DIRECTORS REPORT TO THE SHAREHOLDERS

Accounts for the quarter ended September 30, 2023 show a loss of Rupees 2.49 million as compared to the loss of Rupees 2.37 million in the corresponding period in 2022. This loss is mainly attributed to maintain the cost of minimum staff required for the managing the corporate and financial affairs of the company and professional fee paid to lawyers on account of our ongoing cases with financial institutions

The management is in the process of implementing the closure plan approved by the BOD and Shareholders. There were two parts to this plan i.e., Disposal of Assets and Future Business plan. As far as the Disposal of Assets is concerned, all the payments against the disposal of assets have been received.

After the settlement of the Bank of Punjab's liability sufficient surplus funds were not available, therefore, the future business plan as approved by the shareholders in their meeting held in October 2011 cannot be implemented.

Furthermore, we are still in litigation with the concerned financial institutions over their claims, although, our legal counsellors have their optimistic view for a favourable outcome in all our cases under litigation process. In view of the same, the management is exploring various options for alternate funding to pay the balance of outstanding liabilities, and implementing of the business plan from any surplus funds. Currently, the company does not have funds for the future business plan and if a possibility comes up, we will put it up for approval to the Shareholders.

In the meanwhile, we remain focused on cost controls and every possible effort is being made to curtail it, and keep the expenses to a minimum level.

For and on behalf of the Board

4. CONTINGENCIES AND COMMITMENTS

a) Contingencies

- I) For tax year 2022, the company did not work out the tax provision as required under Section 113 C (Alternative Corporate tax) of the Income Tax Ordinance, 2001. The tax return has been assessed under Section 120 Order to make self assessment and accepted by the tax authorities. In case the company's tax return is selected for audit the tax authorities may revise the tax return and raise tax demand for the omitted tax liability of Rs 8.75 Million.
- ii) The Commissioner Inland Revenue raised demand for sales tax amounting to Rupees 34.022 million (2022: Rupees 34.022 million) along with additional tax and penalty in respect of sales tax not charged on sale of fixed assets, sale of scrap, disputed inputs claimed, etc. The Company filed appeals before the Appellate Tribunal Inland Revenue and subsequently in Lahore High Court, Lahore which were decided against the Company. Afterwards, the Company filed an appeal in Supreme Court of Pakistan in 2012 against the decision of the Lahore High Court, Lahore. Moreover, the Company also approached Federal Board of Revenue (FBR) for a decision by Alternate Dispute Resolution Committee (The Committee). The Committee has given its recommendations in favour of the company. However, on February 10, 2020, Supreme Court of Pakistan dismissed the appeal. Then the Company filed review petition on March 10, 2020 in Supreme Court of Pakistan against this judgment. The honorable Supreme Court in its order dated September 30, 2021 disposed of the review petition in terms that the judgment under review shall not prejudice the rights of the petitioner arising out of the legislative amendments introduced in subsection (4) of Section 47-A of the Sales Tax Act, 1990. Based on the advise of the legal counsel, no provision has been made in these financial statements as the management is of the view that after decision of the honorable Supreme Court the recommendations made by the ADRC shall be treated to be an order passed by the FBR under the Sales Tax Act, 1990.
- iii) Deputy Commissioner Inland Revenue, Lahore ordered on June 19, 2017 for recovery of sales tax amounting to Rupees 934,414 along with penalty of Rupees 97,962. The Company filed an

appeal against this order to Commissioner Inland Revenue (Appeals), Lahore on July 14, 2017. However on June 20, 2018, the appeal was disposed of by Commissioner Inland Revenue (Appeals), Lahore and the case was remanded back to Deputy Commissioner Inland Revenue, Lahore. Based on the advice of legal counsel, the management is of the view that there are strong grounds about the decision of the case in favour of the Company. Therefore, the related provision is not made in these financial statements.

iv) As per press release of Supreme Court of Pakistan dated May 17, 2018, a two member bench, headed by Chief Justice of Pakistan, heard Suo Moto Case No. 26 of 2007 with HR Cases and Constitution Petition No. 64 of 2009 regarding Deadbeats got loans of Rupees 54 billion written off. The case was heard on May 13, 2018 at Supreme Court of Pakistan and the Bench passed the order recommending action against 222 individuals / companies identified in the Report of the Commission constituted by the honorable Supreme Court (Page No. 107 of Vol-I of the Commission's Report) on account of the fact that the loans were not written off in accordance with law. The case was adjourned several times uptill the end of the financial year 30 September 2023.

The name of the Company, under the heading of National Bank of Pakistan (NBP), is included in the list of 222 individuals / companies. On August 10, 2018, NBP through a letter demanded Rupees 25.858 million (US Dollars 212,654.94) against the principal and mark-up balances of FE-25 loan along with mark-up on other adjusted loans. The company has filed suit against NBP's illegal and time barred claim, which is presently pending adjudication before the Lahore High Court, Lahore. The legal advisors have advised that there is no scope of any loss to the company in this matter. A writ petition was filed by the Company against Bank's threat of indulging NAB, which was allowed by Lahore High Court, Lahore on December 24, 2018. However, NAB has challenged this judgment of Lahore High Court, Lahore before Supreme Court of Pakistan on March 09, 2019 which is pending for decision with no stay in it. Further, on May 08, 2021, a suit was also filed by NBP in the Banking Court, Lahore against the Company claiming recovery of US Dollars 211,051.22 against principal and mark-up balances of FE-25 loan. The Company denies any of the claims made by NBP. The case is pending before the Banking Court, Lahore and the company has a very good case in this matter as advised by the legal advisors. Based on advice of legal counsel, no provision has been made in these financial statements as the management believes the Company has strong grounds about the decision of the cases in favour of the Company.

b) Commitments

There was no capital or other commitment of the Company as at 30 September 2023 (2022: Rupees Nil).
