#### DIRECTORS' REPORT

#### FOR THE NINTH MONTHS PERIOD ENDED SEPTEMBER 30, 2024

On behalf of the Board of Directors of PIA Holding Company Limited (PIAHCL), we are pleased to present the performance report along with the financial statements for the period May 01, 2024, till September 30, 2024.

During this five-month period, the Company generated revenue of PKR 185 million. Reported expenses stood at PKR 1,804 million, primarily comprising operational costs of the Precision Engineering Complex (PEC) and retirement benefits disbursed to former employees of Pakistan International Airlines Corporation Limited (PIACL). Additionally, the finance cost of PKR 7,694 million represents interest accrued on government loans. As a result, the Company recorded a net loss of PKR 9,312 million for the period. These liabilities, assumed under the approved Scheme of Arrangement (SOA), are being supported through financial assistance from the Government of Pakistan.

The creation of PIAHCL signifies a forward-looking governance approach, aimed at maximizing long-term value for stakeholders, enhancing financial resilience, and enabling a more agile response to evolving market conditions and customer expectations in a competitive landscape.

For the period ended September 2024, the PIA Investments Limited, a major subsidiary of PIAHCL reported profit before interest and taxation of PKR 11,912 million, while the PIACL has reported a profit before interest and taxation of PKR 6,613 million.

Looking ahead, PIAHCL's management is focused on strengthening revenue generation through leasing its real estate portfolio, earning dividend income, and charging management fees from its subsidiaries. Additionally, efforts are underway to retire outstanding liabilities through proceeds from the privatization of PIACL and monetization of other assets.

Further, in accordance with SOA, the share capital of PIACL was extinguished and transferred to the Company. The same has been treated as investment in PIACL in the books of accounts of the Company.

#### 2 STATEMENT OF COMPLIANCE

These unconsolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of International Accounting Standard (IAS) - 34 'Interim Financial Reporting', issued by the International Accounting Standards Board (IASB) as notified under the Act and provisions of and directives issued under the Act differ with the requirements of IAS 34, the provisions of and directives issued under the Act have been followed.

#### 3 BASIS OF PREPARATION

- 3.1 These unconsolidated condensed interim financial statements do not include all the information and disclosures required in annual financial statements.
- 3.2 These unconsolidated condensed interim financial statements are presented in Pakistan Rupees which is also the Company's functional currency and all financial information presented has been rounded off to the nearest thousand rupees, unless otherwise stated.
- 3.3 These are separate unconsolidated condensed interim financial statements of the Company in which investment in subsidiaries and associates are carried at cost less accumulated impairment loss, if any.

#### 4 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDEMENTS

The preparation of unconsolidated condensed interim financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgements in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognized in the year in which the estimates is revised and in any future years effective. Significant accounting estimates and judgements are disclosed in the relevant notes to these unconsolidated condensed interim financial statements.

#### 5 MATERIAL ACCOUNTING POLICIES

During the period, the Company has adopted the following accounting policies for the preparation of these financial statements.

#### 5.1 Property, plant and equipment

#### Operating fixed assets

Land classified as 'others' are stated at cost, whereas buildings classified as 'others' are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Leasehold land and buildings thereon are initially recognized at cost and are subsequently measured at revalued amounts less accumulated depreciation and impairment losses, if any. Other items of property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Depreciation is charged to the statement of profit or loss, applying the straight-line method. Depreciation on additions is charged from the month in which the asset is available for use and on disposals up to the month preceding the disposal. The useful lives of buildings at revaluation model are determined by the management based on the appraisal of an independent valuer. The assets' residual values, useful lives and methods of depreciation are reviewed, and adjusted, if appropriate, at the end of each reporting period.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss in the year the asset is derecognized. When revalued assets are sold or retired from operation, the relevant remaining surplus is transferred to statement of profit or loss and to retained earnings, respectively.

#### PIA HOLDING COMPANY LIMITED

#### NOTES TO THE UNCONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)

#### FOR THE PERIOD FROM 01 MAY 2024 TO 30 SEPTEMBER 2024

#### Impairment

The carrying values of property, plant and equipment are reviewed at each reporting date for impairment when events or changes in circumstances indicate that the carrying values may not be recoverable. If such indication exists and where the carrying values exceed the estimated recoverable amounts, the assets are written down to their recoverable amounts.

#### Capital work-in-progress

These are stated at cost less accumulated impairment losses, if any.

#### 5.2 Investment property

Property held for rental earning or capital appreciation or both, is classified as investment property. These are measured initially at cost, including related transaction costs directly attributable to acquisition and subsequently carried at their fair values based on market value determined by professional independent valuers on a continuing basis. Gain or loss arising as a result of fair valuation is recorded to statement of profit or loss.

#### 5.3 Investments in subsidiaries and associates

These are stated at cost less accumulated impairment losses, if any.

#### 5.4 Trade debts and other receivables

These are recognised initially at fair value plus directly attributable transaction costs and subsequently measured at amortised cost less provision for impairment.

#### 5.5 Cash and cash equivalents

These are stated at cost.

#### 5.6 Trade and other payables

Liabilities for trade creditors and other amounts payable are recognised initially at fair value plus directly attributable transaction costs and subsequently measured at amortised cost.

#### 5.7 Loans and borrowings

These are initially recognised at fair value of the consideration received less directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method.

The Company recognises the borrowing costs as an expense in the year in which these costs are incurred, except the borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset (i.e., an asset that necessarily takes a substantial year of time to get ready for its intended use or sale) are capitalised as part of the cost of that asset.

#### 5.8 Financial instruments

#### Financial assets and financial liabilities

The particular recognition methods adopted for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with them. Financial assets are de-recognized when the contractual right to future cash flows from the asset expires or is transferred along with the risk and reward of the asset. Financial liabilities are de-recognized when obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on de-recognition of the financial assets and liabilities is included in the statement profit or loss of the current period.

#### Off-setting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount is reported in the financial statements if the Company has a legally enforceable right to set-off the transaction and also intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

#### 5.9 Taxation

#### Current

The charge for current taxation is based on taxable income at the current rates in accordance with Income Tax Ordinance, 2001. Since the Company has not earned any revenue during the period, no tax charge is required in these financial statements.

Deferred tax is provided in full using the balance sheet liability method on all temporary differences arising at the reporting date, between the tax bases of the assets and the liabilities and their carrying amounts. Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which these can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when differences reverse, based on tax rates that have been enacted or substantively enacted by the reporting period.

#### 5.10 Provisions

Provisions are recognized when the Company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are reviewed at each reporting date and adjusted to reflect current best estimate.

#### 5.11 Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates approximating those ruling on the date of the transactions. Monetary assets and liabilities in foreign currencies are translated at the rates using the average spot rate on the reporting date. Gains and losses on translation are taken to the statement of profit or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items, measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value was determined.

#### 22 FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance. The Company's senior management carries out financial risk management under governance approved by the Board of Directors.

#### 22.1 Market risk

Market risk is the risk that the fair value of future cash flows will fluctuate because of changes in market variables such as interest rates, foreign exchange rates and equity price. The Company is not exposed to any foreign currency or equity price risk. However, it is mainly exposed to interest rate risk in respect of financing from GoP.

#### 22.2 Credit risk

Credit risk represents the risk of financial loss being caused if counter parties fail to discharge an obligation. As of the reporting date, the Company is not materially exposed to such risk.

#### 22.3 Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or other financial asset. The Company manages its liquidity risk through support of GOP either in the form of capital / loans or in the form of guarantee to obtain financing from lenders.

#### 23 GENERAL

Being the first accounting period of the Company, there are no comparative figures to report.
