Dear Sir,

**Re: Commencement of Production from Dhok Sultan – 03 (Dhok Sultan Block)  
under Appraisal/EWT Arrangements**

This is further to our letter No. CS/PSX-0150 dated 4<sup>th</sup> September 2025, regarding the discovery of oil and gas from well “Dhok Sultan-03”, located in District Attock, Punjab Province.

We are pleased to announce the commencement of oil production from the well Dhok Sultan-03 under the Appraisal / Extended Well Testing (EWT) arrangement, effective 1<sup>st</sup> November 2025. The block is operated by the Company with 75% working interest along with its Joint Venture Partner, Government Holdings Private Limited (GHPL) with working interest of 25%.

The joint venture is handling oil from the well at Dhok Sultan Oil Handling Facility and gas is transported at Meyal Gas Processing Facility. The oil is being sold to Attock Refinery Limited (ARL) and gas is being sold to Sui Northern Gas Pipelines Limited (SNGPL) as per government designated buyers. This arrangement has provided the potential to ramp up production up to 1,400 barrels per day of oil, 2.5 MMscfd of gas and 15 Tons per day of LPG.

The foregoing will contribute positively towards reducing the gap between energy supply and demand, while also conserving significant foreign exchange through the production of indigenous hydrocarbons. The Company remains committed to enhance its hydrocarbon production in a cost-effective manner to ensure long-term energy security for the country and support national economic growth.

The foregoing information is submitted in compliance with Section 96 of the Securities Act, 2015 and Clause 5.6.1 of the Pakistan Stock Exchange Limited Regulations, for dissemination amongst your members.

Yours truly,

**Ali Jaffar**  
Company Secretary
