Ensuring a safe work environment for our employees at the factory

### Supporting local communities:

Running Bhera Community Centre, a state of the art medical and community centre which is equipped with all the basic and advanced medical facilities and the halls can be used for social, cultural, recreational and civic activities. Collaboration with Rizq Foundation in their mission to eradicate food hunger.

### Diversity and Inclusion:

Promoting a diverse and equitable workplace.  
Equal opportunities for all employees

## GOVERNANCE

### Strong Corporate Governance:

Transparency and accountability

### Ethical business conduct

Trusted and responsible reporting

### Compliance:

Compliance with industry standards

### Diversity:

Board Diversity and independence

# Corporate Social Responsibility

## Bhera Community Center

The Bhera Community Centre stands as a hub for holistic community development. Equipped with comprehensive medical facilities, health awareness programs, educational courses, and vocational training.

## Sundar STEM School

A donation of 154 Chromebooks to Sundar STEM School, Lahore, provides students with essential access to technology, strengthening their capacity to thrive in science, technology, engineering, and mathematics.

## Thar Water Well

To address critical water scarcity in Thar, 17 solar-powered water wells have been established, providing clean and sustainable water sources to underserved communities.

## Al Kareem Begum Clinic

Situated in Barmi Gali, Nathia Gali, the Al Kareem Begum Clinic delivers free healthcare services and medicines to underserved communities. Supported by Airlink, the facility includes consultation rooms, inpatient beds, ultrasound services, oxygen supply, and blood transfusion capabilities.

## APWA Rana Liaquat Welfare Project

Through ongoing financial support, Airlink partners with the APWA Rana Liaquat Craftsmen's Colony Welfare Project, improving the lives of over 20,000 individuals, primarily women and children.
