Subject: Material Information

Dear Sir,

This is to inform our shareholders that Unity Foods Limited (the company) is in advance stage of discussions for long-term off take contracts to export sustainable and traceable biofuel feedstock from Pakistan to global producers of biofuel particularly Sustainable Aviation Fuel.

To achieve this, the company has obtained the International Sustainability and Carbon Certification (ISCC - EU) and executed sample shipments to potential long-term off-takers (customers) which have been received well.

This certification, and subsequent finalization of off-take contract(s), is expected to allow the company to increase its revenue by virtue of exports to EU and Far East customers.

You may please inform the TRE Certificate Holders of the Exchange accordingly.

Yours truly,

Umar Shahzad
Company Secretary
