Dear Shareholders

The Directors of your Company present to you the financial results of your Company for the first quarter ended September 30, 2025.

During the review period, our net sales stood at Rs. 160.694 million, reflecting a decrease of Rs. 10.55 million compared to the corresponding period last year. The decline in sales was primarily due to torrential rains and flooding that adversely affected operations during this period.

In this quarter, the Company reported a gross loss of Rs. 12.063 million, a significant improvement compared to the loss of Rs. 93.574 million in the same quarter of the previous year. The loss for the current quarter is mainly attributable to suspension of production during September 2025.

Our loss after taxation amounted to Rs. 26.542 million, as against Rs.98.982 million recorded in the corresponding period of the preceding year.
