اس کے باوجود، آپ کی کمپنی صارفین کو اپنی مصنوعات کی پیشکش کو وسعت دینے اور متنوع بنانے پر مرکوز رہتی ہے، جبکہ جدت، کارکردگی، اور لاگت کم کرنے کے مؤثر اقدامات کے ذریعے کارکردگی کو بہتر بنانے کے لیے ٹھوس کوششیں کرتی رہے گی۔

## 2. STATEMENT OF COMPLIANCE

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting which comprise of International Accounting Standard (IAS) 34 - 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017 and provisions of and directives issued under the Companies Act, 2017. Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

## 3. BASIS OF PREPARATION

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting and notified under the Companies Act, 2017 and provisions of and directives issued under the Companies Act, 2017. These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the annual financial statements of the Company for the year ended December 31, 2023.

These condensed interim financial statements are presented in Pakistan Rupees, which is the Company's functional and presentation currency.

## 4. MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies and methods of computation adopted in the preparation of these condensed interim financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended December 31, 2023, except for the following:

Pursuant to the release of circular 7/2024 by the Institute of Chartered Accountants of Pakistan, the Company has elected to change the method of accounting for minimum taxes and final taxes.

The Company has elected to designate the amount calculated on taxable income using the enacted tax rate as an income tax within the scope of IAS 12 'Income Taxes' and recognise it as current income tax expense. Any excess over the amount designated as income tax, will then be recognised as a levy falling under the scope of IFRIC 21/IAS 37.

As computation of final taxes under provisions of ITO, 2001 is not based on taxable income, therefore, final taxes fall under levy within the scope of IFRIC 21/IAS 37 and not income tax in the condensed interim statement of profit or loss.

The Company reclassified the levies that fall under the scope of IFRIC 21/IAS 37 in the condensed interim statement of profit or loss. Consequently, there is no change to the net loss reported in the prior period due to this reclassification. The three column impact, in the context of restatement in the Company's condensed interim financial statements, is not material.

## 6. SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND FINANCIAL RISK MANAGEMENT

The preparation of condensed interim financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. The Company's financial risk management objectives and policies are consistent with those disclosed in the annual financial statements as at and for the year ended December 31, 2023.
