SUB: Material Information Disclosure - Completion of Second Phase Expansion

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we are providing the following information as material to our shareholders and TRE Certificate holders.

The Organic Meat Company Limited is pleased to announce the successful completion of Expansion Phase 2 of its operations. This phase adds an additional capacity of 300 Metric Tons (MT) per month for the production of frozen cooked beef meat.

The expanded production capacity is aimed at catering to the growing demand for high-quality frozen cooked beef meat product, particularly in market of the People's Republic of China (PR China), where The Organic Meat Company Limited has a strong presence. This development marks a significant milestone in The Organic Meat Company Limited's strategic growth initiatives and further strengthens its position in the Chinese frozen cooked beef meat market.

Kindly disseminate this information to all TRE Certificate holders of the Exchange.
