SUBJECT: Material Information Disclosure – First-Ever Export of Beef Casings to Europe.

Dear Sir,

Pursuant to Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of the PSX Regulations, we are pleased to share the following material information with our shareholders and TRE Certificate holders:

*We are delighted to announce that **The Organic Meat Company Limited** has proudly become the first Pakistani listed company to successfully export beef casings to Europe. This groundbreaking achievement marks a significant milestone not only for the Company but also for Pakistan's meat processing and export industry.*

This inaugural export positions the Company on the global map as a trusted supplier in the high-potential European market and opens up exciting new avenues for export growth. It reflects our continuous efforts to diversify our product range and expand our international footprint.

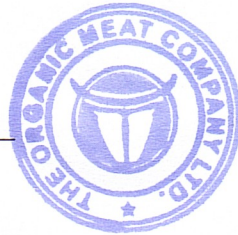

The Company expects this development to positively contribute to its revenue and profitability in the near future. We request you to kindly disseminate this information to all TRE Certificate holders of the Exchange.

Warm regards,

For: **The Organic Meat Company Limited**
