# VISION

We will strive to attain market leadership by **putting patients first** and seeing every day as a new opportunity to earn trust and credibility.

# MISSION

We aim to improve the quality of life by providing innovative healthcare solutions, ensuring patient access to quality treatment and cure. In doing so, we will:

- Enhance shareholder value
- Lead in employee development
- Collaborate for excellence
- Be ethical & transparent

**PEOPLE  
TRUST  
US**

# OUR CORE VALUES

## PUTTING PATIENTS FIRST

Our purpose for existence and ultimate measure of success is our impact on the improvement of human lives.

## TRUSTWORTHINESS

We work hard every day to earn the trust of patients, healthcare providers, employees, business partners and other stakeholders.

## COLLABORATION

None of us is as smart as all of us. We come together, work together and win together.

## EXCELLENCE

We are committed to a culture of excellence and raising the bar every time.

# CODE OF BUSINESS CONDUCT

We conduct our business in an ethical manner, consistent with the vision, mission, and excellence framework of the company. The Ferozsons Laboratories Limited Code of Business Conduct is meant to serve as a guide for our strategies, plans, actions, and behaviors in our areas of operation.

The complete code of business conduct can be found on the corporate website.

# PRINCIPAL ACTIVITIES

Established in 1956, Ferozsons Laboratories Limited is one of Pakistan's first pharmaceutical companies. The company is in the seventh decade of serving the nation with breakthrough pharmaceuticals and medical technologies.

# OUR STORY – PURPOSE LED EVOLUTION

Ferozsons Laboratories Limited has grown to become Pakistan's fastest-growing pharmaceutical company and is recognized for its unwavering commitment to alleviate patient suffering through good quality and innovation. With a diverse portfolio of over 130 brands across key therapeutic areas — including cardiology, diabetes, hepatology, gastroenterology, and dermatology — we have built a strong presence both locally and internationally. Today, we serve patients in over 30 low and middle-income countries (LMICs), addressing their unique healthcare needs with tailored, accessible solutions.

Our progress is powered by a dedicated workforce of more than 1,500 employees and supported by two state-of-the-art manufacturing facilities in Nowshera and Lahore (BF Biosciences Limited), ensuring high-quality, compliant, and scalable production capabilities.

The foundations of the Ferozsons Group date back to 1894, when Maulvi Ferozuddin Khan established the Ferozsons publishing house with a vision to uplift education and healthcare across the subcontinent. Staying true to this mission, Ferozsons Laboratories Limited was founded in 1956, becoming one of Pakistan's first pharmaceutical company. Just four years later, in 1960, we became the first Pakistani pharmaceutical company to be listed on the Pakistan Stock Exchange (formerly Karachi Stock Exchange), marking a major milestone in our journey of growth and trust. Since then, we have a consistent record of financial performance. The Company is a multiple-time recipient of the PSX Top 25 Companies Award (formerly KSE Top 25 Companies Award).

# PURPOSE LED PHARMACEUTICAL MANUFACTURING

Ferozsons Laboratories Limited has a fully current Good Manufacturing Practices (cGMP) compliant production facility in Nowshera, which is ISO 9001 certified and fully equipped with state-of-the-art manufacturing and testing equipment. Our production capabilities include the manufacturing of tablets, capsules, syrups, suspensions, creams and ointments. Our joint venture state of the art facility, BF Biosciences Limited in Lahore, is the 1st biopharmaceutical plant of Pakistan. It produces specialized injectables in vials, ampoules and prefilled syringes. It is a pioneering endeavor designed in line with EU and US FDA standards by leading European Pharmaceutical Designers “Telstar Projects”.

# OUR JOURNEY - PURPOSE LED PARTNERSHIPS

One of the first local pharmaceutical manufacturing facilities in Pakistan

**1956**

Joint venture to establish Pakistan's first Biotech Plant

**2006**

Introduction of world's leading premium Swedish probiotics in Pakistan

USFDA approved portable  
ultrasound solutions in  
Pakistan

Entered into partnership  
with Nihon Kohden for  
distribution of medical  
electronics

**2022**

Introduction of Remdesivir  
to treat hospitalised  
patients with severe  
COVID-19 disease

**2020**

**2024**

Became 1 of the 6 global  
licensees to have successfully  
signed a voluntary license  
agreement with Gilead  
Sciences for manufacture and  
sale of licensed generic  
Lenacapavir

# COLLABORATION – PURPOSE LED STRATEGIC CONNECT

At Ferozsons, our commitment to collaboration extends to building lasting partnerships with global leaders in healthcare and biotechnology. In 2009, this spirit of collaboration led to a landmark joint venture with the Bagó Group of Argentina to establish BF Biosciences — Limited Pakistan's first biotech pharmaceutical company. Our global network then grew to include trusted international partners such as BioGaia of Sweden, to introduce premium Swedish probiotics in Pakistan, Butterfly's for their US FDA portable ultrasound machines and Nihon Kohden of the Middle East, for their medical devices.

We are proud to serve as the marketing and distribution partner in Pakistan for Boston Scientific Corporation (USA), bringing advanced interventional devices to local clinicians and patients. We have a longstanding collaboration with Gilead Sciences Inc., one of the world's most innovative biotech companies in the viral hepatitis and HIV space. These partnerships reflect our drive to expand access, elevate care, and stay at the forefront of medical innovation in Pakistan.

# PUTTING PATIENTS FIRST – OUR CORE VALUE MISSION

At Ferozsons, our unwavering commitment to “Putting Patients First” continues to guide every aspect of our — work from the medicines we deliver to the impact we strive to create. We have built a strong foundation in acute care, addressing urgent health needs through our robust portfolio in GI, liver care and antibiotics. Simultaneously, we are accelerating our focus in Chronic care. Pakistan faces some of the highest burdens of diabetes, heart disease, and metabolic disorders in the region. With a growing portfolio in diabetes management, cardiovascular health, and metabolic disorders, Ferozsons is expanding access to long-term care solutions for patients who need them most. As we deepen our presence in both domains, our patient-centered approach ensures that we remain responsive to the country’s evolving healthcare challenges — improving lives through innovation, access, and care.

We share a common goal with our nation — to create a “Hepatitis Free Pakistan” and to support the journey toward “Stop Diabetes.” We take immense pride in the lives we have saved along the way, whether through our groundbreaking hepatitis C treatment or our critical role in combating COVID-19 with Remidia.

Through our range of branded generics and in-licensed products, the Company has established a leading presence in the areas of cardiology, gastroenterology, hepatology, dermatology and anti-infective treatments, and is expanding in other key therapeutic areas where unmet needs exist such as diabetes, metabolic health, pediatrics and women’s health.

# PURPOSE LED TRANSFORMATION FOR TREATMENT OF HIV

In October 2024, Ferozsons Laboratories Limited entered into a non-exclusive voluntary license agreement with Gilead Sciences for the manufacture and sale of licensed generic lenacapavir in resource-constrained, high burden and resource-limited countries in the developing world. Ferozsons is one of six global partners to have successfully signed a voluntary license agreement with Gilead to produce high-quality generic of lenacapavir.

Under this non-exclusive license, Ferozsons can manufacture and sell, subject to required regulatory approvals, its licensed generic of Gilead proprietary compound Lenacapavir in 120 (one hundred twenty) primarily low and lower- middle income countries. Lenacapavir is approved by US FDA for infection caused by the human immunodeficiency virus (HIV) for heavily treatment-experienced patients (“HTE”), and for use in HIV prevention. It comes in two dosage forms, i.e. oral solid dosage (OSD) and injectables. The injectable dosage form will be manufactured at BF Biosciences Limited under a CMO arrangement, while, the oral dosage form will be manufactured at Nowshera plant.

# PURPOSE LED INNOVATION – NEW BRANDS IN OUR PORTFOLIO

In line with our unwavering commitment to ensure access to the latest treatment and cure to a large number of patients, we have continued to expand our product portfolio. We have launched a number of high-quality generics in the market. Below are some of our new launches in the year under review.

## DAPXIGA-M

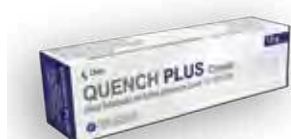

## EMPAGEN TRIO

## COVANCE-H

## QUENCH-PLUS

## ACYLEX-H

## CRISABO

## CARVEDA-N

## APV

## BRONOCHOL NATURAL

At Ferozsons, our commitment to Putting Patients First goes beyond treatment — it extends across the entire patient journey. As one of the few healthcare companies in Pakistan offering a truly integrated model of care, we deliver solutions that span Drugs, Diagnostics, and Devices — what we call our 3D Care Model. From cutting-edge equipment of Boston Scientific and Nihon Kohden, that enables early and accurate diagnosis, to innovative therapies that support recovery and cure, to life-saving devices that enable timely interventions — Ferozsons brings it all together under one purpose-led platform. When executed synergistically, this powerful 3D approach transforms not just care delivery, but patient outcomes — empowering healing at every step, with purpose at the core.

Our cardiology teams in collaboration with Boston Scientific offer end to end cardiac care from diagnosis to medication to device-based interventions. They conducted numerous activities for creating awareness about the concept, developing and conducting training programs and capacity building of our healthcare professionals regarding the complete patient journey for improving patient outcomes. The model is being adopted by our urology and gastroenterology units as well.

# BEYOND BORDERS

In our export markets, we actively operate in numerous international regions, making our products accessible to patients while conducting business with a steadfast commitment to putting patients first. This proud heritage has been the cornerstone of our success, enabling us to achieve milestones and paving the way for even greater accomplishments in the future.

Ferozsons Laboratories Limited is globally recognized for upholding the highest standards of quality and ethical practices. With an expanding presence across Asia, Africa, and Central Asia, Ferozsons is a trusted name in healthcare markets worldwide. Currently, we export a wide range of premium products to over 30 countries. As we continue to grow, we remain committed to further expanding our global footprint into new markets.

# VENTURING INTO NEW ARENAS AND FUTURE STRATEGY

Looking towards the future, we continue to innovate to address the patient need in Pakistan. Our legacy of earning trust and commercial excellence remains the cornerstone of our efforts, ensuring that our contributions to public health are recognized and that we are seen as a trusted partner in the pursuit of a healthier future for all.

**As we craft our strategy, we are guided by several key pillars:**

## **EFFICIENCY**

across key departments will allow us to grow more sustainably and ensure a healthy bottom-line for the company. At the heart of this theme is our focus on Putting Patients First Efficiently.

## **TRANSPARENCY**

to earn and maintain stakeholder trust.

## **RESEARCH AND MEDICAL EDUCATION**

to stay at the forefront of scientific advancements.

## **STRATEGIC ALLIANCES AND COLLABORATIONS**

to expand into new areas and markets.

**CREATING IMPACT –  
EMPOWERING  
COMMUNITY WITH  
EDUCATION & HEALTH**

Service, Education, and Research are the three pillars of academic medicine. Despite generating a wealth of patient data at institutions across Pakistan, medical research remains an undeserved pillar in the country. This prevents us from contributing adequately to global knowledge in Medicine, but also from generating evidence-based treatment guidelines based on our own population, and taking informed policy decisions in public health.

To address the research gap in healthcare, the Ferozsons Initiative for Research Excellence (FIRE) was launched in 2023. FIRE is a three-way collaboration between Ferozsons Laboratories Limited, LUMS (Lahore University of Management Sciences), and iHart (Innovations in Healthcare Advocacy, Research and Training).

FIRE aims to act as a knowledge hub to develop tools and build HCP capacity and support clinicians across Pakistan in conducting clinical studies and population research. Under this partnership, LUMS will offer courses and provide research facilitation to clinicians and institutions across the country to help address Pakistan's most pressing healthcare challenges.

The inaugural Clinical Research Design Course was launched and successfully completed in May 2024. Subsequently, another course was offered in December 2024. Approximately 70 participants from the healthcare community were selected and taught the fundamentals of clinical research with a commitment to support research proposals by a team of renowned experts and faculty. The participants upon training have been successful in application for financial grants on a global level, publications and overall improvement in quality of research.

Over the past decade, the number of women joining the healthcare workforce has surged. Yet, despite this growth, women continue to be underrepresented in leadership positions within medicine on a global scale. To bridge this gap and empower women in leadership roles, Ferozsons Laboratories Limited launched the Women in Leadership League in Medicine (Will-Med) forum, in collaboration with key figures from the medical community, on International Women's Day.

The goal of Will-Med is to inspire female workforce and female medical students to not only enter the healthcare workforce but to thrive and reach their full potential. This forum will offer mentorship, training, and support to emerging women leaders in medicine and surgery, while also hosting webinars, symposia, and workshops to foster leadership development and networking.

Pakistan is fortunate to have many exceptionally talented women in the health sector. However, despite the presence of outstanding role models, women still face underrepresentation in leadership roles. The launch of the Will-Med forum reinforces our commitment to closing this gap, believing that improving women's leadership in healthcare will significantly enhance patient care across the country.

At Ferozsons Laboratories Limited, we are dedicated to delivering excellence to our customers while also prioritizing the development and well-being of our people. As part of this commitment, we recognize the importance of fostering a workplace where women can thrive, grow, and lead. With a diverse workforce and a growing number of female professionals, we are proud of our initiatives like WILL-MED, which supports women in leadership roles in medicine.

We are focusing inward to further enhance gender inclusivity and professional development opportunities within our organization. By strengthening internal policies, enriching workplace culture, and offering structured skill-building programs, we aim to create a thriving, supportive, and growth-oriented environment where the growing number of women professionals at Ferozsons can achieve their full potential. In this light, on International Women's Day 2025, Ferozsons launched the initiative "WILL-CORP" - Women in Leadership League - Corporate". The key objectives of this initiative is to enhance skill development through structured training and mentorship, foster an inclusive work culture with policies supporting women's growth and promote networking and industry representation to elevate women's voices.

Pakistan is now home to the world's largest population suffering from Viral Hepatitis. This poses an existential threat to Pakistan and its overburdened health system. We are privileged to partner with our esteemed faculty and dedicated healthcare professionals to advocate best practices for combating viral hepatitis. Awareness, early diagnosis and timely management is key to Pakistan's effort in battling this epidemic and ensuring the well-being of our fellow citizens. Therefore, with our key initiative "Hepatitis Free Pakistan," we consistently aim at tackling the disease through awareness, prevention, elimination and capacity building. As an extension to our corporate initiative, we have initiated Hepatitis Free Ferozsons - a Company-wide hepatitis awareness, screening and treatment as a micro-elimination activity for the wellbeing and health of our employees. Under this initiative, the company successfully conducted screening of its employees for Hepatitis B and C.

According to the International Diabetes Federation (2021), Pakistan has the highest prevalence (30.8%) of Diabetes in the world with over 33 million patients countrywide. What's even more alarming is that 8.9 million individuals living with diabetes remain undiagnosed and half of those who do know are struggling to manage it effectively. With a staggering 29% mortality rate, the need for effective treatment options has never been more urgent. Ferozsons Laboratories launched the "Stop Diabetes Campaign" across Pakistan with the aim of controlling the spread of the disease. In addition to our portfolio, we strongly aim to raise awareness among the masses about a healthy lifestyle.

In terms of obesity, Pakistan ranks tenth out of 188 countries, with 50% of the population being overweight or obese. According to the World Obesity Federation, 5.4 million Pakistani school-aged children will be obese by 2030. Thus, Pakistan is grappling with the twin problems of over-nutrition and poor nutrition. However, obesity is not just a cosmetic concern, it's a medical problem that increases the risk of many other diseases and health problems. These can include heart disease, diabetes, high blood pressure, high cholesterol, liver disease, sleep apnea and certain cancers. In light of this, Ferozsons Laboratories launched a campaign "Or Less Again" focused on raising awareness and capacity building about lifestyle and health.

Pakistan faces a rapidly escalating crisis of cardiovascular-renal-metabolic (CVRM) cluster of diseases, demanding an urgent shift towards a more effective and integrative approach to patient care. According to the International Diabetes Federation (IDF), Pakistan has third highest number of people living with diabetes in the world, with an estimated 33 million individuals affected in 2021. The highest comparative diabetes prevalence rates in 2021 are reported in Pakistan (30.8%). The convergence of these conditions fuels a surge in cardiovascular disease, chronic kidney disease, and associated complications of metabolic health with 45.6 million people suffering from CVD coupled with 31.2 million suffering from renal diseases. While precise figures are difficult to obtain, it is estimated that NCDs, including CVRM cluster of diseases need a fragmented, disease-centric model. This initiative proposes a paradigm shift towards integrative care for metabolic health, recognizing the intricate interplay between cardiovascular, renal, and metabolic systems.

MAGIC is a pioneering initiative of Ferozsons Laboratories Limited that brings together experts from across the fields of diabetes, obesity, cardiovascular health, nephrology, and hepatology, aiming to develop a comprehensive and collaborative approach to metabolic care. With an ever-growing prevalence of metabolic disorders globally, MAGIC's mission is to integrate latest scientific research, clinical insights, and therapeutic advancements into cohesive and patient-centered strategies.

The emergence of antimicrobial resistance is a complex problem driven by many interconnected factors, in particular the use and misuse of antimicrobials. Pakistan ranks 176th out of 204 nations in AMR-related mortality per 100,000 people. In 2019, the Global Research on Antimicrobial Resistance Project reported 59,200 deaths in Pakistan directly attributable to AMR, with an additional 221,300 deaths listed as AMR-associated. AMR was therefore the third-leading cause of death for Pakistanis in 2019, behind only cardiovascular disease and maternal/neonatal disorders.

WAAR "Winning Against Antimicrobial Resistance" Initiative is aimed at stopping antimicrobial and antifungal resistance by addressing the root causes—unethical use and misuse of medications. The goal is to raise awareness and encourage responsible use of antibiotics and antifungals to ensure that these drugs continue to work in the future. WAAR's key strategies include public education, training of healthcare workers, and community engagement.

# NATIONAL OUTREACH PROGRAMME

Ferozsons annually supports the National Outreach Programme (NOP) of the Lahore University of Management Sciences (LUMS). Our scholarship endowment fund supports need-based scholarships for NOP students.

A young boy with dark hair, wearing a blue sweater over a dark shirt, is peeking through tall green grass. He is smiling and looking towards the camera. In the background, there is a long, low brick wall and some buildings under a grey sky.

# TCF SPONSORSHIPS

Ferozsons supports events organized by TCF for fundraising. In addition to this, we continue to support the TCF Khalid Waheed Campus in Muzaffargarh since 2006.

# LEGISLATIVE & POLITICAL ENVIRONMENT

Our Legal & Regulatory Affairs department works closely with the relevant government departments and with our internal HR, Finance, Production, and Internal Audit teams to ensure that the Company is in compliance with all rules and regulations defined by the concerned authorities in letter and in spirit.

Exchange rate devaluation and inconsistent healthcare policy regimes have adversely affected the pharmaceutical industry. We work with the industry associations and constantly liaise with government bodies to reduce these adverse impacts and quickly adapt to the changing policy framework.

# OCCUPATIONAL HEALTH, SAFETY & ENVIRONMENT POLICY

In line with our Code of Business Conduct and Excellence Framework, we are committed to the protection of the environment and maintaining a safe and healthy workplace for all our employees. Our complete Occupational Health, Safety, and Environment Policy can be found on our corporate website.

# DIVERSITY & INCLUSION REPORTING

Ferozsons Laboratories Limited is committed to providing a workplace that includes people from diverse backgrounds, regardless of any gender, disability, race, ethnicity, origin, religion, or economic status. This is also evident by the fact that Company has three female directors represented on its seven-member Board. Women employed at C - 1 and C - 2 levels currently constitute 25% and 10% of their cadres respectively. C - 1 level refers to the HoDs reporting directly to the CEO, whereas C - 2 level refers to the employees directly reporting to the HoDs. The Company has also employed differently-abled people who are currently engaged in managing stores/warehousing operations.

# SUSTAINABLE DEVELOPMENT GOALS

## ZERO HUNGER

Under its Omega Initiative to combat hunger, the Company collaborated with Rizq, an innovative food bank, to distribute meals to vulnerable populations. The Initiative aims to provide nutrition to underprivileged families and help reduce the number of malnourished people in Pakistan.

## GOOD HEALTH & WELL-BEING

Despite exemptions available to pharmaceutical companies during the COVID-19 lockdowns, the Company went the extra mile to ensure its employees' safety by implementing a 'Work from Home' policy wherever possible. The Company also provided free treatments to employees and their family members infected with COVID-19. Furthermore, the Company also conducts periodic screening for Hepatitis and Diabetes of employees. It encourages them to take care of their health by attending awareness seminars.

## QUALITY EDUCATION

The Company annually supports the Lahore University of Management Sciences (LUMS) in its academic initiatives, as well as in the National Outreach Program (NOP). The NOP program fully funds exceptional students at the base of the economic pyramid from remote parts of Pakistan. The Company also regularly supports the Citizens Foundation in the area of primary and secondary education.

The Company also has a policy to provide added education allowances to employees within eligible cadres to support their children's educational expenses.

## **GENDER EQUALITY**

We are an equal opportunity employer and encourage female aspirants at all levels in the Company. We are proud to have a significant representation of females on the Board of Directors and management teams.

## **CLEAN WATER AND SANITATION**

The Company operates a specialized water treatment plant for the treatment of effluent water. Effluents are disposed of strictly in line with environmental guidelines. Regular inspections and maintenance activities are performed to avoid blockages, leakages, or contaminations.

## **AFFORDABLE AND CLEAN ENERGY / CLIMATE ACTION**

In order to promote green energy, the Company has invested in two solar power plants of one-megawatt each. This shows our commitment to green energy and reduce carbon footprints.

## **DECENT WORK AND ECONOMIC GROWTH**

We provide market-based compensation packages and an open, fair and friendly work environment for all employees. As a leading employer of skilled labour and through import-substitution and value-added exports, the Company supports Pakistan's growth and export-diversification agenda.

## INDUSTRY INNOVATION AND INFRASTRUCTURE

We have transformed our production facility through a major technology upgradation program, with an investment of over Rs. 2 billion. Our subsidiary Company BF Biosciences Limited, which was declared a State-of-the-Art facility at its inception, has also completed its major expansion to manufacture broad range of injectables.

## REDUCED INEQUALITIES

The Company fully adheres to all Government's compensation policies in its salaries and wages. We are an equal opportunity employer and are committed to hiring the best talent irrespective of gender, disability, race, ethnicity, origin, religion, or economic status.

## PARTNERSHIPS FOR THE GOALS

We have collaborated with different partners across the globe to ensure patient access to quality treatment and cure. Under a partnership with Gilead Sciences Inc., we manufactured and supply Remdesivir, the first treatment for Covid-19 authorized by the US FDA, to patients in Pakistan and numerous developing countries across the globe under Gilead's Global Patient Support (GPS) Program. We have also introduced the world's first Hepatitis E vaccine in Pakistan. Hepatitis E is hyperendemic in Pakistan and has high mortality in pregnant women and patients of Chronic Liver Disease. The Company also partners with other Non-Profit Organizations, including LUMS, Cancer Research & Treatment Foundation, Parsa Trust, Rizq, and others to support various Sustainable Development Goals.

# STATEMENT ON GENDER PAY GAP

We are an equal opportunity employer committed to ensuring fairness and equality in all aspects of our employment practices. We are happy to confirm that there are no differences in pay scales between male and female employees performing equivalent roles. Our compensation structure is based solely on qualifications, experience and performance in order to ensure all employees are rewarded equitably, regardless of gender. We continuously review our policies to maintain a work environment that supports equity, diversity, and inclusivity so that every employee has an equal opportunity to thrive.

# CHAIRPERSON'S REVIEW REPORT TO SHAREHOLDERS FOR THE YEAR ENDED 30 JUNE 2025

I am pleased to present the Review Report to the shareholders on the Board's overall performance and effectiveness in achieving the Company's objectives.

## Review of Overall Performance and Effectiveness of the Board

The Board has diligently fulfilled its roles and responsibilities, making significant contributions to the Company's strategic leadership. It has conducted regular reviews of the Company's financial statements and governance matters, including the transparency of disclosures, policies, corporate plans, budgets, and compliance with regulatory requirements.

In addition to reviewing strategic and critical business matters, the Board has specifically assessed the risks posed by change in macroeconomic factors and supply chain disruptions to the Company. Appropriate safeguards have been taken to minimize the impacts of these adverse factors on the Company.

The composition of the Board of Directors reflects a mix of varied backgrounds to provide quality strategic direction to the management. The Board has also formed subcommittees, including the Human Resource & Remuneration Committee, the Audit Committee, and the Investments Committee. These sub-committees are operating effectively within the framework of law.

The Board has approved a risk management framework with a vision to implement a robust system of internal controls and provide an effective control environment for compliance with the best practices of Corporate Governance. The Board has also stressed on high standards of honesty and integrity as pivotal factors for success of the business and Company.

As required by Listed Companies (Code of Corporate Governance Regulations) 2019, annual evaluations of the Board of Directors and its subcommittees have been carried out. This evaluation aims to ensure that Board has the skills required to provide strategic leadership to the Company. Improvement areas, if any, identified as part of the evaluation process are addressed accordingly. Based on the latest feedback received, the evaluation and performance of the Board is considered satisfactory.

## Acknowledgement

On behalf of the Board of Directors, I would like to extend my special gratitude to all shareholders for their continued trust and support. I acknowledge with thanks our employees' dedication and hard work at all levels and look forward to their continued support. I would also like to appreciate the commendable efforts and commitment of our Board Members and CEO in providing strategic leadership to the Company.

# DIRECTORS' REPORT TO SHAREHOLDERS

## FOR THE YEAR ENDED 30 JUNE 2025

We are pleased to present the 69th Annual Report which includes the audited standalone financial statements of the Company for the financial year ended 30 June 2025 along with the consolidated financial statements. The consolidated financial statements incorporate the Company's 57.36% owned subsidiary BF Biosciences Limited and 98% owned retail venture Farmacia.

These financial statements and directors' report have been prepared in accordance with the approved accounting standards as applicable in Pakistan, together with the requirements of the Companies Act, 2017 and Listed Companies (Code of Corporate Governance) Regulations, 2019.

### Highlights of the Company's Individual and Consolidated Financial Results

A summary of the financial results and appropriations compared to last year is given below:

|                          | Individual |            | Consolidated |            |
|--------------------------|------------|------------|--------------|------------|
|                          | 2025       | 2024       | 2025         | 2024       |
| (Rupees in thousands)    |            |            |              |            |
| Revenue – net            | 13,857,967 | 12,711,714 | 18,856,900   | 15,854,750 |
| Gross profit             | 5,719,190  | 4,942,086  | 7,996,631    | 6,462,667  |
| Profit before tax        | 923,569    | 610,273    | 1,555,463    | 1,140,216  |
| Profit after tax         | 528,243    | 400,054    | 921,713      | 755,475    |
| Earnings per share (Rs.) | 12.15      | 9.20       | 17.86        | 15.72      |

### Financial and Operational Review of Ferozsons Laboratories Limited:

The Company's consolidated net sales closed at Rs. 18.9 billion, depicting a growth of 19% over the last year. On a standalone basis, the Company's net sales closed at Rs. 13.8 billion, depicting a growth of 9% over the last year.

In-market generic sales grew by 24% whereas institutional sales of generics and medical devices decreased by 13%. It is pertinent to note that the in-market generic sales growth is primarily driven by volumetric rather than price increase.

The Company's gross profit margin stands at 41.3% compared to 38.9% last year. The increase in GP margin primarily reflects change in sales mix along with the impact of price increase in some cases.

Selling and distribution expenses have increased by 14% whereas administrative expenses have increased by 4%, mainly due to inflationary impact.

The effective tax rate has closed at 43% compared to 34% last year mainly due to change in tax regime for export sales by the federal government.

Profit from operations grew by 20%, while profit after tax increased by 32% during the year under review. The increase in profit after tax is mainly attributable to reduction in finance costs during the year under review on account of reduction in policy rate by State Bank of Pakistan.

Based on the profit after tax, the earnings per share for the year ended 30 June 2025 translates into Rs. 12.15 per share compared to Rs. 9.20 per share last year.

# DIRECTORS' REPORT TO SHAREHOLDERS

## FOR THE YEAR ENDED 30 JUNE 2025

### Financial and Operational Review of BF Biosciences Limited (Subsidiary Company):

The sales of the subsidiary Company, BF Biosciences Limited closed at Rs. 5.8 billion, compared to Rs. 3.7 billion, depicting a growth of 60% over the last year. The profit after tax of the Company closed at Rs. 447 million against Rs. 385 million achieved last year, depicting an increase of 16%. Based on the profit after tax and weighted average number of shares, the earnings per share (EPS) for the year ended 30 June 2025 translates to Rs. 5.52 per share compared with Rs. 6.09 per share last year.

### Key Operating and Financial Data

A summary of key operating and financial data of the individual and consolidated financial statements for the last six years is annexed.

### Capital Expenditure

During the year, the Company invested Rs. 332 million against capital expenditure, which mainly includes one mega-watt solar power plant and other plant & machinery equipment for enhancing production efficiencies and capabilities.

### Subsequent Events

No material changes affecting the Company's financial position have occurred between the financial year end and date of this report.

### Earnings per Share

Based on the net profit for the year ended 30 June 2025, the standalone earnings per share (EPS) stands at Rs. 12.15 per share, compared to Rs. 9.20 per share last year. Whereas consolidated EPS for the year ended 30 June 2025 stand at Rs. 17.86 per share compared to Rs. 15.72 per share last year.

### Dividend Announcement

The directors have recommended a final cash dividend of 40% i.e., Rs.4 per share for the year ended June 30, 2025, subject to the approval by the shareholders at the Annual General Meeting to be held on October 25, 2025.

These appropriations will be accounted for in the subsequent financial statements, in compliance with the Companies Act, 2017.

### Statement of Compliance with the Code of Corporate Governance

The Company fully complies with the requirements of the Listed Companies (Code of Corporate Governance) Regulations 2019; a statement to this effect along with Auditor's report is further with our annual report.

### Corporate & Financial Reporting Framework

The Board of Directors of the Company is committed to the principles of good corporate management practices. The Management of Company continues to comply with the provisions of best practice set out in the Code of Corporate Governance.

- The financial statements prepared by the management of the Company fairly present its state of affairs, the results of its operations, cash flows and changes in equity.
- Proper books of account of the Company have been maintained.
- Appropriate accounting policies have been consistently applied in preparation of the financial statements. Accounting estimates are based on reasonable and prudent judgment.
- The International Financial Reporting Standards (IFRS), as applicable in Pakistan, have been followed in preparation of financial statements and any departure there from has been adequately disclosed and explained.
- The systems of internal controls are sound in design and have been effectively implemented by the management and monitored by the internal auditors, Board of Directors and the Audit Committee.

# DIRECTORS' REPORT TO SHAREHOLDERS

## FOR THE YEAR ENDED 30 JUNE 2025

The Board reviews the effectiveness of established internal controls through the Audit Committee and suggest, whenever required, further improvement in the internal control system.

- There are no significant doubts upon the Company's ability to continue as a going concern.
- There has been no material departure from the best practices of Corporate Governance as detailed in the Listing Regulations.
- Significant deviations from last year's operating results have been explained in detail together with the reasons thereof in the Annual Report.
- The Company does not envisage corporate restructuring or discontinuation of its operations in the foreseeable future.
- All major Government levies in the normal course of business, payable as on 30 June 2025 have been cleared subsequent to the year end.
- The values of employees' provident fund investments based on latest audited accounts as at 30 June 2024 are Rs. 1,278 million.

### **Sustainability, Risk Management, and Diversity Initiatives**

Based on input from the management, the Board has conducted an assessment of all potential sustainability-related risks that could impact the Company's operations. While no material sustainability risks have been identified except for wastewater. In order to mitigate the said risk, a wastewater treatment plant has been commissioned.

Wastewater is duly treated so that it is properly neutralized before discharging into main drain. This process plays a critical role in preventing contamination of local water sources and maintaining compliance with environmental regulations.

The Company has also invested in renewable energy solutions. Two solar power plants, consisting of one-megawatt each are operational at Raiwind and Nowshera sites. This demonstrates Company's commitment to green energy.

Company places great importance on fostering a diverse, equitable, and inclusive workplace. The Board and management teams are committed to maintaining equal opportunities for all employees. We are proud to have a significant representation of women on the Board of Directors and management teams.

### **Contribution to National Exchequer**

During the current financial year out of the total wealth generated, the Company contributed approximately Rs. 983 million to the national exchequer in lieu of various levies including Income Tax, Sales Tax, Custom Duties, Central Research Fund, and other statutory levies.

### **Cash Flow Management**

The Company has a dedicated treasury team, looking after the cash flow planning to ensure uninterrupted financial supply chain and optimal utilization of resources.

### **Related Party Transactions**

Transactions with related parties during the year ended 30 June 2025 were placed before the Audit Committee and the Board for their review and approval. These transactions were approved by the Board in their meetings held during the year. Detail of related party transactions is given in note no. 40 to the financial statements.

### **Composition of Board of Directors, its Committees and Meetings**

The information regarding the composition of Board of Directors, its Committees and Meetings held along with the details of persons who, at any time during the financial year 2024-25 were directors of

# DIRECTORS' REPORT TO SHAREHOLDERS

## FOR THE YEAR ENDED 30 JUNE 2025

the Company is annexed.

### Pattern of Shareholding

The pattern of shareholding as at 30 June 2025 is annexed. All trades in the shares of the Company, if any, carried out by the directors, CEO, CFO, Company Secretary, Executives and their spouses and minor children are also annexed.

### Corporate Social Responsibility

In line with our Code of Business Conduct and Excellence Framework, we are committed to the protection of environment and investing in community's health and education initiatives.

The Company collaborated and contributed to various organizations for CSR activities during the year under review. These organizations mainly include:

- National Management Foundation
- Lahore Binneale Foundation

### Risk Management

The Board of Directors has carried out a robust assessment of the principal risks facing the Company, including those that would threaten the business model, future performance and solvency or liquidity. Our risk management approach is primarily based on understanding, identifying, assessing and then prioritizing risk areas. To mitigate these risks, various strategies are formulated and adopted accordingly.

The following are some of the primary risks being faced by the Company:

- **Economic and political risks:** The ever-changing economic and political condition in our country has also exposed our Company to this risk. To mitigate this risk, the management closely monitors the financial market conditions and political climate, and appropriate actions and strategies are discussed at the management level to counter unfavorable situations.
- **Currency risks:** The depreciation of Pakistani Rupee significantly affects input costs of products since majority of raw materials are imported. Furthermore, due to DRAP's pricing control/regulations, it is not possible to pass on these cost increases directly to the final consumer as well.
- **Competition risks:** Due to the weak regulatory controls over illegal and low-quality products in the market, the pharmaceutical industry in Pakistan is exposed to unhealthy competition risks. In order to mitigate these risks, the Company along with other members of the Pakistan Pharmaceutical Manufacturers Association, is in continuous lobbying for improved Government regulations and policies.
- **Supply chain risks:** The supply chain process plays a pivotal role in day-to-day operations of the Company. We are mitigating this risk through comprehensive production planning and integrating it with the sales forecasting and ordering systems.
- **Information technology risks:** The Company continues to invest in its IT infrastructure keeping in mind its future needs.
- **Financial risks:** These are the risks that are directly attributable to the financial viability of the Company. These have been elaborated in detail in notes to the financial statements.

### Remuneration Policy of Executive Director/Chief Executive Officer and Non-Executive Directors

Executive Director/Chief Executive Officer is entitled for a remuneration package of which details are enclosed in note no. 39 to the financial statements. Whereas Non-executive directors including the independent directors are entitled only for the fee for attending the meetings and re-imbursement of travelling expenses (if any).

# DIRECTORS' REPORT TO SHAREHOLDERS

## FOR THE YEAR ENDED 30 JUNE 2025

### Auditors

The Auditors Messer KPMG Taseer Hadi & Co., Chartered Accountants retire and offer themselves for reappointment for the year 2025-26.

The Board Audit Committee has recommended appointment of KPMG Taseer Hadi & Co., Chartered Accountants as auditors of the Company for the year 2025-26. Accordingly, the Board has recommended the same for the approval of the shareholders in the upcoming Annual General Meeting.

### Industry Review and Future Outlook

Pakistan's retail pharmaceutical market is valued at over Rs. 1 trillion and has recorded an approximately 19% growth during the last year, which is mainly driven by price with modest volumetric growth. Looking ahead, the industry is expected to transition towards more sustainable growth, with price increases aligning with Consumer Price Index (CPI).

As of the reporting date, the Company's receivables from government institutions stands at approximately Rs. 2 billion, of which a substantial portion has remained outstanding for over a year. These receivables represent supplies made in good faith under awarded tenders. The prolonged delays in recoveries have posed significant liquidity challenges, compelling the Company to utilize short-term financing lines to bridge working capital gap, which in turn has elevated finance costs. However, the recent monetary policy easing by State Bank of Pakistan has helped to reduce the Company's borrowing costs, as finance expenses declined by 14% during the year under review. Further, during the last quarter of year, there is improvement on the recovery of government receivables from provincial governments, which should also positively impact the finance costs going forward.

The Company has also initiated development of Lenacapavir, under voluntary licensing agreement with Gilead Sciences, Inc. The injectable formulation will be manufactured at the Company's subsidiary, BF Biosciences Limited (BFBIO) under a CMO, while the oral variant will be produced at the Company's oral solid dosage (OSD) facility. Lenacapavir is currently approved by the US FDA for heavily treatment-experienced (HTE) HIV patients and for HIV prevention.

Looking forward, the management will continue to focus on expanding its specialty and chronic care portfolio, driving operational efficiencies to sustain margins, and investing in therapeutic areas where unmet patient needs exist. We are committed to ensuring the provision of the highest quality pharmaceuticals for the well-being of patients.

### Acknowledgements

We want to acknowledge the considerable efforts and dedication of our employees towards achievement of the Company's objectives. Further, we also thank our principals, business partners and valued customers for their continuous support and confidence in the Company.

**Mr. Osman Khalid Waheed**  
Chief Executive Officer

**Mrs. Akhter Khalid Waheed**  
Chairperson

Lahore  
23 September 2025

To the members of Ferozsons Laboratories Limited

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **Ferozsons Laboratories Limited** ("the Company") for the year ended 30 June 2025 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2025.

## ADMUTIG

KPMG Taseer Hadi & Co.

Further we highlight below instances of non-compliance with the requirements of the regulations as reflected in the paragraph reference where it is stated in the statement of compliance.

| Reference    | Description   |
|--------------|---|
| Paragraph 14 | It is mandatory that the audit committee of a company meet at least once every quarter of the financial year. These meetings shall be held prior to the approval of interim results of the company by its Board and after completion of external audit. However the first meeting of Audit committee was held on 4 <sup>th</sup> of October 2024, which lies outside the first quarter. |

**STATEMENT OF COMPLIANCE**  
WITH LISTED COMPANIES  
(CODE OF CORPORATE GOVERNANCE)

# STATEMENT OF COMPLIANCE WITH LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019

Name of Company: **Ferozsons Laboratories Limited**  
Year ended: **30 June 2025**

The company has complied with the requirements of the Regulations in the following manner:

1. The total number of directors are 7 (seven) as per the following:

| Gender | Number |
|--------|--------|
| Male   | 04     |
| Female | 03     |

2. The composition of the Board is as follows:

| Category                            | Names                     |
|-------------------------------------|---------------------------|
| Independent Directors*              | Mr. Arshad Saeed Husain   |
|                                     | Mr. Suleman Ghani         |
| Non-Executive Director              | Mr. Shahid Anwar          |
| Executive Director                  | Mr. Osman Khalid Waheed   |
| Female Directors<br>(Non-Executive) | Mrs. Akhter Khalid Waheed |
|                                     | Mrs. Amna Piracha Khan    |
|                                     | Mrs. Munize Azhar Peracha |

\*In order to comply with the requirements of Listed Companies (Code of Corporate Governance) Regulations 2019, two independent directors were elected on the Board of Directors upon maturity of the existing term, whereas the code requires to appoint at least two or one-third of the board members (whichever is higher). The fraction of 0.33 was not rounded up as the two appointed independent directors fairly protected the interests of the shareholders.

3. The directors have confirmed that none of them is serving as a director on more than seven listed companies, including this company;
4. The company has prepared a code of conduct and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures;
5. The Board has developed a vision/mission statement, overall corporate strategy and significant policies of the company. The Board has ensured that complete record of particulars of the significant policies along with their date of approval or updating is maintained by the company;
6. All the powers of the Board have been duly exercised and decisions on relevant matters have been taken by the Board/shareholders as empowered by the relevant provisions of the Act and these Regulations;
7. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose. The Board has complied with the requirements of Act and the Regulations with respect to frequency, recording and circulating minutes of meeting of the Board;
8. The Board have a formal policy and transparent procedures for remuneration of directors in accordance with the Act and these Regulations;

# STATEMENT OF COMPLIANCE WITH LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019

9. All the directors have either attended the Directors Training program or have a minimum of 14 years of education and 15 years of experience on the Board of listed companies and therefore are exempt from the Directors Training Program;

10. The Board has approved appointment of chief financial officer, company secretary and head of internal audit, including their remuneration and terms and conditions of employment and complied with relevant requirements of the Regulations;

11. Chief financial officer and Chief executive officer duly endorsed the financial statements before approval of the Board;

12. The Board has formed committees comprising of members given below:

| Audit Committee         |             |
|-------------------------|-------------|
| Names                   | Composition |
| Mr. Arshad Saeed Husain | Chairman    |
| Mrs. Amna Piracha Khan  | Member      |
| Mr. Shahid Anwar        | Member      |
| Mr. Suleman Ghani       | Member      |

| HR and Remuneration Committee |             |
|-------------------------------|-------------|
| Names                         | Composition |
| Mr. Arshad Saeed Husain       | Chairman    |
| Mr. Osman Khalid Waheed       | Member      |
| Mrs. Munize Azhar Peracha     | Member      |
| Mr. Shahid Anwar              | Member      |

The Board has not formed the 'Nomination Committee', Risk Management Committee' and 'Sustainability Committee' as responsibilities of these committees are being taken care of at the Board Level as and when required. Therefore, a need for the separate formation of these committees does not exist.

13. The terms of reference of the aforesaid committees have been formed, documented and advised to the committee for compliance;

14. The frequency of meetings (quarterly/half yearly/ yearly) of the committee were as per following:

| Meetings                      | Frequency |
|-------------------------------|-----------|
| Audit Committee               | 4*        |
| HR and Remuneration Committee | 1         |

# STATEMENT OF COMPLIANCE WITH LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019

\* As required under Regulation 27(2)(i) of the Listed Companies (Code of Corporate Governance) Regulations, 2019, the Audit Committee is obligated to hold at least one meeting in each quarter of the financial year. These meetings shall be held prior to the approval of interim results of the company by its Board and after completion of external audit. The first meeting during the year was held on October 4, 2024 for approval of financials for the year ended June 2024, which fell outside the prescribed quarter. As there were no other agenda items requiring consideration apart from approval of financials, a separate meeting in the first quarter was not deemed necessary.

15. The Board has outsourced the internal audit function to Messers EY Ford Rhodes Chartered Accountants, who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the company;

16. The statutory auditors of the company have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan and registered with Audit Oversight Board of Pakistan, that they and all their partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the Institute of Chartered Accountants of Pakistan and that they and the partners of the firm involved in the audit are not a close relative (spouse, parent, dependent and non-dependent children) of the chief executive officer, chief financial officer, head of internal audit, company secretary or director of the company;

17. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Act, these Regulations or any other regulatory requirement and the auditors have confirmed that they have observed IFAC guidelines in this regard;

18. We confirm that all requirements of regulations 3, 6, 7, 8, 27, 32, 33 and 36 of the Regulations have been complied with.

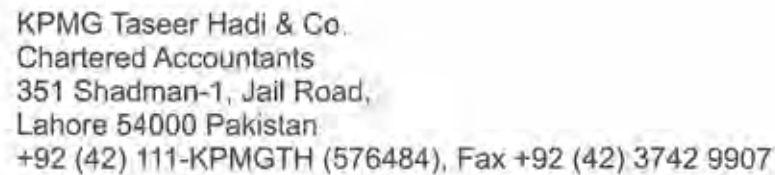

**Mrs. Akhtar Khalid Waheed**  
Chairperson

Lahore

# OUR FINANCIAL STATEMENTS

To the members of Ferozsons Laboratories Limited

### *Opinion*

We have audited the annexed financial statements of **Ferozsons Laboratories Limited** ("the Company"), which comprise the unconsolidated statement of financial position as at 30 June 2025, and the unconsolidated statement of profit or loss, the unconsolidated statement of other comprehensive income, the unconsolidated statement of changes in equity, the unconsolidated statement of cash flows for the year then ended, and notes to the unconsolidated financial statements, including a summary of material accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the unconsolidated statement of financial position, the unconsolidated statement of profit or loss, the unconsolidated statement of other comprehensive income, the unconsolidated statement of changes in equity and the unconsolidated statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2025 and of the profit, other comprehensive income, the changes in equity and its cash flows for the year then ended.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the unconsolidated Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the unconsolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

KPMG Japan Hall & Co., a Professional Corporation ("KPMG"), is a member firm of the KPMG network, comprising independent member firms affiliated with "KPMG International Limited," a Swiss entity serving as a Swiss entity.

KPMG Taseer Hadi & Co.

Following is the Key audit matter:

| S. No. | Key audit matter  | How the matter was addressed in our audit   |
|--------|---|---|
| 1.     | <p><b>Revenue Recognition</b></p> <p>Refer to notes 4.15, 4.15.1, 4.15.2 and 28 to the unconsolidated financial statements.</p> <p>The Company recognized net revenue of Rs. 13.86 billion from the sale of goods to domestic as well as export customers during the year ended 30 June 2025.</p> <p>We identified recognition of revenue as a key audit matter because revenue is one of the key performance indicators of the Company and gives rise to a risk that revenue is recognized without transferring the control to meet expectations or targets.</p> | <p>Our audit procedures to assess the recognition of revenue, amongst others, included the following:</p> <ul style="list-style-type: none"> <li>• Obtaining an understanding of the process relating to recording of revenue and testing the design and implementation of relevant key internal controls over recording of revenue;</li> <li>• Assessing the appropriateness of the Company's accounting policies for recording of revenue and compliance of those policies with applicable accounting standards;</li> <li>• Comparing, on a sample basis, specific revenue transactions recorded just before and just after the financial year end to determine whether the revenue had been recognized in the appropriate financial period;</li> <li>• Scanning for any journal entries relating to revenue recorded during the year which met specific risk-based criteria for inspecting underlying documentation; and</li> <li>• Assessing the adequacy of presentation and disclosures related to the revenue as required under the accounting and reporting standards as applicable in Pakistan.</li> </ul> |

**Information Other than the Financial Statements and Auditor's Report Thereon**

Management is responsible for the other information. Other information comprises the chairman review report, directors' report, key financial data and horizontal and vertical analysis included in the annual report for the year ended 30 June 2025, but does not include the consolidated and unconsolidated financial statements and our auditor's report thereon.

Our opinion on the unconsolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the unconsolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the unconsolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

*(Signature)*

KPMG Taseer Hadi & Co

### **Responsibilities of Management and Board of Directors for the Unconsolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these unconsolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the unconsolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

KPMG Taseer Hadi & Co.

- Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

Based on our audit, we further report that in our opinion:

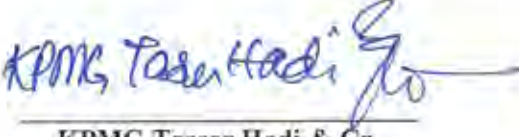

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the unconsolidated statement of financial position, the unconsolidated statement of profit or loss, the unconsolidated statement of other comprehensive income, the unconsolidated statement of changes in equity and the unconsolidated statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is Ahsin Tariq.

Its registered office is situated at 197-A, The Mall, Rawalpindi and the manufacturing facility is located at Amangarh, Nowshera, Khyber Pakhtun Khwa.

### 2 Basis of preparation

#### 2.1 Separate financial statements

These unconsolidated financial statements are the separate financial statements of the Company in which investments in subsidiaries and associates are accounted under methods mentioned in respective policy notes. Consolidated financial statements of the Company are prepared separately.

The Company has following major investments:

| <u>Name of the company / firm</u>     | <u>Shareholding</u> |
|---------------------------------------|---------------------|
| - BF Biosciences Limited (Subsidiary) | 57.36%              |
| - Farmacia (Partnership)              | 98%                 |

The Company holds a significant investment in its subsidiary, BF Biosciences Limited. On October 21, 2024, BF Biosciences Limited was listed on the Pakistan Stock Exchange (PSX) through an Initial Public Offering (IPO). Prior to the IPO, the Company held 80% of the shareholding in BF Biosciences Limited. As part of the IPO, BF Biosciences Limited issued 25 million shares with a face value of Rs. 3 per share at a strike price of Rs. 77 per share. The total funds raised through the IPO amounted to Rs. 1,925 million, which are primarily intended for the purchase of plant and machinery, acquiring export certifications, product development and to finance working capital requirements.

Following the IPO, Ferozsons Laboratories Limited’s shareholding in BF Biosciences was reduced from 80% to 57.36%

#### 2.2 Statement of compliance

These unconsolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

## **2.3 Basis of measurement**

These unconsolidated financial statements have been prepared under the historical cost convention except for:

- translation of foreign currency at spot / average rate;
- land, building and machinery at revalued amount as referred in note 7; and
- certain financial instruments at fair value through profit and loss account as referred in note 4.5.

In these unconsolidated financial statements, except for the amounts reflected in the cash flow statement, all transactions have been accounted for on accrual basis.

## **2.4 Functional and presentation currency**

These unconsolidated financial statements are presented in Pakistani Rupee ("Rs.") which is the Company's functional currency. All financial information presented in Rupees has been rounded off to the nearest rupee, unless otherwise stated.

## **2.5 Use of estimates and judgments**

The preparation of unconsolidated financial statements in conformity with accounting and reporting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, income and expenses. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgment about carrying value of assets and liabilities that are not readily available from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgments and estimates made by the management in the application of accounting and reporting standards, as applicable in Pakistan that are significant/relevant to unconsolidated financial statements are documented in the ensuing paragraphs:

### **2.5.1 Property, plant and equipment**

The Company reviews appropriateness of useful lives and residual values used in the calculation of depreciation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis.

In making these estimates, the Company uses the technical resources available with the Company. Any change in the estimates in the future may affect the carrying amount of respective items of property, plant and equipment, with corresponding effects on the depreciation charge and impairment.

### **2.5.2 Expected credit loss (ECL) / Loss allowance against trade debts, deposits, advances and other receivables**

For financial assets measured at amortized cost, recognition of impairment is based on expected credit loss (ECL) model.

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive. The shortfall is then discounted at an approximation to the assets' original effective interest rate.

The Company has elected to measure loss allowances for trade debts including due from 'Government of Pakistan' using IFRS 9 simplified approach and has calculated ECLs based on lifetime ECLs.

The Company has established a provision matrix that is based on the Company's historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment including forward-looking information.

### **2.5.3 Stock in trade**

The Company reviews the carrying amount of stock in trade on a regular basis. Carrying amount of stock-in-trade is adjusted where the net realizable value is below the cost. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated costs necessary to make the sale.

### **2.5.4 Provisions**

Estimates of the amount of provisions recognized are based on current legal and constructive requirements. Because actual outflows can differ from estimates due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are regularly reviewed and adjusted to take account of such changes.

### **2.5.5 Impairment**

The management of the Company reviews carrying amounts of its assets including cash generating units for possible impairment and makes formal estimates of recoverable amount if there is any such indication.

### **2.5.6 Taxation**

The Company takes into account the current income tax laws and decisions taken by appellate authorities. Instances where the Company's view differs from the view taken by the income tax department at the assessment stage and the Company considers that its view on items of material nature is in accordance with law, the amounts are shown as contingent liabilities.

### **2.5.7 Revaluation of property, plant and equipment**

Revaluation of property, plant and equipment is carried out by independent professional valuer. The frequency of revaluations depends upon the changes in fair values of the items of property, plant and equipment being revalued.

### **2.5.8 Fair value of investments**

The Company regularly reviews the fair value of investments, the estimate of fair values are directly linked to market value. Any change in estimate will effect the carrying value of investments with the corresponding impact on unconsolidated statement of profit or loss.

### **2.5.9 Contingencies**

The Company reviews the status of all pending litigations and claims against the Company. Based on its judgment and the advice of the legal advisors for the estimated financial outcome, appropriate disclosure or provision is made. The actual outcome of these litigations and claims can have an effect on the carrying amounts of the liabilities recognized at the unconsolidated statement of financial position date.

## **3 Changes in accounting standards, interpretations and pronouncements**

### **3.1 New or amendments / interpretations to existing standards, interpretations and forthcoming requirements**

The following amendments to published standards are mandatory for the financial year beginning on 1 January 2024 and are relevant to the Company:

- Non-current Liabilities with Covenants

During the year an amendment to IAS 1 'Presentation of Financial Statements' (IAS-1) was introduced addressing the classification of non-current liabilities subject to covenants. This amendment clarifies that liabilities should be classified as either current or non-current based on the rights available at the end of the reporting period, without consideration of future expectations or events occurring after this date. The amendment also mandates specific disclosures if a liability is classified as non-current but is subject to covenants that must be complied with within twelve months of the reporting date. The related amendments are presented in the note 8.3 of the financial statements

- Disclosure detailing Shariah and conventional elements

During the year, the Securities and Exchange Commission of Pakistan (SECP) made amendments to the Fourth Schedule to the Companies Act, 2017, and issued SRO 1278(1)/2024 dated August 15, 2024, introducing additional disclosure requirements relating to Shariah and conventional elements. The Company has presented the required disclosures in note 44 to these unconsolidated financial statements.

The following new standards and amendments are effective for the period beginning 1 January 2024, however they are not relevant to the entity's operations:

- Lease Liability in a Sale and Lease back (Amendments to IFRS 16)
- Classification of Liabilities as Current or Non-current (Amendments to IAS 1)
- Supplier Finance Arrangements (Amendments to IAS 7 and IFRS 7)

### 3.2 Standards, amendments and interpretations to accounting and reporting standards that are not yet effective

The following accounting and reporting standards as applicable in Pakistan and the amendments and interpretations thereto will be effective for accounting periods beginning on or after 1 July 2025:

- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28) amend accounting treatment on loss of control of business or assets. The amendments also introduce new accounting for less frequent transaction that involves neither cost nor full step-up of certain retained interests in assets that are not businesses. The effective date for these changes has been deferred indefinitely until the completion of a broader review. Early adoption continues to be permitted.
- Lack of Exchangeability (amendments to IAS 21) clarify:
  - when a currency is exchangeable into another currency; and
  - how a company estimates a spot rate when a currency lacks exchangeability.

Further, companies will need to provide new disclosures to help users assess the impact of using an estimated exchange rate on the financial statements. These disclosures might include:

- the nature and financial impacts of the currency not being exchangeable;
- the spot exchange rate used;
- the estimation process; and
- risks to the company because the currency is not exchangeable.

The amendments apply for annual reporting periods beginning on or after 1 January 2025. Earlier application is permitted.

- Amendments to the Classification and Measurement of Financial Instruments – Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures:
  - Financial Assets with ESG-Linked features:

Under IFRS 9, it was unclear whether the contractual cash flows of some financial assets with ESG-linked features represented SPPI. This could have resulted in financial assets with ESG-linked features being measured at fair value through profit or loss.

Although the new amendments are more permissive, they apply to all contingent features, not just ESG-linked features. While the amendments may allow certain financial assets with contingent features to meet the SPPI criterion, companies may need to perform additional work to prove this. Judgement will be required in determining whether the new test is met.

The amendments introduce an additional SPPI test for financial assets with contingent features that are not related directly to a change in basic lending risks or costs – e.g., where the cash flows change depending on whether the borrower meets an ESG target specified in the loan contract.

The amendments also include additional disclosures for all financial assets and financial liabilities that have certain contingent features that are:

- not related directly to a change in basic lending risks or costs; and
- are not measured at fair value through profit or loss.

The amendments apply for reporting periods beginning on or after 1 January 2026. Companies can choose to early-adopt these amendments (including the associated disclosure requirements), separately from the amendments for the recognition and derecognition of financial assets and financial liabilities.

- Recognition / Derecognition requirements of Financial Assets / liabilities by Electronic Payments:

The amendments to IFRS 9 clarify when a financial asset or a financial liability is recognized and derecognized and provide an exception for certain financial liabilities settled using an electronic payment system. Companies generally derecognize their trade payables on the settlement date (i.e., when the payment is completed). However, the amendments provide an exception for the derecognition of financial liabilities. The exception allows the company to derecognize its trade payable before the settlement date, when it uses an electronic payment system that meets all of the following criteria:

- no practical ability to withdraw, stop or cancel the payment instruction;
- no practical ability to access the cash to be used for settlement as a result of the payment instruction; and
- the settlement risk associated with the electronic payment system is insignificant.

The amendments apply for reporting periods beginning on or after 1 January 2026. Earlier application is permitted.

Other related amendments:

Contractually linked instruments (CLIs) and non-recourse features:

The amendments clarify the key characteristics of CLIs and how they differ from financial assets with non-recourse features. The amendments also include factors that a company needs to consider when assessing the cash flows underlying a financial asset with non-recourse features (the 'look through' test).

Disclosures on investments in equity instruments:

The amendments require additional disclosures for investments in equity instruments that are measured at fair value with gains or losses presented in other comprehensive income (FVOCI). The amendments apply for reporting periods beginning on or after 1 January 2026. Earlier application is permitted.

Annual Improvements to IFRS Accounting Standards – Amendments to:

- IFRS 1 First-time Adoption of International Financial Reporting Standards;
- IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7;
- IFRS 9 Financial Instruments;
- IFRS 10 Consolidated Financial Statements; and
- IAS 7 Statement of Cash flows

The amendments to IFRS 9 address:

A conflict between IFRS 9 and IFRS 15 Revenue from Contracts with Customers over the initial measurement of trade receivables.

Under IFRS 15, a trade receivable may be recognized at an amount that differs from the transaction price – e.g. when the transaction price is variable. Conversely, IFRS 9 requires that companies initially measure trade receivables without a significant financing component at the transaction price. The IASB has amended IFRS 9 to require companies to initially measure a trade receivable without a significant financing component at the amount determined by applying IFRS 15; and

How a lessee accounts for the derecognition of a lease liability under paragraph 23 of IFRS 9.

When lease liabilities are derecognized under IFRS 9, the difference between the carrying amount and the consideration paid is recognized in profit or loss. The amendment on trade receivables may require some companies to change their accounting policy. The amendments apply for annual reporting periods beginning on or after 1 January 2026. Earlier application is permitted. The amendment on derecognition of lease liabilities applies only to lease liabilities extinguished on or after the beginning of the annual reporting period in which the amendment is first applied.

Contracts Referencing Nature-dependent Electricity – (Amendments to IFRS 9 and IFRS 7) address the challenges faced by Companies in applying IFRS 9 Financial Instruments to contracts referencing nature-dependent electricity – sometimes referred to as renewable power purchase agreements (PPAs). The IASB has also added new disclosure requirements for certain PPAs to IFRS 7 Financial Instruments: Disclosures .

The amendments include guidance on:

- The ‘own-use’ exemption for purchasers of electricity under such PPAs; and
- Hedge accounting requirements for companies that hedge their purchases or sales of electricity using PPAs.

The amendments for the own-use exemption:

- Existing IFRS 9 guidance left ambiguity on whether PPAs could qualify for the own-use exemption (i.e., not accounted for as derivatives).
- The amendments allow a company to apply the own-use exemption to PPAs if the company has been, and expects to be, a net-purchaser of electricity for the contract period.
- The amendments apply retrospectively using facts and circumstances at the beginning of the reporting period of initial application, without requiring prior periods to be restated.

The amendments for hedge accounting:

Virtual PPAs and other PPAs that do not meet the own-use exemption are accounted for as derivatives and measured at FVTPL. Hedge accounting under IFRS 9 can help reduce volatility by reflecting how PPAs hedge future electricity purchases or sales, but applying it presents challenges. A key issue arises from a mismatch between the P50 estimate used to measure the PPA and the P90 estimate required for the highly probable hedged transaction, which may prevent hedge accounting qualification.

Subject to certain conditions, the amendments permit designation of a variable nominal volume of forecasted renewable electricity sales or purchases as the hedged transaction, rather than a fixed volume based on P90 estimates. This variable volume reflects what is expected to be delivered by the referenced generation facility, supporting an economic offset and enabling hedge accounting. A P50 estimate indicates the volume of energy production expected to be exceeded with 50 percent probability. A P90 estimate indicates the volume of energy production expected to be exceeded with 90 percent probability.

The amendments apply prospectively to new hedging relationships designated on or after The date of initial application. They also allow companies to discontinue an existing hedging relationship if The same hedging instrument is designated under the new requirements.

The new disclosure requirements:

A company may apply the own-use exemption to certain PPAs under the amendments and therefore would not recognise these PPAs in its statement of financial position. Where this is the case, a company is required to disclose further information such as:

- A company may apply the own-use exemption to certain PPAs under the amendments and therefore would not recognise these PPAs in its statement of financial position. Where this is the case, a company is required to disclose further information such as:
- contractual features exposing the company to variability in electricity volume and risk of oversupply;
- estimated future cash flows from unrecognised contractual commitments to buy electricity in appropriate time bands;
- qualitative information about how the company assessed whether a contract might become onerous; and
- qualitative and quantitative information about the costs and proceeds associated with purchases and sales of electricity, based on the information used for the 'net-purchaser' assessment.
- In addition, for PPAs designated in a cash flow hedging relationship, companies need to disaggregate the information disclosed about terms and conditions by risk category.

The amendments apply for reporting periods beginning on or after 1 January 2026. Early application is permitted.

## **4 Material accounting policies**

The material accounting policies applied in the preparation of these unconsolidated financial statements are set out below. These policies have been consistently applied to all periods presented, unless otherwise stated.

### **4.1 Employee benefits**

Salaries, wages and benefits are accrued in the period in which the associated services are rendered by employees of the Company and measured on an undiscounted basis. The accounting policy for employee retirement benefits is described below:

#### **4.1.1 Defined contribution plan**

The Company operates an approved defined contributory Provident Fund Trust for all its employees. Equal monthly contributions are made both by the Company and employees at the rate of 10% of the basic salary to the Provident Fund Trust. Obligation for contributions to defined contribution plan is expensed as the related service is provided.

#### **4.1.2 Compensated absences**

The Company provides for compensated absences for its employees on unavailed balance of leave in the period in which leave is earned and the charge is recognized in the unconsolidated statement of profit or loss.

### **4.2 Taxation**

Income tax expense comprises current and deferred tax. Income tax expense is recognized in the unconsolidated statement of profit or loss, except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in other comprehensive income or equity respectively.

#### **4.2.1 Current taxation**

Current tax is the amount of tax payable on taxable income for the year, using tax rates enacted or substantively enacted by the reporting date, and any adjustment to the tax payable in respect of previous periods. Provision for current tax is based on current rates of taxation in Pakistan after taking into account tax credits, rebates and exemptions available, if any. The amount of unpaid income tax in respect of the current or prior periods is recognized as a liability. Any excess paid over what is due in respect of the current or prior periods is recognized as an asset.

#### **4.2.2 Deferred taxation**

Deferred tax is recognized using the statement of financial position liability method on all temporary differences between the carrying amounts of assets and liabilities for the financial reporting purposes and the amounts used for taxation purposes.

The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using the tax rates enacted or substantively enacted at the reporting date. A deferred tax liability is recognized for all taxable temporary differences. A deferred tax asset is recognized for deductible temporary differences to the extent that future taxable profits will be available against which temporary differences can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The Company accounts for the tax consequences of transactions and other events in the same way that it accounts for the transactions and other events themselves. Thus, for transactions and other events recognized in unconsolidated statement of profit or loss, any related tax effects are also recognized in unconsolidated statement of profit or loss. For transactions and other events recognized outside unconsolidated statement of profit or loss (either in unconsolidated statement of other comprehensive income or directly in equity), any related tax effects are also recognized outside profit and loss (either in the unconsolidated statement of other comprehensive income or directly in equity, respectively).

#### **4.2.3 Final tax and minimum tax**

Tax charged under the Income Tax Ordinance, 2001 which is not based on taxable income or any amount paid / payable in excess of the calculation based on taxable income or any minimum tax which is not adjustable against future income tax liability is classified as levy in the unconsolidated statement of profit or loss and other comprehensive income as these levies fall under the scope of IFRIC 12/ IAS 37.

### **4.3 Property, plant and equipment**

#### **4.3.1 Owned**

Property, plant and equipment of the Company other than freehold land, building on freehold land and plant and machinery are stated at cost less accumulated depreciation and impairment loss, if any. Freehold land is stated at revalued amount carried out by external valuers by reference to its current market price less impairment loss, if any. Building on freehold land and plant and machinery are stated at revalued amount carried out by external valuers by reference to its current market price less accumulated depreciation and impairment loss, if any.

Cost in relation to property, plant and equipment comprises acquisition and other directly attributable costs. Revaluation is carried out every five years unless earlier revaluation is necessitated.

Depreciation on depreciable assets is commenced from the date asset is available for use up to the date when asset is retired. Depreciation charge is based on the straight-line method whereby the cost of an asset, except for freehold land, is written off to unconsolidated statement of profit or loss over its estimated useful life after taking into account the residual value, if any.

The residual value, depreciation method and the useful lives of each part of property, plant and equipment, other for freehold land, that is significant in relation to the total cost of the asset are reviewed, and adjusted if appropriate, at each reporting date.

In case of revalued assets, any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount restated at the revalued amount of the asset. Increases in the carrying amount arising on revaluation of property, plant and equipment are credited to surplus on revaluation of property, plant and equipment. Decreases that offset previous increases of the same assets are charged against this surplus, all other decreases are charged to unconsolidated statement of profit or loss. Each year the difference between depreciation based on the revalued carrying amount of the asset, and depreciation based on the asset's original cost is transferred to 'retained earnings net of related deferred tax'. All transfers to / from surplus on revaluation of property, plant and equipment are net of applicable deferred income tax.

Useful lives are determined by the management based on expected usage of assets, expected physical wear and tear, technical and commercial obsolescence, legal and similar limits on the use of the assets and other similar factors.

Maintenance and normal repairs are charged to unconsolidated statement of profit or loss as and when incurred. Improvements are capitalized when it is probable that respective future economic benefits will flow to the Company and the cost of the item can be measured reliably.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. The gain or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as income or expense in unconsolidated statement of profit or loss. When revalued asset is sold, the amount included in the surplus on revaluation of property, plant and equipment, net of deferred tax, is transferred directly to retained earnings.

#### **4.3.2 Capital work in progress**

Capital work-in-progress is stated at cost less impairment loss if any and consists of expenditure made in the course of their construction and installation. Transfers are made to the relevant asset category as and when assets are available for intended use. Cost also includes applicable borrowing cost, if any.

#### **4.4 Intangibles**

Expenditure incurred on intangible asset is capitalized and stated at cost less accumulated amortization and any identified impairment loss. Intangible assets with finite useful life are amortized at 33% on straight-line basis. Amortization of intangible assets is commenced from the date an asset is capitalized.

#### **4.5 Financial instruments**

##### **4.5.1 Recognition and initial measurement**

All financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instruments.

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue. A receivable without a significant financing component is initially measured at the transaction price.

##### **4.5.2 Classification and subsequent measurement**

###### **Financial assets**

On initial recognition, a financial asset is classified as measured at amortized cost, fair value through other comprehensive income (FVOCI), fair value through profit or loss (FVTPL) and in case of equity instrument it is classified as FVOCI or FVTPL.

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

###### **Amortized cost**

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in unconsolidated statement of profit or loss.

Financial assets measured at amortized cost comprise of cash and bank balances, deposits, loan to employees, accrued profit, trade debts and other receivables.

#### **Debt Instrument - FVOCI**

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

These assets are subsequently measured at fair value. Interest income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognized in unconsolidated statement of profit or loss. Other net gains and losses are recognized in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to unconsolidated statement of profit or loss. However, the Company has no such instrument at the reporting date.

#### **Equity Instrument - FVOCI**

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment-by-investment basis.

These assets are subsequently measured at fair value. Dividends are recognized as income in unconsolidated statement of profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and these investments are never reclassified to profit or loss. However, the Company has no such instrument at the reporting date.

#### **Fair value through profit or loss (FVTPL)**

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL.

On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in unconsolidated statement of profit or loss. The Company has classified its investments in mutual funds as at FVTPL.

#### **Financial assets – Business model assessment**

For the purposes of the assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable-rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse

### **Financial liabilities**

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in consolidated statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Any gain or loss on derecognition is also recognized in consolidated statement of profit or loss.

Financial liabilities comprise trade and other payables, long term loans from financial institutions (including current portion), markup accrued on borrowings, unclaimed dividend and short term borrowings.

Long term loans are classified as 'financial liabilities at amortized cost'. On initial recognition, these are measured at cost, being fair value at the date the liability is incurred, less attributable transaction costs. Subsequent to initial recognition, these are measured at amortized cost with any difference between cost and value at maturity recognized in the consolidated statement of profit or loss over the period of the borrowings on an effective interest basis.

Interest accrued on financial liabilities measured at amortized cost is presented separately in the statement of financial position. Such accrued interest is included in the amortized cost of the respective instruments for the purposes of IFRS 9

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

### **4.5.3 Derecognition**

#### **Financial assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The Company might enter into transactions whereby it transfers assets recognized in its consolidated statement of financial position, but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognized.

### **Financial liabilities**

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognized at fair value. On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognized in unconsolidated statement of profit or loss.

#### **4.5.4 Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount presented in the unconsolidated statement of financial position when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

#### **4.6 Investments**

Investments in Mutual Fund are classified at fair value through profit or loss and is initially measured at fair value and is subsequently measured at fair value determined using the market value of instruments at each reporting date. Net gains and losses are recognized in the unconsolidated statement of profit or loss.

#### **4.7 Trade and other payables**

Trade and other payables are initially carried at the fair value of the consideration to be paid in future for goods and services received. Subsequent to initial recognition, these are carried at amortized cost.

#### **4.8 Impairment**

##### **Financial assets**

The Company recognizes loss allowances for ECLs on:

- financial assets measured at amortized cost;
- debt investments measured at FVOCI; and
- contract assets.

The Company measures loss allowances at an amount equal to lifetime ECLs, except for the following, which are measured at 12-month ECLs:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The Company assumes that the credit risk on a financial asset has increased significantly if it is more than past due for a reasonable period of time. Loss allowances for trade receivables and contract assets are always measured at an amount equal to lifetime ECLs. Lifetime ECLs are the ECLs that result from all possible default events over the expected life of a financial instrument. 12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months). The maximum period considered when estimating ECLs is the maximum contractual period over which the Company is exposed to credit risk. Loss allowances for financial assets measured at amortized cost are deducted from the Gross carrying amount of the assets.

The Gross carrying amount of a financial asset is written off when the Company has no reasonable expectations of recovering of a financial asset in its entirety or a portion thereof. The Company individually makes an assessment with respect to the timing and amount of write-off based on whether there is a reasonable expectation of recovery. The Company expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

#### **Non - Financial assets**

The carrying amount of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset or cash generating unit is the greater of its value in use and its fair value less cost to sell. In assessing value in use, the estimated future cash flows are discounted to their present values using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash generating unit.

An impairment loss is recognized if the carrying amount of the assets or its cash generating unit exceeds its estimated recoverable amount. Impairment losses are recognized in unconsolidated statement of profit or loss. Impairment losses recognized in respect of cash generating units are allocated to reduce the carrying amounts of the assets in a unit on a pro rata basis. Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to that extent that the asset's carrying amount after the reversal does not exceed the carrying amount that would have been determined, net of depreciation and amortization, if no impairment loss had been recognized.

#### **4.9 Investment in subsidiary**

Investment in subsidiary is initially valued at cost. At subsequent reporting dates, the Company reviews the carrying amount of the investment to assess whether there is any indication that such investments have suffered an impairment loss. If any such indication exists, the recoverable amount is estimated in order to determine the extent of the impairment loss, if any.

#### **4.10 Provisions**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. However, provisions are reviewed at each reporting date and adjusted to reflect current best estimate.

#### **4.11 Foreign currency**

All monetary assets and liabilities in foreign currencies are translated into rupees at exchange rates prevailing at the reporting date. Transactions in foreign currencies are translated into rupees at exchange rates prevailing at the date of transaction. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated into rupees at exchange rates prevailing at the date of transaction.

Non-monetary assets and liabilities denominated in foreign currency that are stated at fair value are translated into rupees at exchange rates prevailing at the date when fair values are determined. Exchange gains and losses are recognized in the unconsolidated statement of profit or loss.

#### **4.12 Inventories**

Inventories includes stock in trade and stores, spare parts and loose tools.

These are stated at lower of cost and net realisable value.

Cost comprises of cost of purchase and other costs incurred in bringing the items to their present location and condition. For items which are slow moving and / or identified as surplus to the Company's requirements, adequate provision is made for any excess book value over estimated net realizable value.

The Company reviews the carrying amounts of stock in trade and stores, spare parts and loose tools basis and provision is made for obsolescence, if there is any change in usage pattern or physical form of related stores, spare parts and loose tools.

#### **4.13 Trade debts**

Trade debts represent the Company's right to an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due). These are classified at amortized cost and are initially recognized when they are originated and measured at invoice value. These assets are written off when there is no reasonable expectation of recovery. The policy for impairment of trade debtors on account of expected credit loss is mentioned in note 4.8 to the financial statements.

#### **4.14 Cash and cash equivalents**

Cash and cash equivalents comprise of cash in hand, cash at banks and outstanding balance of short term borrowing facilities.

#### **4.15 Revenue recognition**

The Company is in the business of (a) sale of pharmaceutical products and medical devices and (b) toll manufacturing services for pharmaceutical products to other pharmaceutical sector companies. Revenue from contracts with customers is recognized, when a performance obligation has been fulfilled by transferring control of goods to the customers, at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods excluding sales taxes, sales return and after deduction of any trade discounts. Specific revenue and other income recognition policies are as follows:

#### **4.15.1 Sale of goods**

Revenue represents the fair value of the consideration received or receivable for sale of products, net of sales tax, sales returns and related discounts. The contract contains distinct goods to be delivered and a single performance obligation to be satisfied. Payment is generally due within 0 to 90 days of satisfaction of performance obligation. The revenue is recognized at point in time when goods are acknowledged by customers as they are enabled to consume the benefits, when goods are delivered to them and the Company's right to receive transaction price is developed.

#### **4.15.2 Toll manufacturing**

There are contracts with customers to manufacture, on their behalf, the pharmaceutical products using raw materials provided by the customer. The performance obligation is satisfied upon receipt of the finished goods by the customer and payment is generally due within 0 to 90 days from delivery. No significant financing component exist for these contracts. The Company concluded that it transfers control over its toll manufacturing services at a point in time, upon receipt of the product by the customer, because this is when the customer benefits from the Company's toll manufacturing services.

#### **4.15.3 Other income**

Income on bank deposits is recognized using effective interest method. Foreign currency gains and losses are reported on a net basis.

Dividend income and entitlement of bonus shares are recognized when the right to receive is established.

Gains and losses on sale of investments are accounted for on disposal of investments.

#### **4.15.4 Contract liabilities**

A contract liability is the obligation of the Company to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs under the contract. It also includes refund liabilities arising out of customers' right to claim amounts from the Company on account of contractual delays in delivery of performance obligations and incentive on target achievements.

#### **4.16 Earnings per share (EPS)**

Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by weighted average number of ordinary shares outstanding during the year.

Diluted EPS is calculated by adjusting basic EPS with weighted average number of ordinary shares that would be issued on conversion of all dilutive potential ordinary shares into ordinary shares and post-tax effect of changes in profit or loss attributable to ordinary shareholders of the Company that would result from conversion of all dilutive potential ordinary shares into ordinary shares.

#### 4.17 Share capital and dividend

Ordinary shares are classified as equity and recognized at their fair value.

Dividend to ordinary shareholders is recognized as a deduction from accumulated profit and as a liability in the Company's unconsolidated statement of financial position in the year in which the dividends are approved by the Board of Directors or the Company's shareholders as the case may be.

#### 4.18 Deferred grant

The Company follows deferral method of accounting for government grant related to subsidized long term loan. Government grant is initially recognized as deferred grant and measured as the difference between the initial carrying value of the long term loan recorded at market rate (i.e. fair value of the long term loan in this case) and the proceeds of subsidized long term loan received. In subsequent years, the grant is recognized in unconsolidated statement of profit or loss account, in line with the recognition of interest expenses the grant is compensating and is presented as a reduction of related interest expense.

#### 4.19 Ijarah

Ijarah in which a significant portion of the risks and rewards of ownership are retained by the Muj'ir (lessor) are classified as operating Ijarah. Payments made during the year are charged to the statement of profit or loss on a straight-line basis over the period of the Ijarah in accordance with Islamic Financial Accounting Standard-2

- 7.1** The freehold land, building and plant and machinery were revalued by independent valuers in years 1976, 1989, 2002, 2006, 2011, 2016, 2020 and 2024. The latest revaluation was conducted by M/s Asif Associates (Private) Limited (independent valuer and consultant) as at 30 June 2024, that resulted in a further surplus of Rs. 3,206 million. These revaluations had resulted in a cumulative surplus of Rs. 4,780 million, which has been included in the carrying values of freehold land, building on freehold land and plant and machinery respectively and credited to the surplus on revaluation of property plant and equipment. The basis of revaluation for items of these fixed assets were as follows:

### Freehold land

Fair market value of freehold land was assessed through inquiries to real estate agents and property dealers in near vicinity of freehold land. Different valuation methods and exercises were adopted according to experience, location and other usage of freehold land. Valuer had also considered all relevant factors as well. The most significant input into this valuation approach was price per acre for land.

### Buildings on freehold land

Construction specifications were noted for each building, structure and civil works and new construction rates are applied according to construction specifications for current replacement values. After determining current replacement values, depreciation was calculated to determine the current assessed market value. The most significant input into this valuation approach was price per square foot for building.

### Plant and machinery

Fair market value of plant and machinery was assessed by taking into account manufacturing cost of individual machines on the basis of material and technology used for manufacturing of the machine on international engineering standards and practice. The most significant input into this valuation approach was present operational condition and age of plant and machinery.

## 16 Contingencies and commitments

### 16.1 Contingencies

**16.1.1** In April 2019 the ACIR issued notice to the company u/s 122(9) of Income Tax Ordinance, 2001 for Tax Year 2017. The proceedings were concluded in December 2020 and an order was issued amounting to Rs. 84,319,918 on various contentions, which mainly includes WHT implications on cost of sales purchases, amortization of expenses related to conference, seminars & trainings and promotional expenses. The Company had filed an appeal against this demand before Commissioner Appeals who partially decided the matter in favor of the Company and remanded back the remaining matters for fresh consideration. The Company had filed an appeal against this order before the Appellate Tribunal Inland Revenue, which was subsequently decided in the favor of the Company. The Department filed reference against this order with Islamabad High court which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**16.1.2** The Additional Commissioner Inland Revenue (ACIR) issued an order for Tax Year 2020 under section 122(5A) of the Income Tax Ordinance, 2001 on May 17, 2023, increasing the tax liability by Rs.68,568,159 on various contentions, which mainly includes discounts on sales, amortisation of expenses related to conferences, seminars & trainings, advertisement expenses, amount added u/s 18(1)d and u/s 23 of ITO, 2001.

The Company had filed an appeal against this demand before Commissioner Appeals who confirmed the advertisement and conference, seminars & trainings as additions to the income while deleted the remaining matters. The Company filed an appeal against this order before the Appellate Tribunal Inland Revenue which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**16.1.3** In July 2022 the DCIR has passed an order under section 161/205 in respect of Tax Year 2018 and created a demand of Rs.55,674,204 based on the observation that the Company has not deducted withholding tax while making payment to certain suppliers. Being aggrieved with the order, the Company filed an appeal before CIR(A). During the year 2024, the CIR(A) deleted the demand of Rs.53,674,204 and remanded back the remaining proceedings to DCIR for fresh consideration. In May 2024 appeal effect proceedings were initiated and Company submitted the required data. On June 28, 2025 the DCIR passed an order with a demand of Rs.1,802,320 under section 161 of the Ordinance and charged default. The Company has filed an appeal against this demand before Commissioner Appeals in July 2025. Appeal effect proceedings are still pending. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**16.1.4** In April 2019, the ACIR issued notice to the company u/s 122(9) of Income Tax Ordinance, 2001 for the tax year 2018. The proceedings were concluded in September 2022 and an order was issued amounting to Rs. 211,576,500 on various contentions, which mainly includes advertisement & publicity, medical research, trade creditors, additions u/s 111(1)(d), other revenues claimed as exempt added u/s 39, share in AOP taxed in hands of taxpayer u/s 92 read with sec. 18 and the earnest money written off u/s 29. The Company had filed an appeal against this demand before CIR (A) who deleted additions on account of section 111(1)(d), other revenue and share in AOP while remanded back the matters relevant to adjustable tax, trade creditors, tax credit and exchange loss. The Company filed an appeal against this order before the Appellate Tribunal Inland Revenue, which has been subsequently decided in the favor of the Company. The Department filed a reference against this order with Islamabad High Court which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**16.1.5** The Company, along with other companies of different industries, has challenged the constitutionality of Section 4C of the Income Tax Ordinance 2001 in Islamabad High Court, and provisions appurtenant thereto, introduced vide Finance Act 2022, inter alia, upon grounds that the same unlawfully vitiates vested rights accrued in past and closed transactions, is discriminatory, confiscatory, demonstrably devoid of any intelligible differentia having rational nexus with the object of classification and amounts to impermissible double taxation. However, 50% amount of super tax has been duly paid by the Company as per the orders issued by the Honorable Supreme Court. The Islamabad High Court declared levy of super tax for 2022 as illegal. The department filed an intra court appeal against this order which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**16.1.6** On January 28, 2025, the Company received a notice under section 122(9) read with section 122(5A) of the Income Tax Ordinance, 2001 in respect of Tax Year 2024 regarding the disallowance of Workers' Welfare Fund (WWF) and Workers' Profit Participation Fund (WPPF) expenses under sections 60A and 60B of the Ordinance, on account of non-payment. The Company submitted its reply to the notice. Subsequently, on May 30, 2025, the Additional Commissioner Inland Revenue passed an order disallowing WPPF expense of Rs.32,799,369 and WWF expense of Rs. 2,071,112.

The Company filed an appeal against the said order before the Commissioner (Appeals) on June 25, 2025, which is currently pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**16.1.7** In January 2023, the Company received a notice under section 221(2) of the Income Tax Ordinance, 2001 regarding adjustment of Workers' Welfare Fund (WWF) against income tax refund for the Tax Year 2021. The Company submitted its reply to the notice. Subsequently, on April 29, 2025, the Deputy Commissioner Inland Revenue (DCIR) passed an order creating a demand of Rs. 19,312,085. The Company filed an appeal against the said order before the Commissioner Appeals in May 2025, which is currently pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

## **16.2 Commitments**

### **16.2.1 Letter of credits**

#### **16.2.1.1 Under Mark up arrangements**

Out of the aggregate facility of Rs. 3,950 million (2024: Rs. 3,400 million) for opening letters of credit, the amount utilized as at 30 June 2025 for capital expenditure was Rs. 310.93 million (2024: Nil) and for other than capital expenditure was Rs.192.29 million (2024: Rs.282.84 million). Investments out of provident fund have been made in accordance with the provisions of Section 218 of the Companies Act, 2017 and the rules formulated there under.

## 46 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Market risk

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

### Risk management framework

The Company's Board of Directors has overall responsibility for establishment and oversight of the Company's risk management framework. The Board is responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Board of Directors reviews and agrees policies for managing each of these risks.

The Company's audit committee oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. Audit committee is assisted in its oversight role by internal audit department. Internal audit department undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

The Company's exposure to financial risks, the way these risks affect the financial position and performance, and forecast transactions of the Company and the manner in which such risks are managed is as follows:

### 46.1 Credit risk and concentration of credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. To manage credit risk the Company maintains procedures covering the application for credit approvals, granting and renewal of counterparty limits and monitoring of exposures against these limits. As part of these processes the financial viability of all counterparties is regularly monitored and assessed.

#### 46.1.1 Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk as at the end of the reporting period was as follows:

|   | 2025<br>Rupees       | 2024<br>Rupees       |
|---|----------------------|----------------------|
| <b><u>Financial assets at amortized cost</u></b>                    |                      |                      |
| Long term deposits  | 30,987,166           | 9,777,325            |
| Trade debts   | 2,097,262,852        | 2,199,853,473        |
| Loans and advances - others   | 41,591,580           | 13,686,361           |
| Deposits and prepayments  | 177,954,398          | 173,693,929          |
| Other receivables   | 94,103,986           | 58,626,606           |
| Bank balances   | 340,707,643          | 264,150,561          |
| <b><u>Financial assets at fair value through profit or loss</u></b> |                      |                      |
| Short term investments  | 402,631,388          | 375,541,979          |
|   | <b>3,185,239,013</b> | <b>3,095,330,234</b> |

##### 46.1.1.1 Concentration of credit risk

The Company identifies concentrations of credit risk by reference to type of counter party. Maximum exposure to credit risk by type of counter party is as follows:

|  | 2025<br>Rupees       | 2024<br>Rupees       |
|--|----------------------|----------------------|
| Customers                                    | 2,097,262,852        | 2,199,853,473        |
| Banking companies and financial institutions | 743,339,031          | 639,692,540          |
| Others                                       | 344,637,130          | 255,784,221          |
|  | <b>3,185,239,013</b> | <b>3,095,330,234</b> |

#### 46.1.2 Credit quality and impairment

Credit quality of financial assets is assessed by reference to external credit ratings, where available, or to historical information about counterparty default rates. All counterparties, with the exception of customers and utility Companies, have external credit ratings determined by various credit rating agencies. Credit quality of customers is assessed by reference to historical defaults rates and present ages.

##### 46.1.2.1 Counter parties with external credit ratings

These include banking companies and financial institutions, which are counter parties to bank balances and investments. Impairment on these balances has been measured on 12 month expected loss basis and reflects the shortest maturities of the exposure. Credit risk is considered minimal as these counterparties have reasonably high credit ratings as determined by various credit rating agencies. Due to long standing business relationships with these counter parties and considering their strong financial standing, management does not expect non-performance by these counter parties on their obligations to the Company. Following are the credit ratings of counter parties with external credit ratings:

| Institutions                       | Rating     |           | Rating Agency | 2025             | 2024        |
|------------------------------------|------------|-----------|---------------|------------------|-------------|
|                                    | Short term | Long term |               | -----Rupees----- |             |

#### 46.1.2.2 Counter parties without external credit ratings - Trade debts

These mainly include customers which are counter parties to local and foreign trade debts. The Company applies the IFRS 9 simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all trade receivables. Trade receivables are written off when there is no reasonable expectation of recovery.

Management uses an allowance matrix to base the calculation of ECL of trade receivables from individual customers. Loss rates are calculated using a 'role rate' method based on the probability of receivable progressing through successive stages of delinquency to write-off. The Company has used two years quarterly data in the calculation of historical loss rates along with the matching quarterly ageing brackets for the computation of roll rates. These rates are multiplied by scalar factors to reflect the effect of forward looking macro-economic factors. The analysis of ages of trade debts and loss allowance using the aforementioned approach as at 30 June 2025 was determined as follows:

The aging of trade debts other than due from Government at the reporting date was:

|                         | 30 June 2025          |                      | 30 June 2024          |                      |
|-------------------------|-----------------------|----------------------|-----------------------|----------------------|
|                         | Gross carrying amount | Expected credit loss | Gross carrying amount | Expected credit loss |

Export sales are majorly secured through letter of credit while majority of the local sales are made to Government departments / hospitals. Trade debts are essentially due from government departments / projects and the Company is actively pursuing for recovery of debts and the Company does not expect these companies to fail to meet their obligations.

Deposits and other receivables are mostly due from Government Institutions, utility companies and a major supplier. Impairment on these balances has been measured on 12 month expected loss basis and reflects the shortest maturities of the exposure. Based on past experience the management believes that no impairment allowance is necessary in respect of these financial assets. There are reasonable grounds to believe that these amounts will be recovered in short course of time.

## 46.2 Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets, or that such obligations will have to be settled in a manner unfavorable to the Company. Management closely monitors the Company's liquidity and cash flow position. This includes maintenance of liquidity ratios, debtors and creditors concentration both in terms of the overall funding mix and avoidance of undue reliance on large individual customers.

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has built an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. Included in notes 8,9 and 14 to these unconsolidated financial statements is a listing of additional undrawn facilities that the Company has at its disposal to further reduce liquidity risk.

#### 46.2.1 Exposure to liquidity risk

##### 46.2.1.1 Contractual maturities of financial liabilities, including estimated interest payments

The following are the contractual maturities of financial liabilities:

|  | 2025                 |                      |                    |                   |
|--|----------------------|----------------------|--------------------|-------------------|
|  | Carrying amount      | Less than one year   | One to five years  | More than 5 years |
|  | -----Rupees-----     |                      |                    |                   |
| Long term loans - <i>secured</i>       | 185,649,481          | 45,017,175           | 141,714,945        | 24,662,764        |

#### 46.3 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign currency, interest rates and equity price that will effect the Company's income or the value of its holdings of financial instruments.

Market risk comprises of three types of risks:

- currency risk
- interest rate risk
- other price risk

##### 46.3.1 Currency risk

Pakistani Rupee is the functional currency of the Company and exposure arises from transactions and balances in currencies other than Pakistani Rupee as foreign exchange rate fluctuations may create unwanted and unpredictable earnings and cash flow volatility. The Company's potential currency exposure comprises of:

- Transactional exposure in respect of non functional currency monetary items.
- Transactional exposure in respect of non functional currency expenditure and revenues.

The potential currency exposures are discussed below:

##### Transactional exposure in respect of non functional currency monetary items

Monetary items, including financial assets and liabilities, denominated in currencies other than the functional currency of the Company are periodically restated to rupee equivalent, and the associated gain or loss is taken to the unconsolidated statement of profit or loss. The foreign currency risk related to monetary items is managed as part of the risk management strategy.

##### Transactional exposure in respect of non functional currency expenditure and revenues

Certain operating and capital expenditure is incurred by the Company in currency other than the functional currency. Certain sales revenue is earned in currencies other than the functional currency of the Company. These currency risks are managed as a part of overall risk management strategy. The Company does not enter into forward exchange contracts.

##### Exposure to currency risk

The figures represent foreign currency balances after conversion in Pak Rupees using exchange rates prevailing at the statement of financial position date. The Company's exposure to foreign currency risk at the reporting date was as follows:

|  | 2025                   |                    |                  |              |                |
|--|------------------------|--------------------|------------------|--------------|----------------|

| - Outstanding letters of credit                  | (440,269,533)          | (1,581,762)        | -                | -            | -              |
| <b>Net exposure</b>                              | <u>(672,911,403)</u>   | <u>(2,442,468)</u> | <u>20,504</u>    | <u>1,910</u> | <u>1,930</u>   |

The following significant exchange rates were applied during the year:

|                | Reporting date rate |        | Average rate |        |
|----------------|---------------------|--------|--------------|--------|
|                | 2025                | 2024   | 2025         | 2024   |
| US Dollars     | 283.76              | 278.34 | 281.05       | 282.37 |
| Euro           | 332.66              | 297.71 | 315.18       | 305.39 |
| UAE Dirham     | 77.27               | 75.78  | 76.52        | 76.88  |
| Pound Sterling | 388.86              | 351.89 | 370.37       | 358.45 |

#### 46.3.1.1 Sensitivity analysis

A reasonably possible strengthening / (weakening) of 10% in Pak Rupee against the following currencies would have affected the measurement of financial instruments denominated in foreign currency and affected statement of profit or loss by the amounts shown below at the statement of financial position date. The analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

|  | Profit or loss |              |
|--|----------------|--------------|
|  | 2025           | 2024         |
|  | -----Rs.-----  |              |
| Unconsolidated statement of profit or loss | (105,568,869)  | (23,264,187) |

A ten percent weakening of the Pakistani Rupee against foreign currencies at the reporting date would have had the equal but opposite effect on the amounts shown above, on the basis that all other variables remain constant.

#### 46.3.1.2 Currency risk management

Since the maximum amount exposed to currency risk is only 0.67% (2024: 0.15%) of the Company's total assets, any adverse / favorable movement in functional currency with respect to foreign currencies will not have any material impact on the operational results.

#### 46.3.2 Interest rate risk

Interest rate risk is the risk that fair values or future cash flows of a financial instrument will fluctuate because of changes in interest rates. Sensitivity to interest rate risk arises from mismatch of financial assets and financial liabilities that mature or re-price in a given period. At the reporting date the interest rate profile of the Company's significant interest bearing financial instruments was as follows:

|  | Effective rate   |                  | Carrying amount |                 |
|--|------------------|------------------|-----------------|-----------------|
|  | 2025             | 2024             | 2025            | 2024            |
| Variable rate instruments  | (in Percentage)  |                  | (Rupees)        |                 |
| <u>Financial assets</u>  |                  |                  |                 |                 |
| Cash at bank - <i>deposit accounts</i>                           | 5.87% to 19.00%  | 10.00% to 20.51% | 21,341,384      | 13,280,387      |
| <u>Financial liabilities</u>                                     |                  |                  |                 |                 |
| Long term loans - including current portion - <i>secured</i>     | 12.71% to 23.05% | 20.99% to 23.05% | 181,298,069     | 181,464,925     |
| Long term musharaka - including current portion - <i>secured</i> | 13.08% to 21.14% | 21.14% to 23.98% | 214,551,743     | 168,717,147     |
| Short term borrowings - <i>secured</i>                           | 11.53% to 22.88% | 15.31% to 23.06% | 2,218,996,474   | 2,407,658,889   |
| Net Exposure   |                  |                  | (2,593,504,902) | (2,744,560,574) |

#### Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore a change in interest rates at the reporting date would not affect profit or loss.

#### Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased / decreased loss for the year by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for 2024.

|  | Profit or loss   |                  |
|--|------------------|------------------|
|  | 100 bps Increase | 100 bps Decrease |
|  | Rupees           |                  |
| <u><b>As at 30 June 2025</b></u>                       |                  |                  |
| Cash flow sensitivity - Variable rate financial assets | (25,935,049)     | 25,935,049       |
| <u><b>As at 30 June 2024</b></u>                       |                  |                  |
| Cash flow sensitivity - Variable rate financial assets | (27,445,606)     | 27,445,606       |

The sensitivity analysis prepared is not necessarily indicative of the effects on loss for the year and assets / liabilities of the Company.

### 46.3.3 Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio within the eligible stocks in accordance with the risk investment guidelines approved by the higher management. The Company is exposed to price risk arising from its investment in mutual funds that are classified as fair value through profit or loss. The Company has no investments in equity instruments traded in the market at the reporting date. The Company is also not exposed to commodity price risk since it does not hold any financial instrument based on commodity prices.

#### Sensitivity analysis

The table below summarizes the Company's money market price risk as of 30 June 2025 and 2024 and shows the effects of a hypothetical 10% increase and a 10% decrease in market prices as at the year end. The selected hypothetical change does not reflect what could be considered to be the best or worst case scenarios. However, money market investments are considered risk free.

|  | Fair value              | Hypothetical price change | Estimated fair value after hypothetical change in prices | Hypothetical increase (decrease) in profit / (loss) before tax |
|--|-------------------------|---------------------------|--|--|
| <b>2025</b>                                      | <b>-----Rupees-----</b> |                           |  |  |
| <u>Short term investments</u>                    |                         | 10% increase              | 442,894,527  | 40,263,139   |
| Investments at fair value through profit or loss | <u>402,631,388</u>      | 10% decrease              | 362,368,249  | (40,263,139)   |
|  | Fair value              | Hypothetical price change | Estimated fair value after hypothetical change in prices | Hypothetical increase (decrease) in profit / (loss) before tax |
| <b>2024</b>                                      | <b>-----Rupees-----</b> |                           |  |  |
| <u>Short term investments</u>                    |                         | 10% increase              | 413,096,177  | 37,554,198   |
| Investments at fair value through profit or loss | <u>375,541,979</u>      | 10% decrease              | 337,987,781  | (37,554,198)   |

### 46.4 Fair value of financial instruments

The price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The carrying value of all financial assets and liabilities on the statement of financial position approximate to their fair value.

Underlying the definition of fair value is the presumption that the Company is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market prices used for financial assets held by the Company is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

#### 46.4.1 Valuation of financial instruments

IFRS 13 'Fair Value Measurement' requires the company to classify fair value measurements and fair value hierarchy that reflects the significance of the inputs used in making the measurements of fair value hierarchy has the following levels:

Level 1: Quoted market price (unadjusted) in an active market.

Level 2: Valuation techniques based on observable inputs.

Level 3: Valuation techniques using significant unobservable inputs. This category includes all instruments where the valuation technique includes inputs not based on observable data.

Fair values of financial assets that are traded in active markets are based on quoted market prices. For all other financial instruments the Company determines fair values using valuation techniques.

Valuation techniques used by the Company include discounted cash flow model. Assumptions and inputs used in valuation techniques include risk-free rates, bond and equity prices, foreign currency exchange rates, equity and equity index prices. The objective of valuation techniques is to arrive at a fair value determination that reflects the price of the financial instrument at the reporting date that would have been determined by market participants acting at arm's length.

Valuation models for valuing securities for which there is no active market requires significant unobservable inputs and a higher degree of management judgement and estimation in the determination of fair value. Management judgement and estimation are usually required for selection of the appropriate valuation model to be used, determination of expected future cash flows on the financial instrument being valued and selection of appropriate discount rates, etc.

The fair value of financial instruments traded in active markets is based on Net Asset Values (NAVs) of the units of the mutual funds at the reporting date. A market is regarded as active when it is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on going basis.

**46.4.2** The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

|   | Fair Value                         |                             |               |             |         |         |
|---|------------------------------------|-----------------------------|---------------|-------------|---------|---------|
|   |                                    |                             |               |             |         |         |
| Fair value through statement of profit or loss          | Financial assets at amortised cost | Other financial liabilities | Total         | Level 1     | Level 2 | Level 3 |
| ----- Rupees -----                                      |                                    |                             |               |             |         |         |
| 402,631,388   | -                                  | -                           | 402,631,388   | 402,631,388 | -       | -       |
| <u>Financial assets measured at fair value</u>          |                                    |                             |               |             |         |         |
| Short term investments                                  |                                    |                             |               |             |         |         |
| <u>Financial assets not measured at fair value</u>      |                                    |                             |               |             |         |         |
| Long term deposits                                      | 30,987,166                         | -                           | 30,987,166    | -           | -       | -       |
| Trade debts   | 2,097,262,852                      | -                           | 2,097,262,852 | -           | -       | -       |
| Loans and advances                                      | 41,591,580                         | -                           | 41,591,580    | -           | -       | -       |

Fair value of property, plant and equipment

Freehold land, buildings on freehold land and plant and machinery have been carried at revalued amounts determined by professional valuers (level 2 in case of land, level 3 for building and plant & machinery) based on their assessment of market value as disclosed in note 7. The valuations are conducted by the valuation experts appointed by the Company. The valuation experts used a market based approach to arrive at the fair value of the Company's properties. This revaluation was carried out by Asif Associates (Private) Limited (Independent valuers and consultants). The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty, accordingly a qualitative disclosure of sensitivity has not been presented in these unconsolidated financial statements.

## 46.5 Capital management

The Board's policy is to maintain an efficient capital base so as to maintain investor, creditor and market confidence and to sustain the future development of its business. The Board of Directors monitors the return on capital employed, which the Company defines as operating income divided by total capital employed. The Board of Directors also monitors the level of dividends to ordinary shareholders.

The Company's objectives when managing capital are:

- (i) to safeguard the entity's ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and
- (ii) to provide an adequate return to shareholders.

The Company manages the capital structure in the context of economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, issue new shares, or sell assets to reduce debt.

|                               | <u>Unit</u>       | <u>2025</u>           | <u>2024</u>    |
|-------------------------------|-------------------|-----------------------|----------------|
| Total debt                    | <i>Rupees</i>     | <b>2,614,846,286</b>  | 2,757,840,961  |
| Total equity                  | <i>Rupees</i>     | <b>9,365,309,057</b>  | 8,967,473,376  |

# CONSOLIDATED FINANCIAL STATEMENTS

To the members of Ferozsons Laboratories Limited

### Opinion

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 30 June 2025 and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with accounting and reporting standards as applicable in Pakistan.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

© 1994, Thomas Hout & Co., a Partnership firm registered in England and a member firm of the NYPE club is hereby notified of independent member firms affiliated with NYPE, practitioners (read: a group) report generally correct to members.

KPMG Taseer Hadi & Co.

Following is the Key audit matter:

| S. No. | Key audit matter   | How the matter was addressed in our audit  |
|--------|--|--|
| 1      | <p><b>Revenue recognition</b></p> <p>Refer to notes 3.13, 3.13.1, 3.13.2, and 29 to the consolidated financial statements.</p> <p>The Group recognized net revenue of Rs. 18.86 billion from the sale of goods to domestic as well as export customers during the year ended 30 June 2025.</p> <p>We identified recognition of revenue as a key audit matter because revenue is one of the key performance indicators of the Group and gives rise to a risk that revenue is recognized without transferring the control to meet expectations or targets.</p> | <p>Our audit procedures to assess the recognition of revenue, amongst others, included the following:</p> <ul style="list-style-type: none"> <li>• Obtaining an understanding of the process relating to recording of revenue and testing the design and implementation of relevant key internal controls over recording of revenue;</li> <li>• Assessing the appropriateness of the Group's accounting policies for recording of revenue and compliance of those policies with applicable accounting standards;</li> <li>• Comparing, on a sample basis, specific revenue transactions recorded just before and just after the financial year end date to determine whether the revenue had been recognized in the appropriate financial period;</li> <li>• Scanning for any journal entries relating to revenue raised during the year which met specific risk-based criteria for inspecting underlying documentation; and</li> <li>• Assessing the adequacy of presentation and disclosures related to the revenue as required under the accounting and reporting standards as applicable in Pakistan.</li> </ul> |

**Information other than the Financial Statements and Auditor's Report thereon**

Management is responsible for the other information. Other information comprises the chairman review report, directors' report, key financial data and horizontal and vertical analysis included in the annual report for the year ended 30 June 2025, but does not include the consolidated and unconsolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

*KPMG*

KPMG Taseer Hadi & Co.

### **Responsibilities of Management and Board of Directors for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of directors is responsible for overseeing the Group's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

KPMG Taseer Hadi & Co.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Ahsin Tariq.

Chief Financial Officer

Director

# Ferozsons Laboratories Limited

## Notes to the Consolidated Financial Statements

For the year ended 30 June 2025

### 1 Reporting entity

Ferozsons Laboratories Limited ("the Holding Company") was incorporated as a private limited company on 28 January 1954 and commenced its commercial operations in 1956. The Holding Company was converted into a public limited company on 08 September 1960. The Holding Company is listed on the Pakistan Stock Exchange Limited and is primarily engaged in the imports, manufacture and sale of pharmaceuticals products and medical devices. Its registered office is situated at 197-A, The Mall, Rawalpindi and the manufacturing facility is located at Amangarh, Nowshera, Khyber Pakhtoon Khwa.

"The Group" consists of the following subsidiaries:

| Company / Entity       | Country of incorporation | Nature of business  | Effective holding % |      |
|------------------------|--------------------------|---|---------------------|------|
|                        |                          |   | 2025                | 2024 |
| BF Biosciences Limited | Pakistan                 | Import, manufacturing and sale of pharmaceutical products     | 57.36               | 80   |
| Farmacia               | Pakistan                 | Sale and distribution of medicines and other related products | 98                  | 98   |

The registered office of the BF Biosciences Limited is situated at 197-A, The Mall, Rawalpindi and the production facility is located at 5 KM- Sunder Raiwind Road Lahore.

The head office of the Farmacia is situated at Fatima Memorial Hospital, Shadman, Lahore.

#### 1.1 Changes in Ownership Interest in Subsidiary Without Loss of Control

During the year ended 30 June 2025, BF Biosciences Limited a subsidiary of the Group, issued 25,000,000 new shares to non-controlling shareholders for a total consideration of PKR 1,855,198,135 (net of transaction cost). As a result, the Group's ownership in BF Biosciences Limited decreased from 80% to 57.36%. Since the Group retained control, this transaction was accounted for as an equity transaction under IFRS 10 and it did not impact profit or loss.

### 2 Basis of preparation

#### 2.1 Separate financial statements

These consolidated financial statements have been prepared from the information available in the audited standalone financial statements of the Holding Company for the year ended 30 June 2025 and the audited financial statements of the subsidiaries for the year ended 30 June 2025.

#### 2.2 Statement of compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

### **2.3 Basis of measurement**

These consolidated financial statements have been prepared under the historical cost convention except for:

- translation of foreign currency at spot / average rate;
- land, building and machinery at revalued amount as referred in note 18 to these consolidated financial statements; and
- certain financial instruments at fair value through profit and loss account as referred in note 3.7 to these consolidated financial statements.

In these consolidated financial statements, except for the amounts reflected in the consolidated statement of cash flows, all transactions have been accounted for on accrual basis.

### **2.4 Functional and presentation currency**

These consolidated financial statements are presented in Pakistani Rupee ("Rs.") which is the Group's functional currency. All financial information presented in Rupees has been rounded off to the nearest rupee, unless otherwise stated.

### **2.5 Use of estimates and judgments**

The preparation of consolidated financial statements in conformity with the approved accounting and reporting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, income and expenses. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgment about carrying value of assets and liabilities that are not readily available from other sources. Actual results may differ from these estimates. The estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects both current and future periods.

Judgments and estimates made by the management in the application of accounting and reporting standards, as applicable in Pakistan that are significant/relevant to the consolidated financial statements are documented in the ensuing paragraphs:

### **2.5.1 Property, plant and equipment**

The Group reviews appropriateness of useful lives and residual values used in the calculation of depreciation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis.

In making these estimates, the Group uses the technical resources available. Any change in the estimates in the future may affect the carrying amount of respective items of property, plant and equipment, with corresponding effects on the depreciation charge and impairment.

The management of the Group reviews carrying amounts of its assets including cash generating units for possible impairment and makes formal estimates of recoverable amount if there is any such indication.

Revaluation of property, plant and equipment is carried out by independent professional valuer. The frequency of revaluations depends upon the changes in fair values of the items of property, plant and equipment being revalued. When the fair value of a revalued asset differs materially from its carrying amount, a further revaluation is required.

### **2.5.2 Inventories**

The Group reviews the inventories for possible impairment on an annual basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of inventories with a corresponding affect on the provision and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

### **2.5.3 Expected credit loss (ECL) / Loss allowance against trade debts, deposits, advances and other receivables**

For financial assets measured at amortized cost, recognition of impairment is based on expected credit loss (ECL) model.

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

The Group has elected to measure loss allowances for trade debts including due from 'Government of Pakistan' using IFRS 9 simplified approach and has calculated ECLs based on lifetime ECLs.

The Group has established a provision matrix that is based on the Group's historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment including forward-looking information.

### **2.5.4 Provisions**

Estimates of the amount of provision recognized are based on current legal and constructive obligations. Actual outflows can differ from estimates due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are regularly reviewed and adjusted to take account of such changes.

### **2.5.5 Taxation**

The Group takes into account the current income tax laws and decisions taken by appellate authorities. Instances where the Group's view differs from the view taken by the income tax department at the assessment stage and the Group considers that its view on items of material nature is in accordance with law, the amounts are shown as contingent liabilities.

### **2.5.6 Fair value of investments**

The Group regularly reviews the fair value of investments, the estimate of fair values are directly linked to market value. Any change in estimate will effect the carrying value of investments with the corresponding impact on consolidated statement of profit or loss.

### **2.5.7 Contingencies**

The Group reviews the status of all pending litigations and claims against the Group. Based on its judgment and the advice of the legal advisors for the estimated financial outcome, appropriate disclosure or provision is made. The actual outcome of these litigations and claims can have an effect on the carrying amounts of the liabilities recognized at the consolidated statement of financial position date.

## **3 Material accounting policies**

The material accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all periods presented, unless otherwise stated.

### **3.1 Basis of consolidation**

These consolidated financial statements include the financial statements of the Holding Company and the subsidiary companies together constituting "the Group".

#### **3.1.1 Subsidiaries**

Subsidiaries are entities controlled by the Group. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The subsidiaries are fully consolidated from the date of acquisition, being the date on which the Holding Company obtains control, and continue to be consolidated until the date that such control ceases.

The financial statements of the Subsidiary Companies have been consolidated on a line-by-line basis and the carrying values of the investments held by the Holding Company have been eliminated against the shareholder's equity in the subsidiary companies. The financial statements of the subsidiaries are prepared for the same reporting year as of the Holding Company, using consistent accounting policies except where specified otherwise.

#### **3.1.2 Non-controlling interests**

Non-controlling interest is that part of net results of operations and of net assets of the subsidiaries which are not owned by the Holding Company either directly or indirectly. Non-controlling interest is presented as a separate item in the consolidated financial statements.

Non-controlling interests are measured at their proportionate share of the acquiree's identifiable net assets at the date of acquisition.

Changes in the Holding Company's interest in a Subsidiary, except those part of the initial acquisition transaction, that do not result in a loss of control are accounted for as a equity transactions.

### **3.1.3 Loss of control**

When the Group loses control over a subsidiary, it derecognizes the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any resulting gain or loss is recognised in the consolidated statement of profit or loss. Any interest retained in the former subsidiary is measured at fair value when control is lost.

### **3.1.4 Transactions eliminated on consolidation**

Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions, are eliminated.

## **3.2 Employee benefits**

Salaries, wages and benefits are accrued in the period in which the associated services are rendered by employees of the Group and measured on an undiscounted basis. The accounting policy for employee retirement benefits is described below:

### **3.2.1 Defined contribution plan**

The Group operates a defined contribution provident fund scheme for permanent employees. Contributions to the fund are made monthly by the Group and employees at an agreed rate of salary, the fund is managed by its Board of Trustees. The contributions of the Group are charged to the consolidated statement of profit or loss.

### **3.2.2 Compensated absences**

The Group provides for compensated absences for its employees on unavailed balance of leave in the period in which leave is earned and the charge is recognized in the consolidated statement of profit or loss.

## **3.3 Taxation**

Income tax expense comprises current and deferred tax. It is recognised in the consolidated statement of profit or loss except to the extent that it relates to a business combination, or items recognized directly in equity or consolidated statement of comprehensive income.

### **3.3.1 Current taxation**

Provision for current tax is based on taxable income for the year at the applicable tax rates after taking into account tax credit and tax rebates, if any and any adjustment to tax payable in respect of previous year.

### **3.3.2 Deferred taxation**

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for:

- temporary differences on initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss;
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on business plans for the Group and the reversal of temporary differences. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves. Unrecognized deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantially enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. For this purpose, the carrying amount of investment property measured at fair value is presumed to be recovered through sale, and the Group has not rebutted this assumption. Deferred tax assets and liabilities are offset if certain criteria are met.

### **3.3.3 Final tax and minimum tax**

Tax charged under the Income Tax Ordinance, 2001 which is not based on taxable income or any amount paid / payable in excess of the calculation based on taxable income or any minimum tax which is not adjustable against future income tax liability is classified as levy in the consolidated statement of profit or loss and consolidated other comprehensive income as these levies fall under the scope of IFRIC 12/ IAS 37.

## **3.4 Property, plant and equipment**

### **3.4.1 Owned**

#### **Recognition and measurement:**

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation and any accumulated impairment losses except for:

- land (free hold) which is carried at revalued amount
- capital work in progress and advance for capital expenditure which are stated at cost less impairment loss, if any

Freehold land, building on freehold land and plant and machinery are recognized at revalued amounts based on valuation by external independent valuer. Revaluation surplus on property, plant and equipment is credited to a capital reserve in shareholder's equity and presented as a separate line item in the consolidated statement of financial position. Increases in the carrying amounts arising on revaluation of land are recognized, in consolidated statement of comprehensive income and accumulated in revaluation surplus in shareholder's equity. To the extent that increase reverses a decrease previously recognized in the consolidated statement of profit or loss, the increase is first recognized in the consolidated statement of profit or loss. Decreases that reverse previous increases of the same asset are first recognized in the consolidated statement of comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to the consolidated statement of profit or loss.

Cost comprises of purchase price and other directly attributable costs less refundable taxes. The cost of self-constructed assets includes the cost of materials and direct labor, any other costs directly attributable to bringing the assets to a working condition for their intended use. The completed or / acquired capital work in progress and advance for capital expenditure is transferred to the respective item of operating fixed assets when it becomes available for intended use. Cost also includes applicable borrowing cost.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount and is recognized in the consolidated statement of profit or loss.

**Subsequent expenditure:**

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

**Depreciation:**

Depreciation on depreciable assets is commenced from the date asset is available for use up to the date when asset is retired. Depreciation charge is based on the straight-line method whereby the cost of an asset, except for freehold land, is written off in the consolidated statement of profit or loss over its estimated useful life after taking into account the residual value, if any. The residual value, depreciation method and the useful lives of each part of property, plant and equipment, other for freehold land, that is significant in relation to the total cost of the asset are reviewed, and adjusted if appropriate, at each reporting date.

### **3.5 Investment property**

Property, comprising land, held to earn rentals or for capital appreciation or both are classified as investment property. These are not held for use in the production or supply of goods or services or for administrative purposes. The Group's business model i.e. the Group's intentions regarding the use of property is the primary criterion for classification as an investment property.

The investment property of the Group comprises of Land and is valued using the cost method. Investment property is initially measured at cost, being the fair value of the consideration given (including the transaction costs). Subsequent to initial recognition, these are stated at cost less any accumulated impairment loss.

The gain or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as an income or expense.

### **3.6 Intangibles**

Intangible assets are measured at cost, less accumulated amortization, and any accumulated impairment losses.

**Subsequent expenditure:**

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

**Amortization:**

Amortization is calculated to write off the cost of intangible assets less their estimated residual values using the straight line method over their estimated useful lives, on monthly basis and is recognized in the consolidated statement profit or loss. Amortization rate is mentioned in note 19.

Amortization on additions to intangible assets is commenced from the date the assets is capitalized.

Amortization methods, useful lives and residual values are reviewed at each reporting date and adjusted, if appropriate.

### **3.7 Financial instruments**

The Group initially recognizes financial assets on the date when they are originated. Trade and other receivables are initially recognized when they are originated. All other financial assets and financial liabilities are initially recognized when the Group becomes a party to the contractual provisions of the instrument. A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

#### **3.7.1 Financial assets**

##### **Classification**

On initial recognition, a financial asset is classified as measured at:

- amortized cost;
- fair value through other comprehensive income (FVOCI); or
- fair value through profit or loss (FVTPL).

The classification of financial assets is based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

Financial assets are not reclassified subsequent to their initial recognition unless the Group changes its business model for managing financial assets in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

##### **Amortized cost:**

##### **Initial Recognition:**

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- i. it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- ii. its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **Subsequent measurement:**

The assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in consolidated statement of profit or loss.

##### **Derecognition:**

Any gain or loss on derecognition is recognized in consolidated statement of profit or loss.

Financial assets measured at amortized cost comprise of cash and bank balances, deposits, loan to employees, trade debts and other receivables.

**Fair value through other comprehensive income (FVOCI):**

**Debt Instrument - FVOCI**

**Initial Recognition:**

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- i. it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- ii. its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Subsequent measurement:**

These assets are subsequently measured at fair value. Interest income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognized in consolidated statement of profit or loss. Other net gains and losses are recognized in OCI.

**Derecognition:**

On derecognition, gains and losses accumulated in OCI are reclassified to consolidated statement of profit or loss. However, the Group has no such instrument at the reporting date.

**Equity Instrument - FVOCI**

**Initial Recognition:**

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment-by-investment basis.

**Subsequent measurement:**

These assets are subsequently measured at fair value. Dividends are recognized as income in consolidated statement of profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and these are never reclassified to profit or loss. However, the Group has no such instrument at the reporting date.

**Fair value through profit or loss (FVTPL)**

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL.

**Initial Recognition:**

On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

**Subsequent measurement:**

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in consolidated statement of profit or loss. The Group has classify its investments in mutual funds as at FVTPL.

### **Financial assets – Business model assessment**

For the purposes of the assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable-rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse features).

#### **Derecognition:**

The Group derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred, or it neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in such derecognized financial assets that is created or retained by the Group is recognized as a separate asset or liability.

### **3.7.2 Financial liabilities**

#### **Recognition:**

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in consolidated statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in consolidated statement of profit or loss. Any gain or loss on derecognition is also recognized in consolidated statement of profit or loss.

The Group financial liabilities comprise trade and other payables, long term loan from financial institutions, markup accrued on borrowings, long term deposits and short term borrowings. and dividend payable.

Long term loans are classified as 'financial liabilities at amortized cost'. On initial recognition, these are measured at cost, being fair value at the date the liability is incurred, less attributable transaction costs. Subsequent to initial recognition, these are measured at amortized cost with any difference between cost and value at maturity recognized in the consolidated statement of profit or loss over the period of the borrowings on an effective interest basis.

Interest accrued on financial liabilities measured at amortized cost is presented separately in the statement of financial position. Such accrued interest is included in the amortized cost of the respective instruments for the purposes of IFRS 9.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Financial liability which carry a share conversion option represents convertible loans that can be converted into ordinary shares or can be settled in cash, are treated as compound financial instrument. The liability component of a compound financial instrument is recognized initially at the fair value of a similar liability that does not have an equity conversion option. The equity component is recognized initially directly in equity and represents at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Subsequent to initial recognition, the liability component of a compound financial instrument is measured at amortized cost using the effective interest method. The equity component of a compound financial instrument is not re-measured subsequent to initial recognition except on conversion or expiry.

#### **Derecognition:**

The Group derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The Group also derecognizes a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognized at fair value. On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognized in consolidated statement of profit or loss.

### **3.7.3 Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is presented in the consolidated statement of financial position when and only when the Group currently has a legally enforceable right to set off the amounts and it intends to either settle then on a net basis or to realize the asset and settle the liability simultaneously.

### **3.7.4 Trade debts**

Trade debts represent the Group's right to an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due). These are classified at amortized cost and are initially recognized when they are originated and measured at invoice value. These assets are written off when there is no reasonable expectation of recovery. The policy for impairment of trade debtors on account of expected credit loss is mentioned in note 3.7.5 to the financial statements.

### **3.7.5 Impairment**

#### **Financial assets**

The Group recognizes loss allowances for ECLs on:

- financial assets measured at amortized cost;
- debt investments measured at FVOCI; and
- contract assets.

The Group measures loss allowances at an amount equal to lifetime ECLs, except for the following, which are measured at 12-month ECLs:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities, and bank balances and other receivables for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward-looking information.

The Group assumes that the credit risk on a financial asset has increased significantly if it is more than past due for a reasonable period of time. Loss allowances for trade receivables and contract assets are always measured at an amount equal to lifetime ECLs. Lifetime ECLs are the ECLs that result from all possible default events over the expected life of a financial instrument. 12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months). The maximum period considered when estimating ECLs is the maximum contractual period over which the Group is exposed to credit risk.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

The Gross carrying amount of a financial asset is written off when the Group has no reasonable expectations of recovering of a financial asset in its entirety or a portion thereof. The Group individually makes an assessment with respect to the timing and amount of write-off based on whether there is a reasonable expectation of recovery. The Group expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

#### **Non - Financial assets**

The carrying amount of the Group's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset or cash generating unit is the greater of its value in use and its fair value less cost to sell. In assessing value in use, the estimated future cash flows are discounted to their present values using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash generating unit.

An impairment loss is recognized if the carrying amount of the assets or its cash generating unit exceeds its estimated recoverable amount. Impairment losses are recognized in consolidated statement of profit or loss. Impairment losses recognized in respect of cash generating units are allocated to reduce the carrying amounts of the assets in a unit on a pro rata basis.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to that extent that the asset's carrying amount after the reversal does not exceed the carrying amount that would have been determined, net of depreciation and amortization, if no impairment loss had been recognized.

### **3.8 Trade and other payables**

Trade and other payables are initially carried at the fair value of the consideration to be paid in future for goods and services received. Subsequent to initial recognition, these are carried at amortized cost.

### **3.9 Provisions**

A provision is recognized when the Group has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. However, provisions are reviewed at each reporting date and adjusted to reflect current best estimate.

### **3.10 Foreign currency**

All monetary assets and liabilities in foreign currencies are translated into rupees at exchange rates prevailing at the reporting date. Transactions in foreign currencies are translated into rupees at exchange rates prevailing at the date of transaction. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated into rupees at exchange rates prevailing at the date of transaction. Non-monetary assets and liabilities denominated in foreign currency that are stated at fair value are translated into rupees at exchange rates prevailing at the date when fair values are determined. Exchange gains and losses are included in the consolidated statement of profit or loss.

### **3.11 Inventories**

Inventories includes stock in trade and stores, spare parts and loose tools.

These are stated at lower of cost and net realisable value.

Stock in trade and stores, spare parts and loose tools are valued at weighted average cost.

Cost comprises of cost of purchase and other costs incurred in bringing the items to their present location and condition. For items which are slow moving and / or identified as surplus to the Group's requirements, adequate provision is made for any excess book value over estimated net realizable value.

The Group reviews the carrying amount of stock in trade and stores, spare parts and loose tools basis and provision is made for obsolescence, if there is any change in usage pattern or physical form of related stores, spare parts and loose tools.

### **3.12 Cash and cash equivalents**

Cash and cash equivalents comprise cash in hand and bank balances, short term investments and outstanding balance of short-term borrowings under mark-up / shariah arrangements, used by the Group in the management of its short-term commitments.

### **3.13 Revenue recognition**

The Group is in the business of (a) sale of pharmaceutical products and medical devices and (b) toll manufacturing services for pharmaceutical products to other pharmaceutical sector companies.

Revenue from contracts with customers is recognized, when a performance obligation has been fulfilled by transferring control of goods to the customers, at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods excluding sales taxes, sales return and after deduction of any trade discounts. Specific revenue and other income recognition policies are as follows:

#### **3.13.1 Sale of goods**

Revenue represents the fair value of the consideration received or receivable for sale of products, net of sales tax, sales returns and related discounts. The contract contains distinct goods to be delivered and a single performance obligation to be satisfied. Payment is generally due within 0 to 90 days of satisfaction of performance obligation. The revenue is recognized at point in time when goods are acknowledged by customers as they are enabled to consume the benefits, when goods are delivered to them and the Group's right to receive transaction price is developed.

#### **3.13.2 Toll manufacturing**

There are contracts with customers to manufacture, on their behalf, the pharmaceutical products using raw materials provided by the customer. The performance obligation is satisfied upon receipt of the finished goods by the customer and payment is generally due within 0 to 90 days from delivery. No significant financing component exist for these contracts. The Group concluded that it transfers control over its toll manufacturing services at a point in time, upon receipt of the product by the customer, because this is when the customer benefits from the Group's toll manufacturing services.

#### **3.13.3 Other income**

Other income is recognized on an accrual basis. Net gains and losses of disposal of property, plant and equipment have been recognized in the consolidated statement of profit or loss, having deducted from proceeds on disposal, the carrying amount of the assets and related selling expenses. Income on bank deposits is recognized using effective interest method. Foreign currency gains and losses are reported on a net basis. Dividend income and entitlement of bonus shares are recognized when the right to receive is established. Gains and losses on sale of investments are accounted for on disposal of investments.

#### **3.13.4 Contract liabilities**

A contract liability is the obligation of the Group to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Group performs under the contract. It also includes refund liabilities arising out of customer's right to claim amounts from the Group on account of contractual delays in delivery of performance obligations and incentive on target achievements.

#### **3.14 Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying asset is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in the consolidated statement of profit or loss as incurred.

### **3.15 Share Capital and Dividend**

Ordinary shares are classified as equity and recognised at their face value. Dividend distribution to the shareholders is recognized as a liability in these consolidated financial statements in the period in which it is declared.

### **3.16 Segment Reporting**

Segment reporting is based on the operating (business) segments of the Group. An operating segment is an identifiable component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components and for which discrete financial information is available. An operating segment's operating results are reviewed regularly by the Chief Operating Decision Maker (CODM) to make decisions about resources to be allocated to the segment and assess its performance.

The chief operating decision maker, who is responsible for allocating resources and accessing performance of the operating segments, have been identified as the Chief Executive Officers, who make strategic decisions. Segment results that are reported to the CODMs include items directly attributable to a segment as well as those that can be allocated on a reasonable basis.

The business segments are engaged in providing products which are subject to risks and rewards which differ from the risk and rewards of other segments. Segments reported are as follows:

#### ***Ferozsons***

The Ferozsons segment is primarily engaged in the import, manufacture and sale of pharmaceutical products as well as import and sale of medical devices.

#### ***BF Biosciences***

The BF Biosciences segment is primarily engaged in the import, manufacture and sale of pharmaceutical products.

#### ***Others***

The others segment is primarily engaged in sale of pharmaceutical and other related products.

### **3.17 Deferred Grant**

The Group follows deferral method of accounting for government grant related to subsidized long term loans. Government grant is initially recognized as deferred grant and measured as the difference between the initial carrying value of the long term loan recorded at market rate (i.e. fair value of the long term loan in this case) and the proceeds of subsidized long term loan received. In subsequent years, the grant is recognized in the consolidated statement of profit or loss account, in line with the recognition of interest expenses the grant is compensating and is presented as a reduction of related interest expense.

### **3.18 Contingent liabilities**

A contingent liability is disclosed when the Group has a possible obligation as a result of past events, whose existence will be confirmed only by the occurrence or non-occurrence, of one or more uncertain future events not wholly within the control of the Group; or the Group has a present legal or constructive obligation that arises from past events, but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability.

### **3.19 Ijarah**

Ijarah in which a significant portion of the risks and rewards of ownership are retained by the Muj'ir (lessor) are classified as operating Ijarah. Payments made during the year are charged to the statement of profit or loss on a straight-line basis over the period of the Ijarah in accordance with Islamic Financial Accounting Standard-2.

## **4 Changes in accounting standards, interpretations and pronouncements**

### **4.1 New or amendments / interpretations to existing standards, interpretations and forthcoming requirements**

The following amendments to published standards are mandatory for the financial year beginning on 1 January 2024 and are relevant to the Group:

- Non-current Liabilities with Covenants

During the year an amendment to IAS 1 'Presentation of Financial Statements' (IAS-1) was introduced addressing the classification of non-current liabilities subject to covenants. This amendment clarifies that liabilities should be classified as either current or non-current based on the rights available at the end of the reporting period, without consideration of future expectations or events occurring after this date. The amendment also mandates specific disclosures if a liability is classified as non-current but is subject to covenants that must be complied with within twelve months of the reporting date. The related amendments are presented in the note 9.3 to these consolidated financial statements.

- Disclosure detailing Shariah and conventional elements

During the year, the Securities and Exchange Commission of Pakistan (SECP) made amendments to the Fourth Schedule to the Companies Act, 2017, and issued SRO 1278(1)/2024 dated August 15, 2024, introducing additional disclosure requirements relating to Shariah and conventional elements. The Group has presented the required disclosures in note 45 to these consolidated financial statements.

The following new standards and amendments are effective for the period beginning 1 January 2024, however they are not relevant to the entity's operations:

- Lease Liability in a Sale and Lease back (Amendments to IFRS 16)
- Classification of Liabilities as Current or Non-current (Amendments to IAS 1)
- Supplier Finance Arrangements (Amendments to IAS 7 and IFRS 7)

## **5 Standards, amendments and interpretations to accounting and reporting standards that are not yet effective**

The following International Financial Reporting Standards (IFRS Standards) as notified under the Companies Act, 2017 and the amendments and interpretations thereto will be effective for accounting periods beginning on or after 1 July 2024:

- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28) amend accounting treatment on loss of control of business or assets. The amendments also introduce new accounting for less frequent transaction that involves neither cost nor full step-up of certain retained interests in assets that are not businesses. The effective date for these changes has been deferred indefinitely until the completion of a broader review. Early adoption continues to be permitted.

- Lack of Exchangeability (amendments to IAS 21) clarify:
  - when a currency is exchangeable into another currency; and
  - how a company estimates a spot rate when a currency lacks exchangeability.

Further, companies will need to provide new disclosures to help users assess the impact of using an estimated exchange rate on the financial statements. These disclosures might include:

- the nature and financial impacts of the currency not being exchangeable;
- the spot exchange rate used;
- risks to the company because the currency is not exchangeable.

The amendments apply for annual reporting periods beginning on or after 1 January 2025. Earlier application is permitted.

- Amendments to the Classification and Measurement of Financial Instruments – Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures:

- Financial Assets with ESG-Linked features:

Under IFRS 9, it was unclear whether the contractual cash flows of some financial assets with ESG-linked features represented SPPI. This could have resulted in financial assets with ESG-linked features being measured at fair value through profit or loss.

Although the new amendments are more permissive, they apply to all contingent features, not just ESG-linked features. While the amendments may allow certain financial assets with contingent features to meet the SPPI criterion, companies may need to perform additional work to prove this. Judgement will be required in determining whether the new test is met.

The amendments introduce an additional SPPI test for financial assets with contingent features that are not related directly to a change in basic lending risks or costs – e.g., where the cash flows change depending on whether the borrower meets an ESG target specified in the loan contract.

The amendments also include additional disclosures for all financial assets and financial liabilities that have certain contingent features that are:

- not related directly to a change in basic lending risks or costs; and
- are not measured at fair value through profit or loss.

The amendments apply for reporting periods beginning on or after 1 January 2026. Companies can choose to early-adopt these amendments (including the associated disclosure requirements), separately from the amendments for the recognition and derecognition of financial assets and financial liabilities.

- Recognition / Derecognition requirements of Financial Assets / liabilities by Electronic Payments:

The amendments to IFRS 9 clarify when a financial asset or a financial liability is recognized and derecognized and provide an exception for certain financial liabilities settled using an electronic payment system. Companies generally derecognize their trade payables on the settlement date (i.e., when the payment is completed). However, the amendments provide an exception for the derecognition of financial liabilities. The exception allows the company to derecognize its trade payable before the settlement date, when it uses an electronic payment system that meets all of the following criteria:

- no practical ability to withdraw, stop or cancel the payment instruction;
- no practical ability to access the cash to be used for settlement as a result of the payment instruction; and
- the settlement risk associated with the electronic payment system is insignificant.

The amendments apply for reporting periods beginning on or after 1 January 2026. Earlier application is permitted.

Other related amendments:

Contractually linked instruments (CLIs) and non-recourse features:

The amendments clarify the key characteristics of CLIs and how they differ from financial assets with non-recourse features. The amendments also include factors that a company needs to consider when assessing the cash flows underlying a financial asset with non-recourse features (the 'look through' test).

Disclosures on investments in equity instruments:

The amendments require additional disclosures for investments in equity instruments that are measured at fair value with gains or losses presented in other comprehensive income (FVOCI). The amendments apply for reporting periods beginning on or after 1 January 2026. Earlier application is permitted.

Annual Improvements to IFRS Accounting Standards – Amendments to:

- IFRS 1 First-time Adoption of International Financial Reporting Standards;
- IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7;
- IFRS 9 Financial Instruments;
- IFRS 10 Consolidated Financial Statements; and
- IAS 7 Statement of Cash flows

The amendments to IFRS 9 address:

A conflict between IFRS 9 and IFRS 15 Revenue from Contracts with Customers over the initial measurement of trade receivables.

Under IFRS 15, a trade receivable may be recognized at an amount that differs from the transaction price – e.g. when the transaction price is variable. Conversely, IFRS 9 requires that companies initially measure trade receivables without a significant financing component at the transaction price. The IASB has amended IFRS 9 to require companies to initially measure a trade receivable without a significant financing component at the amount determined by applying IFRS 15; and

How a lessee accounts for the derecognition of a lease liability under paragraph 23 of IFRS 9.

When lease liabilities are derecognized under IFRS 9, the difference between the carrying amount and the consideration paid is recognized in profit or loss. The amendment on trade receivables may require some companies to change their accounting policy. The amendments apply for annual reporting periods beginning on or after 1 January 2026. Earlier application is permitted. The amendment on derecognition of lease liabilities applies only to lease liabilities extinguished on or after the beginning of the annual reporting period in which the amendment is first applied.

Contracts Referencing Nature-dependent Electricity – (Amendments to IFRS 9 and IFRS 7) address the challenges faced by Companies in applying IFRS 9 Financial Instruments to contracts referencing nature-dependent electricity – sometimes referred to as renewable power purchase agreements (PPAs). The IASB has also added new disclosure requirements for certain PPAs to IFRS 7 Financial Instruments: Disclosures.

The amendments include guidance on:

- The ‘own-use’ exemption for purchasers of electricity under such PPAs; and
- Hedge accounting requirements for companies that hedge their purchases or sales of electricity using PPAs.

The amendments for the own-use exemption:

- Existing IFRS 9 guidance left ambiguity on whether PPAs could qualify for the own-use exemption (i.e., not accounted for as derivatives).
- The amendments allow a company to apply the own-use exemption to PPAs if the company has been, and expects to be, a net-purchaser of electricity for the contract period.
- The amendments apply retrospectively using facts and circumstances at the beginning of the reporting period of initial application, without requiring prior periods to be restated.

The amendments for hedge accounting:

Virtual PPAs and other PPAs that do not meet the own-use exemption are accounted for as derivatives and measured at FVTPL. Hedge accounting under IFRS 9 can help reduce volatility by reflecting how PPAs hedge future electricity purchases or sales, but applying it presents challenges. A key issue arises from a mismatch between the P50 estimate used to measure the PPA and the P90 estimate required for the highly probable hedged transaction, which may prevent hedge accounting qualification.

Subject to certain conditions, the amendments permit designation of a variable nominal volume of forecasted renewable electricity sales or purchases as the hedged transaction, rather than a fixed volume based on P90 estimates. This variable volume reflects what is expected to be delivered by the referenced generation facility, supporting an economic offset and enabling hedge accounting. A P50 estimate indicates the volume of energy production expected to be exceeded with 50 percent probability. A P90 estimate indicates the volume of energy production expected to be exceeded with 90 percent probability.

The amendments apply prospectively to new hedging relationships designated on or after the date of initial application. They also allow companies to discontinue an existing hedging relationship if the same hedging instrument is designated under the new requirements.

The new disclosure requirements:

A company may apply the own-use exemption to certain PPAs under the amendments and therefore would not recognise these PPAs in its statement of financial position. Where this is the case, a company is required to disclose further information such as:

- contractual features exposing the company to variability in electricity volume and risk of oversupply;
- estimated future cash flows from unrecognised contractual commitments to buy electricity in appropriate time bands;
- qualitative information about how the company assessed whether a contract might become onerous; and
- qualitative and quantitative information about the costs and proceeds associated with purchases and sales of electricity, based on the information used for the 'net-purchaser' assessment.
- In addition, for PPAs designated in a cash flow hedging relationship, companies need to disaggregate the information disclosed about terms and conditions by risk category.

The amendments apply for reporting periods beginning on or after 1 January 2026. Early application is permitted.

- 8.3** The freehold land, building and plant and machinery were revalued by independent valuers in years 1976, 1989, 2002, 2006, 2011, 2016, 2020 and 2024. The latest revaluation was conducted by M/s Asif Associates (Private) Limited (independent valuer and consultant) as at 30 June 2024, that resulted in a further surplus of Rs. 3,880 million. These revaluations had resulted in a cumulative surplus of Rs. 6,154 million, which has been included in the carrying values of freehold land, building on freehold land and plant and machinery respectively and credited to the surplus on revaluation of property plant and equipment. The basis of revaluation for items of these fixed assets were as follows:

#### Freehold land

Fair market value of freehold land was assessed through inquiries to real estate agents and property dealers in near vicinity of freehold land. Different valuation methods and exercises were adopted according to experience, location and other usage of freehold land. Valuer had also considered all relevant factors as well. The most significant input into this valuation approach was price per acre for land.

#### Buildings on freehold land

Construction specifications were noted for each building, structure and civil works and new construction rates are applied according to construction specifications for current replacement values. After determining current replacement values, depreciation was calculated to determine the current assessed market value. The most significant input into this valuation approach was price per square foot for building.

#### Plant and machinery

Fair market value of plant and machinery was assessed by taking into account manufacturing cost of individual machines on the basis of material and technology used for manufacturing of the machine on international engineering standards and practice. The most significant input into this valuation approach was present operational condition and age of plant and machinery.

## 9.1.1

TERF loan facilities obtained from MCB Bank Limited and Habib Bank Limited have been utilized by the Subsidiary Company for the purpose of installing a second production line in its existing facility to manufacture the biological and non-biological medicines. These loans are recognized at fair value using the market interest rate of 3 month KIBOR plus 1.50% (2024: 3 month KIBOR plus 1.50%) and the difference between fair values and net disbursement amounts is recognized as deferred grant.

## 9.1.2

This represents term finance facility obtained under "SBP Islamic Renewable Energy Finance Scheme" introduced by Government of Pakistan in order to finance installation of Solar Power Plant of IMW. This loan carries the (SBP's IFRS rate + bank's spread 4.00% per annum). The difference between fair value of loan and loan proceeds has been recognized as deferred grant as per requirements of IAS 20. Moreover, during the year Holding Company made repayment of 13.28 million. Additionally, the loan is repayable in tranches within seven years from date of issue, with next tranche due in January 2026.

## 9.1.3

Term finance facility under "SBP finance scheme for renewable energy" introduced by Government of Pakistan in order to finance the installation/ commissioning of solar power systems to promote the use of renewable energy in the country. This loan carries the fixed markup rate of 6% (SBP rate of 2% + bank's spread 4% per annum). The difference between fair value of loan and loan proceeds has been recognized as deferred grant as per requirements of IAS 20. Moreover, during the year Holding Company made repayment of 19.25 million. Additionally, the loan is repayable in tranches within seven years from date of issue, with next tranche due in September 2025.

## 9.2.1

Loan facility obtained from Karandaaz Pakistan has been utilized by the Subsidiary Company to expand its production capacity by installing a second line of production in its existing facility. Furthermore, it had a conversion option (equivalent to 50% of the outstanding principal amount) subject to the fact that all the conditions decided between the parties have been met/ fulfilled/ satisfied or waived. The loan is recognized at fair value using the market interest rate of 3 month KIBOR plus 1.50% (2024: 3 month KIBOR plus 1.50%) and the difference between fair value and disbursement amount has been recognized as equity component. During the year 2023, the lender had forfeited its right for conversion of loan to equity.

## 9.3

**Covenants Disclosure - Long term loans - Secured**

In accordance with the terms of the loan agreements, the Company is obligated to comply with certain covenants. As at 30 June 2025, the Company is in compliance with the covenants as required under the loan agreements.

## 17 Contingencies and commitments

### 17.1 Contingencies

#### *Holding Company*

**17.1.1** In April 2019 the ACIR issued notice to the company u/s 122(9) of Income Tax Ordinance, 2001 for Tax Year 2017. The proceedings were concluded in December 2020 and an order was issued amounting to Rs. 84,319,918 on various contentions, which mainly includes WHT implications on cost of sales purchases, amortization of expenses related to conference, seminars & trainings and promotional expenses. The Company had filed an appeal against this demand before Commissioner Appeals who partially decided the matter in favor of the Company and remanded back the remaining matters for fresh consideration. The Company had filed an appeal against this order before the Appellate Tribunal Inland Revenue, which was subsequently decided in the favor of the Company. The Department filed reference against this order with Islamabad High court which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.2** The Additional Commissioner Inland Revenue (ACIR) issued an order for Tax Year 2020 under section 122(5A) of the Income Tax Ordinance, 2001 on May 17, 2023, increasing the tax liability by Rs.68,568,159 on various contentions, which mainly includes discounts on sales, amortisation of expenses related to conferences, seminars & trainings, advertisement expenses, amount added u/s 18(1)d and u/s 23 of ITO, 2001.

The Company had filed an appeal against this demand before Commissioner Appeals who confirmed the advertisement and conference, seminars & trainings as additions to the income while deleted the remaining matters. The Company filed an appeal against this order before the Appellate Tribunal Inland Revenue which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.3** In July 2022 the DCIR has passed an order under section 161/205 in respect of Tax Year 2018 and created a demand of Rs.55,674,204 based on the observation that the Company has not deducted withholding tax while making payment to certain suppliers. Being aggrieved with the order, the Company filed an appeal before CIR(A). During the year 2024, the CIR(A) deleted the demand of Rs.53,674,204 and remanded back the remaining proceedings to DCIR for fresh consideration. In May 2024 appeal effect proceedings were initiated and Company submitted the required data. On June 28, 2025 the DCIR passed an order with a demand of Rs.1,802,320 under section 161 of the Ordinance and charged default. The Company has filed an appeal against this demand before Commissioner Appeals in July 2025. Appeal effect proceedings are still pending. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.4** In April 2019, the ACIR issued notice to the company u/s 122(9) of Income Tax Ordinance, 2001 for the tax year 2018. The proceedings were concluded in September 2022 and an order was issued amounting to Rs. 211,576,500 on various contentions, which mainly includes advertisement & publicity, medical research, trade creditors, additions u/s 111(1)(d), other revenues claimed as exempt added u/s 39, share in AOP taxed in hands of taxpayer u/s 92 read with sec. 18 and the earnest money written off u/s 29. The Company had filed an appeal against this demand before CIR (A) who deleted additions on account of section 111(1)(d), other revenue and share in AOP while remanded back the matters relevant to adjustable tax, trade creditors, tax credit and exchange loss. The Company filed an appeal against this order before the Appellate Tribunal Inland Revenue, which has been subsequently decided in the favor of the Company. The Department filed a reference against this order with Islamabad High Court which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.5** The Company, along with other companies of different industries, has challenged the constitutionality of Section 4C of the Income Tax Ordinance 2001 in Islamabad High Court, and provisions appurtenant thereto, introduced vide Finance Act 2022, inter alia, upon grounds that the same unlawfully vitiates vested rights accrued in past and closed transactions, is discriminatory, confiscatory, demonstrably devoid of any intelligible differentia having rational nexus with the object of classification and amounts to impermissible double taxation. However, 50% amount of super tax has been duly paid by the Company as per the orders issued by the Honorable Supreme Court. The Islamabad High Court declared levy of super tax for 2022 as illegal. The department filed an intra court appeal against this order which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.6** On January 28, 2025, the Company received a notice under section 122(9) read with section 122(5A) of the Income Tax Ordinance, 2001 in respect of Tax Year 2024 regarding the disallowance of Workers' Welfare Fund (WWF) and Workers' Profit Participation Fund (WPPF) expenses under sections 60A and 60B of the Ordinance, on account of non-payment. The Company submitted its reply to the notice. Subsequently, on May 30, 2025, the Additional Commissioner Inland Revenue passed an order disallowing WPPF expense of Rs. Rs.32,799,369 and WWF expense of Rs. 2,071,112.

The Company filed an appeal against the said order before the Commissioner (Appeals) on June 25, 2025, which is currently pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.7** In January 2023, the Company received a notice under section 221(2) of the Income Tax Ordinance, 2001 regarding adjustment of Workers' Welfare Fund (WWF) against income tax refund for the Tax Year 2021. The Company submitted its reply to the notice. Subsequently, on April 29, 2025, the Deputy Commissioner Inland Revenue (DCIR) passed an order creating a demand of Rs. 19,312,085. The Company filed an appeal against the said order before the Commissioner Appeals in May 2025, which is currently pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

#### ***Subsidiary Company***

**17.1.8** On 15 June 2020, the ACIR issued a show-cause notice to the Company u/s 122(9) of the Income Tax Ordinance, 2001 for the tax year 2014. The proceedings were concluded on 29 June 2020, and an order was issued amounting to Rs. 35,992,726 on various contentions, which mainly includes promotional expenses, amortization and finance costs. The Company had filed an appeal against this demand before Commissioner Appeals who deleted the existing demand and remanded back some matters to the learned officer for re-assessment. The Income Tax Department has filed an appeal against this order before the Appellate Tribunal Inland Revenue, which is currently pending. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.9** As a result of monitoring proceedings of withholding taxes for tax year 2017, the Assessing Officer has issued Order and raised the demand of Rs.5,218,952 (inclusive of default surcharge) on account of non-withholding of tax on certain expenses including sales promotion and advertisement under section 156 of the Ordinance. The Company had filed an appeal against this demand before Commissioner Appeals who deleted the existing demand and remanded back some matters to the learned officer for re-assessment and upheld demand of Rs. 664,128 on account of travelling and daily allowance.

The Company filed an appeal against this order before the Appellate Tribunal Inland Revenue which is pending. Appeal effect proceedings were initiated by the department in April 2024 and Company resubmitted required data.

During pendency of these proceedings, the DCIR, in December 2024 by referring to the second appeal filed by the Company with ATIR, passed an order under section 124/161/205 of the ITO, 2001, in which he gave appeal effect amounting to Rs. 664,128 on account of travelling and conveyance and Rs. 553,501 as default surcharge thereon. The department adjusted this amount along with the default surcharge against the refund claim pertaining to the tax year 2022. The Company has filed an appeal against this demand before Commissioner Appeals. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.10** During June 2025, the Assessing Officer, as a result of monitoring proceedings of withholding taxes for tax year 2019 has issued Order and raised the demand of Rs.17,241,644 (inclusive of default surcharge of Rs.7,219,348) on account of non-withholding of tax on certain expenses. The Company has filed an appeal against this demand before Commissioner Appeals. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.11** During November 2024, the ACIR issued a notice to the Company u/s 122(9) of the Income Tax Ordinance, 2001 for the tax year 2019. The proceedings were concluded on 29 June 2025, and an order was issued raising tax liability of Rs. 9,309,351 on various contentions, which mainly includes admin, selling, promotional expenses, amortization and finance costs, unrealized exchange gain or loss and other provisions. Being aggrieved with the order, the Company has filed an appeal against this demand before Commissioner Appeals. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

**17.1.12** Orders under section 170(4) of the Income Tax Ordinance, 2001 were issued by the tax authorities in respect of tax years 2016, 2018, 2019, 2021 on December 31, 2024 and tax year 2022 on January 03, 2025. In these orders, partial or full refund claims were rejected primarily on grounds of alleged non-verification or non-payment of certain components. Specifically, tax credit claims under section 65B were disallowed amounting to Rs. 2.78 million, while in tax year 2021, Workers' Welfare Fund amounting to Rs. 1.62 million was disallowed. The principal refund claims rejected amounted to Rs. 31.57 million. After rejection of certain claims, the Department adjusted remaining refund of Rs. 53.84 million against impugned liability for the tax year 2015 and 2017. The Company filed an appeal against this order with Commissioner Appeals which is pending adjudication. Management is confident that the eventual outcome of the matter will be decided in favor of the Company.

## **17.2 Commitments**

### **17.2.1 Holding Company**

#### **17.2.1.1 Letter of credits**

##### ***17.2.1.1.1 Under Mark up arrangements***

Out of the aggregate facility of Rs. 3,950 million (2024: Rs. 3,400 million) for opening letters of credit, the amount utilized as at 30 June 2025 for capital expenditure was Rs. 310.93 million (2024: Nil) and for other than capital expenditure was Rs.192.29 million (2024: Rs.282.84 million).

These facilities are secured by either joint pari passu charge over present and future current assets of the Company with 25% margin over plant and machinery, lien on investments of the Company placed with HBL mutual funds or lien over the import documents (2024: joint pari passu charge over present and future current assets of the Company with 25% margin over plant and machinery, lien on investments placed with HBL mutual funds and lien over the import documents).

#### **17.2.1.1.2 Under Shariah compliant arrangements**

Investments out of provident fund have been made in accordance with the provisions of Section 218 of the Companies Act, 2017 and the rules formulated there under.

#### 47 Financial risk management

The Group has exposure to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

This note presents information about the Group's exposure to each of the above risks, the Group's objectives, policies and processes for measuring and managing risk, and the Group's management of capital.

##### Risk management framework

The Group's Board of Directors has overall responsibility for establishment and oversight of the Group's risk management framework. The Board is responsible for developing and monitoring the Group's risk management policies.

The Group's risk management policies are established to identify and analyze the risks faced by the Group, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Board of Directors reviews and agrees policies for managing each of these risks.

The Group's audit committee oversees how management monitors compliance with the Group's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. Audit committee is assisted in its oversight role by internal audit department. Internal audit department undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

The Group's exposure to financial risks, the way these risks affect the financial position and performance, and forecast transactions of the Company and the manner in which such risks are managed is as follows:

##### 47.1 Credit risk and concentration of credit risk

Credit risk represents the risk of financial loss if a customer or counter party to a financial instrument fails to discharge its contractual obligations. To manage credit risk the Company maintains procedures covering the application for credit approvals, granting and renewal of counterparty limits and monitoring of exposures against these limits. As part of these processes the financial viability of all counterparties is regularly monitored and assessed.

##### 47.1.1 Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

|   | 2025<br>Rupees       | 2024<br>Rupees       |
|---|----------------------|----------------------|
| <b><u>Financial assets at amortized cost</u></b>                    |                      |                      |
| Long term deposits  | 42,835,216           | 17,604,325           |
| Trade debts   | 2,301,227,364        | 2,416,614,379        |
| Loans and advances - <i>others</i>                                  | 41,591,580           | 13,686,361           |
| Deposits and prepayments  | 257,566,129          | 322,041,020          |
| Other receivables   | 94,103,986           | 58,626,606           |
| Bank balances   | 682,919,722          | 539,735,390          |
| <b><u>Financial assets at fair value through profit or loss</u></b> |                      |                      |
| Short term investments  | 1,661,032,001        | 496,495,295          |
|   | <b>5,081,275,998</b> | <b>3,864,803,376</b> |

#### 47.1.2 Concentration of credit risk

The Group identifies concentrations of credit risk by reference to type of counter party. Maximum exposure to credit risk by type of counterparty is as follows:

|  | 2025<br>Rupees       | 2024<br>Rupees       |
|--|----------------------|----------------------|
| Customers                                    | 2,301,227,364        | 2,416,614,379        |
| Banking companies and financial institutions | 2,343,951,723        | 1,036,230,685        |
| Others                                       | 436,096,911          | 411,958,312          |
|  | <b>5,081,275,998</b> | <b>3,864,803,376</b> |

#### 47.1.3 Credit quality and impairment

Credit quality of financial assets is assessed by reference to external credit ratings, where available, or to historical information about counterparty default rates. All counterparties, with the exception of customers and utility Companies, have external credit ratings determined by various credit rating agencies. Credit quality of customers is assessed by reference to historical defaults rates and present ages.

##### Counter parties with external credit ratings

This represents banking companies and financial institutions, which are counterparties to bank balances and investments. Impairment on these balances has been measured on 12 month expected loss basis and reflects the shortest maturities of the exposure. Credit risk is considered minimal as these counterparties have reasonably high credit ratings as determined by various credit rating agencies. Due to long standing business relationships with these counterparties and considering their strong financial standing, management does not expect non-performance by these counterparties on their obligations to the Group. Following are the credit ratings of counterparties with external credit ratings:

| Institutions                         | Rating     |           | Rating Agency | 2025             | 2024          |
|--------------------------------------|------------|-----------|---------------|------------------|---------------|
|                                      | Short term | Long term |               | -----Rupees----- |               |
| Bank balances                        |            |           |               |                  |               |

##### Counter parties without external credit ratings - Trade debts

These mainly include customers which are counter parties to local and foreign trade debts. The Group applies the IFRS 9 simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all trade receivables other than due from Government departments / hospitals. Trade receivables are written off when there is no reasonable expectation of recovery.

Management uses an allowance matrix to base the calculation of ECL of trade receivables from individual customers. Loss rates are calculated using a 'role rate' method based on the probability of receivable progressing through successive stages of delinquency to write-off. The Group has used two years quarterly data in the calculation of historical loss rates along with the matching quarterly ageing brackets for the computation of roll rates. These rates are multiplied by scalar factors to reflect the effect of forward looking macro-economic factors. The analysis of ages of trade debts and loss allowance using the aforementioned approach as at 30 June 2025 was determined as follows:

The ageing of trade debts other than due from Government at the reporting date was:

|                         | 30 June 2025       |                      | 30 June 2024       |                   |

Export sales are majorly secured through letter of credit while majority of the local sales are made to Government departments / hospitals. Trade debts are essentially due from government departments / projects and the Group is actively pursuing for recovery of debts and the Group does not expect these companies to fail to meet their obligations.

Deposits and other receivables are mostly due from Government Institutions, utility companies and a major supplier. Impairment on these balances has been measured on 12 month expected loss basis and reflects the shortest maturities of the exposure. Based on past experience the management believes that no impairment allowance is necessary in respect of these financial assets. There are reasonable grounds to believe that these amounts will be recovered in short course of time.

#### 47.1.4 Concentration of credit risk

Concentration of credit risk exists when the changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Group's total credit exposure. The Group's portfolio of financial instruments is broadly diversified and all other transactions are entered into with credit-worthy counterparties there-by mitigating any significant concentrations of credit risk.

#### 47.2 Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets, or that such obligations will have to be settled in a manner unfavorable to the Group. Management closely monitors the Group's liquidity and cash flow position. This includes maintenance of liquidity ratios, debtors and creditors concentration both in terms of the overall funding mix and avoidance of undue reliance on large individual customers.

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has built an appropriate liquidity risk management framework for the management of the Group's short, medium and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. Included in notes 9 and 15 to these consolidated financial statements is a listing of additional undrawn facilities that the Group has at its disposal to further reduce liquidity risk.

#### 47.2.1 Exposure to liquidity risk

##### 47.2.1.1 Contractual maturities of financial liabilities, including estimated interest payments

The following are the contractual maturities of financial liabilities:

|  | 2025            |                       |                    |                   | 2024              |                 |                       |                    |                   |                   |
|--|-----------------|-----------------------|--------------------|-------------------|-------------------|-----------------|-----------------------|--------------------|-------------------|-------------------|
|  | Carrying amount | Contractual cashflows | Less than one year | One to five years | More than 5 years | Carrying amount | Contractual cashflows | Less than one year | One to five years | More than 5 years |
|  |                 |                       |                    |                   |                   |                 |                       |                    |                   |                   |

#### 47.3 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign currency, interest rates and equity price that will effect the Group's income or the value of its holdings of financial instruments.

Market risk comprises of three types of risks:

- currency risk.
- interest rate risk
- other price risk

#### 47.3.1 Currency risk

Pakistani Rupee is the functional currency of the Group and exposure arises from transactions and balances in currencies other than Pakistani Rupee as foreign exchange rate fluctuations may create unwanted and unpredictable earnings and cashflow volatility. The Group's potential currency exposure comprises of:

*Transactional exposure in respect of non functional currency monetary items*

*Transactional exposure in respect of non functional currency expenditure and revenues*

The potential currency exposures are discussed below:

#### **Transactional exposure in respect of non functional currency monetary items**

Monetary items, including financial assets and liabilities, denominated in currencies other than the functional currency of the Group are periodically restated to rupee equivalent, and the associated gain or loss is taken to the consolidated statement of profit or loss. The foreign currency risk related to monetary items is managed as part of the risk management strategy.

#### **Transactional exposure in respect of non functional currency expenditure and revenues**

Certain operating and capital expenditure is incurred by the Group in currency other than the functional currency. Certain sales revenue is earned in currencies other than the functional currency of the Group. These currency risks are managed as a part of overall risk management strategy. The Group does not enter into forward exchange contracts.

#### **Exposure to currency risk**

The figures represent foreign currency balances after conversion in Pak Rupees using exchange rates prevailing at the statement of financial position date. The Group's exposure to foreign currency risk at the reporting date was as follows:

|  | 2025            |             |           |            |                |         |             |           |     |

| Pound Sterling     | 388.86              | 351.89 | 370.37       | 358.45 |
| JPY                | 1.97                | 1.73   | 1.85         | 1.90   |
| Australian dollars | 185.48              | 184.49 | 184.99       | 185.64 |
| CHF                | 355.33              | 309.41 | 332.37       | 319.48 |
| CNY                | 39.60               | 38.31  | 38.95        | 39.22  |

#### Sensitivity analysis

A reasonably possible strengthening / (weakening) of 10% in Pak Rupee against the following currencies would have affected the measurement of financial instruments denominated in foreign currency and affected consolidated statement of profit or loss by the amounts shown below at the consolidated statement of financial position date. The analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

|  | Profit or loss |              |
|--|----------------|--------------|
|  | 2025           | 2024         |
|  | -----Rs.-----  |              |
| Consolidated statement of profit or loss | (105,979,800)  | (19,679,664) |

A ten percent weakening of the Pakistani Rupee against foreign currencies at the reporting date would have had the equal but opposite effect on the amounts shown above, on the basis that all other variables remain constant.

#### 47.3.2 Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest rates. At the reporting date the interest rate profile of the Group's significant interest bearing financial instruments was as follows:

|  | 2025                              | 2024             | 2025                        | 2024            |
|--|-----------------------------------|------------------|-----------------------------|-----------------|
|  | Effective rate<br>(in Percentage) |                  | Carrying amount<br>(Rupees) |                 |
| <b>Variable rate instruments</b>           |                                   |                  |                             |                 |
| <u>Financial assets</u>                    |                                   |                  |                             |                 |
| Cash at bank - deposit accounts            | 5.87% to 19.00%                   | 10.00% to 20.51% | 86,564,942                  | 26,425,670      |
| <u>Financial liabilities</u>               |                                   |                  |                             |                 |
| Long term loan - including current portion | 8.42% to 23.05%                   | 8.42% to 23.05%  | 2,233,533,369               | 2,623,079,936   |
| Long term musharaka - secured              | 13.04% to 21.14%                  | 21.14% to 23.98% | 290,186,970                 | 168,717,147     |
| Short term borrowings - secured            | 11.53% to 22.88%                  | 15.31% to 23.06% | 2,248,359,022               | 2,743,034,136   |
| <b>Net Exposure</b>                        |                                   |                  | (4,685,514,419)             | (5,508,405,549) |

#### Cash flow sensitivity analysis for fixed rate instruments

The Group does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore a change in interest rates at the reporting date would not affect profit or loss.

#### Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased / decreased loss for the year by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for 2024.

|  | Profit or loss      |                     |
|--|---------------------|---------------------|
|  | 100 bps<br>Increase | 100 bps<br>Decrease |
|  | Rupees              |                     |
| <u>As at 30 June 2025</u>                              | (46,855,144)        | 46,855,144          |
| Cash flow sensitivity - Variable rate financial assets |                     |                     |
| <u>As at 30 June 2024</u>                              | (55,084,055)        | 55,084,055          |
| Cash flow sensitivity - Variable rate financial assets |                     |                     |

The sensitivity analysis prepared is not necessarily indicative of the effects on profit for the year and assets / liabilities of the Group.

The Group does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in profit / mark-up / interest rates at the reporting date would not affect consolidated statement of profit or loss.

#### 47.3.3 Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

To manage its price risk arising from investments in equity securities, the Group diversifies its portfolio within the eligible stocks in accordance with the risk investment guidelines approved by the investment committee. The Group is exposed to price risk arising from its investment in mutual funds that are classified as fair value through profit or loss. The Group has no investments in equity instruments traded in the market at the reporting date. The Group is also not exposed to commodity price risk since it does not hold any financial instrument based on commodity prices.

### Sensitivity analysis

The table below summarizes the Group's equity price risk as of 30 June 2025 and 2024 and shows the effects of a hypothetical 10% increase and a 10% decrease in market prices as at the year end. The selected hypothetical change does not reflect what could be considered to be the best or worst case scenarios. Indeed, results could be worse because of the nature of equity markets and the aforementioned concentrations existing in the Group's equity investment portfolio.

|  | Fair value              | Hypothetical price change                  | Estimated fair value after hypothetical change in prices | Hypothetical increase (decrease) in profit / (loss) before tax |
|--|-------------------------|--|--|--|

#### **47.4 Fair value of financial instruments**

The price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The carrying value of all financial assets and liabilities on the balance sheet approximate to their fair value.

##### **47.4.1 Fair values versus carrying amounts**

Underlying the definition of fair value is the presumption that the Group is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market prices used for financial assets held by the Group is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

##### **47.4.2 Valuation of financial instruments**

IFRS 13 'Fair Value Measurement' requires the Group to classify fair value measurements and fair value hierarchy that reflects the significance of the inputs used in making the measurements of fair value hierarchy has the following levels:

Level 1: Quoted market price (unadjusted) in an active market.

Level 2: Valuation techniques based on observable inputs.

Level 3: Valuation techniques using significant unobservable inputs. This category includes all instruments where the valuation technique includes inputs not based on observable data

Fair values of financial assets that are traded in active markets are based on quoted market prices. For all other financial instruments the Group determines fair values using valuation techniques.

Valuation techniques used by the Group include discounted cash flow model. Assumptions and inputs used in valuation techniques include risk-free rates, bond and equity prices, foreign currency exchange rates, equity and equity index prices. The objective of valuation techniques is to arrive at a fair value determination that reflects the price of the financial instrument at the reporting date that would have been determined by market participants acting at arm's length.

Valuation models for valuing securities for which there is no active market requires significant unobservable inputs and a higher degree of management judgement and estimation in the determination of fair value. Management judgement and estimation are usually required for selection of the appropriate valuation model to be used, determination of expected future cash flows on the financial instrument being valued and selection of appropriate discount rates, etc.

The fair value of financial instruments traded in active markets is based on Net Asset Values (NAVs) of the units of the mutual funds at the reporting date. A market is regarded as active when it is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on going basis.

**47.43** The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

|   | Fair Value through profit or loss | Financial assets at amortized cost | Other financial liabilities | Total         | Level 1       | Level 2 | Level 3 |
|---|-----------------------------------|------------------------------------|-----------------------------|---------------|---------------|---------|---------|
|   | Rupees                            |                                    |                             |               |               |         |         |
| <b>30 June 2025</b>   |                                   |                                    |                             |               |               |         |         |

**Fair value of property, plant and equipment**

Freehold land, buildings on freehold land and plant and machinery have been carried at revalued amounts determined by professional valuers (level 2 in case of land, level 3 for building and plant & machinery) based on their assessment of market value as disclosed in note 8. The valuations are conducted by the valuation experts appointed by the Group. The valuation experts used a market based approach to arrive at the fair value of the Group's properties. This revaluation was carried out by Asif associates (Private) Limited (Independent valuers and consultants). The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty, accordingly a qualitative disclosure of sensitivity has not been presented in these consolidated financial statements.

| Equity accounted investees   | 249,063,595    | -              | -           | 249,063,595    | (249,063,595)                          |

**48.1** The revenue reported above represents revenue generated from each segment and inter-segment revenue eliminated.

**48.2** Segment capital expenditure is the total cost incurred during the year to acquire property, plant and equipment and intangible assets.

**48.3 Revenue from major customer**

Revenue from one of the distributors of the Ferozsons segment represents approximately Rs. 5,249 million (2024: Rs. 4,529 million) of the Group's total revenues.

**48.4 Geographic information**

The geographic information analyses the Group's revenue and non-current assets by the Company's country of domicile and other countries. In presenting the geographic information, segment revenue has been based on the geographic location of customers and segment assets were based on the geographic location of the assets.

**48.4.1** The analysis of Group's revenue by the country of domicile (Pakistan) and other countries is given in note 29.1 to the financial statements.

**48.4.2** All non-current assets of the Group at 30 June 2025 are located and operated in Pakistan.

## 49 Capital management

The Board's policy is to maintain an efficient capital base so as to maintain investor, creditor and market confidence and to sustain the future development of its business. The Board of Directors monitors the return on capital employed, which the Group defines as operating income divided by total capital employed. The Board of Directors also monitors the level of dividends to ordinary shareholders.

The Group's objectives when managing capital are:

- (i) to safeguard the entity's ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and
- (ii) to provide an adequate return to shareholders.

The Group manages the capital structure in the context of economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, issue new shares, or sell assets to reduce debt.

|                               | 2025<br>Rupees        | 2024<br>Rupees        |
|-------------------------------|-----------------------|-----------------------|
| Total Debt                    | 4,772,079,361         | 5,534,831,219         |
| Total Equity                  | 12,375,196,139        | 11,228,307,083        |
| <b>Total capital employed</b> | <b>17,147,275,500</b> | <b>16,763,138,302</b> |
| <b>Gearing</b>                | <b>28%</b>            | <b>33%</b>            |

Total debt comprises of long term loans from banking and other financial institutions and short term borrowings.

Total equity includes issued, subscribed and paid-up share capital, capital reserves, accumulated profits and surplus on revaluation of fixed assets.

Neither there were any changes in the Group's approach to capital management during the year nor the Group is subject to externally imposed capital requirements.

## 50 Group entities

NOTICE OF  
**ANNUAL GENERAL MEETING**

# NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the Annual General Meeting ("AGM") of the members of **Ferozsons Laboratories Limited** ("the Company") will be held on Saturday, 25 October 2025 at 12:45 P.M. at Blue Lagoon, Masood Akhter Kiani Road, Rawalpindi and through video-link, to transact the following business:

## **Ordinary Business:**

1. To confirm minutes of the Annual General Meeting held on 28 October 2024.
2. To receive, consider and adopt the audited financial statements of the Company for the year ended 30 June 2025 together with the Chairperson's Review, Directors and Auditors' reports thereon.
3. To consider and approve the final cash dividend for the year ended 30 June 2025 at the rate of 40% (i.e. Rs. 4 per share) as recommended by the Board of Directors.
4. To appoint Auditors for the year ending 30 June 2026 and fix their remuneration.

## **Special Business:**

5. To consider and approve the related party transactions conducted during the financial year 2024-25, and to authorize Board of Directors to approve all future related party transactions and to pass, with or without modification, the following resolutions as 'Special Resolutions':

**Resolved that** the related party transactions conducted by the Company as disclosed in note 40 of the unconsolidated financial statements for the year ended 30 June 2025, be and are hereby ratified and confirmed.

**Further resolved that** the Company be and is hereby authorized to enter into related party transactions from time to time and to the extent deemed fit and approved by Board of Directors.

## **Other Business:**

6. To transact any other business with the permission of the chair.

Statement of Material Facts as required under Section 134(3) of the Companies Act, 2017 is hereby annexed with the Annual General Meeting notice.

By order of the Board

Rawalpindi  
23 September 2025

**Syed Ghausuddin Saif**  
Company Secretary

# NOTICE OF ANNUAL GENERAL MEETING

## NOTES:

### 1. Book Closure:

The Share Transfer Books of the Company will be closed from 18 October 2025 to 25 October 2025 (both days inclusive). Transfers received at the office of the Company's Share Registrar at M/s CorpTec Associates (Pvt.) Limited, 503-E, Johar Town, Lahore, at the close of business on 17 October 2025 will be treated in time to entitle the transferees for payment of dividend and to attend annual general meeting.

### 2. Participation in the AGM:

Members whose names are appearing in the Register of Members as of close of business on 17 October 2025, are entitled to attend and vote at the AGM. A Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend, speak and vote for him/her. In case of individuals, a proxy must be a Member of the Company.

Copy of the Form of Proxy may be downloaded from the Company's website: <http://www.ferozsons-labs.com>.

Form of Proxy and the Power of Attorney or any other authority (if any) under which it is signed, or a notarial certified copy/CTC of such power or authority, must be valid and submitted through email on [cs@ferozsons-labs.com](mailto:cs@ferozsons-labs.com) not less than 48 hours before the time of holding AGM.

Members are requested to submit a copy of their Computerized National Identity Card/Smart National Identity Card (CNIC/SNIC), if not already provided and immediately notify changes in the registered address to our Shares Registrar, CorpTec Associates (Pvt.) Ltd.

### 3. Procedure for Attending AGM through Video-link facility:

Shareholders interested to participate in the meeting through video link are requested to email their Name, Folio Number, Cell Number, and Number of Shares held in their name with subject "Registration for Ferozsons Laboratories Limited AGM - 2025" along with valid copy of both sides of Computerized National Identity Card (CNIC) at [cs@ferozsons-labs.com](mailto:cs@ferozsons-labs.com). The video link and login credentials will be shared with only those members/designated proxies whose emails, containing all the required particulars, are received at least 48 hours before the time of AGM.

### 4. Guidelines for Central Depository Company of Pakistan Limited ('CDC') Account Holders:

#### a. For Attending the AGM:

- (i) In case of individuals, the account holder or sub-account holder and/or the person whose securities are in group account and their registration details are uploaded as per the Regulations, shall authenticate his/her identity by sharing a copy of his/her CNIC/SNIC or passport through email (as mentioned in the notes) at least 48 hours before the time of holding AGM.
- (ii) In case of corporate entity, the Board of Directors' resolution / Power of Attorney with specimen signature of the nominee shall be shared through email at [cs@ferozsons-labs.com](mailto:cs@ferozsons-labs.com) (unless it has been provided earlier) at least 48 hours before the time of holding AGM.

#### b. For Appointing Proxies:

- (i) In case of individuals, the account holder or sub-account holder and/or the person whose securities are in group account and their registration details are uploaded as per the Regulations, shall share the Form of Proxy as per the above requirement.
- (ii) The Form of Proxy shall be witnessed by two persons whose names, addresses and CNIC/SNIC numbers shall be mentioned on the form.
- (iii) Copies of CNIC/SNIC or the passport of the beneficial owners and the proxy shall be furnished with the Form of Proxy through email (as mentioned in the notes).
- (iv) The proxy shall share a copy of his/her CNIC/SNIC or passport through email (as mentioned in the notes).

# NOTICE OF ANNUAL GENERAL MEETING

(v) In case of a corporate entity, the Board of Directors' resolution / Power of Attorney with specimen signature shall be submitted (unless it has been provided earlier) along with Form of Proxy to the Company through email (as mentioned in the notes).

## 5. Withholding Tax on Dividend:

Under Section 150 of the Income Tax Ordinance, 2001 following rates are prescribed for deduction of withholding tax on the amount of dividend paid by the companies. These rates are as under:

|    |  |     |
|----|--|-----|
| a. | Persons appearing in the Active Tax Payers' List (ATL)     | 15% |
| b. | Persons not appearing in the Active Tax Payers' List (ATL) | 30% |

Members whose names do not appear in the Active Tax Payers List (ATL) provided on the website of FBR (despite the fact that they are filers) are advised to make sure that their names are entered into ATL to avoid higher tax deductions against any future payment of dividend.

In case of joint shareholders, each shareholder is to be treated individually as either a filer or non-filer and tax will be deducted on the basis of shareholding of each shareholder or as may be notified by the shareholders in writing to our share registrar. In case no such notification is received, then each shareholder shall be assumed to have an equal number of shares.

## 6. Exemption from Deduction of Income Tax / Zakat:

Members seeking exemption from deduction of income tax or are eligible for deduction at a reduced rate, are requested to submit a valid tax exemption / reduced rate certificate or necessary documentary evidence as the case may be. Members desiring no deduction of zakat are also requested to submit a valid declaration for non-deduction of zakat. These requests must be submitted to our share registrar M/s CorpTec Associates (Pvt.) Limited, 503-E, Johar Town, Lahore.

## 7. Electronic Dividend Mandate:

Under the Section 242 of the Companies Act, 2017, it is mandatory for all listed Companies to pay cash dividend to its shareholders through electronic mode directly into the bank account designated by the entitled shareholders. In order to receive dividend directly into their bank account, shareholders are requested (if not already provided) to fill in Bank Mandate Form for Electronic Credit of Cash Dividend available on the Company's website and send it duly signed along with a copy of CNIC to the Share Registrar, M/s. CorpTec Associates (Pvt.) Limited, 503-E, Johar Town, Lahore in case of physical shares.

In case of shares held in CDC then Electronic Dividend Mandate Form must be directly submitted to shareholder's brokers / participant / CDC account services.

## 8. Submission of Valid CNIC:

Pursuant to the SECP directives the dividend of shareholders whose valid CNICs are not available with the Share Registrar could be withheld. All shareholders having physical shareholding are therefore advised to submit a photocopy of their valid CNIC immediately, if already not provided, to the Company's Share Registrar without any further delay.

## 9. Transfer of Physical Shares to CDC Account:

Pursuant to the section 72 of the Companies Act, 2017 listed companies are required to replace its physical shares with book-entry form in a manner as may be specified and from the date notified by the Commission, within a period not exceeding four years from the date of promulgation of the Act.

The Shareholders who hold physical shares are encouraged to open CDC sub-account with any of the brokers or Investor Account directly with CDC to place their physical shares into scrip less form.

## 10. Electronic Voting:

Members can exercise their right to demand a poll subject to meeting requirements of Section 143–145 of the Companies Act, 2017 and applicable clauses of the Companies (Postal Ballot) Regulations, 2018.

# NOTICE OF ANNUAL GENERAL MEETING

## **11. Procedure for Voting through Postal Ballot:**

Pursuant to the Companies (Postal Ballot) Regulations, 2018 and other relevant laws & regulations, Members voting on items falling under Special Business will be allowed to exercise their right to vote through postal ballot i.e., voting by post or e-voting facility, in accordance with the requirements and procedure contained in the aforesaid Regulations.

In case of voting by post, the members must ensure that duly filled and signed ballot paper, along with a copy of Computerized National Identity Card (CNIC) should reach the Company's registered address at 197-A, The Mall, Rawalpindi, Pakistan or email at [chairperson@ferozsons-labs.com](mailto:chairperson@ferozsons-labs.com) one day before the AGM i.e., 24 October 2025 before 5:00 p.m. A postal ballot received after this date / time shall not be considered for voting. For convenience of members, Ballot Paper is annexed to this notice and same is also available on the Company's website [www.ferozsons-labs.com](http://www.ferozsons-labs.com).

Details of the e-voting facility will be shared through an e-mail with those members of the Company who have their valid CNIC numbers, cell numbers, and e-mail addresses available in the members register of the Company.

## **12. Requirement to Incorporate Email Address and Cell Number:**

Members are requested to ensure that their email and cell number are duly updated in their physical folios maintained with Share Registrar of the Company and with their Broker / CDC Investor Account Services.

## **13. Video Conferencing Facility:**

In accordance with provisions of the Companies Act, 2017, members can also avail video conference facility.

If the Company receives consent from members holding in aggregate 10% or more shareholding, residing at a geographical location other than the city of the meeting, to participate in the meeting through video conference at least 14 days prior to the date of the Annual General Meeting, the Company will arrange video conference facility in that city subject to availability of such facility in that city. In this regard, a formal request must be submitted at registered addresses of the Company OR through e-mail at [cs@ferozsons-labs.com](mailto:cs@ferozsons-labs.com).

## **14. Electronic Transmission of Financial Statements:**

Pursuant to various notifications, the Securities and Exchange Commission of Pakistan (SECP) has directed all companies to circulate annual financial statements and notices of annual/extraordinary general meetings through Email/CD/DVD or any other media to their shareholders at their registered addresses.

Shareholders, who wish to receive the hardcopy of the annual financial statements, may email at [cs@ferozsons-labs.com](mailto:cs@ferozsons-labs.com). The same shall be provided to the shareholders free of cost within seven working days of receipt of such request.

The financial statements of the Company for the year ended 30 June 2025 have been placed on the Company's website: [www.ferozsons-labs.com](http://www.ferozsons-labs.com).

# NOTICE OF ANNUAL GENERAL MEETING

## Statement of Material Facts Under Section 134(3) of the Companies Act, 2017

This statement sets out the material facts pertaining to the special business to be transacted in the Annual General Meeting of the Company to be held on 25 October 2025.

### **Agenda Item 5: Approval of Related Party Transactions along with Authorization to Board of Directors for Related Party Transactions Approval**

The Company carries out certain transactions with its related parties. These transactions are conducted in the ordinary course of business and on arm's length basis. As required under Listed Companies (Code of Corporate Governance) Regulations, 2019, all related party transactions are periodically reviewed by the Board Audit Committee before these are approved by the Board of Directors.

None of the directors have any direct interest in the related party transactions, except for common directorships due to which Members' approval under Sections 207 and / or 208 of the Companies Act, 2017, and Regulation 15 of the Listed Companies (Code of Corporate Governance) regulations, 2019 is required.

Accordingly, an approval from the Members is hereby sought to ratify and confirm the related party transactions as disclosed in note 40 of the unconsolidated financial statements.

Further, the Company will continue to enter into transactions with its related parties during the financial year 2025-26. Approval of Members is also sought to authorize the Company to conduct such related party transactions and authorize Board of Directors to approve them from time to time.

لاہور

23 ستمبر، 2025

**مسابقتی خطرات:** مارکیٹ میں غیر قانونی اور کم معیار کی مصنوعات پر کمزور ریگولیٹری کنٹرول کے باعث پاکستان کی دواسازی کی صنعت غیر صحت مند مسابقتی خطرات کا شکار ہے۔ ان خطرات کو کم کرنے کے لیے کمپنی پاکستان فارماسیوٹیکل مینوفیکچررز ایسوسی ایشن کے دیگر اراکین کے ساتھ مل کر حکومتی قوانین اور پالیسیوں میں بہتری کے لیے مسلسل لابیگ کر رہی ہے۔

**سپلائی چین کے خطرات:** سپلائی چین کا عمل کمپنی کے روزمرہ آپریشنز میں مرکزی حیثیت رکھتا ہے۔ ہم اس خطرے کو جامع پروڈکشن پلاننگ اور اسے سیلز فور کاسٹنگ اور آرڈرنگ سسٹمز کے ساتھ ضم کر کے کم کر رہے ہیں۔

**انفرامیشن ٹیکنالوجی کے خطرات:** کمپنی اپنی مستقبل کی ضروریات کو مد نظر رکھتے ہوئے آئی ٹی انفراسٹرکچر میں مسلسل سرمایہ کاری کر رہی ہے۔

## ایگزیکٹو ڈائریکٹر / چیف ایگزیکٹو آفیسر اور نان ایگزیکٹو ڈائریکٹرز کی معاوضہ پالیسی

ایگزیکٹو ڈائریکٹر / چیف ایگزیکٹو آفیسر ایک معاوضہ پیکیج کے حقدار ہیں جس کی تفصیلات مالیاتی بیانات کے نوٹ نمبر 39 میں درج ہیں۔ جبکہ نان ایگزیکٹو ڈائریکٹرز بشمول آزاد ڈائریکٹرز صرف اجلاس میں شرکت کی فیس اور سفری اخراجات کی ادائیگی کے حقدار ہیں۔

## آڈیٹرز

آڈیٹرز، میسر کے پی ایم جی تاثیر ہادی اینڈ کمپنی، چارٹرڈ اکاؤنٹنٹس ریٹائر ہو رہے ہیں اور مالی سال 2025-26 کے لیے دوبارہ تقرری کی پیشکش کرتے ہیں۔

بورڈ آڈٹ کمیٹی نے کمپنی کے لیے مالی سال 2025-26 کے آڈیٹرز کے طور پر کے پی ایم جی تاثیر ہادی اینڈ کمپنی، چارٹرڈ اکاؤنٹنٹس کی تقرری کی سفارش کی ہے۔ اس کے مطابق، بورڈ نے بھی آئندہ سالانہ عام اجلاس میں حصص یافتگان کی منظوری کے لیے یہی سفارش پیش کی ہے۔

## صنعتی جائزہ اور مستقبل کا منظر نامہ

پاکستان کی ریٹیل دواساز مارکیٹ کی مالیت ایک کھرب روپے سے زائد ہے اور گزشتہ سال کے دوران اس میں تقریباً 19% اضافہ ریکارڈ کیا گیا، جو بنیادی طور پر قیمتوں میں اضافے کی وجہ سے ہے جبکہ مقدار کے لحاظ سے معمولی رہی۔ آگے چل کر توقع ہے کہ یہ صنعت زیادہ پائیدار ترقی کی طرف منتقل ہوگی، جہاں قیمتوں میں اضافہ صارف قیمت اشاریہ کے مطابق ہوگا۔

رپورٹنگ کی تاریخ تک، سرکاری اداروں سے کمپنی کی وصولیاں تقریباً 2 ارب روپے ہیں، جن میں سے ایک بڑا حصہ ایک سال سے زائد عرصے سے واجب الادا ہے۔ یہ وصولیاں ان سپلائیوں کی نمائندگی کرتی ہیں جو دیے گئے ٹینڈرز کے تحت نیک نیٹی سے فراہم کی گئیں۔ وصولیوں میں طویل تاخیر نے کمپنی کے لیے نمایاں لیکویڈیٹی مسائل پیدا کیے، جس کے باعث کمپنی کو ورکنگ کیمپیمینٹل کے فرق کو پورا کرنے کے لیے قلیل مدتی فنانسنگ لائسنز استعمال کرنا پڑے، جس کے نتیجے میں مالی اخراجات میں اضافہ ہوا۔ تاہم، اسٹیٹ بینک آف پاکستان کی حالیہ مانیٹری پالیسی میں نرمی نے کمپنی کے قرض لینے کے اخراجات کم کرنے میں مدد دی، کیونکہ جائزہ سال کے دوران مالی اخراجات میں 14% کمی واقع ہوئی۔ مزید یہ کہ سال کی آخری سہ ماہی کے دوران صوبائی حکومتوں سے سرکاری وصولیوں کی ریکوری میں بہتری آئی ہے، جو آئندہ بھی مالی اخراجات پر مثبت اثر ڈالے گی۔

کمپنی نے گلیسڈ سائنسز، انک کے ساتھ رضا کارانہ لائسنسنگ معاہدے کے تحت لینا کیمپیوٹر کی تیاری بھی شروع کر دی ہے۔ اس کی انجینئرنگ کی شکل کمپنی کی ذیلی کمپنی بی ایف بائوسائنسز لمیٹڈ (بی ایف بائو) میں ایک سی ایم او کے تحت تیار کی جائے گی، جبکہ اس کی زبانی قسم کمپنی کی اورل سالڈ ڈوز تاج (اولیس ڈی) سہولت میں تیار کی جائے گی۔ لینا کیمپیوٹر فی الحال امریکی ایف ڈی اے سے ان مریضوں کے لیے منظور شدہ ہے جو ایچ آئی وی کے

## متعلقہ فریق کے ساتھ کاروباری امور کی انجام دہی

سال ختم شدہ 30 جون 2025 کے دوران متعلقہ فریقین کے ساتھ لین دین آڈٹ کمیٹی اور بورڈ کے سامنے ان کے جائزے اور منظوری کے لیے پیش کیے گئے۔ یہ لین دین بورڈ کی ان اجلاسوں میں منظور کیے گئے جو سال کے دوران منعقد ہوئے۔ متعلقہ فریقین کے لین دین کی تفصیل مالی بیانات کے نوٹ نمبر 40 میں دی گئی ہے۔

## بورڈ آف ڈائریکٹرز اور بورڈ کی کمیٹیوں کی تشکیل اور اجلاس

بورڈ آف ڈائریکٹرز، اس کی کمیٹیوں اور اجلاسوں کی تشکیل سے متعلق معلومات، ساتھ ہی ان افراد کی تفصیل بھی منسلک ہے جو مالی سال 2024-25 کے دوران کسی بھی وقت کمپنی کے ڈائریکٹر رہے۔

## حصص داری کا ڈھانچہ

30 جون 2025 تک کی شیئر ہولڈنگ کا پیٹرن منسلک ہے۔ کمپنی کے حصص میں ڈائریکٹرز، سی ای او، سی ایف او، کمپنی سیکریٹری، ایگزیکٹوز اور ان کے شریک حیات اور نابالغ بچوں کی جانب سے کی جانے والی تمام خرید و فروخت بھی منسلک ہے۔

## کمپنی کی سماجی ذمہ داری

ہمارے ضابطہ اخلاق برائے کاروبار اور فریم ورک برائے بہترین کارکردگی کے مطابق، ہم ماحولیاتی تحفظ اور کمیونٹی کی صحت و تعلیم سے متعلق اقدامات میں سرمایہ کاری کے لیے پرعزم ہیں۔

جائزہ سال کے دوران کمپنی نے سی ایس آر (کارپوریٹ سوشل ریسپانسیبلٹی) سرگرمیوں کے لیے مختلف اداروں کے ساتھ تعاون اور معاونت فراہم کی۔ ان اداروں میں نمایاں طور پر شامل ہیں :

- نیشنل مینجمنٹ فاؤنڈیشن
- لاہور بینا لے فاؤنڈیشن

## خطرات سے بچاؤ

بورڈ آف ڈائریکٹرز نے کمپنی کو درپیش بنیادی خطرات کا ایک جامع جائزہ لیا ہے، جن میں وہ خطرات بھی شامل ہیں جو کاروباری ماڈل، مستقبل کی کارکردگی اور مالی حیثیت یا نقد بہاؤ کے تسلسل کو متاثر کر سکتے ہیں۔ ہمارا خطرات کے انتظام کا طریقہ کار بنیادی طور پر خطرات کو سمجھنے، پہچاننے، جانچنے اور پھر ترجیحی بنیادوں پر درجہ بندی کرنے پر مبنی ہے۔ ان خطرات کو کم کرنے کے لیے مختلف حکمت عملیاں وضع کی جاتی ہیں اور اپنائی جاتی ہیں۔

کمپنی کو درپیش چند اہم خطرات درج ذیل ہیں:

**معاشی اور سیاسی خطرات:** ملک کی بدلتی ہوئی معاشی اور سیاسی صورتحال نے کمپنی کو بھی ان خطرات سے دوچار کیا ہے۔ اس خطرے کو کم کرنے کے لیے انتظامیہ مالیاتی منڈی کی صورتحال اور سیاسی حالات پر مسلسل نظر رکھتی ہے اور ناموافق حالات سے نمٹنے کے لیے مناسب اقدامات اور حکمت عملیاں مینجمنٹ سطح پر زیر غور آتی ہیں۔

**زیر مبادلہ کے خطرات:** پاکستانی روپے کی قدر میں کمی براہ راست مصنوعات کی لاگت کو متاثر کرتی ہے کیونکہ خام مال کی اکثریت درآمد کی جاتی ہے۔ مزید برآں، ڈریپ کی قیمتوں پر کنٹرول / ضوابط کے باعث ان اضافی لاگوں کو براہ راست صارفین تک منتقل کرنا ممکن نہیں ہوتا۔

- اور آڈٹ کمیٹی کرتی ہے۔ بورڈ آڈٹ کمیٹی کے ذریعے ان کنٹرولز کی مؤثریت کا جائزہ لیتا ہے اور ضرورت پڑنے پر مزید بہتری کی سفارش کرتا ہے۔
- کمپنی کی چلتے رہنے کی صلاحیت کے بارے میں کوئی اہم شبہ موجود نہیں ہے۔
- کارپوریٹ گورننس کی بہترین مشقوں سے کسی قسم کا مادی انحراف نہیں ہوا جیسا کہ لسٹنگ ریگولیشنز میں درج ہے۔
- گزشتہ سال کے آپریشنل نتائج سے نمایاں انحرافات کو سالانہ رپورٹ میں تفصیل اور وجوہات کے ساتھ بیان کیا گیا ہے۔
- کمپنی مستقبل قریب میں کارپوریٹ ری اسٹرکچرنگ یا اپنے آپریشنز کو بند کرنے کا ارادہ نہیں رکھتی۔
- کاروبار کے معمول کے مطابق 30 جون 2025 تک واجب الادا تمام بڑے حکومتی ٹیکس سال کے اختتام کے بعد ادا کر دیے گئے ہیں۔
- ملازمین کے پروویڈنٹ فنڈ کی سرمایہ کاری کی مالیت 30 جون 2024 کو ختم ہونے والے تازہ ترین آڈٹ شدہ اکاؤنٹس کے مطابق 1,278 ملین روپے ہے۔

### پائیداری، رسک مینجمنٹ، اور تنوع کے اقدامات

انتظامیہ کے ان پٹ کی بنیاد پر، بورڈ نے کمپنی کی آپریشنز پر اثر انداز ہونے والے ممکنہ پائیداری سے متعلق تمام خطرات کا جائزہ لیا ہے۔ تاہم، فضلہ پانی کے علاوہ کوئی بڑا پائیداری سے متعلق خطرہ شناخت نہیں کیا گیا۔ اس خطرے کو کم کرنے کے لیے ایک فضلہ پانی کی ٹریٹمنٹ کا پلانٹ کمیشن کیا گیا ہے۔

فضلہ پانی کو مناسب طریقے سے صاف کیا جاتا ہے تاکہ اسے مرکزی نکاسی میں خارج کرنے سے پہلے مکمل طور پر بے ضرر بنا دیا جائے۔ یہ عمل مقامی پانی کے ذرائع کو آلودگی سے بچانے اور ماحولیاتی ضوابط کی پاسداری کو یقینی بنانے میں اہم کردار ادا کرتا ہے۔

کمپنی نے قابل تجدید توانائی کے حل میں بھی سرمایہ کاری کی ہے۔ رائیونڈ اور نوشہرہ کے مقامات پر ایک ایک میگا واٹ کے دو سولر پاور پلانٹس کام کر رہے ہیں۔ یہ سبز توانائی کے لیے کمپنی کے عزم کو ظاہر کرتا ہے۔

کمپنی متنوع، مساوی اور شمولیتی کام کی جگہ کے فروغ کو انتہائی اہمیت دیتی ہے۔ بورڈ اور انتظامیہ کی ٹیمیں تمام ملازمین کے لیے مساوی مواقع کو برقرار رکھنے کے لیے پر عزم ہیں۔ ہمیں فخر ہے کہ بورڈ آف ڈائریکٹرز اور انتظامیہ کی ٹیموں میں خواتین کی نمایاں نمائندگی ہے۔

### قومی خزانے میں شراکت

موجودہ مالی سال کے دوران پیدا کی گئی مجموعی دولت میں سے کمپنی نے تقریباً 983 ملین روپے قومی خزانے میں جمع کرائے، جو مختلف محصولات کی مد میں ادا کیے گئے۔ ان میں انکم ٹیکس، سیلز ٹیکس، کسٹم ڈیوٹیز، سینٹرل ریسرچ فنڈ اور دیگر قانونی محصولات شامل ہیں۔

### پیسے کی وصولی اور ادائیگی کا انتظام

کمپنی کے پاس ایک مخصوص خزانہ ٹیم ہے جو سرمائے کے بہاؤ کی نگرانی کرتی ہے تاکہ مالیاتی سپلائی چین میں تسلسل برقرار رہے اور وسائل کا بہترین استعمال یقینی بنایا جاسکے۔

## سال کے اختتام کے بعد ہونے والے واقعات

مالی سال کے اختتام اور اس رپورٹ کی تاریخ کے درمیان کمپنی کی مالی حیثیت پر اثر انداز ہونے والی کوئی اہم تبدیلی واقع نہیں ہوئی۔

## فی حصص آمدنی

30 جون 2025 کو ختم ہونے والے سال کے خالص منافع کی بنیاد پر، علیحدہ بنیادوں پر آمدنی 12.15 روپے فی حصص رہی، جو پچھلے سال کے 9.20 روپے فی حصص کے مقابلے میں زیادہ ہے۔ جبکہ مجموعی بنیادوں پر آمدنی 17.86 روپے فی حصص رہی، جو گزشتہ سال کے 15.72 روپے فی حصص کے مقابلے میں زیادہ ہے۔

## ڈویڈنڈ کا اعلان

ڈائریکٹرز نے 30 جون 2025 کو ختم ہونے والے سال کے لیے 40% یعنی 4 روپے فی حصص کے حتمی نقد ڈویڈنڈ کی سفارش کی ہے، جو 25 اکتوبر 2025 کو ہونے والی سالانہ جنرل میٹنگ میں حصص یافتگان کی منظوری سے مشروط ہے۔

## کوڈ آف کارپوریٹ گورننس کی تعمیل کا اعلامیہ

کمپنی مکمل طور پر لسٹڈ کمپنیز (کارپوریٹ گورننس کے ضابطہ اخلاق) ریگولیشنز 2019 کی ضروریات پر عمل کرتی ہے؛ اس حوالے سے ایک بیان جمع آڈیٹرز کی رپورٹ ہماری سالانہ رپورٹ کے ساتھ شامل ہے۔

## کارپوریٹ اور مالیاتی رپورٹنگ کے فریم ورک کی تعمیل کا اعلامیہ

آپ کی کمپنی کے بورڈ آف ڈائریکٹرز اچھی اجتماعی شراکت داری کے بندوبست کی علمبرداری کے لیے پُر عزم ہیں۔ اسی تسلسل میں، کمپنی کی انتظامیہ اجتماعی شراکت داری کی رہنمائی کے ضابطے میں درج بہترین حکمت عملی کے تقاضوں پر عمل پیرا ہے۔

- کمپنی کے انتظامیہ کی جانب سے تیار کردہ مالیاتی بیانات اس کی مالی حیثیت، آپریشنز نتائج، کیش فلو اور ایکویٹی میں تبدیلیوں کی منصفانہ عکاسی کرتے ہیں
- کمپنی کی باقاعدہ اکاؤنٹس کی کتابیں برقرار رکھی گئی ہیں۔
- مالیاتی بیانات کی تیاری میں موزوں اکاؤنٹنگ پالیسیوں کو مستقل طور پر نافذ کیا گیا ہے۔ اکاؤنٹنگ تخمینے مناسب اور محتاط فیصلے کی بنیاد پر کیے گئے ہیں۔
- پاکستان میں قابل اطلاق بین الاقوامی مالیاتی رپورٹنگ کے معیارات، کو مالیاتی بیانات کی تیاری میں اختیار کیا گیا ہے، اور کسی بھی انحراف کو مناسب طور پر ظاہر اور وضاحت کے ساتھ بیان کیا گیا ہے۔
- اندرونی کنٹرول کے نظام ڈیزائن میں مضبوط ہیں اور انتظامیہ نے انہیں مؤثر طور پر نافذ کیا ہے، جن کی نگرانی اندرونی آڈیٹرز، بورڈ آف ڈائریکٹرز

## فیروز سنز لیبارٹریز لمیٹڈ کا مالیاتی اور عملی جائزہ

کمپنی کی مجموعی خالص فروخت 18.7 ارب روپے پر بند ہوئی، جو پچھلے سال کے مقابلے میں 19% اضافہ ظاہر کرتی ہے۔ علیحدہ بنیاد پر کمپنی کی خالص فروخت 13.8 ارب روپے رہی، جو پچھلے سال کے مقابلے میں 9% اضافہ ظاہر کرتی ہے۔

مارکیٹ میں جنرک مصنوعات کی فروخت میں 24% اضافہ دیکھنے میں آیا، جبکہ ادارہ جاتی سطح پر جنرک ادویات اور میڈیکل ڈیوائسز کی فروخت میں 13% کمی واقع ہوئی۔ یہاں یہ بات اہم ہے کہ فروخت میں اضافے کی بنیادی وجہ قیمتوں کا نہیں بلکہ مقدار کا بڑھنا ہے۔

کمپنی کا مجموعی منافع کا مارجن 41.3% رہا جو گزشتہ سال کے 38.9% کے مقابلے میں زیادہ ہے۔ اس مارجن میں اضافے کی بنیادی وجہ فروخت کی اشیاء کے امتزاج میں تبدیلی ہے جبکہ بعض مواقع پر قیمتوں میں اضافہ بھی اس میں شامل ہے۔ فروخت میں اضافے کے ساتھ ساتھ، سینگ اور ڈسٹریبیویشن کے اخراجات میں 14% اضافہ ہوا۔ یہ اضافہ بنیادی طور پر مہنگائی کے اثرات کو ظاہر کرتا ہے، جبکہ انتظامی اخراجات میں بھی 4% اضافہ ہوا ہے۔ مؤثر ٹیکس کی شرح 43% پر بند ہوئی جو گزشتہ سال کے 34% کے مقابلے میں زیادہ ہے۔ یہ اضافہ بنیادی طور پر وفاقی حکومت کی جانب سے برآمدی فروخت کے لیے ٹیکس نظام میں تبدیلی کے باعث ہوا ہے۔

آپریشنز سے حاصل شدہ منافع میں 20% اضافہ ہوا، جبکہ ٹیکس کے بعد منافع میں 32% اضافہ ریکارڈ کیا گیا۔ ٹیکس کے بعد منافع میں یہ اضافہ بنیادی طور پر مالی اخراجات میں کمی کے باعث ہے، جو اس سال اسٹیٹ بینک آف پاکستان کی جانب سے پالیسی ریٹ میں کمی کے نتیجے میں ممکن ہوا۔

بعد از ٹیکس منافع کی بنیاد پر، 30 جون 2025 کو ختم ہونے والے سال کے لیے فی حصص آمدنی 12.15 روپے رہی، جو پچھلے سال کے 9.20 روپے فی حصص کے مقابلے میں زیادہ ہے۔

## بی ایف بائیو سائنسز لمیٹڈ (ذیلی کمپنی) کا مالیاتی اور عملی جائزہ

بی ایف بائیو سائنسز لمیٹڈ (ذیلی کمپنی) کی فروخت 5.8 ارب روپے پر بند ہوئی، جو پچھلے سال کی 3.7 ارب روپے کی فروخت کے مقابلے میں 60% اضافہ ظاہر کرتی ہے۔ کمپنی کا بعد از ٹیکس منافع 447 ملین روپے رہا، جو پچھلے سال کے 385 ملین روپے کے مقابلے میں 16% اضافہ ظاہر کرتا ہے۔ بعد از ٹیکس منافع اور حصص کی اوسط تعداد کی بنیاد پر، 30 جون 2025 کو ختم ہونے والے سال کے لیے فی حصص آمدنی 5.52 روپے فی حصص رہی، جبکہ گزشتہ سال یہ 6.09 روپے فی حصص تھی۔

## کلیدی عملی اور مالیاتی اعداد و شمار

گزشتہ 6 سالوں کے لیے انفرادی اور مجموعی مالیاتی تفصیلات کے کلیدی اور مالیاتی اعداد و شمار کا خلاصہ پیش کیا گیا ہے۔

## سرمایہ کاری کے اخراجات

سال کے دوران کمپنی نے 332 ملین روپے سرمایہ جاتی اخراجات پر خرچ کیے، جن میں بنیادی طور پر ایک میگا واٹ سولر پاور پلانٹ اور دیگر پلانٹ و مشینری کا سامان شامل ہے تاکہ پیداواری صلاحیت اور کارکردگی کو بہتر بنایا جاسکے۔

# شراکت داروں کے لیے ڈائریکٹر رپورٹ

(30 جون، 2025 کو سال کے خاتمے پر)

ہم 69 ویں سالانہ رپورٹ پیش کرتے ہوئے مسرت کا اظہار کرتے ہیں۔ اس رپورٹ میں مالی سال ختم شدہ 30 جون 2025 کے لیے کمپنی کے آڈٹ شدہ علیحدہ مالی بیانات کے ساتھ مجموعی مالی بیانات بھی شامل ہیں۔ مجموعی مالی بیانات میں کمپنی کی 57.36 فیصد ملکیت والی ذیلی کمپنی بی ایف بائو سائنسز لمیٹڈ اور 98 فیصد ملکیت والا ریٹیل وینچر فارمیشیا بھی شامل ہیں۔

یہ مالی بیانات اور ڈائریکٹرز کی رپورٹ پاکستان میں رائج منظور شدہ اکاؤنٹنگ معیارات، کمپنیز ایکٹ 2017 اور لسٹڈ کمپنیز (کارپوریٹ گورننس کا ضابطہ اخلاق) ریگولیشنز 2019 کے تقاضوں کے عین مطابق مرتب کیے گئے ہیں۔

## کمپنی کے انفرادی اور مجموعی مالی نتائج کی جھلکیاں

اس سال کے مالیاتی نتائج اور منافع کی تقسیم کا خلاصہ اور پچھلے سال سے موازنہ نیچے دیا گیا ہے۔

| مجموعی            |            | انفرادی    |            |                     |
|-------------------|------------|------------|------------|---------------------|
| 2024              | 2025       | 2024       | 2025       |                     |
| (روپے ہزاروں میں) |            |            |            |                     |
| 15,854,750        | 18,856,900 | 12,711,714 | 13,857,967 | خالص آمدنی          |
| 6,462,667         | 7,996,631  | 4,942,086  | 5,719,190  | مجموعی منافع        |
| 1,140,216         | 1,555,463  | 610,273    | 923,569    | منافع قبل از ٹیکس   |
| 755,475           | 921,713    | 400,054    | 528,243    | منافع بعد از ٹیکس   |
| 15.72             | 17.86      | 9.20       | 12.15      | فی حصص آمدنی (روپے) |
