#### BANK ALFALAH LIMITED

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS (Un-audited) FOR THE NINE MONTHS PERIOD ENDED SEPTEMBER 30, 2023

#### 1 STATUS AND NATURE OF BUSINESS

Bank Alfalah Limited (the Bank) is a banking company incorporated in Pakistan and is engaged in commercial banking and related services in Pakistan and overseas. The Bank's registered office is located at B. A. Building, I. I. Chundigar Road, Karachi and its shares are listed on the Pakistan Stock Exchange. The Bank is engaged in banking services as described in the Banking Companies Ordinance, 1962. The Bank is operating through 942 branches (December 31, 2022: 877 branches) and 15 sub-branches (December 31, 2022: 17 sub-branches). Out of the 942 branches, 619 (December 31, 2022: 586) are conventional, 312 (December 31, 2022: 280) are Islamic, 10 (December 31, 2022: 10) are overseas and 1 (December 31, 2022: 1) is an offshore banking unit.

#### 2 BASIS OF PRESENTATION

2.1 The disclosures made in these unconsolidated condensed interim financial statements have been limited based on the format prescribed by the SBP vide BPRD Circular Letter No. 5 dated March 22, 2019 and IAS 34. These unconsolidated condensed interim financial statements do not include all the information and disclosures required for annual unconsolidated financial statements and should be read in conjunction with the unconsolidated financial statements for the year ended December 31, 2022.

#### 2.2 STATEMENT OF COMPLIANCE

These unconsolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards comprise of:

- International Accounting Standard 34 "Interim Financial Reporting" and International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IAS 34, IFRS or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

The SBP has deferred the applicability of International Accounting Standard (IAS) 40, 'Investment Property' for banking companies through BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks through its notification S.R.O. 411(I)/2008 dated April 28, 2008. The State Bank of Pakistan through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred the applicability of Islamic Financial Accounting Standard-3 for Profit and Loss Sharing on Deposits (IFAS-3) issued by the ICAP and notified by the SECP, vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IFS). Further, the SBP has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement'. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated condensed interim financial statements.

Moreover, the Bank has not adopted IFRS 9 in preparation of these unconsolidated condensed interim financial statements, as allowed by SBP BPRD circular no 7 of 2023 dated April 13, 2023; except for overseas branches where this standard is applicable.

2.2.1 These unconsolidated condensed interim financial statements represent separate financial statements of Bank Alfalah Limited in which investment in subsidiaries and associates are accounted for on the basis of cost less accumulated impairment losses, if any.

- 2.2.2 Key financial figures of the Islamic Banking branches are disclosed in note 40 to these unconsolidated condensed interim financial statements.
- 2.2.3 The Bank believes that there is no significant doubt on the **Bank's** ability to continue as a going concern. Therefore, the unconsolidated condensed interim financial statements have been prepared on a going concern basis.
- 2.3 Standards, interpretations of and amendments to published approved accounting and reporting standards that are effective in the current period:

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2023 but are considered not to be relevant or do not have any significant effect on the Bank's operations and therefore not detailed in these unconsolidated financial statements.

2.4 Standards, interpretations of and amendments to published approved accounting and reporting standards that are not yet effective:

The following standards, amendments and interpretations as notified under the Companies Act, 2017 will be effective for the accounting periods as stated below:

Standard, interpretation or amendment Effective date (annual periods beginning on or after)

- IFRS 9 - 'Financial instruments' 2.4.1 January 01, 2024

- IAS 1 - Non current liabilities with covenants (amendments)

January 01, 2024

- IFRS 16 - Sale and leaseback (amendments) January 01, 2024

The management is in the process of assessing the impact of these amendments on the unconsolidated condensed interim financial statements of the Bank.

#### 2.4.1 IFRS 9 - 'Financial Instruments'

As per SBP's BPRD Circular No. 7 dated April 13, 2023, the effective date of IFRS 9 for banks in Pakistan has been extended from January 01, 2023 to January 01, 2024, and accordingly the Standard will be applied on the Bank's financial statements for the accounting periods beginning on or after January 01, 2024. As disclosed in note 2.5.1.5 to the audited unconsolidated annual financial statements of the Bank for the year ended 31 December 2022, the Bank had carried out an impact assessment based on the portfolio of financial instruments held at that date. Given the modified effective date of the Standard, the Bank will reassess the impact of the Standard in due course as required under the relevant regulatory requirements.

#### 3 BASIS OF MEASUREMENT

#### 3.1 Accounting convention

These unconsolidated condensed interim financial statements have been prepared under the historical cost convention except for certain fixed assets and non banking assets acquired in satisfaction of claims which are stated at revalued amounts; held for trading, available for sale investments and derivative financial instruments which are measured at fair value; defined benefit obligations which are carried at present value; and right of use of assets and related lease liability measured at present value.

#### 3.2 Functional and presentation currency

These unconsolidated condensed interim financial statements are presented in Pakistani Rupees, which is the Bank's functional and presentation currency. The amounts are rounded off to the nearest thousand rupees except as stated otherwise.

#### 4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these unconsolidated condensed interim financial statements are consistent with those applied in the preparation of the annual audited unconsolidated financial statements of the Bank for the year ended December 31, 2022.

#### 5 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these unconsolidated condensed interim financial statements is the same as that applied in the preparation of the annual audited unconsolidated financial statements of the Bank for the year ended December 31, 2022.

#### 6 FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the annual audited unconsolidated financial statements for the year ended December 31, 2022.

22.3.1 Claims against the Bank not acknowledged as debts

These mainly represents counter claims filed by the borrowers for restricting the Bank from disposal of collateral assets (such as hypothecated / mortgaged / pledged assets kept as security), damage to reputation and cases filed by ex-employees of the Bank for damages. Based on legal advices and / or internal assessments, management is confident that the matters will be decided in the Bank's favour and the possibility of any outcome against the Bank is remote and accordingly no provision has been made in these unconsolidated condensed interim financial statements.

- 22.4 Contingency for tax payable
- 22.4.1 There were no tax related contingencies other than as disclosed in note 34.1.
- 23 DERIVATIVE INSTRUMENTS

Derivatives are a type of financial contract, the value of which is determined by reference to one or more underlying assets or indices. The major categories of such contracts include futures, swaps and options. Derivatives also include structured financial products that have one or more characteristics of forwards, futures, swaps and options.

#### 31 WORKERS' WELFARE FUND

The Supreme Court of Pakistan vide its order dated November 10, 2016 has held that the amendments made in the law introduced by Federal Government through the Finance Act, 2008 for the levy of Workers' Welfare Fund (WWF) on banks were not lawful. The Federal Board of Revenue has filed review petitions against this order, which are currently pending. A legal advice was obtained by the Pakistan Banking Association which highlights that consequent to filing of these review petitions, a risk has arisen and the judgment is not conclusive until the review petitions is decided. Accordingly, the amount charged for Workers' Welfare Fund since 2008 has not been reversed.

<sup>34.1</sup> a) The income tax assessments of the Bank have been finalized upto and including tax year 2022. Certain addbacks made by the tax authorities for various assessment years, appeals against which are pending with the Commissioner of Inland Revenue (Appeals), Appellate Tribunal Inland Revenue (ATIR), High Court of Sindh and Supreme Court of Pakistan.

In respect of tax years 2008, 2014, 2017 and 2019 to 2022, the tax authority had raised certain issues including default in payment of WWF, allocation of expenses to dividend and capital gains, dividend income from mutual funds not being taken under income from business and disallowance of Leasehold improvements. These matters have been decided in favour of the Bank (December 31, 2022; Rs. 639.939 million). The related appeal effect orders are pending before the tax authority. Accordingly, the Bank has not made any provision in respect of these amounts.

- b) The Bank had received orders from a provincial tax authority for the periods from July 2011 to December 2020 wherein tax authority demanded sales tax on banking services and penalty amounting to Rs. 763.312 million (excluding default surcharge) by disallowing certain exemptions of sales tax on banking services and allegedly for short payment of sales tax. Appeals against these orders are pending before Commissioner Appeals. The Bank has not made any provision against these orders and the management is of the view that these matters will be settled in Bank's favour through appellate process.
- c) The Bank had received an order from a tax authority wherein Sales tax and penalty amounting to Rs. 5.191 million (excluding default surcharge) was demanded allegedly for non-payment of sales tax on certain transactions relating to accounting year 2016 and appeal against this order is pending before Commissioner Appeals. Another order previously received for the same accounting year wherein Sales tax and Further Tax amounting to Rs. 8.601 million (excluding default surcharge and penalty) was demanded allegedly for non-payment of sales tax on certain transactions is pending before Appellate Tribunal. The Bank has not made any provision against these orders and the management is of the view that these matters will be favourably settled through appellate process.

#### 36 FAIR VALUE MEASUREMENTS

Fair value measurement defines fair value as the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements. The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments. In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these are either short-term in nature or, in the case of customer loans and deposits, are frequently repriced.

#### 36.1 Fair value of financial instruments

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

- 36.2 The Bank's policy is to recognize transfers into and out of the different fair value hierarchy levels at the date of the event or change in circumstances that caused the transfer. There were no transfers between levels 1 and 2 during the current period.
- 36.3 Valuation techniques used in determination of fair values:

#### 36.3.1 Fair value of financial assets

#### (a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in ordinary shares of listed companies and listed non government debt securities.

#### (b) Financial instruments in level 2

Financial instruments included in level 2 comprise of Market Treasury Bills, Pakistan Investment Bonds, GoP Ijarah Sukuk, GoP Euro Bonds, Overseas Government Sukuks, Overseas Bonds, Term Finance Certificates, and other than Government Sukuk, forward foreign exchange contracts, forward government securities contracts, cross currency swaps and interest rate swaps.

#### (c) Financial instruments in level 3

Currently, no financial instruments are classified in level 3 except as disclosed in note 36.3.2.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

#### 36.3.2 Fair value of non-financial assets

Certain categories of fixed assets (land and buildings) and non banking assets acquired in satisfaction of claims are carried at revalued amounts (level 3 measurement) determined by professional valuers based on their assessment of the market values as disclosed in notes 12 and 15. The valuations are conducted by the valuation experts appointed by the Bank which are also on the panel of the State Bank of Pakistan.

#### 36.3.3 Valuation techniques

Item	Valuation approach and input used
Market Treasury Bills (MTB) / Pakistan Investment Bonds (PIB), and GoP Ijarah Sukuk (GIS) including their forward contracts	The fair value of MTBs and PIBs are derived using PKRV rates. GIS are revalued using PKISRV rates. Floating rate PIBs are revalued using PKFRV rates.
Overseas Sukuk, Overseas Bonds and GoP Euro Bonds	The fair value of Overseas Government Sukuks, and Overseas Bonds are valued on the basis of price available on Bloomberg.
Debt Securities (TFCs and Sukuk other than Government)	Investment in WAPDA Sukuks, debt securities (comprising term finance certificates, bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan.
Ordinary shares - listed	The fair value of investments in listed equity securities are valued on the basis of closing quoted market price available at the Pakistan Stock Exchange.
Forward foreign exchange contracts	The valuation has been determined by interpolating the FX revaluation rates announced by the State Bank of Pakistan.
Derivative Instruments	Derivatives that are valued using valuation techniques based on market observable inputs are mainly interest rate swaps and cross currency swaps. The most frequently applied valuation techniques include forward pricing and swap models using present value calculations.
Fixed assets and non banking assets acquired in satisfaction of claims	The valuation experts used a market based approach to arrive at the fair value of the Bank's properties. The market approach uses prices and other relevant information generated by market transactions involving identical, comparable or similar properties. These values are adjusted to reflect the current condition of the properties. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty accordingly a qualitative disclosure of sensitivity has not been presented in these unconsolidated condensed interim financial statements.

#### 40.9 PLS Pool Management - Islamic Banking Group (IBG)

# 40.9.1 The pools, their key features and risk and reward characteristics.

The profit and loss sharing between the Rabbul Maal (depositor) and Mudarib (Bank - IBG) is based upon the underlying principles of Mudaraba, where Bank also contributes its equity to general pool of funds, and becomes the capital provider.

Currently IBG is managing following pools:

- 1) General Pool for LCY Depositors
- 2) FCY Pool for Foreign Currency (USD, GBP, EURO, AED, SAR and CAD) depositors
- 3) Fls Pool for Treasury Purposes
- 4) IERS Pool for Islamic Export Refinance Scheme facilities
- 5) Special pool
- 6) PMRC Musharikah Pool

All the Mudaraba based remunerative deposits shall be considered as an investment from Rabbul Maal in the pool, along with IBG's own share of equity, which is also commingled in the pool. The applications of these funds are on Islamic financing and related assets, investments, and placements for generating profits to be shared among the depositors as per the weightage system.

The IERS pool is maintained as per the guideline under the SBP IERS Scheme.

The assets, liabilities, equities, income and expenses are segregated for each of the pool. No pool investment is intermingled with each other. All pools are usually exposed to general credit risk, asset ownership risk and profit rate risk of the underlying assets involved in pool.

# 40.9.3 The major components of Profit distribution and charging of the expenses.

Profit is distributed among the Mudaraba deposits on the basis of underlying principles of weightage mechanism which are announced before the beginning of the relevant period. Only direct attributable expenses such as depreciation on ijarah assets, brokerage. CIB Charges, bad debts write off on advances and loss on sale of investments etc are charged to the pool. Expenses of pool(s) do not include general and specific provisioning created against non-performing financings and diminution in the value of investments.

# 40.9.4 The Bank manages the following general and specific pools:

# AFGHANISTAN OPERATIONS

Bank Alfalah maintains a two-branch presence in Afghanistan. The board and management of the Bank continue to closely monitor the evolving situation in Afghanistan which has been hampered due to the country's frozen reserves and uncertainty regarding international recognition which prevent normal flows in and out of Afghanistan. The Bank has taken impairment against assets where there is an indication that carrying amount may be higher than its recoverable amount. The Bank remains focused on maintaining its control standards i.e. both onshore and through Head Office oversight.

#### 2 BASIS OF PRESENTATION

2.1 The disclosures made in these consolidated condensed interim financial statements have been limited based on the format prescribed by the SBP vide BPRD Circular Letter No. 5 dated March 22, 2019 and IAS 34. These consolidated condensed interim financial statements do not include all the information and disclosures required for annual consolidated financial statements and should be read in conjunction with the consolidated financial statements for the year ended December 31, 2022.

# 2.2 STATEMENT OF COMPLIANCE

These consolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards comprise of:

- International Accounting Standard 34 "Interim Financial Reporting" and International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IAS 34, IFRS or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

The SBP has deferred the applicability of International Accounting Standard (IAS) 40, 'Investment Property' for banking companies through BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks through its notification S.R.O 411(I)/2008 dated April 28, 2008. The State Bank of Pakistan through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred the applicability of Islamic Financial Accounting Standard-3 for Profit and Loss Sharing on Deposits (IFAS-3) issued by the ICAP and notified by the SECP, vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IIFS). Further, the SBP has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement'. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated condensed interim financial statements.

Moreover, the Holding Company has not adopted IFRS 9 in preparation of these consolidated condensed interim financial statements, as allowed by SBP BPRD circular no 7 of 2023 dated April 13, 2023; except for overseas branches where this standard is applicable.

#### 2.2.1 Basis of consolidation

A subsidiary is an entity controlled by the Group. Control exists when the Group is exposed, or has rights, to variable returns from its investment with the investee and has the ability to affect those return through its power over the investee.

These consolidated condensed interim financial statements incorporate the financial statements of subsidiary from the date that control commences until the date that control ceases.

Associates are those entities on which the Group has significant influence, but not control, over the financial and operating polices. Associates as well as investment in mutual funds established under trust structure are accounted for using the equity method.

Non-controlling interests are that part of the net results of operations and of net assets of subsidiary which are not owned by the Holding Company. Material intra-group balances and transactions are eliminated.

- 2.2.2 Key financial figures of the Islamic Banking branches are disclosed in note 40 to the unconsolidated condensed interim financial statements.
- 2.2.3 The Holding company believes that there is no significant doubt on the Group company's ability to continue as a going concern. Therefore, the consolidated financial statements have been prepared on a going concern basis.
- 2.3 Standards, interpretations of and amendments to published approved accounting and reporting standards that are effective in the current period:

There are certain new and amended standards, Issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Group's accounting periods beginning on or after January 1, 2023 but are considered not to be relevant or do not have any significant effect on the Group's operations and therefore not detailed in these consolidated condensed interim financial statements.

2.4 Standards, interpretations of and amendments to published approved accounting and reporting standards that are not vet effective:

The following standards, amendments and interpretations as notified under the Companies Act, 2017 will be effective for the accounting periods as stated below:

Standard, Interpretation or Amendment

Effective date (annual periods beginning on or after)

IFRS 9 - 'Financial Instruments'	2.4.1	January 01, 2024
IAS 1 - Non current liabilities with covenants (amendments)		January 01, 2024
IFRS 16 - Sale and leaseback (amendments)		January 01, 2024

The management is in the process of assessing the impact of these amendments on the consolidated condensed interim financial statements of the Group.

# 2.4.1 IFRS 9 - 'Financial Instruments'

As per SBP's BPRD Circular No. 7 dated April 13, 2023, the effective date of IFRS 9 for banks in Pakistan has been extended from January 01, 2023 to January 01, 2024, and accordingly the Standard will be applied on the Holding Company's financial statements for the accounting periods beginning on or after January 01, 2024. As disclosed in note 2.5.1.5 to the audited consolidated annual financial statements of the Group for the year ended 31 December 2022, the Holding Company had carried out an impact assessment based on the portfolio of financial instruments held at that date. Given the modified effective date of the Standard, the Holding Company will reassess the impact of the Standard in due course as required under the relevant regulatory requirements.

#### 3 BASIS OF MEASUREMENT

# 3.1 Accounting convention

These consolidated condensed interim financial statements have been prepared under the historical cost convention except for certain fixed assets and non banking assets acquired in satisfaction of claims which are stated at revalued amounts; held for trading, available for sale investments and derivative financial instruments which are measured at fair value; defined benefit obligations which are carried at present value; and right of use of assets and related lease liability measured at present value.

# 3.2 Functional and Presentation Currency

These consolidated condensed interim financial statements are presented in Pakistani Rupees, which is the Group's functional and presentation currency. The amounts are rounded off to the nearest thousand rupees except as stated otherwise.

# 4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the annual audited consolidated financial statements of the Group for the year ended December 31, 2022.

# 5 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these consolidated condensed interim financial statements is the same as that applied in the preparation of the annual audited consolidated financial statements for the year ended December 31, 2022.

# 6 FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Group are consistent with those disclosed in the annual audited consolidated financial statements for the year ended December 31, 2022.

# 32 WORKERS' WELFARE FUND

The Supreme Court of Pakistan vide its order dated November 10, 2016 has held that the amendments made in the law introduced by Federal Government through the Finance Act, 2008 for the levy of Workers' Welfare Fund (WWF) on banks were not lawful. The Federal Board of Revenue has filed review petitions against this order, which are currently pending. A legal advice was obtained by the Pakistan Banking Association which highlights that consequent to filing of these review petitions, a risk has arisen and the judgment is not conclusive until the review petitions is decided. Accordingly, the amount charged for Workers' Welfare Fund since 2008 has not been reversed.

- 35.1 a) The income tax assessments of the Holding Company have been finalized upto and including tax year 2022. Certain addbacks made by the tax authorities for various assessment years, appeals against which are pending with the Commissioner of Inland Revenue (Appeals), Appellate Tribunal Inland Revenue (ATIR), High Court of Sindh and Supreme Court of Pakistan.
  - In respect of tax years 2008, 2014, 2017 and 2019 to 2022, the tax authority had raised certain issues including default in payment of WWF, allocation of expenses to dividend and capital gains, dividend income from mutual funds not being taken under income from business and disallowance of Leasehold improvements. These matters have been decided in favour of the Holding Company (December 31, 2022; Rs. 639.939 million). The related appeal effect orders are pending before the tax authority. Accordingly, the Holding Company has not made any provision in respect of these amounts.
  - b) The Holding Company had received orders from a provincial tax authority for the periods from July 2011 to December 2020 wherein tax authority demanded sales tax on banking services and penalty amounting to Rs.763.312 million (excluding default surcharge) by disallowing certain exemptions of sales tax on banking services and allegedly for short payment of sales tax. Appeals against these orders are pending before Commissioner Appeals. The Holding Company has not made any provision against these orders and the management is of the view that these matters will be settled in Holding Company's favour through appellate process.
  - c) The Holding Company had received an order from a tax authority wherein Sales tax and penalty amounting to Rs. 5.191 million (excluding default surcharge) was demanded allegedly for non-payment of sales tax on certain transactions relating to accounting year 2016 and appeal against this order is pending before Commissioner Appeals. Another order previously received for the same accounting year wherein Sales tax and Further Tax amounting to Rs. 8.601 million (excluding default surcharge and penalty) was demanded allegedly for non-payment of sales tax on certain transactions is pending before Appellate Tribunal. The Holding Company has not made any provision against these orders and the management is of the view that these matters will be favourably settled through appellate process.

# 37 FAIR VALUE MEASUREMENTS

Fair value measurement defines fair value as the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements. The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments. In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these are either short-term in nature or, in the case of customer loans and deposits, are frequently repriced.

# 37.1 Fair value of financial instruments

The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

- The Group's policy is to recognize transfers into and out of the different fair value hierarchy levels at the date of the event or change in circumstances that caused the transfer. There were no transfers between levels 1 and 2 during the current period.
- 37.3 Valuation techniques used in determination of fair values:

#### 37.3.1 Fair value of financial assets

#### (a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in ordinary shares of listed companies and listed non government debt securities.

# (b) Financial instruments in level 2

Financial instruments included in level 2 comprise of Market Treasury Bills, Pakistan Investment Bonds, GoP Ijarah Sukuk, GoP Euro Bonds, Overseas Government Sukuks, Overseas Bonds. Term Finance Certificates, and other than Government Sukuk, forward foreign exchange contracts, forward government securities contracts, cross currency swaps and interest rate swaps.

#### (c) Financial instruments in level 3

Currently, no financial instruments are classified in level 3 except as disclosed in note 37.3.2.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

#### 37.3.2 Fair value of non-financial assets

Certain categories of fixed assets (land and buildings) and non banking assets acquired in satisfaction of claims are carried at revalued amounts (level 3 measurement) determined by professional valuers based on their assessment of the market values as disclosed in notes 12 and 15. The valuations are conducted by the valuation experts appointed by the Holding Company which are also on the panel of the State Bank of Pakistan.

# 37.3.3 Valuation techniques

ltem	Valuation approach and input used
Market Treasury Bills (MTB) / Pakistan Investment Bonds (PIB), and GoP Ijarah Sukuk (GIS) including their forward contracts	The fair value of MTBs and PIBs are derived using PKRV rates. GIS are revalued using PKISRV rates. Floating rate PIBs are revalued using PKFRV rates.
Overseas Sukuk, Overseas Bonds and GoP Euro Bonds	The fair value of Overseas Government Sukuks, and Overseas Bonds are valued on the basis of price available on Bloomberg.
Debt Securities (TFCs and Sukuk other than Government)	Investment in WAPDA Sukuks, debt securities (comprising term finance certificates, bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan.
Ordinary shares - listed	The fair value of investments in listed equity securities are valued on the basis of closing quoted market price available at the Pakistan Stock Exchange.
Forward foreign exchange contracts	The valuation has been determined by interpolating the FX revaluation rates announced by the State Bank of Pakistan.
Derivative Instruments	Derivatives that are valued using valuation techniques based on market observable inputs are mainly interest rate swaps and cross currency swaps. The most frequently applied valuation techniques include forward pricing and swap models using present value calculations.
Fixed assets and non banking assets acquired in satisfaction of claims	The valuation experts used a market based approach to arrive at the fair value of the Holding Company's properties. The market approach uses prices and other relevant information generated by market transactions involving identical, comparable or similar properties. These values are adjusted to reflect the current condition of the properties. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty accordingly a qualitative disclosure of sensitivity has not been presented in these consolidated condensed interim financial statements.

#### 41 AFGHANISTAN OPERATIONS

Bank Alfalah maintains a two-branch presence in Afghanistan. The board and management of the Holding Company continue to closely monitor the evolving situation in Afghanistan which has been hampered due to the country's frozen reserves and uncertainty regarding international recognition which prevent normal flows in and out of Afghanistan. The Holding Company has taken impairment against assets where there is an indication that carrying amount may be higher than its recoverable amount. The Holding Company remains focused on maintaining its control standards i.e. both onshore and through Head Office oversight.
