# The Bank of Punjab

# **Directors' Report**

## **Quarterly Financial Statements - September 30, 2024**

On behalf of the Board of Directors, I am pleased to present Un-audited Condensed Interim Financial Statements of The Bank of Punjab for the first nine months of Year 2024.

Building on the economic stability achieved under the IMF SBA program, Pakistan and the IMF reached a Staff-level agreement in July 2024 for a 37-month \$ 7 billion program. The program has been approved by the IMF Executive Board in September 2024, requiring sound policies and reforms to strengthen macroeconomic stability, address deep structural challenges, and create conditions for stronger, inclusive, and resilient growth.

Macroeconomic conditions have shown improvement in the first quarter of FY2025. Headline CPI inflation fell to single digits, reaching 6.9% year-on-year in September 2024, the lowest level since January 2021, and a significant drop from 31.4% in September 2023. Remittance inflows during July-August 2024 rose by 44% year-on-year, helping reduce the current account deficit by 80% to \$171 million. With the receipt of the first \$1 billion tranche under the IMF Extended Fund Facility (EFF), the SBP's foreign exchange reserves are expected to surpass \$10 billion, further reinforcing external sector stability.

The decline in inflation levels in global economies has led to the easing of financial conditions, with the US Fed reducing the Federal funds target range by 50 basis points in September. Since June 2024, the State Bank of Pakistan has reduced the policy rate by 450 basis points, reflecting disinflation and stable domestic and external conditions. With declining inflationary pressures, financial conditions are expected to further ease in FY2025, as witnessed by a sharp decline of upto 500 basis points in short-term secondary market yields since June 2024.

The Bank has successfully implemented IFSR-9 with effect from January 01, 2024 and the impacts of adoption has been duly disclosed in note 4.1 & 4.2 of these unconsolidated condensed interim financial statements. During first nine months of year 2024, the Bank has maintained its growth trends as mentioned hereunder:

Financial Highlights:	<b>Rs. In Million</b>
Profit before taxation	14,097
Taxation	6,188
Profit after taxation	7,909
Earnings per share (Rupees)	2.42

During first nine months of 2024, Bank earned before tax profit of Rs. 14.10 billion as against 8.94 billion during first nine months of 2023 showing an impressive growth of 58%. Non-Markup/ Interest Income increased to Rs. 15.74 Billion as against Rs. 8.77 Billion for first nine

months of 2023 registering a significant growth of 80%. Bank's Net Interest Margin (NIM) improved to Rs. 29.24 billion while Non-Markup Expenses remained at 34.36 Billion. Earnings per Share (EPS) for the first nine months of 2024 improved to Rs. 2.42 per share as against Rs. 1.83 per share during first nine months of 2023.

As at September 30, 2024, Bank's Total Assets stood at Rs. 2,136 billion as against Rs. 2,259 billion as of September 30, 2023. The Deposits of the Bank improved to Rs. 1,574 billion as against Rs. 1,393 billion as of September 30, 2023. Investments & Lending to FIs improved to Rs. 1,224 billion. Gross Advances were recorded at Rs. 682 billion. Bank's Equity improved to Rs. 84 billion as against Rs. 74 billion as on September 30, 2023 with a growth of 13%. Capital Adequacy Ratio significantly improved to 20.23% as against 17.08% as of September 30, 2023, while Leverage Ratio also improved to 3.62% as against 2.98% as on September 30, 2023.

The Bank has been assigned long term entity rating of "AA+" by M/s PACRA with short term rating being at the highest rank of "A1+". The Bank currently has a network of 861 online branches, including 180 Taqwa Islamic Banking Branches and 16 sub-branches. Further, the Bank has a network of 851 ATMs providing 24/7 banking services to the customers. Besides, Bank is also offering a wide range of products/services to its valued clients including Branchless Banking, Mobile Banking, Internet Banking, Credit Card and Cash Management services.

On behalf of the Board, I express my gratitude to our valued customers and shareholders for their enduring support and also assure them that the Bank would maintain its growth trends. I also extend my gratitude to the Government of the Punjab and State Bank of Pakistan for their continuous support and guidance. Further, the Board also appreciates the efforts of management and staff for good financial performance.

For and on behalf of the Board

دی بینک آف پنجاب

ڈائریکٹرز کی ریورٹ

سه ماہی مالیاتی نتائج - 30 ستمبر 2024

بورڈ آف ڈائریکٹرز کی جانب سے، مجھے سال 2024 کے پہلے نو مہینوں کے لیے دی بینک آف پنجاب کے غیر آڈٹ شدہ کنڈینسڈ عبوری مالیاتی بیانات پیش کرنے پر خوشی ہو رہی ہے۔

آئی ایم ایف کے ایس بی اے پروگرام کے تحت حاصل ہونے والے معاشی استحکام کی بنیاد پر، پاکستان اور آئی ایم ایف نے جولائی 2024 میں 37 ماہ کے 7 بلین ڈالر کے پروگرام کے لیے اسٹاف کی سطح پر معاہدہ کیا۔ اس پروگرام کی منظوری آئی ایم ایف کے ایگزیکٹو بورڈ نے ستمبر 2024 میں دی تھی، جس میں میکرو اکنامک استحکام کو مضبوط بنانے، گہر ے ساختی چیلنجوں سے نمٹنے اور مضبوط، جامع اور لچکدار ترقی کے لیے حالات پیدا کرنے کے لیے ٹھوس پالیسیوں اور اصلاحات کی ضرورت ہے۔

مالی سال 2025 کی پہلی سه ماہی میں میکرو اکنامک حالات میں بہتری آئی ہے۔ ہیڈ لائن CPI افراط زر سنگل ہندسوں پر گر گیا، ستمبر 2024 میں سال به سال 6.9% تک پہنچ گیا، جو جنوری 2021 کے بعد سب سے کم سطح ہے، اور ستمبر 2023 میں 31.4% سے نمایاں کمی دیکھی گئی ۔ جولائی-اگست 2024 کے دوران ترسیلات زر کی آمد میں 44% اضافه ہوا ۔ جو سال به سال، کرنٹ اکاؤنٹ خسار ے کو 80% سے \$171 ملین تک کم کرنے میں مدد کرتا ہے۔ IMF توسیعی فنڈ سہولت (EFF) کے تحت 1 بلین ڈالر کی پہلی قسط کی وصولی کے ساتھ، SBP کے زرمبادله کے ذخائر 10 بلین ڈالر سے تجاوز کرنے کی توقع ہے، جس سے بیرونی شعبے کے استحکام کو مزید تقویت ملے گی۔

عالمی معیشتوں میں افراط زر کی سطح میں کمی مالی حالات میں نرمی کا باعث بنی ہے، امریکی فیڈ نے ستمبر میں فیڈرل فنڈز کے ہدف کی حد میں 50 بیسس پوائنٹس کی کمی کی۔ جون 2024 سے، اسٹیٹ بینک آف پاکستان نے پالیسی ریٹ میں 450 بیسس پوائنٹس کی کمی کی ہے، جس سے افراط زر اور مستحکم ملکی اور بیرونی حالات کی عکاسی ہوتی ہے۔ گرتے ہوئے افراط زر کے دباؤ کے ساتھ، مالیاتی حالات مالی سال 2025 میں مزید آسان ہونے کی توقع ہے، جیسا کہ جون 2024 کے بعد سے قلیل مدتی ثانوی مارکیٹ کی پیداوار میں 500 بیسس پوائنٹس تک کی شدید کمی دیکھی گئی ہے۔ بینک نے 01 جنوری 2024 سے IFSR-9 کو کامیابی کے ساتھ لاگو کیا ہے اور اپنانے کے اثرات کو ان غیر مربوط کنڈینسڈ عبوری مالیاتی بیانات کے نوٹ 4.1 & 4.2 میں واضح طور پر ظاہر کیا گیا ہے۔ سال 2024 کے پہلے نو مہینوں کے دوران، بینک نے اپنی ترقی کے رجحانات کو برقرار رکھا ہے جیسا کہ یہاں ذکر کیا گیا ہے:

مالياتي نتائج:

رو ے ملین میں

ٹیکس سے پہلے منافع	14,097
ڻيکس	6,188
ٹیکس کے بعد منافع	7,909
فی شیئر آمدنی (روچ)	2.42

2024 کے پہلے نو مہینوں کے دوران، بینک نے ٹیکس سے پہلے14.10 بلین روپے کا منافع کمایا جو 2023 کے پہلے نو مہینوں کے دوران 8.94 بلین روپے کا منافع کمایا جو 2023 کے پہلے نو مہینوں کے دوران 2023 بلین کے مقابلے میں 58 فیصد کی متاثر کن نمو دکھا رہا ہے۔ نان مارک اپ/ سودی آمدنی بڑھ کر 15.74 ارب روپے ہوگئی جو 2023 کے پہلے نو مہینوں میں 8.77 ارب روپے ہوگئی جو 2023 کے پہلے نو مہینوں میں 8.77 ارب روپے ہوگئی جو 2023 کے پہلے نو مہینوں میں 8.77 ارب روپے ہوگئی جو 2023 کے پہلے نو مہینوں کے مقابلے میں 20 فیصد کی متاثر کن نمو دکھا رہا ہے۔ نان مارک اپ/ سودی آمدنی بڑھ کر 15.74 ارب روپے ہوگئی جو 2023 کے پہلے نو مہینوں میں 8.77 بلین روپے کے مقابلے میں 80 فیصد کی نمایاں نمو دکھا رہا ہے ۔ بینک کا نیٹ انٹرسٹ مارجن (NIM) بہتر ہو کر 29.24 بلین روپے ہو گیا۔ جبکہ نان مارک اپ اخراجات 34.36 بلین روپے رہے۔ 2024 کے پہلے نو مہینوں کے لیے فی شیئر آمدنی ہو کر 29.24 بلین روپے ہو گیا۔ جبکہ نان مارک اپ اخراجات 34.36 بلین روپے رہے۔ 2024 کے پہلے نو مہینوں کے لیے فی شیئر آمدنی (EPS) بہتر ہو کر 29.24 فی شیئر روپے تھی ۔

30 ستمبر 2024 تک، بینک کے کل اٹلڈ 2,136 ارب روبے ہو گئے جو 30 ستمبر 2023 تک 2,259 بلین روبے تھے ۔ بینک کے ڈپازٹ بہتر ہو کر 1,574 ارب روبے ہو گئے جو 30 ستمبر 2023 تک 1,393 بلین روبے تھے ۔ سرمایہ کاری اور FIs کو قرض دینے میں بہتری آئی جو 1,224 بلین روبے رہے ۔ مجموعی ایڈوانسز 682 ارب روبے رہے ۔ بینک کی ایکویٹی 13 فیصد اضافے کے ساتھ بہتر ہوکر 84 ارب روبے ہوگئی جو 30 ستمبر 2023 تک 74 ارب روبے تھی ۔ 30 ستمبر 2023 تک کیپٹل ایڈیکیسی ریشو 17.08 فیصد کے مقابلے میں 2023 فیصد تک نمایاں طور پر بہتر ہو گئی ، جبکہ لیوریج ریشو بھی 2.98 فیصد کے مقابلے میں 3.62 فیصد تک بہتر ہو گئی ۔ بینک کو M/s PACRA کی طرف سے "AA+" کی طویل مدتی درجه بندی تفویض کی گئی ہے جس میں مختصر مدت کی درجه بندی "AA+" کے اعلیٰ ترین درجے پر ہے۔ بینک کے پاس اس وقت 861 آن لائن برانچز کا نیٹ ورک ہے جس میں 180 تقویٰ اسلامی بینکنگ برانچز اور 16 ذیلی شاخیں شامل ہیں۔ مزید برآں، بینک کے پاس 851 اے ٹی ایمز کا نیٹ ورک ہے جو صارفین کو 7/24 بینکنگ خدمات فراہم کرتا ہے۔ اس کے علاوہ، بینک اپنے قابل قدر گاہکوں کو پروڈکٹس/سروسز کی ایک وسیع رینج بھی پیش کر رہا ہے جس میں برانچ

بورڈ کی جانب سے، میں اپنے قابل قدر کسٹمرز اور شیئر ہولڈرز کا ان کی پائیدار حمایت کے لیے شکریہ ادا کرتا ہوں اور انہیں یقین دلاتا ہوں که بینک اپنی ترقی کے رجحانات کو برقرار رکھے گا۔ میں حکومت پنجاب اور اسٹیٹ بینک آف پاکستان کی مسلسل مدد اور رہنمائی کا بھی شکریہ ادا کرتا ہوں ۔ مزید برآں، بورڈ اچھی مالی کارکردگی پر انتظامیہ اور عملے کی کوششوں کو بھی سراہتا ہے۔

بورڈ کے لیے اور اس کی جانب سے

ڈائریکٹر

صدر/سی ای او

## THE BANK OF PUNJAB NOTES TO THE UNCONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2024

## 1. STATUS AND NATURE OF BUSINESS

The Bank of Punjab (the Bank) was constituted in Pakistan pursuant to The Bank of Punjab Act, 1989. It was given the status of a scheduled bank by the State Bank of Pakistan (SBP) on September 19, 1994. It is principally engaged in commercial banking and related services with its registered office at BOP Tower, 10-B, Block E-II, Main Boulevard, Gulberg III, Lahore. The Bank has 861 branches including 16 sub branches and 180 Islamic banking branches (December 31, 2023: 815 branches including 16 sub branches) in Pakistan and Azad Jammu and Kashmir (AJK) at the period end. The Bank also has 257 Islamic banking windows (December 31, 2023: 73). The Bank's ordinary shares are listed on Pakistan Stock Exchange. The majority shares of the Bank are held by Government of the Punjab (GoPb). The Pakistan Credit Rating Agency (PACRA) assigned long term rating of AA+ and short term rating of A1+ to the Bank with stable outlook.

#### 2 BASIS OF PREPARATION

In accordance with the directives of the Government of Pakistan regarding the conversion of the Banking system to Islamic modes, the SBP has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by the banks from their customers and immediate resale to them at appropriate price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these unconsolidated condensed interim financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon.

These unconsolidated condensed interim financial statements are separate financial statements of the Bank in which the investment in subsidiaries is stated at cost less impairment losses (if any) and has not been accounted for on the basis of reported results and net assets of the investee. Consolidated condensed interim financial statements of the Group are being issued separately.

The financial results of Islamic Banking business have been consolidated in these unconsolidated condensed interim financial statements for reporting purposes, after eliminating inter-branch transactions / balances. Key financial figures of the Islamic Banking business are disclosed in note 43 of these unconsolidated condensed interim financial statements.

#### 2.1 Adoption of new forms for the preparation of condensed interim financial statements

The SBP, vide BPRD Circular No. 02 dated February 09, 2023, issued revised forms for the preparation of condensed interim quarterly / half yearly financial statements of the Banks / DFIs which are applicable for quarterly / half yearly periods beginning on or after January 01, 2024 vide BPRD Circular Letter No. 07 of 2023 dated April 13, 2023. The implementation of the revised forms has resulted in certain changes to the presentation and disclosures of various elements of these unconsolidated condensed interim financial statements. These includes the right of use assets and corresponding lease liability which are now presented separately on the face of the statement of financial position. Previously, these were presented under property and equipment (earlier titled as fixed assets) and other liabilities respectively. There is no impact of this change on the unconsolidated condensed interim financial statements in terms of recognition and measurement of assets and liabilities.

#### 2.2 Statement of compliance

**2.2.1** These unconsolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting.

- International Accounting Standard (IAS) 34, "Interim Financial Reporting" and International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;

- Directives issued by the SBP and the Securities and Exchange Commission of Pakistan (SECP);
- Requirements of The Bank of Punjab Act, 1989; and
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017.

Wherever the requirements of the directives issued by the SBP and SECP, the Bank of Punjab Act, 1989, the Banking Companies Ordinance, 1962 and the Companies Act, 2017 differ with the requirements of these IFRS or IFAS, the requirements of the said directives, The Bank of Punjab Act, 1989, the Banking Companies Ordinance, 1962 and the Companies Act, 2017 take precedence.

- **2.2.2** SBP has deferred the applicability of International Accounting Standards 40, "Investment Property" for Banking Companies through BSD Circular No. 10 dated August 26, 2002. The SECP has deferred applicability of IFRS 7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1) / 2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated condensed interim financial statements.
- **2.2.3** The SBP through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred applicability of "Islamic Financial Accounting Standard 3" for Profit & Loss Sharing on Deposits (IFAS 3) issued by the Institute of Chartered Accountants of Pakistan and notified by the SECP, vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IIFS). The standard will result in certain new disclosures in these unconsolidated condensed interim financial statements of the Bank.
- 2.2.4 The SECP vide its notification SRO 633 (I)/2014 dated July 10, 2014, adopted IFRS 10 effective "Consolidated Financial Statements" from the periods starting from June 30, 2014. However, vide its notification SRO 56 (I)/2016 dated January 28, 2016, it has been notified that the requirements of IFRS 10 and section 228 of the Companies Act, 2017 will not be applicable with respect to the investment in mutual funds established under trust structure.
- **2.2.5** The disclosures made in these unconsolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular No. 02 dated February 09, 2023 and IAS-34, "Interim Financial Reporting". Accordingly, these unconsolidated condensed interim financial statements do not include all the information and disclosures required for annual unconsolidated financial statements, and these unconsolidated condensed interim financial statements should be read in conjunction with the annual audited unconsolidated financial statements of the Bank for the year ended December 31, 2023 except for the impact of adoption of IFRS-09 "Financial Instruments" as explained in note 4.1 and 4.2.

#### 2.2.6 Amendments and interpretations of accounting standards that are effective in the current period:

There are certain new and amended standards, issued by the IASB, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2024 but are considered not to be relevant or do not have any material effect on the Bank's operations and therefore are not detailed in these unconsolidated condensed interim financial statements except for IFRS-09 "Financial Instruments", the impact of which is disclosed in note 4.1 and 4.2 to these unconsolidated condensed interim financial statements.

#### 2.2.7 New accounting standards and IFRS interpretations that are not yet effective:

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2025 but are considered not to be relevant or do not have any material effect on the Bank's operations except for:

	Effective date (annual periods beginning on or after)
- Amendments to IFRS 9 and IFRS 7 – Classification and Measurement of Financial Instruments	January 01, 2026
- IFRS 18 - Presentation and Disclosure in Financial Statements	January 01, 2027

#### **3 BASIS OF MEASUREMENT**

- **3.1** These unconsolidated condensed interim financial statements have been prepared under the historical cost convention except for revaluation of freehold land and buildings on freehold land, revaluation of non banking assets acquired in satisfaction of claims, valuation of certain investments, commitments in respect of forward exchange contracts and forward lending at fair value, lease liability against right of use asset and certain staff retirement benefits at present value. Right of use assets which are initially measured at an amount equal to the corresponding lease liability and depreciated over the respective lease terms.
- **3.2** These unconsolidated condensed interim financial statements are presented in Pak Rupees, which is the Bank's functional and presentation currency.

### 4 MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies adopted in the preparation of these unconsolidated condensed interim financial statements are consistent with those applied in the preparation of annual audited unconsolidated financial statements of the Bank for the year ended December 31, 2023 except for the adoption of IFRS-09 "Financial instruments" with effect from January 01, 2024 as mentioned in note 4.1 and 4.2.

#### 4.1 Adoption of 'IFRS-09 - 'Financial Instruments'

As permitted by the transitional provisions of IFRS-09, the Bank has opted for modified retrospective approach and has not restated comparative figures. Any adjustments to the carrying amounts of financial assets and liabilities at the date of transition were recognised in the opening retained earnings and other reserves without restating the comparative information.

The SBP through its BPRD Circular Letter No. 16 dated July 29, 2024 has provided additional clarification on earlier issued 'IFRS 9 - Financial Instruments Application Instructions' to address certain key matters raised by the banks with a direction to ensure compliance by the extended timelines. There are few other matters, including the measurement of unencumbered general provision, income recognition on Islamic financings and the subsidized loans (other than staff loans extended to employees as per HR policy), which are still under deliberation with the SBP. The Bank has continued to follow the existing treatment in respect of these matters till the time SBP issues relevant guidance / clarification.

The adoption of IFRS-09 has resulted in changes in the accounting policies for recognition, classification and measurement of financial assets and financial liabilities and impairment of financial assets.

#### **Business model assessment**

The Bank determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objectives.

The Bank's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- objectives for the portfolio;
- performance of the business model;
- risks that affect the performance of the business model; and
- the expected frequency, value and timing of sales.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realized in a way that is different from the Bank's original expectations, the Bank does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

Eventually, the financial assets fall under either of the following three business models:

i) Hold to Collect (HTC) business model: Holding assets in order to collect contractual cash flows;

ii) Hold to Collect and Sell (HTC&S) business model: Collecting contractual cash flows and selling financial assets; and

iii) Other business models: Resulting in classification of financial assets as FVTPL.

#### Assessments whether contractual cash flows are solely payments of principal and interest (SPPI)

As a second step of its classification process, the Bank assesses the contractual terms of financial assets to identify whether they meet the SPPI test. 'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset.

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and the credit risk. To make the SPPI assessment, the Bank applies judgement and considers relevant factors such as the currency in which the financial asset is denominated and the period for which the markup rate is set.

#### Classification

Under IFRS-09, existing categories of financial assets: Held for trading (HFT), Available for sale (AFS), Held to maturity (HTM) and loans and receivables have been replaced by:

- Financial assets at amortized cost - A financial instrument is measured at amortized cost if these are held with a business model to hold financial assets in order to collect contractual cash flows and such contractual terms give rise to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

- Financial assets at fair value through other comprehensive income (FVOCI) - A financial instrument is measured at FVOCI only if the business model is collecting contractual cash flows and selling assets whose contractual terms give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- Financial assets at fair value through profit or loss account (FVTPL) - A debt financial instrument shall be measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income. However, the Bank may make an irrevocable election at initial recognition for particular investments in equity instruments that would otherwise be measured at fair value through profit or loss to present subsequent changes in fair value in other comprehensive income.

Under IFRS-09, the accounting for financial liabilities remains largely the same as before the adoption of IFRS-09 and therefore, these financial liabilities are being carried at amortized cost.

#### Initial recognition and subsequent measurement

#### a) Financial assets classified as amortized cost

Financial instruments under amortised cost category are initially recognised at fair value adjusted for directly attributable transaction cost. These are subsequently measured at amortised cost. An expected credit loss allowance (ECL) is recognised for financial assets in the profit and loss account. Interest income / expense on these instruments are recognised in the profit and loss account. On derecognition of these financial instruments, capital gain / loss shall be recognised in the profit and loss account.

#### b. Fair value through other comprehensive income (FVOCI)

Financial assets are initially measured at their fair value which includes transaction costs associated with the financial assets.

FVOCI equity securities are subsequently measured at fair value with gains and losses arising due to changes in fair value recognized in OCI. Dividend income is recognized in profit and loss account when the right to receive the payment is established, except when the Bank benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Equity instruments at FVOCI are not subject to an impairment assessment. For equity based financial assets classified as FVOCI, capital gain / loss is transferred from surplus / deficit to unappropriated profit.

FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognized in OCI. Interest income and foreign exchange gains and losses are recognized in profit and loss account. Debt instruments are subject to impairment under Expected Credit Loss model. However, the loss allowance shall be recognized in profit & loss account. On derecognition, cumulative gains or losses previously recognized in OCI are reclassified from OCI to profit and loss account.

#### c) Fair value through profit or loss (FVTPL)

Financial assets are initially measured at their fair value and their associated transaction costs are charged to profit and loss account.

Financial assets (both equity and debt) at FVTPL are subsequently measured at fair value with changes in fair value are recognized in profit and loss account. Interest income on these instruments is recorded into profit and loss accounts. Dividend income on equity instruments is recorded in profit and loss account when the right to receive payment is established. On derecognized gain / loss will be recognised in the profit and loss account. An expected credit loss allowance (ECL) is not recognised for these financial assets.

In addition, on initial recognition, the Bank may irrevocably designate a debt instrument that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

#### Expected Credit Loss (ECL)

The adoption of IFRS-09 has fundamentally changed the Bank's loan loss impairment method with a forward-looking ECL approach. The Bank shall record the allowance for ECL for all financial instruments (loans and other debt financial assets not held at FVTPL, together with loan commitments and financial guarantee contracts).

The assessment of credit risk and the estimation of ECL are required to be unbiased and probability-weighted, and should incorporate all available information which is relevant to the assessment including information about past events, current conditions and reasonable and supportable forecasts of economic conditions at the reporting date. In addition, the estimation of ECL should take into account the time value of money.

The 12mECL (12 months' expected credit loss) is the portion of LTECLs (the lifetime expected credit loss or LTECL) that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date. Both LTECLs and 12mECLs are calculated on either an individual basis or a collective basis, depending on the nature of the underlying portfolio of financial instruments.

Based on the requirement of IFRS-09 and SBP's IFRS-09 application instructions, the Bank has performed an ECL assessment taking into account the key elements such as assessment of Significant Increase in Credit Risk (SICR), Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD). These elements are described below:

- PD: The probability that a counterparty will default, calibrated over the 12 months from the reporting date (stage 1) or over the lifetime of the product (stage 2) and incorporating forward looking information.

- LGD: It is an estimate of magnitude of loss sustained on any facility upon default by a customer. It is expressed as a percentage of the exposure outstanding on the date of classification of an obligor. It is the difference between contractual cash flows due and those that the Bank expects to receive, including any form of collateral.

- EAD: the expected balance sheet exposure at the time of default, incorporating expectations on drawdowns, amortization, pre-payments and forward-looking information where relevant.

A default will deem to have occurred either when the obligation has become over 90 days past due (DPD) or ratings have deteriorated to or beyond ORR 9, markup has been suspended as per Prudential Regulations or an event indicating default i.e., bankruptcy has occurred.

When estimating ECLs on a collective basis for a group of similar assets, the Bank applies the similar principles for assessing whether there has been a significant increase in credit risk since initial recognition.

The Bank has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Bank considers that there has been a significant increase in credit risk when contractual payments are more than 60 days past due.

The ECL allowance is based on the credit losses expected to arise over the life of the asset (LTECL), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on 12mECL as outlined below.

Based on the above process, the Bank groups its loans into Stage 1, Stage 2 and Stage 3, as described below:

- Stage 1: includes financial instruments that don't have a significant increase in credit risk since initial recognition or those have low credit risk at the reporting date. Stage 1 financial instruments also include facilities where the credit risk has improved and these have been reclassified from Stage 2. For these assets, 12-month expected credit losses (ECLs) are recognized and markup is calculated on the gross carrying amount of the asset (that is, without deduction for credit allowance). 12-month ECLs are the expected credit losses that result from default events that are possible within 12 months after the reporting date. It is not the expected cash shortfall over the 12-month period but the entire credit loss on an asset weighted by the probability that the loss will occur in the next 12 months.
- Stage 2: includes financial instruments that have or had a significant increase in credit risk since initial recognition (unless they have low credit risk at the reporting date) but do not have objective evidence of impairment. Stage 2 also includes facilities, where the credit risk has improved and the instrument has been reclassified from Stage 3. For these assets, lifetime ECL are recognized, but markup is still calculated on the gross carrying amount of the asset. Lifetime ECL are the expected credit losses that result from all possible default events over the expected life of the financial instrument. Expected credit losses are the weighted average credit losses with the probability of default ('PD') as the weight.
- Stage 3: includes financial instruments that have objective evidence of impairment at the reporting date. This stage has obligors that already are impaired (defaulted). As per BPRD Circular No. 03 of 2022 dated July 05, 2022 and BPRD Circular Letter No. 16 of 2024 dated July 29, 2024, ECL of Stage 1 and Stage 2 is calculated as per IFRS 9, while ECL of Stage 3 has been calculated based on higher of either the provision as per Prudential Regulations or IFRS 9 at borrower / facility level for corporate / commercial / SME loan portfolios and at segment / product basis for retail portfolio. In computing Stage 3 exposures, the Bank considers PD of 100% and LGDs used are based on regulatory prescribed percentages.

#### Write-offs

The Bank's accounting policy under IFRS 9 remains the same as it was under SBP regulations / existing reporting framework.

#### **Derecognition of Financial Asset / Financial Liabilities**

#### **Financial Assets:**

The Bank derecognises a financial asset when:

- the contractual rights to the cash flows from the financial asset expire;
- it transfers the rights to receive the contractual cash flows in a transaction in which either:

- substantially all of the risks and rewards of ownership of the financial asset are transferred; or

- the Bank neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The Bank enters into transactions whereby it transfer assets recognised in its unconsolidated condensed interim statement of financial position, but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognised.

#### **Financial Liabilities:**

The Bank derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired. The Bank also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognised in the unconsolidated condensed interim statement of profit and loss account.

#### 4.2 Adoption impacts of IFRS-09

The impacts of adoption of IFRS-09 on Bank's statement of financial position as on January 01, 2024 are as follows:

				Impact due to:							
	Balances as of December 31, 2023 (Audited)	Recognition of expected credit losses (ECL)	Adoption of revised classifications under IFRS-09	Business model and SPPI assessment	Related movement in surplus	Reversal / adjustment of provisions held	Total impact - gross of tax	Related Taxation impact	Total impact - net of tax	Adjusted balances as of January 01, 2024	IFRS-09 Category

#### 5 CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The basis for accounting judgments and key estimates adopted in preparation of these unconsolidated condensed interim financial statements are consistent with those applied in the preparation of the annual audited unconsolidated financial statements of the Bank for the year ended December 31, 2023 except for as explained in note 4.1 and 4.2.

#### 6 FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies of the Bank are consistent with those disclosed in the annual audited unconsolidated financial statements of the Bank for the year ended December 31, 2023 except as explained in note 4.1 & 4.2.

16.1 As per privatization initiative approved by the Government of Pakistan (GoP), a new public limited company, Pakistan International Airlines Holding Company Limited (PIAHCL), has been formed by GoP to succeed specified assets and liabilities of Pakistan International Airlines Corporation Limited (PIACL). In this regard, the Bank recorded deferred fair value loss, at a benchmark rate corresponding to the tenor of the loan, arising from the restructuring of syndicated exposure to PIACL in accordance with the guidance issued by SBP vide letter NO. BPRD/BRD/PIAHCL/733688 – 2024 dated August 01, 2024. The impact of deferred loss recognition during the period is disclosed in note 31.2 of these unconsolidated condensed interim financial statements.

23.1 Supreme Court of Pakistan vide its order dated November 10, 2016 has held that the amendments made in the law introduced by the Federal Government for the levy of Workers Welfare Fund (WWF) were not lawful. The Federal Board of Revenue has filed review petitions against this order which are currently pending. Legal advice obtained on the matter indicates that consequent to filing of these review petitions the judgment may not currently be treated as conclusive. Accordingly, the Bank maintained provision in respect of WWF.

The Bank has filed appeals which are pending at various appellate forums. In addition, certain decisions made in favour of the Bank are being contested by the department at higher forums. No provision has been made in these unconsolidated condensed interim financial statements regarding the aforesaid additional tax demand and already issued favourable decisions where the tax department is in appeal, as the management is of the view that the issues will be decided in the Bank's favour as and when these are taken up by the Appellate authorities.

#### 26.4 Claims against the Bank not acknowledged as debts

An amount of Rs. 46,268,295 (December 31, 2023: Rs. 46,313,295 thousand) involved in the claims filed against the Bank are yet to be adjudicated by the concerned Courts as the same have been filed as outburst to Bank's recovery suits. Uptill now, in no case, any claim has been adjudicated, determined or decreed by the Courts against the Bank. Moreover, there is no likelihood of decreeing the suits against the Bank because, the claims are frivolous.

**31.1** During the period, the Bank has derecognized outstanding exposures of certain borrowers amounting to Rs. 2,436,762 thousand through acquisition of properties, in auction and negotiated purchase. Accordingly, a fair value gain of Rs. 1,563,972 thousand has been recognized in these unconsolidated condensed interim financial statements.

**31.2** This amount includes deferred fair value loss arising from the restructuring of Pakistan International Airlines Corporation Limited (PIACL). SBP through its Circular Letter No. BPRD/BRD/PIAHCL/733688 – 2024 dated August 01, 2024 has allowed staggering of such fair value impact over a period of 06 years at rates 5%, 10%, 15%, 20%, 25% and 25% from year 01 to year 06. Accordingly, the Bank has recognized proportionate amount of 1st year's 5% of loss in these unconsolidated condensed interim financial statements.

## **39 FAIR VALUE OF FINANCIAL INSTRUMENTS**

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these are either short-term in nature or, in the case of customer loans and deposits, are frequently reprised.

**39.1** The Bank measures fair vale using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurement using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly. (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

## 39.1.1 Valuation techniques used in determination of fair values within level 2 and level 3

Valuation approach and input used

Federal Government securities	The fair value of Federal Government securities is determined using the prices / rates available on Mutual Funds Association of Pakistan (MUFAP).
Non-Government debt securities	The fair value of non-government debt securities is determined using the prices / rates available on MUFAP
Mutual Fund units	The fair values of investments in mutual fund units are determined based on their net asset values as published at the close of reporting date.
Forward foreign exchange contracts	The fair values of forward foreign exchange contracts and forward Government securities transactions are determined using forward pricing calculations.
Unlisted shares	Break-up value determined on the basis of net assets value of the company using the latest available audited financial statements.
Fixed assets and non-banking assets acquired in satisfaction of claims	Land, buildings on freehold land and non-banking assets acquired in satisfaction of claims are revalued on a periodic basis using professional valuers. The valuation is based on their assessment of the market value of the assets.

## **39.2** Fair value of financial assets

39.3

Item

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorized:

**43.9** The Bank calculates and files a single corporate tax return as per the requirements of Income Tax Ordinance, 2001. Segmental calculation is not required for filing. However, considering the format requirement of the financial statements to disclose Islamic Banking segment's tax charge separately, a notional net tax charge for Islamic Banking is expected to be Rs. 2,843,212 thousand (September 30, 2023: Rs. 1,134,367 thousand).

**43.10** During the period, During the period, following pool has been created:

- RFC USD Special Pool-1 (RFUSD1)

The main characteristics of the pool are as under:

i) Profit sharing ratio between Mudarib and Rab-ul-mal is 20:80 for Special Saving Pool-1 and 30:70 for RFC USD Special Pool-1ii) Profit equalization reserve upto 2% of net income will be created, if needed.

iii) Investment risk reserve upto 1% of distributable profit of depositors will be created, if needed.

## 44 DATE OF AUTHORIZATION FOR ISSUE

These unconsolidated condensed interim financial statements were authorized for issue on October 30, 2024 by the Board of Directors of the Bank.

#### 45 GENERAL

- 45.1 Figures have been rounded off to the nearest thousand rupees, unless otherwise specified.
- **45.2** Corresponding figures have been re-arranged or re-classified wherever necessary, for better and fair presentation. However, no significant reclassification or re-arrangement has been made during the period except for as mentioned below and in notes 2.1, 4.1 and 4.2 to these unconsolidated condensed interim financial statements;

## THE BANK OF PUNJAB AND ITS SUBSIDIARIES NOTES TO THE CONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2024

## 1. STATUS AND NATURE OF BUSINESS

1.1 The Bank of Punjab Group ("the Group") comprises of The Bank of Punjab ("the Bank"), ("the Parent"), Punjab Modaraba Services (Private) Limited (the Management Company), First Punjab Modaraba ("the Modaraba"), BOP Exchange (Private) Limited, Punjab Capital Securities (Private) Limited (100% owned by The Bank of Punjab). For the purpose of these consolidated financial statements, The Bank of Punjab and consolidated subsidiaries are referred to as the Group.

The Group consists of :

#### Parent

THE BANK OF PUNJAB

	% age of holding	% age of holding
	September 2024	8 8 8
Subsidiaries	Rupees in	
Punjab Modaraba Services (Private) Limited	100.00%	100.00%
First Punjab Modaraba	39.16%	39.16%
Punjab Capital Securities (Private) Limited	100.00%	100.00%
BOP Exchange (Private) Limited	-	100.00%

The subsidiary company of the Group, Punjab Modaraba Services (Private) Limited exercises control over First Punjab Modaraba, as its management company and also has a direct economic interest in it. The Group is principally engaged in commercial banking, modaraba management, leasing, brokerage, etc. Brief profile of the Bank and subsidiaries is as follows :

The Bank of Punjab (the Bank) was constituted in Pakistan pursuant to The Bank of Punjab Act, 1989. It was given the status of a scheduled bank by the State Bank of Pakistan (SBP) on September 19, 1994. It is principally engaged in commercial banking and related services with its registered office at BOP Tower, 10-B, Block E-II, Main Boulevard, Gulberg III, Lahore. The Bank has 861 branches including 16 sub branches and 180 Islamic banking branches (December 31, 2023: 815 branches including 16 sub branches and 180 Islamic banking branches (December 31, 2023: 815 branches including 16 sub branches and 160 Islamic banking branches) in Pakistan and Azad Jammu and Kashmir (AJK) at the period end. The Bank also has 273 Islamic banking windows (December 31, 2023: 73). The Bank's ordinary shares are listed on Pakistan Stock Exchange. The majority shares of the Bank are held by Government of the Punjab (GoPb). The Pakistan Credit Rating Agency (PACRA) assigned long term rating of AA+ with stable outlook and short term rating of A1+ to the Bank.

#### Punjab Modaraba Services (Private) Limited

Punjab Modaraba Services (Private) Limited ("PMSL") was incorporated in Pakistan on October 19, 1991 under the Companies Ordinance, 1984 as a private limited company. It is wholly owned by the Bank and is primarily engaged in the business of floating and managing Modarabas.

#### First Punjab Modaraba

First Punjab Modaraba ("FPM"), ("the Modaraba"), was formed under the Modaraba Companies and Modaraba (Flotation and Control) Ordinance, 1980 and rules framed there under and is managed by PMSL (wholly owned subsidiary of the Bank). The registered office of the Modaraba is situated at Office No 100, 3rd floor, National Tower 28-Edgerton Road, Lahore. The Modaraba commenced its operations on December 23, 1992. The Modaraba is listed on the Pakistan Stock Exchange.

#### Punjab Capital Securities (Private) Limited

Punjab Capital Securities (Private) Limited ("PCSL") is registered under the Companies Ordinance, 1984 as company limited by shares from November 29, 2016. PCSL is mainly engaged in business of brokerage services, portfolio management and consultancy services. The registered office of the company is situated at Room No 319, 3rd Floor, LSE Building, Lahore. The Company is wholly-owned subsidiary of the Bank.

#### **BOP Exchange (Private) Limited**

BOP Exchange (Private) Limited was incorporated in Pakistan on April 18, 2024 under the Companies Act, 2017 as a private limited company. It is wholly owned by the Bank and is primarily engaged in the business of currency exchange.

#### 1.2 Basis of Consolidation

Subsidiaries are all entities over which the Bank has the power to govern the financial and operating policies generally accompanying a shareholding of more than one half of the voting rights. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Parent controls another entity. The Bank also assesses existence of control where it does not have more than 50% of the voting power but is able to govern the financial and operating policies by virtue of de-facto control. De-facto control may arise in circumstances where the size of the Bank's voting rights relative to the size and dispersion of holdings of other shareholders give the Bank the power to govern the financial and operating policies etc.

The Group financial statements include the financial statements of the Bank and its subsidiaries.

Subsidiaries are fully consolidated from the date on which control is transferred to the Bank. They are deconsolidated from the date that control ceases to exist. The financial statements of subsidiaries have been consolidated on line by line basis. All significant intercompany transactions, balances, income and expenses on transactions between group companies are eliminated. Profits and losses resulting from inter-company transactions that are recognized in assets are also eliminated.

The Group applies the acquisition method to account for business combinations. The consideration transferred for the acquisition of a subsidiary is the fair values of the assets transferred, the liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. The Group recognizes any non-controlling interest in the acquiree on an acquisition by acquisition basis, at the non-controlling interest's proportionate share of the recognized amounts of acquiree's identifiable net assets. The financial statements of the Bank and its subsidiaries are prepared upto the same reporting date using consistent accounting policies.

Acquisition-related costs are expensed as incurred. If the business combination is achieved in stages, the acquisition date fair value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date through consolidated profit and loss account.

Any contingent consideration to be transferred by the Group is recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration that is deemed to be an asset or liability is recognized either in consolidated profit and loss account or as a change to consolidated statement of comprehensive income. Contingent consideration that is classified as equity is not remeasured, and its subsequent settlement is accounted for within equity.

Goodwill, if any, is initially measured as the excess of the aggregate of the consideration transferred and the fair value of non-controlling interest over the net identifiable assets acquired and liabilities assumed. If this consideration is lower than the fair value of the net assets of the subsidiary acquired, the difference is recognized in consolidated profit and loss account. After initial recognition, is measured at carrying value i.e. cost at the date of acquisition less any accumulated impairment.

Transactions with non-controlling interests that do not result in loss of control are accounted for as equity transactions - that is, as transactions with the owners in their capacity as owners. The difference between fair value of any consideration paid and the relevant share acquired of the carrying value of net assets of the subsidiary is recorded in equity. Gains or losses on disposals to non-controlling interests are also recorded in equity.

When the Group ceases to have control any retained interest in the entity is re-measured to its fair value at the date when control is lost, with the change in carrying amount recognized in consolidated profit and loss account. The fair value is the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognized in consolidated statement of comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognized in consolidated statement of comprehensive income are reclassified to consolidated profit and loss account.

The Bank of Punjab (the Bank) was constituted in Pakistan pursuant to The Bank of Punjab Act, 1989. It was given the status of a

## 2 BASIS OF PREPARATION

In accordance with the directives of the Government of Pakistan regarding the conversion of the Banking system to Islamic modes, the SBP has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by the banks from their customers and immediate resale to them at appropriate price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these consolidated condensed interim financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon.

These consolidated condensed interim financial statements are separate financial statements of the Bank in which the investment in subsidiaries is stated at cost less impairment losses (if any) and has not been accounted for on the basis of reported results and net assets of the investee. Consolidated condensed interim financial statements of the Group are being issued separately.

The financial results of Islamic Banking business have been consolidated in these consolidated condensed interim financial statements for reporting purposes, after eliminating inter-branch transactions / balances. Key financial figures of the Islamic Banking business are disclosed in note 43 of these consolidated condensed interim financial statements.

#### 2.1 Adoption of new forms for the preparation of condensed interim financial statements

The SBP, vide BPRD Circular No. 02 dated February 09, 2023, issued revised forms for the preparation of condensed interim quarterly / half yearly financial statements of the Banks / DFIs which are applicable for quarterly / half yearly periods beginning on or after January 01, 2024 vide BPRD Circular Letter No. 07 of 2023 dated April 13, 2023. The implementation of the revised forms has resulted in certain changes to the presentation and disclosures of various elements of these consolidated condensed interim financial statements. These includes the right of use assets and corresponding lease liability which are now presented separately on the face of the statement of financial position. Previously, these were presented under property and equipment (earlier titled as fixed assets) and other liabilities respectively. There is no impact of this change on the consolidated condensed interim financial statements in terms of recognition and measurement of assets and liabilities.

#### 2.2 Statement of compliance

**2.2.1** These consolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, "Interim Financial Reporting" and International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;

- Directives issued by the SBP and the Securities and Exchange Commission of Pakistan (SECP);
- Requirements of The Bank of Punjab Act, 1989; and
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017.

Wherever the requirements of the directives issued by the SBP and SECP, the Bank of Punjab Act, 1989, the Banking Companies Ordinance, 1962 and the Companies Act, 2017 differ with the requirements of these IFRS or IFAS, the requirements of the said directives, The Bank of Punjab Act, 1989, the Banking Companies Ordinance, 1962 and the Companies Act, 2017 take precedence.

- **2.2.2** SBP has deferred the applicability of International Accounting Standards 40, "Investment Property" for Banking Companies through BSD Circular No. 10 dated August 26, 2002. The SECP has deferred applicability of IFRS 7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1) / 2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated condensed interim financial statements.
- **2.2.3** The SBP through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred applicability of "Islamic Financial Accounting Standard 3" for Profit & Loss Sharing on Deposits (IFAS 3) issued by the Institute of Chartered Accountants of Pakistan and notified by the SECP, vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IIFS). The standard will result in certain new disclosures in these consolidated condensed interim financial statements of the Bank.
- 2.2.4 The SECP vide its notification SRO 633 (I)/2014 dated July 10, 2014, adopted IFRS 10 effective "Consolidated Financial Statements" from the periods starting from June 30, 2014. However, vide its notification SRO 56 (I)/2016 dated January 28, 2016, it has been notified that the requirements of IFRS 10 and section 228 of the Companies Act, 2017 will not be applicable with respect to the investment in mutual funds established under trust structure.
- 2.2.5 The disclosures made in these consolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular No. 02 dated February 09, 2023 and IAS-34, "Interim Financial Reporting". Accordingly, these consolidated condensed interim financial statements do not include all the information and disclosures required for annual consolidated financial statements, and these consolidated condensed interim financial statements should be read in conjunction with the annual audited consolidated financial statements of the Bank for the year ended December 31, 2023 except for the impact of adoption of IFRS-09 "Financial Instruments" as explained in note 4.1 and 4.2.

#### 2.2.6 Amendments and interpretations of accounting standards that are effective in the current period:

There are certain new and amended standards, issued by the IASB, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2024 but are considered not to be relevant or do not have any material effect on the Bank's operations and therefore are not detailed in these consolidated condensed interim financial statements except for IFRS-09 "Financial Instruments", the impact of which is disclosed in note 4.1 and 4.2 to these consolidated condensed interim financial statements.

#### 2.2.7 New accounting standards and IFRS interpretations that are not yet effective:

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2025 but are considered not to be relevant or do not have any material effect on the Bank's operations except for:

	Effective date (annual periods beginning on or after)
- Amendments to IFRS 9 and IFRS 7 – Classification and Measurement of Financial Instruments	January 01, 2026
- IFRS 18 – Presentation and Disclosure in Financial Statements	January 01, 2027

#### **3 BASIS OF MEASUREMENT**

- **3.1** These consolidated condensed interim financial statements have been prepared under the historical cost convention except for revaluation of freehold land and buildings on freehold land, revaluation of non banking assets acquired in satisfaction of claims, valuation of certain investments, commitments in respect of forward exchange contracts and forward lending at fair value, lease liability against right of use asset and certain staff retirement benefits at present value. Right of use assets which are initially measured at an amount equal to the corresponding lease liability and depreciated over the respective lease terms.
- **3.2** These consolidated condensed interim financial statements are presented in Pak Rupees, which is the Bank's functional and presentation currency.

## 4 MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies adopted in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of annual audited consolidated financial statements of the Bank for the year ended December 31, 2023 except for the adoption of IFRS-09 "Financial instruments" with effect from January 01, 2024 as mentioned in note 4.1 and 4.2.

#### 4.1 Adoption of 'IFRS-09 - 'Financial Instruments'

As permitted by the transitional provisions of IFRS-09, the Bank has opted for modified retrospective approach and has not restated comparative figures. Any adjustments to the carrying amounts of financial assets and liabilities at the date of transition were recognised in the opening retained earnings and other reserves without restating the comparative information.

The SBP through its BPRD Circular Letter No. 16 dated July 29, 2024 has provided additional clarification on earlier issued 'IFRS 9 - Financial Instruments Application Instructions' to address certain key matters raised by the banks with a direction to ensure compliance by the extended timelines. There are few other matters, including the measurement of unencumbered general provision, income recognition on Islamic financings and the subsidized loans (other than staff loans extended to employees as per HR policy), which are still under deliberation with the SBP. The Bank has continued to follow the existing treatment in respect of these matters till the time SBP issues relevant guidance / clarification.

The adoption of IFRS-09 has resulted in changes in the accounting policies for recognition, classification and measurement of financial assets and financial liabilities and impairment of financial assets.

#### **Business model assessment**

The Bank determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objectives.

The Bank's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- objectives for the portfolio;
- performance of the business model;
- risks that affect the performance of the business model; and
- the expected frequency, value and timing of sales.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realized in a way that is different from the Bank's original expectations, the Bank does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

Eventually, the financial assets fall under either of the following three business models:

i) Hold to Collect (HTC) business model: Holding assets in order to collect contractual cash flows;

ii) Hold to Collect and Sell (HTC&S) business model: Collecting contractual cash flows and selling financial assets; and

iii) Other business models: Resulting in classification of financial assets as FVTPL.

#### Assessments whether contractual cash flows are solely payments of principal and interest (SPPI)

As a second step of its classification process, the Bank assesses the contractual terms of financial assets to identify whether they meet the SPPI test. 'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset.

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and the credit risk. To make the SPPI assessment, the Bank applies judgement and considers relevant factors such as the currency in which the financial asset is denominated and the period for which the markup rate is set.

#### Classification

Under IFRS-09, existing categories of financial assets: Held for trading (HFT), Available for sale (AFS), Held to maturity (HTM) and loans and receivables have been replaced by:

- Financial assets at amortized cost - A financial instrument is measured at amortized cost if these are held with a business model to hold financial assets in order to collect contractual cash flows and such contractual terms give rise to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

- Financial assets at fair value through other comprehensive income (FVOCI) - A financial instrument is measured at FVOCI only if the business model is collecting contractual cash flows and selling assets whose contractual terms give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- Financial assets at fair value through profit or loss account (FVTPL) - A debt financial instrument shall be measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income. However, the Bank may make an irrevocable election at initial recognition for particular investments in equity instruments that would otherwise be measured at fair value through profit or loss to present subsequent changes in fair value in other comprehensive income.

Under IFRS-09, the accounting for financial liabilities remains largely the same as before the adoption of IFRS-09 and therefore, these financial liabilities are being carried at amortized cost.

#### Initial recognition and subsequent measurement

#### a) Financial assets classified as amortized cost

Financial instruments under amortised cost category are initially recognised at fair value adjusted for directly attributable transaction cost. These are subsequently measured at amortised cost. An expected credit loss allowance (ECL) is recognised for financial assets in the profit and loss account. Interest income / expense on these instruments are recognised in the profit and loss account. On derecognition of these financial instruments, capital gain / loss shall be recognised in the profit and loss account.

#### b. Fair value through other comprehensive income (FVOCI)

Financial assets are initially measured at their fair value which includes transaction costs associated with the financial assets.

FVOCI equity securities are subsequently measured at fair value with gains and losses arising due to changes in fair value recognized in OCI. Dividend income is recognized in profit and loss account when the right to receive the payment is established, except when the Bank benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Equity instruments at FVOCI are not subject to an impairment assessment. For equity based financial assets classified as FVOCI, capital gain / loss is transferred from surplus / deficit to unappropriated profit.

FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognized in OCI. Interest income and foreign exchange gains and losses are recognized in profit and loss account. Debt instruments are subject to impairment under Expected Credit Loss model. However, the loss allowance shall be recognized in profit & loss account. On derecognition, cumulative gains or losses previously recognized in OCI are reclassified from OCI to profit and loss account.

#### c) Fair value through profit or loss (FVTPL)

Financial assets are initially measured at their fair value and their associated transaction costs are charged to profit and loss account.

Financial assets (both equity and debt) at FVTPL are subsequently measured at fair value with changes in fair value are recognized in profit and loss account. Interest income on these instruments is recorded into profit and loss accounts. Dividend income on equity instruments is recorded in profit and loss account when the right to receive payment is established. On derecognized gain / loss will be recognised in the profit and loss account. An expected credit loss allowance (ECL) is not recognised for these financial assets.

In addition, on initial recognition, the Bank may irrevocably designate a debt instrument that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

#### Expected Credit Loss (ECL)

The adoption of IFRS-09 has fundamentally changed the Bank's loan loss impairment method with a forward-looking ECL approach. The Bank shall record the allowance for ECL for all financial instruments (loans and other debt financial assets not held at FVTPL, together with loan commitments and financial guarantee contracts).

The assessment of credit risk and the estimation of ECL are required to be unbiased and probability-weighted, and should incorporate all available information which is relevant to the assessment including information about past events, current conditions and reasonable and supportable forecasts of economic conditions at the reporting date. In addition, the estimation of ECL should take into account the time value of money.

The 12mECL (12 months' expected credit loss) is the portion of LTECLs (the lifetime expected credit loss or LTECL) that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date. Both LTECLs and 12mECLs are calculated on either an individual basis or a collective basis, depending on the nature of the underlying portfolio of financial instruments.

Based on the requirement of IFRS-09 and SBP's IFRS-09 application instructions, the Bank has performed an ECL assessment taking into account the key elements such as assessment of Significant Increase in Credit Risk (SICR), Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD). These elements are described below:

- PD: The probability that a counterparty will default, calibrated over the 12 months from the reporting date (stage 1) or over the lifetime of the product (stage 2) and incorporating forward looking information.

- LGD: It is an estimate of magnitude of loss sustained on any facility upon default by a customer. It is expressed as a percentage of the exposure outstanding on the date of classification of an obligor. It is the difference between contractual cash flows due and those that the Bank expects to receive, including any form of collateral.

- EAD: the expected balance sheet exposure at the time of default, incorporating expectations on drawdowns, amortization, pre-payments and forward-looking information where relevant.

A default will deem to have occurred either when the obligation has become over 90 days past due (DPD) or ratings have deteriorated to or beyond ORR 9, markup has been suspended as per Prudential Regulations or an event indicating default i.e., bankruptcy has occurred.

When estimating ECLs on a collective basis for a group of similar assets, the Bank applies the similar principles for assessing whether there has been a significant increase in credit risk since initial recognition.

The Bank has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Bank considers that there has been a significant increase in credit risk when contractual payments are more than 60 days past due.

The ECL allowance is based on the credit losses expected to arise over the life of the asset (LTECL), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on 12mECL as outlined below.

Based on the above process, the Bank groups its loans into Stage 1, Stage 2 and Stage 3, as described below:

- Stage 1: includes financial instruments that don't have a significant increase in credit risk since initial recognition or those have low credit risk at the reporting date. Stage 1 financial instruments also include facilities where the credit risk has improved and these have been reclassified from Stage 2. For these assets, 12-month expected credit losses (ECLs) are recognized and markup is calculated on the gross carrying amount of the asset (that is, without deduction for credit allowance). 12-month ECLs are the expected credit losses that result from default events that are possible within 12 months after the reporting date. It is not the expected cash shortfall over the 12-month period but the entire credit loss on an asset weighted by the probability that the loss will occur in the next 12 months.
- Stage 2: includes financial instruments that have or had a significant increase in credit risk since initial recognition (unless they have low credit risk at the reporting date) but do not have objective evidence of impairment. Stage 2 also includes facilities, where the credit risk has improved and the instrument has been reclassified from Stage 3. For these assets, lifetime ECL are recognized, but markup is still calculated on the gross carrying amount of the asset. Lifetime ECL are the expected credit losses that result from all possible default events over the expected life of the financial instrument. Expected credit losses are the weighted average credit losses with the probability of default ('PD') as the weight.
- Stage 3: includes financial instruments that have objective evidence of impairment at the reporting date. This stage has obligors that already are impaired (defaulted). As per BPRD Circular No. 03 of 2022 dated July 05, 2022 and BPRD Circular Letter No. 16 of 2024 dated July 29, 2024, ECL of Stage 1 and Stage 2 is calculated as per IFRS 9, while ECL of Stage 3 has been calculated based on higher of either the provision as per Prudential Regulations or IFRS 9 at borrower / facility level for corporate / commercial / SME loan portfolios and at segment / product basis for retail portfolio. In computing Stage 3 exposures, the Bank considers PD of 100% and LGDs used are based on regulatory prescribed percentages.

Write-offs

The Bank's accounting policy under IFRS 9 remains the same as it was under SBP regulations / existing reporting framework.

# Derecognition of Financial Asset / Financial Liabilities

## **Financial Assets:**

The Bank derecognises a financial asset when:

- the contractual rights to the cash flows from the financial asset expire;
- it transfers the rights to receive the contractual cash flows in a transaction in which either:

- substantially all of the risks and rewards of ownership of the financial asset are transferred; or

- the Bank neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The Bank enters into transactions whereby it transfer assets recognised in its consolidated condensed interim statement of financial position, but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognised.

#### **Financial Liabilities:**

The Bank derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired. The Bank also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value. On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognised in the consolidated condensed interim statement of profit and loss account.

#### 4.2 Adoption impacts of IFRS-09

The impacts of adoption of IFRS-09 on Bank's statement of financial position as on January 01, 2024 are as follows:

#### 5 CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The basis for accounting judgments and key estimates adopted in preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the annual audited consolidated financial statements of the Bank for the year ended December 31, 2023 except for as explained in note 4.1 and 4.2.

#### 6 FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies of the Bank are consistent with those disclosed in the annual audited consolidated financial statements of the Bank for the year ended December 31, 2023 except as explained in note 4.1 & 4.2.

16.1 As per privatization initiative approved by the Government of Pakistan (GoP), a new public limited company, Pakistan International Airlines Holding Company Limited (PIAHCL), has been formed by GoP to succeed specified assets and liabilities of Pakistan International Airlines Corporation Limited (PIACL). In this regard, the Bank recorded deferred fair value loss, at a benchmark rate corresponding to the tenor of the loan, arising from the restructuring of syndicated exposure to PIACL in accordance with the guidance issued by SBP vide letter NO. BPRD/BRD/PIAHCL/733688 – 2024 dated August 01, 2024. The impact of deferred loss recognition during the period is disclosed in note 31.2 of these consolidated condensed interim financial statements.

23.1 Supreme Court of Pakistan vide its order dated November 10, 2016 has held that the amendments made in the law introduced by the Federal Government for the levy of Workers Welfare Fund (WWF) were not lawful. The Federal Board of Revenue has filed review petitions against this order which are currently pending. Legal advice obtained on the matter indicates that consequent to filing of these review petitions the judgment may not currently be treated as conclusive. Accordingly, the Bank maintained provision in respect of WWF.

26.3.1	For tax years 2014 - 2023, the tax department disputed Bank's treatment on certain i forums. Such issues inter alia principally include disallowance of expenses for initia practice and provide and provide the provided provided by the provided provided provided by the provided provi				

profit, non availability of underlying records and provision for non performing loans.

The Bank has filed appeals which are pending at various appellate forums. In addition, certain decisions made in favour of the Bank are being contested by the department at higher forums. No provision has been made in these consolidated condensed interim financial statements regarding the aforesaid additional tax demand and already issued favourable decisions where the tax department is in appeal, as the management is of the view that the issues will be decided in the Bank's favour as and when these are taken up by the Appellate authorities.

#### 26.4 Claims against the Bank not acknowledged as debts

An amount of Rs. 46,268,295 (December 31, 2023: Rs. 46,313,295 thousand) involved in the claims filed against the Bank are yet to be adjudicated by the concerned Courts as the same have been filed as outburst to Bank's recovery suits. Uptill now, in no case, any claim has been adjudicated, determined or decreed by the Courts against the Bank. Moreover, there is no likelihood of decreeing the suits against the Bank because, the claims are frivolous.

There were no convertible dilutive potential ordinary shares outstanding as at reporting dates.

## **39 FAIR VALUE OF FINANCIAL INSTRUMENTS**

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these are either short-term in nature or, in the case of customer loans and deposits, are frequently reprised.

**39.1** The Bank measures fair vale using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurement using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly. (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

#### 39.1.1 Valuation techniques used in determination of fair values within level 2 and level 3

Valuation approach and input used

Federal Government securities	The fair value of Federal Government securities is determined using the prices / rates available on Mutual Funds Association of Pakistan (MUFAP).
Non-Government debt securities	The fair value of non-government debt securities is determined using the prices / rates available on MUFAP
Mutual Fund units	The fair values of investments in mutual fund units are determined based on their net asset values as published at the close of reporting date.
Forward foreign exchange contracts	The fair values of forward foreign exchange contracts and forward Government securities transactions are determined using forward pricing calculations.
Unlisted shares	Break-up value determined on the basis of net assets value of the company using the latest available audited financial statements.
Fixed assets and non-banking assets acquired in satisfaction of claims	Land, buildings on freehold land and non-banking assets acquired in satisfaction of claims are revalued on a periodic basis using professional valuers. The valuation is based on their assessment of the market value of the assets.

## **39.2** Fair value of financial assets

Item

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorized:

	September 30, 2024 (Un-audited)
