Directors' Report

On behalf of the directors of M/s Shahzad Textile Mills Limited ("Company"), I am pleased to present the unaudited condensed interim financial information (reviewed by the statutory auditors) for the second quarter and half-year ended December 31, 2024.

The Company's pretax profit in the current quarter is Rs. 50.242 million as compared to a loss of Rs. 55.840 million in the corresponding period of the previous year. In six monthly results, the pre-tax Profit is Rs. 44.977 million as compared to loss of Rs. 27.222 million in the corresponding period of the previous year. However, taxation entails six months loss after tax to Rs 18.843 million as compared to loss of Rs. 90.052 million in the corresponding period of previous year. During six month's period ended December 31, 2024, our Company has achieved sales of Rs. 5.464 billion as compared to sales Rs. 4.943 billion in correspondence period of the previous year.

Loss per share is Rs. 1.05 in the half year ended as compared to loss of Rs. 5.01 per share in the corresponding period of the previous year.

Our Company performed much better in last quarter despite high-energy cost. We are able to get better prices of yarn but variation in demand due to availability of imported yarn at lower rates creates hurdles to our performance. Moreover, fluctuation in raw material prices also destabilize the sale rate of our product. The average prices during the period for cotton and polyester were Rs 18600 per maund and Rs 360 per kg respectively.

FUTURE PROSPECTS

The Government policies, about trade regulations, energy, taxation and incentive for the textile sector always have direct impact on the profitability of textile sector. Supportive policies could boost the local industry that includes ban on imported yarn and reduction in taxation. Although, the decrease in interest rates have positive impact on our economy but regionally competitive energy tariff remains challenging for the growth of textile sector.

The Company is optimistic about sustaining growth in the spinning units for the remainder of the fiscal year. We will continue focusing on expanding market share, and improving operational efficiencies. Furthermore, considering the current challenges, the directors' have decided to revise the directors' loan terms as interest free with effect from July 1, 2024.

ACKNOWLEDGEMENT

We thank our employees, suppliers, and customers for their ongoing contributions to our success. We look forward to continuing to deliver value to all stakeholders in the coming period.

For and on behalf of the Board

Half Yearly Report December 31, 2024

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF SHAHZAD TEXTILE MILLS LIMITED ON REVIEW OF INTERIM FINANCIAL STATEMENTS

INTRODUCTION

We have reviewed the accompanying condensed interim statement of financial position of SHAHZAD TEXTILE MILLS LIMITED ("the Company") as at December 31, 2024 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred to as the ("interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

OTHER MATTER

The figures of the condensed interim statement of profit or loss and the condensed interim statement of comprehensive income for the quarters ended December 31, 2024 and 2023 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2024.

The engagement partner on the audit resulting in this independent auditor's review report is Muhammad Nasir Muneer.
