Subject: Disclosure of Material Information

Dear Sir,

In accordance with Section 96 and 131 of the Securities Act, 2015 and Clause 5.6.1(a) of Rule Book of Pakistan Stock Exchange Limited (“PSX”), we would like to address the PSX as follows:

Supernet Limited, is pleased to announce a strategic partnership with **Reko Diq Mining Company** to deliver state-of-the-art internet and communication infrastructure at the Reko Diq Copper and Gold Mine in Balochistan.

This collaboration marks a pivotal step in advancing digital connectivity at one of Pakistan’s most strategically significant mining projects. Under the partnership, Supernet Limited will deploy robust, secure, and scalable communication solutions to ensure uninterrupted operations in the remote and challenging terrain of Reko Diq.

“This partnership underscores Supernet Limited’s unwavering commitment to empowering Pakistan’s strategic sectors with world-class technology,” said **Zia Tariq, Head of Sales – Defense** at Supernet Limited. “Reko Diq is a project of national importance, and we are proud to contribute by enabling connectivity in one of the remotest regions of Balochistan. Our solutions will support safe, efficient, and sustainable mining operations.”

Reko Diq Mining Company is developing one of the world’s largest untapped copper and gold deposits. In such remote locations, reliable and secure communication infrastructure is vital to ensure project success and operational integrity.

Supernet Limited integrated services will support real-time operational coordination, safety and security systems, and administrative communications—fostering long-term efficiency, safety, and growth for the Reko Diq project.
