Subject: **Material Information**

Dear Sir,

In accordance with Clause 5.6.1(a) of the Pakistan Stock Exchange Limited Regulations, we wish to inform that Treet Battery Limited ("TBL") has entered into an agreement with Highstar Digital Energy Technology (Guangdong) Co., Ltd ("Highstar") (a limited liability company incorporated in the Peoples Republic of China) for the import and sale of lithium-ion batteries in Pakistan.

This strategic step marks TBL's entry into the fast-growing lithium-ion battery segment, supplementing its existing operations in lead-acid batteries. The collaboration with Highstar, a recognized global manufacturer of energy storage solutions, positions TBL to diversify its product portfolio and capture emerging opportunities in renewable energy, electric mobility, and sustainable power applications.

By introducing lithium-ion technology to the local market, TBL seeks to strengthen its competitive position, broaden its revenue streams, and create long-term value for shareholders. The management is confident that this development will support future growth and enhance investor confidence in the company's direction.

You may please inform the TREC holders accordingly.

For and on behalf of **Treet Battery Limited**

Taimoor Vakil Malik
Company Secretary
