

Alhamdulillah for the first time after the Company's activities of Polyester Filament Yarn production were discontinued in December 2006. SG Allied Businesses Limited (Formerly known as SG Fibre Limited) will report healthy bottom-line / Green bottom-line

There were 18 Polyester Filament Yarn Units in the Company and due to dumping from China higher Energy Charges, Poor Law and Order situation in the Country etc. 16 of them were shut down and now Alhamdulillah SG Allied Businesses Limited (Formerly SG Fibre Limited) is the only one who has revived the Business by adapting new Lines of Business.

Revival Plan was successfully given to SECP and implemented in time with Company's internal resources and Director's Loan and today Company operates one of the only Facility of Hi Tech Agriculture in Pakistan where we produce High End Vegetables and Mushrooms. The Company's Clients are leading Supermarkets for instance SPAR stores, Springs Stores, EBCO stores, Fresh Basket, Move n Pick, French fresh Bakery etc. as well as Restaurants like Kolachi, Lal qila, Broad way, BBQ Tonight, Cafe Parraha, Cafe flo, Xanders, Aylanto, Okra, Izakaya, Cotie Rotie, Yazu Restaurant, Famous Os Pizza, Eatalia Pizza, The Big pizza, Burger lab, OPTP etc.

Company Current activities are Cold storage, Hi Tech Agriculture in Hydroponics and the Technology was obtained from Holland. Currently Company engages many International Consultants from Turkey, Holland etc. to further improve productivity and quality. Inshaa Allah in coming years it is expected that company's profitability will further improve.

Currently Company is under discussion with two more Super markets and Inshaa Allah Company's products will be soon sold through these Super Marts with network all over Pakistan in addition to that a leading FMCG Company is interested in buying Company's Mushroom and Vertical Farm products to make products like Achar and Sauces from Company's products
