The General Manager,
Pakistan Stock Exchange Limited,
Stock Exchange Building,
Stock Exchange Road,
Karachi.

Subject: **MATERIAL INFORMATION**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information:

"NETSOL Technologies has signed a landmark agreement with the Government of Khyber Pakhtunkhwa worth over PKR 500,000,000, funded by the World Bank, to begin the next phase of the province's Paperless Government Project. Building on Phase I — which successfully digitized Summaries to the Chief Minister, the Cabinet workflow and other core paper-based processes — the next phase will scale automation and secure inter-agency integrations to deliver faster decisions, and stronger audibility."

"This milestone moves digital governance from promise to practice: faster service delivery, fewer manual touch points and clear, auditable decision trails across government," said Salim Ghauri, Chief Executive Officer, NETSOL Technologies. "We are proud to partner with the provincial government to make the government processes more transparent, accountable and efficient."

Yours Sincerely,

SEHRISH
Company Secretary
