During the reporting period the company made a recovery of PKR. 18.315 million and have offered settlement proposals to some corporate depositors and TFC holders. This will reduce substantially our negative equity on materialization of the deals having substantial haircuts. we were able to post substantial profit for the outgoing year in the annual audited accounts despite being facing adverse circumstances, financial crisis working under force- majeure conditions and unfavorable economic environment.

In view of the important decisions of the company taken by the shareholders unanimously at its EOGM held on 24.04.2024 in the larger interest of the company and its stakeholders, there have been certain developments in the light of Special Resolutions passed in the said EOGM to come out of the adverse consequences apprehended due to cancellation of the license of the company as a NBFI under the umbrella of the SECP and disowned by the SECP as its entity w.e.f. 30.06.2021 under section 282 (J) (2) of the companies Ordinance 1984 and winding up Notice u/s 282(J)(3) of the said ordinance.

During the hearing we apprised SECP with material facts regarding significant recoveries and repayments to the creditors / depositors despite facing financial crisis amid adverse force- majeure circumstances of the company in the backdrops of the above mentioned facts.

In the light of the prevailing economic conditions and non-friendly environment for growth and developments of NBFI, our Board of Directors approved the changes in the company's business line. This decision was duly presented in the EOGM convened at Islamabad to address following two pivotal issues.

1. Amendment of the Company's objective Clause-III in the Memorandum of Association, transitioning from its leasing business to Consultancy services.

AS intimated on PUCARS after conclusion of the EOGM that both the above resolutions were unanimously passed by the shareholders and subsequently we have initiated the necessary legal and statutory procedures in accordance with the provisions stipulated in the Companies Act 2017. We have submitted the requisite application forms to the office of the Companies Registrar (CRO), SECP, Karachi as under:-
