## DIRECTORS' REPORT TO THE SHAREHOLDERS

The Directors are pleased to present the unaudited condensed interim unconsolidated financial statements of Highnoon Laboratories Limited ("the Company") and unaudited condensed interim consolidated financial statements with its wholly owned subsidiary for the nine months ended September 30, 2024.

### FINANCIAL HIGHLIGHTS

For the nine months ended September 30, 2024, the Company delivered net sales revenue of Rs. 16,956 million, reflecting a strong 13.82% increase compared to Rs. 14,896 million in the same period last year (SPLY). This growth was driven by the continued success of our well-established brands, strategic additions to the Billion League Brands, and the launch of innovative new products that further expanded our market presence.

The Company's gross profit rose to Rs. 8,396 million, compared to Rs. 6,860 million in the SPLY, improving the gross profit margin to 49.51% from 46.05%. This improvement was mainly attributed to an enhanced sales mix, operational efficiencies, and better management of manufacturing costs, leading to stronger overall profitability.

Our net profit after tax increased by 29.64% to Rs. 2,360 million, compared to Rs. 1,820 million in the SPLY. This significant rise in profitability was driven by several factors, including improved working capital management and a focus on operational streamlining, alongside a favorable contribution from investment income.

We are pleased to report an increase in earnings per share (EPS), which grew to Rs. 44.54, up from Rs. 34.36 in the SPLY. This underscores our continued efforts to generate long-term value for our shareholders through strong financial performance and sustainable growth strategies.

On a consolidated basis, the Group achieved a net profit after tax of Rs. 2,396 million, reflecting the overall health of the business and the effectiveness of our corporate strategy.

### FUTURE OUTLOOK

The Government of Pakistan has taken the significant step of deregulating the prices of medicines outside the National Essential Medicines List. This move is expected to ensure the availability of quality medicines while fostering healthier competition within the sector, ultimately benefiting patients and industry. Further, stability in the macroeconomic environment along with reduction in the inflationary pressure will provide relief to pharmaceutical sector which has been under considerable pressure during last two years.

However, reliance on imports for key drug ingredients remain challenges. Strengthening local production of active pharmaceutical ingredients (APIs) is essential to reduce dependency on imports and stabilize costs.

To sustain growth, local pharmaceutical companies must invest in R&D, streamline production, and improve regulatory compliance. The industry also needs more transparent and efficient pricing approval processes to ensure better margins and long-term viability.

Your Board remains focused on managing these challenges through operational efficiency, product diversification, and expansion into new markets. We are confident that these strategic efforts will continue driving our growth and enhancing our contribution to the national healthcare sector.

#### ACKNOWLEDGMENT

We want to acknowledge the considerable efforts and dedication of our employees towards the achievement of the Company's objectives. Further, we also thank our principals, business partners and valued customers for their continuous support and confidence in the Company.

## ڈائریکٹرز رپورٹ

ڈائریکٹرز ہائون لیبز ریولینڈ ("کمپنی") اور اس کی مکمل ملکیتی ذیلی کمپنی کے 30 ستمبر 2024 کو ختم ہونے والی نو ماہی غیر آڈٹ شدہ مختصر عبوری مالیاتی بیانات پیش کرنے میں خوشی محسوس کر رہے ہیں۔

### مالی کارکردگی

اس مدت کے دوران آپ کی کمپنی نے 16,956 ملین روپے کی خالص فروخت حاصل کی جو کہ پچھلے سال کی اس مدت میں 14,896 ملین روپے تھی، ماسٹر ح 13.82 فیصد کی صحت مند نمو حاصل ہوئی جس کی وجہ کلیدی برانڈز کی استحکام کارکردگی، بلین لیگ برانڈز میں اضافے، اور نئی ادویات متعارف کروانا ہے۔

کمپنی کا مجموعی منافع گزشتہ سال اس مدت کے مقابلے میں 6,860 ملین روپے سے بڑھ کر 8,396 ملین روپے ہو گیا۔ مجموعی منافع کا مارجن 46.05 فیصد سے بڑھ کر 49.51 فیصد ہو گیا۔ یہ بہتری بنیادی طور پر بڑھے ہوئے بیلوٹس، آپریٹیل کارکردگی، اور پیداواری لاگت میں بہتری کی وجہ سے ہے، جس سے مجموعی منافع میں اضافہ ہوتا ہے۔

ہمارا خالص منافع بعد از ٹیکس 29.64 فیصد بڑھ کر پچھلے سال کی اس مدت میں 1,820 ملین روپے کے مقابلے میں 2,360 ملین روپے ہو گیا۔ منافع میں یہ نمایاں اضافہ کئی عوامل کی وجہ سے ہوا، جیسا کہ بہتر کوٹنگ کیمیٹیل مینجمنٹ، سرمایہ کاری سے حاصل ہونے والی آمدنی اور پیداواری مراحل میں لگاتار بہتری کرنے پر توجہ۔

ہمیں یہ بتاتے ہوئے خوشی ہو رہی ہے کہ ہماری فی ٹھوس آمدنی میں گزشتہ سال کی اس مدت کے 34.36 روپے کے مقابلے میں 44.54 روپے کا نمایاں اضافہ ہوا ہے۔ یہ اضافہ مضبوط مالی کارکردگی اور پائیدار نمو کی حکمت عملیوں کے ذریعے ہمارے شیئرز ہولڈرز کے لیے طویل مدتی قدر پیدا کرنے کی ہماری مسلسل کوششوں کی نشاندہی کرتا ہے۔

مجموعی بنیاد پر، گروپ نے 2,396 ملین روپے کا بعد از ٹیکس خالص منافع حاصل کیا، جو کہ کاروبار کی مجموعی صحت اور ہماری موثر کارپوریٹ حکمت عملی کو ظاہر کرتا ہے۔

### مستقبل پر ایک نظر

حکومت پاکستان نے قومی ضروری ادویات کی فہرست کے علاوہ ادویات کی قیمتوں کو ڈی ریگولیشن کرنے کا اہم قدم اٹھایا ہے۔ توقع ہے کہ اس اقدام سے معیاری ادویات کی دستیابی کو یقینی بنایا جائے گا جبکہ اس شعبے میں صحت مند مسابقت کو فروغ ملے گا، اور نتیجتاً مریضوں اور دواساز صنعت کو فائدہ پہنچے گا۔ مزید برآں، میکرو اکنامک ماحول میں استحکام کے ساتھ موبگائی کے دباؤ میں کمی سے فارماسیوٹیکل سیکٹر کو ریلیف ملے گا جو پچھلے دو سالوں سے کافی دباؤ کا شکار ہے۔

تاہم، ادویات کے اہم اجزاء کے لیے درآمدات پر انحصار اب بھی ایک بڑا مسئلہ ہے۔ درآمدات پر انحصار کم کرنے اور لاگت کم کرنے کے لیے اہم دواساز اجزاء کی مقامی پیداوار کو مستحکم کرنا ضروری ہے۔

پائیدار نمو کے لئے، ہم مقامی دواساز کمپنیوں کو ریسرچ اور ڈیولپمنٹ میں سرمایہ کاری کرنا، بلا رکاوٹ پیداوار اور قانونی ضوابط کی تعمیل کو بہتر بنانا چاہیے۔ دواساز صنعت کو بہتر مارجن اور طویل مدتی عملداری کو یقینی بنانے کے لیے مزید شفاف اور موثر قیمتوں کی منظوری کے عمل کی بھی ضرورت ہے۔

آپ کا پورڈا آپریٹیل کارکردگی، مصنوعات کی تنوع، اور نئی مصنویوں میں توسیع کے ذریعے ان مسائل سے پنپنے پر مرکوز ہے۔ ہمیں یقین ہے کہ یہ ایک حکمت عملی کے تحت کی گئی کوششیں ہماری ترقی کو یقینی بناتی رہیں گی اور قومی صحت کی دیکھ بھال کے شعبے میں ہمارے تعاون کو بڑھاتی رہیں گی۔

profit or loss and other comprehensive income, unconsolidated condensed interim statement of changes in equity and unconsolidated condensed interim statement of cash flows are extracted from unconsolidated condensed interim financial statements of the Company for the nine months period ended 30 September 2023.

- 2.3 The unconsolidated condensed interim financial statements have been prepared under the historical cost convention, except for certain classes of operating fixed assets (as mentioned in unconsolidated financial statements of the Company for the year ended 31 December 2023) and certain employees' retirement benefits which are measured at fair value and present value, respectively. Figures have been rounded off to the nearest Pak rupee unless otherwise stated.
- 2.4 Provisions in respect of Workers' Welfare Fund, Workers' Profit Participation Fund and taxation are estimated based on management judgment and prevailing laws; these are subject to final adjustments in the annual audited financial statements.

#### 3. USE OF ESTIMATES AND JUDGEMENTS

The preparation of these unconsolidated condensed interim financial statements, in conformity with accounting and reporting standards as applicable in Pakistan requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. Actual results may differ from the estimates. During the preparation of these unconsolidated condensed interim financial statements, the significant judgements made by management in applying the Company's accounting policies and the key sources of estimation and assumptions are consistent with those that were applied to the audited unconsolidated financial statements of the Company for the year ended 31 December 2023.

#### 4. MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies adopted in the preparation of these unconsolidated condensed interim financial statements are consistent with those followed in the preparation of the Company's annual unconsolidated financial statements for the year ended 31 December 2023 except for the policies mentioned and the adoption of amendments to approved accounting and reporting standards as applicable in Pakistan which became effective for the current period as disclosed below. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

##### Provision for taxation

###### a) Current

Provision for current tax is based on the taxable income for the year determined in accordance with the prevailing law for taxation of income. The charge for current tax is calculated based on management's estimate of the weighted average effective annual income tax rate expected for the full financial year. The charge for current tax also includes adjustments, where considered necessary, to provision for taxation made in previous years arising from assessments framed or changes in laws made during the year for such years.

## Notes to the Un-Consolidated Condensed Interim Financial Statements (Un Audited) For Nine Months Ended 30 September 2024

### b) Levy

The amount calculated on taxable income using the notified tax rate is recognized as current income tax expense for the period in unconsolidated condensed interim statement of profit or loss. Any excess of expected income tax paid or payable for the year under the Ordinance over the amount designated as current income tax for the period, is then recognized as a levy.

### 4.1 Changings in accounting standard interpretations and pronouncements

#### a) New standards, interpretations, amendments and improvements effective during current period

Certain standards, amendments and interpretations to approved accounting standards are effective for accounting periods beginning on 01 January 2024, but are considered not to be relevant or to have any significant effect on the Company's operations (although they may affect the accounting for future transactions and events) and are, therefore, not detailed in these unconsolidated condensed interim financial statements.

#### b) Standards, interpretation and amendments to approved accounting standards that are not yet effective

In addition to the above standards and amendments, improvements to various accounting standards and conceptual framework have also been issued by the IASB. ### 2. BASIS OF PREPARATION

#### 2.1 Statement of compliance

These consolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34 - Interim Financial Reporting, issued by the International Accounting Standard Board (IASB) as notified under the Companies Act, 2017; and
- Provision and directives issued under the Act.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

- 2.2 These consolidated condensed interim financial statements are un-audited but subject to limited scope review by the auditors and are being submitted to the shareholders as required under Section 237 of the Act and the Listed Companies (Code of Corporate Governance) Regulations 2019. These consolidated condensed interim financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with consolidated financial statements of the Group for the year ended 31 December 2023. Comparative consolidated condensed interim statement of financial position is stated from annual audited consolidated financial statements as of 31 December 2023, whereas comparatives for consolidated condensed interim statement of profit or loss and other comprehensive income, consolidated condensed interim statement of changes in equity and consolidated condensed interim statement of cash flows are extracted from consolidated condensed interim financial statements of the Group for the nine months period ended 30 September 2023.
- 2.3 The consolidated condensed interim financial statements have been prepared under the historical cost convention, except for certain classes of operating fixed assets (as mentioned

## Notes to the Consolidated Condensed Interim Financial Statements (Un Audited) For Nine Months Ended 30 September 2024

in consolidated financial statements of the Group for the year ended 31 December 2023) and certain employees' retirement benefits which are measured at fair value and present value, respectively. These consolidated condensed interim financial statements are prepared in Pak Rupees, which is the functional currency of the Group. Figures have been rounded off to the nearest Pak rupee unless otherwise stated.

- 2.4 Provisions in respect of Workers' Welfare Fund, Workers' Profit Participation Fund and taxation are estimated based on management judgment and prevailing laws; these are subject to final adjustments in the annual audited financial statements.

### 3. USE OF ESTIMATES AND JUDGEMENTS

The preparation of these consolidated condensed interim financial statements, in conformity with accounting and reporting standards as applicable in Pakistan requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. Actual results may differ from the estimates. During the preparation of these consolidated condensed interim financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation and assumptions are consistent with those that were applied to the audited consolidated financial statements of the Group for the year ended 31 December 2023.

### 4. MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies adopted in the preparation of these consolidated condensed interim financial statements are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2023 except for the policies mentioned and the adoption of amendments to approved accounting and reporting standards as applicable in Pakistan which became effective for the current period as disclosed in Note 4.1 to these consolidated condensed interim financial statements. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

#### Provision for taxation

##### a) Current

Provision for current tax is based on the taxable income for the year determined in accordance with the prevailing law for taxation of income. The charge for current tax is calculated based on management's estimate of the weighted average effective annual income tax rate expected for the full financial year. The charge for current tax also includes adjustments, where considered necessary, to provision for taxation made in previous years arising from assessments framed or changes in laws made during the year for such years.

##### b) Levy

The amount calculated on taxable income using the notified tax rate is recognized as current income tax expense for the period in consolidated condensed interim statement of profit or loss. Any excess of expected income tax paid or payable for the year under the Ordinance over the amount designated as current income tax for the period, is then recognized as a levy.

## Notes to the Consolidated Condensed Interim Financial Statements (Un Audited) For Nine Months Ended 30 September 2024

### 4.1 Changings in accounting standard interpretations and pronouncements

#### a) New standards, interpretations, amendments and improvements effective during current period

Certain standards, amendments and interpretations to approved accounting standards are effective for accounting periods beginning on 01 January 2024, but are considered not to be relevant or to have any significant effect on the Group's operations (although they may affect the accounting for future transactions and events) and are, therefore, not detailed in these consolidated condensed interim financial statements.

#### b) Standards, interpretation and amendments to approved accounting standards that are not yet effective

In addition to the above standards and amendments, improvements to various accounting standards and conceptual framework have also been issued by the IASB. Such improvements are generally effective for accounting periods beginning after the reporting date. The Group expects that such improvements to the standards will not have any material impact on the Group's consolidated condensed interim financial statements in the period of initial application.
