DIRECTORS' REVIEW REPORT

The Directors of your Company are pleased to present the Financial Statements for the half year ended December 31, 2023.

MACRO-ECONOMIC CHALLENGES:

The Company faced massive macroeconomic challenges during the reporting period. The surge in energy prices and the relentless rise in commodity costs, combined with soaring inflation, exerted immense pressure on our sales prices while simultaneously dampening demand. Despite the management's best efforts, these external factors have collectively contributed to the decline in our overall profitability.

MANAGEMENT'S RESPONSE:

Throughout this challenging period, the management has worked tirelessly to navigate the turbulent economic conditions. Stringent measures were implemented to enhance operational efficiencies and reduce costs. Despite these efforts, the adverse external environment has outweighed our attempts to maintain profitability.

FIRE INCIDENT:

An unfortunate and isolated incident occurred on December 29, 2024, when a fire broke out at our manufacturing facilities. Although the situation was promptly brought under control, it is imperative to note that this incident will have repercussions on our financials for the next quarter. The management is actively engaged in assessing the extent of the damage and implementing recovery measures.

FINANCIAL PERFORMANCE:

Your Company during the Six months of the financial year 2024 has registered the net sales of Rs. 9,345 million as compared to Rs. 9,763 million under review. Your Company registered operating profit of Rs. 550 million during six months' period under review as against Rs.393 million in the similar period last

year. The Company registered a profit before and after tax of Rs.520 million and 219 million as compared to Rs. 614 million and 402 million respectively during the corresponding period last year. The Board expects the growth momentum to continue during the remainder of the current financial year the Company is geared to enhance its share in stronger market.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF AGHA STEEL INDUSTRIES LIMITED REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Agha Steel Industries Limited (the Company) as at December 31, 2023 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of cash flows, and condensed interim statement of changes in equity and notes to the condensed interim financial statements for the six months period then ended (herein-after referred to as the "interim financial statements"). Management is responsible for the preparation and fair presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

The figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the three months ended December 31, 2023 and 2022 have not been reviewed, as we are required to review only the cumulative figures for the six months' period ended **December 31, 2023**.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's review report is **Muhammad Haroon**.
