#### DIRECTORS' REPORT

Dear Shareholders,

We are pleased to present un-audited financial statements of the Company for the half year ended December 31, 2023 reviewed by the auditors of the Company.

During the period under review, the Company earned profit after tax of Rs. 8.639 million as compared to loss after tax of Rs. 27.647 million of the corresponding period of previous year. Total sales were made amounting to Rs.3389.593 million as compared to corresponding period of previous year sales of Rs.2822.510 million showing increase of Rs.567.083 million i.e 20.09% against previous year period. Earning per share is Rs.0.52 as compared to Rs.(1.67) per share.

The financial results of the company are slightly better than the corresponding period of previous year. However, performance of textile sector overall remained depressed. The textile industry has never faced such a depressing operating environment and still passing through severe crises such as prices of raw material remained on higher side, increase in energy cost, very higher mark-up rates and other input costs. Due to increase in Gas Tariff of local gas by 118% w.e.f 01-11-2023 for export oriented industries production cost has significantly increased that left the textile industry no more competitive in the international market.

However, during the second quarter of period under review the exchange rate of Pak Rupee remained almost stable and if this trend continues, cost of imported raw material and other inputs can be better predicted that may lead to better decision making regarding selling prices and cost control.

We further expect that the upcoming Government will take well planned concrete steps to uplift the economy including subsidies gas and electricity rates and the lower markup rates for export oriented industry specially for textile sector keeping in view to make them competitive in international market that may lead to increase in foreign reserves resultantly may helpful to uplift the textile sector overall.

Despite, several adverse factors and challenges your management is making best efforts to improve the financial results of the company.

The board avails the opportunity to appreciate the devoted work done by the executives, officers, staff and workers of the company.

For and on behalf of the Board

# INDEPENDENT AUDITORS' REVIEW REPORT TO THE MEMBERS OF SHADAB TEXTILE MILLS LIMITED Report on Review of Interim Financial Statements

#### Introduction

We have reviewed the accompanying condensed interim statement of financial position of SHADAB TEXTILE MILLS LIMITED as at December 31, 2023 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements is not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

#### Other Matter

The figures of the condensed interim statement of profit or loss and the condensed interim statement of comprehensive income for the quarters ended December 31, 2023 and December 31, 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2023.
