

CORPORATE ANNOUNCEMENT # 9 - TIR OPERATIONS

Dear Investors,

Secure Logistics - Trax Group Limited ("**SLG-Trax**") is pleased to announce that it has successfully completed the delivery of first cargo consignment to Tashkent, Uzbekistan.

As part of the first trial run, two 40-foot container loads carrying textile products were delivered on June 12, 2025. The Prime Movers, are on their return journey.

Consequently, SLG-Trax has become part of a selective group of Pakistan based logistic companies involved in regional logistics under the Transports Internationaux Routiers ("**TIR**") mechanism.

After the successful first run, the Company plans to substantially increase the two-way regional logistics volumes covering multiple markets under both TIR and Transit-Trade. It is expected to enhance the yield of SLG-Trax's Logistic Business Line and consequently the Company's bottom-line.

Sincerely,

Company Secretary
