CEO'S MESSAGE

Valued Stakeholders,

As we close the financial year 2024, I take this opportunity to reflect on a year filled with both challenges and significant achievements. This has been a year where the resilience of HUM Network Limited (HNL) has truly shone through, and I am pleased to share our strong performance amidst turbulent economic landscape in Pakistan.

The past year has been marked by economic challenges due to the unstable political and financial landscape of Pakistan. However, there is a sense of optimism as we anticipate an economic recovery in the coming months. Despite these challenges, HNL has proven its ability to adapt and thrive, achieving remarkable consolidated 63.1% growth in revenues and 54% increase in net profits. This achievement is a testament to the success of our business strategies and the hard work of our talented team.

The world is rapidly moving towards digital platforms, and we recognize this as both a challenge and an immense opportunity. Digital media continues to grow at an unprecedented pace, and we are actively positioning HNL to be at the forefront of this shift. We are focused on further expanding our digital offerings, ensuring that we maintain a strong presence on all key social platforms, meet the evolving needs of our audiences, all while continuously exploring new avenues for content distribution and audience engagement.

Among our notable accomplishments this year is the remarkable performance of our sports channel, Ten Sports. Ten Sports has been actively pursuing new business opportunities, notably securing exclusive media rights for multitudes of prestigious sporting events including ICC Men's T20 tournament, the Champions Trophy 2025 and PCB bi-lateral series. Our team has also expanded into sports productions, underscoring our commitment to revolutionizing sports entertainment in Pakistan.

Moreover, I am deeply proud of HNL's philanthropic contribution in actively supporting the education of underprivileged children. Through partnerships with local government schools, we have renovated facilities and introduced modern academic systems, providing a brighter future for many students. These efforts reflect our dedication to making a lasting impact on the communities we serve.

As we look ahead to the next 12 months, I am confident that HUM Network Limited will continue to deliver outstanding results by embracing digital transformation, enhancing our content offerings, and staying committed to our social responsibilities.

Lastly, I would like to extend my heartfelt gratitude to each and every one of you for your unyielding support and partnership on this extraordinary journey.

Sincerely,

Mr. Duraid Qureshi

۷۔ ای ڈیٹنڈ مینڈیٹ (لازمی):

کمپنیز ایکٹ ۲۰۱۷ء کے سیکشن ۲۳۲ کے تحت لسٹ میں شامل ہر کمپنی کے لئے ضروری ہے کہ وہ ڈیٹنڈ کی ادائیگی الیکٹرانک موڈ کے ذریعے سے براہ راست ممبر کے موجودہ بینک اکاؤنٹ میں رقم کریڈٹ کرے۔ ایس آر او نمبر ۲۰۱/۱۱۳۵(۱) مورخہ ۶ نومبر ۲۰۱۷ء کے تحت یہ شیئر ہولڈرز کے لئے ضروری ہے کہ وہ اپنے بینک اکاؤنٹ کی تفصیلات فراہم کرے تاکہ ان کے کیش ڈیٹنڈ کی رقم براہ راست ان کے بینک اکاؤنٹس میں جمع ہو جائے۔ بصورت کمپنی کو اس بات کا اختیار ہے کہ ایسے ممبران جنہوں نے اپنے بینک کی تفصیلات فراہم نہیں کی ہیں ان کے ڈیٹنڈ کو روک دے۔

تمام ممبران کیلئے ضروری ہے کہ وہ کمپنی کے شیئر رجسٹرار کو تمام تفصیلات یعنی نام، فولیو نمبر، بینک اکاؤنٹ نمبر (۲۳ ہندسوں کا آئی بی اے این)، اکاؤنٹ کا ٹائٹل اور بینک کا مکمل میٹنگ ایڈریس فراہم کریں۔ سی ڈی سی اکاؤنٹ ہولڈرز اپنی درخواست براہ راست بروکر (شرکت کنندہ) / سی ڈی سی کے پاس جمع کروائیں جس کا فارم کمپنی کے رجسٹرڈ آفس میں دستیاب ہے اس کے علاوہ کمپنی کی ویب سائٹ پر بھی موجود ہے۔

۸۔ غیر کلیم کردہ ڈیٹنڈ/شیئرز:

کمپنیز ایکٹ ۲۰۱۷ء کے سیکشن ۲۳۲ کے تحت کوئی بھی شیئر جس کا اجراء یا ڈیٹنڈ کا اعلان کمپنی نے کیا ہو وہ واجب الادا تاریخ سے تین سال کی مدت کیلئے غیر کلیم کردہ یا عدم ادائیگی تصور کیا جائے گا اور اس کی ادائیگی کمپنیز ایکٹ ۲۰۱۷ء کے تحت طریقہ کار پر عملدرآمد کے بعد وفاقی حکومت کے تحت کی جائے گی۔

کمپنی کے تمام محترم ممبران جو کسی بھی وجہ سے اپنے ڈیٹنڈ/شیئرز کا کلیم نہیں کر سکے ہیں ان سے درخواست ہے کہ وہ کمپنی کے شیئر رجسٹرار سے رابطہ کریں اور اپنے غیر کلیم کردہ ڈیٹنڈ یا ان کے نام پر واجب الادا شیئرز کے کلیم داخل کریں۔

کمپنیز ایکٹ ۲۰۱۷ء کے سیکشن ۲۳۲ کے جواب میں تمام ترقیاتی طریقہ کار کو مکمل کرنے کے بعد ایسے تمام واجب الادا ڈیٹنڈ جو کہ گزشتہ تین سال یا اس سے زائد عرصہ تک وصول نہ کئے ہوں ایسی تمام رقم ڈیٹنڈ کے عدم کلیم کی صورت میں وفاقی حکومت کو جمع کرادے گی اور شیئرز کی صورت میں ایس ای سی پی کے حوالے کر دیا جائے گا۔

۹۔ فزیکل شیئرز کی بک انٹری فارم میں تبدیلی:

کمپنیز ایکٹ ۲۰۱۷ء کے سیکشن ۷۲ کے تحت ہر موجودہ کمپنی کو اپنے فزیکل شیئرز کو بک انٹری فارم کے ساتھ اس طریقے سے جس کی وضاحت کی گئی ہو اور کمیشن کی طرف سے مطلع کردہ تاریخ سے کمپنیز ایکٹ ۲۰۱۷ء کے آغاز سے چار سال کی مدت کے اندر تبدیل کرنا ہوگا۔

فزیکل شیئرز کے حامل شیئر ہولڈرز کی حوصلہ افزائی کی جاتی ہے کہ وہ اپنے فزیکل شیئرز کو بک انٹری فارم میں تبدیل کر کے سینٹرل ڈیپازٹری کمپنی پاکستان لمیٹڈ میں شیئرز جمع کروا کر براہ راست سی ڈی سی کے ساتھ کسی بھی بروکر یا سرمایہ کار کا اکاؤنٹس کے ساتھ سی ڈی سی سب اکاؤنٹ کھولیں۔

۱۰۔ نقد ڈیویڈنڈ پر انکم ٹیکس ود ہولڈنگ کے لیے ”فائلر“ اسٹیٹس کی تصدیق:

نقد ڈیویڈنڈ کے لیے، انکم ٹیکس آرڈیننس ۲۰۰۱ء کے سیکشن ۱۵۰ کے تحت، انکم ٹیکس کی کٹوتی کی شرح حسب ذیل ہیں:

۱۵ فیصد	(اے) انکم ٹیکس ریٹرن فائلر کیلئے ٹیکس کٹوتی کی شرح
۳۰ فیصد	(بی) انکم ٹیکس ریٹرنز کے نان فائلر کیلئے ٹیکس کٹوتی کی شرح

جو انٹ اکاؤنٹ کی صورت میں، ہر شیئر ہولڈر کو فردی طور پر یا تو فائلر یا نان فائلر سمجھا جائے گا اور ہر مشترکہ ہولڈر کے شیئرز ہولڈنگ کی بنیاد پر ٹیکس کی کٹوتی کی جائے گی جیسا کہ شیئر ہولڈر کمپنی/شیئر رجسٹرار کو تحریری طور پر مطلع کرے گا۔ اگر کوئی اطلاع موصول نہیں ہوتی ہے تو، ہر جو انٹ ہولڈر کے پاس شیئر کی مساوی تعداد تصور کی جائے گی۔

فیڈرل بورڈ آف ریونیو (ایف بی آر) کی طرف سے وقتاً فوقتاً جاری کردہ ایکٹیو ٹیکس دہندگان کی فہرست (اے ٹی ایل) کے مطابق سی این آئی سی نمبر/این ٹی این کی تفصیل اب لازمی ہے اور ٹیکس کی حیثیت کو جانچنے کے لیے ضروری ہے۔

۱۱۔ انکم ٹیکس/زکوٰۃ کی کٹوتی سے استثنیٰ:

جو ممبران انکم ٹیکس کی کٹوتی سے استثنیٰ کے خواہش مند ہیں یا کم شرح پر کٹوتی کے اہل ہیں ان سے درخواست کی جاتی ہے کہ وہ اس مقصد کے لیے ایک درست ٹیکس ود ہولڈنگ اسٹینڈنگ اسٹیشن کا اسٹیٹس یا ضروری دستاویزی ثبوت جمع کرائیں۔ زکوٰۃ کی کٹوتی نہ کرانے کے خواہشمند ممبران سے بھی درخواست ہے کہ وہ زکوٰۃ کی کٹوتی نہ کرنے کے لیے ایک درست ڈکلیئریشن جمع کرائیں۔ سی ڈی سی اکاؤنٹ ہولڈرز سے درخواست ہے کہ وہ زکوٰۃ کی کٹوتی نہ کرانے کیلئے اپنی ڈکلیئریشن متعلقہ ممبر اسٹاک ایکسچینج یا سی ڈی سی کو جمع کرائیں اگر وہ سی ڈی سی سرمایہ کار اکاؤنٹ کو برقرار رکھتے ہیں۔

The External Environment

Our company thrives within a dynamic and fiercely competitive landscape, where innovation, constant change, and the allocation of resources vary significantly among players in each business segment.

The landscape of the advertising industry is constantly evolving, presenting greater challenges as advertisers seek ever more innovative means to enhance their return on investment. Under current environment of financial pinch, the majority of multinational companies have diligently streamlined their advertising budgets. However, our network is uniquely poised to not only navigate this intensifying competitive arena

Risk Management

Our company boasts a reliable Risk Management framework designed not only to identify and assess potential risks but also to recognize advancement opportunities. This comprehensive system is meticulously crafted to enhance transparency, safeguard our business objectives, and fortify our competitive edge.

In the ever-evolving landscape of our industry, we recognize the significance of addressing not only internal but also external and regulatory risks. Our risk framework plays a pivotal role in quantifying our exposure and potential impact at a company-wide level. This approach ensures that we are well-prepared to navigate the challenges and capitalize on the opportunities that come our way.

Industry Risk

Entertainment industry is highly competitive with ever changing audience demands and trends creating an environment of stiff competition with domestic as well as international players all competing for the audience time.

With increasing availability of affordable internet plans, smart phones and laptops, digital media sector has ballooned to new heights piquing the interest of many new entrants in the industry along with ever increasing migration of media sponsors to digital media from television. In response to rapid growth in digital sphere, the Company has developed a digital media strategy to make most of this opportunity.

External Risk

The advertisement revenues of the media industry are inextricably linked to the economic growth of the country. Poor macro-economic environment can adversely impact the advertising revenues of the Company, which is the largest component of our revenues.

Higher inflation rates coupled with record high monetary rates have severely increased the cost of doing business. Further our country has a regular running Current Account Deficit (CAD) which heavily impacts PAK-USD currency disparity and fluctuation. Any further disturbance in any of these factors will have a massive impact on our declining economy, thus affecting our revenues and expenses.

Regulatory Risk

Any changes in law and regulations could have a material impact on the revenues and cost of doing business for the Company.

Cash Flow and Liquidity

The Company is constantly monitoring the cash flows to ensure overall liquidity. The Company was able to manage its operating cash flows by ensuring tight credit controls and reduced indirect costs over the course of the year. The Company also managed to reap interest and foreign exchange rates gains taking advantage of hedging opportunities.

ESG Stanards and Corporate Social Responsibility

The board is committed to our Corporate Social Responsibilities (CSR) and integration of sound ESG practices in Company's day-to-day business activities.

We believe that sustainable business practices are essential for creating long-term value for our stakeholders. Our environmental efforts focus on optimizing resource usage and managing waste responsibly. Socially, we prioritize employee welfare, diversity, and community engagements. Our governance framework is designed to ensure transparency, accountability, and ethical business conduct.

As part of our Corporate Social Responsibility (CSR) efforts, HUM Network has committed a generous portion of each year's annual net profits for the education of underprivileged children. The donations made are being utilized to support various schools in Karachi, adopted by Momina & Duraid Foundations to provide quality education to underprivileged children.

This is a long-term project, with renovations and academic improvements being implemented in phases. During the first phase of this project, the government schools under DMC Central have been adopted through a public-private partnership initiative. These schools, previously in a state of severe disrepair due to a lack of funding and attention, were missing essential facilities such as toilets, had damaged sewer systems, leaking roofs, no drainage, peeling paint, inadequate furniture, and outdated teaching methods.

Comprehensive renovations have been initiated to address these issues including upgrading the infrastructure, providing basic facilities, and introducing a modern academic system. To ensure quality education, qualified private teachers have been employed along with offering training in modern teaching methods to existing staff, bringing them to same competitive level as private schools.

So far, we have successfully renovated three schools, with the new academic system fully operational. Several more schools are slated for completion by the start of the next academic session, with work already underway.

As a part of our annual CSR activity, HNL collaborated with Fatimid Foundation and conducted a blood donation drive. It proved to be a great success and HUM family members participated actively in the event.

Gender Diversity and Equality

HUM Network Limited is committed to fostering a culture of gender diversity and equality. We believe that a diverse workforce is essential for driving innovation, creativity, and overall success. By providing equal opportunities and creating an inclusive environment, we aim to empower all employees and position our company for long-term growth in today's competitive global marketplace. The current board, which includes three female members, exemplifies our company's commitment to gender diversity and inclusivity.

Employee Training & Development

As part of our annual appraisal exercise, each employee is assessed and counseled on individual basis. Training sessions are arranged on the basis of needs identified which creates growth opportunities for employees and provide us with highly motivated and trained resource.

Corporate Briefing Session

HUM Network Limited successfully held its Corporate Briefing Session (CBS) for the fiscal year 2022-2023 on October 19, 2023. The session aimed to provide stakeholders with detailed insights into our company's performance and strategic direction. The Company's CEO together with CFO led the presentation, offering deeper insight to our financial results, key accomplishments, and future objectives. This event provided an important platform for two-way dialogue fostering strong investor relations.

Future Prospects & Challenges

Despite a challenging economic landscape characterized by subdued activity, tight policies, and persistent inflation, Pakistan is showing signs of stabilization and gradual recovery. While the country faces ongoing risks, including debt payments and potential currency volatility, the government's efforts to secure IMF support and ease economic restrictions are positive indicators for future growth.

In response to current market conditions, our company has implemented a comprehensive strategy to enhance financial stability and growth. This includes diversifying revenue streams, optimizing operational costs, and aggressively pursuing new sales opportunities. The successful acquisition of Ten sports has significantly expanded our market reach and contributed to our overall performance.

Ten Sports being a leading sports broadcasting channel, continues to capitalize on key business opportunities by securing major broadcasting and media rights. These include a 2-year coverage contract for ICC events and Champions Trophy 2025, a 2.5-year media rights deal with the Pakistan Cricket Board (PCB) for bi-lateral home series, a 7-year agreement for cricket Australia's television media rights, and a 3 years television media rights deal with Cricket Ireland. These will create significant impact on the bottom-line figures of the network. Further, the entity is keen on expanding its reach to other sports related prospects.

Our entertainment industry is undergoing a profound transformation driven by digital media and OTT streaming. We believe that embracing these emerging technologies is essential for future success. Our strategic focus on leveraging the potential of digital platforms aligns with the evolving demands of audiences and industry trends.

HUM Network's legacy as a leading entertainment provider is built on a foundation of excellence and innovation. We remain committed to delivering exceptional content that exceeds the expectations of our viewers and stakeholders. Our strong brand portfolio and continuous development of new content positions us for sustainable growth and increased profitability in the years to come.

ہم نیٹ ورک لمیٹڈ نے پاکستان کی تیزی سے ترقی کرنے والی کمپنیوں میں اپنی ممتاز حیثیت کو برقرار رکھا ہے۔ گزشتہ سال کے مقابلے میں آمدنی میں ۲۲ فیصد کی بجائے خالص منافع میں ۲۱.۵ فیصد اضافے کے ساتھ، ہم اپنی طویل مدتی حکمت عملی اور معیاری کارکردگی کے نتیجے میں نمایاں کامیابیاں حاصل کر رہے ہیں۔ یہ ترقی ہمارے نظریہ اور مسلسل محنت کا ثبوت ہے، جس سے کمپنی کی سادگی اور مالیاتی اہداف میں مزید استحکام آیا ہے۔

ہماری سرمایہ کاری کی حکمت عملی نے تمام کاروباری شعبوں میں، خاص طور پر ڈیجیٹل میڈیا اور اسپورٹس انٹرنیٹ کے شعبے میں، ہماری بنیاد کو مضبوط کیا ہے اور اس کو وسیع کو فروغ دیا ہے۔ ہم ترقی کی اس تیز رفتار راہ پر مستقل گامزن ہیں، جہاں ہم جدید مواقع سے بھرپور فائدہ اٹھاتے ہوئے اور مارکیٹ کی حرکیات کو مد نظر رکھتے ہوئے ایک دوراندیش حکمت عملی اپناتے ہیں، تاکہ موجودہ اور مستقبل کے مواقع سے مکمل فائدہ اٹھایا جاسکے۔

اہم سرگرمیاں:

پاکستان کے میڈیا منظر نامے میں ایک پیشرو کے طور پر، ایچ این ایل گزشتہ دو دہائیوں سے اپنے متنوع اور دلچسپ مواد کے ذریعے ناظرین کو مسحور کر رہا ہے۔ ہمارا پرچم بردار برانڈ، ہم ٹی وی معیاری تفریح کا مترادف بن چکا ہے اور اپنے وسیع نیٹ ورک، پلیٹ فارمز، اور عالمی رسائی کے ذریعے لاکھوں زندگیوں پر اثر انداز ہو رہا ہے۔ فلموں اور خبروں سے لے کر ڈیجیٹل میڈیا، اسپورٹس کورٹج، اور لائیو اینٹس تک، ہم ایک وسیع دنیا کی تفریحی تجربات پیش کر رہے ہیں۔

ہمارا براڈ کاسٹنگ پورٹ فولیو ہمارے بین الاقوامی چینلز کے علاوہ ہم ٹی وی، ہم نیوز، ہم ستارے، ہم مصالحت سمیت سیٹلائٹ چینلز کی ایک صف کا حامل ہے، ہر ایک عالمی سطح پر ہمارے سامعین کے لیے اپنا دلکش کونٹینٹ پیش کرتا ہے۔ ان شاندار سیٹلائٹ چینلز کے علاوہ، ایچ این ایل اپنے مختلف کاروباری شعبوں کو خاص اہمیت دیتا ہے، جن میں فلمیں، ڈیجیٹل میڈیا، اور پرنٹ میڈیا شامل ہیں۔ اس نقطہ نظر

کا مقصد پیش کشوں کی ایک سنسنی خیز اور ہمیشہ تیار ہوتی ہوئی صف پیدا کرنا ہے۔

عملی کارکردگی:

موجودہ سال میں، نیٹ ورک نے نئے کاروباری منصوبوں میں داخل ہو کر، ابھرتے ہوئے اقتصادی منظر نامے کے لیے اپنے نقطہ نظر کو اپناتے ہوئے، اور اس کے ساتھ ساتھ آپریشنل ریونیو، پورسٹپ، اور ٹیلی ویژن ریٹنگ پوائنٹس (ٹی آر پی) میں ترقی حاصل کر کے کامیابی سے اپنی قیادت قائم کی ہے۔

ہم ٹی وی:

ہم ٹی وی پاکستان کا ایک معروف تفریحی چینل ہے، جو نہ صرف ملک میں بلکہ دنیا بھر میں جنوبی ایشیائی کمیونٹی کے درمیان بھی ایک بڑی تعداد میں ناظرین کو اپنی طرف متوجہ کرتا ہے۔ ایچ این ایل متنوع کونٹینٹ فراہم کرنے کے لیے پرعزم ہے جو ہمارے ناظرین کی مختلف دلچسپیوں کے مطابق ہو، جبکہ اپنے تازہ ترین پروگرامنگ کے ذریعے میڈیا انٹرنیٹ کی دنیا میں نئی جہتیں شامل کر رہا ہے۔

ہماری کہانیاں ناظرین کے دلوں میں گہرائی سے اثر کرتی ہیں، انہیں دلچسپ داستانوں میں محو کر دیتی ہیں جو عام لوگوں کی روزمرہ مشکلات کو اجاگر کرتی ہیں، ساتھ ہی اہم معاشرتی مسائل جیسے سیاست اور محبت کے پیچیدہ تعلقات کو بھی موضوع بناتی ہیں۔ ان موضوعات کو اجاگر کر کے، ہم ناظرین کو متوجہ اور متاثر کرتے رہتے ہیں، ایسا کونٹینٹ تخلیق کرتے ہیں جو غور و فکر کا باعث ہو اور ناظرین کے لیے قابل فہم اور قریب تر ہو۔

اس سال ہم نے ناظرین کو بہترین پاکستانی ڈرامے پیش کرنے کا سلسلہ جاری رکھا۔ سب سے نمایاں ڈراموں میں سے ”عشق مرشد“ نے ٹی آر پی چارٹس میں سب سے آگے رہتے ہوئے ہر قسط پر لاکھوں ناظرین کو متوجہ کیا اور یوٹیوب پر سیریز کے کل ناظرین کی تعداد ایک ارب سے تجاوز کر گئی۔ ”فیری ٹیلی ویژن ۲“، ”جگا“، ”راہ جنون“ اور ترک اردو ڈب شدہ ڈرامہ ”سلطان صلاح الدین ایوبی“ کے ساتھ رمضان کی خصوصی سیریز ”ویری فلمی“ کو بھی اپنی منفرد اور دلچسپ کہانیوں اور شاندار اداکاری کے باعث ناظرین نے بے حد سراہا۔

ہم نیوز:

ان حالات میں ہم نیوز نے خود کو ایک آزاد اور حقائق پر مبنی نیوز چینل کے طور پر قائم رکھا ہے۔ یہ چینل نہ صرف ہماری معاشرت کو امید فراہم کرنے کی کوشش کر رہا ہے بلکہ معروضی رپورٹنگ کے طریقوں کے ذریعے پاکستان کی نیوز انڈسٹری کو بھی نئی شکل دے رہا ہے۔

ہم، ہم نیوز کی ٹیم کو حالیہ انتخابات کی شاندار کوریج پر سراہتے ہیں، جنہوں نے قوم کو بروقت اور درست پولنگ نمبر فراہم کیے۔ ان کی شفافیت اور درستگی کے عزم نے یقینی بنایا کہ ناظرین کو انتخابی عمل کے دوران مکمل طور پر باخبر رکھا گیا۔

ہمارے تجربہ کار صحافی اپنی وسیع تجربے اور مہارت کے ساتھ اسکرین پر نظر آتے ہیں، ناظرین کو موجودہ حالات پر ایک نیاز اور ایہم مسائل کی گہری تجزیاتی رپورٹنگ فراہم کرتے ہیں۔

ہم ستارے:

یہ چینل ایک باسبرڈ چینل کے طور پر پیش کیا گیا ہے جو کہانی پر مبنی اور فارمیٹ پر مبنی تفریحی شوز دونوں پیش کرتا ہے۔ اس کے مواد میں ڈرامے، سوپ اوپیراز، فیشن لائف اسٹائل شوز، سیلبرٹی ٹاک شوز اور بین الاقوامی مواد شامل ہیں۔

ہم مصالحو:

دوران سال ہم مصالحو 71 کی ویں سالگرہ منائی جا رہی ہے، جو شیٹوں، عملے اور ناظرین کی مشترکہ کوششوں کا جشن ہے، اور اسے بے شمار گھروں میں سب سے پسندیدہ ۲۴ گھنٹے کا کونگ چینل بنانے میں مدد ملی ہے۔ گذشتہ سال چینل نے تازہ ترکیبیں، پروفیشنل شیٹ اور ہیلتھ کنسلٹنٹس کے ساتھ نئے کونگ اور معلوماتی شوز متعارف کروائے، جس سے یہ دنیا بھر میں لاکھوں ناظرین کا پسندیدہ چینل بن گیا ہے۔

سالانہ مصالحتی فیملی فیڈبک لے لیا اور کراچی میں جوش و خروش میں مزید اضافہ کیا، جس میں لائیو کوکنگ ڈیمانسٹریشنز، میوزیکل پرفارمنسز، ڈانس اور سنگ مقابلیے شامل تھے، اور مداحوں کو مشہور شیفز سے ملاقات کا موقع بھی ملا۔ اے او ایس سالگرہ کی تقریبات کو مزید یادگار بنانے کے لیے معروف شخصیات بھی باصلاحیت شیفز کے ساتھ موجود تھیں، جنہوں نے ہم مصالحت کے لیے ایک یادگار سنگ میل قائم کیا۔

ٹین اسپورٹس:

ٹین اسپورٹس ہم نیٹ ورک کے پورٹ فولیو میں تازہ ترین اضافے کے طور پر شامل ہوا ہے، جو کہ کھیلوں کے شائقین کے وسیع طبقے کے لیے مختلف قسم کے اسپورٹنگ ایونٹس پیش کرتا ہے۔

ہمارے حصول کے تحت پہلے ہی سال میں، ٹین اسپورٹس نے عالمی سطح پر سب سے اہم اسپورٹنگ ایونٹس میں سے ایک، آئی سی سی میزٹی ۲۰ ٹورنامنٹ اور ۲۰۲۵ء کی چیمپیئنز ٹرافی جو پاکستان میں منعقد ہوگی، کی نشریاتی حقوق حاصل کر کے شاندار کامیابی کا ایک نیا معیار قائم کیا ہے۔ یہ تاریخی کامیابی، ایشیا کپ ۲۰۲۳ء جیسے کئی دیگر بڑے کرکٹ ایونٹس کے نشریاتی حقوق کے ساتھ، ہمارے ناظرین کے لیے بے مثال اسپورٹس کوریج فراہم کرنے کے عزم کو اجاگر کرتی ہے۔ اس کے علاوہ، سال کے دوران ٹین اسپورٹس نے کھیلوں کی پیداوار کو بہتر بنانے اور کھیلوں کے تفریحی تجربے کو تبدیل کرنے کے سفر کی صرف شروعات ہے۔

ڈیجیٹل میڈیا ڈویژن:

ہم نیٹ ورک کے ڈیجیٹل میڈیا ڈویژن نے فیس بک، انسٹاگرام، ٹویٹر، اور یوٹیوب سمیت تمام اہم سوشل میڈیا پلیٹ فارمز پر ہماری مضبوط موجودگی کو برقرار رکھنے میں بھرپور محنت کی ہے، یہ کمپنی کی انتہائی توجہ مرکوز اور کامیاب سوشل میڈیا حکمت عملی کا ثبوت ہے۔

اپنی ڈیجیٹل رسائی کو بیٹا خطے میں مزید بڑھانے کے لیے، ہم نے عربی بولنے والے ناظرین کے لیے ہم عربیہ پر مقبول اردو ڈرامہ ’پری زاد‘ کی عربی ڈبلنگ دوبارہ پیش کی ہے۔ یہ اقدام ثقافتی خلا کو پُر کرنے اور خطے میں ناظرین کے ساتھ اپنے تعلق کو مضبوط کرنے کا مقصد رکھتا ہے۔

براہ راست فروخت (مقامی ویب مشنرین) ایک اور کاروباری راستہ رہا ہے جس میں اس سال نمایاں اضافہ ہوا ہے کیونکہ ہمارے پاس ڈیجیٹل اسپانسر شپ کے کھلمو کھلے مواقع ہیں۔

ہم فلمز:

ہم فلمز کے متحرک دائرے میں، جہاں کہانی سنانے کا فن سلور اسکرین کے وسیع کینیوس پر ابھرتا ہے، ہمارا بنیادی مقصد آپ کو داستانوں کی ایک مسحور کن دنیا میں لے جانا ہے۔

دوران سال ہم فلمز نے متعدد بلاک بسٹرز فلمیں پیش کیں، جن میں عید پر ریلیز ہونے والی ’دعا بازدل‘ شامل ہے، جو ایک غیر متوقع محبت کی کہانی ہے جس میں مزاحیہ لمحات بھی شامل ہیں، جبکہ ’نیاب‘ ایک حوصلہ افزا کہانی ہے جو خواہوں کی تکمیل کے بارے میں ہے۔

ہماری فلموں کے ذریعے، ہم ناظرین کو متاثر کرنے، تفریح فراہم کرنے اور چیلنج کرنے کا ارادہ رکھتے ہیں، انہیں ناقابل فراموش سنیما کی مہموں پر نکلنے کے لیے مدعو کرتے ہیں۔

برائیل کوچرویک (بی سی ڈبلیو):

دسمبر ۲۰۲۳ء میں، متوقعہ ۲۱ ویں برائیل کوچرویک (بی سی ڈبلیو) نے لاہور کو مشہور ڈیزائنرز کی جانب سے پیش کردہ نئی شادی کی فیشن اور رجحانات کے مظاہرے سے روشن کیا۔ سالوں کے دوران، بی سی ڈبلیو پاکستان کے سب سے باوقار فیشن ایونٹ میں تبدیل ہو چکا ہے، جو ملک کے ممتاز شادی لباس کے ڈیزائنرز کے ساتھ ساتھ فلم اور ٹیلی ویژن کی دنیا کی مشہور شخصیات کی توجہ حاصل کرتا ہے۔

ایوارڈز:

ہم ٹی وی نے کراچی میں ۲۲ ویں کس اسٹائل ایوارڈز کی میزبانی کی، جو موسیقی، فیشن، اور ٹیلی ویژن ڈراموں میں عمدگی کو منانے کے لیے منعقد کیا گیا۔

ہم وومین لیڈرز ایوارڈز:

فروری ۲۰۲۲ء میں، اسلام آباد کا نامور جناح کنونشن سینٹر ہم وومین لیڈرز ایوارڈز کے پانچویں ایڈیشن کی رونقوں سے جگمگا اٹھا۔ اس عظیم الشان تقریب میں قومی اور بین الاقوامی سطح پر غیر معمولی خواتین کی کامیابیوں کا جشن منایا گیا، جنہوں نے سفارت کاری، سماجی کام، تعلیم، صحت کی دیکھ بھال، انسانی حقوق اور صحافت میں شاندار کارکردگی کا مظاہرہ کیا۔

یہ ایک پروقا تقریب تھی جس میں کوئی اور نہیں بلکہ خود صدر مملکت ڈاکٹر عارف علوی، پاکستان کی متحرک تفریحی صنعت سے تعلق رکھنے والے قابل ذکر شخصیات اور روشن خیالوں کی موجودگی سے لطف اندوز ہوئے۔ یہ ایک ایسی شام تھی جس نے خواتین کی حوصلہ افزائی کی اور انہیں بااختیار بنایا۔

ہیومن ریسورس مینجمنٹ:

نیٹ ورک اپنے انسانی وسائل کو سب سے قیمتی اثاثہ کے طور پر دیکھتا ہے اور ایسی فضا قائم کرنے کی طرف خصوصی توجہ دیتا ہے جو ترقی، اعلیٰ کارکردگی، تنظیمی اقدار اور کاروباری اخلاقیات پر عمل پیرا ہو۔

بنیادی اقدار:

ہم نیٹ ورک لمیٹڈ اپنے ملازمین کو معاشی اور اقتصادی خدمات فراہم کرنے کیلئے مسلسل کوشاں ہے کیونکہ اس سے انہیں صحت مند اور پیشہ ورانہ طریقہ سے مکمل ہم آہنگی میں کام کرنے میں مدد ملتی ہے۔

اس مقصد کیلئے ہم نیٹ ورک فیملی نے درج ذیل بنیادی اقدار قائم کئے ہیں:-

- ۱- دیانتداری و ایمانداری
- ۲- سب کی عزت کرنا
- ۳- عہد/لگن/ملکیت
- ۴- محاسبہ اور مقاصد
- ۵- ٹیم ورک
- ۶- تہذیب
- ۷- صحت/حفاظت اور حفظان صحت

ہم تمام اقدامات میں مذکورہ بالا بنیادی اقدار پر کاربند ہیں اور ہم یہ اقرار کرتے ہیں کہ یہ انصاف، معروضیت اور ٹیم ورک کے کلچر کو فروغ دینے میں مدد کرتا ہے۔

بیرونی ماحول:

ہماری کمپنی ایک متحرک اور سخت مقابلہ جاتی ماحول میں پروان چڑھ رہی ہے، جہاں ہر کاروباری شعبے میں کھلاڑیوں کے درمیان جدت، مسلسل تبدیلی، اور وسائل کی تقسیم میں نمایاں فرق پایا جاتا ہے۔

ایڈورٹائزنگ انڈسٹری کا منظر نامہ مسلسل ترقی پذیر ہے، جس میں چیلنجز بڑھتے جا رہے ہیں کیونکہ مشاہدین اپنے سرمایہ کاری کے منافع کو بڑھانے کے لیے مزید جدید طریقے تلاش کر رہے ہیں۔ موجودہ مالی دباؤ کے ماحول میں، بیشتر کثیر قومی کمپنیوں نے اپنی ایڈورٹائزنگ کے بجٹ کو سنجیدگی سے سمجھا ہے۔ تاہم، ہمارا نیٹ ورک اس قابل ہے کہ نہ صرف اس بڑھتے ہوئے مقابلے کے میدان میں کامیابی حاصل کرے بلکہ اپنے مارکیٹ شیئر کو بھی برقرار رکھ سکے، جو ہماری حکمت عملی کی مہارت اور موافق ہونے کی صلاحیت کا ثبوت ہے۔

خطرات کی انتظامیہ:

ہماری کمپنی اپنے قابل اعتماد رسک مینجمنٹ فریم ورک پر فخر کرتی ہے، جو نہ صرف ممکنہ خطرات کی شناخت اور ان کا جائزہ لینے کے لیے ڈیزائن کیا گیا ہے بلکہ ترقی کے مواقع کی نشاندہی کرنے کے لیے بھی بنایا گیا ہے۔ یہ جامع نظام شفافیت کو بہتر بنانے، ہمارے کاروباری اہداف کی حفاظت، اور ہمارے مسابقتی فائدہ کو مضبوط بنانے کے لیے احتیاط سے ڈیزائن کیا گیا ہے۔

ہماری انڈسٹری کے مسلسل بدلتے ہوئے منظر نامے میں، ہم نہ صرف اندرونی بلکہ بیرونی اور ریگولیٹری خطرات سے نمٹنے کی اہمیت کو تسلیم کرتے ہیں۔ ہمارا رسک فریم ورک ہماری کمپنی کی وسیع نمائش اور ممکنہ اثرات کو درست کرنے میں اہم کردار ادا کرتا ہے۔ یہ نقطہ نظر اس بات کو یقینی بناتا ہے کہ ہم چیلنجوں کو نیوگیٹ کرنے اور ہمارے راستے میں آنے والے مواقع سے فائدہ اٹھانے کے لیے اچھی طرح سے تیار ہیں۔

- انڈسٹری کا خطرہ:

انٹرنیشنل انڈسٹری سامعین کے بدلتے ہوئے مطالبات اور رجحانات کے ساتھ انتہائی مسابقتی ہے جس سے ملکی اور بین الاقوامی حریفوں کے ساتھ سخت مقابلے کا ماحول پیدا ہوتا ہے جو سامعین کے وقت کے لیے مقابلہ کرتے ہیں۔

سے انٹرنیٹ پلانز، سارٹ فونز اور لیپ ٹاپس کی بڑھتی ہوئی دستیابی کے ساتھ، ٹیلی ویژن سے ڈیجیٹل میڈیا کی طرف میڈیا اسپانسرز کی بڑھتی ہوئی منتقلی کے ساتھ ساتھ ڈیجیٹل میڈیا میٹر سے انڈسٹری میں بہت سے نئے آنے والوں کی دلچسپی کوئی بلند یوں تک پہنچا دیا ہے۔ ڈیجیٹل میدان میں تیز رفتار ترقی کے جواب میں، کمپنی نے اس موقع سے زیادہ سے زیادہ فائدہ اٹھانے کے لیے ایک ڈیجیٹل میڈیا حکمت عملی تیار کی ہے۔

- بیرونی خطرہ:

میڈیا انڈسٹری کی اشتہاری آمدنی ملک کی اقتصادی ترقی سے جڑی ہوئی ہے۔ خراب میکرو اکنامک ماحول کمپنی کی اشتہاری آمدنی پر منفی اثر ڈال سکتا ہے، جو کہ ہماری آمدنی کا سب سے بڑا حصہ ہے۔

ہمارے ملک کا موجودہ کرنٹ اکاؤنٹ خسارہ (سی اے ڈی) ہے جو پاکستانی اور امریکی کرنسی کے تفاوت اور اتار چڑھاؤ کو بہت زیادہ متاثر کرتا ہے۔ پاکستانی اور امریکی کرنسیوں میں کسی بھی انتہائی اتار چڑھاؤ کا ہماری معیشت پر بہت زیادہ اثر پڑ سکتا ہے، اس طرح ہماری کمپنی کی آمدنی اور اخراجات متاثر ہوتے ہیں۔

- ریگولیٹری کا خطرہ:

قانون اور ضوابط میں کوئی بھی تبدیلی کمپنی کے لیے آمدنی اور کاروبار کرنے کی لاگت پر مادی اثر ڈال سکتی ہے۔

کیش فلواؤ ریگولیشن:

کمپنی مجموعی لیکویڈیٹی کو یقینی بنانے کے لیے کیش فلواؤ کی مسلسل نگرانی کر رہی ہے۔ کمپنی سخت کریڈٹ کنٹرول کو یقینی بنا کر اور دوران سال بالواسطہ طور پر اخراجات کو کم کر کے اپنے آپریٹنگ کیش فلواؤ کو منظم کرنے میں کامیاب رہی۔ کمپنی نے کسی بھی ممکنہ بچت یا معاشی استحکام کے طریقہ کار کے مواقع سے فائدہ اٹھانے کے لیے انٹریسٹ اور زرمبادلہ کے ریٹس کی نگرانی جاری رکھی۔

ای ایس جی معیارات اور سماجی ذمہ داری:

بورڈ ہماری کمپنی کی سماجی ذمہ داریوں (سی ایس آر) اور روزمرہ کاروباری سرگرمیوں میں مستحکم ای ایس جی (ماحولیاتی، سماجی، اور حکومتی) طریقوں کے انضمام کے لیے پرعزم ہے۔

ہمیں یقین ہے کہ پائیدار کاروباری طریقے ہمارے اسٹیک ہولڈرز کے لیے طویل مدتی قیمت پیدا کرنے کے لیے ضروری ہیں۔ ہمارے ماحولیاتی اقدامات کا مقصد وسائل کے استعمال کو بہتر بنانا اور ذمہ داری سے فضلے کا انتظام کرنا ہے۔ سماجی طور پر، ہم ملازمین کی فلاح و بہبود، تنوع، اور کمیونٹی کے ساتھ تعلقات کو ترجیح دیتے ہیں۔ ہماری حکمرانی کا اسٹریٹجک شفافیت، جوابدہی، اور اخلاقی کاروباری عمل کو یقینی بنانے کے لیے تیار کیا گیا ہے۔

ہماری سماجی ذمہ داری (سی ایس آر) کے اقدامات کے تحت، ہم نیٹ ورک نے ہر سال کے خالص منافع کا ایک بڑا حصہ معذور بچوں کی تعلیم کے لیے مختص کرنے کا عزم کیا ہے۔ دی گئیں عطیات کو کراچی کے مختلف اسکولوں کی مدد کیلئے استعمال کیا جا رہا ہے جنہیں مومنہ اور درید فاؤنڈیشن نے پسماندہ بچوں کو معیاری تعلیم فراہم کرنے کیلئے اپنایا ہے۔

یہ ایک طویل مدتی منصوبہ ہے، جس میں تجدیدات اور تعلیمی بہتریوں کو مختلف مراحل میں نافذ کیا جا رہا ہے۔ اس منصوبے کے پہلے مرحلے میں، ڈی ایم سی سینٹرل کے تحت آنے والے سرکاری اسکولوں کو عوامی، نجی شراکت داری کی پہل کے ذریعے اپنایا گیا ہے۔ یہ اسکول پہلے شدید خراب حالت میں تھے، جنہیں فنڈنگ اور توجہ کی کمی کی وجہ سے بنیادی سہولیات، جیسے کہ ٹوائلٹس، ناکارہ سیوریج سسٹمز، چھتوں میں دراڑیں، نکاسی کا نظام، رنگ کی چٹائی، نامناسب فرنیچر، اور پرانے تدریسی طریقے غائب تھے۔

ان مسائل کے حل کے لیے جامع تجدیدات کا آغاز کیا گیا ہے، جس میں بنیادی اسٹرکچر کو اپ گریڈ کرنا، بنیادی سہولیات فراہم کرنا، اور ایک جدید تعلیمی نظام متعارف کروانا شامل ہے۔ معیاری تعلیم کو یقینی بنانے کے لیے، اہل نجی اساتذہ کی خدمات حاصل کی گئی ہیں اور موجودہ عملے کو جدید تدریسی طریقوں کی تربیت فراہم کی گئی ہے، تاکہ انہیں نجی اسکولوں کے برابر مسابقتی سطح پر لایا جاسکے۔

اب تک، ہم نے تین اسکولوں کی کامیابی کے ساتھ تجدید کی ہے، جہاں نیا تعلیمی نظام مکمل طور پر فعال ہے۔ مزید کئی اسکولوں کی تکمیل کا منصوبہ ہے، جن پر کام جاری ہے اور یہ اگلے تعلیمی سیشن کے آغاز تک مکمل ہو جائیں گے۔

ہماری سالانہ سی ایس آر سرگرمی کے تحت، ایچ این ایل نے فاطمی فاؤنڈیشن کے ساتھ مل کر ایک خون کے عطیہ کی مہم کا انعقاد کیا۔ یہ مہم بڑی کامیاب ثابت ہوئی، اور ہم خاندان کے افراد نے اس ایونٹ میں فعال طور پر شرکت کی۔

جنسی تنوع اور مساوات:

ہم نیٹ ورک لمیٹڈ جنسی تنوع اور مساوات کے کلچر کو فروغ دینے کے لیے پرعزم ہے۔ ہمیں یقین ہے کہ متنوع ورک فورس جدت، تخلیقی صلاحیت، اور مجموعی کامیابی کے لیے ضروری ہے۔ ہم مساوی مواقع فراہم کر کے اور ایک جامع ماحول تخلیق کر کے، تمام ملازمین کو بااختیار بنانا چاہتے ہیں اور اپنی کمپنی کو آج کے مسابقتی عالمی مارکیٹ میں طویل مدتی ترقی کے لیے تیار کرنا چاہتے ہیں۔ موجودہ بورڈ، جس میں تین خواتین کے اراکین شامل ہیں، ہماری کمپنی کے جنسی تنوع اور شمولیت کے عزم کی عکاسی کرتا ہے۔

ملازمین کی تربیت اور ترقی:

ہماری سالانہ تشخصی مشق کے حصے کے طور پر، ہر ملازم کا انفرادی بنیادوں پر جائزہ اور مشاورت کی جاتی ہے۔ تربیتی سیشنز کا تعین ضروریات کی بنیاد پر کیا جاتا ہے جو ملازمین کے لیے ترقی کے مواقع پیدا کرتا ہے اور ہمیں انتہائی حوصلہ افزاء اور تربیت یافتہ وسائل فراہم کرتا ہے۔

کارپوریٹ بریفنگ سیشن:

ہم نیٹ ورک لمیٹڈ نے ۱۹ اکتوبر ۲۰۲۳ء کو مالی سال ۲۰۲۲-۲۰۲۳ء کے لیے کامیابی کے ساتھ اپنا کارپوریٹ بریفنگ سیشن (سی بی ایس) منعقد کیا۔ اس سیشن کا مقصد اسٹیک ہولڈرز کو ہماری کمپنی کی کارکردگی اور حکمت عملی کی سمت کے بارے میں تفصیلی معلومات فراہم کرنا تھا۔ کمپنی کے سی ای او اور سی ایف او نے پیشکش کی قیادت کی، جس میں ہمارے مالی نتائج، اہم کامیابیاں، اور مستقبل کے مقاصد پر گہری بصیرت فراہم کی گئی۔ یہ ایونٹ دو طرفہ مکالمے کے لیے ایک اہم پلیٹ فارم فراہم کرتا ہے، جس سے مضبوط سرمایہ کار تعلقات کو فروغ ملتا ہے۔

دوران سال بورڈ کا اسٹیٹس:

بورڈ کی میعاد ۲۲ اگست ۲۰۲۰ء کو ختم ہوئی اور نئے انتخابات اگست ۲۰۲۰ء میں ہونے تھے۔ چونکہ اہل امیدواروں کی تعداد انتخابات کے لیے مقرر کردہ ڈائریکٹرز کی تعداد کے برابر تھی، لہذا کمپنی نے کمپنیز ایکٹ ۲۰۱۷ء کے سیکشن (۳) ۱۵۹ کے تحت مورخہ ۱۳ اگست ۲۰۲۰ء کو نئے انتخابات کرانے کا اعلان کیا۔ نااہل امیدواروں کی جانب سے ڈائریکٹرز کے مذکورہ انتخاب پر سوال اٹھایا گیا۔ چنانچہ منتخب ڈائریکٹرز نے بھی مقدمہ دائر کیا۔ معزز سندھ ہائیکورٹ نے آرڈر مورخہ ۲۱/۸/۲۰۲۰ء کے ذریعے کمپنی کو ہدایت کی کہ مقدمہ نمبر ۲۰۲۰/۹۶۸ میں سنگل جج کے سی ایم اے نمبر ۲۰۲۰/۶۷۸ کے حتمی فیصلے کے تحت ۲۲ اگست ۲۰۲۰ء کو ہونے والے انتخابات ملتوی اور شیڈول کیے جائیں۔ عدالت کے حتمی فیصلے کا انتظار ہے۔

تاہم، ایس ای سی پی کی جانب سے وضاحت کے بعد اور مذکورہ وضاحت کو محترم ہائی کورٹ آف سندھ کے پاس ریکارڈ پر رکھنے کے بعد، کمپنی نے اپنے قانونی فرانسز انجام دینے کے لیے گذشتہ بورڈ کے ساتھ کام جاری رکھا، یہاں تک کہ معزز عدالت کا حتمی فیصلہ آجائے اور ان کے جانشینوں کی تقرری ہو جائے۔

مستقبل کی حکمت عملی اور چینج:

ایک مشکل اقتصادی منظر نامے کے باوجود، جس میں کمزور سرگرمی، سخت پالیسیاں، اور مسلسل مہنگائی شامل ہیں، پاکستان استحکام اور بتدریج بحالی کے آثار دکھا رہا ہے۔ اگرچہ ملک ابھی بھی جاری خطرات، بشمول قرضوں کی ادائیگی اور کمزور کرنسی کی اتار چڑھاؤ کا سامنا کر رہا ہے، لیکن حکومت کی آئی ایم ایف کی حمایت حاصل کرنے اور اقتصادی پابندیوں کو نرم کرنے کی کوششیں مستقبل کی ترقی کے لیے مثبت اشارے ہیں۔

موجودہ مارکیٹ کے حالات کے جواب میں، ہماری کمپنی نے مالی استحکام اور ترقی کو بڑھانے کے لیے ایک جامع حکمت عملی پر عمل درآمد کیا ہے۔ اس میں آمدنی کے ذرائع کو متنوع بنانا، عملیاتی اخراجات کو بہتر بنانا، اور نئے فروخت کے مواقع کا پُر جوش تعاقب کرنا شامل ہے۔ ٹین اسپورٹس کا کامیاب حصول ہمارے مارکیٹ کی رسائی کو نمایاں طور پر بڑھانے اور ہماری مجموعی کارکردگی میں اضافہ کرنے میں مددگار ثابت ہوا ہے۔

ٹین اسپورٹس، جو ایک نمایاں کھیلوں کا اشتراکی چینل ہے، اہم کاروباری مواقع سے فائدہ اٹھانے کے لیے بڑے نشریاتی اور میڈیا حقوق حاصل کرنے پر کام کر رہا ہے۔ ان میں آئی سی سی ایوٹس اور چین پینز ٹرافی ۲۰۲۵ء کے لیے ۲ سالہ فروخت معاہدہ، پاکستان کرکٹ بورڈ (پی سی بی) کے ساتھ دو طرفہ گھریلو سیریز کے لیے ڈھائی سالہ میڈیا حقوق کا معاہدہ، کرکٹ آسٹریلیا کے ٹیلی ویژن میڈیا حقوق کے لیے ۷ سالہ معاہدہ، اور کرکٹ آئر لینڈ کے ساتھ ۳ سالہ ٹیلی ویژن میڈیا حقوق کا معاہدہ شامل ہیں۔ یہ نیٹ ورک کے تخلیقی سطح کے اعداد و شمار پر اہم اثر ڈالیں گے۔ مزید برآں، یہ ادارہ دیگر کھیلوں سے متعلق مواقع میں اپنی رسائی کو بڑھانے کے لیے پُر عزم ہے۔

ہماری انٹرنیشنل انڈسٹری ایک گہرے تحول سے گزر رہی ہے جو ڈیجیٹل میڈیا اور اوٹ ٹی اسٹریمنگ کی بدولت ہے۔ ہمیں یقین ہے کہ ان ابھرتی ہوئی ٹیکنالوجیز کو اپنانا مستقبل کی کامیابی کے لیے ضروری ہے۔ ہماری حکمت عملی کے نقطہ نظر کے تحت، ڈیجیٹل پلیٹ فارمز کی صلاحیت سے بھرپور استفادہ کرنا ناظرین کی ترقی پذیر ضروریات اور انڈسٹری کے رجحانات کے ساتھ ہم آہنگ ہے۔

پاکستان میں ڈیجیٹل میڈیا کی اہم ترقی کو مد نظر رکھتے ہوئے، ہم ٹی وی نے عربی بولنے والی مارکیٹ میں اپنی رسائی کو حکمت عملی کے طور پر بڑھایا ہے۔ حال ہی میں ”ہم عربیہ“، پاکستان کے پہلے عربی ڈب شدہ یوٹیوب چینل کا آغاز ہماری عالمی ناظرین کے ساتھ رابطہ قائم کرنے اور دلچسپ مواد کے ذریعے ثقافتی تبادلے کو فروغ دینے کے عزم کی عکاسی کرتا ہے۔

ہم نیٹ ورک کا ورثہ ایک ممتاز تفریحی فراہم کنندہ کے طور پر عہدگی اور جدت کی بنیاد پر قائم ہے۔ ہم اپنے ناظرین اور اسٹیک ہولڈرز کی توقعات سے بڑھ کر بہترین کونٹینٹ فراہم کرنے کے لیے پُر عزم ہیں۔ ہمارے مضبوط براؤنڈ پورٹ فولیو اور نئے کونٹینٹ کی مسلسل ترقی ہمیں آنے والے سالوں میں پائیدار ترقی اور بڑھتی ہوئی منافع کے لیے تیار کرتا ہے۔

Code of ethics & business practices

1. Introduction

- 1.1 The provisions of this Code as set forth are mandatory, and full compliance is expected under all circumstances. The Code affirms the Company's commitment to uphold high moral and ethical standards and specifies the basic norms of behavior for those who are involved in representing the Company i.e. every director or every employee or other person(s) associated or working with the Company (hereinafter collectively referred to as "Members or We or Us or Our").
- 1.2 Failure to comply with the Code can result in consequences for both the individual and the Company. The Company can impose appropriate discipline which may include discharge for violations of the Code. Furthermore, conduct that violates the Code may also violate federal or provincial law and could subject both the Company and the individual to prosecutions and legal sanctions.
- 1.3 All members are responsible for complying with the Code. Any director or employee who becomes aware of a violation or possible violation of the Code must report that information immediately to his/her superior or a senior officer of the Company or the audit committee of the Board of Directors. It is a violation of the Code to discriminate or retaliate against any person for reporting such information.

2. Build Trust and Credibility

- 2.1 The success of our business is dependent on the trust and confidence we earn from our employees, directors and shareholders. We gain credibility by adhering to our commitments, displaying honesty and integrity and reaching Company goals solely through honorable conduct. It is easy to say what we must do, but the proof is in our actions. Ultimately, we will be judged on what we do.

3. Compliance with the Law

- 3.1 Company's commitment to integrity begins with complying with laws, rules and regulations where we do business. Further, each of us must have an understanding of the company policies, laws, rules and regulations that apply to our specific roles. If we are unsure of whether a contemplated action is permitted by law or Company policy or in case of any other ambiguity, we should seek the advice from the HR Department/HR & R Committee/ Company's Legal Counsel/ Audit Committee as the case may be. We are responsible for preventing violations of law and for reporting to the appropriate person(s) if we see possible violations.
- 3.2 Many of the Company's activities are subject to complex and changing laws. Ignorance of the law is not a defense. Accordingly, Members must diligently ensure that they are aware of, and that their conduct cannot be interpreted as being in contravention of laws governing the affairs of the Company.

4. Confidential and Proprietary Information

- 4.1 Integral to the Company's business success is our protection of confidential company information, as well as nonpublic information entrusted to us by employees, customers and other business partners. Confidential and proprietary information includes such things as pricing and financial data, customer names/addresses or nonpublic information about other companies, including current or potential supplier and vendors. We will not disclose confidential and nonpublic information without a valid business purpose and proper authorization.
- 4.2 Certain records, reports, papers, processes, plans and methods of the Company or to which the Company has been permitted access are considered to be secret and confidential by the Company or the party who has permitted access thereto, and employees and Directors are prohibited from revealing information concerning such matters without proper authorization.
- 4.3 Directors, individuals, clients, agencies, investors and the public should have information about the Company as is necessary for them adequately to judge the Company and its activities. The Company believes that full and complete reporting to governmental agencies and the provision of information to the public as required constitutes a responsible and workable approach to disclosure. However, the Company except as required by law, will not disclose information important to its competitive effectiveness or which might violate the private rights of individuals, enterprises or institutions. Employee and Directors are therefore prohibited from discussing or disclosing any secret or confidential information about the Company or in the possession of the Company unless such disclosure has been authorized by the Board of Directors and /or as required by the law.

- 4.4 All member shall comply with Company's policies and procedures relating to the retention and orderly destruction of the Company's documents.
- 4.5 It is important that we respect the proprietary rights of others. We will not acquire or seek to acquire improper means of a competitor's trade secrets or other proprietary or confidential information. We will not engage in unauthorized use, copying, distribution or alteration of software or other intellectual property.

5. Use of Company Resources/Property

- 5.1 The employees and directors will always maintain in good condition Company property/resources, which may be entrusted to them for official use during the course of employment and shall return all such property to the Company prior to relinquishment of her/his charge, failing which the cost of the same will be recovered by the Company.
- 5.2 Company resources, including but not limited to the materials, assets (moveable or immovable), intellectual property, equipment, electronic devices, telephones, fax machines, emails, WhatsApp, mobile/cell phones, mobile sims, computers, laptops, internet connections/devices, social media accounts, digital platforms, data and information etc. ("Company Property") are provided for company business use only and no personal use is permissible.
- 5.3 All employees and those who represent the Company are trusted to behave responsibly and use good judgment to conserve company resources and properties. Head of the departments (HOD) are responsible for the resources assigned to their departments and are empowered to resolve issues concerning their proper use.
- 5.4 No employee shall be allowed or permitted to use Company Property in the conduct of an outside business or in support of any religious, political or other outside daily activity, except for company-requested support to nonprofit organizations. Company will not solicit contributions nor distribute non-work-related materials.
- 5.5 In order to protect the interests of the Company and/or other employees or associated person or undertakings, the Company reserves the right to monitor or review all data and information contained on an employee's company-issued computer or electronic device, the use of the Internet or Company's intranet. Company will not tolerate the use of Company Property or other resources to create, access, store, print, solicit or send any materials that are harassing, threatening, abusive, sexually explicit or otherwise offensive or inappropriate in any manner whatsoever.

6. Create a Culture of Open and Honest Communication

- 6.1 At the Company everyone should feel comfortable to speak his or her mind, particularly with respect to ethics concerns. Head of departments have a responsibility to create an open and supportive environment where employees feel comfortable raising such questions. We all benefit tremendously when employees exercise their power to prevent mistakes or wrongdoing by asking the right questions at the right times.
- 6.2 Employees are encouraged, in the first instance, to address such issues with their managers/superior, as most problems can be resolved swiftly at this stage. If for any reason that is not possible or if an employee is not comfortable raising the issue with his or her manager/HOD, HR does operate with an open-door policy.

7. Gifts and Entertainment

- 7.1 Members shall not on behalf of the Company, furnish directly or indirectly, expensive gifts or provide excessive entertainment or benefits to other persons.
- 7.2 Members whose duties permit them to do so, may furnish modest gifts, favors and entertainment to persons other than public officials, provided all of the following criteria are met:
 - (a) The gifts are not in form of cash, bonds or other negotiable securities and are of limited value so as not to be capable of being interpreted as a bribe, payoff or other improper payment;
 - (b) they are made as a matter of general and accepted business practice and does not constitute unfair business inducements that would violate law, regulation or policies of the Company;
 - (c) they do not contravene any laws and are made in accordance with generally accepted ethical practices; and
 - (d) if subsequently disclosed to the public, their provision would not in any way embarrass the Company or the recipients or reflect negatively on Company's reputation

For example, reasonable expenses of the entertainment of current or prospective business associates or customers are permissible by employees whose duties embrace the providing of such entertainment, provided prior approval from the CEO are obtained and proper accounting is made.

- 7.3 Members who award contracts or who can influence the allocation of business, who create specifications that result in the placement of business or who participate in negotiation of contracts must be particularly careful to avoid actions that create the appearance of favoritism or that may adversely affect the Company's reputation for impartiality and fair dealing. The prudent course is to refuse a courtesy from a vendor when Company is involved in choosing or reconfirming a supplier or under circumstances that would create an impression that offering courtesies is the way to obtain Company business.

8. Public Officials

- 8.1 All dealings between employees or directors of the Company and public officials should be transparent.
- 8.2 Even the appearance of impropriety in dealing with public officials is improper and unacceptable. Any participation directly or indirectly, in any bribes, kickbacks, illegal gratuities indirect contributions or similar payments is expressly forbidden, whether or not they might further the business interest of the Company. Maintenance of a high standard of integrity is of the utmost importance to the Company.
- 8.3 Since the furnishing, on behalf of the Company, of even an inexpensive gift or a modest entertainment or benefit to a public official may be open to the interpretation that it was furnished illegally to secure the use of his/her influence as public official, no such gift, entertainment or benefit may be furnished by an employee or director.

9. Political Contributions

- 9.1 The use of the Company's funds, goods or services as contributions to political parties, candidates or campaigns is specifically forbidden.

However, employees and directors may accept modest gifts, favors or entertainment up to the maximum limits prescribed by the Board of Directors of the Company from time to time provided that doing so is consistent with the tests relating to the furnishing of gifts set forth in section-7.

11. Conflicts of Interest

- 11.1 Members should avoid situations in which their personal interest's conflict or might conflict with their responsibilities towards the Company. All such conflicts must be fully disclosed to the employee's superior or in the case of directors, to the audit committee of the Board of directors.
- 11.2 Members should seek to avoid acquiring any interest or participation in any activities that would tend to:
- Deprive the Company of the time or attention required to perform their duties properly; or
 - Create an obligation or distraction which would affect their judgment or ability to act solely in the Company's best interest.
- 11.3 All members are required to disclose in writing to their supervisors or to the Audit Committee of the Board of Directors all business, commercial or financial interests or activities where such interests or activities might reasonably be regarded as creating an actual or potential conflict with their duties to the Company. Every employee of the Company who is charged with executive, managerial or supervisory responsibility and every Director is required to see that actions taken and decision made within his/her jurisdiction are free from the influence of any interests that might reasonably be regarded as conflicting with those of the Company.

- 11.4 If personal financial benefit is improperly gained by an employee or director, directly or indirectly, or through a spouse or child or a relative sharing the same residence as the employee or director, as a result of his / her employment or position with the Company or by the use or misuse of the Company's property or of information that is confidential to the Company's business, then the employee or director must account to the Company for any benefit received. Member must do more than merely act within the law. They must act in such a manner that their conduct will bear the closest scrutiny should circumstance demand that it be examined. Not only actual conflicts of interest but the very appearance of conflict should be avoided.
- 11.5 Determining whether a conflict of interest exists is not always easy to do. Member with a conflict-of-interest question should seek advice from management. Before engaging in any activity, transaction or relationship that might give rise to a conflict of interest, employees must seek review from their managers or the HR department/ Company's Legal Counsel/Audit Committee.

Specific confidential information would include but not limited to financial information, information concerning acquisitions or dispositions of properties and proposed acquisition or mergers with other companies.
- 12.3 Confidential, price-sensitive information may only be acted on or passed on if the transfer of information is necessary for legitimate business reasons ("Need to Know-Principal") or unless it is required by the law. Anyone who has such information may not recommend or initiate transactions with respect to any securities or other financial instruments the price of which may be affected by such information. The Company must be informed immediately if a member has reason to believe information is being or has been shared that violates insider trading regulations.

13. Client Information and Advice

14. Authorization and Recording of Transactions and safekeeping of Assets

- 14.1 The Company's books and records must reflect, in an accurate, fair and timely manner, the transactions and disposition of assets of the Company. Member responsible for the Company's books and records must ensure that this occurs.
- 14.2 All transactions must be authorized and executed in accordance with the instructions of management and the Board of Directors. They must be recorded so as to permit the accurate preparation of financial statements in conformity with generally accepted accounting principles and other generally accepted laws applicable to such statements and to maintain accountability for assets.
- 14.3 Access to assets is permitted only in accordance with the authorization of management.
- 14.4 The use of Company funds or assets for any unlawful or improper purpose is strictly prohibited and those responsible for the accounting and record keeping functions are expected to be vigilant in ensuring enforcement of this prohibition. The recorded accountability for assets will be compared with the existing assets at reasonable intervals and appropriate action will be taken with respect to any differences.
- 14.5 We must not improperly influence, manipulate or mislead any authorized audit, nor interfere with any auditor engaged to perform an internal independent audit of Company books, records, processes or internal controls.

- 16.2 Under no circumstances shall any employee or Director of the Company be a party to any collusion or concerted effort of any type involving any competitor vendor, supplier, customer or other party, which is in restraint of trade or violation of laws and regulations designed to foster competition. Whistle-Blowing Policy

1. Purpose

To encourage employees to disclose any malpractice or misconduct of which they become aware and to provide protection for employees who report allegations of such malpractice or misconduct. The main purpose of this whistle blowing policy is to give all employees an opportunity to disclose matters they feel need to be reported in the interest of fair-play and larger benefit of the organization; high standard of corporate governance; compliance with legal requirements and protection of the Company's interest.

2. Policy

The whistle blowing policy is designed to encourage employees to report alleged malpractice or misconduct, to ensure that all allegations are thoroughly investigated and suitable action taken where necessary. Any whistle-blowing employee is protected against adverse employment actions (discharge, demotion, suspension, harassment, or other forms of discrimination) for raising allegations of business misconduct. An employee is protected even if the allegations prove to be incorrect or unsubstantiated as long as there is no evidence of willful misreporting. Employees who participate or assist in an investigation will also be protected.

3. Requirement of policy

This document thus sets out a formal whistle-blowing policy, consisting of safe and effective procedures for misconduct disclosure or reporting so that appropriate remedial action can be taken. A written, formal policy is also a means of preventing and deterring misconduct that might be contemplated but has not yet taken place. It is also a transparent method of addressing issues relating to whistle blowing, such as answering standard questions, giving assurances, providing information and offering explanations.

4. On what should one blow the whistle

What is reportable misconduct?

Any serious concerns you may have about any aspect of the operations of the Hum Network Limited (the Company) and those who work in the Company can be reported under this policy. This may be a conduct that:

- Is against the governing rules, procedures, and policies, or established standards of practice of the Company. amounts to improper, unethical, or unlawful conduct;
- Amounts to waste of company's resources; makes you feel uncomfortable in terms of your experience with the standards you believe; or
- Amounts to an attempt to cover up any of these types of actions. Conduct becomes reportable when it happens or when it is reasonably likely to occur. Harm to the Company or to its integrity may occur when any of this conduct is unchecked or unaddressed. Importantly, in determining whether to report conduct, harm is not only measured in terms of monetary loss to the organization, or damage to a particular program or initiative, but the harm may also be done to the integrity and reputation of the Company itself, or its survival and/or growth.

Reportable conduct falls into the following categories:

4.1 Illegal or unlawful conduct

Conduct may be illegal or unlawful in terms of the Rules and Regulations of the Company and other applicable laws. We all have legal responsibilities, obligations or duties. Criminal offences - such as theft, fraud, corruption (for example, bribery), or money laundering - are in breach of legal duties and therefore constitute reportable misconduct.

4.2 Un-procedural conduct

Conduct may be un-procedural since it violates clearly communicated procedures (in the form of policies, regulations, or rules) governing the operations of the Specific rules and processes, together with other best practice procedures, guide accounting practices and controls, financial reporting, auditing matters, the transfer of funds to recipients, approved recipient accounts, and the like. Such procedures are important for good governance

and breaching them may expose the application of funds to risk of loss or real loss.

4.3 Unethical conduct

Conduct may be unethical since it undermines universal, core ethical values, such as integrity, respect, honesty, responsibility, accountability, fairness. For example one could exert undue pressure on a person in position of power in order to gain an advantage. That would be unfair to others and as such unethical, although neither unlawful nor un-procedural. But not all unethical conduct is reportable. For example, some kinds of conduct may be disrespectful and therefore undesirable, without harming any serious interests other than personal feelings. This would not be reportable misconduct.

4.4 Wasteful conduct

Conduct constituting a gross waste of resources is a reportable category in its own right since responsible stewardship of resources is as crucial to the success of the Company as all employees have an obligation to ensure that all resources are used prudently and efficiently. If resources are spent in a wasteful manner, and in breach of the public trust under which they are provided, and an employee knows about this then this would be reportable under the whistle-blowing mechanism.

5. Whistle-blower protection

HNL shall take all necessary actions to safeguard the interests of the whistle-blower. Where an individual makes a report under this policy in good faith, reasonably believed to be true, there will be no retaliation (please read detail below) against the reporter should the disclosure turn out to be misguided. Retaliation means any direct or indirect detrimental action recommended, threatened or taken because an individual reported conduct described in Section 4 of this policy. When established, retaliation is by itself misconduct which may be pursued under the appropriate mechanisms - for example, through disciplinary action initiated through mechanisms of HR Policy or more broadly and as appropriate, through other mechanisms of the company's rules. Reporting under this policy, however, in no way immunizes or shields a whistle-blower against action following from his or her own misconduct, which includes willfully making allegations through the whistle-blowing mechanism that the individual knows to be false or makes with an intent to misinform.

6. Whistle-blowing procedures

HNL encourages all its employees to act responsibly at all times and protect themselves and the company against any illegal or immoral acts (see section 4) by immediately reporting any such actions to the Designated Person.

Designated Persons (DPs)

- Company secretary, and
- Head of Internal Audit

Shall be the "Designated Persons" (DPs), and all information shall be directly conveyed to the DPs by the whistle-blower.

Access to the Designated Person

The whistle-blower shall have direct access to the Designated Persons at all times. This right of the whistle-blower shall be upheld under all circumstances and respected by the management of the Company.

Medium of Reporting

Reports to the Designated Persons can be made by: Official email address of the Designated Persons.

Follow up Procedure

The DPs will initiate an investigation and take any consequent action as deemed appropriate and will record the same for information of the Board of Directors, keeping at all times, the confidentiality of the Whistle Blower's identity.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the unconsolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

Key audit matters	How the matter was addressed in our audit
1. Net realizable value of television program costs	
<p>As at the year end, the balance of television program costs amounted to Rs. 750,497,506 (30 June 2023: 483,447,376) which represents unamortized cost of completed television programs and television programs in production.</p> <p>As per the accounting policy of the Company, television program costs are charged to expense based on the ratio of the revenues earned till date to total revenues to be earned from the program including future estimated revenues, less cost expensed in prior years on an individual program basis.</p> <p>Allocation of television program costs over several accounting periods involves estimation of future revenues by the management. We have identified this area as key audit matter due to the significance of the estimation and the amount of audit efforts in relation to this area.</p> <p>Refer notes 3.3, 8 and 22 to the unconsolidated financial statements.</p>	<p>Our audit procedures amongst others, comprised reviewing the appropriateness of the accounting policy of the Company in accordance with the applicable financial reporting standards. Further, we obtained understanding of the revenue estimation and amortization process of the Company.</p> <p>In this regard, we selected a sample of television programs and considered the factors used by the management for revenue estimation and amortization of television program cost including;</p> <ul style="list-style-type: none"> • historic experience of revenue earned by similar programs; • ratings of the program from available evidences; • rates used by the Company and its fluctuation based on the trend analysis; and • we also considered subsequent events which may have an impact on unamortized cost. <p>We also evaluated whether adequate disclosures have been made in the accompanying unconsolidated financial statements in accordance with the applicable financial reporting standards.</p>
2. Revenue recognition	
<p>Refer note 3.12 and 21 to the accompanying unconsolidated financial statements)</p> <p>The Company earns revenue from a variety of sources among the different business areas of which 95% pertains to revenue from advertisements and subscriptions.</p> <p>As reported in the explanatory notes, revenues from advertisement are recognized at the time of the appearance of the advertisement and subscription income is recognized in the month in which service is rendered.</p> <p>We concluded that this area constitutes a key audit matter for the Company considering the significance of the amount, it being a key performance indicator and also the increase of 15% and 36% in advertisement and subscription income as compared to the prior year respectively.</p>	<p>We obtained an understanding of the Company's processes in place for revenue recognition and tested key controls over each significant revenue stream.</p> <p>We inspected a sample of contracts to check that revenue recognition was in accordance with the contract terms and the Company's revenue recognition policies.</p> <p>We performed analytical review procedures and other test of details over revenue including cut-off procedures to check that revenue has been recognised in the appropriate accounting period.</p> <p>We assessed the adequacy of the Company's disclosures in accordance with the applicable financial reporting standards.</p>

Information Other than the Unconsolidated Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the unconsolidated financial statements and our auditor's report thereon.

Our opinion on the unconsolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the unconsolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the unconsolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Unconsolidated Financial Statements

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these unconsolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the unconsolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

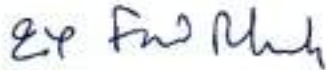

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the unconsolidated Statement of Financial Position, the unconsolidated Statement of Profit or Loss, the unconsolidated Statement of Comprehensive Income, the unconsolidated Statement of Changes in Equity and the unconsolidated Statement of Cash Flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Arslan Khalid.

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

2.3 New standards and amendments to approved accounting standards

2.3.1 Adoption of amendments to approved accounting standards effective during the year

Amendments to approved accounting standards

IAS 8 Definition of Accounting Estimates (Amendments)

The amendments to IAS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates. □

IAS 1 and IFRS Practice Statement 2 Disclosure of Accounting Policies (Amendments)

The amendments to IAS 1 and IFRS Practice Statement 2 Making Materiality Judgements provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

IAS 12 Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments)

The amendments to IAS 12 Income Tax narrow the scope of the initial recognition exception so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences i.e. leases and decommissioning liabilities.

IAS 12 International Tax Reform—Pillar Two Model Rules (Amendments)

The amendments to IAS 12 have been introduced in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after 1 January 2023, but not for any interim periods ending on or before 31 December 2023.

The above amendments to the approved accounting standards had no material impact on these financial statements.

The Company expects that above standards and amendments to the approved accounting standards will not have any material impact on the Company's financial statements in the period of initial application.

2.4 Significant accounting judgments, estimates and assumptions

The preparation of the unconsolidated financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires the management to make judgment, estimates and assumptions that affect the application of policies and the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures. Uncertainty about these judgments, estimates and assumptions could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The judgments, estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources.

Judgments, estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

In the process of applying the accounting policies, management has made the following judgments, estimates and assumptions which are significant to the unconsolidated financial statements:

Property and equipment and intangible assets (note 4 & 5)

The Company reviews appropriateness of the rate of depreciation / amortisation, useful life and residual value used in the calculation of depreciation / amortisation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. Any change in the estimates in the future might affect the carrying amount of respective item of property and equipment and intangible assets, with corresponding effects on the depreciation / amortisation charge and impairment.

Investment in subsidiaries (note 6)

The Company determines at each reporting date, whether there is any objective evidence that the investments are impaired. If this is the case, the Company calculates the amount of impairment as the difference between the recoverable amount and its carrying value and recognize the same in the unconsolidated statement of profit or loss.

Television program costs (note 8)

Television program costs represent unamortised cost of completed television programs and television programs in production. In order to determine the amount to be charged to statement of profit or loss, the management estimates future revenues from each program. Estimates of future revenues can change significantly due to a variety of factors, including advertising rates and the level of market acceptance of the production in different geographical locations. Accordingly, revenue estimates are reviewed periodically and amortisation is adjusted, if necessary. Such adjustments could have a material effect on results of operations in future periods.

Taxation (note 9 & 29)

In making the estimate for income tax payable by the Company, the Company takes into account the applicable tax laws and the decision by appellate authorities on certain issues in the past.

Deferred tax assets are recognized for all unused tax losses and credits to the extent that it is probable that taxable profit will be available against which such losses and credits can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

Impairment of financial assets (note 3.4.3)

The Company uses a provision matrix to calculate expected credit loss for trade debts and other receivables. The provision rates are based on days past due for Company's various customer that have similar loss patterns.

Contingencies (note 20)

The assessment of the contingencies inherently involves the exercise of significant judgment as the outcome of the future events cannot be predicted with certainty. The Company, based on the availability of the latest information, estimates the value of contingent liabilities which may differ on the occurrence / non-occurrence of the uncertain future events.

Leases - Estimating the incremental borrowing rate (note 17)

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. The IBR is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right of use asset in a similar economic environment.

Leases - Determination of the lease term for lease contracts with extension and termination options (note 17)

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has lease contracts that include extension and termination option. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control that affects its ability to exercise or not to exercise the option to renew or to terminate.

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies adopted by the Company in the preparation of these unconsolidated financial statements are as follows:

3.1 Property and equipment

3.1.1 Operating fixed assets

These are stated at cost less accumulated depreciation and impairment, if any.

Depreciation is calculated so as to write off the depreciable amount of the assets over their expected useful lives at the rates specified in note 4.1 to these unconsolidated financial statements. The depreciation charge for the year is calculated on a straight line basis after taking into account the residual value, if any. The residual values and useful lives are reviewed and adjusted, if appropriate, at each statement of financial position date.

Maintenance and normal repairs are charged to statement of profit or loss as and when incurred. Major renewals and improvements, if any, are capitalized when it is probable that respective future economic benefits will flow to the Company.

Depreciation on additions is charged from the month the asset is available for use. No depreciation is charged in the month of disposal.

An item of property and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in statement of profit or loss in the year the asset is derecognized.

3.1.2 Right of use assets

The Company recognises a right of use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right of use assets are measured at cost less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis over the shorter of lease term or useful life, except for the leases in which ownership of the underlying assets transfer to the lessee by the end of the lease term or cost of right of use assets reflects that the lessee will exercise a purchase option, the Company depreciate those right of use asset over the useful life of the underlying asset.

3.1.3 Capital work in progress

These are stated at cost less accumulated impairment and consist of expenditures incurred and advances made in respect of specific assets during the construction period. These are transferred to specific assets as and when assets are available for use.

3.2 Investments in subsidiaries

Investment in subsidiary is initially recognised at cost. At subsequent reporting dates, the Company reviews the carrying amount of the investment to assess whether there is any indication that such investments have suffered an impairment loss. If any such indication exists, the recoverable amount is estimated in order to determine the extent of the impairment loss, if any. Such impairment losses or reversal of impairment losses are recognised in the statement of profit or loss. These are classified as 'long term investment' in the unconsolidated financial statements.

3.3 Television program costs

Television program costs represent unamortised cost of completed television programs and television programs in production. These costs include direct production costs, cost of inventory consumed, and production overheads and are stated at the lower of cost, less accumulated amortisation and net realizable value (NRV). NRV is estimated by the management on the basis of future revenue generation capacity of the program. Acquired television program licenses and rights are recorded when the license period begins and the program is available for use.

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

Television program costs and acquired television program licenses and rights are charged to expense based on the ratio of the revenues earned till date to total revenues to be earned from the program including future estimated revenues less cost expensed in prior years on an individual program basis.

3.4 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.4.1 Financial assets at amortised cost (debt instruments)

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

3.4.2 Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL include financial assets held for trading or those designated FVTPL on initial recognition. Financial assets with cashflows that are not solely payments of principal and interest are classified and measured at FVTPL, irrespective of the business model.

Financial assets at FVPL are carried in the unconsolidated statement of financial position at fair value with net changes in fair value recognised in unconsolidated statement of profit or loss.

Dividends on listed equity investments and mutual funds are also recognised as other income in profit or loss when the right of payment has been established.

3.4.3 Impairment of financial assets

For trade debts, the Company applies a simplified approach in calculating expected credit loss. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime expected credit losses at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Company considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

3.4.4 Financial liabilities at amortised cost

After initial recognition, borrowings and payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

3.4.5 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.5 Contract liability

A contract liability is the obligation of the Company to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liability are recognised as revenue when the Company fulfils its performance obligation mentioned in the contract.

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

3.6 Impairment of non-financial assets

The carrying amounts of non-financial assets are assessed at each reporting date to ascertain whether there is any indication of impairment. If such an indication exists, the asset's recoverable amount is estimated to determine the extent of impairment loss, if any. An impairment loss is recognised, as an expense in statement of profit or loss and other comprehensive income. The recoverable amount is the higher of an asset's fair value less cost to disposal and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessments of the time value of money and the risk specific to the assets for which the estimate of future cash flow have not been adjusted. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

3.7 Taxation

3.7.1 Current

Provision for current tax is based on the taxable income in accordance with the Income Tax Ordinance, 2001.

3.7.2 Deferred

Deferred tax is recognised using the balance sheet liability method, on all major temporary differences arising at the statement of financial position date between tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that the future taxable profits will be available against which the assets may be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The carrying amount of deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recognized.

Deferred tax assets and liabilities are measured at the tax rate that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the statement of financial position date.

3.7.3 Levies - final taxes

Pursuant to the release of circular 7/2024 by the Institute of Chartered Accountants of Pakistan, the company has elected to change the method of accounting for minimum taxes and final taxes.

The Company designates the amount calculated on taxable income using the enacted tax as an income tax within the scope of IAS 12 'Income Taxes' and recognise it as current income tax expense.

As computation of final taxes under provisions of ITO, 2001 is not based on taxable income, therefore, final taxes fall under levy within the scope of IFRIC 21 / IAS 37 and not income tax in the statement of profit or loss.

The Company reclassified the levies that fall under the scope of IFRIC 21 / IAS 37 from income taxes in the unconsolidated statement of profit or loss retrospectively. There is no change to the profit for the year reported in the prior period due to this reclassification. The three column impact, in the context of restatement in the Company's unconsolidated financial statements, is not material.

3.8 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right of use assets representing the right to use the underlying assets.

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

i) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the termination option is reasonably certain to be exercised. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments at the lease commencement date, the Company uses the interest rate implicit in the lease. In case where the interest rate implicit in the lease is not readily determinable, the Company uses its incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

ii) Short-term leases

The Company applies the short-term lease recognition exemption to its short-term leases of office premises (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

3.9 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are reviewed at each statement of financial position date and adjusted to reflect the current best estimate.

3.10 Revenue recognition

Advertising revenue is recognized at a point in time when the related advertisement or commercial appears before public i.e. aired.

Production revenue is recognised at a point in time when production work appears before public.

Digital revenue is advertising revenues from digital properties which are recognized on the basis of number of impressions on the advertisement aired on website.

Subscription income arises from the monthly billing to subscribers for services provided by the Company and from digital avenues based on number of views. Revenue is recognised in the month the service is rendered.

Film Distribution Revenue is recognized at a point in time upon receipt of related sales reports from cinemas.

Credit limits in contract with customers ranges from 2 to 90 days.

3.11 Other income

Profit on bank deposits is accounted for on effective interest method.

Dividend income is recognized when it is declared and right to receive is established.

Interest / mark-up income is recognized on accrual basis.

Other revenues are accounted for on an accrual basis.

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

3.12 Staff retirement benefits

Defined contribution plan

The Company operates a funded and approved provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Company and the employees, to the fund at the rate of 8.33% of the basic salary.

3.13 Foreign currency transactions and translations

Foreign currency transactions are translated into Pakistani Rupees using the exchange rates ruling at the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees using the exchange rate at the statement of financial position date. Non-monetary assets and liabilities are translated using exchange rate that existed when the values were determined. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at the year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are taken to unconsolidated statement of profit or loss currently.

3.14 Contingencies

Contingencies are disclosed when the Company has a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

3.15 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

3.16 Functional and presentation currency

These financial statements are presented in Pakistani Rupees, which is the Company's functional and presentation currency.

3.17 Segment Reporting

Segment reporting is based on the reporting operating (business) segments of the Company. An operating segment is a component of the Company that engages in business activities from which it may earn revenue and incur expenses. An operating segment's operating results are reviewed regularly by the senior management of the Company to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT To the members of Hum Network Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the annexed consolidated financial statements of Hum Network Limited (the Holding Company) and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at 30 June 2024, and the consolidated statement of profit or loss, consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated statement of cash flows for the year then ended and notes to the consolidated financial statements, including material accounting policy information and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 30 June 2024, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

Key audit matters	Key audit matter How the matter was addressed in our audit
1.Acquisition - purchase price allocation (TWS)	
<p>During the year ended 30 June 2023, the Group acquired 100% shareholding in Tower Sports (Private) Limited (TWS) for Rs. 150 million. This transaction resulted in the recognition of provisional goodwill amounting to Rs. 125 million, pending allocation of the purchase price ("PPA") to the assets and liabilities acquired. In accordance with IFRS 3, the final allocation of the purchase price must be finalized within a period of twelve months following the date on which control was obtained. In the current year, PPA exercise has been completed which resulted in the recognition of goodwill and intangibles amounting to Rs. 107.2 million and Rs. 17.8 million respectively. The 2023 comparative information has been restated to reflect the adjustment to the provisional amounts.</p> <p>We have determined this to be a key audit matter because the accounting for PPA of this acquisition required a significant amount of management estimation. The significant management judgment and estimates involved in the PPA exercise mainly relate to the determination of the fair value of the acquired assets, particularly goodwill and intangibles acquired as a result of the acquisition.</p>	<p>We read the purchase agreement to gain an understanding of the key terms and conditions.</p> <p>We engaged our internal valuation specialist to assist us in reviewing the management's valuation methodologies and assessing the key assumptions and inputs used in measuring the fair value of intangible asset acquired.</p> <p>We assessed the competence of both internal and external specialists and the objectivity and independence of external specialists, to consider whether they were appropriately qualified to carry out the valuation.</p> <p>We assessed the valuation model, the excess earnings projections, and the key assumptions used in the calculation of the intangible asset's fair value.</p> <p>We assessed the adequacy of the disclosures in accordance with the applicable financial reporting standards</p>
2.Net realizable value of television program costs	
<p>As at the year end, the balance of television program costs amounted to Rs. 750,497,506 (30 June 2023: 483,447,376) which represents unamortized cost of completed television programs and television programs in production.</p> <p>As per the accounting policy of the Holding Company, television program costs are charged to expense based on the ratio of the revenues earned till date to total revenues to be earned from the program including future estimated revenues, less cost expensed in prior years on an individual program basis.</p>	<p>Our audit procedures amongst others, comprised reviewing the appropriateness of the accounting policy of the Holding Company in accordance with the applicable financial reporting standards. Further, we obtained understanding of the revenue estimation and amortization process of the Holding Company.</p> <p>In this regard, we selected a sample of television programs and considered the factors used by the management for revenue estimation and amortization of television program cost including:</p> <ul style="list-style-type: none"> • historic experience of revenue earned by similar programs; • ratings of the program from available evidences;

Following are the Key Audit Matters:

Key audit matter	Key audit matter How the matter was addressed in our audit
<p>Allocation of television program costs over several accounting periods involves estimation of future revenues by the management. We have identified this area as key audit matter due to the significance of the estimation and the amount of audit efforts in relation to this area.</p> <p>Refer notes 3.4, 8 and 22 to the consolidated financial statements.</p>	<ul style="list-style-type: none"> • rates used by the Holding Company and its fluctuation based on the trend analysis; and • we also considered subsequent events which may have an impact on unamortized cost. <p>We also evaluated whether adequate disclosures have been made in the accompanying consolidated financial statements in accordance with the applicable financial reporting standards.</p>
3. Revenue recognition	
<p>(Refer note 3.11 and 21 to the accompanying consolidated financial statements)</p> <p>The Group earns revenue from a variety of sources among the different business areas of which 95% pertains to revenue from advertisements and subscriptions.</p> <p>As reported in the explanatory notes, revenues from advertisement are recognized at the time of the appearance of the advertisement and subscription income is recognized in the month in which service is rendered.</p> <p>We concluded that this area constitutes a key audit matter for the Group considering the significance of the amount, it being a key performance indicator and also the increase of 15% and 36% in advertisement and subscription income as compared to the prior year respectively.</p>	<p>We obtained an understanding of the Group's processes in place for revenue recognition and tested key controls over each significant revenue stream.</p> <p>We inspected a sample of contracts to check that revenue recognition was in accordance with the contract terms and the Group's revenue recognition policies.</p> <p>We performed analytical review procedures and other test of details over revenue including cut-off procedures to check that revenue has been recognised in the appropriate accounting period.</p> <p>We assessed the adequacy of the Group's disclosures in accordance with the applicable financial reporting standards.</p>

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditors' report is Arslan Khalid.

2 BASIS OF PREPARATION

2.1 Statement of Compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standard Board (IASB) as notified under the Companies Act, 2017 (the Act);
- Provisions of and directives issued under the Act.

Where provisions of and directives issued under the Act differ from IFRS, the provisions of and directives issued under the Act have been followed.

2.2 Accounting Convention

- 2.2.1 These consolidated financial statements have been prepared on the basis of historical cost convention, except otherwise specifically stated.
- 2.2.2 These consolidated financial statements are presented in Pak Rupees which is the Group's functional and presentation currency.

2.3 New standards and amendments to approved accounting standards

2.3.1 Adoption of Amendments to approved accounting standards effective during the year

Amendments to approved accounting standards

IAS 8 Definition of Accounting Estimates (Amendments)

The amendments to IAS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

IAS 1 and IFRS

Practice Statement 2 Disclosure of Accounting Policies (Amendments)

The amendments to IAS 1 and IFRS Practice Statement 2 Making Materiality Judgements provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

IAS 12 Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments)

The amendments to IAS 12 Income Tax narrow the scope of the initial recognition exception so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences i.e. leases and decommissioning liabilities.

The amendments to IAS 12 have been introduced in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after 1 January 2023, but not for any interim periods ending on or before 31 December 2023.

The above amendments to the approved accounting standards had no material impact on these financial statements.

2.3.2 Standards and amendments to approved accounting standards that are not yet effective

The following standards and amendments to approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standards, amendments or improvements:

	Standards / Amendments	Effective date (annual periods beginning on or after)

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

	Standard	IASB effective date (annual periods beginning on or after)
IFRS 1	First-time Adoption of International Financial Reporting Standards	January 01, 2004

The Company expects that above standards and amendments to the approved accounting standards will not have any material impact on the Company's financial statements in the period of initial application.

2.4 Significant accounting judgments, estimates and assumptions

The preparation of the consolidated financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires the management to make judgment, estimates and assumptions that affect the application of policies and the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The judgements, estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about the carrying values of assets and liabilities that are not readily apparent from other sources.

Judgements, estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the process of applying the accounting policies, management has made the following estimates and judgements which are significant to the consolidated financial statements:

Property and equipment and intangible assets (note 4 & 5)

The Group reviews appropriateness of the rate of depreciation / amortisation, useful life and residual value used in the calculation of depreciation / amortisation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. Any change in the estimates in the future might affect the carrying amount of respective item of property and equipment and intangible assets, with corresponding effects on the depreciation / amortisation charge and impairment.

Television program costs (note 8)

Television program costs represent unamortised cost of completed television programs and television programs in production. In order to determine the amount to be charged to consolidated statement of profit or loss, the management estimates future revenues from each program. Estimates of future revenues can change significantly due to a variety of factors, including advertising rates and the level of market acceptance of the production in different geographical locations. Accordingly, revenue estimates are reviewed periodically and amortisation is adjusted, if necessary. Such adjustments could have a material effect on results of operations in future periods.

Taxation (note 9 & 29)

In making the estimate for income tax payable by the Group, the Group takes into account the applicable tax laws and the decision by appellate authorities on certain issues in the past.

Deferred tax assets are recognized for all unused tax losses and credits to the extent that it is probable that taxable profit will be available against which such losses and credits can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

Impairment of financial assets (note 3.5.3)

The Group uses a provision matrix to calculate Expected Credit Loss (ECL) for trade debts and other receivables. The provision rates are based on days past due for Group's various customer that have similar loss patterns.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

Contingencies (note 20)

The assessment of the contingencies inherently involves the exercise of significant judgment as the outcome of the future events cannot be predicted with certainty. The Group, based on the availability of the latest information, estimates the value of contingent assets and liabilities which may differ on the occurrence / non-occurrence of the uncertain future events.

Leases- Estimating the incremental borrowing rate (note 17)

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ("IBR") to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

Leases- Determination of the lease term for lease contracts with extension and termination options (note 17)

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Group has lease contracts that include extension and termination option. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control that affects its ability to exercise or not to exercise the option to renew or to terminate.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies adopted by the Group in the preparation of these financial statements are as follows:

3.1 Basis of consolidation

Subsidiary is a entity over which the Group has control. Control is achieved when the group is exposed, or has rights, to variable returns from its involvement with the investee and has ability to affect those returns through its power over the investee. Generally, there is presumption that a majority of voting rights result in control.

The Group re-assess whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more elements of control.

Subsidiary is consolidated from the date on which the Group obtains control, and continue to be consolidated until the date when such control ceases. Income and expenses of a subsidiary acquired or disposed off during the year are included in profit or loss from the date the Group gains control until the date the Group ceases to control the subsidiary.

The financial statements of the Subsidiary Company are prepared for the same reporting period as the Holding Company, using consistent accounting policies. The accounting policies of the Subsidiary Company have been changed to conform with accounting policies of the Holding Company, where required.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date, any gains or losses arising from such remeasurement are recognised in profit or loss.

Business combinations are accounted for using the acquisition method of accounting. Identifiable assets acquired, liabilities assumed and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date, irrespective of the extent of any non-controlling interest.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

The cost of an acquisition is measured as the cash paid and the fair value of other assets given, equity instruments issued and liabilities incurred or assumed at the date of exchange, plus costs directly attributable to the acquisition. Identifiable assets acquired, liabilities assumed and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date, irrespective of the extent of any non-controlling interest. The excess of cost of acquisition is recorded as goodwill, however, if the cost of acquisition is less than fair value of the net assets of the subsidiary acquired, the difference is recognised directly in the profit or loss.

Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is reviewed for impairment annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired. Impairment is determined by assessing the recoverable amount of the cash-generating unit to which the goodwill relates. Where the recoverable amount of the cash-generating unit is less than the carrying amount, an impairment loss is recognized.

All intra-group balances, transactions and unrealised gains and losses resulting from intra-group transactions and dividends within the Group are eliminated in full.

Non-controlling interest (NCI) is that part of the net results of operations and of net assets of subsidiary attributable interest which are not owned by the Group. The Group measures NCI on proportionate basis of the net assets of subsidiary company.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it derecognises the assets (including goodwill) and liabilities of the subsidiary, carrying amount of any NCI, cumulative translation differences recognised in other comprehensive income, and recognises fair value of consideration received, any investment retained, surplus or deficit in profit and loss, and reclassifies the Holding Company share of components previously recognised in other comprehensive income to profit or loss account or retained earnings, as appropriate.

3.2 Business combinations

3.2.1 Acquisition of Subsidiaries

International Financial Reporting Standard 3, (IFRS 3) "Business Combinations", requires that all identified assets and liabilities acquired in a business combination should be carried at fair values in the acquirer's balance sheet and any intangible assets acquired in the business combination are required to be separately recognised and carried at fair values.

During the year, the Group acquired 100% of the voting shares of "TS3 FZ LLC" a company established in the UAE, which is engaged in the business of sports consultancy, media / marketing consultancy and digital media services and "Sphere Ventures (Private) Limited" a company established in Pakistan, which is engaged in the business of production, acquisition, marketing, buying and selling of programs.

The acquisition has been accounted for by applying the acquisition method in accordance with the requirements of IFRS 3 which allows the acquirer a maximum period of one year from the date of acquisition to finalise the accounting for business combination. Identified assets acquired, liabilities assumed or incurred have to be carried at the fair value as at the acquisition date. The fair valuation exercise is in progress and will be finalised within the period of one year as allowed under IFRS 3. Any adjustment arising at the time of finalisation of this exercise will be incorporated with retrospective effect from the date of acquisition.

The management believes that this association would continue in the future it believes that this association would continue in the future as well, and the decision of acquisition was primarily taken due to the same association.

This has been valued using Multiperiod Excess Earnings Method. This method involves discounting the resulting excess earnings, following the deduction of contributory asset charges, to determine the intangible value. The identified intangible has a indefinite useful life.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

3.3 Property and equipment

3.3.1 Operating fixed assets

These are stated at cost less accumulated depreciation and impairment, if any.

Depreciation is charged to consolidated statement of profit or loss using straight line method so as to write off the historical cost of the assets over their estimated useful lives. Depreciation on additions is charged from the month in which the asset is available to use and no depreciation is charged for the month in which asset was disposed of.

Maintenance and normal repairs are charged to consolidated statement of profit or loss as and when incurred. Major renewals and improvements, if any, are capitalised when it is probable that respective future economic benefits will flow to the Group.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in consolidated statement of profit or loss in the year the asset is derecognised.

The assets' residual values, useful lives and method of depreciation are revised, and adjusted if appropriate, at each consolidated statement of financial position date.

3.3.2 Right of use assets

The Group recognises a right of use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right of use assets are measured at cost less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis over the shorter of lease term or useful life, except for the leases in which ownership of the underlying assets transfer to the lessee by the end of the lease term or cost of right of use assets reflects that the lessee will exercise a purchase option, the Group depreciate those right of use asset over the useful life of the underlying asset.

3.3.3 Capital work in progress

These are stated at cost less accumulated impairment losses and consists of expenditures incurred and advances made in respect of specific assets during the construction period. These are transferred to specific assets as and when assets are available for use.

3.4 Television program costs

Television program costs represent unamortised cost of completed television programs and television programs in production. These costs include direct production costs, cost of inventory consumed, and production overheads and are stated at the lower of cost, less accumulated amortisation and net realizable value (NRV). NRV is estimated by the management on the basis of future revenue generation capacity of the program. Acquired television program licenses and rights are recorded when the license period begins and the program is available for use.

Television program costs and acquired television program licenses and rights are charged to expense based on the ratio of the revenues earned till date to total revenues to be earned from the program including future estimated revenues less cost expensed in prior years on an individual program basis.

3.5 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.5.1 Financial assets at amortised cost (debt instruments)

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

3.5.2 Financial assets at fair value through profit or loss

Financial assets at FVPL include financial assets held for trading. Financial assets with cashflows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model.

Financial assets at FVPL are carried in the consolidated statement of financial position at fair value with net changes in fair value recognised in consolidated statement of profit or loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

This category also includes listed equity investments and mutual funds which the Group had not irrevocably elected to classify at FVOCI. Dividends on listed equity investments and mutual funds are also recognised as other income in profit or loss when the right of payment has been established.

As at the date of consolidated statement of financial position, the Group does not have any equity instrument designated at fair value through OCI.

3.5.3 Impairment of financial assets

For trade debts, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Group considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

3.5.4 Financial liabilities at amortised cost

After initial recognition, borrowings and payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

3.5.5 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.6 Contract Liability

A contract liability is the obligation of the Group to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liability are recognised as revenue when the Group performs under the contract.

3.7 Impairment of non-financial assets

The carrying amounts of non-financial assets are assessed at each reporting date to ascertain whether there is any indication of impairment. If such an indication exists, the asset's recoverable amount is estimated to determine the extent of impairment loss, if any. An impairment loss is recognised, as an expense in consolidated statement of profit or loss and other comprehensive income. The recoverable amount is the higher of an asset's fair value less cost to disposal and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessments of the time value of money and the risk specific to the assets for which the estimate of future cash flow have not been adjusted. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

3.8 Taxation

3.8.1 Current

Provision for current tax is based on the taxable income in accordance with the applicable laws.

3.8.2 Deferred

Deferred tax is recognised using the balance sheet liability method, on all major temporary differences arising at the consolidated statement of financial position date between tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that the future taxable profits will be available against which the assets may be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

The carrying amount of deferred tax asset is reviewed at each consolidated statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recognized.

Deferred tax assets and liabilities are measured at the tax rate that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the consolidated statement of financial position date.

3.8.3 Levies - Final tax

Pursuant to the release of circular 7/2024 by the Institute of Chartered Accountants of Pakistan, the Group has elected to change the method of accounting for minimum taxes and final taxes.

The Group designates the amount calculated on taxable income using the enacted tax as an income tax within the scope of IAS 12 'Income Taxes' and recognise it as current income tax expense. Any excess over the amount designated as income tax is recognised as a levy falling under the scope of IFRIC 21 / IAS 37.

As computation of final taxes under provisions of ITO, 2001 is not based on taxable income, therefore, final taxes fall under levy within the scope of IFRIC 21 / IAS 37 and not income tax in the consolidated statement of profit or loss.

The Group reclassified the levies that fall under the scope of IFRIC 21 / IAS 37 in the consolidated statement of profit or loss retrospectively. Accordingly, there are no changes in the consolidated statement of financial position and profit for the year.

3.9 Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right of use assets representing the right to use the underlying assets.

i) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the termination option is reasonably certain to be exercised. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments at the lease commencement date, the Group uses the interest rate implicit in the lease. In case where the interest rate implicit in the lease is not readily determinable, the Group uses its incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

ii) Short-term leases

The Group applies the short-term lease recognition exemption to its short-term leases of office premises (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

3.10 Provisions

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are reviewed at each consolidated statement of financial position date and adjusted to reflect the current best estimate.

3.11 Revenue recognition

Advertisement revenue is recognised when the related advertisement or commercial appears before the public i.e., aired.

Production revenue: Production revenue is recognised when production work appears before public.

Digital revenue: Advertising revenues from digital properties are recognized on the basis of number of impressions on the advertisement aired on website.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

Subscription income arises from the monthly billing to subscribers for services provided by the Group and from digital avenues based on number of views. Revenue is recognised in the month the service is rendered.

Film Distribution revenues: Revenue from film distribution is recognized at a point in time upon receipt of related sales reports from cinemas.

Sale of goods are recognized when goods are delivered to customers.

Sale of magazines: Revenue is recognised on dispatch of magazines.

Credit limits in contract with customers ranges from 2 to 90 days.

3.12 Other income

Profit on bank deposits is accounted for on effective interest method.

Dividend income is recognized when it is declared and right to receive is established.

Interest / markup income is recognized on accrual basis.

Other revenues are accounted for on an accrual basis.

3.13 Staff retirement benefits

Defined contribution plan

The Holding Company operates a funded and approved provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Holding Company and the employees, to the fund at the rate of 8.33% of the basic salary.

3.14 Foreign currency transactions and translations

Foreign currency transactions are translated into Pakistani Rupees using the exchange rates ruling at the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees using the exchange rate at the consolidated statement of financial position date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at the year end exchange rates of monetary assets and liabilities denominated in foreign currencies are taken to consolidated statement of profit or loss.

The assets and liabilities of foreign subsidiary companies are translated to Pak rupees at exchange rates prevailing at the consolidated statement of financial position date. The income and expenses of foreign subsidiary companies are translated at average rate of exchange for the year. Translation gains and losses arising on the translation of net investment in foreign subsidiary companies are taken to equity under "Foreign Exchange Translation Reserve" and on disposal are recognised in the consolidated statement of profit or loss.

3.15 Contingencies

Contingencies are disclosed when the Group has a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

3.16 Earnings per share

The Group presents basic and diluted earnings per share (EPS) data for its ordinary shares. EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Holding Company by the weighted average number of ordinary shares outstanding during the period.

3.17 Functional and presentation currency

These consolidated financial statements are presented in Pakistani Rupees, which is the Group's functional and presentation currency.

3.18 Segment Reporting

Segment reporting is based on the reporting operating (business) segments of the Group. An operating segment is a component of the Group that engages in business activities from which it may earn revenue and incur expenses. An operating segment's operating results are reviewed regularly by the senior management of the Group to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

	Note	2024	2023

Cost of production	22	1,915,852	6,350,640

5.2 For valuation purposes of the intangibles acquired (Rights) in Tower Sports (Private) Limited, the fair value is determined based on multiperiod excess earnings method, wherein the resulting excess earnings after deduction of contributory assets charge on a projected period of 6 years, are discounted to determine the value of the intangible. The discount rate applied is 24.5% per annum.

Key assumptions used in valuation

The calculation of fair value is most sensitive to the following assumptions:

- Discount rates
- Key business assumptions

Discount rates

The discount rate reflects current market assessment of the rate of return required for the business and is calculated using the Capital Asset Pricing Model. The discount rate reflects the target Weighted Average Return on Assets (WARA) i.e. Weighted Average Cost of Capital (WACC) + 1% of the Subsidiary Company.

Key business assumptions

These assumptions includes revenue growth in marketing and subscription services, customer churn rate and operating profit margin.

Sensitivity to changes in assumptions

Management believes that after considering the various scenarios, no reasonably possible change in any of the above key assumptions would cause the fair value of the intangible to materially vary from its existing fair value determined.

35 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's activities expose it to a variety of financial risks i.e. market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk. The Group's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Group's financial performance.

The Group's senior management oversees the management of these risks. The Group's senior management provides policies for overall risk management, as well as policies covering specific areas such as foreign exchange risk, interest rate risk and credit risk, use of financial derivatives, financial instruments and investment of excess liquidity. It is the Group's policy that no trading in derivatives for speculative purposes shall be undertaken. The Board of Directors review and agree policies for managing each of these risks which are summarized below.

35.1 Market risk

Market risk is the risk that fair value of future cash flows will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, currency risk and equity price risk, such as equity risk.

35.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of financial instruments will fluctuate because of changes in the market interest rates. The Group's interest rate risk arises from finance lease obligations, short-term borrowings and bank balances. The Group manages these risks through risk management strategies.

35.4 Equity price risk

The Group's investments are susceptible to market price risk arising from uncertainties about future values of investment securities. The Group manages the equity price risk through diversification and placing limits on individual and total investments. Reports on the investment portfolio are submitted to the Group's senior management on a regular basis.

As of the statement of financial position date, the exposure to investments at fair value through profit or loss was Rs. 1,062,444,008 (2023: Rs. 589,143,291).

35.5 Credit risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Concentration of credit risk arise when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations of credit risk indicate the relative sensitivity of the Group's performance to developments affecting a particular industry.

The Group is mainly exposed to credit risk on trade debts and bank balances. The Group seeks to minimize the credit risk exposure through having exposures only to customers considered credit worthy and obtaining securities where applicable.

Management of credit risk

The Group's policy is to enter into financial contracts in accordance with the guidelines set by the Board of Directors and other internal guidelines.

Credit risk is managed and controlled by the management of the Group in the following manner:

- Credit rating and / or credit worthiness of the counterparty is taken into account along with the financial background so as to minimize the risk of default.
- The risk of counterparty exposure due to failed agreements causing a loss to the Group is mitigated by a periodic review of their credit ratings, financial statements, credit worthiness and market information on a regular basis.
- Cash is held with reputable banks only.
