DIRECTORS' REVIEW REPORT TO THE SHAREHOLDERS

FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2024

The Board of Directors is pleased to present a concise review of Saif Power Limited's "the Company" financial and operational performance on the condensed interim financial statements for the six months period ended June 30, 2024.

SUMMARY OF FINANCIAL PERFORMANCE

Turnover of the Company was Rs. 3,654 million as compared to Rs. 10,210 million for the same period last year. Dispatch level was 3.62% as compared to 28.42% during the same period last year. Net profit during the period amounts to Rs. 519 million as against net loss of Rs. 742 million for the comparable period of 2023. Earning per share for the period is Rs. 1.34 as compared to loss per share of Rs. 1.92 during the same period last year.

In lieu of the above, Net profit during the period comes to Rs. 519 million resulting in an Earning per share for the period is Rs. 1.34 as against loss of Rs. 742 million (as explained in earlier reports, it was actually not a loss).

PENDING ISSUES

(a) In the case against M/s Sui Northern Gas Pipelines Limited (SNGPL), after the arbitration award in Company's favor for an amount of Rs. 270.66 million (disputed amount of Rs. 239.68 million & related costs of Rs. 30.98 million), the Company filed a petition in the Civil Court Lahore to obtain the enforcement Decree in lieu of the Arbitration award. The Company has already adjusted the awarded amount as above against payables to SNGPL.

SNGPL enforced another arbitration saying that Company could not adjust without a decree from the court. The arbitration tribunal has agreed with SNGPL in its decision dated April 22, 2022. SNGPL has filed a petition in the Lahore High Court. During the year 2023, Civil Court Lahore issued decree in favor of the Company. The Honorable Court, whilst making the Award a rule of Court, modified the Award to the extent that the interest awarded by the Arbitrator would not run from August 18, 2014 and the date of Award, respectively, but from the date of Honorable Court's Order date. This modification was upheld by Lahore High Court. This modification of interest date in Award made is against the arbitration rules. The Company has challenged this modification in Supreme Court of Pakistan which is pending adjudication. Company is confident that ultimately the money will be retained by the Company.

(b) In disputes with Central Power Purchasing Agency (Guarantee) Limited "Power Purchaser" on account of 'Period Weighing Factors' (PWF) and 'Heat Rate Correction Factor', the Company has proceeded and filed request for arbitration in London Court of International Arbitration during the year. However, the Company and Power Purchaser are discussing the matter and the Arbitrator has been requested to suspend any further proceedings at the moment. In addition to this, the Company has obtained stay order against deduction on account of 'Heat Rate Correction Factor' from Civil Court, Islamabad.

Introduction

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of Saif Power Limited (the "Company") as at June 30, 2024 and the related unconsolidated condensed interim statement of profit or loss, the unconsolidated condensed interim statement of changes in equity, and the unconsolidated condensed interim statement of cash flows, and notes to the financial statements for the six-month period then ended (here-in-after referred to as the "unconsolidated condensed interim financial statements"). Management is responsible for the preparation and presentation of these unconsolidated condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these unconsolidated condensed interim financial statements based on our review. The figures for the three-month period ended June 30, 2024 and June 30, 2023, in the unconsolidated condensed interim statement of profit or loss and unconsolidated condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion on them.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying unconsolidated condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards, as applicable in Pakistan for interim financial reporting.

The engagement partner on the engagement resulting in this independent auditors' review report is Waqas Waris.

5 MAINTENANCE RESERVE

Overhauls of the complex are at certain intervals based on Factored Fired Hours (operating hours) as per terms and details of the O&M Agreement. The amount of such overhauls has been calculated on the basis of operating hours as in the above sentence and such amount has been appropriated to Maintenance Reserve through statement of changes in equity. After completion of specific operating hours, the amount will be transferred from maintenance reserve and the same amount will be charged to cost of sales. Resultantly, appropriation made in prior, current and subsequent years will be netted off in the year payment is made on account of this overhaul. Thus, it is just a replacement in the years only and has zero effect in actual on the company.
