# INDEPENDENT AUDITORS' REVIEW REPORT

# TO THE MEMBERS OF PICIC INSURANCE LIMITED REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS

## Introduction:

We have reviewed the accompanying condensed interim statement of financial position of **PICIC Insurance Limited** ("the Company") as at June 30, 2024 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and notes to the condensed interim financial statements for the six-months period then ended (here-in-after referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

The figures for the quarters ended 30 June 2024 and 30 June 2023 in the condensed interim statement of profit or loss account and other comprehensive income have not been subject to the review and therefore, we do not express a conclusion thereon.

# Scope of Review:

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial statements Performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# **Basis for Adverse Conclusion:**

- a) The Company is required to maintain minimum paid up capital of Rs. 500 million net of discount offered on issue of shares. Whereas the current paid-up capital of the company amounts to Rs. 350 million only thus making it non-compliant.
- b) The minimum solvency requirement is Rs. 150 million. Whereas the company has negative minimum solvency of Rs. 14.72 million making it non-compliant.
- c) The company has discontinued the insurance business and applied for surrendering of its insurance license to the Securities & Exchange Commission of Pakistan (SECP). However, the application was rejected by SECP. Consequently, the company has filed a petition in

the Honorable High Court of Sindh against the order of SECP, which is still pending.

d) On July 06 2017, shareholders of the company had resolved to approve the scheme of merger of PICIC Insurance Limited and Crescent Star Foods (Private) Limited, a going

concern. However, the merger process is pending sanction in the High Court.

e) The company earned profit of Rs. 7.344 million during the six months period ended June 30, 2024 resulting in accumulated loss of Rs. 365.094 million as on June 30, 2024 which has turned the equity into negative. Further, as of June 30, 2024 the Company's current liabilities have exceeded its current assets by Rs. 14.721 million and the operating cash

flows of the Company are also negative since 2011.

The above circumstances, along with sizeable decline in business activities, indicate the existence of material uncertainty that may cast significant doubt on the Company's ability to

continue as a going concern.

Further, due to the matters stated in paragraph (a) to (e) above, the Company may not be able to realize its assets and discharge its liabilities in the normal course of business. However, as stated in Note 1.6, the financial statements have been prepared on a going concern basis. However, under the circumstances, management's use of the going concern assumption in the financial statements is considered inappropriate and the financial

statements should have been prepared on realization basis.

**Adverse Conclusion** 

Based on our review, due to significance of matter described in the preceding paragraph, the accompanying condensed interim financial information as at June 30, 2024 is not prepared in all material aspects, in accordance with approved accounting standards as applicable in Pakistan for

Interim Financial Reporting.

The engagement partner on the review resulting in this independent auditor's review report is

Azeem Hussain Siddiqui.
