# **DIRECTORS' REPORT**

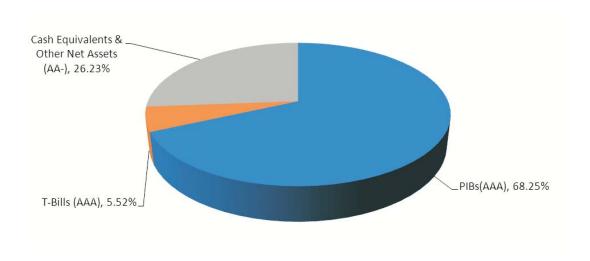

The Board of Directors of NBP Fund Management Limited is pleased to present the unaudited Condensed Interim financial statements of **NBP Government Securities Savings Fund (NGSSF)** for the quarter ended September 30, 2023.

### **Fund's Performance**

During the quarter, two Monetary Policy Committee meetings were held and SBP maintained the policy rate at 22%. The stress on external accounts and PKR continued as fiscal discipline remained weak, though PKR depreciation was eventually brought under control with administrative measures. Inflation as measured by the CPI averaged at 29% for the quarter. With the recent surge in oil prices and expected hike in gas tariffs, the inflation is expected to remain elevated in the near term, though a decline is expected from next half as high base effect kicks in. The upcoming debt repayments and weak investment inflows will exert pressure on FX reserves. The net liquid foreign exchange reserves with SBP as at 28-Sep-23 stood at USD 7.62 billion (down by USD 543.8million compared to July 2023). This signifies grave challenges & risks to financial stability. SBP held three PIB auctions, where bids worth around Rs. 189 billion were realized. Sovereign yields responded equally to the economic uncertainty and rising inflationary pressures and kept the market participants' interests tilted primarily towards shorter tenures securities.

The size of NBP Government Securities Savings Fund increased from Rs. 5,427 million to Rs. 8,883 million during the period (a significant growth of 64%). The unit price of the Fund has increased from Rs. 10.4544 on June 30, 2023 to Rs. 11.0454 on September 30, 2023, thus showing return of 22.4% p.a. as compared to the benchmark return of 23.0% p.a. for the same period. The performance of the Fund is net of management fee and all other expenses. The Fund has been assigned a stability rating of 'AA- (f)' by PACRA.

The Fund has earned a total income of Rs. 436.49 million during the year. After deducting total expenses of Rs. 27.61 million the net income is Rs. 408.88 million. The asset allocation of NGSSF as on September 30, 2023 is as follows:
