CHAIRMAN'S REVIEW

It is my privilege to present this report to the shareholders of Asim Textile Mills Ltd. (the "Company"), outlining the Board's overall performance and evaluating the effectiveness of its role in achieving the Company's strategic objectives.

Throughout the year, the Board Committees have continued to perform with exceptional proficiency. The Audit Committee has played a pivotal role in managing and controlling business risks, while the Human Resource and Remuneration Committee has ensured that HR policies concerning performance management, staffing, compensation, and benefits remain competitive, aligned with industry standards, and in accordance with the Company's performance and long-term success.

The Board has reaffirmed its unwavering commitment to the highest standards of corporate governance and adherence to industry best practices. The Board, along with its Committees, has diligently focused on ensuring full compliance with all applicable statutory and regulatory requirements. The Committees have provided invaluable insights and robust support to the Board, operating at an exemplary level of professionalism.

An annual self-assessment of the Board of Directors is conducted to evaluate and benchmark its overall performance and effectiveness in relation to the Company's strategic goals and objectives.

Overall, I am confident that the Company's strategic direction is sound and well-defined. Moreover, the processes undertaken to develop and review the Company's corporate strategy and achieve its objectives are commendable and reflect a deep commitment to driving sustainable growth and shareholder value.

DIRECTORS' REPORT

The Board of Directors of Asim Textile Mills Limited ('the Company') is delighted to present the Annual Report for the fiscal year ended on June 30, 2024, along with the audited Financial Statements and the accompanying Auditors' Report.

Industry Overview:

Pakistan's textile sector faced ongoing challenges, primarily due to sluggish recovery in global economies, stringent monetary policies aimed at curbing high inflation, and rising energy costs, including the imposition of new taxation measures and inflationary pressures. Pakistan's textile sector experienced a modest growth of 0.93% in fiscal year 2024, with total exports reaching \$16.55 billion, compared to \$16.50 billion the previous year. These factors have put significant strain on the sector's economic viability, making it difficult to sustain competitiveness against regional players such as Bangladesh and India.

Cotton production reached a record high of 10.22 million bales, compared to 4.9 million bales in FY 2023. However, as of September 15, 2024, cotton arrivals in Pakistan have plummeted to a 40-year low, declining by 64%, according to data from the Pakistan Cotton Ginners Association (PCGA). This year's total arrivals stand at 1.434 million bales, as opposed to 3.933 million bales recorded during the same period last year. The sector faced multiple challenges, including high costs of imported raw materials, the discontinuation of the Export Finance Scheme, elevated interest rates, subdued external demand, and increased competition from China. Overall, FY 2024 proved to be a difficult year for Pakistan's textile industry, characterized by both internal and external pressures.

Operating Indicators	June 30, 2024 Rupees in Millions	June 30, 2023 Rupees in Millions
Sales	1,812.690	354.678
Gross Loss	(23.276)	(31.266)
Levies	(23.390)	(4.519)
Income tax	36.129	16.233
Loss for the year	(26.560)	(29.508)
Loss per share	(1.75)	(1.94)

Business Overview:

In the financial year 2024, the company achieved a significant increase in sales, with revenue rising from Rs. 354.678 million in FY 2023 to Rs. 1,812.690 million in FY 2024. This substantial growth was primarily driven by an increase in operational capacity, which expanded from 25% in FY 2023 to 50% in FY 2024, enabling the company to better leverage the rise in yarn prices and meet higher market demand.

Despite the impressive revenue growth, the company continued to face challenges due to rising raw material, fuel and energy costs, which adversely impacted profitability. Consequently, the company reported a gross loss of Rs. 23.276 million for FY 2024, compared to a gross loss of Rs. 31.266 million in FY 2023. The reduction in gross loss demonstrates

improved operational efficiency and effective cost management, despite the inflationary pressure on input costs.

Moving forward, the company remains focused on optimizing its operations and managing costs effectively, with the aim of achieving sustainable growth and profitability in the coming years.

Future Outlook:

The Company is steadfast on its stated strategic initiatives aimed at enhancing margins by drastically improving operations and affecting across the board cost reductions through efficiency in manufacturing. Steps are taken to improve the financial health of the company by overhauling plant and machinery to improve product quality and performance. Despite of the very challenging business conditions, we are immensely hopeful for positive prospects in future

 14. We confirm that directors and CFO and their spouse and minor children have made no transactions of the Company's shares during the year.
 15. The pattern of shareholding as at June 30, 2024 is annexed with this report.
- During the year under review, six meetings of the Board were held:-

Mr. Zahid Anwar	6	Mr. Ali Raza Zafar	5
Mr. Imran Zahid	6	Mr. Zulqarnain	6
Mss. Noorulain Zahid	6	Mr. Anwar ul Haq	5
Mr. Zeeshan Zahid	6		

- The Audit Committee held four (4) meetings during the year. Attendance by each member was as follows:

Mr. Zulqarnan. (Chairman)	4	Mr. Zeeshan Zahid	4	Mr. Ali Raza Zafar	3
Mr. Anwar ul Haq	1				

Performance Evaluation of Board of Directors:

The evaluation of the Board's role of oversight and its effectiveness is a continual process, which is appraised by the Board itself. The core areas of focus are:

- Alignment of corporate goals and objectives with the vision and mission of the Company;
- Strategy formulation and planning for sustainable operation;
- The Board's independence and effectiveness

Individual feedback was obtained and on the basis of that feedback, the average rating of the performance of the Board and role of the Chairman regarding governing the Board was found up to the mark.

Directors' Remuneration:

A formal Director's Remuneration policy approved by the Board is in place. The policy includes transparent procedure for remuneration of directors in accordance with the Companies Act, 2017 and CCG Regulations, 2019.

Internal Financial Controls;

The directors are aware of their responsibility with respect to internal financial controls. Through discussions with management and auditors (both internal and external), they confirm that adequate controls have been implemented by the Company.

Court Cases:

The company has instituted a suit in the Honorable Lahore High Court, Lahore against Faysal Bank Limited claiming damages on account of acquisition of un-remunerative agricultural land on the advice of FIBL for not providing timely cash finance facilities despite written commitments and for charging illegal profits against the principles of Islamic Banking and in contravention of the objective clause of its Memorandum of Association, Articles of Association and against circulars issued by the State Bank of Pakistan. The amount claimed for the first two counts is Rs.141.831 million (including claims of Central Excise Duty), whereas the amount of last count has been left for the Court to determine.

The counter suit filed by the Faysal Bank for recovery of Rs. 454.502 million along with costs and cost of funds before the Honorable Lahore High Court (Single Judge), Lahore has been adjudicated on 04.06.2015 against the company. The company has filed an appeal in Honorable Lahore High Court, Lahore (Division Bench) vide R.F.A. No. 1372/2015 on various grounds including the company being condemned unheard. The learned Division Bench graciously allowed the appeal on 20.02.2020 and impugned judgment and decree dated 04.06.2015 was set aside. Consequently leave to appeal was adjudged to have been granted to the appellants company and the case is directed to be proceeded on that basis after framing issues and recording of evidences. Due to litigation, the Bank is not responding and confirming the balance of the company. Having been undeterminable at this stage, provision for cost of funds has not been accounted for.

However, in this regard directors' and the management of the company are confident that these cases are based and being contested on strong legal grounds and are likely to be decided in Company's favor.

Auditor's Observations:

The auditors have expressed unmodified opinion and give emphasis of matter on the provision for cost of fund has not been accounted for in the Financial Statements in line with the decision of Lahore High Court, Lahore in counter suit filed by Faisal bank Limited as described in the auditors' report to the members.

The management has filed an appeal in the Lahore High Court, Lahore (D.B) vide R.F.A. No. 1372/2015 on various grounds including the company being condemned unheard, in which the learned Division Bench allow the appeal on 20.02.2020 and set aside impugned judgment. The management of the company is of the opinion that this case is based and being contested on strong legal grounds and is likely to be decided in Company's favor. Therefore, no provision for cost of funds is accrued.

Regarding the auditor's reservation of going concern relating to note 1.2 & 23.1 of financial statements, the management of the company is making its strenuous efforts, optimal production strategies and effective cost controls to improve the profitability of the company. The management is quite optimistic that balancing and modernization of plant and machinery, improvement in future industry situation and better

- The HR Committee held one (1) meeting during the year. Attendance by each member was as follows:

Mr. Ali Raza Zafar (Chairman)	1	Mr. Zeeshan Zahid	1	Mr. Anwar ul Haq	1
------------------------------------	---	-------------------	---	------------------	---

- Considering the financial position of the company, no dividend is recommended for the year ended June30, 2024.
- Present auditors, M/s Kreston Hyder Bhimji & Co Chartered Accountants have retired and M/s Kreston Hyder Bhimji & Co Chartered Accountants offers themselves for re-appointment. The Audit Committee has recommended the appointment of M/s Kreston Hyder Bhimji & Co as auditors for the year 2024.
- The remuneration of the Board members is approved by the Board itself. However in accordance with the code of Corporate Governance it is ensured that no Director takes part in deciding his own remuneration.
- No material changes and commitments affecting the financial position of the Company have occurred between the end of the financial year to which this balance sheet relates and the date of the Director's Report.
- Transactions undertaken with related parties during the financial year have been ratified by the Audit Committee and approved by the Board.

Acknowledgement

The Board of Directors would like to thank all stakeholders of the Company including, customers, shareholders, vendors, government agencies, bankers and all other business associates for their continued support during the year. Board also recognizes the contribution made by a very dedicated team who served the Company with enthusiasm, and hopes that the same spirit of devotion shall remain intact in the future as well.

ڈائریکٹرز رپورٹ برائے ممبران

عاصم نیکنائل ملز لمیٹڈ (دی کمپنی) کے بورڈ آف ڈائریکٹرز کو آڈٹ شدہ مالی گوشواروں، مع آڈیٹرز رپورٹ کے ساتھ 30 جون 2024 کو ختم ہونے والے مالی سال کی سالانہ رپورٹ پیش کرتے ہوئے خوشی ہو رہی ہے۔

انڈسٹری کا جائزہ

پاکستان کے نیکنائل سیکٹرز کو جاری مشکلات کا سامنا رہا، جن کی بنیادی وجوہات عالمی معیشتوں کی سست روی، بلند افراط زر کو قابو کرنے کے لیے سخت مالیاتی پالیسیوں، اور بڑھتی ہوئی توانائی کی لاگت ہیں۔ جن میں نئے نیکنیشن اقدامات اور افراط زر کے دباؤ بھی شامل ہیں۔ مالی سال 2024 میں پاکستان کے نیکنائل سیکٹرز نے 0.93% کی معمولی شرح سے ترقی کی بجائے برآمدات 16.55 ارب ڈالر تک پہنچ گئی، جو پچھلے سال کے 16.50 ارب ڈالر کے مقابلے میں زیادہ ہیں۔ ان عوامل نے اس شعبے کی معاشی استعداد پر کافی دباؤ ڈالا ہے، جس سے بنگلہ دیش اور بھارت جیسے علاقائی حریفوں کے مقابلے میں مسابقت برقرار رکھنا مشکل ہو گیا ہے۔

کپاس کی پیداوار 10.22 ملین گانٹھوں کی بلند ترین سطح پر پہنچ گئی، جو مالی سال 2023 میں 4.9 ملین گانٹھوں کے مقابلے میں کہیں زیادہ ہے۔ تاہم 15 ستمبر 2024 تک پاکستان میں کپاس کی آمد 40 سال کی کم ترین سطح پر پہنچ گئی، جو 64% کم ہو گئی ہے، جیسا کہ پاکستان کائونسل جنرل ایسوسی ایشن (PCGA) کے اعداد و شمار سے ظاہر ہوتا ہے۔ اس سال کی کل آمد 1.434 ملین گانٹھیں رہی، جو کہ پچھلے سال اسی عرصے کے دوران 3.933 ملین گانٹھیں تھیں۔ اس شعبے کو کئی چیلنجز کا سامنا رہا، جن میں درآمد شدہ مال کی بلند لاگت، ایکسپورٹ ٹرانس سیکم کی بندش، زیادہ شرح سود، بیرونی مانگ میں کمی اور چین کی بڑھتی ہوئی مسابقت شامل ہے۔ مجموعی طور پر مالی سال 2024 پاکستان کی نیکنائل انڈسٹری کے لیے اس کے مشکل سال ثابت ہوا۔ جس میں اندرونی اور بیرونی دباؤ کی صورت حال برقرار رہی۔

=====	=====	
(1.75)	(1.94)	فی شیئر نقصان، آمدنی-بنیادی (روپے)

کاروبار کا جائزہ

کمپنی نے مالی سال 2024 میں سیلز میں نمایاں اضافہ حاصل کیا، جس سے سیلز مالی سال 2023 میں 354.678 ملین روپے سے بڑھ کر مالی سال 2024 میں 1,812.690 ملین روپے ہو گئی۔ اس شاندار ترقی کی بنیادی وجہ آپریشنل صلاحیت میں اضافہ تھا۔ جو مالی سال 2023 میں 25% سے بڑھ کر مالی سال 2024 میں 50% تک پہنچ گئی، جس سے کمپنی کو ذخائر کی قیمتوں اٹھانے کا بہتر فائدہ اٹھانے اور مارکیٹ کی بڑھتی ہوئی طلب کو پورا کرنے میں مدد ملی۔

متاثر کن آمدنی میں اضافے کے باوجود، کمپنی کو خام مال، ایندھن اور توانائی کی بڑھتی ہوئی لاگت کا کافی وجہ سے چیلنجز کا سامنا رہا، جس کا منفی اثر منافع پر پڑا نتیجتاً، کمپنی نے مالی سال 2024 کے لئے 23.276 ملین روپے کا مجموعی خسارہ رپورٹ کیا، جو مالی سال 2023 کے 31.266 ملین روپے کے مجموعی خسارہ کے

مقابلے میں کم ہے۔ مجموعی خسارہ میں یہ کمی بہتر آپریشنل کارکردگی اور موثر لاگت مینجمنٹ کو ظاہر کرتی ہے، باوجود اس کے کہ ان پت لاگتوں پر افراط زر کا دباؤ رہا۔
کمپنی اپنے آپریٹنگ کو بہتر بنانے اور لاگت کے موثر انتظام پر توجہ مرکوز رکھے گی، تاکہ آنے والے سالوں میں پائیدار ترقی اور منافع حاصل کیا جاسکے۔
مستقبل کا نقطہ نظر

کمپنی کاروباری لاگت میں کمی آپریشن میں بہتری کی بدولت منافع میں مسلسل اضافہ کے عزم پر قائم ہے۔ پلانٹ اور مشینری کی مرمت عمل میں لائی جا رہی ہے تاکہ اس کی کارکردگی اور مصنوعات کی کوالٹی میں اضافہ ہو سکے۔ انتہائی مشکل کاروباری حالات کے باوجود ہم مستقبل میں مثبت امکانات کے لئے بے حد پر امید ہیں۔
کارپوریٹ سماجی ذمہ داری

آپ کی کمپنی اچھی حکمرانی، سماجی اور ماحولیاتی ذمہ داریوں کے حوالے سے اپنی ذمہ داریوں کو پورا کرنے کے لئے پرعزم ہے۔ ملازمین اور ماحولیات کی صحت اور حفاظت کے لئے ذرائع فراہم کرتی ہے۔

انسانی وسائل اور صنعتی تعلقات

کمپنی نے قومی اور بین الاقوامی معیار کے مطابق ملازمین کی شمولیت کیلئے اصول وضع کر رکھے ہیں یہ اصول نسل پرستی، ذات اور جنس کو خاطر میں لائے بغیر وضع کیے ہیں۔ اس کے علاوہ کمپنی میں دوستانہ ماحول میں کام کو یقینی بنانے کیلئے بھی اصول وضوابط بنا رکھے ہیں یہی چیز روزگار کے حصول کو منظم کرتی ہے۔
بورڈ کی ساخت:

ccg قواعد و ضوابط 2019 کی ضروریات کے پیش نظر کمپنی آزاد اور نان ایگزیکٹوز ڈائریکٹرز کی نمائندگی کے ساتھ ساتھ اپنے بورڈ میں صنعتی تنوع کی حوصلہ افزائی کرتی ہے۔ بورڈ کی موجودہ تشکیل درج ذیل ہے۔

بورڈ آف ڈائریکٹرز کی کارکردگی کا اندازہ:

بورڈ کے نگرانی کے کردار کا اندازہ اور اس کی موثرگی ایک مستقل عمل ہے جسے بورڈ خود تشخیص کرتا ہے۔ توجہ کے بنیادی شعبے درج ذیل ہیں۔

(1) کمپنی کے ویژن اور مشن کے ساتھ کارپوریٹ اہداف کی ہم آہنگی۔

(2) پائیدار آپریشن کے لیے حکمت عملی کی تشکیل اور منصوبہ بندی۔

(3) بورڈ کی خود مختاری اور موثرگی۔

انفرادی فیڈ بیک حاصل کی گئی اور اس فیڈ بیک کی بنیاد پر بورڈ کی کارکردگی کی اوسط ریٹنگ اور بورڈ کی قیادت کے سلسلہ میں چیئرمین کا کردار معیاری پایا گیا۔
ڈائریکٹرز کا مشاہرہ:

بورڈ سے منظور شدہ ڈائریکٹرز کے مشاہرے کی ایک رسمی پالیسی موجود ہے۔ پالیسی میں کمپنیز ایکٹ 2017 اور CCG ضوابط 2019 کے مطابق ڈائریکٹرز کے مشاہرے کا شفاف طریقہ کار شامل ہے۔

اندرونی مالیاتی کنٹرولز:

ڈائریکٹرز اندرونی مالیاتی کنٹرول کے حوالے سے اپنی ذمہ داری سے آگاہ ہیں۔ انتظامیہ اور اندرونی ویرونی آڈیٹرز کے ساتھ بات چیت کے ذریعے وہ یقینی بناتے ہیں کہ کمپنی نے مناسب کنٹرولز لاگو کر رکھے ہیں۔

کورٹ کیسز

کمپنی نے فیصل بینک لمیٹڈ کی تجویز پر غیر زرعی زمین خریدی اور رقم کی بروقت ادائیگی کیلئے پیشگی تحریری معاہدہ بھی کیا تاہم فیصل بینک نے بروقت رقم نہیں دی جس سے کمپنی کو نقصان پہنچا اور فیصل بینک نے اسلامی بینکنگ کے اصولوں، میمورنڈم آف ایسوسی ایشن، آرٹیکل آف ایسوسی ایشن اور سٹیٹ بینک کی جانب سے جاری کردہ سرگھرز کے خلاف کمپنی سے منافع وصول کیا۔ اس بنا پر کمپنی نے نقصان کے ازالے کیلئے فیصل بینک کے خلاف لاہور ہائی کورٹ لاہور میں کیس دائر کیا ہوا ہے۔ پہلی دو شماروں کی رقم 141.831 ملین روپے بنتی ہے جس میں سینٹرل ایکسائز ڈیوٹی کی رقم بھی شامل ہے۔

فیصل بینک کی جانب سے بھی 454.502 ملین روپے کی وصولی کیلئے لاہور ہائی کورٹ (سنگل جج) کی عدالت میں کیس دائر کیا گیا جس کا فیصلہ مورخہ 04.06.2015 کو کمپنی کے خلاف آیا تاہم کمپنی نے لاہور ہائی کورٹ لاہور ڈویژن سٹیج میں مختلف وجوہ بشمول کمپنی کا موقف نہ سنا جانا کی بنیاد پر بحوالہ نمبر R.F.A. 1372/2015 کی رو سے کیس دائر کی جس میں فاضل ڈویژن سٹیج نے 20-02-2020 اپیل کی اجازت دی اور 04-06-2015 کے فیصلے اور حکم نامہ کو ایک طرف رکھ دیا جس کے نتیجے پر اپیل کی اجازت مل گئی تاکہ کیس کے شواہد کی ریکارڈنگ کے بعد اس بنیاد پر آگے بڑھنے کی ہدایت کی گئی۔

آڈیٹرز کے مشاہدات

آڈیٹرز نے اپنی آڈٹ رپورٹ میں فیصل بینک کی جانب سے دائر کردہ کیس جو کہ آڈیٹرز رپورٹ میں بیان کیا گیا ہے اور لاہور ہائی کورٹ لاہور کے کمپنی کے خلاف فیصلے کے باوجود Cost of Fund کی رقم کو مالیاتی تفصیلات میں شامل نہیں کیا گیا انتظامیہ نے لاہور ہائی کورٹ لاہور میں مکمل طور پر نہ سنے جانے اور مختلف وجوہات کی بنا پر اپیل نمبر R.F.A. 1372/2015 دائر کی جس میں اپیل کا حق کمپنی کو مل گیا ہے۔

کمپنی کی انتظامیہ اس حوالے سے پر امید ہے کہ کمپنی کے چلتے رہنے میں کوئی شک نہیں جیسا کہ مالیاتی تفصیلات کے نوٹ نمبر 1.2 اور 22.1 میں بیان کیا گیا ہے۔

کمپنی کی انتظامیہ کمپنی کے منافع کو بہتر بنانے کے لئے اپنی سخت کوششیں، بہترین پیداواری حکمت عملی اور لاگت کو کنٹرول کر رہی ہے۔ انتظامیہ کافی پر امید ہے کہ پائمنٹ اور مشینری میں توازن اور جدید کاری، مستقل کی صنعت کی صورتحال میں بہتری اور بہتر پیداواری کارکردگی یقینی طور پر مستقبل کے مالیاتی نتائج میں بہتری لائے گی۔ انتظامیہ مثبت طور پر تمام چیلنجوں کا مقابلہ کرنے کے لئے اور بہترین نتائج فراہم کرنے کے لئے پرعزم ہے۔ اور اپنے مقاصد اور اہداف کو پورا کرتی رہے گی۔

ہم تصدیق کرتے ہیں کہ:

(1) مالیاتی بیانات کنپنیز ایکٹ 2017 کے تقاضوں کے مطابق تیار کئے گئے ہیں اور معاملات کی منصفانہ حالت، اس کے آپریشن کے نتائج، نقد بہاؤ اور ایکویٹی میں تبدیلیاں پیش کی گئی ہیں۔

(2) کنپنیز ایکٹ 2017 کے تحت مطلوبہ کس آف اکاؤنٹس تیار کی گئی ہیں۔

(3) مناسب حساب کتاب کی پالیسیوں کو مالی بیانات کی تیاری میں مستقل طور پر لاگو کیا گیا ہے۔ اور حساب کتاب کا تخمینہ معقول اور سمجھدار فیصلے پر مبنی ہے۔

(4) بین الاقوامی مالیاتی رپورٹنگ کے معیارات، جیسا کہ پاکستان میں لاگو ہوتا ہے، مالی بیانات کی تیاری میں بیرونی کی گئی ہے اور اس سے کسی بھی روایتی کو مناسب طور پر ظاہر کیا گیا ہے اور وضاحت کی گئی ہے

(5) اندرونی کنٹرول کا نظام نافذ اور مانیٹر کیا جا رہا ہے۔

(6) کمپنی کی جاری توثیق کے طور پر جاری رکھنے کی صلاحیت کے بارے میں کوئی خاص شبہات نہیں ہیں۔

(7) کارپوریٹ گورننس کے بہترین طریقوں سے کوئی مادی روایتی نہیں ہوئی۔ جیسا کہ فہرست سازی کے قواعد و ضوابط میں تفصیل ہے۔

(8) پچھلے چھ سالوں کے اہم آپریشننگ اور مالیاتی اعداد و شمار اس رپورٹ سے منسلک ہیں۔

(9) بتایا فراہم نہیں کیا گیا، اگر کوئی ہے، مالی بیانات میں ظاہر کیا گیا ہے۔

(10) 30 جون 2024 کو ختم ہونے والے سال کے دوران کمپنی کی کارکردگی سے متعلق چیرمین کا جائزہ اس رپورٹ کا حصہ ہے۔

11) 30 جون 2024 کو ختم ہونے والے سال میں ایسپلائز پروویڈنٹ فنڈ کی سرمایہ کاری - 18.1071 ملین روپے تھی۔

12) کمپنی نے اپنے ڈائریکٹرز کیلئے اندرون خانہ تربیتی پروگرام کا اہتمام کیا ہے۔

13) کارپوریٹ گورننس کے بہترین طریقوں کی تعمیل منسلک ہے

14) ہم تصدیق کرتے ہیں کہ ڈائریکٹرز سی اف او اور ان کے بچوں نے مذکورہ مالی سال میں کمپنی کے حصص میں کوئی کاروبار نہ کیا ہے

15) 30 جون 2023 تک شیئر ہولڈنگ کا پتھرن اس رپورٹ کے ساتھ منسلک ہے۔

زیر جائزہ سال کے دوران چھ اجلاس منعقد ہوئے ہر ایک ڈائریکٹر کی حاضری حسب ذیل ہے۔

کمپنی کے گزشتہ سالوں کے نقصانات کو دیکھتے ہوئے کسی قسم کے ڈیویڈنڈ کی منظوری نہیں دی گئی۔

موجودہ آڈیٹرز میسرز کرسٹین جیڈر ہیم جی چارٹرڈ اکاؤنٹنٹس ریٹائر ہو گئے تاہم دوبارہ تعیناتی کی پیشکش کی گئی جنہیں دوبارہ تعیناتی کیلئے آڈٹ کمیٹی نے تجویز بھی دی ہے۔
بورڈ ممبران کے معاوضے کی منظوری بورڈ خود کرتا ہے۔ تاہم کارپوریٹ گورننس کے سٹیبل کے مطابق یہ یقینی بنایا جاتا ہے کہ کوئی بھی ڈائریکٹر اپنے معاوضے کا فیصلہ کرنے میں خود حصہ نہ لے۔

بیلنس شیٹ ڈیٹ اور ڈائریکٹر رپورٹ کی تاریخ کے درمیان کمپنی کی مالی پوزیشن کو متاثر کرنے والی کوئی اہم تبدیلیاں نہیں ہوئی۔

مالی سال کے دوران متعلقہ فریقوں کے ساتھ کیے گئے لین دین کی آڈٹ کمیٹی نے توثیق کی اور بورڈ نے ان کی منظوری دی ہے۔

اعتراف

بورڈ آف ڈائریکٹر کمپنی کے تمام اسٹیک ہولڈرز بشمول صارفین، شیئر ہولڈرز، وینڈرز، سرکاری ادارے، بینکرز، اور دیگر تمام کاروباری شراکت داروں کا سال بھر تعاون پر شکریہ ادا کرتا ہے۔ بورڈ کمپنی کی خدمت کرنے والی ایک انتہائی محنتی ٹیم کی کاوشوں کو بھی سراہتا ہے، جنہوں نے بھرپور جوش و جذبے کے ساتھ کمپنی کی خدمت کی، اور امید

کرتا ہے کہ یہی جذبہ آئندہ بھی برقرار رہے گا۔

Review Report on the Statement of Compliance Contained In Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulation, 2019 (the Regulations) prepared by the Board of Directors of Asim Textile Mills Limited (the Company) for the year ended June 30, 2024, in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our Responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control system sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' Statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendations of the Audit Committee place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2024.

Independent Auditors' Report to the Members of Asim Textile Mills Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **Asim Textile Mills Limited ("the Company")**, which comprise the statement of financial position as at June 30, 2024, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended and notes to the financial statements comprising material accounting policy information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with Accounting and Reporting Standards as applicable in Pakistan, and, give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2024 and of the loss, total comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty relating to Going Concern

We draw attention of the members to the contents of note 1.2 to the annexed financial statements, which disclose the appropriateness of going concern assumption used by the Company in the preparation of financial statements, in spite of the accumulated losses stand at Rs. 27.675 million against the paid-up share capital of Rs. 151.770 million as at June 30, 2024 and as of that date, the Company's current liabilities exceed its current assets by Rs. 274.385 million. These factors indicate the existence of material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern and the Company may be unable to realize its assets and discharge its obligations in the normal course of business. Our opinion is not modified in respect of this matter.

Emphasis of Matter

We draw attention to Note 22 and 23 to the financial statements, which state that short term borrowings include Morabaha Finance obtained from Faysal Bank Limited amounting to Rs. 417.590 million on 31st October 1999 in respect of which the Company has filed suit against the bank for charging illegal profits against principal of Islamic Banking and against circulars issued by State Bank of Pakistan and in contravention of objective clause of its Memorandum & Article of Association. Faysal Bank Limited has also filed a counter suit which has been adjudicated on 04th June 2015 against the Company as a result of which the Company has to settle the loan along with costs and cost of fund. Profit on these loans amounting to Rs. 194.161 million have already been provided for; however, provision for cost of funds has not been accounted for, having been undeterminable at this stage by the management. Being aggrieved, the Company has filed an appeal in Honorable Lahore High Court, Lahore (Division Bench) vide R.F.A No. 1372/2015 based on infield favorable judgments of Honorable Lahore High Court, Lahore, which is pending adjudication. Consequent to the litigation, the bank account balance maintained with the concerned bank remained unverified. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our audit report.

Following are the Key Audit Matter(s):

S. No	Key Audit Matter(s)	How the Matter was addressed in audit
1.	<p>Contingencies: (Refer notes 23 to the financial statements)</p> <p>There are certain legal, taxation and regulatory matters which are beyond the control of the Company. Consequently, the management makes judgments about the incidence and quantum of such liabilities arising from litigation, taxation and regulatory claims which leads to the impacts for the future outcome of legal or regulatory processes.</p> <p>There is an inherent risk that legal exposures are not identified and considered for financial reporting purposes on a timely basis. Importantly, the decision to recognize a provision and the basis of measurement are judgmental.</p>	<ul style="list-style-type: none"> We assessed and tested the design and operating effectiveness of the controls over the identification, evaluation, provisioning and reporting of legal, tax and regulatory matters. We determined that we could rely on these controls for the purposes of our audit. In view of the significant judgements required, we evaluated the Company's assessment of the nature and status of litigation, claims and provision assessments, and discussed with management to understand the legal position and the basis of material risk positions. We received legal letters from

VHB

		<p>the Company's external counsel setting out their views in major cases.</p> <ul style="list-style-type: none"> Specifically, we challenged the timing of recognition for cases where there was potential exposure but it was not clear that a provision should be raised e.g. where obtaining reliable estimates are not considered possible. As set out in the financial statements, the outcome of litigation and regulatory claim is dependent on the future outcome of continuing legal and regulatory processes and consequently the calculation of the provision is subject to inherent uncertainty.
<p>2. Revenue recognition: (Refer note 24 to the financial statements)</p>		
	<p>We identified recognition of revenue of the Company as a key audit matter because revenue is one of the key performance indicators and gives rise to an inherent risk that revenue could be subject to misstatement to meet expectations or targets.</p> <p>Revenue is recorded in accordance with the requirements of IFRS-15 which provides a comprehensive model of revenue recognition and requires the Company to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying the model to contracts with customers.</p> <p>For further information, refer to the summary of significant accounting policies, revenue from contracts with customers' note 5.13 to the financial statements.</p>	<p>We performed a range of audit procedures in relation to revenue including the following:</p> <ul style="list-style-type: none"> We obtained an understanding of the process relating to recognition of revenue and testing the design, implementation and operating effectiveness of key internal controls over recording of revenue; We compared a sample of revenue transactions recorded during the year with sales orders, sales invoices, delivery documents and other relevant underlying documents; We performed analytical review procedures and other test of details over various revenue streams including the cut-off procedures to check that revenue has been recognized in the appropriate accounting period; We assessed the adequacy of the disclosures as per the guidelines set out in the applicable financial reporting requirements.

KHB

<p>3.</p>	<p>Inventory existence and valuation: (Refer notes 8 and 9 to the financial statements)</p>	
	<p>The Company has significant levels of inventories amounting to Rs. 160.532 million as at the reporting date, being 14.76% of the total assets of the Company.</p> <p>There is a risk in estimating the eventual NRV of items held, as well as assessing which items may be slow-moving or obsolete.</p> <p>The Company's principal accounting policy on stores and spares and stock in trade are disclosed in notes - 5.3 and 5.4 to the financial statements.</p> <p>The significance of the balance coupled with the judgments and estimates involved on their valuation has resulted in the inventories being considered as a key audit matter.</p>	<p>Our audit procedures over existence and valuation of inventory included, but were not limited to:</p> <ul style="list-style-type: none"> • To test the quantity of inventories, we assessed the corresponding inventory observation instructions and participated in inventory counts on sites. Based on samples, we performed test counts and compared the quantities counted by us with the results of the counts of the management; • For a sample of inventory items, re-performed the weighted average cost calculation and compared the weighted average cost appearing on valuation sheets; • We tested that the ageing report used by management correctly aged inventory items by agreeing a sample of aged inventory items to the last recorded invoice; • On a sample basis, we tested the net realizable value of inventory items to recent selling prices and re-performed the calculation of the inventory write down, if any; • We also made enquiries from management, and considered the results of our testing above to determine whether any specific write downs were required.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially

KHBcc

misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, the requirements of the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

KHB

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Khan Muhammad - FCA.

ASIM TEXTILE MILLS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2024

1. THE COMPANY AND ITS OPERATIONS

1.1 Asim Textile Mills Limited ("the Company") was incorporated in Pakistan on 29 July, 1990 under the repealed Companies Ordinance, 1984 (now Companies Act, 2017) and is listed on Pakistan Stock Exchange limited. The registered office of the Company is situated at JK House, 32-W, Susan Road, Madina Town, Faisalabad and the Mill is situated at 32 - KM, Main Sheikhpura Road, Tehsil Jaranwala, District, Faisalabad in the province of Punjab. The principal business activity of the Company is manufacturing and sale of yarn.

1.2 Going concern assumption

The Company has accumulated loss of Rs. 27.675 million (2023: Rs. 10.247 million) as against issued, subscribed and paid up share capital of Rs. 151.77 million and its current liabilities exceeded its current assets by Rs. 274.385 million (2023: Rs. 215.277 million) as at June 30, 2024. These factors indicate the existence of material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern and the Company may be unable to realize its assets and discharge its obligations in the normal course of business.

The management of the Company is making its strenuous efforts, optimal production strategies and effective cost controls to improve the performance of the Company. The balancing and modernization of plant and machinery, improvement in future industry situation and better production efficiency are the main factors for improvements. The management positively looks forward to counter all challenges and is firmly committed to deliver the best possible results and will continue to meet its objectives and goals. Based upon these aspects and continuing financial support from directors and associates, the financial statements have been prepared on going concern basis.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the (IFRS Standards), the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except as otherwise stated in the respective policy notes.

2.3 Functional and presentation currency

These financial statements are presented in Pakistani Rupee which is also the Company's functional and presentation currency.

3. NEW AND REVISED STANDARDS, INTERPRETATIONS, PRONOUNCEMENTS AND APPLICATION GUIDANCES

3.1 Standards, interpretations and amendments to approved accounting standards which became effective during the year

There are certain amendments to the accounting and reporting standards which became effective during the year and are adopted by the Company for the financial year beginning on July 01, 2023. However, these amendments do not have any significant impact on the Company's financial reporting, and therefore have not been presented in these financial statements, except for the following:

- **IAS 12 Application Guidance on Accounting for Minimum Taxes and Final Taxes', Issued by the Institute of Chartered Accountants of Pakistan (ICAP):**

This guidance is issued in the context of provisions of Income Tax Ordinance, 2001 and should be applied by Companies obliged to use accounting and reporting standards as applicable in Pakistan. This application guidance describes the accounting treatment for minimum taxes and final taxes.

K.A. B...

Before the issuance of this guidance, minimum taxes and final taxes are accounted for and presented as income taxes within the scope of IAS 12, "Income Taxes". As required under this guidance, the minimum taxes and final taxes are not calculated on the 'taxable profits' as defined in IAS 12 but calculated on turnover or other basis (as per relevant sections of Income Tax Ordinance, 2001), it should be accounted for under IAS 37/IFRIC 21 as levies and not under IAS 12 as income taxes.

The companies will apply the requirements of this guidance retrospectively which will result in reclassification of amounts previously classified as 'current income tax' in the statement of profit or loss to 'levy' and 'final taxes'.

The application of this guidance has no impact on the measurement and recognition of income taxes under the provisions of the Income Tax Ordinance, 2001 except for the presentation of amounts into levy, final taxes and income tax in these financial statements.

3.2 Standards, interpretations and amendments to approved accounting standards that are issued but not yet effective and have not been early adopted by the Company

The following standards, amendments with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below and have not been early adopted by the Company:

Standards	Standards, Interpretations and Amendments	Effective date (Annual periods beginning on or after)
IAS 1	'Presentation of financial statements', Classification of liabilities as current or non-current — (Amendments)	01 January 2024
IAS 7	'Statement of cash flows', Changes regarding supplier finance arrangements — (Amendments)	01 January 2024
IAS 21	'The effects of changes in foreign exchange rates', Lack of exchangeability — (Amendments)	01 January 2025
IFRS 7	'Financial instruments: Disclosures', Changes regarding supplier finance arrangements — (Amendments)	01 January 2024
IFRS 9	'Financial instruments: Disclosures', To address matters identified during the post-implementation review of the classification and measurement requirements of IFRS 9 — (Amendments)	01 January 2026
IFRS 16	Leases', Sale and leaseback transactions — (Amendments)	01 January 2024
IFRS 17	'Insurance contracts'	01 January 2026

Further, the following new standards have been issued by IASB and ISSB which are yet to be notified by the Securities and Exchange Commission of Pakistan (SECP) for the purpose of applicability in Pakistan:

Standard	
IFRS 1	First-time adoption of International Financial Reporting Standards
IFRS 18	Presentation and Disclosure in Financial Statements
IFRS 19	Subsidiaries without Public Accountability: Disclosures
IFRS S1	General Requirements for Disclosure of Sustainability-related Financial Information
IFRS S2	Climate-related Disclosures

The management expects that the adoption of above standards and amendment will not have any material impact on the Company's financial statements except for presentation and disclosures.

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with the approved accounting standards require management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of the revision and future periods. Judgments made by management in application of the approved accounting standards that have significant effect on the financial statements and estimates with a significant risk of material adjustments in the next year are discussed in respective policy notes. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgment was exercised in application of accounting policies are as follows:

K.H. Bano

- Estimate of useful life of property, plant and equipment - note 5.1
- Impairment of non financial assets - note 5.2
- Stores and spares - note 5.3
- Stock in trade - note 5.4
- Provisions - note 5.11
- Contingencies - note 5.12
- Taxation - note 5.15

5. MATERIAL ACCOUNTING POLICY INFORMATION

The Company adopted Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statements 2 'Making Materiality Judgements') from July 1, 2023. Although amendments did not result in any changes to the accounting policies themselves, they impact the accounting policy information disclosed in the financial statements.

The amendments require disclosure of 'material', rather than 'significant' accounting policies. The amendments also provide the guidance on the application of materiality to disclosure of accounting policies, assisting entities to provide useful entity specific accounting policy information that user need to understand other information in the financial statements.

The material accounting policies set out below have been applied consistently to all periods presented in these financial statements.

5.1 Property, plant and equipment

5.1.1 Operating fixed assets

Property, plant and equipment except free hold land, building on freehold land, plant and machinery and electric installations are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Building on freehold land, plant and machinery and electric installations are stated at revalued amounts less accumulated depreciation and accumulated impairment losses, if any. Freehold land is stated at revalued amount.

Cost in relation to operating fixed assets signifies historical cost. Historical cost includes expenditures that are directly attributable to the acquisition or construction of assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with them will flow to the entity and its cost can be reliably measured. Cost incurred to replace a component of an item of operating fixed assets is capitalized and the asset so replaced is retired from use. Normal repairs and maintenance are charged to the statement of profit or loss during the period in which they are incurred.

Depreciation is charged to statement of profit or loss applying the reducing balance method so as to write off the historical cost of the assets over their expected useful life at the rates mentioned in note 6.1 of these financial statements.

Depreciation on additions during the year is charged for the full month in which the asset is available for use while no depreciation is charged in the month in which the asset is disposed off. The residual values and useful lives are reviewed by the management at each financial year end and adjusted if impact on depreciation is significant.

Any gain or loss on disposal of assets is included in statement of profit or loss in the year in which the assets are derecognized.

5.1.2 Capital work in progress

Capital work in progress is stated at cost less any identified impairment loss and represents direct cost of material, labour, applicable overheads and borrowing costs on qualifying assets. Transfers are made to relevant operating fixed assets category as and when assets are available for its intended use.

5.2 Impairment of non financial assets

The carrying amounts of the Company's non-financial assets, other than stock in trade and stores and spares, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, recoverable amount is estimated at each reporting date.

An impairment loss is recognized if the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. A cash-generating unit is the smallest identifiable asset group that generates cash flows that largely are independent from other assets and groups.

Impairment losses are recognized in profit and loss. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets of the unit on a pro-rata basis. Impairment losses on goodwill shall not be reversed.

VHB

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized. Prior impairments of non-financial assets are reviewed for possible reversal at each reporting date.

5.3 Stores and spares

These are valued at moving average cost except items-in-transit which are valued at cost accumulated to the balance sheet date. Store and spares are regularly reviewed by the management to assess their net realizable value (NRV). Provision is made for slow moving and obsolete store items when so identified.

5.4 Stock in trade

These are valued at lower of cost and net realizable value. Cost is determined as follows:

Raw material	- At factory	Annual average cost.
	- In Transit	Invoice value plus direct charges in respect thereof.
Work in process and finished goods		Prime cost including a proportion of production overheads.

Wastes are valued at net realizable value.

Net realizable value signifies the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to be incurred in order to make the sale.

5.5 Trade debts and other receivables

Trade debts are initially recognized at fair value and subsequently carried at amortized cost which approximate fair value of the consideration receivable, less any allowance for expected credit losses.

The Company has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue.

Other receivables are recognized at amortized cost, less any allowance for expected credit losses.

5.6 Short term investment

Investments which are intended to be held for an undefined period of time but may be sold in response to the need for liquidity or changes in interest rates are classified as available for sale.

Subsequent to initial recognition at cost, these are measured at fair value. The Company uses latest stock exchange quotations to determine the fair value of quoted investments. Gain or losses on available for sale investments are recognized directly in other comprehensive income until the investments are sold or disposed off, or until the investments are determined to be impaired, at that time cumulative gain or loss previously recognized in other comprehensive income, is re-classified from equity to profit and loss as re-classification adjustment.

5.7 Cash and cash equivalents

For the purpose of cash flow statement cash and cash equivalents comprise of cash and cheques in hand and at banks and include short term highly liquid investments. The cash and cash equivalents are readily convertible to known amount of cash and are subject to insignificant risk of change in value.

5.8 Surplus on revaluation of property, plant and equipment

Increases in the carrying amounts arising on revaluation of property, plant and equipment are recognized, net of tax, in other comprehensive income and accumulated in equity under the heading 'Surplus on revaluation of property, plant and equipment'. However the increase is recognized in statement of profit or loss to the extent that it reverses a revaluation decrease of the same asset previously recognized in statement of profit or loss.

Decreases in the carrying amounts arising on revaluation of property, plant and equipment are recognized, net of tax, in profit or loss. However revaluation decrease that reverse previous increases of the same asset is recognized in other comprehensive income to the extent of the remaining surplus attributable to that asset. The decrease recognized in other comprehensive income reduces the amount accumulated in equity under the heading 'Surplus on revaluation of property, plant and equipment'.

Following amounts are transferred directly to retained earnings from equity under the heading 'Surplus on revaluation of property, plant and equipment' through the Statement of Changes in Equity:

- an amount equal to the difference between depreciation based on the revalued carrying amount of the asset and depreciation based on the original cost of that asset; or
- an amount equal to carrying amount of revaluation surplus of the asset on its disposal.

All transfers to / from the account of 'surplus on revaluation of property, plant and equipment' are net of applicable deferred income tax. Surplus on revaluation of property, plant and equipment reported under equity is not available for distribution of dividend.

5.9 Staff retirement benefits

Defined contribution plan

There is a contributory provident fund for all employees of the Company for which contributions are charged to profit or loss as and when incurred.

The Company makes monthly contribution to the fund at the rate of 8.33% whereas employees of the Company also make monthly contributions to the fund at the rate of 8.33% of basic salary. The assets of the fund are held separately under the control of trustees.

5.10 Trade and other payables

Liabilities for trade and other payables are carried at their amortized cost, which approximate fair value of the consideration to be paid in future for goods and services received, whether or not billed to the Company. Exchange gains and losses arising on translation in respect of liabilities in foreign currency are added to the carrying amount of the respective liabilities.

5.11 Provisions

A provision is recognized when the Company has a present, legal or constructive obligation as a result of a past event when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are reviewed at each reporting date and adjusted to reflect current best estimate.

5.12 Contingencies

The Company reviews the status of all pending litigations and claims against the Company. Based on the judgment and the advice of the legal advisors for the estimated financial outcome, appropriate disclosure or provision is made. The actual outcome of these litigations and claims can have an effect on the carrying amounts of the liabilities recognized at the statement of financial position date.

5.13 Revenue recognition

Revenue is recognized at an amount that reflects the consideration to which the Company is expected to be entitled in exchange for rendering of services to a customer. For each contract with a customer, the Company;

- (i) identifies the contract with a customer;
- (ii) identifies the performance obligations in the contract;
- (iii) determines the transaction price;
- (iv) allocates the transaction price to the separate performance obligations in the contract; and
- (v) recognizes revenue when each performance obligation is satisfied.

Variable consideration within the transaction price is estimates and determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognized to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are initially recognized as deferred revenue in the form of a separate refund liability.

a) Sale of goods

Revenue from the sale of goods is recognized at the point in time when the customer obtains control of the goods, which is generally at the time of delivery.

b) Interest income

Profit on bank balances in deposit accounts and interest income on deposit with Sui Northern Gas Pipelines Limited (SNGPL) are recognized on a time proportion basis on the principal amount outstanding and at the applicable rate.

c) Profit on fair value through other comprehensive income investments

Unrealized gains / (losses) arising on fair value measurements of investments classified as 'fair value through other comprehensive income' are included in other comprehensive income in the period in which they arise.

Gains / (losses) arising on disposal of investments are recognized on the date when the transaction takes place. When the investment is disposed off or derecognized, the cumulative gains / (losses) previously recognized in other comprehensive income is reclassified from equity to profit or loss and recognized in other income / (other expenses).

d) Profit on fair value through profit or loss investments

Gains / (losses) arising on disposal of investments are included in income currently and are recognized on the date when the transaction takes place.

KHB

Unrealized gains / (losses) arising on fair value measurements of investments classified as 'fair value through profit or loss' are included in profit or loss in the period in which they arise.

e) Other revenue

Other revenue is recognized when it is received or when the right to receive payment is established.

5.14 Foreign currency translation

All monetary assets and liabilities in foreign currencies are translated into rupees at exchange rates prevailing at the balance sheet date. Transactions in foreign currencies are translated into rupees at exchange rates prevailing at the date of transaction. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated into rupees at exchange rates prevailing at the date of transaction. Non-monetary assets and liabilities denominated in foreign currency that are stated at fair value are translated into rupees at exchange rates prevailing at the date when fair values are determined. Exchange gains and losses are included in the statement of profit or loss immediately.

5.15 Taxation

Income tax

The charge for current income tax is based on taxable income at current rates of taxation after taking into account tax credits, rebates and exemptions available, if any. The charge for current tax also includes adjustments, where considered necessary, and the tax assessed from assessments framed during the year for such years is over/under the provision of tax then made.

The Company designate the amount calculated on taxable income using the notified tax rate as an income tax within the scope of IAS 12 'Income Taxes' and recognise it as current income tax expense. Any excess over the amount designated as income tax, is then recognised as a levy falling under the scope of IFRIC 21/IAS 37.

Levies

The Company recognise the charge for minimum and final taxes, calculated under the provisions of the Income Tax Ordinance, 2001, as levies. The charge for levies are not based on 'taxable profit' as defined in IAS 12 but calculated on turnover or other basis as per provisions and applicable tax rates under minimum and final tax regime. The charge for levies also includes adjustments, where considered necessary, and the tax assessed from assessments framed during the year for such years is over/under the provision of tax then made.

Deferred tax

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax basis used in the computation of taxable income. Deferred tax is calculated by using the tax rates enacted at the reporting date.

Deferred tax liability is recognized for all taxable temporary differences and deferred tax asset is recognized for all deductible temporary differences and carry forward of unused tax losses and unused tax credits, if any, to the extent that it is probable that future taxable profit will be available against which these can be utilized.

Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

Deferred tax is charged or credited in the statement of profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case the tax is also recognized in other comprehensive income or directly in equity, respectively.

Sales tax

Revenues, expenses and assets are recognized net of amount of sales tax except:

- Where the sales tax incurred on purchase of assets or services is not recoverable from Federal Board of Revenue and respective provincial tax authorities, in which case the sales tax is recognized as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables are stated with the amount of sales tax.

The net amount of sales tax recoverable from, or payable to, the taxation authority is recorded as part of sales tax receivables or payables in the statement of financial position accordingly.

5.16 Related party transactions

All transactions with related parties are carried out at arm's length. The prices are determined in accordance with comparable uncontrolled price method.

5.17 Dividend and other appropriations

Dividend is recognized as a liability in the period in which it is approved. Appropriations of profits are reflected in the statement of changes in equity in the period in which such appropriations are made.

5.18 Events after the reporting period

If the Company receives information after the reporting period, but prior to the date of authorization for issue, about conditions that existed at the end of the reporting period, the Company will assess if the information affects the amounts that it recognizes in the financial statements.

The Company will adjust the amounts recognized in its financial statements to reflect any adjusting events after the reporting period and update the disclosures that relate to those conditions in the light of the new information. For non-adjusting events after the reporting period, the Company does not change the amounts recognized in its financial statements but will disclose the nature of the non-adjusting event and an estimate of its financial effect, or a statement that such an estimate cannot be made, if applicable.

5.19 Earnings per share

The Company presents basic and diluted earnings per share (EPS) for its ordinary shares. Basic EPS is calculated by dividing the profit or loss by weighted average number of shares outstanding during the period. Diluted EPS is calculated by adjusting for the effects of all dilutive potential ordinary shares.

5.20 Financial instruments

5.20.1 Financial assets

A financial asset is measured at amortized cost if it is held in order to collect contractual cash flows which arise on specified dates and that are 'solely payment of principal and interest (SPPI)' on the principal amount outstanding. A debt investment is measured at fair value through other comprehensive income if it is held in order to collect contractual cash flows which arise on specified dates that are solely principal and interest and as well as selling the asset on the basis of its fair value. All other financial assets are classified and measured at fair value through profit or loss unless the Company makes an irrevocable election on initial recognition to present gains and losses on equity instruments in other comprehensive income. Despite these requirements, a financial asset may be irrevocably designated as measured at fair value through profit or loss to reduce the effect of, or eliminate, an accounting mismatch.

A. Classification and measurement of financial assets

Investments and other financial assets

Classification:

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those to be measured at amortized cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Measurement:

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

VHBe

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on derecognition is recognized directly in profit or loss and presented in other income / (other expenses) together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss.

- Fair value through other comprehensive income (FVTOCI)

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVTOCI. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment losses (and reversal of impairment losses), interest income and foreign exchange gains and losses which are recognized in profit or loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in other comprehensive income is reclassified from equity to profit or loss and recognized in other income / (other expenses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other income/ (other expenses) and impairment losses are presented as separate line item in the statement of profit or loss.

- Fair value through profit or loss (FVTPL)

Financial assets at fair value through profit or loss include financial assets held for trading, financial assets designated upon initial recognition at fair value through profit or loss, or financial assets mandatorily required to be measured at fair value. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Notwithstanding the criteria for debt instruments to be classified at amortized cost or at FVTOCI, as described above, debt instruments may be designated at fair value through profit or loss on initial recognition if doing so eliminates, or significantly reduces, an accounting mismatch.

Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with net changes in fair value recognized in the statement of profit or loss.

B. Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of its continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

C. Impairment:

The Company record an allowance for a forward-looking expected credit loss (ECL) approach for all loans and other debt financial assets not held at FVPL.

KHB

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

For trade and other receivables, the Company has applied the standard's simplified approach and has calculated ECLs based on lifetime expected credit losses. The Company has established a provision matrix that is based on the Company's historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company.

5.20.2 Financial liabilities

A. Classification and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

- **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognized in the statement of profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in IFRS 9 are satisfied. The Company has not designated any financial liability as at fair value through profit or loss.

- **Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in the statement of profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit or loss.

This category generally applies to interest-bearing loans and borrowings.

B. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

5.20.3 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are set off and the net amount is reported in the financial statements when there is a legally enforceable right to set off and the Company intends either to settle on a net basis, or to realize the assets and to settle the liabilities simultaneously.

- Third revaluation of the Company's freehold land, building on freehold land, plant and machinery and electric installations was carried out on June 30, 2012 by an independent valuer M/s Nizamy Associates, Faisalabad on the basis of depreciated replacement values.
- Fourth revaluation of the Company's freehold land, building on freehold land, plant and machinery and electric installations was carried out on Sep 30, 2015 by an independent valuer M/s Amir Evaluators & Consultants, Peshawar on basis of depreciated replacement values.
- Fifth revaluation of the Company's freehold land, building on freehold land, plant and machinery and electric installations has been carried out on June 30, 2020 by an independent valuer M/s S.A. Associates, Lahore on basis of depreciated replacement values.

The fair valuation of the revalued assets are considered to represent a level 2 valuation based on significant non-observable inputs being the location and condition of the assets. The fair value are subject to change owing to change in input. However, the management does not expect there to be a material sensitivity to the fair values arising from the non-observable inputs. The basis of revaluation for items of these fixed assets were as follows:

Freehold land

Property brokers, dealers and estate agents were contacted to ascertain the asking and selling prices for properties of the same nature in the immediate neighbourhood and adjoining areas. Neighbouring properties which have been recently sold or purchased, were investigated to ascertain a reasonable selling / buying price. Properties that were up for sale were examined for asking price. An average of the above values was then assigned to the property.

KHB

Building on freehold land

Construction specifications were noted for each factory and residential building / structure and current construction rates were used to obtain replacement values of building, to which a depreciation formula was applied, based upon the Company's estimates of balance life to arrive at the current assessed value.

Plant and machinery

Plant and machinery have been evaluated / assessed by keeping in view their present physical condition, the remaining useful life / economic life and technological obsolescence. Further, new replacement values were arrived by using current local and foreign market values for the similar type of plant and machinery. These current local and foreign market values were taken into account on the basis of technical obsolescence, efficiency, maintenance, replacement and other related factors involved.

Electric installations

These were evaluated / assessed by keeping in view their present physical condition and the remaining useful life / economic life. Further, new replacement values were arrived by using current market values for the similar type of assets. These current market values were taken into account on basis of efficiency, maintenance, replacement and other related factors involved.

These loans are secured against first charge of Rs. 505 million on fixed assets and personal guarantees of directors and Chief Executive of the Company.

22.1.1 The Company is not repaying the morabaha finances as it has filed a suit against Faysal Bank Limited in the Honorable Lahore High Court, Lahore. The bank has also filed a counter suit praying for a decree to be passed in its favor for a sum of Rs. 454.502 million against the defendants jointly and severally, with cost of funds at the rate of 20% or as certified by State Bank of Pakistan from date of default and 20% liquidated damages plus service charges and all costs, charges, expenses payable or to be incurred by the plaintiff bank till the final payment / realization of the afore-mentioned amount. The facts and status of the litigations are further explained in note 23.1.1.

22.2 The Company has obtained interest free bank overdraft facility from Faysal Bank Limited but ceased the repayment of the overdraft due to litigation in courts. The facts of the litigation are explained in note 23.1.1.

23. CONTINGENCIES AND COMMITMENTS

23.1 Contingencies

23.1.1 The Company has instituted a suit in the Honorable Lahore High Court, Lahore against Faysal Bank Limited (FBL) claiming damages on account of acquisition of un-remunerative agricultural land on the advice of FBL for not providing timely cash finance facilities despite written commitments and for charging illegal profits against the principles of Islamic Banking and circulars issued by the State Bank of Pakistan in addition to contravention of the objective clause of its Memorandum & Articles of Association. The amount claimed for the first two counts is Rs.141.831 million (including claims of Central Excise Duty), whereas the amount of last count has been left for the Court to determine.

The counter suite filed by the Faysal Bank for recovery of Rs. 454.502 million along with costs and cost of funds before the Honorable Lahore High Court (Single Judge), Lahore has been adjudicated on 04.06.2015 against the company. The company has filed an appeal in Honourable Lahore High Court, Lahore (Division Bench) vide R.F.A. No. 1372/2015 on various grounds including the company being condemned unheard. The learned Division Bench garaciously allowed the appeal on 20.02.2020 and impugned judgment and decree dated 04.06.2015 was set aside. Consequently leave to appeal was adjudged to have been granted to the appellant company and the case is directed to be proceeded on that basis after framing issues and recording of evidences. Due to litigations, the Bank is not responding and confirming the balance to the company. Having been undeterminable at this stage, provision for cost of funds has not been accounted for.

23.1.2 The department while initiating sales tax audits of the Company for the tax years 2012 and 2014, created demands on account of supplies from suspended/blacklisted units aggregated to amount of Rs. 818,182/-. Being aggrieved the Company filed appeals before Commissinor Inland Revenue (Appeals) who upheld the department's stance. The Company filed second appeals before Appellate Tribunal Inland Revenue Lahore on 15-Aug-2012, 25-Jul-2014, and 09-Oct-2014 which are pending for final decision. The management is contesting the case diligently and legal advisor is optimistic that the cases will be decided in the favour of the Company. Therefore, no provision has been made in these financial statements.

23.2 Commitments

There are no significant commitments at the reporting date which need to be disclosed in the financial statements.

39. FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying values of the financial assets and financial liabilities approximate their fair values. Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Fair value hierarchy

Fair value is defined as the price that would be received to sell an asset or paid to settle a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Company is a going concern and there is no intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13 'Fair Value Measurement' requires the Company to classify fair value measurements and fair value hierarchy that reflects the significance of the inputs used in making the measurements of fair value hierarchy has the following levels:

Level 1 : Fair value measurements using quoted (unadjusted) in active markets for identical asset or liability.

Level 2 : Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 : Fair value measurements using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Transfer between levels of the fair value hierarchy are recognized at the end of the reporting period during which the changes have occurred.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

40. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company finances its operations through equity, borrowings and management of working capital with a view to maintain an appropriate mix between various sources of finance to minimize risk. The Company follows an effective cash management and planning policy and maintains flexibility in funding by keeping committed credit lines available. Market risks are managed by the Company through the adoption of appropriate policies to cover currency risks and interest rate risks.

The Company has exposures to the following risks from its use of financial instruments:

- Market risk
- Credit risk
- Liquidity risk

40.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises interest rate risk, currency risk and other price risk such as equity risk. The sensitivity analysis in the following sections relate to the position as at June 30, 2024 and 2023.

40.1.1 Interest rate risk:

Interest rate risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises from deposit with SNGPL and balances in deposit accounts.

At the reporting date, the interest rate profile of the Company's interest bearing financial instruments is as follows:

	2024 Rupees	2023 Rupees
Variable rate instruments		
Security deposit with SNGPL	24,036,417	12,640,417
Bank balances in deposit accounts	124,939,058	201,314,170

Cash flow sensitivity analysis for variable rate instruments

The following analysis demonstrates the sensitivity to a change in interest rates of 1%, with all other variables held constant, of the Company's profit before tax. This analysis is prepared assuming the amounts of floating rate instruments outstanding at reporting date were outstanding for the whole year.

	2024 Rupees	2023 Rupees
Effect on profit and loss of an increase in interest rate for deposit with SNGPL	240,364	126,404
Effect on profit and loss of an increase in interest rate for balances in deposit accounts	1,249,391	2,013,142
	<u>1,489,755</u>	<u>2,139,546</u>

Decrease in interest rates at June 30 would have had the equal but opposite effect of these amounts. Sensitivity analysis has been prepared on symmetric basis.

40.1.2 Currency risk / Foreign Exchange risk:

Currency risk is the risk that the fair value or future cash flows of a financial instrument, will fluctuate because of changes in foreign exchange rates. Foreign currency risk arises mainly where receivables and payables exist due to foreign currency transactions.

Exposure to Currency Risk

The Company's exposure to currency risk is restricted to the balance in foreign currency bank account. The Company's exposure to currency risk is as follows:

Particulars	Currency	2024		2023	
		F.Currency	Rupees	F.Currency	Rupees
Bank balance	US \$	1,000	278,250	1,000	286,600
	SAR	2,461	182,409	2,461	188,291
			<u>460,659</u>		<u>474,891</u>

The following significant exchange rates have been applied as at reporting date:

Foreign Currency	2024		2023	
	Selling	Buying	Selling	Buying
	[R U P E E S]		[R U P E E S]	
US \$	278.80	278.25	287.10	286.60
SAR	74.25	74.12	78.90	76.51

Currency rate sensitivity analysis

If the functional currency, at reporting date, had weakened by 5% against the foreign currencies with all other variables held constant, the profit before taxation would have increased for the year 2024 and 2023 by the following amounts:

Foreign Currency	2024 Rupees	2023 Rupees
US \$	13,913	13,341
SAR	9,120	8,765
	<u>23,033</u>	<u>22,106</u>

A 5% strengthening of the functional currency against foreign currencies at June 30 would have had the equal but opposite effect of these amounts.

Currency risk sensitivity to foreign exchange movements has been calculated on a symmetric basis. The analysis assumes that all other variables remained constant.

40.1.3 Other price risk:

Price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is exposed to price risk, because of the investments held by the Company in mutual funds, and classified on the statement of financial position as fair value through other comprehensive income. To manage its price risk arising from investments in mutual funds, the Company diversifies its portfolio.

Short term investments include fair value through other comprehensive income of Rs. 18,531,627/- (2023: Rs. 6,198,441/-) which were subject to price risk.

If redemption price on mutual funds, at the year end date, fluctuate by 5% higher / lower with all other variables held constant, profit before tax for the year would have been Rs. 926,581/- (2023: Rs. 309,922/-) higher / lower, mainly as a result of higher / lower redemption price on units of mutual funds.

40.2 Credit risk:

Credit risk is the risk representing accounting loss that would be recognized at the reporting date if one party to a financial instrument will fail to discharge an obligation or its failure to perform duties under the contract as contracted. Concentration of credit risk arises when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations that is susceptible to changes in economic, political or other conditions. Concentration of credit risk indicates the relative sensitivity of the Company's performance to developments affecting a particular industry. The maximum exposure to credit risk at the reporting date is as follows :

	2024 Rupees	2023 Rupees
Long term deposits	33,956,795	22,560,795
Trade debts	22,877,301	1,818,063
Short term investments	18,531,627	6,198,441
Accrued income	3,131,479	1,729,525
Bank balances	<u>148,639,490</u>	<u>201,988,341</u>
	<u>227,136,692</u>	<u>234,295,165</u>

Long term deposits have been mainly placed with suppliers of electricity, gas and telecommunication services and bank guarantee margin. Considering the financial position and credit quality of the institutions, the Company's exposure to credit risk is not significant.

For trade debts, internal risk assessment process determines the credit quality of the customers, taking into account their financial positions, past experiences and other factors. Moreover, the management regularly monitors and reviews customers' credit exposure. Accordingly, the Company is not exposed to any significant credit risk.

Short term investments are investment in mutual funds. The credit risk on liquid funds is limited because counter party is bank with reasonably high credit ratings.

	2024 [Credit Ratings]	2023
NBP Fund Management Limited	AM1	AM1
JS Investments Limited	AM2	AM2

Accrued income constitute accrued profits receivable from SNGPL and banks. Considering the financial position and credit quality of the institutions, the Company's exposure to credit risk is not significant.

KH

The credit quality of the Company's bank balances can be assessed by reference to external credit ratings or to historical information about counterparty default rate:

Name of Bank	Date	Long term	Short term	Outlook	Agency
Al-Barka Bank (Pakistan) Limited	30-Jun-24	A+	A-1	Stable	JCR-VIS
Dubai Islamic Bank Pakistan Limited	27-Jun-24	AA	A-1+	Stable	JCR-VIS
Faysal Bank Limited	24-Jun-24	AA	A1+	Stable	JCR-VIS
Habib Bank Limited	28-Jun-24	AAA	A1+	Stable	JCR-VIS
JS Bank Limited	28-Jun-24	AA	A1+	Stable	PACRA
MCB Bank Limited	22-Jun-24	AAA	A1+	Stable	PACRA
Meezan Bank Limited	22-Jun-24	AAA	A-1+	Stable	PACRA
National Bank of Pakistan	22-Jun-24	AAA	A1+	Stable	PACRA
United Bank Limited	26-Jun-24	AAA	A-1+	Stable	JCR-VIS

Due to the Company's long standing relationships with these counterparties and after giving due consideration to their strong financial standing, management does not expect non-performance by these counter parties on their obligations to the Company. Accordingly, the risk is minimal.

40.3 Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities.

The Company's approach to manage liquidity risk is to maintain sufficient level of liquidity by holding highly liquid assets and the availability of funding through an adequate amount of committed credit facilities. This includes maintenance of balance sheet liquidity ratios through working capital management. Further, liquidity position of the Company is closely monitored through budgets, cash flow projections and comparison with actual results by the Board. The management believes that the Company is not exposed to any liquidity risk.

The following are the contractual maturity analysis of financial liabilities as at June 30, 2024 and 2023:

41. CAPITAL RISK MANAGEMENT

The primary objective of the Company's capital management is to safeguard the Company's ability to continue as a going concern, maintain healthy capital ratios, strong credit rating and optimal capital structures in order to ensure ample availability of finance for its existing and potential investment projects, so that it can continue to provide returns for shareholders thereby maximizing their wealth, benefits for other stakeholders and reduce the cost of capital.

The Company manages the capital structure in the context of economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may, for example, adjust the amount of dividends paid to shareholders, issue new shares, or sell assets to reduce debt.

As at June 30, 2024 and 2023, the Company had surplus reserves to meet its requirements.
