Subject: Disclosure of Material Information

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1 (a) of PSX Regulations, we hereby convey the following:

In continuation to our earlier announcement dated April 3, 2025, in response to the recent fire incident at Korangi Creek, the Ministry of Energy (Petroleum Division) has constituted a technical committee to oversee the assessment and containment efforts. This committee comprises representatives from PPL, OGDCL and PRL, working together to ensure a swift and effective resolution.

TPL fully supports this collaborative initiative and will actively facilitate the work of the technical committee in every possible way. We commend the proactive measures being taken and deeply appreciate the continued support of the Cantonment Board Korangi Creek, district administration and other government authorities.

We remain committed to managing this situation with the highest sense of responsibility and transparency. TPL will continue to coordinate closely with all relevant stakeholders to ensure a safe environment and effective resolution.

You may please inform the Trading Right Entitlement Certificate Holders of PSX accordingly.

Yours sincerely,

Shayan Mufti
Company Secretary
