## REPORT OF THE FUND MANAGER

### Meezan Strategic Allocation Fund – II (MSAF – II)

#### Type of Fund

MSAF – II is a perpetual Shariah Compliant (Islamic) Fund of Funds Scheme.

#### Objective

The fund aims to generate returns on Investments as per respective Allocation Plans by investing in Shariah Compliant Fixed Income and Equity Mutual Funds in line with risk/return preference of the investor.

#### Strategy and Investment Policy

MSAF – II has Allocation Plan which allow investors to invest according to their risk tolerance levels. This is closed end Plan which is suitable for Investors having a relatively moderate risk tolerance and/or wish to earn a relatively higher return over the medium term. This can switch exposure between Shariah compliant equity and fixed income mutual funds without any minimum or maximum limits, subject to expectations regarding the market performance.

The benchmark is also a weighted average combination of KSE Meezan Index 30 and Fixed Income/Money Market Schemes performance, according to the invested percentages in both the asset classes.

Meezan Strategic Allocation Plan - MCPP-IV	Weighted avg. return of KMI 30 Index and Fixed Income/ Money Market Scheme as per actual allocation.

## **Report of the Shariah Advisor – Meezan Strategic Allocation Fund-II (MSAF-II)**

July 23, 2024/Muharram 16, 1446 AH

**Alhamdulillah**, the period from July 1, 2023 to June 30, 2024 was the **Sixth** year of operations of **Meezan Strategic Allocation Fund** (the “**MSAF-II**” or the “Fund”) under management of Al Meezan Investment Management Limited (the “Al Meezan” or the “Management Company”). I, Dr. Muhammad Imran Ashraf Usmani, am the Shariah Advisor of the Fund and issuing the Shariah Advisor Report (the “Report”) in accordance with the Trust Deed of the Fund. The scope of the Report is to express an opinion on the Shariah compliance of the Fund’s activity.

It is the responsibility of the Management Company of the Fund to establish and maintain a system of internal controls to ensure Shariah compliance with the Shariah guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the Management Company’s personnel and review of various documents prepared by the Management Company to comply with the prescribed criteria.

We have reviewed and approved the modes of investments of the Fund in light of Shariah requirements. On the basis of information provided by the Management Company, all operations of the Fund for the year ended June 30, 2024 have been in compliance with the Shariah principles.

In light of the above, we hereby certify that all the provisions of the scheme and investments made on account of the Fund under management of Al Meezan are Shariah-compliant and in accordance with the criteria established by us.

We further confirm that earnings realized through prohibited sources were transferred to the charity account (where applicable).

May Allah bless us with the best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

And Allah knows the best.

---

**Dr. Muhammad Imran Ashraf Usmani**  
Shariah Advisor

## INDEPENDENT AUDITOR'S REPORT

### To the unit holders of Meezan Strategic Allocation Fund - II

#### Report on the audit of the financial statements

##### Opinion

We have audited the financial statements of **Meezan Strategic Allocation Fund – II (the Fund)**, which comprise the statement of assets and liabilities as at **June 30, 2024**, and the income statement, the statement of comprehensive income, the statement of movement in unit holders' fund and the cash flow statement for the year then ended, and notes to the financial statements, including a summary of material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with accounting and reporting standards as applicable in Pakistan.

##### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund and Al Meezan Investment Management limited (the Management Company) in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted by the Institute of Chartered Accountants of Pakistan together with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Key audit matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year.

This matter was addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

Following is the key audit matter:

S. No.	Key audit matter	How the matter was addressed in our audit
1	<p><b>Valuation and existence of investment</b></p> <p>As disclosed in note 6 to the financial statements, the investments held by the Fund amounts to Rs. 299.366 million as at June 30, 2024.</p> <p>The total investment amount is the significant account balance on the statement of assets and liabilities. This is one of the main drivers of the Fund's performance and thus risk exists on this balance. The Fund invests primarily in units of mutual funds and there is a risk that these investments are incorrectly valued.</p>	<p>In this respect, we performed the following procedures:</p> <ul style="list-style-type: none"><li>Reviewed the processes and key controls relating to existence and valuation;</li><li>Independently verified existence of investments through confirmation from Central Depository Company (CDC) as a trustee and Mutual fund account statement;</li></ul>

S. No.	Key audit matter	How the matter was addressed in our audit
	<p>In addition, there is a risk that the Fund may have included investments in its financial statements which are not in the ownership of the Fund and thereby increasing the uncertainty in respect of existence of investments recorded as at year end.</p> <p>In view of the above, we have considered the valuation and existence of investments as a Key Audit Matter.</p> <p>The disclosure regarding the investments are included in notes 6.1 to the financial statements.</p>	<ul style="list-style-type: none"> <li>• Tested valuation of investments held as at June 30, 2024 by verifying the average rates quoted on a widely used electronic quotation system (MUFAP) rates;</li> <li>• Differences, if any, identified during our testing that were over our acceptable threshold were investigated further; and</li> <li>• Evaluated the adequacy of disclosures in the financial statements.</li> </ul>

#### Other matter

The annual financial statement of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose audit report dated September 26, 2023, expressed an unmodified opinion.

#### Information other than the financial statements and auditor's report thereon

Management is responsible for the other information. The other information comprises the information (Directors' Report, Fund Manager Report & Trustee Report to the Unit Holders) included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management Company and Those Charged with Governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as the Management Company determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management Company is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management Company either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company are responsible for overseeing the Fund's financial reporting process.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Management Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management Company.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Those Charged with Governance of Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Those Charged with Governance of Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Those Charged with Governance of Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other legal and regulatory requirements**

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Nadeem Yousuf Adil.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE PERIOD AND YEAR ENDED JUNE 30, 2024**

**1. LEGAL STATUS AND NATURE OF BUSINESS**

- 1.1** Meezan Strategic Allocation Fund - II (the Fund) was established under a Trust Deed executed between Al Meezan Investment Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed under the Trust Act, 1882 on January 15, 2018 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on December 14, 2017 under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Fund is registered as a notified entity under the NBFC Regulations issued through S.R.O.1203(I)/2008 on October 10, 2016. The Trust Deed was previously registered under the "Trust Act, 1882" and now has been registered under "The Sindh Trusts Act, 2020". The Trust Act, 1882 has been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund is required to be registered under the Sindh Trust Act. Accordingly, the above-mentioned Trust Deed has been registered under the Sindh Trust Act. The Management Company has been licensed by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi 74400, Pakistan.
- 1.2** The Fund has been formed to enable the unit holders to participate in a diversified portfolio of Equity Schemes and Fixed Income / Money Market Schemes, which are Shariah compliant. Under the Trust Deed, all the conducts and acts of the Fund are based on Shariah guidelines. The Management Company has appointed Meezan Bank Limited as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah.
- 1.3** The Fund is an open-end Shariah compliant Fund of Funds Scheme. Units are offered for public subscription on a continuous basis till the end of the subscription period. However, the subscription in units may be reopened for fresh issuance by the Management Company with prior approval of SECP after intimation to the Trustee and by providing notice to investors in order to protect the interest of the unit holders. The units of the plan are transferable and can be redeemed by surrendering them to the Fund.
- 1.4** The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund. The Fund's property comprises of different types of allocation plans which are accounted for and maintained separately in the books of accounts and collectively constitute the Fund's property.
- 1.5** The Management Company has been assigned a quality rating of 'AM1' by VIS dated December 29, 2023 (2023: 'AM1' dated December 30, 2022) and by PACRA dated June 21, 2024 (2023: 'AM1' dated June 23, 2023). The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes.
- 1.6** The Fund is an open-end Shariah compliant Fund of Funds Scheme that aims to generate returns on investment as per allocation plans (sub funds) namely Meezan Capital Preservation Plan-IV (MCPPIV), Meezan Capital Preservation Plan-V (MCPPIV), Meezan Capital Preservation Plan-VI (MCPPIV), Meezan Capital Preservation Plan-VII (MCPPIV) and (Meezan Capital Preservation Plan-VIII (MCPPIV) matured on August 27, 2021) by investing in Shariah compliant Fixed Income / Money Market and Equity Mutual funds in line with the risk tolerance of the investor. Investors of the Fund may hold different types of allocation plans and may invest in any one or more of the available allocation plans. The management may also invest in other Collective Investments Schemes available to it with prior approval of the SECP. A brief description of the plans is as follows:

Meezan Capital Preservation Plan-IV (MCPPIV)	<p><b>Medium risk - High return through asset allocation</b></p> <p>This allocation plan commenced its operations from March 06, 2018 and can invest its portfolio between the Equity asset classes / Schemes and Fixed Income or Money Market asset classes / Schemes based on the macroeconomic view and outlook of such asset classes up to 100 percent. The initial maturity of this plan was two and a half years from the close of the subscription period (i.e. April 30, 2018). However, the SECP has approved extension and in accordance with such extension granted vide its letter No. SCD/AMCW/MCPPIV/2022/83 dated October 30, 2022, the plan shall mature on October 30, 2024. Units shall be subject to front end load. Considering the maturity of the plan the financial information has been prepared on a basis other than going concern. However, no adjustment is required in the financial information as the assets and liabilities are stated at values at which they are expected to be realised or settled.</p>

## 2. BASIS OF PRESENTATION

The transactions undertaken by the Fund are in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

## 3. BASIS OF PREPARATION

### 3.1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017, along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

### 3.2 New amendments that are effective for the year ended June 30, 2024

The following amendments are effective for the year ended June 30, 2024. These amendments are either not relevant to the Fund's operations or are not expected to have significant impact on the Funds's financial statements other than certain additional disclosures.

- Amendments to IAS 1 'Presentation of Financial Statements' and IFRS Practice Statement 2 - Disclosure of accounting policies
- Amendments to IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - Definition of accounting estimates
- Amendments to 'IAS 12 Income Taxes' - deferred tax related to assets and liabilities arising from a single transaction.
- Amendments to IAS 12 'Income taxes' - International Tax Reform — Pillar Two Model Rules

### 3.3 Standards and amendments to the approved accounting standards that are not yet effective

The following standard and amendments are effective for accounting periods, beginning on or after the date mentioned against each of them. These amendments and standards are either not relevant to the Funds' operations or are not expected to have significant impact on the Funds' financial statements other than certain additional disclosures.

Amendments	Effective date (annual periods beginning on or after)
- Amendments to IFRS 16 'Leases' -Clarification on how seller-lessee subsequently measures sale and leaseback transactions	January 1, 2024
- Amendments to IAS 1 'Presentation of Financial Statements' - Classification of liabilities as current or non-current along with Non-current liabilities with Covenants	January 1, 2024
- Amendments to IAS 7 'Statement of Cash Flows' and 'IFRS 7 'Financial instruments disclosures' - Supplier Finance Arrangements	January 1, 2024
- Amendments to IAS 21 'The Effects of Changes in Foreign Exchange Rates' - Clarification on how entity accounts when there is long term lack of Exchangeability	January 1, 2024
- IFRS 17 – Insurance Contracts (including the June 2020 and December 2021 Amendments to IFRS 17)	January 1, 2026
- Amendments IFRS 9 'Financial Instruments' and IFRS 7 'Financial instruments disclosures' - Classification and measurement of financial instruments	January 1, 2024

Other than the aforesaid amendments, IASB has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

- IFRS 1 – First Time Adoption of International Financial Reporting Standards
- IFRS 18 - Presentation and Disclosures in Financial Statements
- IFRS 19 - Subsidiaries without Public Accountability: Disclosures

### 3.4 Critical accounting estimates and judgements

The preparation of the financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgements and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in the application of its accounting policies. The estimates, judgements and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and underlying assumptions are reviewed on an ongoing basis.

The areas involving a degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- Classification and measurement of financial assets (notes 4.3.2)
- Impairment of financial assets (note 4.3.4)
- Taxation (notes 4.14 and 13)
- Classification and measurements of financial liabilities (note 4.4)
- Contingencies and Commitments (note 11)
- Provisions (4.6)

The revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

### 3.5 Basis of measurement

These financial statements have been prepared under the historical cost convention, except for investments which are measured at fair value.

### 3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupees which is the Fund's functional and presentation currency. Amounts presented in the financial statements have been rounded off to the nearest thousand rupees, unless otherwise stated.

## 4. SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

- 4.1 The accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

## 4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

## 4.3 Financial assets

### 4.3.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

### 4.3.2 Classification

#### 4.3.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost;
- at fair value through other comprehensive income (FVOCI); and
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

The investments of the Fund includes investments in units of mutual funds which are categorised as Puttable Instruments and are mandatorily required to be classified as financial assets at fair value through profit or loss.

### 4.3.3 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

#### Financial assets at 'fair value through profit or loss'

##### Basis of valuation in the units of mutual funds

The investments of the Fund in the Collective Investment Scheme are valued on the basis of daily net assets value (NAV) announced by the Management Company.

The fair value of financial instruments i.e. investment in mutual funds is based on their Net Asset Value (NAV) at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

### 4.3.4 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

### 4.3.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

### 4.3.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss arising on derecognition of financial assets is taken to the Income Statement.

## 4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss arising on derecognition of financial liabilities is taken to the Income Statement.

#### 4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

#### 4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

#### 4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

#### 4.8 Unit holders' Fund

Unit holders' Fund of each allocation plan representing the units issued by each respective sub fund separately, is carried at the redemption amount representing the investors' right to a residual interest in the respective sub fund's net assets.

#### 4.9 Issue and redemption of units

Units issued are recorded at the offer price of each allocation plan, determined by the Management Company for the applications received by the distributors during business hours of the day when the applications are received. The offer price of each allocation plan represents the Net Assets Value (NAV) of the units as of the close of that business day plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the distributor and the Management Company.

Units redeemed are recorded at the redemption price of each allocation plan prevalent on the date on which the distributors receive redemption application during business hours on that date. The redemption price represents the NAV as on the close of the business day, less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

#### 4.10 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

#### 4.11 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

#### 4.12 Revenue recognition

- Gains / (losses) arising on sale of investments are included in Income Statement and are recognised on the date when the transaction takes place;
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise;
- Dividend income is recognized when the Fund's right to receive the same is established. i.e. on the commencement of date of book closure of the investee fund declaring the dividend.
- Profit on savings account with banks is recognised on time proportion basis using the effective yield method.

#### 4.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

#### 4.14 Taxation

##### Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

## Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

### 4.15 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

### 4.16 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

## 17 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

### 17.1 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee and regulations laid down by the SECP.

Market risk comprises of three types of risks: profit rate risk, currency risk, and price risk.

#### (i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. As of June 30, 2024, the Fund is exposed to such risk on its balances held with banks and investments in sukuk certificates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

#### a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income / loss for the year and net assets of the Fund would have been higher / lower by Rs. 0.0016 million (2023: Rs. 0.03 million).

#### b) Sensitivity analysis for fixed rate instruments

As at June 30, 2024, the Fund did not hold any fixed rate instrument that may expose the Fund to fair value profit rate risk.

The composition of the Fund's investment portfolio, profit rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

As at June 30, 2024					
Effective profit rate (%)	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total

<b>Total profit rate sensitivity gap (a + b)</b>		3,160	-	-	-
<b>Cumulative profit rate sensitivity gap</b>		3,160	3,160	3,160	-

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

### (iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to price risk arising from the Fund investments in open end mutual funds. The Fund manages its price risk arising from investments by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by SECP from time to time.

In case of 1% increase / decrease in Net Assets Value per unit of the Investee Funds as at June 30, 2024 with all other variables held constant, the total comprehensive income of the Plan for the year would increase / decrease by Rs.2.994 million (2023: Rs.3.536 million) and the net assets of the Plan would increase / decrease by the same amount as a result of gains / losses on units of the mutual funds held by the Plans.

## 17.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemption requests during the year ended June 30, 2024.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including balances with banks have been included in the maturity grouping of one month:

### 17.3 Credit risk

17.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its falls due. The table below analyses the Fund's maximum exposure to credit risk:

	2024		2023	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	(Rupees in '000)		(Rupees in '000)	
Balances with banks	164	164	3,160	3,160
Investments	299,366	-	353,641	-
Profit receivable	3	3	69	69
	299,533	167	356,870	3,229

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in open ended mutual funds of Rs.299.366 million (2023: Rs.353.641 million) are not exposed to credit risk.

### 17.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and profit accrued thereon, dividend receivable and receivable against sale of units and against investments. The credit rating profile of balances with banks is as follows:

	Amount of financial assets exposed to credit risk		% of financial assets exposed to credit risk	
	2024	2023	2024	2023
	(Rupees in '000)		(Percentage)	
Bank				
AAA	164	3,160	100%	100%

### 17.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties and are within the regulatory limits, therefore any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2024 and June 30, 2023 are unsecured and are not impaired.

## 18 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

### Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024 and June 30, 2023, the Fund held the following financial instruments measured at fair value:

	2024			2023		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
	(Rupees in '000)			(Rupees in '000)		
Financial assets 'at fair value through profit or loss'	-	299,366	-	-	353,641	-
Units of open ended mutual funds	-	299,366	-	-	353,641	-

## 19 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 17, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.
