Further, it is not possible for the Company or the directors to accurately predict the nature of the related party transactions (or the specific related parties) with which the transaction(s) shall be carried out, in view of the nature and in order to ensure smooth supply during the year, the Company seeks the approval of the shareholders that the Board may cause the Company to enter into transactions with related party persons from time to time in wisdom and in accordance with the policy of the Company for the fiscal year 2024-2025. All such transactions will be clearly stipulated in the end of the fiscal financial year in the Company's Annual Report. In however addition to this all such transactions shall also be placed before the shareholders in the next General Meeting for their noting/approval/confirmation.

The directors are interested in these transactions only in the nature of their common directorship and shareholding in the transacted companies.
