SUB: SUBMISSION OF QUARTERLY PROGRESS REPORT FOR THE QUARTER ENDED SEP, 2025  
AS REQUIRED UNDER PSX REGULATION 5.11.2 (b)

Sir,

During the quarter, overall market conditions remained unfavourable, which continued to affect the business environment and operational performance. The status of legal litigations with the banks remained unchanged during the period.

Despite these challenges, the management has been actively exploring available resources to improve liquidity and operational efficiency. Efforts are also being made to maintain continuous engagement with stakeholders to ensure transparency and to identify potential areas for business revival and sustainability.

We shall continue notifying our efforts and developments in the quarterly progress report.

Yours truly,  
For Salman Noman Enterprises Ltd.

Noman Almas  
(Chief Executive)
