can be attributed to various factors that impacted the company's operations. During the year, the industry suffered from unfavorable sale rates of yarn due to weak demand, unprecedented inflation, very high interest rates and cotton price. Due to these factors, profit margins remained low resulting into incurring of loss during the year.

## **FUTURE OUTLOOK**

Pakistan is facing unprecedented political and economic challenges. Persistently high inflation, very high interest rates and sharp depreciation of currency have significantly impacted economic growth. The economic activity is expected to remain slow in coming year and GDP growth is projected at just 0.5%. While the recent SBA with IMF combined with the lifting of restrictions on imports is likely to give some relief to the economic activity in the country, consumer confidence will take a while to return and any meaningful economic recovery is unlikely in the foreseeable future. The continuous increase in input costs and an unfriendly business environment will continue to bear down on the textile industry and textile manufacturers may find it difficult to pass on increases in costs which may impact the profit margins.

The management of the company remains committed to taking proactive measures to address these challenges and restore profitability. We will focus on identifying and eliminating inefficiencies across our operations to control costs without compromising quality.

## **EARNING PER SHARE**

Loss per share of the company for the year ended June 30, 2023 is (Rs. 14.98) as compared to earnings per share of Rs. 21.00 in the preceding year.

## **DIVIDEND**

The directors have not recommended any dividend in view of loss sustained by the Company during the year.

## **ISO 9001-2015 Certification**

The Company believes in the high quality of products to the complete satisfaction of its clients. For this purpose, company has obtained the latest version of ISO 9001-2015. This quality certification, which is renewed after every three years after exhaustive checking and comprehensive verification of company's quality management system. This quality certification boosts the trust of new customers and maintain the confidence of our old clients as well.

## **PRINCIPAL RISKS AND UN-CERTAINITIES FACING THE COMPANY**

Although the Company's financial performance is not satisfactory in the period under discussion there are also some other risk factors, that may have an impact on the future performance of the company.

### **FORMATION OF RISK MANAGEMENT COMMITTEE**

Formation of risk management committee is not mandatory as per CCG Regulations 2019.

### **RISK FACTORS**

#### **A) FOREIGN EXCHANGE RISK**

Foreign currency risk arises mainly where receivable and payable exist due to transactions entered into foreign currencies. As dollar shows shaky position with ever-increasing trend therefore, company is exposed to foreign currency risk on trade debts, payable and revenues, which are entered in a currency to other than Pak Rupees.

#### **B) LIQUIDITY RISK**

Liquidity risk reflects an enterprise's inability in raising funds to meet commitments. The company's exposure to liquidity risk arises primarily from mismatch of the maturities of financial assets and liabilities. The Company follows an effective cash management and planning policy to ensure availability of funds and to take appropriate actions for new requirements.

#### **C) CREDIT RISK**

Credit risk represents the accounting loss that would be recognized at the reporting date if counterparties failed completely to perform as contracted. To reduce exposure to credit risk the Company has developed a formal approval process whereby credit limits are applied to its customers. The Management also continuously monitors credit exposure towards the customers and makes provision against those balances considered doubtful of recovery.

#### **D) INTEREST RATE RISK**

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Majority of the interest rate exposure arises from short and long-term borrowings from bank, term deposits and deposits in profit and loss/saving accounts with banks and investments in mutual funds.

## **CHANGES DURING FINANCIAL YEAR CONCERNING NATURE OF THE BUSINESS OF THE COMPANY OR OF ITS SUBSIDIARIES AND JOINT OPERATION**

The Textile yarn and socks manufacturing unit is functioning and we are interested in adopting innovation and restoring profitability. Our strategies for the upcoming year are to introduce the latest technologies for our mills.

## **MAIN TRENDS AND FACTORS LIKELY TO AFFECT THE FUTURE DEVELOPMENT, PERFORMANCE AND POSITION OF THE COMPANY BUSINESS**

During the reporting period, the company incurred loss during the year primarily due to the company facing significant challenges in the form of increased operating costs, decreased demand for products, and unfavorable market conditions. The company remains committed to overcoming the current challenges and improving its financial performance and the management team is focused on implementing a comprehensive turnaround strategy aimed at improving financial performance, enhancing operational efficiency, and gaining profitability.

## **IMPACT OF COMPANY BUSINESS ON THE ENVIRONMENT**

We are carefully maintaining a fresh and pollution free system at our mills by using latest safety devices which suck all the fluff and other substances injurious to the health of the workers.

## **ADEQUACY OF INTERNAL FINANCIAL CONTROLS**

We have introduced comprehensive internal control system commensurate with the size, scale and complexity of our operations and well documented procedures for various processes, which are periodically reviewed for the changes warranted due to business needs. The internal auditors continuously monitor the efficiency of internal control and regularly reporting to the Audit Committee and Board of Directors. The system internal control facilitate effective compliance of Companies Act, 2017 and the Listing Regulations 2019.

## **RELATED PARTIES TRANSACTIONS**

The transactions between the related parties were made at arm's length prices determined in accordance with the comparable uncontrolled price method. The same are disclosed in the attached financial statements. The related party transactions were approved by the Board on the recommendation of Audit Committee.

As such, any offender must be ready to confront disciplinary and corrective action, ranging from a warning to termination of job if such situation arises.

## **ANTI CORRUPTION**

We have provided corruption free environment to the workers. It includes corruption of all forms including extortion and bribery.

## **CORPORATE SOCIAL RESPONSIBILITY**

The company recognizes that the key to successful and sustainable business is to give back to the society from where we derive economic benefits. We create value for our local community, employers and the government by providing a vast array of facilities to our employees, financial assistance to the families of our deceased employees, promoting a better work life balance and contributing regularly to the national exchequer as per law.

### **i) Health, Safety and Environment**

We work continuously to ensure that our employees work in safe and healthy working environment. Besides, the Company is registered with Social Security and Employees Old Age Benefit Department of the Government and pay regular contribution for the health facility and retirement benefits to the workers of the company.

### **ii) Work-Life Balance**

In order to promote a healthy life balance we strictly observe working timing from 9.00 am to 5.30 pm. This ensures that our employees have plenty of time for recreational activities with their families and friends.

### **iii) Business Ethics**

The Management is committed to conduct all business activities with integrity, honesty, and observance of laws and regulations. A Code of Conduct has been developed and approved by Board.

### **Contribution to the National Exchequer**

To meet our social obligations towards the development of the economy of the country, the Company has contributed Rs.622, 698,668 million in the year 2022-23 into the Government Exchequer on account of taxes, levies, import duty, income Tax, sales tax etc.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF SHAHZAD TEXTILE MILLS LIMITED REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### Opinion

We have audited the annexed financial statements of **Shahzad Textile Mills Limited**, which comprise the statement of financial position as at June 30, 2023, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to and forming part of these financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XXI of 2017), in the manner so required and respectively give a true and fair view of the Company's affairs as at June 30, 2023 and of the loss, other comprehensive loss, the changes in equity and its cash flows for the year then ended.

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

S. No.	Key audit matter	How the matter was addressed in our audit
<b>1. Revenue</b>		
	<p data-bbox="370 519 808 592">Refer to note 3.16 &amp; 26 to the financial statements.</p> <p data-bbox="370 621 808 754">Revenue of the Company has decreased from Rs. 9,383 million to Rs. 8,399 million for the year ending June 30 2023.</p> <p data-bbox="370 783 808 1048">The Company is primarily engaged in manufacturing and sale of yarn and socks. We identified recognition of revenue as a key audit matter due to revenue being one of the key performance indicators of the Company and decrease in revenue from last year.</p>	<p data-bbox="824 519 1430 592">Our key audit procedures related to revenue included:</p> <ul data-bbox="824 621 1430 1816" style="list-style-type: none"> <li data-bbox="824 621 1430 783">• Obtaining an understanding of the Company's processes and related internal controls for revenue recognition and on a sample basis, testing the operating effectiveness of those controls.</li> <li data-bbox="824 820 1430 953">• Assessing the appropriateness of the Company's revenue recognition policies and their compliance with applicable accounting and reporting standards.</li> <li data-bbox="824 990 1430 1123">• Comparing a sample of revenue transactions recorded during the year with customers' orders, sales invoices, delivery orders and other relevant underlying documents.</li> <li data-bbox="824 1161 1430 1426">• Reviewing contracts with customers and comparing the revenue transactions to the relevant sales orders, sales invoices, and other relevant underlying documents to assess whether the revenue was recorded in accordance with the Company's revenue accounting policy and applicable financial reporting framework.</li> <li data-bbox="824 1455 1430 1550">• Performing cut-off procedures on sales to ensure revenue has been recorded in the correct period.</li> <li data-bbox="824 1588 1430 1654">• Examining the customer receipts for sales made during the year.</li> <li data-bbox="824 1692 1430 1816">• Assessing the appropriateness and adequacy of disclosed information in the financial statements in accordance with the relevant accounting and reporting standard standards.</li> </ul>

## 2. Stocks in trade

	<p>Refer to note 3.11 &amp; 20 to the financial statements which reflect inventory at the reporting date. Inventories have decreased from Rs. 795.047 million to Rs. 688.627 as at June 30, 2023.</p> <p>We identified this area as a key audit matter because inventories constitute a significant portion of the total assets of the Company.</p> <p>Further, determining an appropriate write-down as a result of net realizable value (NRV) and provision for slow-moving inventories involves management judgment and estimation.</p>	<p>Our key audit procedures included:</p> <ul style="list-style-type: none"><li>• Observing physical inventory count procedures and comparing, on a sample basis, physically counted inventories with valuation sheets provided by the management.</li><li>• Comparing on a sample basis specific purchases and directly attributable costs with underlying supporting documents.</li><li>• Checking the accumulation of costs at different stages of production to ascertain valuation of work in process and finished goods.</li><li>• Comparing the net realizable value, on a sample basis, to the cost of finished goods to assess whether any adjustments are required to value stocks in accordance with applicable accounting and reporting standards.</li><li>• Assessing the provision for slow moving stocks as of the reporting date and assessed whether it is in accordance with the Company's policies and relevant accounting and reporting standards.</li><li>• Considering adequacy of the related disclosures and assessed whether these are in accordance with the applicable accounting and financial reporting standards.</li></ul>

### Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with

the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Board of Directors for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) No zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Amin Ali.

 Summary of Significant Accounting Policies

The significant accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented except otherwise stated.

3.1 Provisions

A provision is recognized in the assessment of financial position when the Company has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

Ann. 3 Summary of Significant Accounting Policies - Contd.

3.2 Staff retirement benefits

3.2.1 Defined benefits plan

The Company operates an unfunded gratuity scheme covering its permanent employees. Employees are eligible for benefits under the gratuity scheme after completion of six months of continuous service. These benefits are calculated on the basis of the number of completed years of service and last drawn gross salary.

Actuarial gains / (losses) arising from experience adjustments and changes in actuarial assumptions for the defined benefits plan are charged or credited to other comprehensive income in the period in which these arise. Past service costs are recognized immediately in profit or loss.

Provisions are made in the financial statements to cover obligations on the basis of actuarial valuation carried out at each reporting date. During the year, the Company has discontinued this scheme and recognized liability as on March 31, 2023, according to policy and recognized difference in profit or loss.

3.2.2 Defined contribution plan

The Company has defined contributory provident fund for all its eligible employees starting from April 21, 2021. Equal contributions are made monthly, both by the Company and the employees, in accordance with the rules of the scheme at the rate of 5.1% of gross salary.

3.3 Taxation

Income tax comprises current and deferred tax. Income tax is recognized in profit or loss except in the extent that it relates to items recognized directly in equity or other comprehensive income, in which case it is recognized in equity or other comprehensive income.

3.3.1 Current

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

The charge for current tax is higher of corporate tax (higher of tax based on taxable income and minimum tax) and alternative corporate tax. Super tax applicable on the Company is also as per the applicable rules as per the Income Tax Ordinance, 2001. However, in case of loss for the year, income tax expense is recognized as minimum tax liability on turnover of the Company in accordance with the provisions of the Income Tax Ordinance, 2001.

Corporate tax is based on taxable income for the year determined in accordance with the prevailing laws of taxation. The charge for current tax is calculated using prevailing tax rates or tax rates expected to apply to the profit for the year if enacted after taking into account tax credits, rebates and exemptions, if any. The charge for current tax also includes adjustments, where considered necessary, in provision for tax made in previous years arising from assessments framed during the year for such years. However, in case of loss for the year, income tax expense is recognized as minimum tax liability on turnover of the Company in accordance with the provisions of the Income Tax Ordinance, 2001.

Alternative corporate tax is calculated at 17% of accounting profit, after taking into account the relevant adjustments.

Income tax for current and prior periods, to the extent unpaid, is recognized as a liability. If the amount unpaid in respect of current and prior periods exceeds the amount due for those periods, the excess is recognized as an asset.

The management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

3.3.2 Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary timing differences arising from the difference between the carrying amount of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit. However, deferred tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of transaction neither affects accounting tax taxable profit or loss.

Deferred tax liabilities are recognized for all except taxable temporary differences.

2023

**Appendix J: Summary of Significant Accounting Policies - (Contd.)**

Deferred tax assets are recognized for all major deductible temporary differences to the extent that it is probable that taxable profit will be available against which deductible temporary differences, unused tax losses and tax credits can be utilized.

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are reviewed at each reporting date and are recognized in the event of positive future taxable profit evidence that will allow deferred tax asset to be recognized.

Deferred tax is calculated at rates that are expected to apply to the period when the differences reverse, based on tax rates and tax laws that have been enacted or have been notified for subsequent enactment by the reporting date.

When different tax rates apply to different levels of taxable income, deferred tax assets and liabilities are measured using average rates that are expected to apply to the taxable profit (tax loss) of the periods in which temporary differences are expected to reverse.

**3.3.3 Off-setting**

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset when the company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**3.4 Trade and other payables**

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid or given in future for goods and services received or to be delivered or for any other amount, whether or not billed to the Company.

**3.5 Contingent liabilities**

A contingent liability is disclosed when there is a possible obligation that arises from past events and whose existence is confirmed only by occurrence or non-occurrence of one or more uncertain future events not entirely within the control of the Company.

A contingent liability is also disclosed when there is present obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits would be required to settle the obligation in the amount of the obligation cannot be measured with sufficient reliability.

**3.6 Property, plant and equipment**

**Owned**

Items of property, plant and equipment other than land, buildings on freehold land, plant and machinery and power house are stated at cost less accumulated depreciation and identified impairment losses, if any. Land, buildings on freehold land, plant and machinery and power house are stated at historical amount being the fair value at the date of evaluation less subsequent impairment losses, if any. Evaluation is carried out with sufficient regularity to ensure that the carrying amount of assets does not differ materially from their fair value. Additions subsequent to evaluation, are stated at cost less any identified impairment loss. Surplus on revaluation of land, building on freehold land, plant and machinery and power house is recognized in equity. On disposal of particular revalued asset the related revaluation surplus is transferred to unrecognized profits.

Cost comprise purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates and includes other costs directly attributable to acquisition or construction including expenditures on material, labour and overheads directly relating to construction, erection and installation of items of property, plant and equipment. Cost in relation to certain assets may also include cost of borrowing during construction period in respect of those taken for stocks, projects.

Depreciation on property, plant and equipment, except freehold land, has been provided for using the reducing balance method at the rates specified in Note 15 and is charged to profit or loss. Depreciation on additions is charged from the month in which the asset is available for use up to the month in which the asset is disposed off. Depreciation method, residual value and useful lives of assets are reviewed at least at each reporting date and adjusted if impact on depreciation is significant.

Repairance and normal repairs are charged to income as and when incurred. Major renewals and improvements are capitalized. Gain or loss on disposal of property, plant and equipment, if any, is shown in profit or loss.

**Capital work-in-progress**

Capital work-in-progress is stated at cost less any identified impairment loss.

Notes 3. Summary of Significant Accounting Policies - (Contd.)

3.7 Impairment of non financial assets

Assets that are subject to depreciation or amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Impairment losses on fixed assets that offset exercise resolution surplus are charged against this surplus, all other impairment losses are charged to statement of profit or loss. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). Prior impairment of non-financial assets are reviewed for possible reversal at each reporting date. Where impairment loss is recognised, the depreciation / amortisation charge is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value, over its remaining useful life. Any reversal of impairment loss of a reversed asset shall be treated as a revaluation increase.

3.8 Investment property

Investment property, which is property held to earn rental and /or for capital appreciation is measured initially at its cost, including transaction costs. Subsequent to initial recognition, investment property is measured at fair value. The change in fair value is recognised in profit or loss. The fair value of investment property is determined at each reporting date using the current market prices for comparable real estate, adjusted for any differences in factors, location and condition. The key assumptions used to determine the fair value of investment properties are provided in Note 12.

3.9 Investment in associate

Associates are all entities over which the Company has significant influence but not control or joint control. This is generally the case where the Company holds between 20% and 50% of voting rights. Investments in associates are accounted for using the equity method of accounting, after initial recognition at cost.

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Company's share of the post-acquisition profits or losses of the associate in profit or loss, and the Company's share of movements in other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates are recognised as a reduction in the carrying amount of investment.

When the Company's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, the Company does not recognise further losses, unless it has incurred obligations or made payments on behalf of the investee company.

Unrealised gains or transactions between the Company and its associates are eliminated to the extent of the Company's interest in the entity. Unrealised losses are also eliminated, unless the transaction provides evidence of impairment of the asset transferred.

3.10 Stores and spares

These are valued at lower of moving average cost and net realisable value, whilst some consumable stores are written off. Cost of items in transit comprises invoice value plus incidental charges paid thereon.

3.11 Stock in trade

These are valued at lower of cost and net realisable value. Cost is determined as follows:

Raw materials	- Monthly average cost
Materials in transit	- Cost comprising invoice value plus incidental charges paid thereon
Work in process	- Estimated average manufacturing cost
Finished goods	- Average manufacturing cost
Stores	- Net realisable value

Manufacturing cost in respect to work in process and finished goods comprises cost of material, labor and appropriately allocated manufacturing overheads. Net realisable value signifies estimated selling price in the ordinary course of business less necessary costs to incur the sale.

3.12 Cash and cash equivalents

Cash and cash equivalents are carried at cost. For the purpose of statement of cash flows, these comprise cash in hand and cash at bank.

**Notes 1. Summary of Significant Accounting Policies - Contd.**

**3.12 Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability of another instrument of another entity.

**3.12.1 Financial assets**

All financial assets are recognized at the time when the Company becomes a party to the contractual provisions of the instrument.

**a) Classification**

Financial assets are classified in either of the three categories at amortized cost, at fair value through other comprehensive income and at fair value through profit or loss. This classification is based on the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset. The management determines the classification of its financial assets at the time of initial recognition. The Company has current financial assets that are measured at amortized cost and fair value through profit or loss.

**b) Initial recognition and measurement**

All financial assets are initially measured at fair value plus transaction costs that are directly attributable to its acquisition, except for trade receivables. Trade receivables are initially measured at the transaction price.

**c) Subsequent measurement**

Financial assets measured at amortized cost are subsequently measured using the effective interest rate (EIR) method. The amortized cost is reduced by impairment losses, if any. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss.

Financial assets measured at fair value through profit or loss are subsequently measured at fair value prevailing at the reporting date. The difference arising is charged to profit or loss.

**d) Derecognition**

Financial assets are derecognized when the contractual rights to receive cash flows from assets have expired. The difference between the carrying amount and the consideration received is recognized in profit or loss.

**e) Impairment of financial assets**

The Company recognizes an allowance for expected credit losses (ECLs) for all financial assets which are measured at amortized cost. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate.

ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables, the Company applies a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognizes a loss allowance based on lifetime ECLs at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

**3.12.2 Financial liabilities**

**a) Initial recognition and measurement**

Financial liabilities are initially classified at amortized cost. Such liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instrument.

**b) Subsequent measurement**

The Company measures its financial liabilities subsequently at amortized cost using the EIR method. Anyfees received are calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in profit or loss. Differences between stamping amounts and consideration paid is recognized in profit or loss when the liabilities are derecognized.

**3.12.3 Off-setting of financial assets and financial liabilities**

A financial asset and a financial liability is offset and the net amount is reported in the statement of financial position if the Company has a legally enforceable right to offset the recognized amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

*(contd.)*

Ann 1 Summary of Significant Accounting Policy - Contd.

3.14 Foreign currency transactions

Transactions in foreign currencies are translated into RMB Yuan by applying the foreign exchange rate ruling on the date of transaction. Monetary assets and liabilities denominated in foreign currencies as at the reporting date are translated into RMB Yuan at the exchange rate prevailing at that date. Monetary translation differences are recognised in profit or loss.

3.15 Related party transactions

Transactions with related parties are based on the transfer pricing policy that all transactions between the Company and the related party or between two or more segments of the Company are at arm's length basis determined using the comparable uncontrolled price method except in circumstances where it is not in the interest of the Company to do so.

3.16 Revenue recognition - Sale of goods

Revenue is recognised when performance obligation is satisfied by applying the following five steps of revenue recognition:

- (i) Identify the contract with a customer
- (ii) Identify the performance obligation in the contract
- (iii) Determine the transaction price of the contract
- (iv) Allocate the variable price to each of the separate performance obligations in the contract
- (v) Recognise the revenue when (or as) the entity satisfies a performance obligation

Revenue is recognised at amounts that reflect the consideration that the Company expects to be entitled to in exchange for transferring goods to a customer. Revenue is recognised at the fair value of the consideration received or receivable, and is recognised when goods are dispatched from the mill to customer whereas revenue of export sales is recognised at date of issue of bill of lading.

3.17 Borrowing costs

Borrowing costs are charged to profit or loss as and when incurred except those costs that are directly attributable to acquisition, construction or production of qualifying assets that are capitalised as part of the cost of assets.

3.18 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (the Chief Executive Officer of the Company). Segment results, assets and liabilities include items directly attributable to a segment. Segment capital expenditure is the total cost incurred during the year to acquire property, plant and equipment and intangible assets.

3.19 Dividend distribution

Dividend distribution to Company's shareholders is recognised as a liability in the period in which the dividends are approved.

3.20 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date in an orderly transaction between market participants in the principal, or in its absence, the most advantageous market to which the Company has access at that time.

The Company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

When there is no quoted price in an active market, the Company determines transaction price by applying valuation techniques. The chosen valuation technique incorporates all the factors that market participants would take into account in pricing a transaction. The best evidence of the fair value of a financial instrument at initial recognition is typically the transaction price (i.e. the fair value of the consideration given or received).

If the Company determines that the fair value at initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, the instrument is initially measured at fair value, adjusted to defer the difference between the fair value at initial recognition and the transaction price. Subsequently, that difference is credited or charged to profit or loss on an accrual basis over the life of the instrument but no later than when the instrument is accounted directly to observable market data or the transaction is closed out.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the date of the event or change in circumstances that caused the transfer.

Item 3. Summary of Significant Accounting Policy - Contd.

**3.21. Earnings per share - basic and diluted**

The Company presents basic and diluted earnings per share (EPS) for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders of the Company and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

**3.22. Balances from contract with customers**

**Contract assets**

A contract asset is the right to receive in exchange for goods transferred to the customer against which no invoice has been raised.

**Trade receivables**

Trade receivables represent the Company's right to an amount of consideration that is unconditional. Trade receivables are carried at original invoice amount less expected credit loss based on review of all outstanding accounts at the reporting date. Bad debts are written off when identified.

**Contract liability**

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. A contract liability is recognized at earlier of when the payment is made or the payment is due if a customer pays consideration before the Company transfers goods to the customer.

**Right of return asset**

Right of return assets represent the Company's right to recover the goods expected to be returned by customers. The asset is measured at the former carrying amount of the inventory, less any expected costs to recover the goods, including any potential decrease in the value of the returned goods. The Company updates the measurement of the asset recorded for any returns to its expected level of returns, as well as any additional decreases in the value of its returned products.

**Refund liability**

A refund liability is the obligation to refund some or all of the consideration received (or receivable) from the customer and is measured at the amount the Company ultimately expects it will have to return to the customer. The Company updates its estimate of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

**3.23. Government grants**

Grants from the government are recognized at fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to costs are deferred and recognized in profit or loss over the period necessary to match them with the costs that they are intended to compensate.

**Financial Risk Management**

**41.1 Financial risk factors**

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, price risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management policies focus on the minimization of financial markets and aim to minimize potential adverse effects on the financial performance.

Risk management is carried out by the Board of Directors (the Board). The Board provides principles for overall risk management, as well as policies covering specific areas such as currency risk, price risk, interest rate risk, credit risk and liquidity risk.

Note 41. Financial Risk Management – Contd.

(d) Interest rate risk

This represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

As at the reporting date, the interest rate profile of the Company's interest bearing financial instruments are as follows:

	2022 Rupees	2021 Rupees
<b>Fixed rate instruments - Financial liabilities</b>		
(Long term financing)	117,750	89,588

**Part 41: Financial Risk Management - Contd.**

Due to the Company's long standing business relationships with third counter parties and after giving due consideration to their strong financial standing, the management does not expect non-performance by these counter parties on their obligations to the Company. Accordingly, the credit risk is minimal.

Liquidity risk is the risk that an entity will encounter difficulty in meeting its financial obligations. The Company manages its liquidity risk by maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. As at the reporting date, the Company has Rs. 1,222.65 million (2022: Rs. 1,697.06 million) cash and cash equivalents (both funded and unfunded) from financial institutions and Rs. 68,447 million (2022: Rs. 243,228 million) bank and term balances. Following are the contractual maturities of financial liabilities:

**Contractual maturities of financial liabilities as at June 30, 2023:**

Carrying Amount	Contractual cash flows	Within 1 year	1-2 Year	2-5 Years	More than 5 years

The contractual cash flows relating to the above financial liabilities have been determined on the basis of interest rates in effect as at the reporting date. The value of interest / mark up have been disclosed in separate notes in these financial statements.

**(v) Fair value of financial instruments**

Fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences may arise between the carrying value and the fair value estimates.

As at the reporting date, the net fair value of all financial assets and financial liabilities are estimated to approximate their carrying values.

Financial assets which are tradable in an open market are valued at the market price prevailing on the reporting date. The fair value of all other financial assets and liabilities are not considered to be significantly different from their carrying values.

The Company classified the financial instruments measured to its statement of financial position at fair value in accordance with the following fair value measurement hierarchy:

- Level 1: Quoted market prices
- Level 2: Valuation techniques (market observable)
- Level 3: Valuation techniques (not market observable)

The Company is not exposed to this risk as the Company has fully retrograded insurance against fire risk.
