DIRECTORS' REPORT TO THE UNIT HOLDERS

The Board of Directors of JS Investments Limited, the Pension Fund Manager of **JS KPK PENSION FUND** (the Fund), has pleasure in presenting to you the un-audited financial statements of the fund for the half year ended December 31, 2023.

Economy Review:

During FY23, Pakistan's economy faced severe shocks from floods, Geo-political tensions escalating commodity prices, tightening financing conditions, and policy setbacks, leading to stalled growth, surging inflation, depleted reserves, and acute fiscal pressures. However, during 1HFY24 the country transitioned from a rhetoric of default with no visible solutions toward reform implementation, sustainable policies, and reinforcing external accounts. Guided by SIFC and IMF directives, this shift reoriented the outlook from potential default to sustained growth, signaling an optimistic turn and leaving the worst economic challenges behind.

Asset sales under SIFC are expected to help prevent a significant decline in FX reserves, supported by reforms in the energy sector and SOEs, creating fiscal space. Concurrently, the anticipated influx of FDI is poised to address the country's gross financing needs, bolstering Pakistan's economic stability and growth. In FY24, GDP growth is projected at 2.5%, driven by the post-flood recovery in the agriculture sector. Additionally, sustained policies, effective reforms, and substantial financial support remain pivotal to long-term growth.

The financial inflows under the SIFC asset sale and the IMF program will bolster exchange rate stability, playing a pivotal role in curbing inflation by maintaining a stable PKR. During 1HFY24, the average inflation was recorded at 28.8%, compared to 25.04% in the corresponding period last year. Moving forward monetary policy to remain tightly linked to the external account and inflation outlook while contractionary measures will remain the central theme on the fiscal side.

Equity Market Review:

KSE-100 index began the year on a strong note influenced by the successful agreement with the IMF under the Stand-By Arrangement (SBA) which played a pivotal role in economic stability. In 1HFY24, the KSE-100 Index displayed remarkable growth and optimism, registering an impressive 51% increase, gaining 20,998.35 points, and closing the index at 62,451.04 points at year-end.

The overall trading activity witnessed an increase of ~118% Y-o-Y, as the volumes rose to 477.6mn shares, compared to 219.2mn shares in 1HFY23. Similarly, the value of shares traded displayed growth of 69% Y-o-Y, averaging around USD 50.2mn in 1HFY24. During 1HFY24, Commercial Banks, Oil & Gas Exploration Companies, and Power Generation & Distribution were notable outperformers.

Looking ahead, the equity market's performance would largely be influenced by the government's adherence to the reforms under the IMF program, materialization of FDI flows under SIFC, and political stability amid upcoming general elections.

Review of Fund Performance

The fund was launched on December 14, 2023 for contributions by eligible participants, under the Voluntary Pension System Rules, 2005 (VPS Rules, 2005), with the objective of assisting and facilitating them to plan for their retirement. The fund presently has four sub-funds that are Equity Sub-Fund, Equity Index Sub-fund, Debt Sub-Fund, and Money Market Sub-Fund.

The Money Market Sub-fund's annualized return was 16.94% for the half year ended December 31, 2023. Net Assets were PKR 30.89 million as at December 31, 2023. The total expense ratio (TER) of the Money Market Sub Fund is 0.20%, which includes 0.03% of government levies on the Fund.

The Fund has 7 participants as on December 31, 2023.

Asset Manager Rating

Pakistan Credit Rating Agency Limited (PACRA) has maintained Management Company's asset manager rating of 'AM2+' with a 'stable outlook' to JS Investments Limited. This rating underscores our dedication to maintaining high-quality management standards, reflecting positively on the overall performance and outlook of our operations.

Acknowledgment

The directors express their gratitude to the Securities and Exchange Commission of Pakistan and Central Depository Company of Pakistan Limited for their valuable support, assistance and guidance. The Board also thanks the employees of the Pension Fund Manager for their dedication and hard work and the participants for their confidence in the Management.

Introduction

T +92 21 35672951-56

We have reviewed the accompanying condensed interim statement of assets and liabilities of JS KPK Pension Fund ("the Fund") as at December 31, 2023 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of movement in participant's sub funds and condensed interim statement of cash flow and together with the notes forming part thereof (here-in-after referred to as the "condensed interim financial statements") for the period from December 15, 2023 to December 31, 2023. Management Company (JS Investments Limited) is responsible for the preparation and presentation of the condensed interim financial statements in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements is not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

- 1.6 These are the first condensed interim financial statements for the period December 15, 2023 to December 31, 2023 and therefore, comparative figures have not been included.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)

FOR THE PERIOD FROM DECEMBER 15, 2023 TO DECEMBER 31, 2023

2 BASIS OF PREPARATION

2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, 'Interim Financial Reporting' issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Voluntary Pension Rules, 2005 (the VPS Rules) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the VPS Rules and the requirements of the Trust Deed differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the VPS Rules and the requirements of the Trust Deed have been followed.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except investment property which is stated at fair value. The figures have been rounded off to the nearest rupees.

Functional and presentation currency

Items included in these condensed interim financial statements are measured using the currency of the primary economic environment in the Scheme operates. These condensed interim financial statements are presented in Pakistani Rupees which is the Scheme's functional and presentation currency.

2.3 Standards, amendments and interpretations to the published standards that may be relevant but not yet effective and not early adopted by the Fund

In addition certain IFRS, amendments and interpretations to approved accounting standards are not yet effective. The Scheme is in the process of assessing the impact of these Standards, amendments and interpretations to the published standards on the condensed interim financial statements of the Fund.

2.4 Standards, amendments and interpretations to the published standards that are not yet notified by the Securities and Exchange Commission of Pakistan (SECP)

Further, certain IFRS have been issued by the International Accounting Standards Board (IASB) which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

3 CRITICAL ACCOUNTING ESTIMATE AND JUDGEMENT

The preparation of these condensed interim financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future period.

The areas involving a degree of judgment or complexity, or areas where estimates and assumption are significant to these condensed interim financial statements relate to:

- Impairment of financial assets (note 4.1.3)
- Provisions (note 4.4)

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)

FOR THE PERIOD FROM DECEMBER 15, 2023 TO DECEMBER 31, 2023

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these condensed interim financial statements are set out below. These policies have been applied consistently to all the periods presented in these condensed interim financial statements.

4.1 Financial assets

4.1.1 Initial recognition and measurement

Financial assets are recognized at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognized at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognized at fair value and transaction costs are recognized in the Income Statement.

4.1.2 Classification and subsequent measurement

4.1.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- _ at amortized cost
- _ at fair value through other comprehensive income "(FVOCI)"; and
- _ at fair value through profit or loss (FVPL) based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Debt Sub-Fund and Money Market Sub-Fund primarily invests in debt securities and their performance is measured on a fair value basis. Hence, the management has classified the debt securities invested through the Debt Sub-Fund and the Money Market Sub-Fund as FVPL.

4.1.2.2 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets

All equity investments are required to be measured in the 'Statement of Assets and Liabilities' at fair value, with gains and losses recognized in the Income Statement, except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI. The management considers its investment in equity securities being managed as a group of assets and hence has classified them as FVPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognized in the Income Statement

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

4.1.3 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortized cost and FVOCI. The Fund recognizes a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- _ an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- _ the time value of money; and
- _ reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)

FOR THE PERIOD FROM DECEMBER 15, 2023 TO DECEMBER 31, 2023

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL :

4.1.4 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Pension Fund Manager in accordance with the guidelines issued by the SECP. Impairment losses recognized on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Pension Fund Manager may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Pension Fund Manager.

4.1.5 Regular way contracts

All regular way purchases and sales of financial assets are recognized on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

4.1.6 Derecognition

Financial assets are derecognized when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss arising on derecognition of financial assets is taken to the Income Statement.

4.2 Financial liabilities

4.2.1 Classification and subsequent measurement

All financial liabilities are recognized at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognized at fair value and subsequently stated at amortized cost.

4.2.1.2 Derecognition

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to Income Statement.

4.3 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

4.4 Provisions

Provisions are recognized when the Scheme has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.5 Taxation

The income of the Scheme is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001.

The Scheme is also exempt from the provisions of section 113 (minimum tax) under clause 11A of part IV of the Second Schedule to the Income Tax Ordinance, 2001.

18 FINANCIAL INSTRUMENTS BY CATEGORY

The Fund's objective in managing risk is the creation and protection of participants' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Pension Fund Manager, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Pension Fund Manager supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of the changes in market prices.

The Pension Fund Manager manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee and the Regulations laid down by SECP.

Market risk comprises of three types of risk: currency risk, profit / interest rate risk and price risk.

18.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Sub-Funds does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

18.1.2 Profit / interest rate risk

Profit / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of December 31, 2023, the Fund is exposed to such risk on its balances held with banks and Sukuk certificates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

18.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Sub Funds are not exposed to any price risk.

18.2 Credit risk

Credit risk represents the risk of a loss if the counter parties fail to perform as contracted. Credit risk in Sub-Funds mainly arises from deposits with banks, credit exposure arising as a result of profit receivable on deposits with banks, deposits and investment in debt securities. For banks and financial institutions balances are kept with reputed parties. Credit risk on deposit receivable is minimal due to statutory protection. All transactions in listed securities are settled / paid for upon delivery as per market clearing system. The risk of default is considered minimal due to inherent systematic measures taken therein. Debt securities held by the debt sub fund and money market sub fund mainly consist of government securities are government backed and therefore not exposed to credit risk. The remaining debts securities are with reputable counter parties and therefore credit risk is minimal.

Credit risk is managed and controlled by the Pension Fund Manager of the Fund in the following manner:

- The Fund limits its exposure to credit risk by only investing in liquid debt securities that have at minimum an investment grade as rated by a credit rating agency approved by the SECP. In the absence of issue rating, the Fund ensures that the entity has an investment grade as rated by a credit rating agency approved by the SECP.
- The risk of counter party exposure due to failed trades causing a loss to the Fund is mitigated by a periodic review of trade reports, credit ratings and financial statements on a regular basis

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)

FOR THE PERIOD FROM DECEMBER 15, 2023 TO DECEMBER 31, 2023

18.2.1 The Sub Funds' maximum exposure to credit risk are as follows

JS KPK Pension Fund - Money Market Sub Fund (the Money Market Sub Fund).

Name Of The Bank	Rating agency	Latest available published rating	Percentage
Dubai Islamic Bank	PACRA	AA	100%

18.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets in mainly held with credit worthy counterparties thereby mitigating any credit risks

18.3 Liquidity risk

Liquidity risk is the risk that all Sub-Funds may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on the terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets either in short term instruments or in investments that are traded in an active market and can be readily disposed and are considered readily realizable in order to maintain liquidity.

The Fund can borrow in the short term to ensure settlement in Sub-Funds. The maximum amount available to the Sub-Funds from the borrowing would be limited to fifteen percent of its net assets up to 90 days and would be secured by the assets of the Sub-Funds. The facility would bear borrowing cost at commercial rates. However, no borrowing was obtained by any Sub-Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarizes the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining year at the end of the reporting year to the contractual maturity date. However liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

19 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing at the reporting date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

'Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

'Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

'Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The Fund has not disclosed the fair value of the financial assets and liabilities as their fair values are approximately equal to their carrying value.

20 PARTICIPANTS' SUB-FUND RISK MANAGEMENT

The participants' Fund is represented by redeemable units of the Sub-Funds. These units are entitled to payment of a proportionate share, based on the Fund's Net Asset Value per unit on the redemption date.

The Fund has no restrictions on the subscription and redemption of units. There is no specific capital requirement which is applicable to the Fund

The Fund's objectives when managing funds received are to safeguard its ability to continue as a going concern so that it can continue to provide returns for participants and to maintain a strong base of asset under management.

In accordance with the risk management policies, all the Sub-Funds of the Fund endeavor to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption. All the Sub-Funds of the Fund have invested with a long term objective, the possibility of a significant redemption pressure is limited, such liquidity being augmented by borrowing arrangements (which can be entered if necessary) or disposal of investments where necessary.
