## Performance Review

Basic and diluted earnings per share

The Bank achieved remarkable performance during the nine month period whereby profit after tax surged by 89% year-on-year (YoY) to Rs. 4,973 million as compared to Rs. 2,632 million during the same period last year.

4 29

Net Markup/Interest Income for the period increased by 19% YoY to Rs. 14,524 million as a result of robust balance sheet management and successful reduction in funding costs achieved during the period. Non-markup/interest income also recorded significant growth, rising sharply by 178% YoY to Rs. 3,648 million (9M period ended September 30, 2024: Rs. 1,311 million). The main contributors in non-markup income were gain on securities, fee and commission income and foreign exchange income. During the period, the management took benefit of the capital gain opportunities offered by the prevailing interest rate scenario and realized gains on securities amounting to Rs. 2,215 million (9M 2024: Rs. 7 million).

To improve the non-mark income stream, special focus is being given to trade finance, investment banking and home remittances businesses. The Bank has launched its home remittance product with the brand name of Bok KOR Pay which has received a very healthy response from our overseas KPK diaspora. Moreover, the Bank has launched its MasterCard debit card. This is a significant milestone achieved by the Bank in pursuit of its goal for providing convenient and world class banking services to it's customers.

Non mark-up expenses rose by 12% YoY to Rs. 8,527 million, reflecting increase in employee and other administrative costs due to the impact of inflation and overall increase in activities of the Bank.

As a result of the strenuous recovery efforts and prudent lending strategy followed by the management, the Bank achieved net reversal in provisions amounting to Rs. 959 million during the nine month period under review, compared to the net provision reversal of Rs. 142 million during the same period last year.

The Bank's deposit base as on September 30, 2025 stood at Rs. 374,340 million as against Rs. 277,642 million as of December 31, 2024. Gross Advances of the Bank at the nine month period end amounted to Rs. 134,139 million while net investments stood at Rs. 282,013 million. The management is working on a prudent strategy to gradually increase its ADR (Advances to Deposits Ratio) by focusing on all the business segments i.e. Corporate, SMEs, Agriculture and Consumer.

Total assets of the Bank as of September 30, 2025 increased to Rs. 481,810 million as against Rs. 477,564 million on December 31, 2024

## Status of Conversion into Islamic Bank

During the nine month period ended September 30, 2025, the Bank announced initiation of the process for its conversion to a full-fledged Islamic Bank. The Bank is taking all the necessary steps for achievement of this landmark initiative as per the plan. In pursuit of this goal, 59 branches have been converted from conventional to Islamic banking during the review period. Accordin gly, Islamic banking branch network of the Bank has increased to 191 branches (out of the total of 247 branches) at the period end while there are 56 Islamic Banking Windows to support the conversion of conventional banking branches.

## **Credit Rating**

In June-2025, VIS Credit Rating Company Limited (VIS) upgraded the Medium to Long Term entity rating of the Bank to AA- (Double A minus) from A+ (Single A plus) which indicates high credit quality. Moreover, Short Term rating of the Bank was reaffirmed at A1 (A one).

The Pakistan Credit Rating Agency Limited (PACRA) in June 2025 reaffirmed the Medium to Long term and the Short Term entity ratings of the Bank at A+ (Single A plus) and A1 (A one) respectively.

These ratings have been assigned a stable outlook by both the rating companies.

## **Future Outlook**

Going forward, the Bank will continue its emphasis on sustainable profitability through diversification of its deposit base, lower cost of funds, asset quality improvement and broadening of portfolio through proactive strategies. Special focus will continue on further reducing the NPL/infection ratio by following a prudent underwriting strategy jointly with strenuous recovery efforts for non-performing portfolio. Moreover, improvement of service quality standards and providing state of-the-art banking services by leveraging technology and skilled human resources remain key priorities of the management.

Furthermore, the Bank plans to grow advances across all economic segments, i.e. Corporate, SMEs, Agriculture and Consumer financing. Simultaneously, target will be to further diversify and improve the deposits composition for reduction in the funding cost of the Bank.

## Acknowledgments

The Board would like to thank the Provincial Government, State Bank of Pakistan, Shareholders, regulatory authorities and all other stakeholders for their continued trust and support. We are also grateful to our valued customers for their patronage and continued confidence in the Bank.

## 2 BASIS OF PREPARATION

The purchases and sales arising under the respective arrangements (except for Murabaha financings accounted for under Islamic Financial Accounting Standard 1 "Murabaha") are not reflected in these condensed interim financial statements as such, but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon.
- 2.2 The Islamic banking branches of the Bank have complied with the requirements as set out in the Islamic Financial Accounting Standards (IFAS), issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the provisions of Companies Act, 2017.
- 2.3 The financial results of the Islamic Banking Branches have been included in these condensed interim financial statements for reporting purposes, after eliminating the effects of inter-branch transactions and balances. Key financial figures of the Islamic Banking Branches are disclosed in note 38 to these condensed interim financial statements.
- 2.4 These condensed interim financial statements have been prepared under the historical cost convention except that certain class of property and equipment and non-banking assets acquired in satisfaction of claims are stated at revalued amounts; certain investments classified at fair value through profit or loss and fair value through other comprehensive income are stated at fair value; staff loans are measured at fair value at initial recognition; and the recognition of certain employees benefits, lease liabilities and corresponding right of use assets at present value, as disclosed in their respective notes.
- 2.5 The Bank believes that there is no significant doubt on the Bank's ability to continue as a going concern. Therefore, these condensed interim financial statements have been prepared on a going concern basis.
- 2.6 These condensed interim financial statements have been presented in Pakistani Rupee, which is the Bank's functional and presentation currency. The figures have been rounded off to the nearest thousand rupees, unless otherwise stated.

These condensed interim financial statements do not include all the information and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual financial statements for the year ended December 31, 2024.
- 3.3 SBP vide BSD Circular Letter No. 10, dated August 26, 2002, has deferred the applicability of International Accounting Standard (IAS) 40, Investment Property for banking companies till further instructions. Moreover, SBP vide BPRD Circular No. 4, dated February 25, 2015, has deferred the applicability of Islamic Financial Accounting Standards (IFAS) 3, Profit and Loss Sharing on Deposits. Further, according to the notification of the SECP issued vide SRO 411(I)/2008 dated April 28, 2008, International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' has not been made applicable for banks. IFRS 18 when adopted and applicable shall impact the presentation of 'Statement of Profit and Loss Account' with certain additional disclosures in the condensed interim financial statements.
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.
- Amendment to IAS 21 'The Effects of Changes in Foreign Exchange Rates' which will require Banks to apply a
  consistent approach in assessing whether a currency can be exchanged into another currency and, when it
  cannot, in determining the exchange rate to use and the disclosures to provide.

## 4 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these condensed interim financial statements are consistent with those applied in the preparation of the annual audited financial statements of the Bank for the year ended December 31, 2024. Impacts of adoption of IFRS 9 for comparative and current period are disclosed in note 4.1 below.

## 4.1 IFRS 9 - 'Financial Instruments'

The Bank had adopted IFRS 9 effective from January 1, 2024 with modified retrospective approach for restatement permitted under IFRS 9. The cumulative impact of initial application amounting to Rs. 1,219.76 million net of tax was recorded as an adjustment to equity at the beginning of the previous accounting period.

The Bank, in compliance with extended timelines prescribed in SBP's BPRD Circular Letter No. 16 dated July 29, 2024 and BPRD Circular Letter No. 1 dated January 22, 2025 had incorporated IFRS 9 related impacts of fair valuation of subsidised staff loans in the last quarter of 2024. Therefore, the condensed interim statement of profit and loss account (un-audited) for the nine month ended September 30, 2024 have been restated to incorporate these impacts. Had the restatement not been incorporated the profit after tax and total comprehensive income for the half year ended September 30, 2024 would have been lower by Rs. 33.13 million. The details are tabulated below:

Financial statement line items	Rupees in '000	Description

The cumulative impact of application in current period amounting to Rs. 67.19 million net of tax has been recorded as an adjustment to equity at the beginning of the current period.
- 4.1.2 The SBP has directed the Banks through its BPRD Circular Letter No. 1 dated January 22, 2025 to continue the existing revenue recognition methodology for Islamic Operations, including the requirements of IFAS 1 and IFAS 2 until further instructions. Had IFRS 9 been adopted in its entirety for revenue recognition from Islamic operations, the profit after tax of the Bank would have been higher by Rs. 93.47 million.
- **4.1.3** The SBP in a separate instruction SBPHOK-BPRD-RPD-BOK-827068 dated January 22, 2025 has allowed extension for application of Effective Interest Rate method upto December 31, 2025.

18.2 The Bank mainly has lease contracts for real estate that are used in its operations including branches and other offices. Leases generally have lease terms between 1.5 years to 5 years. The Bank's obligations correspond to the lessor's title to the leased assets. Generally, the Bank is restricted from assigning and subleasing the lease assets. As a practical expedient, management does not separate lease and non-lease components, wherever applicable. The additions to lease obligations during the period have been discounted at rates ranging between 11.09% to 12.24% (December 31, 2024: 13.47% to 22.09%) per annum; being the relevant incremental borrowing rate of the Bank.

## 22.3 Other contingent liabilities

- 22.3.1 There are certain claims which have not been acknowledged as debts. These mainly represent counter claims by the borrowers, claims filed by the former employees of the Bank and certain other claims. Based on legal advice and/ or internal assessments management is optimistic that the matters will be decided in the Bank's favour and the possibility of any adverse outcome is remote. Accordingly, no provision has been made in these condensed interim financial statements for the same.
- 22.3.2 The Bank is contesting a case filed by an employee in the Peshawar High Court regarding changes in post retirement benefit plans made by the Bank w.e.f. January 1, 2019. The management based on a legal opinion is of the view that such changes were lawfully made as per Bank's policy and is optimistic about the favourable outcome of the case. Hence, no provision in this respect is recognised in these condensed interim financial statements. Considering the complexity and uncertainty in nature, the financial impact cannot be reasonably ascertained.

## 22.3.3 The matters arising from income tax assessments of the Bank up to Tax Year 2024 are detailed below:

i) In respect of Tax Year 2014, the Commissioner Inland Revenue, Appeals (CIRA), issued an order dated November 24, 2021 under section 129 of the Income Tax Ordinance, 2001 in which he remanded back certain matters to Commissioner Inland Revenue (CIR) for reassessment and also upheld few matters. Being aggrieved, the Bank filed an appeal with Appellate Tribunal Inland Revenue (ATIR) on February 23, 2022, which is currently pending.

The remand back proceedings were also completed by CIR, and order was issued, creating a total demand of Rs. 231 million (December 31, 2024: Rs. 231 million) in respect of remand back proceedings and for matter upheld by CIRA and mainly included disallowances on account of provision for doubtful debt, depreciation and workers welfare fund. The Bank filed correction application with CIR as well as appeal with CIRA, on May 18, 2022 which is currently pending.

- ii) In respect of Tax Year 2015, Deputy Commissioner Inland Revenue issued an order dated February 23, 2023 creating an additional tax demand along with default surcharge of Rs. 645 million (December 31, 2024; Rs. 645 million) under section 161 of Income Tax Ordinance, 2001, mainly on account of non-deduction of withholding taxes on profit on debt, salaries and wages, advertisement and professional charges etc. Being aggrieved, the Bank filed an appeal before CIRA on March 22, 2023 which is currently pending.
- iii) In respect of Tax Year 2016, Additional Commissioner Inland Revenue issued an order dated June 21, 2022 creating a demand of Rs. 188 million (December 31, 2024: Rs. 188 million) on account of provision for non-performing loans and advances. Being aggrieved the Bank filed an appeal with CIRA on July 22, 2022 which is currently pending.
- iv) In respect of Tax Year 2017, Additional Commissioner Inland Revenue issued an order dated May 29, 2023 creating a demand of Rs. 130 million (December 31, 2024: Rs. 130 million) on account of provision for non-performing loans and advances. Being aggrieved the Bank filed an appeal with CIRA on July 4, 2023 which is currently pending.
- v) In respect of Tax Year 2019, Assistant Commissioner Inland Revenue issued an order dated November 30, 2023 creating a demand of Rs. 962 million (December 31, 2024: Rs. 962 million) along with default surcharge amounting to Rs 567 million (December 31, 2024: Rs 567 million) under section 161 of Income Tax Ordinance, 2001, mainly on account of non-deduction of withholding taxes. Being aggrieved, the Bank filed an appeal against the order on January 1, 2024. During the period, Appellate Tribunal Inland Revenue (ATIR) issued an order dated March 7, 2025, remanding the matter back to the assessing officer for a fresh decision after the examination of records.

Pursuant to Tax Law (Amendment) Act, 2024, appeal cases pending before Commissioner (Appeals) have now been transferred to Appellate Tribunal Inland Revenue, as per the pecuniary limits prescribed under section 126(A) of the Income Tax Ordinance, 2001.

22.3.4 The Bank's share of contingencies of it's associated company i.e. Taurus Securities Limited amounts to Rs. 8.62 million (December 31, 2024; Rs. 8.62 million)

Management is confident of a favourable outcome of the above matters. Hence, no provision has been recognised for the same in these condensed interim financial statements.

## 34 FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified under amortised cost, is based onquoted market price. Quoted securities classified under amortised cost are carried at cost. The fair value of unquoted equity securities, other than investments in associates, is determined on the basis of valuation methodologies. The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or in the case of customer loans and deposits, are frequently repriced.

The Bank has reclassified Non Government debt securities amounting to Rs. 300 million from FVOCI to FVPL as of September 30, 2025.

## 34.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using inputs that are not based on observable market data (i.e. unobservable inputs)

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy in to which the fair value measurement is categorized:
