ARPAK INTERNATIONAL INVESTMENTS LIMITED CHAIRPERSON'S REVIEW REPORT

It is my honor to welcome you to the 47th Annual Report of your Company. On behalf of the Board of Directors, I am pleased to present the Review Report along with the Audited Financial Statements for the year ended June 30, 2024, as required by Section 192 of the Companies Act, 2017.

Being the Chairperson, I am pleased to report that an important decision was made by the Board this year regarding the investment of PKR 50 million in Premier Grain Ethanol Limited. We committed to acquiring 5 million shares as part of our strategy to diversify our investments and generate sustainable returns. This strategic move aligns with our broader objective of expanding our investment portfolio and fostering growth. Additionally, we remain open to exploring new opportunities that support our long-term vision for continued success, which will provide us with greater flexibility and create further avenues for investment in the future.

As Chairperson, I would like to report a moderate improvement in gross profit compared to the previous year, which is a positive outcome considering the current economic conditions. With prudent management and targeted investments, we will continue to work towards maintaining and enhancing the Company's financial performance in the coming year.

During the year, the Board of Directors approved key matters, including the quarterly and annual financial statements, the appointment of external auditors, and other financial decisions. All necessary documents, such as agendas and supporting papers, were shared with the Board in advance of the meetings to ensure smooth and effective discussions.

On behalf of the Board of Directors, I would like to acknowledge the dedicated and sincere efforts of the Company's employees. I also extend my gratitude to our valued shareholders for their ongoing support and trust in the Company.

ARPAK INTERNATIONAL INVESTMENTS LIMITED DIRECTOR REPORT

The Board of Directors of Arpak International Investments Limited is pleased to present the 47th Annual Report along with the Audited Financial Statements for the year ended June 30, 2024.

1. Summarized Financial Results

The financial results of the Company for the year under review are as follows:

| | 2024 | 2023 |
|----------------------|---------------|--------------|
| | (Rupees) | (Rupees) |
| Loss before taxation | (247,391,600) | (75,349,205) |
| Taxation | •••••• | |
| - Current tax | (1,430,164) | (881,663) |
| - Deferred tax | (737,808) | (73,499) |
| | (2,167,972) | (955,162) |
| Loss after taxation | (249,559,572) | (76,304,367) |
| Loss per share | (62.39) | (19.08) |

2. Financial Performance

The Company suffered a pre-tax loss of Rs. 244.62 million during the year (2023: Rs. 74.83 million). The loss was largely due to a Rs. 270.97 million provisions for impairment of investments.

Despite a modest improvement in income and operational performance, nonoperational factors, such as the impairment provision, contributed to the loss. The Company is actively reviewing its investment strategy to address risks associated with these investments.

3. Future Outlook

The international organizations in their reports have indicated that signs of economic stabilization are strengthen in Pakistan. Gradual disinflation is underway, the dollar rupee parity is stable, the policy rate has been revised downward, and external pressure are easing, supported by improved fiscal balances, however outlook still remains challenging. The Board is considering diversifying revenue streams by exploring new business avenues, including further investments in low-risk sectors and expanding its rental income base. Management remains vigilant in improving the Company's financial position by reassessing its investment strategies and identifying profitable opportunities.

4. Investment in The Premier Grain Ethanol Limited

The Board of Directors in the meeting held on March 15,2024 approved the subscription of 5,000,000 Ordinary Shares of Rs. 10 each, in "Premier Grain Ethanol Limited." This newly incorporated company will engage in the manufacturing, production, and sale of Ethanol, alongside related products derived from grains as primary raw materials. Moreover, at the Extra Ordinary General Meeting held on April 22, 2024, the shareholders unanimously approved the investment plan to

be financed by the sale of the Company's property located in F-7-1 Islamabad, for further investment in "Premier Grain Ethanol Limited". As of the financial closing date, Rs. 32 million has been paid towards this purchase, with the remaining Rs. 18 million to be settled in the next financial period.

5. Economic Overview and Challenges

The financial year 2023-24 was marked by significant economic challenges, both globally and locally. Rising global interest rates, inflationary pressures, and geopolitical tensions affected capital markets and investment flows. In Pakistan, hyperinflation, a sharp depreciation of the rupee, and an increase in the policy rate by the State Bank of Pakistan (SBP) impacted financial performance. The ongoing negotiations with the International Monetary Fund (IMF) added uncertainty to the business environment, affecting returns from investments.

6. Staff Relations

The management and staff maintained cordial relations throughout the year.

| ٹیکس کے بعد نقصان | (249,559,572) | (76,304,367) |
| فی حصص نقصان | (62.39) | (19.08) |

2. مالی کار کردگی

سال 74.83:2023 ملین روپے) کے دوران کمپنی کو 244.62 ملین روپے کا قبل از ٹیکس نقصان اٹھانا پڑا۔ یہ نقصان بڑی حد تک سرمایہ کاری میں خرابی کے لئے 270.97 ملین روپے کی فراہمی کی وجہ سے تھا۔

آ مدنی اور آپریشنل کار کر دگی میں معمولی بہتری کے باوجود ،غیر آپریشنل عوامل ، جیسے خرابی کی فراہمی ، نے نقصان میں حصہ لیا۔ کمپنی ان سرمایہ کاری سے وابستہ خطرات سے نمٹنے کے لئے اپنی سرمایہ کاری کی حکمت عملی کافعال طور پر جائزہ لے رہی ہے۔

3. مستقبل كانقطه نظر

بین الا قوامی تنظیموں نے اپنی رپورٹس میں اس بات کا اشارہ دیا ہے کہ پاکستان میں معاشی استحکام کے اشارے مضبوط ہورہے ہیں۔ بتدری کی افراط زر میں کی کا عمل جاری ہے، ڈالر کی قدر مستخلم ہے، پالیسی ریٹ میں کمی کی گئی ہے، اور بیرونی دباؤ کم ہو رہا ہے، بہتر مالیاتی توازن کی مدد ہے، تاہم نقطہ نظر اب بھی چیلنجنگ ہے۔ پورڈ کم خطرے والے شعبوں میں مزید سرمایہ کاری اور اس کی توسیع سمیت نئے کاروباری مواقع تلاش کر کے آمدنی کے ذرائع کو متنوع بنانے پرغور کر دہاہے۔

کرایہ کی آمدنی کی بنیاد . انتظامیہ اپنی سرمایہ کاری کی حکمت عملی کااز سرنو جائزہ لے کراور منافع بخش مواقع کی نشاند ہی کر کے سمپنی کی مالی پوزیشن کو بہتر بنانے میں چوکس رہتی ہے۔

INDEPENDENT AUDITORS' REVIEW REPORT TO THE MEMBERS OF ARPAK INTERNATIONAL INVESTMENTS LIMITED

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **ARPAK INTERNATIONAL INVESTMENTS LIMITED** (the Company) for the year ended June 30, 2024 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2024.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ARPAK INTERNATIONAL INVESTMENTS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **ARPAK INTERNATIONAL INVESTMENTS LIMITED** (the Company), which comprise the statement of financial position as at June 30, 2024, and the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2024 and of the loss, other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information, which comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Board of directors is responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditors' report is Nafees ud din.

ARPAK INTERNATIONAL INVESTMENTS LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

1. CORPORATE INFORMATION

Arpak International Investments Limited (the Company) was incorporated in Pakistan on July 26, 1977 as a Public Company and its shares are quoted on Pakistan Stock Exchange Ltd. The registered office of the Company is situated at 20-A, Markaz F-7, Islamabad. The Company is principally engaged in investment business of various forms.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017 (the Act);
 and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except as disclosed in the accounting policies.

2.3 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. These financial statements are presented in Pak Rupees, which is the Company's functional currency. All financial information has been rounded off to the nearest Rupee unless otherwise stated.

3. INITIAL APPLICATION OF STANDARDS, AMENDMENTS OR INTERPRETATIONS TO EXISTING STANDARDS

3.1 Amendments to published accounting and reporting standards, which are effective for the year ended June 30, 2024

There were certain amendments that became applicable for the Company during the year but are not considered to be relevant or did not have any significant effect on the Company's operations and have, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 Presentation of Financial Statements have become applicable to the Company, which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

3.2

Standards, amendments to published accounting and reporting standards and interpretations that are not yet effective and have not been early adopted by the Company

There are certain new standards and certain amendments to the accounting and reporting standards that will become mandatory for the Company's annual accounting periods beginning on or after July 01, 2024. However, these will not have any significant impact on the financial reporting of the Company and, therefore, have not been disclosed in these financial statements.

4. MATERIAL ACCOUNTING POLICIES

The material accounting policies adopted in the preparation of these financial statements are setout below. These policies have been consistently applied to all the years presented except for the change as stated in note 4.1 to the financial statements:

4.1 IAS 12 Application Guidance on Accounting for Minimum Taxes and Final Taxes (the Guidance) issued by ICAP

The Institute of Chartered Accountants of Pakistan (ICAP) issued the aforementioned Guidance through Circular No. 07 / 2024 dated May 15, 2024. In light of the said Guidance, as the minimum taxes and final taxes are not calculated on the 'taxable income' as defined in IAS 12 (Income Taxes) but calculated on turnover or other basis (as per relevant sections of the Income Tax Ordinance, 2001 - the Ordinance); accordingly, minimum taxes and final taxes should be accounted for under IAS 37 (Provisions, contingent liabilities and contingent assets) / IFRIC 21 (Levies) as levies (though these are charged under tax law) and not under IAS 12 as income taxes. Based on the Guidance, the minimum taxes under the Ordinance are hybrid taxes, which comprise of a component within the scope of IAS 12 and a component within the scope of IFRIC 21.

The aforesaid Guidance has been applied retrospectively by the Company and the comparative information has been restated, which has not affected current year or prior years' net revenues, profit after taxes and levies, equity and cash flows. Impact as of July 01, 2022 is not material to these financial statements. In accordance with the requirements of IAS 1 (Presentation of financial statements), the balances as at June 30, 2023 have been restated and third statement of financial position as of July 01, 2022 has not been presented due to immaterial impact.

In the statement of profit or loss for the year ended June 30, 2023, in terms of the requirements of IFRIC 21 / IAS 37 (the requirements), final tax levies aggregating Rs.520,506, which were previously presented as 'taxation' have now been reclassified as 'final tax levies'.

In the statement of financial position as at June 30, 2023, in terms of the aforementioned requirements, final taxes aggregating Rs.520,506, which were previously presented as 'Advance income tax' have now been reclassified as 'Prepaid tax levies'.

In the statement of financial position as at June 30, 2023, in terms of the aforementioned requirements, final taxes aggregating Rs.520,506, which were previously presented as 'Taxation' have now been reclassified as 'Provision for tax levies'.

4.2 Tax levies and taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the statement of profit or loss, except to the extent that it relates to items recognised in statement of other comprehensive income or directly in equity. In this case, the tax is also recognised in statement of other comprehensive income or directly in equity, respectively.

(a) Current year

Provisions for current taxation and tax levies are based on taxable income and gross amount of revenue or other basis respectively at the enacted or substantively enacted rates of taxation after taking into account available tax credits and rebates, if any. The charge for current tax and tax levies includes adjustments, where necessary, relating to prior years, which arise from assessments framed / finalised during the year.

(b) Deferred

Deferred tax is recognised using the statement of financial position liability method on all temporary differences arising between the tax basis of assets and liabilities and their carrying amounts appearing in the financial statements. Deferred tax liability is recognised for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that temporary differences will reverse in the future and taxable income will be available against which the temporary differences can be utilised.

Deferred tax asset and liability is measured at the tax rate that is expected to apply to the period when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted by the reporting date.

4.3 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

4.4 Financial liabilities

Classification & subsequent measurement

Financial liabilities are classified and measured at amortised cost or 'at fair value through profit or loss' (FVTPL). A financial liability is classified at FVTPL if it is classified as held for trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the statement of profit or loss.

Other financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit or loss. Any gain or loss on derecognition is also recognised in the statement of profit or loss.

Derecognition

Financial liabilities are derecognised when the contractual obligations are discharged or cancelled or have expired or when the financial liability's cash flows have been substantially modified.

4.5 Dividend and appropriation to reserves

Dividend distribution to the Company's shareholders and appropriation to reserves are recognised in the period in which these are approved.

4.6 Property, plant and equipment

These are stated at cost less accumulated depreciation except freehold land which is stated at cost. Depreciation is taken to statement of profit or loss applying reducing balance method at the rates stated in note 12 to write-off the cost over estimated remaining useful life of assets. The assets' residual values and useful lives are reviewed at each financial year-end and adjusted if impact on depreciation is significant.

Depreciation on additions to fixed assets is charged from the date on which an asset is acquired or capitalised while no depreciation is charged form the date on which the asset is disposed-off.

Normal repairs and replacements are taken to statement of profit or loss. Major improvements and modifications are capitalised and assets replaced, if any, other than those kept as stand-by, are retired.

Gain / loss on disposal of property, plant and equipment, if any, is taken to statement of profit or loss.

4.7 Investment property

Property not held for own use or for sale in the ordinary course of business is classified as investment property. The Company uses cost model for valuation of its investment property; freehold land has been valued at cost whereas building on freehold land has been valued at cost less accumulated depreciation and any identified impairment loss.

Depreciation on investment property is taken to statement of profit or loss applying the reducing balance method at the rates stated in note 13. Depreciation on additions is charged from the date the asset acquired or capitalised has become available for use. Depriciation of an asset ceases at the earlier of the date that the asset is classified as held-for-sale and the date that the asset is derecognised. Impairment loss or its reversal, if any, is taken to statement of profit or loss.

4.8 Financial assets

Initial measurement

The Company classifies its financial assets in the following three measurement categories:

- fair value through other comprehensive income (FVTOCI);
- fair value through profit or loss (FVTPL); and
- measured at amortized cost.

A financial asset is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

Subsequent Measurement

- Equity instruments at FVTOCI

These assets are subsequently measured at fair value. Dividends are recognised as income in the statement of profit or loss. Other net gains and losses are recognised in statement of other comprehensive income and are never reclassified to the statement of profit or loss.

- Debt instruments at FVTOCI

These assets are subsequently measured at fair value. Interest / mark-up income calculated using the effective interest rate method, foreign exchange gains and losses and impairment are recognised in the statement of profit or loss. Other net gains and losses are recognised in statement of other comprehensive income. On derecognition, gains and losses accumulated in statement of other comprehensive income are reclassified to the statement of profit or loss.

Debt instruments at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest / mark-up or dividend income, are recognised in the statement of profit or loss.

- Financial assets measured at amortised cost

These assets are subsequently measured at amortised cost using the effective interest rate method. The amortised cost is reduced by impairment losses. Interest / mark-up income, foreign exchange gains and losses and impairment are recognised in the statement of profit or loss.

Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership.

Investments in Associated Companies

Investments in Associated Companies are accounted for using the equity method of accounting. Under the equity method, the investments are initially recognised at cost, and the carrying amounts are increased or decreased to recognise the Company's share of profit or loss of the investee after the date of acquisition.

The Company's share of post acquisition profit or loss is recognised in the statement of profit or loss, and its share of post acquisition movements in other comprehensive income is recognised in statement of other comprehensive income with the corresponding adjustment to the carrying amount of the investment. When the Company's share of losses in Associates equals or exceeds its interest in the Associates the Company does not recognise further losses, unless it has incurred legal or constructive obligations or made payments on behalf of the Associates.

The Company determines at each reporting date whether there is any objective evidence that the investments in the Associates are impaired. If this is the case, the Company calculates the amount of impairment as the difference between the recoverable amount of the Associates and its carrying values and recognises the amount adjacent to share of profit / loss of Associates in the statement of profit or loss.

4.9 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of statement of cash flows, cash and cash equivalents consist of balances with banks.

4.10 Revenue recognition

Return on bank deposits

Return on bank deposits / interest income is recognised using applicable effective interest rate. Income is accrued as and when the right to receive the income establishes.

Dividend income

Dividend income is accrued as and when the right to receive the income establishes.

Rental income

Rental income is accrued on 'accrual basis' as and when the right to the income establishes.

4.11 Off-setting of financial assets and liabilities

Financial assets and liabilities are off-set and the net amount is reported in the financial statements only when there is a legally enforceable right to set-off the recognised amounts and the Company intends either to settle on a net basis or to realise the assets and to settle the liabilities simultaneously.

5. CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to estimates are recognised prospectively.

The areas where various assumptions and estimates are significant to the Company's financial statements or where judgement was exercised in application of accounting policies are as follows:

5.1 Income taxes

In making the estimates for income taxes, the Company takes into account the current income tax law and decisions taken by appellate authorities on certain issues in the past. There may be various matters where the Company's view differs with the view taken by the income tax department at the assessment stage and where the Company considers that its view on items of a material nature is in accordance with the law. The difference between the potential and actual tax charge, if any, is disclosed as a contingent liability.

5.2 Property, plant and equipment

The Company reviews appropriateness of the rates of depreciation, useful lives and residual values for calculation of depreciation on an on-going basis. Further, where applicable, an estimate of recoverable amount of asset is made if indicators of impairment are identified.

6. SHARE CAPITAL

- The Premier Sugar Mills & Distillery Company Ltd. and Azlak Enterprises (Pvt.) Ltd. (Associated Companies) respectively hold 373,317 (2023: 375,848) and 466,943 (2023: 466,943) ordinary shares of the Company.
- **6.2** Voting rights, board selection, right of first refusal and block voting are in proportion to the shareholdings of the shareholders.

26. FINANCIAL INSTRUMENTS

The Company has exposures to the following risks from its use of financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk.

The Board of Directors (Board) has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board is also responsible for developing and monitoring the Company's risk management framework.

26.1 Credit risk

Credit risk represents the accounting loss that would be recognised at the reporting date if counterparties fail completely to perform as contracted. The financial assets subject to credit risk are tabulated below:

| | 2024 | 2023 |
|-------------------------------|------------|------------|
| | Rupe | es |
| Loan to an Associated Company | 25,000,000 | 31,250,000 |
| Short term investments | 479,346 | 23,774,513 |
| Accrued mark-up | 11,667,811 | 5,160,961 |
| Bank balances | 2,475,931 | 8,319,166 |
| | 39,623,088 | 68,504,640 |

Concentration of credit risk arises when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their abilities to meet contractual obligation to be similarly effected by the changes in economic, political or other conditions. The Company believes that it is not exposed to major concentration of credit risk.

The analysis below summarises the credit rating of the Company's investment:

| Rating | Rating assigned by |
|--------|--------------------|
| AM2+ | PACRA |

Habib Assets Management Limited

26.2 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure as far as possible to always have sufficient liquidity to meet its liabilities when due. The Company is not materially exposed to liquidity risk as all obligations of the Company are short term in nature and are restricted to the extent of available liquidity. At the reporting date, accruals and other payables are the only financial liability of the Company that are due within the next twelve months.

26.3 Market risk

Market risk is the risk that changes in market price, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The Company is exposed to market risk on its quoted long term investments and short term investments.

(a) Currency risk

Foreign currency risk mainly arises where receivables and payables exist due to transactions with foreign undertakings. The Company is not exposed to foreign exchange risk as it does not have any foreign currency receivables or payables.

(b) Interest rate risk

At the reporting date carrying amount of the mark-up / profit rate profile of the Company's significant financial assets was as follows:

| Loan to an Associated Company | 25,000,000 | 31,250,000 |
|----------------------------------|------------|------------|
| Bank balances - deposit accounts | 2,264,830 | 8,108,065 |
| | 27,264,830 | 39,358,065 |

The effective mark-up / profit rates for the monetary financial assets have been mentioned in respective notes to the financial statements.

(c) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk). Other price risk arises from the Company's investment in Units of Mutual Fund and ordinary shares of a listed Company. To manage its price risk arising from aforesaid investment, the Company diversifies its portfolio and continuously monitors developments in equity and capital markets. In addition, the Company actively monitors the key factors that affect price movements.

The effects of a 10% increase in redemption value of Units of Mutual Fund and share price of investment would be as follows:

2024 2023 --- Rupees --- 47,935 2,377,451

Effect on statement of profit or loss

The sensitivity analysis prepared is not necessarily indicative of the effects on statement of profit or loss, equity and assets of the Company.

26.4 Fair value of financial instruments and hierarchy

Fair value is the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. Underlying the definition of fair value is the presumption that the Company is a going concern and there is no intention or requirement to curtail materially the scale of its operation or to undertake a transaction on adverse terms.

The carrying amounts of all financial assets and liabilities reflected in the financial statements approximate their fair values.

The following table shows the fair value measurements of the financial instruments carried at fair value by level of the following fair value measurement hierarchy:

Level:1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level:2 Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).

Level:3 Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The Company's investments in equity instruments of a listed Company have been measured at fair value using year-end quoted price. Fair value of these investments falls within level 1 of fair value hierarchy as mentioned above.

The Company's investment in Mutual Fund have been measured at fair value using year-end Net Assets Value as computed by the respective Assets Management Company. Fair value of these investments falls within level 2 of fair value hierarchy as mentioned above.

Valuation techniques used to determine fair values

Level 1: The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting date. A market is regarded as active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. These instruments are included in Level 1.

Level 2: The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity-specific estimates. If all significant inputs required to measure the fair value of an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.
