DIRECTORS' REPORT

Dear Members,
Assalam-o-Alaikum,

The Directors of the Company MUBARAK TEXTILE MILLS LTD are pleased to present Annual Report of the Company for the year ended 30th June, 2025 alongwith the financial statements and Auditors' report thereon.

FINANCIAL REVIEW:

	June, 2025	June, 2024
Sales/Processing Income	-	-
Operating Profit/(Loss)	(9,775,671)	(10,605,906)
Financial cost:	3248	754
Taxation for year	2,182,751	2,075,507
Profit/(Loss) for the year	(1,616,792)	(1,959,093)
Profit/(Loss) per Share	(0.30)	(0.36)

The company earned profit before taxation for Rs. 0.566(M) after providing for all the administrative and financial charges including depreciation for Rs. 1.441(M) as compared to pre-tax Profit of Rs. 0.116(M) of the last year.

Due to over all crises to the industry and energy problem the Management of the company could not involve in any business activity to make viable the company. However the management is working over stitching of Knitwear garments on conversion basis shortly and hope will be successful to make the company profitable.

AUDITORS' REPORT TO THE MEMBERS:

In reply to the Auditors' observations your Directors have the following view:

- a) As for as the adverse opinion is concerned, the Management of the Company has a view that through special resolution from members of the Company dated 31.10.2009 the approval was accorded to sale out the Plant & Machinery and put the business on rent/lease (conversion of business), which the Company is doing. We understand that basis for adverse opinion is not fair and it should not qualify the report. The Management is in the process of development of revival plan and the legal counsel of the Company is confident about the outcome of case. Once business plan will be developed, all the matters will be settled accordingly and company will be running as going concern.
- b) Interest free loan from sponsors in long term loan, as and when company needs the sponsors grant and when they need back, The company pay to them.

TRADING IN THE SHARES OF THE COMPANY

No trading in the Shares of the Company was carried out by the Directors, CEO, CFO, Company Secretary and their spouses and minor children.

BOARD MEETING

During the year 4 Board meeting were held, which were attended as follows.

1.	Mr. Zulfiqar Ali	4
2.	Mr. Ch. Naseer Ahmad	4
3.	Mr. Nadeem Abbass	4
4.	Mr. Nafees Iqbal	4
5.	Mr. Abdul Shakoor	4
6.	Mr. Shakeel Ahmed	4
7.	Mr. Abdul Jabbar	4
8.	Mrs. Sana Khalid	4

Leave of absence were granted to the directors who could not attend the board meeting.

20. We confirm that all requirements of regulations 3, 6, 7, 8, 27, 32, 33 and 36 of the Regulations have been complied with;
21. Explanations for non-compliance with requirements, other than regulations 3, 6, 7, 8, 27, 32, 33 and 36 are below:

Sr. No.	Requirement	Explanation of Non-Compliance	Regulation Number
1	Nomination Committee The Board may constitute a separate committee, designated as the nomination committee, of such number and class of directors, as it may deem appropriate in its circumstances.	Currently, the Board has not constituted a separate nomination committee and the functions are being performed by the human resource and remuneration committee. The Board shall consider to constitute separate nomination committee after next election of directors.	29
2	Risk Management Committee The Board may constitute the risk management committee, of such number and class of directors, as it may deem appropriate in its circumstances, to carry out a review of effectiveness of risk management procedures and present a report to the Board.	Currently, the Board has not constituted a separate risk management committee. The Board shall consider to constitute separate nomination committee after next election of directors.	30
3	Disclosure of significant policies on website The Company may post key elements of its significant policies, brief synopsis of terms of reference of the Board's committees on its website and key elements of the directors' remuneration policy.	Although these are well circulated among the relevant employees and directors, the Board shall consider posting such policies and synopsis on its website in near future.	35
4	Significant policies The Board is required to approve anti-harassment policy to safeguard the rights and well-being of employees.	Securities and Exchange Commission of Pakistan (SECP) amended regulation 10 of the Regulations on 12 June 2024. Currently, the management is still assessing this amendment and compliance thereof, as applicable, will be performed in due course of time.	10(4)(xvi)

Sr. No.	Requirement	Explanation of Non-Compliance	Regulation Number
5	Role of the Board and its members to address Sustainability Risks and Opportunities The board is responsible for governance and oversight of sustainability risks and opportunities within the Company by setting the Company's sustainability strategies, priorities and targets to create long term corporate value.	Securities and Exchange Commission of Pakistan (SECP) introduced new regulation 10A in the Regulations on 12 June 2024. Currently, the management is still assessing this amendment and compliance thereof, as applicable, will be performed in due course of time.	10(A)
6	Responsibilities of the Board and its members The Board is responsible for adoption of corporate governance practices by the company.	Non-mandatory provisions of the Regulations are partially complied. The company is deliberating on full compliance with all the provisions of the Regulations.	10(1)
7	Directors' Training It is encouraged that by 30 June 2025 all directors on the Board have acquired the prescribed certification under any director training program offered by institutions, local or foreign, that meet the criteria specified by the Commission and approved by it. Requirement to arrange Directors' training program for at least one female executive every year from year July 2020; and Requirement to arrange Directors' training program for at least one head of department every year from year July 2022;	Six directors of the company are exempt from Directors' training program and two directors of the Company have acquired Directors' Training Program certification. However the company has not arranged training this year. The Company strives to follow best practices and will be arranging the said training in due course of time.	19(1) & (3)

22. The two elected independent directors have requisite competencies, skills, knowledge and experience to discharge and execute their duties competently, as per applicable laws and regulations. As they fulfill the necessary requirements as per applicable laws and regulations, hence, appointment of a third independent director is not warranted.

CHAIRMAN'S REVIEW

I am pleased to present the review on the overall performance of the board and effectiveness of the role played by the board in achieving the Company's objective.

The Company follow the best practices relating to corporate Governance and complies with the relevant requirements of Companies Act, 2017 and the listed Companies (Code of Corporate Governance) Regulations, 2019 with the respect to composition, meetings and procedures of the Board of Directors and its Committees.

For the year ended review, based on the evaluation, the overall performance and effectiveness of the Board has been assessed as satisfactory. During the financial year 2024-25 four Board Meetings were convened. The Board has dully formulated a vision and mission statement, is actively involved in formulation of appropriate policies and procedures and ensure due compliance with all the regulatory requirements. Its closely monitors the performance of its sub committees and is committed to uphold and stable operations.

During the year, the Board considered and approved among other things, quarterly and annual financial statements, appointment of external auditors for the year ended June, 2026.

I am thankful to the Board of Directors of the Company, Shareholders, bankers, financial institutions, valued customers for their support and assistance. I also thank the executive and other employees of the Company for their dedication and hard work.

چیرمین جائزہ رپورٹ

میں کمپنی اور اس کے بورڈ کی سالانہ کارکردگی برائے سال اختتام 30 جون 2025 کا جائزہ پیش کرتے ہوئے مسرت کا اظہار کرتا ہوں۔

کمپنی کے ڈائریکٹرز کمپنی کو موثر انداز سے چلانے کے لیے اپنی ذمہ داریوں سے اور لاگو قوانین سے بخوبی آگاہ ہیں۔ بورڈ کے ممبران کی کارکردگی کو ڈ آف کارپوریٹ گورننس کے قانون 2017 کے تحت مجموعی طور پر پرکھا گیا۔ جائزہ کے عرصے کے دوران کمپنی کی مجموعی کارکردگی تسلی بخش اور موثر رہی۔

سال 2024-25 میں 4 بورڈ میٹنگز منعقد کی گئیں۔ بورڈ نے کمپنی کا ایک ویزن اور مشن مقرر کیا ہے اور قانونی طریقے کے مطابق معاملات کو چلانے کے لیے پالیسیز مرتب کی ہیں۔ بورڈ اپنی تشکیل کردہ کمیٹی کی کارکردگی کا باقاعدہ جائزہ لیتا ہے اور معاملات میں توازن یقینی بناتا ہے۔

مالی سال کے عرصے کے دوران بورڈ نے دوسرے معاملات کے علاوہ سہ ماہی، ششماہی اور سالانہ حسابات کی منظوری دی ہے۔ آزاد آڈیٹرز کا تقرر۔

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Mubarak Textile Mills Limited

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **Mubarak Textile Mills Limited** (the Company) for the year ended June 30, 2025 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

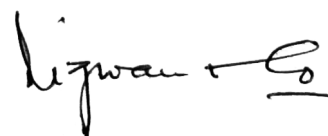

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2025.

Further, we would like to highlight that:

- As required by Regulation 30 Risk management Committee has not been formed by the Company as mentioned in paragraph 14 (d) of the Statement of Compliance.

ISLAMABAD

2. Contribution to society & human well being.
3. Avoid harm to others.
4. Honesty to Trustworthiness.
5. Respect the privacy of others.
6. Honor confidentiality.
7. Strive to achieve the highest quality, effectiveness and dignity in both process of product.
8. Acquire and maintain professional competence.
9. Know and respect laws pertaining to professional work.
10. Accept and provide appropriate professionalreview.

INDEPENDENT AUDITORS' REPORT**To the members of Mubarak Textile Mills Limited
Report on the Audit of Financial Statements
Adverse Opinion**

We have audited the annexed financial statements of **Mubarak Textile Mills Limited** ("the Company"), which comprise the statement of financial position as at June 30, 2025, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

Because of the significance of the matter described in the Basis for Adverse Opinion section of our report, in our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, statement of comprehensive income, statement of changes in equity and the statement of cash flows together with the notes forming part thereof do not conform with the accounting and reporting standards as applicable in Pakistan and do not give the information required by the Companies Act, 2017, in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs for the year ended June 30, 2025 and of the loss, other comprehensive income, changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion and after due verification we report that:

- a) The Company has ceased its operations in 2011. As at June 30, 2025 the company's accumulated losses stood at Rs. 87.213 million (Rs. 87.001 million: June 30, 2024). As on this date, the company's current liabilities exceeded its current assets by Rs.1.065 million (Rs. 2.370 million: June 30, 2024). The Company's plan to enter into trading business in the near future as envisaged by the management has not yet materialized, and we were neither provided with future projections of the Company nor alternate business plan to revive the Company to support going concern assumption. Further, as disclosed in note 18.1 to the financial statements, the Additional Registrar of Companies, Securities and Exchange Commission of Pakistan has filed winding up petition in the Lahore High Court, Lahore in 2019 against the Company which is pending for adjudication.

These conditions and events indicate material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern and therefore it may not be able to realize its assets and discharge its liabilities in normal course of business. Because of the circumstances and events as mentioned herein, we are of the opinion that the Company cannot be considered to be a going concern and thus the preparation of these financial statements on a going concern basis is inappropriate.

- b) The Company has obtained interest free loan from sponsors amounting to Rupees 47.387 million which has been classified under long term loans in these financial statements. As stated in note 13 to the financial statements; the terms of long-term loans have not been settled. The said loan has not been carried in these financial statements at amortised cost as per International Financial Reporting Standard 9 "Financial Instruments" and guidelines issued by the Institute of Chartered Accountants of Pakistan under TR 32 – Accounting Directors' Loan. The cumulative effect of this matter has neither been determined nor adjusted in these financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and, in forming our opinion thereon we do not provide a separate opinion on these matters. Following are the key audit matter(s):

Key audit matter	How our audit addressed the key audit matter
<p>a) Contingencies and Company's exposure to litigation risk</p> <p>The Additional Registrar of Companies, Securities and Exchange Commission of Pakistan has filed winding up petition in the Lahore High Court, Lahore in 2019 against the Company which is pending for adjudication as no hearing has so far been held in this matter as disclosed in note 18.1.</p> <p>Given the nature of the contingency and the appellate forums at which these are pending, the ultimate outcome and the resultant accounting in the financial statements is subject to significant judgment, which can change over time as new facts emerge and the contingency crystallizes, and therefore, we have identified this as key audit matter.</p>	<p>Our audit procedures amongst others, included the following:</p> <ul style="list-style-type: none"> - We obtained confirmations from legal advisors for current status and any new development during the year and assessing the advice given; - Reading correspondence of the Company with regulatory departments and the Company's external counsel, where available; - Discussing open matters and developments with the management of the Company; <p>We evaluated that appropriate disclosures and presentation have been made in these financial statements.</p>
<p>b) Revenue recognition</p> <p>The Company generates its revenue from rental income as the company ceased operations in 2011. The company leased out part of factory land and building for a period of three years.</p> <p>During the year ended June 30, 2025, the Company recognized an amount of Rs. 9.904 million as rental income which is the main source of income necessary for company's ability to continue as going concern. We therefore consider this as a key audit matter.</p>	<p>Our audit procedures amongst others, included the following:</p> <ul style="list-style-type: none"> - Obtained understanding of the internal processes used to record rental income; - Performed test of detail procedures over actual income earned during the year; and - Assessed the adequacy of related disclosures in the financial statements

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) Because of the significance of the matters referred in paragraphs (a) to (b) of Basis for Adverse Opinion section above; proper books of account have not been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) Because of the significance of the matters referred in paragraphs (a) to (b) of Basis for Adverse Opinion section above; the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have not been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) however these are in agreement with the books of account and returns;
- c) Investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) No zakat was deductible at source under the Zakat and Usher Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Rashid Iqbal FCA.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2025

1 THE COMPANY AND ITS OPERATIONS:

Mubarak Textile Mills Limited (The company) was incorporated on August 11, 1991 as a Private Limited Company and was subsequently converted into a Public Limited Company with its shares quoted on Pakistan Stock Exchange. The registered office of the company is situated at 20 KM off Ferozepur Road Lahore. The Project was a composite Knitwear unit comprising of Knitting, Dying, Finishing, Embroidery & stitching. The Mill is located at 20 KM off Ferozepur Road in district Lahore in the province of the Punjab.

2 SUMMARY OF SIGNIFICANT TRANSACTIONS AND EVENTS

2.1 Management's assumption of Going Concern

The company has ceased its operation in 2011. The company has reported net (loss) of Rs. 1,616,792 (2024: Rs. 1,959,093) during the year ended June 30, 2025 and as on that date its accumulated losses stood at Rs. 87,213,408 (2024: Rs. 87,000,893). As on this date, the company's current liabilities exceeded its current assets by Rs. 1,065,100 (2024: Rs. 2,370,353). These factors raise substantial doubt that the company will be able to continue as a going concern and therefore it may be unable to realize its assets or discharge its liabilities in the normal course of business.

The management has planned to enter into trading business in the near future, however, to sustain the current working capital requirements the management has leased out part of its land and building.

These financial statements have been prepared on a going concern basis on the assumption that the company would be able to obtain sufficient working capital for its day to day matters from its planned rental income.

These financial statements therefore do not include adjustments relating to recoverability and classification of recorded assets and classification of liabilities that may be necessary in a non-going concern basis of accounting.

2.2 The management carried out revaluation of land, building and equipment and transferred part of land and building to investment property due to change in use during previous year. The valuation was carried out by Hamid Mukhtar & Co. (Pvt) Limited on June 30, 2021. The latest revaluation of the entire land, building and equipment has again been carried out by independent valuers Hamid Mukhtar & Co. on June 30, 2025, which reported revaluation surplus of Rs. 1,506,100. The entire land, building and equipment has been valued at Rs. 267,373,000 and its forced value has been valued at Rs. 224,651,000.

3 BASIS OF PREPARATION

3.1 Statement of compliance:

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board as are notified under the Companies Act, 2017 and provisions of and directives issued under the Companies Act, 2017. Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except for certain fixed assets which have been stated at revalued amount, investment properties which have been stated at fair value, recognition of certain staff retirement benefits at present value and certain other items as disclosed in relevant accounting policies. These financial statements have been prepared following accrual basis of accounting except for cash flow information.

3.3 Functional and presentation currency

These financial statements have been presented in Pak Rupees, which is the functional and presentation currency of the Company.

3.4 Key judgments and estimates

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in

Pakistan requires the use of certain critical accounting estimates. In addition, it requires management to exercise judgment in the process of applying the Company's accounting policies. The areas involving a high degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements, are documented in the following accounting policies and notes, and relate primarily to:

Fair value of investment property
 Obligation of defined benefit obligation
 Allowance for expected credit loss (ECL)
 Impairment of financial instruments based upon expected credit loss model
 Estimation of provisions
 Current income tax expense, provision for current tax

4. NEW AND REVISED STANDARDS, INTERPRETATIONS AND AMENDMENTS EFFECTIVE DURING THE YEAR

The following new and revised standards, interpretations and amendments are effective in the current year but are either not relevant to the Company or their application does not have any material impact on the financial statements of the Company other than presentation and disclosures, except as stated otherwise.

4.1 Standards, amendments to approved accounting standards effective in the current year

New and amended standards mandatory for the first time for the financial year beginning July 1, 2024:

a) IAS 1 : Classification of liabilities as current or non current

Under existing IAS 1 requirements, companies classify a liability as current when they do not have an unconditional right to defer settlement of the liability for at least twelve months after the end of the reporting period. As part of this amendments, the requirement for a right to be unconditional has been removed and instead, the amendments requires that a right to defer settlement must have substance and exist at the end of the reporting period. This right may be subject to a Company complying with conditions (covenants) specified in a loan arrangement. At October 31, 2022, after reconsidering certain aspects of the amendments, the IASB reconfirmed that only covenants with which a Company must comply on or before the reporting date affect the classification of a liability as current or non-current. Covenants with which the Company must comply after the reporting date (i.e. future covenants) do not affect a liability's classification at that date. However, when non-current liabilities are subject to future covenants, companies will now need to disclose information to help users understand the risk that those liabilities could become repayable within 12 months after the reporting date.

'b) IFRS 16 : Sale and leaseback transaction

Amendments impact how a seller-lessee accounts for variable lease payments that arise in a sale-and-leaseback transaction. On initial recognition, the seller-lessee includes variable lease payments when it measures a lease liability arising from a sale-and-leaseback transaction. After initial recognition, the seller-lessee applies the general requirements for subsequent accounting of the lease liability such that it recognises no gain or loss relating to the right of use it retains. The amendments introduce a new accounting model for variable payments and will require seller-lessees to reassess and potentially restate sale-and-leaseback transactions entered

The other new standards, amendments to approved accounting standards and interpretations that are mandatory for the financial year beginning on July 1, 2024 are considered not to be relevant or to have any significant effect on the Company's financial reporting and operations.

4.2 Standards, amendments to approved accounting standards and interpretations that are not yet effective and have not been early adopted by the Company

The following new standards and amendments to approved accounting standards are not effective for the financial year beginning on July 1, 2024 and have not been early adopted by the Company:

IAS 21 : Lack of exchangeability

a) Amendments to IAS 21 'The effects of Changes in Foreign Exchange Rates' address situations where a currency may lack exchangeability, often due to government-imposed controls. In such cases, companies must estimate a spot exchange rate reflecting orderly transactions at the measurement date. The amendments provide flexibility, allowing the use of observable rates without adjustment or other estimation techniques, provided they meet the estimation objective. The assessment considers factors like the availability of multiple rates, purpose, nature, and update frequency. The amendments requires new disclosures, including the nature and financial impact of non-exchangeability, the spot exchange rate used, the estimation process, and associated risks.

b) IFRS 7 : Classification and Measurement of Financial Instruments Disclosure
IFRS 9 : Financial Instruments

Amendment to IFRS 7 'Financial Instruments: Disclosures' and IFRS 9 'Financial Instruments' – Classification and Measurement of Financial Instruments clarify the requirements for the timing of recognition and derecognition of some financial assets and liabilities, with a new exception for some financial liabilities settled through an electronic cash transfer system; clarify and add further guidance for assessing whether a financial asset meets the solely payments of principal and interest (SPPI) criterion; add new disclosures for certain instruments with contractual terms that can change cash flows (such as some instruments with features linked to the achievement of environment, social and governance (ESG targets); and make updates to the disclosures for equity instruments designated at Fair Value through Other Comprehensive Income (FVOCI).

c) IFRS 18 : Presentation and Disclosure in Financial Statements

The new standard on presentation and disclosure in financial statements, IFRS 18, focuses on updates to the statement of profit or loss. It introduces key concepts such as the structure of the statement of profit or loss, required disclosures for certain profit or loss performance measures reported outside the financial statements (management-defined performance measures), and enhanced principles on aggregation and disaggregation applicable to the primary financial statements and notes.

IFRS S1 : General Requirements for Disclosure of Sustainability-Related Financial Information
IFRS S2 : Climate-Related Disclosures

These standards include the core framework for the disclosure of material information about sustainability-related risks, opportunities across an entity's value chain and set out the requirements for entities to disclose information about climate-related risks and opportunities.

IFRS S1 requires entities to disclose information about its sustainability-related risks and opportunities that is useful to primary users of general purpose financial reporting in making decisions relating to providing resources to the entity. The standards provide guidance on identifying sustainability-related risks and opportunities, and the relevant disclosures to be made in respect of those sustainability-related risks and opportunities.

IFRS S2 is a thematic standard that builds on the requirements of IFRS S1 and is focused on climate-related disclosures. IFRS S2 requires an entity to identify and disclose climate-related risks and opportunities that could affect the entity's prospects over the short, medium and long term. In addition, IFRS S2 requires entities to consider other industry-based metrics and seven cross-industry metrics when disclosing qualitative and quantitative components on how the entity uses metrics and targets to measure, monitor and manage the identified material climate-related risks and opportunities. The cross-industry metrics include disclosures on greenhouse gas ('GHG') emissions, transition risks, physical risks, climate-related opportunities, capital deployment, internal carbon prices and remuneration

The management anticipates that the adoption of the above standards, amendments and interpretations in future periods, will have no material impact on the financial statements other than in presentation / disclosures. There are a number of other standards, amendments and interpretations to the published standards that are not yet effective and are also not relevant to the Company and, therefore, have not been presented here. .

5. MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

5.1 Investment properties

Investment properties represent the properties held to earn rentals and/or for capital appreciation. Investment properties are measured initially at its cost, including transaction costs.

Subsequent to initial recognition, investment properties are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in profit or loss in the period in which they arise.

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognized.

When an item of property, plant and equipment is transferred to investment property following a change in its use the difference arising at the date of transfer between the carrying amount of the item immediately prior to transfer and its fair value is recognized in surplus on revaluation of property, plant and equipment if it is a gain. Upon disposal of the item related surplus on revaluation of property, plant and equipment is transferred to retained earnings. Any loss

arising in this manner is recognized immediately in the income statement.

With regard to activities as a lessor, the Company has entered into commercial property leases on its investment property portfolio. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the commercial property and the present value of the minimum lease payments not amounting to substantially all of the fair value of the commercial property, that it retains substantially all the risks and rewards incidental to ownership of these properties and accounts for the contracts as operating leases. Rental income from investment property that is leased to a third party under an operating lease is recognised in the statement of profit or loss on a straight-line basis over the lease term and is included in 'other income'

5.2 Property and equipments

All items of property and equipments are initially recorded at cost.

Items of property and equipment are stated at revalued amount less accumulated depreciation and any identified impairment loss, if any, except for vehicle, which is stated at cost.

An item of property and equipment is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is charged to the statement of profit or loss in the year the asset is de-recognized.

Revaluation is made at every year end. Any revaluation increase arising on the revaluation of property and equipment is recognised in other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property and equipment", except to the extent that it reverses a revaluation decrease for the same asset previously recognised in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously charged. Any decrease in carrying amount arising on the revaluation of property and equipment is charged to profit or loss to the extent that it exceeds the balance, if any, held in the revaluation surplus on property, plant and equipment relating to a previous revaluation of that asset.

5.3 Taxation

a) Current

'Provision for current taxation is based on the taxable income at the current rates of taxation after taking into account tax credits and tax rebates available, if any.

b) Deferred

'As company has ceased its operation its sole income is from income from property. Therefore, company was not required to provide the deferred taxation as there will be no timing difference as per IAS-12 "Income Taxes".

c) Levies

'Tax charged under Income Tax Ordinance, 2001 which is not based on taxable income or any amount paid/payable in excess of the calculation based on taxable income is classified as levy in the statement of profit or loss and other comprehensive income as these levies fall under the scope of IFRIC 21 / IAS 37.

5.4 Provisions and Contingencies

Provision is recognised when, as a result of past event, the company has a present legal or constructive obligation that can be estimated reliably and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Subsequently, provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. The un-winding of discount is recognized as finance cost, if any. Where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation can not be measured with sufficient reliability, it is disclosed as contingent liability

5.5 Borrowing Cost

Borrowing cost related to the financing of major projects is capitalized. All other borrowing costs are expensed as incurred.

5.6 Trade Debtors

Trade debtors originated by the company are recognized and carried at original invoice less any allowance for any

5.7 Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for goods and services recovered, whether or not billed to the company.

5.8 Cash Equivalents

For the purpose of cash flow statement, cash and cash equivalents consists of cash in hand with banks and short term borrowings. .

5.9 Other Income

Revenue from rental income is recognized on 'accrual basis.

Interest income is also recognized on 'accrual basis.

6. PROPERTY AND EQUIPMENT

24.2 FOREIGN EXCHANGE RISK MANAGEMENT

The Company is exposed to foreign exchange risk arising from various currency exposures. Company uses forward exchange contracts, to hedge their exposure to foreign currency risk in the local reporting currency. For financial reporting purposes, Company designates contracts with Company's bankers as fair value hedges or cash flow hedges, as appropriate.

(a) Credit Risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties. The company does not believe it is exposed to major concentration of credit risk, however to manage any possible exposure, the company applies approved credit limits to its customers.

The management monitors and limits Company's exposure to credit risk through monitoring of client's credit exposure review and conservative estimates of provisions for doubtful receivables, if any, and through the prudent use of collateral policy.

The Company is exposed to credit risk on long-term deposits, advances, deposits and bank balances. The Company seeks to minimize the credit risk exposure through having exposures only to customers considered credit worthy and obtaining securities where applicable. The maximum exposure to credit risk at the reporting date is:

		<u>3,658,131</u>	<u>2,541,183</u>

(b) Interest / Mark up rate risk

Interest rate risk arises from the possibility that changes in interest rate will affect the value of financial instruments. The company is not exposed to interest/markup rate risk as they have not obtained any loans from financial institutions.

(c) Capital Management:

The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximize shareholders' value. The Company manages its capital structure and makes adjustments to it in the light of changes in economic conditions. Capital includes ordinary share capital and reserves.

(d) Foreign currency risk

Foreign currency risk may arise against receivable export sale to foreign undertakings, but the company is not exposed to major foreign currency risk.

(e) Liquidity risk

Liquidity risk reflects company's inability in raising funds to meet commitments. The management closely monitors company's liquidity and cash flow position to ensure adequate liquidity and manage the assets keeping in view the liquidity position.

24.3 FAIR VALUE MEASUREMENT

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in arms length transactions.

The carrying values of all financial assets and liabilities reflected in the financial statements approximate their fair values. Fair value is determined on the basis of objective evidence at each

The financial instruments that are not traded in active market are carried at cost and are tested for impairment according to IFRS 9. The carrying amount of trade receivables and payables are assumed to approximate their fair values.

As at June 30, 2025 the Company did not hold any financial instruments carried at fair value. Moreover, investment property and property and equipment are measured at fair value.

The investment property and freehold land and building in property and equipment were valued on June 30, 2025 carried out by external independent valuer M/s Hamid Mukhtar & Co. (Pvt) Limited.

Assets

As at June 30, 2025			
Level 1	Level 2	Level 3	Total
Rupees			
Investment Property carried at Fair Value	-	-	133,309,000
Freehold Land, Building & Equipment	-	-	134,064,000
	-	-	267,373,000

Assets

As at June 30, 2024			
Level 1	Level 2	Level 3	Total
Rupees			
Investment Property carried at Fair Value	-	-	133,190,000
Freehold Land, Building & Equipment	-	-	133,993,000
	-	-	267,183,000

Reconciliation of net increase in level 3 fair values:

	NOTE	2025 Rupees	2024 Rupees
Fair value at beginning of the year		267,183,000	267,826,000
Depreciation charged during the year		(1,435,100)	(1,492,000)
Remeasurement recognized in OCI		1,625,100	849,000
Fair value at end of the year		267,373,000	267,183,000

The Company has revalued its freehold land, buildings and equipment on June 30, 2025 by independent valuer M/s Hamid Mukhtar & Co. (Private) Limited on the basis of market values of similar properties. The fair value of free hold land, buildings and equipment is a level 3 recurring fair value measurement.

Interest rate used for determining fair value:

The interest rates used to discount estimated cash flows, when applicable, are based on the government yield curve at the reporting date plus an adequate credit spread. For instruments carried at amortized cost, since majority of the interest bearing instruments are variable rate based instruments, there is no difference in carrying amount and the fair value. Further, for fixed rate

instruments, since there is no significant difference in market rate and the rate of instrument and therefore most of the fixed rate instruments are of short term in nature, fair value significantly approximates to carrying value.

Fair value hierarchy:

International Financial Reporting Standard (IFRS) 13, "Fair Value Measurement" requires the Company to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The table below analysis financial instruments carried at fair value by valuation method. The different values have been defined as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2: input other than quoted prices included with in Level 1 that are observable for assets and liability either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs).

Transfers between levels of the fair value hierarchy are recognized at the end of the reporting period during which the change the occurred. However, there is no transfers between levels during the year.

25 REMUNERATION OF CHIEF EXECUTIVE, DIRECTORS AND EXECUTIVES

25.1 The Chief Executive officer and Executive is not drawing any remuneration from the company. Meeting fees paid to independent directors is disclosed in note 19.1.
